12          PAYMENT RULES.—For the crop year in which a  
13          base-acres adjustment under subparagraph (A) or

16          riculture risk coverage with respect to the acreage  
17          added to the farm under this subsection or a pro-  
18          rated payment under the conservation reserve con-  
19          tract, but not both.

20          (3) BEGINNING FARMERS OF COVERED COM-  
21          MODITIES.—

22                 (A) DEFINITION OF BEGINNING FARMER

3           prevented from planting a covered commodity  
4           on any farm for any crop year before the 2002  
5           crop year.

6           (B) OPPORTUNITY TO INCREASE BASE  
7           ACRES.—The Secretary shall provide a 1-time  
8           opportunity for a beginning farmer of covered  
9           commodities to increase base acres on a farm in  
10          accordance with subparagraph (C) if—

11                 (i) the beginning farmer of covered  
12                 commodities is an operator on the farm  
13                 and provides a significant contribution of  
14                 active personal labor;

15                 (ii) as determined by the Secretary,  
16                 the beginning farmer of covered commod-  
17                 ities has, or has an option to obtain, a sig-  
18                 nificant ownership share of the farm or a  
19                 business producing commodities on the  
20                 farm;

21                 (iii) the beginning farmer of covered  
22                 commodities has not planted or been pre-  
23                 vented from planting a covered commodity  
24                 on the farm for any crop year before the  
25                 2007 crop year; and

1 (iv) the average number of acres  
2 planted on the farm to covered commod-  
3 ities during the 2013 through 2017 crop  
4 years is greater than the number of base  
5 acres on the farm.

6 (C) BASE INCREASE FOR BEGINNING  
7 FARMERS OF COVERED COMMODITIES.—

8 (i) IN GENERAL.—Subject to clause  
9 (ii), the number of base acres added to a  
10 farm under subparagraph (B) shall be  
11 equal to the difference between—

12 (I) the 5-year average of—

13 (aa) the acreage planted on  
14 the farm to all covered commod-  
15 ities for harvest, grazing, haying,  
16 silage, or other similar purposes  
17 for the 2013 through 2017 crop  
18 years, according to records sub-  
19 mitted to the Farm Service  
20 Agency; and

21 (bb) any acreage on the  
22 farm that the beginning farmer  
23 of covered commodities was pre-  
24 vented from planting during the  
25 2013 through 2017 crop years to

1 a covered commodity because of  
2 drought, flood, or other natural  
3 disaster, or other condition be-  
4 yond the control of the beginning  
5 farmer of covered commodities,  
6 according to records submitted to  
7 the Farm Service Agency and as  
8 determined by the Secretary; and  
9 (II) the number of base acres for  
10 covered commodities on the farm.

11 (ii) LIMITATION.—The Secretary shall  
12 adjust the number of base acres added to  
13 a farm under clause (i) to prevent the cu-  
14 mulative increase in the number of base  
15 acres under this paragraph from exceeding  
16 5,000,000 base acres for all beginning  
17 farmers of covered commodities.

18 (iii) DISTRIBUTION.—Base acres  
19 added to a farm under clause (i) shall be  
20 added to the base acreage of each covered  
21 commodity on the farm in the proportion  
22 that—

23 (I) the acreage planted to the  
24 covered commodity on the farm; bears  
25 to

1 (II) the acreage planted to all  
2 covered commodities on the farm.

3 (D) REDUCTION OF BASE INCREASE.—If a  
4 beginning farmer of covered commodities on a  
5 farm for which base acres have been increased  
6 under subparagraph (B) no longer owns or op-  
7 erates the farm for any of the 2019 through  
8 2023 crop years, the base acres on the farm  
9 shall be reduced by the number of base acres  
10 added to the farm under that subparagraph in  
11 the same proportion among covered commod-  
12 ities on the farm described in subparagraph  
13 (C)(iii).

14 (b) PREVENTION OF EXCESS BASE ACRES.—

15 (1) REQUIRED REDUCTION.—If the sum of the  
16 base acres for a farm and the acreage described in  
17 paragraph (2) exceeds the actual cropland acreage of  
18 the farm, the Secretary shall reduce the base acres  
19 for one or more covered commodities for the farm so  
20 that the sum of the base acres and the acreage de-  
21 scribed in paragraph (2) does not exceed the actual  
22 cropland acreage of the farm.

23 (2) OTHER ACREAGE.—For purposes of para-  
24 graph (1), the Secretary shall include the following:

25 (A) Any acreage on the farm enrolled in—

1 (i) the conservation reserve program  
2 established under subchapter B of chapter  
3 1 of subtitle D of title XII of the Food Se-  
4 curity Act of 1985 (16 U.S.C. 3831 et  
5 seq.); or

6 (ii) the agricultural conservation ease-  
7 ment program established under subtitle H  
8 of title XII of the Food Security Act of  
9 1985 (16 U.S.C. 3865 et seq.).

10 (B) Any other acreage on the farm en-  
11 rolled in a Federal conservation program for  
12 which payments are made in exchange for not  
13 producing an agricultural commodity on the  
14 acreage.

15 (C) If the Secretary designates additional  
16 oilseeds, any eligible oilseed acreage, which shall  
17 be determined in the same manner as eligible  
18 oilseed acreage under subsection (a)(1)(C).

19 (3) SELECTION OF ACRES.—The Secretary shall  
20 give the owner of the farm the opportunity to select  
21 the base acres for a covered commodity for the farm  
22 against which the reduction required by paragraph  
23 (1) will be made.

24 (4) EXCEPTION FOR DOUBLE-CROPPED ACRE-  
25 AGE.—In applying paragraph (1), the Secretary

1 shall make an exception in the case of double crop-  
2 ping, as determined by the Secretary.

3 (c) REDUCTION IN BASE ACRES.—

4 (1) REDUCTION AT OPTION OF OWNER.—

5 (A) IN GENERAL.—The owner of a farm  
6 may reduce, at any time, the base acres for any  
7 covered commodity for the farm.

8 (B) EFFECT OF REDUCTION.—A reduction  
9 under subparagraph (A) shall be permanent  
10 and made in a manner prescribed by the Sec-  
11 retary.

12 (2) REQUIRED ACTION BY SECRETARY.—

13 (A) IN GENERAL.—The Secretary shall  
14 proportionately reduce base acres on a farm for  
15 land that has been subdivided and developed for  
16 multiple residential units or other nonfarming  
17 uses if the size of the tracts and the density of  
18 the subdivision is such that the land is unlikely  
19 to return to the previous agricultural use, un-  
20 less the producers on the farm demonstrate  
21 that the land—

22 (i) remains devoted to commercial ag-  
23 ricultural production; or

24 (ii) is likely to be returned to the pre-  
25 vious agricultural use.

1 (B) REQUIREMENT.—The Secretary shall  
2 establish procedures to identify land described  
3 in subparagraph (A).

4 **SEC. 4. PAYMENT YIELDS.**

5 (a) ESTABLISHMENT AND PURPOSE.—For the pur-  
6 pose of making price loss coverage payments under section  
7 7, the Secretary shall provide for the establishment of a  
8 yield for each farm for any designated oilseed for which  
9 a payment yield was not established under section 1102  
10 of the Food, Conservation, and Energy Act of 2008 (7  
11 U.S.C. 8712) in accordance with this section.

12 (b) PAYMENT YIELDS FOR DESIGNATED OIL-  
13 SEEDS.—

14 (1) DETERMINATION OF AVERAGE YIELD.—In  
15 the case of designated oilseeds, the Secretary shall  
16 determine the average yield per planted acre for the  
17 designated oilseed on a farm for the 1998 through  
18 2001 crop years, excluding any crop year in which  
19 the acreage planted to the designated oilseed was  
20 zero.

21 (2) ADJUSTMENT FOR PAYMENT YIELD.—

22 (A) IN GENERAL.—The payment yield for  
23 a farm for a designated oilseed shall be equal  
24 to the product of the following:

1 (i) The average yield for the des-  
2 ignated oilseed determined under para-  
3 graph (1).

4 (ii) The ratio resulting from dividing  
5 the national average yield for the des-  
6 ignated oilseed for the 1981 through 1985  
7 crops by the national average yield for the  
8 designated oilseed for the 1998 through  
9 2001 crops.

10 (B) NO NATIONAL AVERAGE YIELD INFOR-  
11 MATION AVAILABLE.—To the extent that na-  
12 tional average yield information for a des-  
13 ignated oilseed is not available, the Secretary  
14 shall use such information as the Secretary de-  
15 termines to be fair and equitable to establish a  
16 national average yield under this section.

17 (3) USE OF COUNTY AVERAGE YIELD.—If the  
18 yield per planted acre for a crop of a designated oil-  
19 seed for a farm for any of the 1998 through 2001  
20 crop years was less than 75 percent of the county  
21 yield for that designated oilseed, the Secretary shall  
22 assign a yield for that crop year equal to 75 percent  
23 of the county yield for the purpose of determining  
24 the average under paragraph (1).

25 (c) EFFECT OF LACK OF PAYMENT YIELD.—

1           (1) ESTABLISHMENT BY SECRETARY.—In the  
2 case of a covered commodity on a farm for which  
3 base acres have been established, if no payment yield  
4 is otherwise established for the covered commodity  
5 on the farm, the Secretary shall establish an appro-  
6 priate payment yield for the covered commodity on  
7 the farm under paragraph (2).

8           (2) USE OF SIMILARLY SITUATED FARMS.—

9           (A) IN GENERAL.—To establish an appro-  
10 priate payment yield for a covered commodity  
11 on a farm as required by paragraph (1), the  
12 Secretary shall take into consideration the farm  
13 program payment yields applicable to that cov-  
14 ered commodity for similarly situated farms.

15           (B) USE OF FARM PROGRAM PAYMENT  
16 YIELDS IN APPEAL.—The use of farm program  
17 payment yields described in subparagraph (A)  
18 in an appeal, by the Secretary or by the pro-  
19 ducer, shall not be subject to any other provi-  
20 sion of law.

21 **SEC. 5. PAYMENT ACRES.**

22           (a) DETERMINATION OF PAYMENT ACRES.—

23           (1) IN GENERAL.—For the purpose of price loss  
24 coverage and agriculture risk coverage when county  
25 coverage has been selected under section 6(b)(1),

1 subject to subsection (d), the payment acres for each  
2 covered commodity on a farm shall be equal to 85  
3 percent of the base acres for the covered commodity  
4 on the farm (not including any base acres excluded  
5 under subsection (e)).

6 (2) EFFECT OF INDIVIDUAL COVERAGE.—In  
7 the case of agriculture risk coverage when individual  
8 coverage has been selected under section 6(b)(2), but  
9 subject to subsection (e), the payment acres for a  
10 farm shall be equal to 65 percent of the base acres  
11 for all of the covered commodities on the farm.

12 (b) EXCLUSION.—The quantity of payment acres de-  
13 termined under subsection (a) may not include any crop  
14 subsequently planted during the same crop year on the  
15 same land for which the first crop is eligible for price loss  
16 coverage payments or agriculture risk coverage payments,  
17 unless the crop was approved for double cropping in the  
18 county, as determined by the Secretary.

19 (c) EFFECT OF MINIMAL PAYMENT ACRES.—

20 (1) PROHIBITION ON PAYMENTS.—Notwith-  
21 standing any other provision of this Act, a producer  
22 on a farm may not receive price loss coverage pay-  
23 ments or agriculture risk coverage payments if the  
24 sum of the base acres on the farm is 10 acres or  
25 less, as determined by the Secretary.

1           (2) EXCEPTIONS.—Paragraph (1) does not  
2 apply to a producer that is—

3           (A) a socially disadvantaged farmer or  
4 rancher (as defined in section 355(e) of the  
5 Consolidated Farm and Rural Development Act  
6 (7 U.S.C. 2003(e)); or

7           (B) a limited resource farmer or rancher,  
8 as defined by the Secretary.

9           (d) EFFECT OF PLANTING FRUITS AND VEGETA-  
10 BLES.—

11           (1) REDUCTION REQUIRED.—In the manner  
12 provided in this subsection, payment acres on a farm  
13 shall be reduced in any crop year in which fruits,  
14 vegetables (other than mung beans and pulse crops),  
15 or wild rice have been planted on base acres on a  
16 farm.

17           (2) QUANTITY OF REDUCTION.—

18           (A) PRICE LOSS COVERAGE AND COUNTY  
19 COVERAGE.—In the case of price loss coverage  
20 payments and agricultural risk coverage pay-  
21 ments using county coverage, the reduction  
22 under paragraph (1) shall be the amount equal  
23 to the base acres planted to crops referred to in  
24 that paragraph in excess of 15 percent of base  
25 acres.

1 (B) INDIVIDUAL COVERAGE.—In the case  
2 of agricultural risk coverage payments using in-  
3 dividual coverage, the reduction under para-  
4 graph (1) shall be the amount equal to the base  
5 acres planted to crops referred to in that para-  
6 graph in excess of 35 percent of base acres.

7 (3) REDUCTION EXCEPTIONS.—No reduction to  
8 payment acres shall be made under this subsection  
9 if—

10 (A) cover crops or crops referred to in  
11 paragraph (1) are grown solely for conservation  
12 purposes and not harvested for use or sale, as  
13 determined by the Secretary; or

14 (B) in any region in which there is a his-  
15 tory of double-cropping covered commodities  
16 with crops referred to in paragraph (1) and  
17 those crops were so double-cropped on the base  
18 acres, as determined by the Secretary.

19 (e) EXCLUSION OF UNUSED ACRES.—

20 (1) IN GENERAL.—Effective beginning with the  
21 2019 crop year, subject to paragraphs (2) and (3),  
22 if the producers on a farm did not plant and were  
23 not prevented from planting a covered commodity on  
24 base acres during each of the 2009 through 2016

1 crop years, the Secretary shall exclude those base  
2 acres from payment acres on the farm.

3 (2) TREATMENT OF PLANTING FRUITS AND  
4 VEGETABLES AND ACRES ENROLLED IN CONSERVA-  
5 TION RESERVE.—Base acres subject to a reduction  
6 under subsection (d) or that were enrolled in the  
7 conservation reserve program established under sub-  
8 chapter B of chapter 1 of subtitle D of title XII of  
9 the Food Security Act of 1985 (16 U.S.C. 3831 et  
10 seq.) for not fewer than 5 crop years of the 2009  
11 through 2016 crop years shall be considered planted  
12 to a covered commodity for purposes of paragraph  
13 (1).

14 (3) EXCEPTIONS.—Paragraph (1) shall not  
15 apply to—

16 (A) a socially disadvantaged farmer or  
17 rancher (as defined in section 355(e) of the  
18 Consolidated Farm and Rural Development Act  
19 (7 U.S.C. 2003(e))); or

20 (B) a limited resource farmer or rancher,  
21 as defined by the Secretary.

22 **SEC. 6. PRODUCER ELECTION.**

23 (a) ELECTION REQUIRED.—For the 2019 through  
24 2023 crop years, all of the producers on a farm shall make  
25 a 1-time, irrevocable election to obtain—

1           (1) price loss coverage under section 7 for all  
2 covered commodities on the farm; or

3           (2) agriculture risk coverage under section 8 for  
4 all covered commodities on the farm.

5           (b) **COVERAGE OPTIONS.**—In the election under sub-  
6 section (a), the producers on a farm that elect under para-  
7 graph (2) of that subsection to obtain agriculture risk cov-  
8 erage under section 8 shall unanimously select whether to  
9 receive agriculture risk coverage payments based on—

10           (1) county coverage applicable on a covered  
11 commodity-by-covered-commodity basis; or

12           (2) individual coverage applicable to all of the  
13 covered commodities on the farm.

14           (c) **EFFECT OF FAILURE TO MAKE UNANIMOUS**  
15 **ELECTION.**—If all the producers on a farm fail to make  
16 a unanimous election under subsection (a) for the 2019  
17 crop year—

18           (1) the Secretary shall not make any payments  
19 with respect to the farm for the 2019 crop year  
20 under section 7 or 8; and

21           (2) the producers on the farm shall be deemed  
22 to have elected for the 2020 through 2023 crop  
23 years the coverage described in paragraph (1) or (2)  
24 of subsection (a) in which the majority of base acres

1 on the farm were enrolled during the period of crop  
2 years 2014 through 2018.

3 (d) EFFECT OF SELECTION OF COUNTY COV-  
4 ERAGE.—If all the producers on a farm select county cov-  
5 erage for a covered commodity under subsection (b)(1),  
6 the Secretary may not make price loss coverage payments  
7 under section 7 to the producers on the farm with respect  
8 to that covered commodity.

9 (e) EFFECT OF SELECTION OF INDIVIDUAL COV-  
10 ERAGE.—If all the producers on a farm select individual  
11 coverage under subsection (b)(2), in addition to the selec-  
12 tion and election under this section applying to each pro-  
13 ducer on the farm, the Secretary shall consider, for pur-  
14 poses of making the calculations required by subsections  
15 (b)(2) and (c)(3) of section 8, the share of the producer  
16 in all farms in the same State—

17 (1) in which the producer has an interest; and

18 (2) for which individual coverage has been se-  
19 lected.

20 (f) PROHIBITION ON RECONSTITUTION.—The Sec-  
21 retary shall ensure that producers on a farm do not recon-  
22 stitute the farm to void or change an election or selection  
23 made under this section.

1 **SEC. 7. PRICE LOSS COVERAGE.**

2 (a) PRICE LOSS COVERAGE PAYMENTS.—If all of the  
3 producers on a farm make the election under section 6(a)  
4 to obtain price loss coverage, or are deemed to have made  
5 that election under section 6(c)(2), the Secretary shall  
6 make price loss coverage payments to producers on the  
7 farm on a covered commodity-by-covered-commodity basis  
8 if the Secretary determines that, for any of the 2019  
9 through 2023 crop years—

10 (1) the effective price for the covered com-  
11 modity for the crop year; is less than

12 (2) the reference price for the covered com-  
13 modity for the crop year.

14 (b) EFFECTIVE PRICE.—

15 (1) IN GENERAL.—Except as provided in para-  
16 graph (2), the effective price for a covered com-  
17 modity for a crop year shall be the higher of—

18 (A) the national average market price re-  
19 ceived by producers during the 12-month mar-  
20 keting year for the covered commodity, as de-  
21 termined by the Secretary; or

22 (B) the national average loan rate for a  
23 marketing assistance loan for the covered com-  
24 modity in effect for that crop year under sub-  
25 title B of title I of the Agricultural Act of 2014  
26 (7 U.S.C. 9031 et seq.).

1 (2) SEED COTTON.—

2 (A) IN GENERAL.—The effective price for  
3 seed cotton for a crop year shall be equal to the  
4 marketing year average price for seed cotton, as  
5 calculated under subparagraph (B).

6 (B) CALCULATION.—The marketing year  
7 average price for seed cotton for a crop year  
8 shall be equal to the quotient obtained by divid-  
9 ing—

10 (i) the sum obtained by adding—

11 (I) the product obtained by mul-  
12 tiplying—

13 (aa) the upland cotton lint  
14 marketing year average price;  
15 and

16 (bb) the total United States  
17 upland cotton lint production,  
18 measured in pounds; and

19 (II) the product obtained by mul-  
20 tiplying—

21 (aa) the cottonseed mar-  
22 keting year average price; and

23 (bb) the total United States  
24 cottonseed production, measured  
25 in pounds; by

1 (ii) the sum obtained by adding—

2 (I) the total United States up-  
3 land cotton lint production, measured  
4 in pounds; and

5 (II) the total United States cot-  
6 tonseed production, measured in  
7 pounds.

8 (c) PAYMENT RATE.—The payment rate shall be  
9 equal to the difference between—

10 (1) the reference price for the covered com-  
11 modity; and

12 (2) the effective price determined under sub-  
13 section (b) for the covered commodity.

14 (d) PAYMENT AMOUNT.—If price loss coverage pay-  
15 ments are required to be provided under this section for  
16 any of the 2019 through 2023 crop years for a covered  
17 commodity, the amount of the price loss coverage payment  
18 to be paid to the producers on a farm for the crop year  
19 shall be equal to the product obtained by multiplying—

20 (1) the payment rate for the covered commodity  
21 under subsection (c);

22 (2) the payment yield for the covered com-  
23 modity; and

24 (3) the payment acres for the covered com-  
25 modity.

1 (e) TIME FOR PAYMENTS.—If the Secretary deter-  
2 mines under this section that price loss coverage payments  
3 are required to be provided for the covered commodity,  
4 the payments shall be made beginning October 1, or as  
5 soon as practicable thereafter, after the end of the applica-  
6 ble marketing year for the covered commodity.

7 (f) EFFECTIVE PRICE FOR BARLEY.—In determining  
8 the effective price for barley under subsection (b), the Sec-  
9 retary shall use the all-barley price.

10 (g) REFERENCE PRICE FOR TEMPERATE JAPONICA  
11 RICE.—The Secretary shall provide a reference price with  
12 respect to temperate japonica rice in an amount equal to  
13 115 percent of the amount established in clauses (vii) and  
14 (viii) of section 2(14)(B) in order to reflect price pre-  
15 miums.

16 **SEC. 8. AGRICULTURE RISK COVERAGE.**

17 (a) AGRICULTURE RISK COVERAGE PAYMENTS.—If  
18 all of the producers on a farm make the election under  
19 section 6(a) to obtain agriculture risk coverage, the Sec-  
20 retary shall make agriculture risk coverage payments to  
21 producers on the farm if the Secretary determines that,  
22 for any of the 2019 through 2023 crop years—

23 (1) the actual crop revenue determined under  
24 subsection (b) for the crop year; is less than

1           (2) the agriculture risk coverage guarantee de-  
2           termined under subsection (c) for the crop year.

3           (b) ACTUAL CROP REVENUE.—

4           (1) COUNTY COVERAGE.—In the case of county  
5           coverage, the amount of the actual crop revenue for  
6           a county for a crop year of a covered commodity  
7           shall be equal to the product obtained by multi-  
8           plying—

9           (A) the actual average county yield per  
10           planted acre for the covered commodity, as de-  
11           termined by the Secretary (including any ad-  
12           justments under paragraph (3)); and

13           (B) the higher of—

14           (i) the national average market price  
15           received by producers during the 12-month  
16           marketing year for the covered commodity,  
17           as determined by the Secretary; and

18           (ii) the national average loan rate for  
19           a marketing assistance loan for the covered  
20           commodity in effect for that crop year  
21           under subtitle B of title I of the Agricul-  
22           tural Act of 2014 (7 U.S.C. 9031 et seq.).

23           (2) INDIVIDUAL COVERAGE.—In the case of in-  
24           dividual coverage, the amount of the actual crop rev-  
25           enue for a producer on a farm for a crop year shall

1 be based on the share of the producer in all covered  
2 commodities planted on all farms for which indi-  
3 vidual coverage has been selected and in which the  
4 producer has an interest, to be determined by the  
5 Secretary as follows:

6 (A) For each covered commodity, the prod-  
7 uct obtained by multiplying—

8 (i) the total production of the covered  
9 commodity on those farms, as determined  
10 by the Secretary; and

11 (ii) the higher of—

12 (I) the national average market  
13 price received by producers during the  
14 12-month marketing year, as deter-  
15 mined by the Secretary; or

16 (II) the national average loan  
17 rate for a marketing assistance loan  
18 for the covered commodity in effect  
19 for that crop year under subtitle B of  
20 title I of the Agricultural Act of 2014  
21 (7 U.S.C. 9031 et seq.).

22 (B) The sum of the amounts determined  
23 under subparagraph (A) for all covered com-  
24 modities on those farms.

1           (C) The quotient obtained by dividing the  
2 amount determined under subparagraph (B) by  
3 the total planted acres of all covered commod-  
4 ities on those farms.

5           (3) COUNTY YIELD DISPARITIES.—

6           (A) IN GENERAL.—The Secretary may ad-  
7 just county yields under paragraph (1)(A) to  
8 reduce disparities between neighboring and  
9 nearby counties with similar soils and climate  
10 that are not attributable to a localized weather  
11 event.

12           (B) AGGREGATE ESTIMATED PAYMENT.—  
13 The Secretary shall ensure that all adjustments  
14 made under this paragraph are balanced so the  
15 aggregate amount of payments made under this  
16 section as a result of the adjustments for a crop  
17 year do not increase.

18           (C) OPTIONS.—

19           (i) IN GENERAL.—If the Secretary  
20 makes adjustments under this paragraph,  
21 the Secretary shall make the adjustments  
22 in accordance with clause (ii) or (iii).

23           (ii) VARIATIONS WITHIN A STATE.—

24           (I) IN GENERAL.—Subject to  
25 subparagraph (B), the Secretary shall

1 allow State committees of the Farm  
2 Service Agency to review and rec-  
3 ommend adjustments to the initial  
4 yield estimates before the adjustments  
5 become final to reduce unexplained  
6 variation between neighboring or  
7 nearby counties with similar soils and  
8 climate.

9 (II) REVIEW AND APPROVAL.—

10 The Secretary shall review and ap-  
11 prove or reject adjustments rec-  
12 ommended under subclause (I) before  
13 the adjustments become final.

14 (iii) VARIATIONS ALONG STATE  
15 BOUNDARIES.—

16 (I) IN GENERAL.—Subject to  
17 subparagraph (B), the Secretary shall  
18 allow State committees of the Farm  
19 Service Agency or the national office  
20 of the Farm Service Agency, in con-  
21 sultation with affected State commit-  
22 tees, to review and recommend adjust-  
23 ments to the initial yield estimates be-  
24 fore the adjustments become final to

1                   reduce unexplained variation between  
2                   counties in neighboring States.

3                   (II) REVIEW AND APPROVAL.—

4                   The Secretary shall review and ap-  
5                   prove or reject adjustments rec-  
6                   ommended under subclause (I) before  
7                   the adjustments become final.

8                   (4) QUALITY ADJUSTMENT FACTOR FOR  
9                   WHEAT.—

10                   (A) IN GENERAL.—The Secretary shall ad-  
11                   just county yields for wheat under paragraph  
12                   (1)(A) to account for weather-related quality  
13                   factors, such as protein, falling numbers, or  
14                   vomitoxin, based on—

15                   (i) the average quality adjustment dis-  
16                   count factor determined by the Secretary  
17                   for policies or plans of insurance under the  
18                   Federal Crop Insurance Act (7 U.S.C.  
19                   1501 et seq.) for—

20                   (I) the applicable crop year; and

21                   (II) that county or the applicable  
22                   region; or

23                   (ii) a comparable adjustment, as de-  
24                   termined by the Secretary, if the factor de-  
25                   scribed in clause (i) is not available.

1 (B) LIMITATION.—A yield may not be ad-  
2 justed by greater than 50 percent under sub-  
3 paragraph (A).

4 (C) USE.—The Secretary shall not use a  
5 yield adjustment under this paragraph for pur-  
6 poses of subsection (c).

7 (c) AGRICULTURE RISK COVERAGE GUARANTEE.—

8 (1) IN GENERAL.—The agriculture risk cov-  
9 erage guarantee for a crop year for a covered com-  
10 modity shall equal 90 percent of the benchmark rev-  
11 enue described in paragraph (2) or (3), as applica-  
12 ble.

13 (2) BENCHMARK REVENUE FOR COUNTY COV-  
14 ERAGE.—In the case of county coverage, the bench-  
15 mark revenue referred to in paragraph (1) shall be  
16 the product obtained by multiplying—

17 (A) subject to paragraphs (4) and (5), the  
18 average historical county yield as determined by  
19 the Secretary for the most recent 5 crop years,  
20 excluding each of the crop years with the high-  
21 est and lowest yields; and

22 (B) subject to paragraph (6), the national  
23 average market price received by producers dur-  
24 ing the 12-month marketing year for the most  
25 recent 3 crop years.

1           (3) BENCHMARK REVENUE FOR INDIVIDUAL  
2           COVERAGE.—In the case of individual coverage, the  
3           benchmark revenue for a producer on a farm for a  
4           crop year shall be based on the share of the pro-  
5           ducer in all covered commodities planted on all  
6           farms for which individual coverage has been se-  
7           lected and in which the producer has an interest, to  
8           be determined by the Secretary as follows:

9                   (A) For each covered commodity for each  
10                  of the most recent 5 crop years, the product ob-  
11                  tained by multiplying—

12                           (i) subject to paragraphs (4) and (5),  
13                           the yield per planted acre for the covered  
14                           commodity on those farms, as determined  
15                           by the Secretary; by

16                           (ii) subject to paragraph (6), the na-  
17                           tional average market price received by  
18                           producers during the 12-month marketing  
19                           year.

20                   (B) For each covered commodity, the aver-  
21                   age of the revenues determined under subpara-  
22                   graph (A) for the most recent 5 crop years, ex-  
23                   cluding each of the crop years with the highest  
24                   and lowest revenues.

1 (C) For each of the 2019 through 2023  
2 crop years, the sum of the amounts determined  
3 under subparagraph (B) for all covered com-  
4 modities on those farms, but adjusted to reflect  
5 the ratio that—

6 (i) the total number of acres planted  
7 on those farms to a covered commodity;  
8 bears to

9 (ii) the total acres of all covered com-  
10 modities planted on those farms.

11 (4) YIELD CONDITIONS.—If the yield per plant-  
12 ed acre for the covered commodity or historical  
13 county yield per planted acre for the covered com-  
14 modity for any of the 5 most recent crop years, as  
15 determined by the Secretary, is less than 80 percent  
16 of the transitional yield, as determined by the Sec-  
17 retary, the amounts used for any of those years in  
18 paragraph (2)(A) or (3)(A)(i), as applicable, shall be  
19 80 percent of the transitional yield.

20 (5) TREND-ADJUSTED YIELD.—

21 (A) IN GENERAL.—The Secretary shall ad-  
22 just the yield determined under paragraph  
23 (2)(A) or (3)(A)(i), as applicable, using the  
24 same Trend-Adjusted Yield factor that is used  
25 under the endorsement under the Federal Crop

1 Insurance Act (7 U.S.C. 1501 et seq.) for that  
2 crop and county.

3 (B) NOT AVAILABLE FOR CROP OR COUN-  
4 TY.—If a factor described in subparagraph (A)  
5 is not available for a crop or county, the Sec-  
6 retary shall calculate and use a State or na-  
7 tional Trend-Adjusted Yield factor for the crop,  
8 as determined by the Secretary.

9 (6) FLOOR PRICE.—In the case of county cov-  
10 erage, if the national average market price received  
11 by producers during the 12-month marketing year  
12 for any of the 3 most recent crop years is lower than  
13 the national average market price received by pro-  
14 ducers during the 12-month marketing year for the  
15 most recent 10 crop years for the covered com-  
16 modity, the Secretary shall use the national average  
17 market price received by producers during the 12-  
18 month marketing year for the most recent 10 crop  
19 years for the amount in paragraph (2)(B).

20 (7) REFERENCE PRICE.—In the case of indi-  
21 vidual coverage, if the national average market price  
22 received by producers during the 12-month mar-  
23 keting year for any of the 5 most recent crop years  
24 is lower than the reference price for the covered  
25 commodity, the Secretary shall use the reference

1 price for any of those years for the amount in para-  
2 graph (3)(A)(i).

3 (d) PAYMENT RATE.—The payment rate for a cov-  
4 ered commodity, in the case of county coverage, or a farm,  
5 in the case of individual coverage, shall be equal to the  
6 lesser of—

7 (1) the amount that—

8 (A) the agriculture risk coverage guarantee  
9 for the crop year applicable under subsection  
10 (c); exceeds

11 (B) the actual crop revenue for the crop  
12 year applicable under subsection (b); and

13 (2) 10 percent of the benchmark revenue for  
14 the crop year applicable under subsection (c).

15 (e) PAYMENT AMOUNT.—If agriculture risk coverage  
16 payments are required to be paid for any of the 2019  
17 through 2023 crop years, the amount of the agriculture  
18 risk coverage payment for the crop year shall be deter-  
19 mined by multiplying—

20 (1) the payment rate determined under sub-  
21 section (d); and

22 (2) the payment acres determined under section  
23 5.

24 (f) TIME FOR PAYMENTS.—If the Secretary deter-  
25 mines that agriculture risk coverage payments are re-

1 quired to be provided for the covered commodity, pay-  
2 ments shall be made beginning October 1, or as soon as  
3 practicable thereafter, after the end of the applicable mar-  
4 keting year for the covered commodity.

5 (g) ADMINISTRATIVE UNITS.—

6 (1) IN GENERAL.—For purposes of agriculture  
7 risk coverage payments in the case of county cov-  
8 erage, a county may be divided into not greater than  
9 3 administrative units in accordance with this sub-  
10 section.

11 (2) ELIGIBLE COUNTIES.—A county that may  
12 be divided into administrative units under this sub-  
13 section is a county that—

14 (A) is larger than 1,500 square miles; and

15 (B) contains more than 10,000 base acres.

16 (3) ELECTIONS.—Before making any agri-  
17 culture risk coverage payments for the 2019 crop  
18 year, the Farm Service Agency State committee, in  
19 consultation with the Farm Service Agency county  
20 or area committee of a county described in para-  
21 graph (2), may make a 1-time election to divide the  
22 county into administrative units under this sub-  
23 section.

24 (4) ADMINISTRATION.—For purposes of pro-  
25 viding agriculture risk coverage payments in the

1 case of county coverage, the Secretary shall consider  
2 an administrative unit elected under paragraph (3)  
3 to be a county for the 2019 through 2023 crop  
4 years.

5 (h) ADDITIONAL DUTIES OF THE SECRETARY.—In  
6 providing agriculture risk coverage, the Secretary shall—

7 (1) to the maximum extent practicable, use all  
8 available information and analysis, including data  
9 mining, to check for anomalies in the determination  
10 of agriculture risk coverage payments;

11 (2) to the maximum extent practicable, cal-  
12 culate a separate actual crop revenue and agri-  
13 culture risk coverage guarantee for irrigated and  
14 nonirrigated covered commodities;

15 (3) in the case of county coverage, assign an ac-  
16 tual or benchmark county yield for each planted acre  
17 for the crop year for the covered commodity on the  
18 basis of the yield history of representative farms in  
19 the State, region, or crop reporting district, as deter-  
20 mined by the Secretary, if—

21 (A) the Secretary cannot establish the ac-  
22 tual or benchmark county yield for each planted  
23 acre for a crop year for a covered commodity in  
24 the county in accordance with subsection (b)(1)  
25 or (c)(2); or

1 (B) the yield determined under subsection  
2 (b)(1) or (c)(2) is an unrepresentative average  
3 yield for the county, as determined by the Sec-  
4 retary;

5 (4) in the case of individual coverage, assign an  
6 average yield for a farm on the basis of the yield his-  
7 tory of representative farms in the State, region, or  
8 crop reporting district, as determined by the Sec-  
9 retary, if the Secretary determines that the farm has  
10 planted acreage in a quantity that is insufficient to  
11 calculate a representative average yield for the farm;

12 (5) prioritize the use of yields from sources that  
13 provide the greatest geographic coverage of county-  
14 level data from the same source; and

15 (6)(A) use the yield, benchmark revenue and  
16 payment rate based on the county of the physical lo-  
17 cation of the farm; and

18 (B) in the case of a farm that crosses county  
19 boundaries—

20 (i) split the base acres on a pro rata basis  
21 based on the relative quantity of cropland in

15 the acreage or production report.

16          (e) TENANTS AND SHARECROPPERS.—In carrying
