

115TH CONGRESS  
2D SESSION

# H. R. 6090

To provide for a report by the Committee on Technology of the National Science and Technology Council on machine learning and artificial intelligence.

---

## IN THE HOUSE OF REPRESENTATIVES

JUNE 13, 2018

Mrs. LAWRENCE introduced the following bill; which was referred to the Committee on Science, Space, and Technology

---

## A BILL

To provide for a report by the Committee on Technology of the National Science and Technology Council on machine learning and artificial intelligence.

1 *Be it enacted by the Senate and House of Representa-*  
2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE.**

4 This Act may be cited as the “Artificial Intelligence  
5 Reporting Act of 2018” or the “AIR Act of 2018”.

6 **SEC. 2. REPORT ON MACHINE LEARNING AND ARTIFICIAL**  
7 **INTELLIGENCE.**

8 Not later than 120 days after the enactment of this  
9 Act, and annually thereafter, the subgroup on Machine

1 Learning and Artificial Intelligence of the Committee on  
2 Technology of the National Science and Technology Coun-  
3 cil shall submit to the Committee on Oversight and Gov-  
4 ernment Reform and the Committee on Science, Space,  
5 and Technology of the House of Representatives and the  
6 Committee on Commerce, Science, and Transportation of  
7 the Senate a report containing—

8           (1) a strategic plan for unclassified machine  
9       learning and artificial intelligence research and de-  
10      velopment, in consultation with the Networking and  
11      Information Technology Research and Development  
12      program and appropriate subgroups of such pro-  
13      gram, including the Robotics and Intelligent Sys-  
14      tems Interagency Working Group;

15           (2) the use and status of unclassified machine  
16      learning and artificial intelligence applications across  
17      the Federal Government; and

18           (3) efforts taken to enhance the Federal re-  
19      search and development enterprise by embracing a  
20      diverse workforce.
