IN THE SENATE OF THE UNITED STATES

Mr. CRUZ (for himself and Mr. PERDUE) introduced the following bill; which was read twice and referred to the Committee on Banking, Housing, and Urban Affairs

---

## A BILL

To require the Secretary of the Treasury to make certifications with respect to United States and foreign financial institutions' aircraft-related transactions involving Iran, and for other purposes.

1       *Be it enacted by the Senate and House of Representa-  
2 tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE.**

4       This Act may be cited as the “Strengthening Over-  
5 sight of Iran’s Access to Finance Act”.

6 **SEC. 2. FINDINGS.**

7       The Congress finds the following:

1                             (1) Under the Joint Comprehensive Plan of Action (in this section referred to as the “JCPOA”),  
2 informally known as the Iran nuclear deal, the  
3 Obama administration agreed to license the sale of  
4 commercial passenger aircraft to Iran, the world’s  
5 foremost state sponsor of terrorism and a jurisdiction  
6 of primary money laundering concern.

7                             (2) In April 2015, prior to the adoption of the  
8 JCPOA, Secretary of the Treasury Jacob Lew, in  
9 publicly advocating for its provisions, stated, “Make  
10 no mistake: deal or no deal, we will continue to use  
11 all our available tools, including sanctions, to  
12 counter Iran’s menacing behavior. Iran knows that  
13 our host of sanctions focused on its support for ter-  
14 rrorism and its violations of human rights are not,  
15 and have never been, up for discussion.”.

16                             (3) In March 2016 remarks to the Carnegie  
17 Endowment for International Peace, Secretary Lew,  
18 in reference to United States commitments under  
19 the JCPOA, stated, “While we have lifted the nu-  
20 clear sanctions, we continue to enforce sanctions di-  
21 rected at support for terrorism and regional destabil-  
22 ization, and missile and human rights violations.”.

23                             (4) In an April 2016 forum at the Council on  
24 Foreign Relations, Secretary Lew stated that, under

1       the JCPOA, the United States committed to lifting  
2       its nuclear sanctions, “but the U.S. financial system  
3       is not open to Iran, and that is not something that  
4       is going to change”.

5                 (5) In September 2016, the Department of the  
6       Treasury’s Office of Foreign Assets Control (in this  
7       section referred to as “OFAC”) issued licenses per-  
8       mitting the export of up to 97 aircraft for use by  
9       Iran Air, the Islamic Republic of Iran’s flagship  
10      state-owned air carrier. These licenses included au-  
11      thorization for United States financial institutions  
12      “to engage in all transactions necessary to provide  
13      financing or other financial services” in order to ef-  
14      fectuate the sales. In November 2016, OFAC li-  
15      censed an additional 106 aircraft for purchase by  
16      Iran Air, which are also eligible for financing au-  
17      thorized by OFAC.

18                 (6) The Department of the Treasury had sanc-  
19      tioned Iran Air in 2011 for its use of commercial  
20      passenger aircraft to transport rockets, missiles, and  
21      other military cargo on behalf of the Islamic Revolu-  
22      tionary Guard Corps (in this section referred to as  
23      the “IRGC”) and Iran’s Ministry of Defense and  
24      Armed Forces Logistics, both of which had been des-  
25      ignated under Executive Order 13382 for weapons

1 proliferation-related activities. In October 2017, the  
2 IRGC went on to be designated under Executive  
3 Order 13224 for its support of the IRGC-Qods  
4 Force, which has provided support to terrorist  
5 groups such as Hizballah, Hamas, and the Taliban.

6 (7) Among Iran Air's sanctionable activities,  
7 the air carrier delivered missile or rocket compo-  
8 nents to the regime of Bashar al-Assad in Syria,  
9 which like Iran is classified as a state sponsor of ter-  
10 rorism.

11 (8) The Assad regime is responsible for a civil  
12 conflict that has claimed an estimated 400,000 lives,  
13 including through the regime's deployment of chem-  
14 ical weapons and barrel bombs against unarmed ci-  
15 vilians and children.

16 (9) Despite being delisted in 2016, Iran Air has  
17 continued to fly known weapons resupply routes to  
18 government-controlled areas of Syria. According to  
19 research by the Foundation for Defense of Democ-  
20 racies, between Implementation Day of the JCPOA  
21 on January 16, 2016, and May 4, 2017, Iran Air  
22 operated at least 134 flights to Syria, which in-  
23 cluded stops in Abadan, Iran, a suspected IRGC  
24 logistical hub for airlifts to the Assad regime.

(10) In November 2016 correspondence to the Chairman of the Committee on Financial Services of the House of Representatives, the Department of the Treasury noted that the commitment to delist Iran Air under the JCPOA “does not affect our ability to designate, or re-designate, any Iranian airline that engages in sanctionable activity. The United States retains the ability to designate any individual or entity that engages in sanctionable activities under our authorities targeting conduct outside the scope of the JCPOA, including Iran’s support for terrorism, human rights abuses, ballistic missile program, and other destabilizing activities in the region.”.
