## A BILL

To amend title XVIII of the Social Security Act to provide for review and adjustment of payments under the Medicare outpatient prospective payment system to avoid financial incentives to use opioids instead of non-opioid alternative treatments, and for other purposes.

1       *Be it enacted by the Senate and House of Representa-  
2 tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE.**

4       This Act may be cited as the “Promoting Outpatient  
5 Access to Non-Opioid Treatments Act”.

1     **SEC. 2. REVIEW AND ADJUSTMENT OF PAYMENTS UNDER**  
2                 **THE MEDICARE OUTPATIENT PROSPECTIVE**  
3                 **PAYMENT SYSTEM TO AVOID FINANCIAL IN-**  
4                 **CENTIVES TO USE OPIOIDS INSTEAD OF NON-**  
5                 **OPIOID ALTERNATIVE TREATMENTS.**

6     (a) **OUTPATIENT PROSPECTIVE PAYMENT SYS-**  
7     **TEM.**—Section 1833(t) of the Social Security Act (42  
8     U.S.C. 1395l(t)) is amended by adding at the end the fol-  
9     lowing new paragraph:

10                 “(22) **REVIEW AND REVISIONS OF PAYMENTS**  
11                 **FOR NON-OPIOID ALTERNATIVE TREATMENTS.**—

12                 “(A) **IN GENERAL.**—With respect to pay-  
13     ments made under this subsection for covered  
14     OPD services (or groups of services), including  
15     covered OPD services assigned to a comprehen-  
16     sive ambulatory payment classification, the Sec-  
17     retary—

18                 “(i) shall, as soon as practicable, con-  
19     duct a review (part of which may include  
20     a request for information) of payments for  
21     opioids and evidence-based non-opioid al-  
22     ternatives for pain management (including  
23     drugs and devices, nerve blocks, surgical  
24     injections, and neuromodulation) with a  
25     goal of ensuring that there are not finan-

1           cial incentives to use opioids instead of  
2           non-opioid alternatives;

3               “(ii) may, as the Secretary determines  
4               appropriate, conduct subsequent reviews of  
5               such payments; and

6               “(iii) shall consider the extent to  
7               which revisions under this subsection to  
8               such payments (such as the creation of ad-  
9               ditional groups of covered OPD services to  
10              classify separately those procedures that  
11              utilize opioids and non-opioid alternatives  
12              for pain management) would reduce pay-  
13              ment incentives to use opioids instead of  
14              non-opioid alternatives for pain manage-  
15              ment.

16           “(B) PRIORITY.—In conducting the review  
17           under clause (i) of subparagraph (A) and con-  
18           sidering revisions under clause (iii) of such sub-  
19           paragraph, the Secretary shall focus on covered  
20           OPD services (or groups of services) assigned  
21           to a comprehensive ambulatory payment classi-  
22           fication, ambulatory payment classifications  
23           that primarily include surgical services, and  
24           other services determined by the Secretary

1                   which generally involve treatment for pain man-  
2                   agement.

3                 “(C) REVISIONS.—If the Secretary identi-  
4                 fies revisions to payments pursuant to subpara-  
5                 graph (A)(iii), the Secretary shall, as deter-  
6                 mined appropriate, begin making such revisions  
7                 for services furnished on or after January 1,  
8                 2020. Revisions under the previous sentence  
9                 shall be treated as adjustments for purposes of  
10                 application of paragraph (9)(B).

11                 “(D) RULES OF CONSTRUCTION.—Nothing  
12                 in this paragraph shall be construed to preclude  
13                 the Secretary—

14                     “(i) from conducting a demonstration  
15                 before making the revisions described in  
16                 subparagraph (C); or

17                     “(ii) prior to implementation of this  
18                 paragraph, from changing payments under  
19                 this subsection for covered OPD services  
20                 (or groups of services) which include  
21                 opioids or non-opioid alternatives for pain  
22                 management.”.

23                 (b) AMBULATORY SURGICAL CENTERS.—Section  
24                 1833(i) of the Social Security Act (42 U.S.C. 1395l(i))

1 is amended by adding at the end the following new para-  
2 graph:

3           “(8) The Secretary shall apply the provisions of  
4 paragraph (22) of section 1833(t), including the sec-  
5 ond sentence of subparagraph (C) of such para-  
6 graph, to payment for services under this subsection  
7 in an appropriate manner (as determined by the  
8 Secretary).”.
