3 ensure that the aggregate data, methodology, and
4 rationale applied for determining the updated base

7 in a budget neutral manner.

8 “(20) VALUE-BASED PURCHASING PROGRAM.—

9 “(A) IN GENERAL.—The Secretary shall

7 scribed in such clause, against the per-
8 formance benchmark established under
9 subparagraph (B) for such quality meas-

11 “(iv) for each such performance pe-
12 riod and provider or supplier of air ambu-

15 subparagraph (C);

16 “(v) for each such performance pe-
17 riod, rank each provider or supplier of air
18 ambulance services, based on the composite
19 performance quality score of such provider
20 or supplier for such period (as determined
21 under subparagraph (C)), in order from
22 highest to lowest; and

23 “(vi) for each such payment year
24 specify a performance payment percentage

13 and suppliers for such measure.

14 “(C) COMPOSITE PERFORMANCE QUALITY

15 SCORES.—Under the Program, for each per-
16 formance period with respect to a payment year
17 (beginning with payment year 2024), the Sec-
18 retary shall determine a composite performance
19 quality score for each provider or supplier of air
20 ambulance services, based on the cumulative
21 performance scores determined under subpara-
22 graph (A)(iii) for such provider or supplier and
23 performance period. For purposes of ranking
24 under subparagraph (A)(v), a provider or sup-
25 plier of air ambulance services who does not

1 submit required data to determine performance
2 under this paragraph for a performance period
3 for a year shall be treated as receiving a com-
4 posite performance quality score of zero under
5 this subparagraph for such period and shall be
6 ranked accordingly under subparagraph (A)(v).

7 “(D) PERFORMANCE PAYMENT.—

8 “(i) IN GENERAL.—With respect to
9 ambulance services furnished by a provider
10 or supplier of air ambulance services dur-
11 ing a payment year (beginning with 2024),

16 paragraphs (3)(C), (17)(F), and (19) and
17 subparagraph (E) for a payment year (be-
18 ginning with 2024).

19 “(ii) PERFORMANCE PAYMENT PER-
20 CENTAGE POINT ADJUSTMENT.—The Sec-
21 retary shall, in accordance with clause (iii),
22 specify a performance payment percentage
23 point adjustment for a provider or supplier
24 of air ambulance services for a payment

1 year (beginning with 2024) which may in-
2 clude a zero percentage.

3 “(iii) REQUIREMENTS.—In specifying
4 the performance payment percentage point
5 adjustment for a provider or supplier of air
6 ambulance services for a payment year
7 under clause (i), the Secretary shall ensure
8 that—

9 “(I) such adjustment is based on
10 the ranking of the provider or supplier
11 under subparagraph (A)(v) for the
12 performance period for such payment
13 year;

14 “(II) the application of all such
15 adjustments in such fiscal year results
16 in an appropriate distribution of per-
17 formance payment incentives applied
18 under this paragraph such that—

19 “(aa) providers and sup-
20 pliers of air ambulance services
21 with the highest rankings under
22 subparagraph (A)(v) receive the
23 highest payment increases under
24 clause (i); and

1 “(bb) providers and sup-
2 pliers of air ambulance services
3 with the lowest rankings under
4 subparagraph (A)(v) receive the
5 lowest payment increases under
6 clause (i), which may include
7 zero; and

8 “(III) the total amount of in-
9 creases in payment under this sub-
10 section for all providers and suppliers
11 of air ambulance services, pursuant to
12 this subparagraph, in such payment
13 year shall be equal to the sum of the
14 total amount, as estimated by the Sec-
15 retary, of the reductions to payments
16 under this subsection for such pay-
17 ment year pursuant to subparagraph
18 (E) and the total amount, as esti-
19 mated by the Secretary, of the reduc-
20 tions made under paragraph
21 (17)(F)(i) and made available under
22 paragraph (17)(F)(iii)(I) for purposes
23 of performance payments under this
24 paragraph for such payment year.

1 “(E) FUNDING FOR PERFORMANCE INCEN-
2 TIVE ADJUSTMENTS.—

3 “(i) IN GENERAL.—With respect to
4 air ambulance services furnished by a sup-
5 plier or provider of air ambulance services
6 during 2024 or a subsequent year, the Sec-
7 retary, after determining the percentage
8 increase under paragraph (3)(B), and after
9 application of paragraphs (3)(C), (17), and
10 (19), shall reduce such percentage increase
11 for payments under the fee schedule under
12 this subsection otherwise applicable to such
13 provider or supplier for services furnished
14 by such provider or supplier during such
15 year by the applicable percent (as defined
16 in clause (ii)). The Secretary shall make
17 such reductions for all providers and sup-
18 pliers of air ambulance services in the year
19 involved, regardless of whether or not the
20 provider or supplier has been determined
21 by the Secretary to have earned a perform-
22 ance payment percentage point adjustment
23 under subparagraph (D) for such year.

24 “(ii) APPLICABLE PERCENT.—For
25 purposes of clause (i), the term ‘applicable

1 percent’ means, with respect to 2024 and
2 succeeding years, 2 percent.

3 “(F) PERFORMANCE PERIOD.—For pur-
4 poses of this paragraph, the term ‘performance
5 period’ means, with respect to a payment year,
6 the previous year (or, if specified by the Sec-
