

115TH CONGRESS
1ST SESSION

S. 1014

To direct the Secretary of Veterans Affairs to make grants to eligible organizations to provide service dogs to veterans with severe post-traumatic stress disorder, and for other purposes.

IN THE SENATE OF THE UNITED STATES

MAY 3, 2017

Mrs. FISCHER (for herself and Mr. BOOKER) introduced the following bill;
which was read twice and referred to the Committee on Veterans' Affairs

A BILL

To direct the Secretary of Veterans Affairs to make grants to eligible organizations to provide service dogs to veterans with severe post-traumatic stress disorder, and for other purposes.

1 *Be it enacted by the Senate and House of Representa-*
2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE.**

4 This Act may be cited as the “Puppies Assisting
5 Wounded Servicemembers Act of 2017” or the “PAWS
6 Act of 2017”.

1 **SEC. 2. FINDINGS; SENSE OF CONGRESS.**

2 (a) FINDINGS.—Congress makes the following find-
3 ings:

4 (1) According to the analysis of veteran suicide
5 published by the Department of Veterans Affairs in
6 August 2016 and titled “Suicide Among Veterans
7 and Other Americans”—

8 (A) an average of 20 veterans died by sui-
9 cide each day in 2014;

10 (B) mental health disorders, including
11 major depression and other mood disorders,
12 have been associated with increased risk for sui-
13 cide;

14 (C) since 2001, the proportion of users of
15 the Veterans Health Administration with men-
16 tal health conditions or substance use disorders
17 has increased from approximately 27 percent in
18 2001 to more than 40 percent in 2014; and

19 (D) overall, suicide rates are highest
20 among patients with mental health and sub-
21 stance use disorder diagnoses who are in treat-
22 ment and lower among those who received a
23 mental health diagnosis but were not at risk
24 enough to require enhanced care from a mental
25 health provider.

1 (2) Pairing a service dog with a veteran costs
2 approximately \$25,000, including with respect to
3 training of the service dog as well as training of the
4 veteran with the service dog.

5 (b) SENSE OF CONGRESS.—It is the sense of Con-
6 gress that the Department of Veterans Affairs must be
7 more effective in its approach to reducing the burden of
8 veteran suicide connected to mental health disorders, in-
9 cluding post-traumatic stress disorder, and a pilot pro-
10 gram and study to assess the benefits of pairing service
11 dogs with veterans suffering from mental health disorders
12 would allow the Department to better determine the effi-
13 cacy of using service dogs as a nontraditional therapy to
14 ensure the well-being of veterans.

15 **SEC. 3. DEPARTMENT OF VETERANS AFFAIRS PILOT PRO-**
16 **GRAM TO AWARD GRANTS FOR THE PROVI-**
17 **SION OF SERVICE DOGS TO CERTAIN VET-**
18 **ERANS WITH SEVERE POST-TRAUMATIC**
19 **STRESS DISORDER.**

20 (a) GRANTS.—The Secretary of Veterans Affairs
21 shall carry out a pilot program under which the Secretary
22 awards a grant in the amount of \$25,000 to eligible orga-

15 (C) Payments for travel expenses for the

19 United States Code.

2 placement with a recipient; and

3 (vi) provides follow-up support service
4 for the life of the service dog, to include a

6 nization to allow—

7 (I) the veteran to reach out for
8 and receive adequate help with the
9 service dog; and

10 (II) the organization to commu-
11 nicate with the veteran to ensure that
12 the service dog is receiving proper
13 care; or
