IN THE HOUSE OF REPRESENTATIVES

JANUARY 24, 2017

Mr. KING of New York (for himself, Mr. BISHOP of Georgia, Mr. ZELDIN, Miss RICE of New York, Mr. RYAN of Ohio, and Ms. GABBARD) introduced the following bill; which was referred to the Committee on Financial Services, and in addition to the Committee on House Administration, for a period to be subsequently determined by the Speaker, in each case for consideration of such provisions as fall within the jurisdiction of the committee concerned

A BILL

To award a Congressional gold medal to the 5307th Composite Unit (Provisional), commonly known as “Merrill’s Marauders”, in recognition of their bravery and outstanding service in the jungles of Burma during World War II.

1 *Be it enacted by the Senate and House of Representa-
2 tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE.**

4 This Act may be cited as the “Merrill’s Marauders
5 Congressional Gold Medal Act”.

1 **SEC. 2. FINDINGS.**

2 Congress makes the following findings:

3 (1) In August 1943 President Franklin D. Roosevelt and other allied leaders proposed the creation
4 of an American ground unit that would engage in a
5 “long-range penetration mission” in Japanese-occu-
6 pied Burma. This unit’s mission would be to cut off
7 Japanese communications and supply lines, and cap-
8 ture Japanese-held airfield and town of Myitkyina.

9
10 (2) President Roosevelt issued a call for volun-
11 teers for “a dangerous and hazardous mission”, the
12 call was answered by approximately 3,000 American
13 soldiers. The unit was officially designated as the
14 “5307th Composite Unit (Provisional)” Code Name:
15 “Galahad”. Later it became known as “Merrill’s
16 Marauders” named after its leader, Brigadier Gen-
17 eral Frank Merrill.

18 (3) In February 1944 the Marauders began
19 their approximately 1,000-mile trek through the
20 dense Burmese jungle. The Marauders had no artil-
21 lery support and carried their supplies on their
22 backs or the pack saddles of mules.

23 (4) Over the course of their 5-month trek to
24 Myitkyina, the Marauders fought victoriously
25 against larger Japanese forces through 5 major and
26 30 minor engagements.

1 (5) During their march to Myitkyina the Marauders faced hunger and disease that were exacerbated by inadequate aerial resupply drops. Malaria, typhus, and dysentery inflicted more casualties on the Marauders than the Japanese.

6 (6) By August 1944 the Marauders accomplished their mission, successfully disrupting Japanese supply and communication lines, taking the town of Myitkyina and the Myitkyina airstrip, the 7 8 9 only all-weather airstrip in Northern Burma.

11 (7) After taking Myitkyina only 130 Marauders out of the original 2,750 were fit for duty. All remaining Marauders still in action were evacuated to hospitals due to tropical diseases, exhaustion, and 12 13 14 15 malnutrition.

16 (8) For their bravery and accomplishments the Marauders were awarded the “Distinguished Unit Citation”, later redesignated as the “Presidential Unit Citation”. Each Marauder also earned a 17 18 19 20 Bronze Star for his service.

21 (9) Though Merrill’s Marauders were operational for only a few months, the legacy of their 22 23 24 bravery is honored by the United States Army through the modern day 75th Ranger Regiment,

1 which traces its lineage directly to the 5307th Com-
2 posite Unit.

3 **SEC. 3. CONGRESSIONAL GOLD MEDAL.**
