Whereas businesses owned by women of color grew by 163 percent over the last 10 years;

Whereas, in 2015, women-owned businesses achieved a milestone of receiving 5 percent of Federal contracts, which was a goal set more than 20 years prior;

Whereas 30 years ago on October 25, 1988, the Women's Business Ownership Act of 1988 (Public Law 100-533; 102 Stat. 2689) was signed into law;

Whereas the Women's Business Ownership Act of 1988 (Public Law 100-533; 102 Stat. 2689)—

(1) empowered women entrepreneurs by allowing them to independently pursue capital;

(2) provided Federal assistance to women-owned small businesses through demonstration projects under the Small Business Administration, a precursor to the women's business center program established in 1997;

(3) established the National Women's Business Council; and

(4) required the Census Bureau to report on women-owned C corporations; and

Whereas women's entrepreneurship has steadily risen in the United States for the last three decades, and women-owned businesses are one of the economic engines of the United States: Now, therefore, be it

1       *Resolved*, That the House of Representatives—

2               (1) expresses support for the recognition of and  
3 encourages the observance of National Women's  
4 Small Business Month;

5               (2) commemorates the 30th anniversary of the  
6 passage of the Women's Business Ownership Act of  
7 1988 (Public Law 100–533; Stat. 2689);

8               (3) supports efforts to increase awareness of  
9 the value of women-owned small businesses and the  
10 impact on the national economy as well as the  
11 world's global economy;

12               (4) celebrates the contributions of women-  
13 owned small businesses and entrepreneurs in every  
14 community; and

15               (5) recognizes that creating policies which pro-  
16 mote an environment in which women-owned small

1 businesses may succeed is key to a stronger and  
2 healthier economy overall, job creation in local com-  
3 munities, and upward economic mobility.
