IN THE SENATE OF THE UNITED STATES

NOVEMBER 7, 2017

Mrs. FISCHER introduced the following bill; which was read twice and referred to the Committee on Armed Services

A BILL

To amend title 10, United States Code, to provide for the issuance of the Gold Star Installation Access Card to the surviving spouse, dependent children, and other next of kin of a member of the Armed Forces who dies while serving on certain active or reserve duty, to ensure that a remarried surviving spouse with dependent children of the deceased member remains eligible for installation benefits to which the surviving spouse was previously eligible, and for other purposes.

1 *Be it enacted by the Senate and House of Representa-*
2 *tives of the United States of America in Congress assembled,*

1 **SECTION 1. SHORT TITLE.**

2 This Act may be cited as the “Gold Star Family Sup-
3 port and Installation Access Act of 2017”.

4 **SEC. 2. FINDINGS.**

5 Congress makes the following findings:

6 (1) Since World War I, the gold star symbol
7 has been used by American families to honor mem-
8 bers of the Armed Forces who have given their lives
9 in service to the Nation.

10 (2) Surviving families of deceased members of
11 the Armed Forces confront many challenges, often
12 made worse by policies that fail to compassionately
13 honor the memory of their loved one’s service and
14 sacrifice to the Nation.

15 (3) There is an obligation to ensure that the
16 Gold Star family connections to the military commu-
17 nity remain an eternal bond providing strength and
18 comfort to surviving family members and to those
19 still serving.

20 (4) Individual military services have recognized
21 the need to provide installation access to Gold Star
22 families to attend memorial events, visit gravesites,
23 and access other benefits for which family members
24 are eligible and entitled.

25 (5) Surviving families of deceased members of
26 the Armed Forces relocate to other parts of the

1 country, often far away from the service installation
 2 where their loved one last served.

3 (6) Current Department of Defense policy re-
 4 scinds on-base benefits to surviving spouses of de-
 5 ceased service members who remarry, even when de-
 6 pendent children under the guardianship of the sur-
 7 viving spouse remain eligible for benefits, effectively
 8 rendering these benefits inaccessible by the children
 9 of the deceased member.
