IN THE HOUSE OF REPRESENTATIVES

NOVEMBER 16, 2018

Ms. NORTON (for herself and Mr. BEYER) introduced the following bill; which was referred to the Committee on the Judiciary

A BILL

To require uniformed Federal police officers to wear body cameras and have dashboard cameras in marked vehicles.

1 *Be it enacted by the Senate and House of Representa-*
2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE.**

4 This Act may be cited as the “Federal Police Camera
5 and Accountability Act of 2018”.

1 **SEC. 2. REQUIREMENTS FOR FEDERAL UNIFORMED OFFI-**
2 **CERS REGARDING THE USE OF BODY CAM-**
3 **ERAS.**

4 (a) Uniformed officers with the authority to conduct
5 searches and make arrests shall wear a body camera. Such
6 body cameras shall—

7 (1) have a field of view at least as broad as the
8 officer's vision; and

9 (2) be worn in a manner that maximizes the
10 camera's ability to capture video footage of the offi-
11 cer's activities.

12 (b) Both the video and audio recording functions of
13 the body camera shall be activated whenever a uniformed
14 officer is responding to a call for service or at the initiation
15 of any other law enforcement or investigative encounter
16 between a uniformed officer and a member of the public,
17 except that when an immediate threat to the officer's life
18 or safety makes activating the camera impossible or dan-
19 gerous, the officer shall activate the camera at the first
20 reasonable opportunity to do so. The body camera shall
21 not be deactivated until the encounter has fully concluded
22 and the uniformed officer leaves the scene.

23 (c) A uniformed officer who is wearing a body camera
24 shall notify any subject of the recording that he or she
25 is being recorded by a body camera as close to the incep-
26 tion of the encounter as is reasonably possible.

1 (d) Notwithstanding the requirements of subsection
2 (b), the following shall apply to the use of a body camera:

3 (1) Prior to entering a private residence with-
4 out a warrant or in non-exigent circumstances, a
5 uniformed officer shall ask the occupant if the occu-
6 pant wants the officer to discontinue use of the offi-
7 cer's body camera. If the occupant responds affirma-
8 tively, the uniformed officer shall immediately dis-
9 continue use of the body camera. The officer shall
10 record such communication using the officer's body
11 camera.

12 (2) When interacting with an apparent crime
13 victim, a uniformed officer shall, as soon as prac-
14 ticable, ask the apparent crime victim if the appar-
15 ent crime victim wants the officer to discontinue use
16 of the officer's body camera. If the apparent crime
17 victim responds affirmatively, the uniformed officer
18 shall immediately discontinue use of the body cam-
19 era.

20 (3) When interacting with a person seeking to
21 anonymously report a crime or assist in an ongoing
22 law enforcement investigation, a uniformed officer
23 shall, as soon as practicable, ask the person seeking
24 to remain anonymous, if the person seeking to re-
25 main anonymous wants the officer to discontinue use

1 of the officer's body camera. If the person seeking
2 to remain anonymous responds affirmatively, the
3 uniformed officer shall immediately discontinue use
4 of the body camera.

5 (e) All law enforcement offers to discontinue the use
6 of a body camera made pursuant to subsection (d), and
7 the responses thereto, shall be recorded by the body cam-
8 era prior to discontinuing use of the body camera.

9 (f) Body cameras shall not be used to gather intel-
10 ligence information based on First Amendment protected
11 speech, associations, or religion, or to record activity that
12 is unrelated to a response to a call for service or a law
13 enforcement or investigative encounter between a law en-
14 forcement officer and a member of the public, and shall
15 not be equipped with or subjected to any real time facial
16 recognition technologies.

17 (g) Uniformed officers shall not activate a body cam-
18 era while on the grounds of any public, private or paro-
19 chial elementary or secondary school, except when re-
20 sponding to an imminent threat to life or health.

21 (h) Body camera video footage shall be retained by
22 the law enforcement agency that employs the officer whose
23 camera captured the footage, or an authorized agent
24 thereof, for 6 months after the date it was recorded, after
25 which time such footage shall be permanently deleted.

1 (1) During the 6-month retention period, the
2 following persons shall have the right to inspect the
3 body camera footage:

4 (A) Any person who is a subject of body
5 camera video footage, and their designated legal
6 counsel.

7 (B) A parent of a minor subject of body
8 camera video footage, and their designated legal
9 counsel.

10 (C) The spouse, next of kin or legally au-
11 thorized designee of a deceased subject of body
12 camera video footage, and their designated legal
13 counsel.

14 (D) A uniformed officer whose body cam-
15 era recorded the video footage, and their des-
16 ignated legal counsel, subject to the limitations
17 and restrictions in this Act.

18 (E) The superior officer of a uniformed of-
19 ficer whose body camera recorded the video
20 footage, subject to the limitations and restric-
21 tions in this Act.

22 (F) Any defense counsel who claims, pur-
23 suant to a written affidavit, to have a reason-
24 able basis for believing a video may contain evi-
25 dence that exculpates a client.

1 (2) The right to inspect subject to subsection
2 (i)(1) shall not include the right to possess a copy
3 of the body camera video footage, unless the release
4 of the body camera footage is otherwise authorized
5 by this Act or by another applicable law.

6 (3) When a body camera fails to capture some
7 or all of the audio or video of an incident due to
8 malfunction, displacement of camera, or any other
9 cause, any audio or video footage that is captured
10 shall be treated the same as any other body camera
11 audio or video footage under the law.

12 (i) Notwithstanding the retention and deletion re-
13 quirements in subsection (h):

14 (1) Video footage shall be automatically re-
15 tained for no less than 3 years if the video footage
16 captures an interaction or event involving—

17 (A) any use of force; or

18 (B) an encounter about which a complaint
19 has been registered by a subject of the video
20 footage.

21 (2) Body camera video footage shall also be re-
22 tained for no less than 3 years if a longer retention
23 period is voluntarily requested by—

24 (A) the uniformed officer whose body cam-
25 era recorded the video footage, if that officer

1 reasonably asserts the video footage has evi-
2 dentiary or exculpatory value in an ongoing in-
3 vestigation;

4 (B) any uniformed officer who is a subject
5 of the video footage, if that officer reasonably
6 asserts the video footage has evidentiary or ex-
7 culpatory value;

8 (C) any superior officer of a uniformed of-
9 ficer whose body camera recorded the video
10 footage or who is a subject of the video footage,
11 if that superior officer reasonably asserts the
12 video footage has evidentiary or exculpatory
13 value;

14 (D) any uniformed officer, if the video
15 footage is being retained solely and exclusively
16 for police training purposes;

17 (E) any member of the public who is a
18 subject of the video footage;

19 (F) any parent or legal guardian of a
20 minor who is a subject of the video footage; or

21 (G) a deceased subject's spouse, next of
22 kin, or legally authorized designee.

23 (j) To effectuate subsections (i)(2)(E), (i)(2)(F), and
24 (i)(2)(G), any member of the public who is a subject of
25 video footage, the parent or legal guardian of a minor who

1 is a subject of the video footage, or a deceased subject's
2 next of kin or legally authorized designee, shall be per-
3 mitted to review the specific video footage in question in
4 order to make a determination as to whether they will vol-
5 untarily request it be subjected to a 3-year retention pe-
6 riod.

7 (k) All video footage of an interaction or event cap-
8 tured by a body camera, if that interaction or event is
9 identified with reasonable specificity and requested by a
10 member of the public, shall be provided to the person or
11 entity making the request in accordance with the proce-
12 dures for requesting and providing government records set
13 forth in the section 552a of title 5, United States Code.

14 (1) Notwithstanding the public release require-
15 ments in this subsection, the following categories of
16 video footage shall not be released to the public in
17 the absence of express written permission from the
18 non-law enforcement subjects of the video footage—

19 (A) video footage not subject to a min-
20 imum 3-year retention period pursuant to sub-
21 section (i); and

22 (B) video footage that is subject to a min-
23 imum 3-year retention period solely and exclu-
24 sively pursuant to subsection (i)(1)(B) or (i)(2).

1 (2) Notwithstanding any time periods estab-
2 lished for acknowledging and responding to records
3 requests in section 552a of title 5, United States
4 Code, responses to requests for video footage that is
5 subject to a minimum 3-year retention period pursu-
6 ant to subsection (i)(1)(A), where a subject of the
7 video footage is recorded being killed, shot by a fire-
8 arm, or grievously injured, shall be prioritized and
9 the requested video footage shall be provided as ex-
10 peditiously as possible, but in no circumstances later
11 than 5 days following receipt of the request.

12 (3) Whenever doing so is necessary to protect
13 personal privacy, the right to a fair trial, the iden-
14 tity of a confidential source or crime victim, or the
15 life or physical safety of any person appearing in
16 video footage, redaction technology may be used to
17 obscure the face and other personally identifying
18 characteristics of that person, including the tone of
19 the person's voice, provided the redaction does not
20 interfere with a viewer's ability to fully, completely,
21 and accurately comprehend the events captured on
22 the video footage. The following apply to such
23 redactions:

24 (A) When redaction is performed on video
25 footage pursuant to this paragraph, an uned-

1 ited, original version of the video footage shall
2 be retained pursuant to the requirements of
3 subsections (h) and (i).

4 (B) Except pursuant to the rules for the
5 redaction of video footage set forth in this sub-
6 section or where it is otherwise expressly au-
7 thorized by this Act, no other editing or alter-
8 ation of video footage, including a reduction of
9 the video footage's resolution, shall be per-
10 mitted.

11 (4) The provisions governing the production of
12 body camera video footage to the public in this Act
13 shall take precedence over all other State and local
14 laws, rules, and regulations to the contrary.

15 (l) Body camera video footage may not be withheld
16 from the public on the basis that it is an investigatory
17 record or was compiled for law enforcement purposes
18 where any person under investigation or whose conduct
19 is under review is a police officer or other law enforcement
20 employee and the video footage relates to that person's
21 on-the-job conduct.

22 (m) Any video footage retained beyond 6 months sole-
23 ly and exclusively pursuant to subsection (i)(2)(D) shall
24 not be admissible as evidence in any criminal or civil legal
25 or administrative proceeding.

1 (n) No government agency or official, or law enforce-
2 ment agency, officer, or official may publicly disclose, re-
3 lease, or share body camera video footage unless—

4 (1) doing so is expressly authorized pursuant to
5 this Act or another applicable law; or

6 (2) the video footage is subject to public release
7 pursuant to subsection (k), and not exempted from
8 public release pursuant to subsection (k)(1).

9 (o) No uniformed officer shall review or receive an
10 accounting of any body camera video footage that is sub-
11 ject to a minimum 3-year retention period pursuant to
12 subsection (i)(1) prior to completing any required initial
13 reports, statements, and interviews regarding the recorded
14 event, unless doing so is necessary, while in the field, to
15 address an immediate threat to life or safety.

16 (p) Video footage may not be—

17 (1) in the case of footage that is not subject to
18 a minimum 3-year retention period, viewed by any
19 superior officer of a uniformed officer whose body
20 camera recorded the footage absent a specific allega-
21 tion of misconduct; or

22 (2) subjected to facial recognition or any other
23 form of automated analysis or analytics of any kind,
24 unless—

1 (A) a judicial warrant providing authoriza-
2 tion is obtained;

3 (B) the judicial warrant specifies the pre-
4 cise video recording to which the authorization
5 applies; and

6 (C) the authorizing court finds there is
7 probable cause to believe that the requested use
8 of facial recognition is relevant to an ongoing
9 criminal investigation.

10 (q) Video footage shall not be divulged or used by
11 any law enforcement agency for any commercial or other
12 non-law enforcement purpose.

13 (r) Where a law enforcement agency authorizes a
14 third party to act as its agent in maintaining body camera
15 footage, the agent shall not be permitted to independently
16 access, view, or alter any video footage, except to delete
17 videos as required by law or agency retention policies.

18 (s) If any uniformed officer, employee, or agent fails
19 to adhere to the recording or retention requirements con-
20 tained in this Act, intentionally interfere with a body cam-
21 era's ability to accurately capture video footage, or other-
22 wise manipulate the video footage captured by a body cam-
23 era during or after its operation—

1 (1) appropriate disciplinary action shall be
2 taken against the individual officer, employee or
3 agent;

4 (2) a rebuttable evidentiary presumption shall
5 be adopted in favor of criminal defendants who rea-
6 sonably assert that exculpatory evidence was de-
7 stroyed or not captured; and

8 (3) a rebuttable evidentiary presumption shall
9 be adopted on behalf of civil plaintiffs suing the gov-
10 ernment, a law enforcement agency and/or uni-
11 formed officers for damages based on police mis-
12 conduct who reasonably assert that evidence sup-
13 porting their claim was destroyed or not captured.

14 (t) The disciplinary action requirement and rebutta-
15 ble presumptions in subsection (s) may be overcome by
16 contrary evidence or proof of exigent circumstances that
17 made compliance impossible.

18 (u) In the case that a law enforcement officer
19 equipped with a body camera is involved in, a witness to,
20 or within viewable sight range of either the use of force
21 by another law enforcement officer that results in a death,
22 the use of force by another law enforcement officer, during
23 which the discharge of a firearm results in an injury, or
24 the conduct of another law enforcement officer that be-
25 comes the subject of a criminal investigation—

1 (1) the law enforcement agency that employs
2 the law enforcement officer, or the agency or depart-
3 ment conducting the related criminal investigation,
4 as appropriate, shall promptly take possession of the
5 body camera, and shall maintain such camera, and
6 any data on such camera, in accordance with the ap-
7 plicable rules governing the preservation of evidence;

8 (2) a copy of the data on such body camera
9 shall be made in accordance with prevailing forensic
10 standards for data collection and reproduction; and

11 (3) such copied data shall be made available to
12 the public in accordance with subsection (l).

13 (v) Any body camera video footage recorded in con-
14 travention of this Act or any other applicable law may not
15 be offered as evidence by any government entity, agency,
16 department, prosecutorial office, or any other subdivision
17 thereof in any criminal or civil action or proceeding
18 against any member of the public.

19 (w) Any law enforcement policy or other guidance re-
20 garding body cameras, their use, or the video footage
21 therefrom that is adopted by a Federal agency or depart-
22 ment, shall be made publicly available on that agency's
