# A BILL

To amend the Endangered Species Act of 1973 to define petition backlogs and provide expedited means for discharging petitions during such a backlog.

1       *Be it enacted by the Senate and House of Representa-*  
2   *tives of the United States of America in Congress assembled,*  
3   **SECTION 1. SHORT TITLE.**

4       *This Act may be cited as the “Providing ESA Timing*  
5   *Improvements That Increase Opportunities for Nonlisting*  
6   *Act of 2018” or the “PETITION Act of 2018”.*

7   **SEC. 2. DEFINITIONS.**

8       *Section 3 of the Endangered Species Act of 1973 (16*  
9   *U.S.C. 1532) is amended—*

10           *(1) by moving the margins of paragraphs (1)*  
11   *through (21) 2 ems to the right;*

12           *(2) by inserting before the text the following: “(a)*  
13   *IN GENERAL.—”; and*

14           *(3) by adding at the end the following:*  
15   *“(b) DEFINITIONS RELATED TO PETITIONS.—In this*

16   *Act:*

17           *“(1) 90-DAY PETITION BACKLOG.—The term ‘90-*  
18   *day petition backlog’ means such a backlog declared*  
19   *by the Secretary under section 4(b)(3)(E).*

20           *“(2) 12-MONTH PETITION BACKLOG.—The term*  
21   *‘12-month petition backlog’ means such a backlog de-*  
22   *clared by the Secretary under section 4(b)(3)(E).*

23           *“(3) BACKLOG SCHEDULE.—The term ‘backlog*  
24   *schedule’ means a comprehensive, regularly updated*  
25   *compendium of petitioned-for species that are the sub-*

1       ject of a 90-day petition backlog or a 12-month peti-  
2       tion backlog—

3               “(A) that consists of—

4                       “(i) a list of petitions to add a species  
5                       to a list of species under section 4(c), in-  
6                       cluding petitions to move a species from the  
7                       list of threatened species to the list of en-  
8                       dangered species; and

9                       “(ii) a list of petitions to remove a spe-  
10                       cies from a list of species under section 4(c),  
11                       including petitions to move a species from  
12                       the list of endangered species to the list of  
13                       threatened species; and

14                       “(B) in which the petitions in each such list  
15                       appear in the order in which the petitions were  
16                       submitted to the Secretary.

17               “(4) BACKLOG PROCEDURES.—The term ‘backlog  
18                       procedures’ means the actions taken by the Sec-  
19                       retary—

20                       “(A) under section 4(b)(3)(G) following the  
21                       declaration of a 90-day petition backlog; or

22                       “(B) under section 4(b)(3)(H) following the  
23                       declaration of a 12-month petition backlog.

24               “(5) PETITIONED-FOR SPECIES.—The term ‘peti-  
25                       tioned-for species’ means a species that has been iden-

1       *tified in a petition presented under subparagraph (A)*  
2       *or (B) of section 4(b)(3).".*

3   **SEC. 3. BACKLOG DECLARATION AND PROCEDURES.**

4       *(a) IN GENERAL.—Section 4(b)(3) of the Endangered*  
5   *Species Act of 1973 (16 U.S.C. 1533(b)(3)) is amended by*  
6   *adding at the end the following:*

7               “(E)(i) *The Secretary shall—*

8                       “(I) *declare a 90-day petition backlog*  
9   *at any time the total number of species for*  
10   *which a petition is presented to the Sec-*  
11   *retary under subparagraph (A) that has not*  
12   *been the subject of a finding by the Sec-*  
13   *retary within the timeframe established*  
14   *under such subparagraph exceeds 5 percent*  
15   *of the number of species for which such peti-*  
16   *tions have been presented during the pre-*  
17   *ceding 15 years;*

18                       “(II) *submit a backlog schedule for*  
19   *such backlog to—*

20                       “(aa) *the President;*

21                       “(bb) *the Chairman and ranking*  
22   *minority Member of the Committee on*  
23   *Environment and Public Works of the*  
24   *Senate; and*

1                         “(cc) the Chairman and ranking

3                         Natural Resources of the House of Rep-  
4                         resentatives; and

5                         “(III) comply with backlog procedures  
6                         under subparagraph (G) during the period  
7                         such backlog is in effect.

8                         “(ii) The Secretary shall—

9                         “(I) declare at any time the total number of species  
10                         for which a petition is being considered by  
11                         the Secretary under subparagraph (B) that  
12                         has not been the subject of a finding by the  
13                         Secretary within the timeframe established  
14                         under such subparagraph exceeds 5 percent  
15                         of the number of species for which such peti-  
16                         tions have been presented during the pre-  
17                         ceding 15 years;

18                         “(II) submit a backlog schedule for  
19                         such backlog to—

20                         “(aa) the President;

21                         “(bb) the Chairman and ranking  
22                         minority Member of the Committee on  
23                         Environment and Public Works of the  
24                         Senate; and

1                         “(cc) the Chairman and ranking  
2                         minority Member of the Committee on  
3                         Natural Resources of the House of Rep-  
4                         resentatives; and

5                         “(III) comply with backlog procedures  
6                         under subparagraph (H) during the period  
7                         such declaration is in effect.

8                         “(iii) Not later than 90 days after declaring  
9                         a 90-day petition backlog or 12-month petition  
10                         backlog, and every 90 days thereafter during the  
11                         period such backlog is in effect, the Secretary  
12                         shall submit to the recipients under clause  
13                         (ii)(II) and (iii)(II), respectively, an updated  
14                         backlog schedule that contains—

15                         “(I) a list of petitioned-for species for  
16                         which a finding had been made since the  
17                         last submission of the backlog schedule  
18                         under such clause;

19                         “(II) the outcomes of findings for all  
20                         petitioned-for species for which a finding  
21                         has been made since the last submission of  
22                         the backlog schedule under such clause; and

23                         “(III) a summary of the bases of all  
24                         findings for any petitioned-for species for

1                   *which a finding has been made since the*  
2                   *preceding submission of the backlog.*

3                   “(F) *The Secretary shall terminate a 90-*  
4                   *day petition backlog or 12-month petition back-*  
5                   *log at such time as the requirements for declar-*  
6                   *ing such backlog under subparagraph (E)(i) or*  
7                   *(E)(ii), respectively, are not fulfilled.*

8                   “(G) *During the effective period of a 90-day*  
9                   *petition backlog—*

10                  “(i) *the requirement under subpara-*  
11                  *graph (A) to make a finding within 90 days*  
12                  *shall not apply with respect to any species*  
13                  *that is the subject of a petition included in*  
14                  *the list under section 2(b)(3)(A)(i);*

15                  “(ii) *except as provided in clause (iii),*  
16                  *the Secretary shall not make any finding*  
17                  *under subparagraph (A) with respect to any*  
18                  *species included in the list under section*  
19                  *2(b)(3)(A)(i) in the applicable backlog*  
20                  *schedule, until the earlier of—*

21                  “(I) *the date the Secretary termi-*  
22                  *nates the backlog under subparagraph*  
23                  *(F);*

1                   “(II) the date the applicable back-  
2                   log schedule consists of only the list  
3                   under such section; or

4                   “(III) the date the only peti-  
5                   tioned-for species in the backlog sched-  
6                   ule to which the Secretary has not de-  
7                   voted sufficient resources so as to issue  
8                   such a finding within 90 days are  
9                   those in the list under such section;  
10                  and

11                  “(iii) the Secretary is deemed to have  
12                  made a finding under subparagraph (A)  
13                  that each petition for a species included in  
14                  the list under section 2(b)(3)(A)(i) in the  
15                  applicable backlog schedule does not present  
16                  substantial scientific or commercial infor-  
17                  mation indicating that the petitioned action  
18                  may be warranted, effective upon the expi-  
19                  ration of the 180-day period beginning on  
20                  the date the petition was submitted.

21                  “(H) Except as provided in subparagraph  
22                  (I)—

23                  “(i) after declaring a 12-month peti-  
24                  tion backlog under subparagraph (E)(ii)  
25                  and before taking any actions under clause

1                             (ii) of this subparagraph, the Secretary  
2 shall assign each petition and petitioned-for  
3 species to be considered under such clause to  
4 one of the five priority bins referred to in  
5 the notice issued by the United States Fish  
6 and Wildlife Service entitled ‘Methodology  
7 for Prioritizing Status Reviews and Accom-  
8 panying 12-month findings on Petitions for  
9 Listing Under the Endangered Species Act  
10 (81 Fed. Reg. 49248 (July 27, 2016)); and

11                             “(ii) during the effective period of such  
12 12-month petition backlog under subparagraph  
13 (E)(ii)—

14                             “(I) the requirement under sub-  
15 paragraph (B) to make a finding within  
16 12 months shall not apply with re-  
17 spect to any species that is the subject  
18 of a petition included in the list under  
19 section 2(b)(3)(A)(i);

20                             “(II) the Secretary shall consider  
21 under this paragraph only petitions  
22 for species included in the list under  
23 section 2(b)(3)(A)(ii) in the applicable  
24 backlog schedule, that were submitted

1           *more than 12 months before the estab-*  
2           *lishment of the backlog;*

3           “*(III) except as provided in sub-*  
4           *clause (IV), the Secretary shall not*  
5           *make any finding under subparagraph*  
6           *(B) with respect to any species in-*  
7           *cluded in the list under section*  
8           *2(b)(3)(A)(i) in the applicable backlog*  
9           *schedule, until the earlier of—*

10          “*(aa) the date the Secretary*  
11          *terminates the backlog under sub-*  
12          *paragraph (F);*

13          “*(bb) the date the applicable*  
14          *backlog schedule consists of only*  
15          *the list under such section; or*

16          “*(cc) the date the only peti-*  
17          *tioned-for species in the backlog*

4                 “(aa) effective upon the expi-  
5                 ration of the 18-month period be-  
6                 ginning on the date the petition  
7                 was submitted, if the Secretary  
8                 has not assigned the species to the  
9                 ‘Highest Priority—Critically Im-  
10                 periled’, ‘Strong Data Already  
11                 Available on Status’ priority bin  
12                 or ‘New Science Underway to In-  
13                 form Key Uncertainties’ priority  
14                 bin referred to in the notice re-  
15                 ferred to in clause (i); or

16                 “(bb) effective upon the expi-  
17                 ration of the 24-month period be-  
18                 ginning on the date the petition  
19                 was submitted, if the Secretary  
20                 has assigned the species to the  
21                 ‘Strong Data Already Available  
22                 on Status’ priority bin or ‘New  
23                 Science Underway to Inform Key  
24                 Uncertainties’ priority bin re-

1                                                                          *f*  
 2                                                                                  *ferred to in the notice referred to  
in clause (i).*

3                                                                          *"(I)(i) In the case of the first 12-month pe-  
4 tition backlog under subparagraph (E)(ii)—*

5                                                                          *"(I) item (aa) of subparagraph  
6 (H)(ii)(IV) shall be applied by substituting  
7 '30-month' for '18-month'; and*

8                                                                          *"(II) item (bb) of subparagraph  
9 (H)(ii)(IV) shall be applied by substituting  
10 '36-month' for '24-month'.*

11                                                                          *"(ii) The Secretary may not under subpara-  
12 graph (H)(i) change the assignment of a petition  
13 or petitioned-for species from one priority bin to  
14 another priority bin.*

15                                                                          *"(J) In the case of findings under subpara-  
16 graph (G)(iii) and (H)(ii)(IV), the publication  
17 under subparagraph (A) or (B)(i), respectively,  
18 may consist solely of a notice of each finding.*

19                                                                          *"(K)(i) Except as otherwise provided in this  
20 Act, the Secretary shall regularly maintain on  
21 the internet site of the United States Fish and  
22 Wildlife Service a publically available database  
23 of petitions referred to in this paragraph and  
24 species otherwise evaluated under subsection (a).*

1           “(ii) The database shall contain informa-  
2       tion about each petitioned-for species includ-  
3       ing—

4           “(I) the date a petition for such species  
5       was submitted;

6           “(II) the person who submitted the pe-  
7       tition;

8           “(III) the current status of the petition  
9       within the statutory and agency process, in-  
10      cluding the most recent agency action taken;

11       “(IV) a web link to any documents re-  
12      ceived under this paragraph that con-  
13      stituted the petition for such species;

14       “(V) a web link to any materials the  
15      Secretary has received from State or local  
16      governments pertaining to petitions to list  
17      such species;

18       “(VI) the outcomes of all prior peti-  
19      tioning or listing procedures for such spe-  
20      cies; and

21       “(VII) the outcomes of all prior litiga-  
22      tion against the Federal Government on the  
23      basis of a petition for or listing of such spe-  
24      cies, including actions or agreements by the  
25      Federal Government to—

1                 “(aa) dispense monies to litiga-  
2                 gating parties or counsel;  
3                 “(bb) promulgate rules as a direct  
4                 or indirect result of litigation outcomes  
5                 or agreements;  
6                 “(cc) resolve any matter related to  
7                 the petition or a petitioned-for species  
8                 by a certain date, or otherwise;  
9                 “(dd) conduct further research or  
10                 analysis related to the petition or peti-  
11                 tioned-for species; or  
12                 “(ee) engage in any other activity  
13                 as a result of the terms of litigation  
14                 settlements or court orders related to  
15                 such petitions or petitioned-for species.

16                 “(L) Notwithstanding subparagraph  
17                 (C)(ii), a finding by the Secretary under  
18                 subparagraph (G)(iii), and any failure by  
19                 the Secretary in the effective period of a 90-  
20                 day petition backlog to make a finding  
21                 under subparagraph (A) with respect to any  
22                 species included in the list under section  
23                 2(b)(3)(A)(i) in the applicable backlog  
24                 schedule, is not subject to judicial review.

1                 “(M)(i) The Secretary shall enter into a  
2 contract with any person under which the person  
3 agrees to reimburse the Federal Government for  
4 all costs incurred for review of and decision  
5 upon any petition under this Act to add a spe-  
6 cies to a list of species under section 4(c), includ-  
7 ing petitions to move a species from the list of  
8 threatened species to the list of endangered spe-  
9 cies.

10                 “(ii) Such a contract—

11                 “(I) shall require the person to reim-  
12 burse such costs monthly during the period  
13 the petition is under review by the Sec-  
14 retary; and

15                 “(II) if payment of reimbursement is  
16 made in accordance with subclause (I)  
17 without lapse, shall require the Secretary,  
18 notwithstanding any other provision of this  
19 Act, to—

20                 “(aa) issue a decision on the peti-  
21 tion; and

22                 “(bb) continuously study, review,  
23 or render such a decision during the  
24 period the contract is in effect.”.

1       (b) *CONFORMING AMENDMENT.*—Section 4(b)(3)(C) of  
2 the Endangered Species Act of 1973 (16 U.S.C.  
3 1533(b)(3)(C)) is amended—

4                 (1) by striking clause (ii); and  
5                 (2) by redesignating clause (iii) as clause (ii).

6       (c) *EFFECT OF DISMISSAL OF PETITION.*—Section  
7 4(b)(3) of the Endangered Species Act of 1973 (16 U.S.C.  
8 1533(b)(3)), as amended by subsection (a), is further  
9 amended by adding at the end the following:

10                 “(N) *Dismissal of a petition by backlog pro-*
