17 drug case.

18 (c) DEFINITION.—In this section, the term “no-

12 (1) **DEFINITIONS.**—In this subsection:

13 (A) **DEESCALATION TACTICS AND TECH-**
14 **NIQUES.**—The term “deescalation tactics and
15 techniques” means proactive actions and ap-
16 proaches used by a Federal law enforcement of-
17 ficer to stabilize the situation so that more
18 time, options, and resources are available to
19 gain a person’s voluntary compliance and re-
20 duce or eliminate the need to use force, includ-
21 ing verbal persuasion, warnings, tactical tech-
22 niques, slowing down the pace of an incident,
23 waiting out a subject, creating distance between
24 the officer and the threat, and requesting addi-
25 tional resources to resolve the incident.

1 (B) NECESSARY.—The term “necessary”
2 means that another reasonable Federal law en-
3 forcement officer would objectively conclude,
4 under the totality of the circumstances, that
5 there was no reasonable alternative to the use
6 of force.

7 (C) REASONABLE ALTERNATIVES.—

8 (i) IN GENERAL.—The term “reason-
9 able alternatives” means tactics and meth-
10 ods used by a Federal law enforcement of-
11 ficer to effectuate an arrest that do not
12 unreasonably increase the risk posed to the
13 law enforcement officer or another person,
14 including verbal communication, distance,
15 warnings, deescalation tactics and tech-
16 niques, tactical repositioning, and other
17 tactics and techniques intended to stabilize
18 the situation and reduce the immediacy of
19 the risk so that more time, options, and re-
20 sources can be called upon to resolve the
21 situation without the use of force.

22 (ii) DEADLY FORCE.—With respect to
23 the use of deadly force, the term “reason-
24 able alternatives” includes the use of less
25 lethal force.

1 (D) TOTALITY OF THE CIRCUMSTANCES.—

2 The term “totality of the circumstances” means
3 all credible facts known to the Federal law en-
4 forcement officer leading up to and at the time
5 of the use of force, including the actions of the
6 person against whom the Federal law enforce-
7 ment officer uses such force and the actions of
8 the Federal law enforcement officer.

9 (2) PROHIBITION ON LESS LETHAL FORCE.—A
10 Federal law enforcement officer may not use any
11 less lethal force unless—

12 (A) the form of less lethal force used is
13 necessary and proportional in order to effec-
14 tuate an arrest of a person who the officer has
15 probable cause to believe has committed a
16 criminal offense; and

17 (B) reasonable alternatives to the use of
18 the form of less lethal force have been ex-
19 hausted.

20 (3) PROHIBITION ON DEADLY USE OF FORCE.—

21 A Federal law enforcement officer may not use
22 deadly force against a person unless—

23 (A) the form of deadly force used is nec-
24 essary, as a last resort, to prevent imminent

1 and serious bodily injury or death to the officer
2 or another person;

3 (B) the use of the form of deadly force cre-
4 ates no substantial risk of injury to a third per-
5 son; and

6 (C) reasonable alternatives to the use of
7 the form of deadly force have been exhausted.

8 (4) REQUIREMENT TO GIVE VERBAL WARN-
9 ING.—When feasible, prior to using force against a
10 person, a Federal law enforcement officer shall iden-
11 tify himself or herself as a Federal law enforcement
12 officer, and issue a verbal warning to the person
13 that the Federal law enforcement officer seeks to ap-
14 prehend, which shall—

15 (A) include a request that the person sur-
16 render to the law enforcement officer; and

17 (B) notify the person that the law enforce-
18 ment officer will use force against the person if
19 the person resists arrest or flees.

20 (5) GUIDANCE ON USE OF FORCE.—Not later
21 than 120 days after the date of enactment of this
22 Act, the Attorney General, in consultation with im-
23 pacted persons, communities, and organizations, in-
24 cluding representatives of civil and human rights or-
25 ganizations, victims of police use of force, and rep-

1 representatives of law enforcement associations, shall
2 provide guidance to Federal law enforcement agen-
3 cies on—

4 (A) the types of less lethal force and dead-
5 ly force that are prohibited under paragraphs
6 (2) and (3); and

7 (B) how a Federal law enforcement officer
8 can—

9 (i) assess whether the use of force is
10 appropriate and necessary; and

11 (ii) use the least amount of force
12 when interacting with—

13 (I) pregnant individuals;

14 (II) children and youth under 21
15 years of age;

16 (III) elderly persons;

17 (IV) persons with mental, behav-
18 ioral, or physical disabilities or im-
19 pairments;

21 tual or cognitive impairments due to
22 use of alcohol, narcotics,
23 hallucinogens, or other drugs;

24 (VI) persons suffering from a se-
25 rious medical condition; and

1 (VII) persons with limited
2 English proficiency.

3 (6) TRAINING.—The Attorney General shall
4 provide training to Federal law enforcement officers
5 on interacting people described in subclauses (I)
6 through (VII) of paragraph (5)(B)(ii).

7 (7) LIMITATION ON JUSTIFICATION DE-
8 FENSE.—

9 (A) IN GENERAL.—Chapter 51 of title 18,
10 United States Code, is amended by adding at
11 the end the following:

12 **“§ 1123. Limitation on justification defense for Fed-**
13 **eral law enforcement officers**

14 “(a) IN GENERAL.—It is not a defense to an offense
15 under section 1111 or 1112 that the use of less lethal
16 force or deadly force by a Federal law enforcement officer
17 was justified if—

18 “(1) that officer’s use of use of such force was
19 inconsistent with section 10067(b) of the George
20 Floyd Justice in Policing Act of 2020; or

21 “(2) that officer’s gross negligence, leading up
22 to and at the time of the use of force, contributed
23 to the necessity of the use of such force.

24 “(b) DEFINITIONS.—In this section—

1 “(1) the terms ‘deadly force’ and ‘less lethal
2 force’ have the meanings given such terms in section

12 THE EDWARD BYRNE MEMORIAL JUSTICE ASSISTANCE
13 GRANT PROGRAM.—

14 (1) LIMITATION.—A State or unit of local gov-
15 ernment, other than an Indian Tribe, may not re-
16 ceive funds that the State or unit of local govern-
17 ment would otherwise receive under a Byrne grant
18 program for a fiscal year if, on the day before the
19 first day of the fiscal year, the State or unit of local
20 government does not have in effect a law that is con-
21 sistent with subsection (b) of this section and section
22 1123 of title 18, United States Code, as determined
23 by the Attorney General.

24 (2) SUBSEQUENT ENACTMENT.—

1 (A) IN GENERAL.—If funds described in
2 paragraph (1) are withheld from a State or unit
3 of local government pursuant to paragraph (1)
4 for 1 or more fiscal years, and the State or unit
5 of local government enacts or puts in place a
6 law described in paragraph (1), and dem-
7 onstrates substantial efforts to enforce such
8 law, subject to subparagraph (B), the State or
9 unit of local government shall be eligible, in the
10 fiscal year after the fiscal year during which the
11 State or unit of local government demonstrates
12 such substantial efforts, to receive the total
13 amount that the State or unit of local govern-
14 ment would have received during each fiscal
15 year for which funds were withheld.

16 (B) LIMIT ON AMOUNT OF PRIOR YEAR
17 FUNDS.—A State or unit of local government
18 may not receive funds under subparagraph (A)
19 in an amount that is more than the amount

4 against whom a law enforcement officer used force,
5 and representatives of law enforcement associations,
6 shall make guidance available to States and units of

8 General will use in determining whether the State or
9 unit of local government has in place a law described
10 in paragraph (1).

11 (4) APPLICATION.—This subsection shall apply
12 to the first fiscal year that begins after the date that
13 is 1 year after the date of the enactment of this Act,
14 and each fiscal year thereafter.

15 **SEC. 10068. STOP MILITARIZING LAW ENFORCEMENT ACT.**

16 (a) FINDINGS.—Congress makes the following find-
17 ings:

18 (1) Under section 2576a of title 10, United
19 States Code, the Department of Defense is author-
20 ized to provide excess property to local law enforce-
21 ment agencies. The Defense Logistics Agency, ad-
22 ministers such section by operating the Law En-
23 forcement Support Office program.

24 (2) New and used material, including mine-re-
25 sistant ambush-protected vehicles and weapons de-

1 terminated by the Department of Defense to be “mili-
2 tary grade” are transferred to Federal, Tribal,
3 State, and local law enforcement agencies through
4 the program.

5 (3) As a result local law enforcement agencies,
6 including police and sheriff’s departments, are ac-
7 quiring this material for use in their normal oper-
8 ations.

9 (4) As a result of the wars in Iraq and Afghani-
10 stan, military equipment purchased for, and used in,
11 those wars has become excess property and has been
12 made available for transfer to local and Federal law
13 enforcement agencies.

14 (5) In Fiscal Year 2017, \$504,000,000 worth
15 of property was transferred to law enforcement
16 agencies.

17 (6) More than \$6,800,000,000 worth of weap-
18 ons and equipment have been transferred to police
19 organizations in all 50 States and four territories
20 through the program.

21 (7) In May 2012, the Defense Logistics Agency
22 instituted a moratorium on weapons transfers
23 through the program after reports of missing equip-
24 ment and inappropriate weapons transfers.

1 (8) Though the moratorium was widely pub-
2 licized, it was lifted in October 2013 without ade-
3 quate safeguards.

4 (9) On January 16, 2015, President Barack
5 Obama issued Executive Order 13688 to better co-
6 ordinate and regulate the federal transfer of military
7 weapons and equipment to State, local, and Tribal
8 law enforcement agencies.

9 (10) In July, 2017, the Government Account-
10 ability Office reported that the program’s internal
11 controls were inadequate to prevent fraudulent appli-
12 cants’ access to the program.

13 (11) On August, 28, 2017, President Donald
14 Trump rescinded Executive Order 13688 despite a
15 July 2017 Government Accountability Office report
16 finding deficiencies with the administration of the
17 1033 program.

18 (12) As a result, Federal, State, and local law
19 enforcement departments across the country are eli-
20 gible again to acquire free “military-grade” weapons
21 and equipment that could be used inappropriately
22 during policing efforts in which people and taxpayers
23 could be harmed.

24 (13) The Department of Defense categorizes
25 equipment eligible for transfer under the 1033 pro-

1 gram as “controlled” and “un-controlled” equip-
2 ment. “Controlled equipment” includes weapons, ex-
3 plosives such as flash-bang grenades, mine-resistant
4 ambush-protected vehicles, long-range acoustic de-
5 vices, aircraft capable of being modified to carry ar-
6 mament that are combat coded, and silencers,
7 among other military grade items.

8 (b) LIMITATION ON DEPARTMENT OF DEFENSE

10 FORCEMENT AGENCIES.—

20 icy,”;

2 lowing new paragraphs:

4 Defense a description of how the recipient expects to
5 use the property;

6 “(8) the recipient certifies to the Department of
7 Defense that if the recipient determines that the
8 property is surplus to the needs of the recipient, the
9 recipient will return the property to the Department
10 of Defense;

11 “(9) with respect to a recipient that is not a
12 Federal agency, the recipient certifies to the Depart-
13 ment of Defense that the recipient notified the local
14 community of the request for personal property
15 under this section by—

16 “(A) publishing a notice of such request on
17 a publicly accessible Internet website;

18 “(B) posting such notice at several promi-
19 nent locations in the jurisdiction of the recipi-
20 ent; and

21 “(C) ensuring that such notices were avail-
22 able to the local community for a period of not
23 less than 30 days; and

24 “(10) the recipient has received the approval of
25 the city council or other local governing body to ac-

1 quire the personal property sought under this sec-
2 tion.”;

15 arms and ammunition, that the Secretary has trans-

17 subsection (f) so transferred before the date of the
18 enactment of the George Floyd Justice in Policing

18 hicle.

19 “(B) If the Secretary issues a waiver under subpara-

24 date on which the waiver is issued; and

1 “(ii) require, as a condition of the waiver, that
2 the recipient of the vehicle for which the waiver is

13 “(6) The Secretary shall require, as a condition of

22 Notwithstanding any other provision of law, amounts au-

11 a Federal law enforcement officer and a member of
12 the public, except that when an immediate threat to
13 the officer's life or safety makes activating the cam-
14 era impossible or dangerous, the officer shall acti-
15 vate the camera at the first reasonable opportunity
16 to do so.

17 (2) ALLOWABLE DEACTIVATION.—The body
18 camera shall not be deactivated until the stop has

16 or investigative stop between a law enforcement officer
17 and a member of the public, and shall not be equipped
18 with or employ any facial recognition technologies.

19 (h) EXCEPTIONS.—Federal law enforcement offi-
20 cers—

21 (1) shall not be required to use body cameras

4 (B) recording would pose a serious risk to
5 national security; or

6 (C) the officer is a military police officer,

16 (A) IN GENERAL.—Whenever doing so is
17 necessary to protect personal privacy, the right

20 safety of any person appearing in video footage,
21 redaction technology may be used to obscure
22 the face and other personally identifying char-
23 acteristics of that person, including the tone of
24 the person's voice, provided the redaction does
25 not interfere with a viewer's ability to fully,

1 completely, and accurately comprehend the
2 events captured on the video footage.

3 (B) REQUIREMENTS.—The following re-
4 quirements shall apply to redactions under sub-
5 paragraph (A):

23 is a police officer or other law enforcement employee and
24 the video footage relates to that person's conduct in their

12 pursuant to subsection (l), and not exempted from
13 public release pursuant to subsection (l)(1).

14 (p) LIMITATION ON FEDERAL LAW ENFORCEMENT
15 OFFICER VIEWING OF BODY CAMERA FOOTAGE.—No
16 Federal law enforcement officer shall review or receive an
17 accounting of any body camera video footage that is sub-
18 ject to a minimum 3-year retention period pursuant to
19 subsection (j)(1) prior to completing any required initial

22 address an immediate threat to life or safety.

23 (q) ADDITIONAL LIMITATIONS.—Video footage may
24 not be—

1 (1) in the case of footage that is not subject to
2 a minimum 3-year retention period, viewed by any

6 (2) divulged or used by any law enforcement
7 agency for any commercial or other non-law enforce-
8 ment purpose.

9 (r) THIRD PARTY MAINTENANCE OF FOOTAGE.—

10 Where a law enforcement agency authorizes a third party
11 to act as its agent in maintaining body camera footage,
12 the agent shall not be permitted to independently access,
13 view, or alter any video footage, except to delete videos
14 as required by law or agency retention policies.

15 (s) ENFORCEMENT.—

16 (1) IN GENERAL.—If any Federal law enforce-
17 ment officer, or any employee or agent of a Federal

2 taken against the individual officer, employee,
3 or agent;

13 sonably asserts that evidence supporting their
14 claim was destroyed or not captured.

15 (2) PROOF COMPLIANCE WAS IMPOSSIBLE.—
16 The disciplinary action requirement and rebuttable
17 presumptions described in paragraph (1) may be
18 overcome by contrary evidence or proof of exigent
19 circumstances that made compliance impossible.

20 (t) USE OF FORCE INVESTIGATIONS.—In the case
21 that a Federal law enforcement officer equipped with a
22 body camera is involved in, a witness to, or within viewable
23 sight range of either the use of force by another law en-
24 forcement officer that results in a death, the use of force
25 by another law enforcement officer, during which the dis-

1 charge of a firearm results in an injury, or the conduct
2 of another law enforcement officer that becomes the sub-
3 ject of a criminal investigation—

4 (1) the law enforcement agency that employs
5 the law enforcement officer, or the agency or depart-
6 ment conducting the related criminal investigation,
7 as appropriate, shall promptly take possession of the
8 body camera, and shall maintain such camera, and
9 any data on such camera, in accordance with the ap-

4 website.

5 (w) RULE OF CONSTRUCTION.—Nothing in this part
6 shall be construed to preempt any laws governing the
7 maintenance, production, and destruction of evidence in
8 criminal investigations and prosecutions.

8 **Subtitle B—SAFETY Through**
9 **Nonviolence**

10 **SEC. 10201. SHORT TITLE.**

11 This subtitle may be cited as the “Securing American
12 Families by Educating and Training You (SAFETY)
13 Through Nonviolence Act of 2020”.

14 **SEC. 10202. FINDINGS.**

15 Congress finds the following:

16 (1) The concept and practice of nonviolent
17 thoughts, words, and actions have a history and a
18 legacy in the United States and the global commu-
19 nity.

20 (2) In the 19th century, American philosophers
21 and authors Ralph Waldo Emerson and Henry
22 David Thoreau were leaders of the transcendentalist
23 philosophical movement which emphasized the poten-
24 tial good of humanity, the importance of truth, and
25 the courage and power of peace.

1 (3) In the early 20th century, Mohandas (Ma-
2 hatma) Gandhi advanced the concepts and practices
3 of ahimsa, or non-injury, and satya, or truth as inte-
4 gral to social and active concepts and practices.

5 (4) Gandhi continued Thoreau's ideas of Civil
6 Disobedience in developing the doctrine of satyagra-
7 ha which connects truth and nonviolence to active ef-
8 forts in nonviolent, civil disobedience.

9 (5) Dr. Martin Luther King, Jr., built upon
10 these philosophies in developing six principles of
11 nonviolence. He explained these to be a way of life
12 which sought to build friendships and under-
13 standing, defeat injustice, accept suffering as a way
14 to educate and transform, and to choose love instead
15 of hate. Nonviolence's strength is reinforced by the
16 universe siding with justice.

17 (6) Rev. James E. Lawson, Jr., a leading theo-
18 rist and strategist, helped spread the philosophy and
19 doctrine of nonviolence by organizing and teaching
20 workshops to young activists during the American
21 Civil Rights Movement.

22 (7) During his Presidency, Nelson Rolihlahla
23 Mandela expanded the spirit of ubuntu, the African
24 philosophy of the interconnectedness, caring, shar-

1 ing, and harmony of humanity, throughout the
2 world.

3 (8) According to the 2019 Global Peace Index,
4 violence cost \$14,100,000,000 in constant pur-
5 chasing power parity terms or \$1,853 per person in
6 2018. The fiscal loss resulting from conflict greatly
7 exceeds investments in peacebuilding and peace-
8 keeping.

9 (9) Given its proven success and evolution, the
10 philosophy and doctrine of nonviolence can and
11 should play an important role in breaking the cycle
12 and reducing the frequency of violence throughout
13 the United States and as a model to the global com-
14 munity.

15 (10) These lessons, principles, and practices
16 should be made available to Americans of all ages
17 and backgrounds in all parts of the country.

18 **SEC. 10203. GRANTS TO EDUCATE AMERICANS ABOUT THE**
19 **PRINCIPLES AND PRACTICE OF NON-**
20 **VIOLENCE.**

21 (a) GRANTS.—The Attorney General may make
22 grants to eligible entities to prevent or alleviate the effects
23 of community violence by providing education, mentoring,
24 and counseling regarding the principles and application of
25 nonviolence in conflict resolution.

1 (b) PRIORITY.—In awarding grants under this sec-
2 tion, the Attorney General shall give priority to applicants
3 that agree to use the grant in one or more eligible urban,
4 rural, tribal, and suburban communities that can certify—

5 (1) an increased or sustained level of violence or
6 tension in the community; or

7 (2) a lack of monetary or other resources to
8 adopt innovative, integrated, community-based vio-
9 lence prevention programs.

10 (c) LIMITATION.—The Attorney General may not
11 make a grant to an eligible entity under this section unless
12 the entity agrees to use not less than 70 percent of such
13 grant for nonviolence-prevention education and program
14 development.

15 (d) DEFINITIONS.—In this section, the term “eligible
16 entity” means a State or local government entity (includ-
17 ing law enforcement), educational institution, nonprofit
18 community, or faith-based organization.

19 [(e) AUTHORIZATION OF APPROPRIATIONS.—To
20 carry out this section, there is authorized to be appro-
21 priated \$60,000,000 for each of the fiscal years 2020
22 through 2025.]

1 **Subtitle C—Local Public Health**
2 **And Safety Protection**

3 **SEC. 10301. SHORT TITLE.**

4 This subtitle may be cited as the “Local Public
5 Health And Safety Protection Act”.

6 **SEC. 10302. FINDINGS.**

7 Congress finds the following:

8 (1) When it comes to gun violence, local laws
9 serve the important purpose of addressing the
10 unique issues and dangers facing each different com-
11 munity.

12 (2) Most State constitutions generally allocate
13 authority to local governments to regulate in the in-
14 terests of the public health, safety, and welfare.
15 States that have removed authority from local gov-
16 ernments to regulate guns and ammunition have cre-
17 ated a dangerous exception to the traditional rule of
18 local authority.

19 (3) Broad State preemption statutes ignore im-
20 portant local variations that may necessitate distinct
21 approaches to the problem of gun violence. State
22 preemption statutes threaten public safety because
23 they prevent local governments from implementing
24 customized solutions to gun violence in their commu-
25 nities.

1 (4) By mandating a one-size-fits-all approach to
2 firearms regulation, preemption statutes deprive the
3 public of a critical problem-solving resource—local
4 innovation. Local governments are often the source
5 of cutting-edge laws to reduce gun violence, which
6 are proven successful and later adopted at the state-
7 wide level.

8 (5) State preemption statutes impede local gov-
9 ernment’s ability to fill regulatory gaps created by
10 inaction at the State and Federal level. Restrictions
11 on State and Federal resources also make an extra
12 level of local involvement necessary to properly en-
13 force many gun laws. For example, local law en-
14 forcement may provide much needed oversight of
15 gun businesses, which the Bureau of Alcohol, To-
16 bacco, Firearms & Explosives is too underfunded to
17 provide.

18 (6) States should not prohibit or restrict a local
19 government from imposing or implementing laws
20 that are more restrictive than the laws of the rel-
21 evant State with respect to—

22 (A) any background check requirement in
23 relation to any firearm transaction;

1 (B) the ability to carry a firearm in public
2 places or in locations owned or controlled by a
3 unit of local government;

4 (C) any requirement relating to the sale of
5 ammunition, such as a limitation on the
6 amount an individual is allowed to purchase at
7 one time;

8 (D) any additional requirements relating to
9 licensing or permitting the purchase of a fire-

23 **SEC. 10802. FINDINGS.**

24 Congress finds the following:

1 (1) The growing trend of local units of govern-

4 sive targeting of citizens by law enforcement agents,
5 infringes on civil liberties, and promotes reliance on
6 unpredictable revenue sources.

7 (2) The growing trend of local units of govern-
8 ment using traffic fines and traffic court fees and
9 costs as revenue generators has the potential to
10 breed public cynicism and distrust of local law en-
11 forcement agencies, and to lessen public confidence
12 that the laws are being enforced impartially and the
13 criminal justice system is administered equally.

14 **SEC. 10803. REDUCTION IN GRANT FUNDING FOR UNITS OF**
15 **LOCAL GOVERNMENT.**

2 would have otherwise been awarded to that unit of local
3 government under such subpart.

4 (b) DISPROPORTIONATE RACIAL COMPOSITION OF
5 LAW ENFORCEMENT AGENCIES.—In the case of a unit of
6 local government described in subsection (a) for which,
7 during the previous fiscal year, the percentage of individ-
8 uals who identify as a race who were employees of the
9 law enforcement agency for that unit of local government,
10 and the percentage of individuals who identify as that race
11 who live in the jurisdiction which that law enforcement
12 agency serves, differs by greater than 30 percent, the unit
13 of local government shall receive only 5 percent of the
14 grant award that would have otherwise been awarded to
15 that unit of local government under subpart 1 of part E
16 of title I of the Omnibus Crime Control and Safe Streets
17 Act of 1968 (42 U.S.C. 3750 et seq.).

18 (c) OBLIGATION OF STATES.—A State that receives
19 a grant award under subpart 1 of part E of title I of the
20 Omnibus Crime Control and Safe Streets Act of 1968 (42
21 U.S.C. 3750 et seq.), which does not reduce a subgrant
22 award made under such grant to a unit of local govern-
23 ment in its jurisdiction in accordance with this section,
24 shall, in the succeeding fiscal year, receive only 50 percent

1 of the grant award that would have otherwise been award-

3 (d) REALLOCATION.—Any funds withheld from a
4 State or unit of local government from a direct grant
5 award by the Attorney General shall be reallocated in ac-
6 cordance with subpart 1 of part E of title I of the Omni-

8 U.S.C. 3750 et seq.).

9 **SEC. 10804. EXEMPTIONS.**

10 The provisions of section 10803 shall not apply in
11 the case of any unit of local government—

12 (1) that serves a population of less than 15,000
13 people and so certifies to the Attorney General; or

14 (2) to which the Attorney General has granted
15 a waiver under section 10805.

16 **SEC. 10805. WAIVERS.**

17 The Attorney General may, in his or her discretion,
18 grant a waiver under this section to any unit of local gov-
19 ernment for good cause shown, and shall consider the fol-
20 lowing factors:

21 (1) Whether, resulting from allegations of ex-
22 cessive uses of force, false arrests, improper searches

11 **Subtitle P—Beyond the Box for** 12 **Higher Education**

13 **SEC. 11601. SHORT TITLE.**

14 This subtitle may be cited as the “Beyond the Box
15 for Higher Education Act of 2020”.

16 **SEC. 11602. FINDINGS.**

17 Congress finds the following:

18 (1) An estimated 70,000,000 Americans have
19 some type of arrest or conviction record that would
20 appear in a criminal background check.

21 (2) Each year, more than 600,000 people re-
22 turn to society from State or Federal prison.

23 (3) Nearly 11,000,000 Americans are admitted
24 to city and county jails each year, with an average
25 daily population of more than 700,000 people.

1 (4) An estimated 2,100,000 youth under the
2 age of 18 are arrested every year in the United
3 States.

4 (5) 1,700,000 juvenile delinquency cases are
5 disposed of in juvenile courts annually.

6 (6) Juvenile records are not always confidential;
7 many States disclose information about youth in-
8 volvement with the juvenile justice system or do not
9 have procedures to seal or expunge juvenile records.

10 (7) The compounding effects of collateral con-
11 sequences due to criminal justice involvement hinder
12 the ability of individuals to reenter society success-
13 fully.

14 (8) People of color and low-income people are
15 disproportionately impacted by the collateral con-
16 sequences of criminal justice involvement.

17 (9) Incarceration leads to decreased earnings,
18 unemployment, and poverty.

19 (10) Upon reentry, lower educational attain-
20 ment, a lack of work skills or history, and the stig-
21 ma of a criminal record can hinder a formerly incar-
22 cerated person's ability to return to their commu-
23 nities successfully.

1 (11) One way to improve reentry outcomes is to
2 increase educational opportunities for people with a
3 criminal or juvenile justice history.

4 (12) By reducing rearrests and reconvictions,
5 and by increasing educational attainment, formerly
6 incarcerated individuals are better situated to find
7 stable employment, contributing to their commu-
8 nities.

9 **SEC. 11603. BEYOND THE BOX FOR HIGHER EDUCATION.**

10 Part B of title I of the Higher Education Act of 1965
11 (20 U.S.C. 1011 et seq.) is amended by adding at the end
12 the following:

13 **“SEC. 124. BEYOND THE BOX FOR HIGHER EDUCATION.**

14 “(a) TRAINING AND TECHNICAL ASSISTANCE.—

15 “(1) IN GENERAL.—The Secretary, acting
16 through the Office of Policy, Planning, and Innova-
17 tion of the Office of Postsecondary Education of the
18 Department and with consultation from the Depart-

20 holders, shall issue guidance and recommendations
21 for institutions of higher education to remove crimi-
22 nal and juvenile justice questions from their applica-
23 tion for admissions process.

1 “(2) GUIDANCE AND RECOMMENDATIONS.—The
2 guidance and recommendations issued under para-
3 graph (1) shall include the following:

4 “(A) If an institution of higher education
5 collects criminal or juvenile justice information
6 on applicants for admission, it is recommended
7 that the institution determine whether this in-
8 formation is necessary to make an informed ad-
9 mission decision and whether it would be appro-
10 prium to remove these questions from the appli-
11 cation.

12 “(B) If an institution of higher education
13 determines that it is appropriate to remove
14 criminal or juvenile justice questions from the
15 institution’s application for admissions process,
16 it is recommended that the institution comply
17 with the following:

18 “(i) If criminal or juvenile justice
19 questions are necessary for the other as-
20 pects of the institution’s interactions with
21 applicants, identify those specific inter-
22 actions in which it is appropriate to ask
23 such questions.

24 “(ii) In nonadmissions interactions,
25 inquire about criminal or juvenile justice

1 history transparently and clearly inform
2 applicants as early as possible how to re-
3 spond to the inquiry.

4 “(iii) In nonadmissions inquiries
5 about criminal or juvenile justice history,
6 ensure the questions are specific and nar-
7 rowly focused, and make it clear that an-
8 swering the questions may not negatively
9 impact applicants’ chances of enrollment.

10 “(iv) In nonadmissions inquiries about
11 criminal or juvenile justice history, give ap-
12 plicants the opportunity to explain criminal
13 or juvenile justice involvement and pre-
14 paredness for postsecondary study.

15 “(v) Provide staff of the institution
16 who have access to a prospective or current
17 student’s criminal or juvenile justice his-
18 tory, the necessary and proper training on
19 the effective use of criminal or juvenile jus-
20 tice history data, including the problems
21 associated with this information, the types
22 of supporting documents that may need to
23 be obtained, and the appropriate privacy
24 protections that must be put in place.

1 “(C) If an institution of higher education
2 determines that it is necessary to inquire about
3 the criminal or juvenile justice history of appli-
4 cants for admission, it is recommended that the
5 institution comply with the following:

6 “(i) Delay the request for, or consid-
7 eration of, such information until after an
8 admission decision has been made to avoid
9 a chilling effect on applicants whose crimi-
10 nal or juvenile justice involvement may ul-
11 timately be determined irrelevant by the
12 institution.

13 “(ii) Provide notice and justification
14 for applicants within 30 days if, upon re-
15 ceiving information regarding applicants’
16 criminal or juvenile justice involvement,
17 the admission to the institution is denied
18 or rescinded based solely on the applicant’s
19 criminal or juvenile justice involvement.

20 “(iii) Inquire about criminal or juve-
21 nile justice history transparently and clear-
22 ly inform applicants as early as possible in

1 “(iv) Ensure the questions are specific

10 that should have access to a prospective or
11 current student’s criminal or juvenile jus-

13 training on the effective use of criminal or
14 juvenile justice history data, including the
15 biases or limitations associated with this
16 information, the types of supporting docu-
17 ments that may need to be obtained, and
18 the appropriate privacy protections that
19 must be put in place.

20 “(3) TRAINING AND TECHNICAL ASSISTANCE.—

21 “(A) IN GENERAL.—The Secretary, acting

23 “(ii) training to ensure that if an in-

13 Section 483(a) of the Higher Education Act of 1965
14 (20 U.S.C. 1090(a)) is amended by adding at the end the
15 following:

16 “(13) RESTRICTION ON QUESTION OF CONVIC-

2 **SEC. 11701. SHORT TITLE.**

3 This subtitle may be cited as the “Community Re-
4 entry Act of 2020”.

5 **SEC. 11702. FINDINGS.**

6 Congress finds as follows:

7 (1) Researchers find that visitation from family
8 and community members help mitigate recidivism
9 rates among incarcerated individuals. Removing geo-
10 graphical barriers for inmates hoping to stay in
11 touch with their families or members of their com-
12 munity may help lower recidivism rates. These con-
13 tinued relationships alleviate the risk of challenges
14 such as unemployment, homelessness, and debt upon
15 release.

16 (2) In a study of inmates jailed close to home,
17 the Vera Institute of Justice found that most par-
18 ticipants rely on family support to stay off of drugs
19 and maintain requirements of parole as well as care
20 for children.

21 (3) According to the Vera study, more than 80
22 percent of jailed respondents rely on family for sup-
23 port and more than 70 percent rely on friends. Even
24 while incarcerated, inmates continue to rely heavily

1 on their family and community outside of prison for
2 basic needs and survival.

3 (4) Family members report that distance is the
4 greatest barrier to visiting incarcerated relatives
5 while costs, such as transportation, follows. By re-
6 moving geographical and cost barriers, family mem-
7 bers of the incarcerated may have an opportunity to
8 maintain a relationship with their incarcerated loved
9 one.

10 (5) Incarcerated persons should be afforded op-
11 portunities to change and heal. Strengthening rela-
12 tionships between inmates and the family and com-
13 munity members they have left behind will help de-
14 crease recidivism rates and heal fragmented familial
15 and community relationships.

19 to the availability of appropriations and of bed space avail-
20 ability, the Director shall place a prisoner in a residential
21 reentry center that is within 50 miles of the prisoner’s
22 previous or anticipated permanent legal address, except

24 a center for reasons such as—

13 **SEC. 11902. STANDARDS FOR DHS DETENTION FACILITIES.**

14 Not later than one year after the date of the enact-
15 ment of this Act, the Secretary of Homeland Security
16 shall, by rulemaking, establish detention standards for
17 each facility at which aliens in the custody of the Depart-
18 ment of Homeland Security are detained. Such standards
19 shall provide, at a minimum, the level of protections for
20 detainees described in the American Bar Association’s
21 Civil Immigration Detention Standards (adopted in Au-
22 gust 2012, and as amended in August 2014). On a bien-
23 nial basis, the Secretary shall review and update such
24 standards, as appropriate.

1 **SEC. 11903. OVERSIGHT AND TRANSPARENCY FOR DHS DE-**
2 **TENTION FACILITIES.**

3 (a) PERIODIC INSPECTIONS.—

4 (1) IN GENERAL.—On a periodic basis, and not
5 less than annually, the Inspector General of the De-
6 partment of Homeland Security shall conduct an un-
7 announced inspection of each facility at which aliens
8 in the custody of the Department of Homeland Se-
9 curity are detained in order to ensure that each such
10 facility is in compliance with the standards under
11 section 11902. Not later than 60 days after con-
12 ducting an inspection under this subsection, the In-
13 spector General shall make a report of such inspec-
14 tion publicly available on the website of the Depart-
15 ment of Homeland Security, and submit such report
16 to the Secretary of Homeland Security.

17 (2) FAILURE TO COMPLY WITH STANDARDS.—

18 (A) INITIAL FAILURE.—In the case that
19 the Inspector General determines that a facility
20 has failed to comply with the standards under
21 section 11902 for the first time during any 2-
22 year period, and that such noncompliance con-
23 stitutes a deficiency that threatens the health,
24 safety, or the due process rights of detainees,
25 the Inspector General shall notify the Secretary

1 of Homeland Security of such finding, and the
2 Secretary shall—

3 (i) in the case of a facility that is not
4 owned by the Department of Homeland
5 Security, impose a meaningful fine of not
6 less than 10 percent of the value of the
7 contract with the facility; and

8 (ii) in the case of a facility that is
9 owned by the Department of Homeland
10 Security—

11 (I) issue a written warning to the
12 facility not later than 30 days after
13 receiving such notification from the
14 Inspector General, which shall include
15 remedial measures to be carried out
16 not later than 60 days after the
17 issuance of the warning; and

18 (II) not later than 60 days after
19 the issuance of the warning described
20 in subclause (I), certify to the Inspec-
21 tor General that the remedial meas-
22 ures have been carried out.

23 (B) SUBSEQUENT FAILURES.—In the case
24 that the Inspector General determines that a
25 facility has failed to comply with the standards

1 under section 11902 in two investigations under
2 paragraph (1) during any 2-year period, and
3 that such noncompliance constitutes a defi-
4 ciency that threatens the health, safety, or the
5 constitutional rights of detainees, the Inspector
6 General shall notify the Secretary of Homeland
7 Security of such finding, and the Secretary
8 shall—

9 (i) in the case of a facility that is not
10 owned by the Department of Homeland
11 Security, not later than 30 days after re-
12 ceiving such notification, transfer each de-
13 tainee to a facility that does so comply,
14 and terminate the contract with the owner
15 of the facility; and

16 (ii) in the case of a facility that is
17 owned by the Department of Homeland
18 Security, not later than 60 days after re-
19 ceiving such notification, transfer each de-
20 tainee to a facility that does so comply,
21 and suspend the use of such facility until
22 such time as the Inspector General cer-
23 tifies to the Secretary that the facility is in
24 compliance with such standards, and
25 makes publicly available on the website of

1 the Department of Homeland Security in-
2 formation relating to the remedial meas-
3 ures taken.

4 (b) NOTIFICATION OF DEATH IN CUSTODY.—Not
5 later than 24 hours after the death of an alien in the cus-
6 tody of the Department of Homeland Security, the Sec-
7 retary of Homeland Security shall notify the Committees
8 on the Judiciary of the House of Representatives and of
9 the Senate, the Committee on Homeland Security of the
10 House of Representatives, and the Committee on Home-
11 land Security and Governmental Affairs of the Senate of
12 the death of such alien.

13 (c) INVESTIGATIONS ON DEATH IN CUSTODY.—Not
14 later than 30 days after the death of an alien in the cus-
15 tody of the Department of Homeland Security, the Sec-
16 retary of Homeland Security shall conduct an investiga-
17 tion into that death, which shall include a root cause anal-
18 ysis that identifies any changes to policies, practices,
19 training curricula, staffing, or potential system-wide er-
20 rors that could reduce the probability of such an event
21 in the future. Not later than 60 days after such a death,
22 the Secretary shall make a report describing the results
23 of such investigation publicly available on the website of
24 the Department of Homeland Security. The root cause
25 analysis described in the previous sentence must include

1 appropriately qualified personnel, which, at a minimum,
2 will consist of a medical professional qualified in any field
3 germane to the death, and shall be performed in accord-
4 ance with professional medical standards for investigating
5 sentinel events in medical care facilities, including the
6 Sentinel Event Policy promulgated by The Joint Commis-
7 sion.

8 (d) DEFINITION.—The term “death of an alien in the
9 custody of the Department of Homeland Security” means
10 any death of an alien occurring while the alien is under
11 the supervision of the Department of Homeland Security,
12 regardless of the location of the death, if the death may
13 have resulted from a health problem, which began, existed
14 during, or was exacerbated during the detention of the
15 alien.

16 (e) REPORT TO CONGRESS.—On an annual basis, the
17 Secretary of Homeland Security shall submit to the Com-
18 mittees on the Judiciary of the House of Representatives
19 and of the Senate a report on the inspections and over-
20 sight of facilities at which aliens in the custody of the De-
21 partment of Homeland Security are detained. Such report
22 shall include information relating to, for the preceding
23 year—

6 (3) whether the remedial actions described in
7 paragraph (2) were successful in bringing the facil-

9 (f) CLASSIFICATION OF DOCUMENTS FOR PURPOSES
10 OF FOIA.—The reports under subsections (a) and (b),
11 and any contract between the Department of Homeland
12 Security and a private or public entity which provides for
13 the use of a facility not owned by the Department of
14 Homeland Security to detain aliens in the custody of the
15 Department of Homeland Security, are considered records
16 for purposes of section 552 of title 5, United States Code,
17 and do not qualify for the exception under subsection
18 (b)(4) of such section.

19 (g) FACILITIES MATRIX.—On the first day of each

22 Secretary of Homeland Security shall ensure that the on-
23 line detainee locator system maintained by the Depart-
24 ment of Homeland Security, or any successor system, is
25 updated not later than 12 hours after an alien is taken

1 into custody or released from custody by the Department
2 of Homeland Security, transferred to, or detained in, a
3 detention facility, or removed from the United States.

4 (i) INFORMATION COLLECTED AND MAINTAINED FOR
5 ALIENS IN DHS CUSTODY.—The Secretary of Homeland
6 Security shall collect and maintain, for each alien in the
7 custody of the Department of Homeland Security, the fol-

19 attorney fees, and costs.

20 **SEC. 11905. DHS DETENTION FACILITY CONSTRUCTION AND**
21 **MAINTENANCE.**

22 (a) RESTRICTION ON CONSTRUCTION OF DHS FA-
23 CILITIES.—Not later than 180 days before initiating, or
24 entering into a contract for, the construction of a new fa-
25 cility or to expand an existing facility for the detention

1 of aliens in the custody of the Department of Homeland
2 Security, the Secretary of Homeland Security shall submit
3 to the Committees on the Judiciary of the House of Rep-

13 make this information publicly available on the website of
14 the Department of Homeland Security.

15 (b) PHASE-OUT OF PRIVATE DETENTION FACILITIES
16 AND USE OF JAILS.—

17 (1) SECURE DETENTION FACILITIES.—Begin-
18 ning on the date of the enactment of this Act, the
19 Secretary of Homeland Security may not enter into
20 or extend any contract or agreement with any public
21 or private entity which owns or operates a detention
22 facility for use of that facility to detain aliens in the
23 custody of the Department of Homeland Security,
24 and shall terminate any such contract not later than
25 the date that is 3 years after the date of the enact-

1 ment of this Act. Beginning on the date that is 3
2 years after the date of the enactment of this Act,
3 any facility at which aliens in the custody of the De-
4 partment of Homeland Security are detained shall
5 be owned and operated by the Department of Home-
6 land Security.

7 (2) NON-SECURE DETENTION PROGRAMS.—Be-
8 ginning on the date of the enactment of this Act, the
9 Secretary of Homeland Security may not enter into
10 or extend any contract with any public or private
11 for-profit entity which owns or operates a program
12 or facility that provides for non-residential deten-
13 tion-related activities for aliens who are subject to
14 monitoring by the Department of Homeland Secu-
15 rity, and shall terminate any such contract not later
16 than the date that is 3 years after the date of the
17 enactment of this Act. Beginning on the date that
18 is 3 years after the date of the enactment of this
19 Act, any such program or facility shall be owned and
20 operated by a nonprofit organization or by the De-

22 (3) PUBLICATION OF PLAN.—Not later than 60
23 days after the date of the enactment of this Act, the
24 Secretary shall develop, and make publicly available,

1 a plan and timeline for the implementation of this
2 subsection.

3 **SEC. 11906. APPEARANCE OF DETAINED ALIENS FOR**
4 **OTHER LEGAL MATTERS.**

5 The Secretary of Homeland Security shall make rules
6 to ensure that any alien who is detained in the custody
7 of the Department of Homeland Security, who is required
8 to appear in Federal or State court (including family
9 court) for another matter, is transported by an officer or
10 employee of the Department of Homeland Security to such
11 court proceeding.

12 **SEC. 11907. PROCEDURES FOR DETAINING ALIENS.**

13 (a) PROBABLE CAUSE AND CUSTODY DETERMINA-
14 TION HEARINGS.—Section 236 of the Immigration and
15 Nationality Act (8 U.S.C. 1226) is amended—

16 (1) by amending subsection (a) to read as fol-
17 lows:

18 “(a) ARREST, DETENTION, AND RELEASE.—On a
19 warrant issued by an immigration judge, or pursuant to
20 section 287(a)(2), the Secretary of Homeland Security
21 may arrest an alien, and in accordance with this section,
22 detain the alien or release the alien on bond, subject to
23 conditions, or recognizance, pending a decision on whether
24 the alien is to be removed from the United States.”;

25 (2) by striking subsections (b), (c), (d), and (e);

1 (3) by adding at the end the following:

2 “(b) BOND DETERMINATION.—In the case that an
3 immigration judge makes a determination to release an
4 alien on bond under this section, the immigration judge
5 shall consider, for purposes of setting the amount of the
6 bond, the alien’s financial position and ability to pay the
7 bond without imposing financial hardship on the alien, and
8 set bond at no amount greater than necessary to ensure
9 the alien’s appearance for removal proceedings.

10 “(c) CUSTODY DETERMINATION.—

11 “(1) INITIAL DETERMINATION.—Not later than
12 48 hours after taking an alien into custody under
13 the authority provided by this section or section 235
14 of this Act, or those subject to a reinstated order of
15 removal pursuant to section 241(a)(5) who have
16 been found to have a credible or reasonable fear of
17 return, the Secretary of Homeland Security shall
18 make an initial custody determination with regard to
19 that alien, and provide that determination in writing
20 to the alien. If the Secretary determines that the re-
21 lease of an alien will not reasonably ensure the ap-
22 pearance of the alien as required or will endanger
23 the safety of any other person or the community, the
24 custody determination under this paragraph will im-

1 pose the least restrictive conditions, as described in
2 paragraph (4).

3 “(2) TIMING.—If an alien seeks to challenge
4 the initial custody determination under paragraph
5 (1), the alien shall be provided with the opportunity
6 for a hearing before an immigration judge to deter-
7 mine whether the alien should be detained, which
8 hearing shall occur not later than 72 hours after the
9 initial custody determination.

10 “(3) PRESUMPTION OF RELEASE.—In a hearing
11 under this subsection, there shall be a presumption
12 that the alien should be released. The Secretary of
13 Homeland Security shall have the duty of rebutting
14 this presumption, which may only be shown based on
15 clear and convincing evidence, including credible and
16 individualized information, that the use of alter-
17 natives to detention will not reasonably ensure the
18 appearance of the alien at removal proceedings, or
19 that the alien is a threat to another person or the
20 community. The fact that an alien has a criminal
21 charge pending against the alien may not be the sole
22 factor to justify the continued detention of the alien.

23 “(4) LEAST RESTRICTIVE CONDITIONS RE-
24 QUIRED.—If an immigration judge determines pur-
25 suant to a hearing under this section that the re-

1 lease of an alien will not reasonably ensure the ap-
2 pearance of the alien as required or will endanger
3 the safety of any other person or the community, the
4 immigration judge shall order the least restrictive
5 conditions, or combination of conditions, that the
6 judge determines will reasonably ensure the appear-

17 This subtitle may be cited as the “Creating a Re-
18 spectful and Open World for Natural Hair Act of 2020”
19 or the “CROWN Act of 2020”.

20 **SEC. 12402. FINDINGS; SENSE OF CONGRESS; PURPOSE.**

21 (a) FINDINGS.—Congress finds the following:

22 (1) Throughout United States history, society
23 has used (in conjunction with skin color) hair tex-
24 ture and hairstyle to classify individuals on the basis
25 of race.

1 (2) Like one’s skin color, one’s hair has served
2 as a basis of race and national origin discrimination.

3 (3) Racial and national origin discrimination
4 can and do occur because of longstanding racial and
5 national origin biases and stereotypes associated
6 with hair texture and style.

7 (4) For example, routinely, people of African
8 descent are deprived of educational and employment
9 opportunities because they are adorned with natural
10 or protective hairstyles in which hair is tightly coiled
11 or tightly curled, or worn in locs, cornrows, twists,
12 braids, Bantu knots, or Afros.

13 (5) Racial and national origin discrimination is
14 reflected in school and workplace policies and prac-
15 tices that bar natural or protective hairstyles com-
16 monly worn by people of African descent.

17 (6) For example, as recently as 2018, the
18 United States Armed Forces had grooming policies
19 that barred natural or protective hairstyles that
20 servicewomen of African descent commonly wear and
21 that described these hairstyles as “unkempt”.

22 (7) In 2018, the United States Armed Forces
23 rescinded these policies and recognized that this de-
24 scription perpetuated derogatory racial stereotypes.

1 (8) The United States Armed Forces also rec-
2 ognized that prohibitions against natural or protec-
3 tive hairstyles that African-American servicewomen
4 are commonly adorned with are racially discrimina-
5 tory and bear no relationship to African-American
6 servicewomen's occupational qualifications and their
7 ability to serve and protect the Nation.

8 (9) As a type of racial or national origin dis-
9 crimination, discrimination on the basis of natural
10 or protective hairstyles that people of African de-
11 scend are commonly adorned with violates existing
12 Federal law, including provisions of the Civil Rights
13 Act of 1964 (42 U.S.C. 2000e et seq.), section 1977
14 of the Revised Statutes (42 U.S.C. 1981), and the
15 Fair Housing Act (42 U.S.C. 3601 et seq.). How-
16 ever, some Federal courts have misinterpreted Fed-
17 eral civil rights law by narrowly interpreting the
18 meaning of race or national origin, and thereby per-
19 mitting, for example, employers to discriminate
20 against people of African descent who wear natural
21 or protective hairstyles even though the employment
22 policies involved are not related to workers' ability to
23 perform their jobs.

24 (10) Applying this narrow interpretation of race
25 or national origin has resulted in a lack of Federal

1 civil rights protection for individuals who are dis-
2 criminated against on the basis of characteristics
3 that are commonly associated with race and national
4 origin.

5 (11) In 2019, State legislatures and municipal
6 bodies throughout the United States have introduced
7 and passed legislation that rejects certain Federal
8 courts' restrictive interpretation of race and national
9 origin, and expressly classifies race and national ori-
10 gin discrimination as inclusive of discrimination on
11 the basis of natural or protective hairstyles com-
12 monly associated with race and national origin.

13 (b) SENSE OF CONGRESS.—It is the sense of Con-
14 gress that—

15 (1) the Federal Government should acknowl-
16 edge that individuals who have hair texture or wear
17 a hairstyle that is historically and contemporarily as-
18 sociated with African Americans or persons of Afri-
19 can descent systematically suffer harmful discrimi-
20 nation in schools, workplaces, and other contexts
21 based upon longstanding race and national origin
22 stereotypes and biases;

23 (2) a clear and comprehensive law should ad-
24 dress the systematic deprivation of educational, em-
25 ployment, and other opportunities on the basis of

1 hair texture and hairstyle that are commonly associ-
2 ated with race or national origin;

3 (3) clear, consistent, and enforceable legal
4 standards must be provided to redress the wide-
5 spread incidences of race and national origin dis-
6 crimination based upon hair texture and hairstyle in
7 schools, workplaces, housing, federally funded insti-
8 tutions, and other contexts;

9 (4) it is necessary to prevent educational, em-
10 ployment, and other decisions, practices, and policies
11 generated by or reflecting negative biases and
12 stereotypes related to race or national origin;

13 (5) the Federal Government must play a key
14 role in enforcing Federal civil rights laws in a way
15 that secures equal educational, employment, and
16 other opportunities for all individuals regardless of
17 their race or national origin;

18 (6) the Federal Government must play a central
19 role in enforcing the standards established under
20 this subtitle on behalf of individuals who suffer race
21 or national origin discrimination based upon hair
22 texture and hairstyle;

23 (7) it is necessary to prohibit and provide rem-
24 edies for the harms suffered as a result of race or

1 national origin discrimination on the basis of hair
2 texture and hairstyle; and

3 (8) it is necessary to mandate that school,
4 workplace, and other applicable standards be applied
5 in a nondiscriminatory manner and to explicitly pro-
6 hibit the adoption or implementation of grooming re-
7 quirements that disproportionately impact people of
8 African descent.

9 (c) PURPOSE.—The purpose of this subtitle is to in-
10 stitute definitions of race and national origin for Federal
11 civil rights laws that effectuate the comprehensive scope
12 of protection Congress intended to be afforded by such
13 laws and Congress' objective to eliminate race and na-
14 tional origin discrimination in the United States.

4 **Research**

5 **SEC. 12801. SHORT TITLE.**

6 This subtitle may be cited as the “National Gun Vio-
7 lence Research Act”.

8 **SEC. 12802. FINDINGS.**

9 Congress makes the following findings:

10 (1) In the last 50 years, more individuals in the
11 United States have died from gunshots than in all
12 wars in which the United States was a combatant,
13 combined.

14 (2) The rate of gun violence deaths in the
15 United States is more than double that of other
16 high-income nations.

17 (3) Guns accounted for 74 percent of homicides
18 and 51 percent of suicides in 2016, totaling over
19 37,000 deaths in the United States.

20 (4) Gun violence disproportionately affects ra-
21 cial minorities, with African Americans comprising
22 nearly 60 percent of homicide victims and 22 per-
23 cent of unintentional injury deaths in 2016.

24 (5) Provisions in appropriations Acts dating
25 back to 1996 have had a chilling effect on Federal

1 funding for research on gun violence across the Fed-
2 eral Government and, as a result, research on gun
3 violence is significantly underfunded relative to other
4 leading causes of death.

5 (6) Research examining the nature, causes, con-
6 sequences, and prevention of gun-related violence,
7 suicide, and unintentional injury and death does not
8 constitute advocacy in support of, or opposition to,
9 gun control policies or regulations.

10 (7) More research and high-quality data relat-
11 ing to gun violence are needed to inform the develop-
12 ment of effective strategies to reduce the incidence
13 of gun-related injury and death.

12 **Subtitle JJ—National Gun Violence** 13 **Research**

14 **SEC. 13601. SHORT TITLE.**

15 This subtitle may be cited as the “National Gun Vio-
16 lence Research Act”.

17 **SEC. 13602. FINDINGS.**

18 Congress makes the following findings:

19 (1) In the last 50 years, more individuals in the
20 United States have died from gunshots than in all
21 wars in which the United States was a combatant,
22 combined.

23 (2) The rate of gun violence deaths in the
24 United States is more than double that of other
25 high-income nations.

1 (3) Guns accounted for 74 percent of homicides
2 and 51 percent of suicides in 2016, totaling over
3 37,000 deaths in the United States.

4 (4) Gun violence disproportionately affects ra-
5 cial minorities, with African Americans comprising
6 nearly 60 percent of homicide victims and 22 per-
7 cent of unintentional injury deaths in 2016.

8 (5) Provisions in appropriations Acts dating
9 back to 1996 have had a chilling effect on Federal
10 funding for research on gun violence across the Fed-
11 eral Government and, as a result, research on gun
12 violence is significantly underfunded relative to other
13 leading causes of death.

14 (6) Research examining the nature, causes, con-
15 sequences, and prevention of gun-related violence,
16 suicide, and unintentional injury and death does not
17 constitute advocacy in support of, or opposition to,
18 gun control policies or regulations.

19 (7) More research and high-quality data relat-
20 ing to gun violence are needed to inform the develop-
21 ment of effective strategies to reduce the incidence
22 of gun-related injury and death.

1 Human Services to carry out this subsection
2 \$20,000,000 for each of fiscal years 2019 through
3 2024.

4 (d) DEPARTMENT OF JUSTICE.—

5 (1) RESEARCH.—The Attorney General of the
6 United States, acting through the National Institute
7 of Justice, shall conduct or sponsor research into the
8 nature, causes, consequences, and prevention of gun
9 violence.

10 (2) COMPETITION.—The Attorney General of
11 the United States, acting through the National In-
12 stitute of Justice, shall sponsor an inducement prize
13 competition under section 24 of the Stevenson-

21 **SEC. 13901. SHORT TITLE.**

22 This subtitle may be cited as the “Corey Jones Act”.

23 **SEC. 13902. FINDINGS.**

24 Congress finds the following:

1 (1) Corey Jones of Lake Worth, Florida, was
2 shot and killed by a plainclothes law enforcement of-
3 ficer operating an unmarked vehicle on October 18,
4 2015.

5 (2) Mr. Jones was legally and peacefully pulled
6 to the side of the road while he awaited roadside as-
7 sistance at approximately 3 a.m. in the morning be-
8 cause his car had broken down.

9 (3) While Mr. Jones awaited roadside assist-
10 ance, he was approached by a law enforcement offi-
11 cer driving an unmarked van and dressed in plain-
12 clothes.

13 (4) Mr. Jones would not have had any reason-
14 able reason to believe that the person in plainclothes
15 driving the unmarked vehicle was a law enforcement
16 officer.

17 (5) Any confusion as to the nature of the law
18 enforcement officer's interaction with Mr. Jones
19 could likely have been avoided had a uniformed offi-
20 cer in a marked vehicle been called to the scene.

21 (6) Tragic incidents like the death of Mr. Jones
22 can easily be avoided by prohibiting law enforcement
23 officers in plainclothes or law enforcement officers in
24 plainclothes and unmarked vehicles from engaging in
25 routine traffic stops.

5 (a) CERTIFICATION REQUIRED.—Section 1702 of the
6 Omnibus Crime Control and Safe Streets Act of 1968 (42
7 U.S.C. 3796dd–1) is amended—

8 (1) in subsection (c)—

9 (A) in paragraph (10), by striking “and”
10 at the end;

11 (B) in paragraph (11), by striking the pe-
12 riod and inserting “; and” at the end; and

13 (C) by adding at the end the following:

14 “(12) certify that no law enforcement agency
15 that will receive grant funds from the applicant al-
16 lows law enforcement officers to engage in routine
17 traffic stops while in plainclothes or while in plain-
18 clothes and in a police vehicle that is unmarked or
19 that otherwise is not clearly identified as a police ve-
20 hicle.”; and

21 (2) in subsection (d)—

22 (A) in paragraph (1), by inserting after “1
23 or more of the requirements of subsection (c)”
24 the following “(other than paragraph (12))”;

25 (B) in paragraph (2), by inserting after “1
26 or more of the requirements of subsection (c)”

1 the following “(other than paragraph (12));
2 and

3 (C) by adding at the end the following:

4 “(3) NO WAIVER OF PLAINCLOTHES CERTIFI-
5 CATION.—The Attorney General may not waive the
6 requirement under subsection (c)(12).”.

7 (b) CIVIL ACTION.—If the Attorney General deter-
8 mines, as a result of the reviews required by section 1705
9 of the Omnibus Crime Control and Safe Streets Act of
10 1968, that a law enforcement officer has engaged in con-
11 duct that violates a certification under section 1702(c)(12)
12 of such Act applicable to that law enforcement officer, and
13 such conduct has resulted in serious injury or death to
14 any person, that person may bring a civil action against
15 that law enforcement officer and any grantee under part
16 Q of title I of such Act that is a grantee that is a State,
17 unit of local government, Indian tribal government, or
18 other entity with direct authority over that law enforce-
19 ment officer.

20 (c) REPORT.—Not later than 18 months after the
21 date of enactment of this Act, the Attorney General of
22 the United States shall submit to Congress a report that
23 includes data relating to the number and nature of
24 incidences where a law enforcement officer dressed in
25 plainclothes or dressed in plainclothes and operating an

1 unmarked vehicle, engaged in a routine traffic stop that
2 resulted in injury or death.

3 **Subtitle NN—Break the Cycle of**
4 **Violence Act**

5 **SEC. 14001. SHORT TITLE.**

6 This subtitle may be cited as the “Break the Cycle
7 of Violence Act”.

8 **SEC. 14002. FINDINGS.**

9 Congress finds the following:

10 (1) Gun violence is a significant public health
11 and safety concern nationwide and is a leading cause
12 of death for people in the United States of nearly all
13 ages.

14 (2) From 2012 to 2017, over 105,000 people in
15 the United States were murdered. Nearly $\frac{3}{4}$ of these
16 victims were murdered with a gun. Hundreds of
17 thousands more were hospitalized or treated in
18 emergency departments after surviving life-changing
19 gunshot injuries.

20 (3) Gun violence has sharply increased in the
21 United States in recent years. Gun homicide rates
22 spiked by 30 percent between 2014 and 2017, driven
23 by large spikes in violence in some cities in the
24 United States.

1 (4) Shootings, homicides, and group-related vio-
2 lence are disproportionately concentrated in the
3 poorest and most segregated urban areas of the Na-
4 tion, and have an enormously disproportionate im-
5 pact on young people of color in particular. From
6 2012 to 2017, African-American children and teens
7 were 14 times as likely to be shot to death as their
8 White peers. Hispanic children and teens and Native
9 American children and teens were both nearly 3
10 times as likely to be shot to death as their White
11 peers.

12 (5) African-American men make up just 6 per-
13 cent of the population in the United States, but ac-
14 count for more than 50 percent of all gun homicide
15 victims each year.

16 (6) Violence is responsible for half of all deaths
17 among young African-American men, ages 15
18 through 24, as many as every other cause of death
19 combined.

20 (7) This violence imposes enormous human, so-
21 cial, and economic costs. Nationwide, the annual so-
22 cietal cost of firearm violence was estimated at
23 \$229,000,000,000 per year in 2012. Economists es-
24 timate that each firearm homicide generates hun-

1 dreds of thousands of dollars in direct public costs,
2 including medical care and criminal justice expenses.

3 (8) Several evidence-based violence intervention
4 strategies have demonstrated remarkable success at
5 interrupting entrenched cycles of violence, victimiza-
6 tion, and retaliation. These strategies reflect the im-
7 portant fact that in most cities, the vast majority of
8 violence is perpetrated by a relatively small number
9 of identifiable groups or individuals that comprise
10 less than 0.5 percent of the city's total population.

11 (9) When properly implemented and consist-
12 ently funded, coordinated, evidence-based strategies
13 focused on interrupting cycles of violence among in-
14 dividuals at highest risk can produce life-saving and
15 cost-saving results in a short period of time without
16 contributing to mass incarceration. Multiple cities
17 have substantially reduced community violence in re-
18 cent years by implementing such strategies, includ-
19 ing the following:

20 (A) Hospital-based violence intervention
21 programs (referred to in this section as
22 “HVIP”), which work to break cycles of vio-
23 lence by providing intensive counseling, peer
24 support, case management, mediation, and so-
25 cial services to patients recovering from gunshot

1 wounds and other violent injuries. Research has
2 shown that violently injured patients are at
3 high risk of retaliating with violence themselves
4 and being revictimized by violence in the near
5 future. Evaluations of HVIPs have found that
6 patients who received HVIP services were 4
7 times less likely to be convicted of a violent
8 crime and roughly 4 times less likely to be sub-
9 sequently reinjured by violence than patients
10 who did not receive HVIP services.

11 (B) Evidence-based street outreach pro-
12 grams, which treat gun violence as a commu-
13 nicable disease and work to interrupt its trans-
14 mission among community members. These
15 public health-centered initiatives use street out-
16 reach workers to build relationships with high-
17 risk individuals in their communities and con-
18 nect them with intensive counseling, mediation,
19 peer support, and social services in order to re-
20 duce their risk of violence. Evaluations have
21 found that these programs are associated with
22 significant reductions in gun violence, with
23 some sites reporting up to 70-percent reduc-
24 tions in homicides or assaults.

1 (C) Strategies, including group violence
2 interventions (referred to in this section as
3 “GVI”), which are a form of problem-oriented
4 policing that provides targeted social services
5 and support to individuals at highest risk for
6 involvement in community violence, and a proc-
7 ess for community members to voice a clear de-
8 mand for the violence to stop. This approach
9 coordinates law enforcement, service providers,
10 and community engagement efforts to reduce
11 violence among a small, identifiable segment of
12 the population that is responsible for the vast
13 majority of gun violence in most cities. In one
14 evaluation of the GVI program in Boston, re-
15 searchers found a 63-percent reduction in youth
16 homicides and a 25-percent decline in monthly
17 gun assaults across the city. Other studies have
18 found that GVI programs were associated with
19 homicide reductions of up to 60 percent.

20 (10) These strategies are often most effective
21 when local officials and dedicated staff work to co-
22 ordinate stakeholders, relevant public agencies, and
23 service providers. Mayors in cities like Los Angeles
24 and New York have established city departments
25 that are primarily dedicated to violence prevention,

1 and their offices have played a critical role in ensur-
2 ing cross-agency collaboration and information-shar-
3 ing.

4 (11) These strategies are also most effective
5 when they receive consistent funding. For example,
6 large cuts in funding for violence prevention pro-
7 grams in Chicago in 2008, 2012, and 2015 through
8 2016 corresponded with large spikes in homicides in
9 those years. Similarly, the city of Stockton, Cali-
10 fornia, saw an increase in homicides after dis-
11 continuing funding for its highly successful GVI pro-
12 gram. When Stockton's funding was restored, homi-
13 cides decreased.

14 (12) A national strategy for reducing gun vio-
15 lence must include substantial and targeted Federal
16 funding to expand and replicate the most effective
17 strategies in communities most impacted by violence.

18 (13) At present, however, these strategies are
19 implemented in only a handful of cities and are
20 funded through an unreliable patchwork of discre-
21 tionary grant programs. The current level of Federal
22 funding to support the scaling of these strategies is
23 woefully inadequate.

24 (14) Intentional and sustained investments in
25 evidence-based violence reduction strategies can re-

1 verse recent crime trends, help to heal impacted
2 communities, and reduce the enormous human and
3 financial costs of violence, without contributing to
4 mass incarceration.

5 **SEC. 14003. COMMUNITY-BASED VIOLENCE INTERVENTION**
6 **PROGRAM GRANTS.**

7 (a) DEFINITIONS.—In this section:

8 (1) DIRECTOR.—The term “Director” means
9 the Director of the Bureau of Justice Assistance.

10 (2) ELIGIBLE UNIT OF LOCAL GOVERNMENT.—
11 The term “eligible unit of local government” means
12 a unit of local government that—

13 (A) for not less frequently than two out of
14 the 3 years preceding the grant application, ex-
15 perienced twenty or more homicides per year
16 and had a homicide rate that was not less than
17 double the national average; or

18 (B) demonstrates a unique and compelling
19 need for additional resources to address gun
20 and group-related violence within the commu-
21 nity of the unit of local government.

22 (b) GRANTS.—The Director shall award Community-
23 Based Violence Intervention Program grants to support,

3 (c) ELIGIBILITY.—The Director shall award grants
4 under this section on a competitive basis to—

- 5 (1) eligible units of local government; and
6 (2) community-based organizations that serve
7 the residents of an eligible unit of local government.

8 (d) USE OF FUNDS.—

9 (1) IN GENERAL.—A grant awarded under this
10 section shall be used to implement coordinated vio-
11 lence reduction initiatives, through strategies such
12 as hospital-based violence intervention, evidence-
13 based street outreach, and group violence interven-
14 tion.

15 (2) REQUIREMENTS.—A coordinated violence
16 reduction initiative implemented using grant funds
17 awarded under this section shall—

18 (A) be primarily focused on providing com-
19 munity-based violence intervention services to
20 the small portion of a grantee's community who
21 are, regardless of age, identified as having the
22 highest risk of perpetrating or being victimized
23 by gun or group-related violence in the near fu-
24 ture; and

1 (B) use strategies that are evidence-based
2 and have demonstrated effectiveness at reduc-
3 ing violence.

4 (e) APPLICATION REQUIREMENTS.—Each applicant
5 for a grant under this section shall submit a grant pro-
6 posal, which shall, at a minimum—

7 (1) describe how the applicant proposes to use
8 the grant to implement a coordinated violence reduc-
9 tion initiative in accordance with this section;

10 (2) describe how the applicant proposes to use
11 the grant to promote or improve coordination be-
12 tween relevant agencies and community organiza-
13 tions in order to minimize duplication of services
14 and achieve maximum impact;

15 (3) provide evidence indicating that the pro-
16 posed violence reduction initiative would likely re-
17 duce gun and group-related violence; and

18 (4) in the case of a unit of local government ap-
19 plicant, demonstrate strong support within the unit
20 of local government for the proposed violence reduc-
21 tion initiative, such as letters of support from—

22 (A) the mayor or chief executive officer;

23 (B) the chief of police;

24 (C) the local health department director;

25 and

1 (D) the director of one or more commu-
2 nity-based organizations that provide services to
3 individuals at high risk of violence in the area.

4 (f) PRIORITIZATION.—In awarding grants under this
5 section, the Director shall give preference to applicants
6 whose grant proposals demonstrate the greatest likelihood
7 of reducing gun and group-related violence in the commu-
8 nity of the applicant without contributing to mass incar-
9 ceration.

10 (g) GRANT DURATION.—A grant awarded under this
11 section shall be for a 5-year period.

12 (h) GRANT AWARD.—The amount of funds awarded
13 to an applicant under this section shall be commensurate
14 with the scope of the proposal of the applicant and the
15 demonstrated need for additional resources to effectively
16 reduce gun and group-related violence in the community
17 of the applicant.

18 (i) MATCHING FUNDS REQUIRED.—

19 (1) IN GENERAL.—Except as provided in para-
20 graphs (2) and (3), the Federal share of each grant
21 awarded under this section shall be 75 percent of
22 the eligible costs incurred by the grant recipient.

23 (2) EXEMPTION FROM REQUIREMENT.—Para-
24 graph (1) shall not apply to a grant awarded to

1 community-based organization under subsection
2 (c)(2).

3 (3) WAIVER.—The Federal share of a grant
4 awarded to a unit of local government under sub-
5 section (c)(1) may be up to 100 percent if the Direc-
6 tor determines there is good cause to waive the Fed-
7 eral share requirement in paragraph (1) of this sub-
8 section.

9 (j) COMMUNITY PARTNERSHIPS.—Each unit of local
10 government awarded a grant under this section shall dis-
11 tribute not less than 50 percent of the grant funds re-
12 ceived under this section to—

13 (1) one or more community-based organizations
14 that provide services to individuals at high risk of
15 perpetrating or being victimized by violence; or

16 (2) a public agency or department that is not
17 a law enforcement agency, but that is an agency or
18 department primarily dedicated to the prevention of
19 violence or community safety.

20 (k) REPORTS.—Not later than 1 year after the date
21 on which the first 5-year grant period under this section
22 ends, the Director shall publish a report identifying best
23 practices for cities implementing evidence-based violence
24 intervention initiatives.

25 (l) REWARDING SUCCESS.—

1 (1) IN GENERAL.—The Director may reserve
2 not more than 10 percent of the funds appropriated
3 for a fiscal year under subsection (o) for supple-
4 mental incentive funds to be distributed to grantees
5 outside the competitive grant process in accordance
6 with paragraph (2).

7 (2) DISTRIBUTION OF ADDITIONAL FUNDS.—
8 The Director may distribute amounts reserved under
9 paragraph (1), in the discretion of the Director, to

12 than 2 years;

13 (B) demonstrated exceptional commitment
14 and progress toward implementing the violence
15 reduction initiatives of the grantee; and

16 (C) shown that the grantee would likely
17 achieve more substantial reductions in violence
18 with additional Federal funding.

19 (3) FEDERAL SHARE.—Subsection (i) shall not
20 apply to any amounts distributed to a grantee under
21 this subsection.

22 (4) EXPLANATION OF DISTRIBUTION.—Upon
23 distributing supplemental incentive funds to a grant-
24 ee, the Director shall publish a statement on the
25 website of the Bureau of Justice Assistance that

1 clearly explains the basis for the decision to award
2 these funds to a particular grantee.

3 (m) EVALUATION AND TECHNICAL ASSISTANCE.—

4 The Director may reserve not more than 8 percent of the
5 funds appropriated for a fiscal year under subsection (o)
6 for the purpose of—

7 (1) contracting with or hiring technical assist-
8 ance providers with experience implementing com-
9 munity-based violence reduction initiatives; and

10 (2) contracting with independent researchers to
11 evaluate the performance and impact of selected ini-
12 tiatives supported by the Community-Based Violence
13 Intervention Program grant, and such evaluations
14 shall be made publicly available on the website of the
15 Bureau of Justice Assistance.

16 (n) NONSUPPLANTING CLAUSE.—A grantee receiving
17 a grant under this section shall use the grant to supple-

19 would otherwise dedicate to reducing gun and group-re-
20 lated violence in the community of the grantee.

21 (o) AUTHORIZATION OF APPROPRIATIONS.—There
22 are authorized to be appropriated to the Bureau of Justice
23 Assistance, in addition to any amounts otherwise author-
24 ized to be appropriated or made available to the Bureau

1 of Justice Assistance, \$65,000,000 for each of fiscal years
2 2020 through 2029.

3 **SEC. 14004. HOSPITAL-BASED VIOLENCE INTERVENTION**
4 **GRANTS.**

5 (a) GRANTS.—The Director of the National Insti-
6 tutes of Health (referred to in this section as the “Direc-
7 tor”) shall award grants on a competitive basis to support
8 hospital-based or hospital-linked violence intervention pro-
9 grams that work to interrupt cycles of violence and reduce
10 risk of violent injury and retaliation among patients iden-
11 tified as being at highest risk for involvement in commu-
12 nity violence.

13 (b) ELIGIBILITY.—Grants shall be made available
14 under this section to private and public hospitals that
15 treat at least 250 patients annually for firearm assault

17 tions that operate violence intervention programs in such
18 hospitals.

19 (c) PRIORITY.—In awarding grants under this sec-
20 tion, the Director shall give priority to nonprofit hospitals

22 lent injury and injury recidivism, and community-based
23 organizations that operate violence intervention programs
24 in such hospitals.

25 (d) GRANT REQUIREMENTS.—

1 (1) IN GENERAL.—Each grant awarded under
2 this section shall be used to implement or enhance
3 a hospital-based or hospital-linked violence interven-

2 **of Gun Violence Act 2020**

3 **SEC. 14201. SHORT TITLE.**

4 This subtitle may be cited as the “Resources for Vic-
5 tims of Gun Violence Act of 2020”.

6 **SEC. 14202. FINDINGS.**

7 Congress finds the following:

8 (1) In the United States, approximately 100 in-
9 dividuals are killed with guns every day, and more
10 than 36,000 individuals die from gun violence every
11 year. Approximately 100,000 more individuals sur-
12 vive gun-related injuries every year.

13 (2) The approximately 100,000 individuals who
14 survive gun-related injuries every year in the United
15 States face a life-long process of physical and emo-
16 tional healing, in addition to the heavy economic
17 costs faced by those survivors, their families and
18 communities, and society as a whole. According to a
19 recent national poll, 4 percent of adults alive in the
20 United States as of the date of the poll, or an esti-
21 mated 10,000,000 people, have been shot and in-
22 jured in their lifetimes.

23 (3) Nearly two-thirds of gun-related deaths in
24 the United States are suicides. Suicide attempts in-
25 volving firearms are uniquely lethal: while less than

1 5 percent of suicide attempts not involving a firearm
2 result in death, approximately 85 percent of suicide
3 attempts involving a firearm end in death. According
4 to a 2018 report by the Department of Veterans Af-
5 fairs, veterans are about 1.5 times as likely as civil-
6 ians to die by suicide, and 69.4 percent of veteran
7 suicides in 2016 resulted from a firearm injury.

8 (4) More than one-third of gun-related deaths
9 in the United States are homicides, and in 2010, the
10 gun homicide rate in the United States was 25.2
11 times higher than in 22 other high-income countries.

12 (5) Gun homicides in the United States occur
13 disproportionately in cities, particularly in racially
14 segregated neighborhoods with high rates of poverty.
15 Gun homicide disproportionately affects communities
16 of color, and Black Americans represent the major-
17 ity of gun homicide victims.

18 (6) More than 325 mass shootings took place in
19 the United States in 2018, and more than 1,900
20 mass shootings have taken place since the shooting
21 at Sandy Hook Elementary School in Newtown,
22 Connecticut, in 2012. Fifty-four percent of mass
23 shootings are related to domestic or family violence.

24 (7) Firearms are the second leading cause of
25 death for children and teenagers and the first lead-

1 ing cause of death for Black children and teenagers
2 in the United States. Every year, nearly 3,000 chil-
3 dren and teenagers are shot and killed, and approxi-
4 mately 15,600 are shot and injured.

5 (8) During an average year in the United
6 States, more than 600 women are shot to death by
7 an intimate partner, and many more women are shot
8 and injured by an intimate partner. Nearly
9 1,000,000 women in the United States who are alive
10 as of the date of enactment of this Act have been
11 shot or shot at by an intimate partner, and approxi-
12 mately 4,500,000 women alive as of that date have
13 been threatened with a gun by an intimate partner.

14 (9) More than 10,300 violent hate crimes com-
15 mitted in the United States in an average year in-
16 volve a gun, or more than 28 each day. The vast
17 majority of hate crimes are directed against commu-
18 nities of color, religious minorities, and lesbian, gay,
19 bisexual, transgender, and queer (commonly known
20 as “LGBTQ”) people.

1 **PART 7—ECONOMIC SECURITY FOR VICTIMS**

2 **SEC. 14671. FINDINGS.**

3 Congress finds the following:

4 (1) Over 1 in 3 women experience sexual vio-
5 lence, and 1 in 5 women have survived completed or
6 attempted rape. Such violence has a devastating im-
7 pact on women’s physical and emotional health, fi-
8 nancial security, and ability to maintain their jobs,
9 and thus impacts interstate commerce and economic
10 security.

11 (2) The Office on Violence Against Women of
12 the Department of Justice defines domestic violence
13 as a pattern of abusive behavior in any relationship
14 that is used by one intimate partner to gain or
15 maintain power and control over another intimate
16 partner. Domestic violence can include physical, sex-
17 ual, emotional, economic, or psychological actions or
18 threats of actions that influence another person. Do-
19 mestic violence includes any behaviors that intimi-
20 date, manipulate, humiliate, isolate, frighten, ter-
21 rorize, coerce, threaten, blame, hurt, injure, or
22 wound an individual.

23 (3) The Centers for Disease Control and Pre-
24 vention report that domestic violence or intimate
25 partner violence is a serious public health issue for
26 millions of individuals in the United States. Nearly

1 1 in 4 women and 1 in 9 men in the United States
2 have suffered sexual violence, physical violence, or
3 stalking by an intimate partner.

4 (4) Transgender and gender non-conforming
5 people face extraordinary levels of physical and sex-
6 ual violence.

7 (5) More than 1 in 4 transgender people have
8 faced bias-driven assault, and this rate is higher for
9 trans women and trans people of color.

10 (6) The American Foundation for Suicide Pre-
11 vention has found that transgender and gender non-
12 conforming people had an elevated prevalence of sui-
13 cide attempts, especially when they have suffered
14 physical or sexual violence.

15 (7) Homicide is one of the leading causes of
16 death for women on the job. Domestic partners or
17 relatives commit 43 percent of workplace homicides
18 against women. One study found that intimate part-
19 ner violence resulted in 142 homicides among women
20 at work in the United States from 2003 to 2008, a
21 figure which represents 22 percent of the 648 work-
22 place homicides among women during the period. In
23 fact, in 2010, homicides against women at work in-
24 creased by 13 percent despite continuous declines in
25 overall workplace homicides in recent years.

1 (8) Women in the United States are 11 times
2 more likely to be murdered with guns than women
3 in other high-income countries. Female intimate
4 partners are more likely to be murdered with a fire-
5 arm than all other means combined. The presence of
6 a gun in domestic violence situations increases the
7 risk of homicide for women by 500 percent.

8 (9) Violence can have a dramatic impact on the
9 survivor of such violence. Studies indicate that 44
10 percent of surveyed employed adults experienced the
11 effect of domestic violence in the workplace, and 64
12 percent indicated their workplace performance was
13 affected by such violence. Another recent survey
14 found that 78 percent of offenders used workplace
15 resources to express anger, check up on, pressure, or
16 threaten a survivor. Sexual assault, whether occur-
17 ring in or out of the workplace, can impair an em-
18 ployee's work performance, require time away from
19 work, and undermine the employee's ability to main-
20 tain a job. Nearly 50 percent of sexual assault sur-
21 vivors lose their jobs or are forced to quit in the
22 aftermath of the assaults.

23 (10) Studies find that 60 percent of single
24 women lack economic security and 81 percent of
25 households with single mothers live in economic inse-

1 curity. Significant barriers that survivors confront
2 include access to housing, transportation, and child
3 care. Ninety-two percent of homeless women have
4 experienced domestic violence, and more than 50
5 percent of such women cite domestic violence as the
6 direct cause for homelessness. Survivors are deprived
7 of their autonomy, liberty, and security, and face
8 tremendous threats to their health and safety.

9 (11) The Centers for Disease Control and Pre-
10 vention report that survivors of severe intimate part-
11 ner violence lose nearly 8 million days of paid work,
12 which is the equivalent of more than 32,000 full-
13 time jobs and almost 5,600,000 days of household
14 productivity each year. Therefore, women dispropor-
15 tionately need time off to care for their health or to
16 find safety solutions, such as obtaining a restraining
17 order or finding housing, to avoid or prevent further
18 violence.

19 (12) Annual costs of intimate partner violence
20 are estimated to be more than \$8,300,000,000. Ac-
21 cording to the Centers for Disease Control and Pre-
22 vention, the costs of intimate partner violence
23 against women in 1995 exceeded an estimated
24 \$5,800,000,000. These costs included nearly
25 \$4,100,000,000 in the direct costs of medical and

1 mental health care and nearly \$1,800,000,000 in the
2 indirect costs of lost productivity. These statistics
3 are generally considered to be underestimated be-
4 cause the costs associated with the criminal justice
5 system are not included.

6 (13) Fifty-five percent of senior executives re-
7 cently surveyed said domestic violence has a harmful
8 effect on their company's productivity, and more
9 than 70 percent said domestic violence negatively af-
10 fects attendance. Seventy-eight percent of human re-
11 sources professionals consider partner violence a
12 workplace issue. However, more than 70 percent of
13 United States workplaces have no formal program or
14 policy that addresses workplace violence, let alone
15 domestic violence. In fact, only four percent of em-
16 ployers provided training on domestic violence.

17 (14) Studies indicate that one of the best pre-
18 dictors of whether a survivor will be able to stay
19 away from his or her abuser is the degree of his or
20 her economic independence. However, domestic vio-
21 lence, dating violence, sexual assault, and stalking
22 often negatively impact a survivor's ability to main-
23 tain employment.

24 (15) Abusers frequently seek to exert financial
25 control over their partners by actively interfering

1 with their ability to work, including preventing their
2 partners from going to work, harassing their part-
3 ners at work, limiting their partners' access to cash
4 or transportation, and sabotaging their partners'
5 child care arrangements.

6 (16) Economic abuse refers to behaviors that
7 control an intimate partner's ability to acquire, use,
8 and maintain access to, money, credit, ownership of
9 assets, or access to governmental or private financial
10 benefits, including defaulting on joint obligations
11 (such as school loans, credit card debt, mortgages,
12 or rent). Other forms of such abuse may include pre-
13 venting someone from attending school, threatening
14 to or actually terminating employment, controlling
15 or withholding access to cash, checking, or credit ac-
16 counts, and attempting to damage or sabotage the
17 creditworthiness of an intimate partner, including
18 forcing an intimate partner to write bad checks,
19 forcing an intimate partner to default on payments
20 related to household needs, such as housing, or fore-
21 ing an intimate partner into bankruptcy.

22 (17) The Patient Protection and Affordable
23 Care Act (Public Law 111–148), and the amend-
24 ments made by such Act, ensures that most health
25 plans must cover preventive services, including

1 screening and counseling for domestic violence, at no
2 additional cost. In addition, it prohibits insurance
3 companies from discriminating against patients for
4 preexisting conditions, like domestic violence.

5 (18) Yet, more can be done to help survivors.
6 Federal law in effect on the day before the date of
7 enactment of this Act does not explicitly—

8 (A) authorize survivors of domestic vio-
9 lence, dating violence, sexual assault, or stalk-
10 ing to take leave from work to seek legal assist-
11 ance and redress, counseling, or assistance with
12 safety planning activities;

13 (B) address the eligibility of survivors of
14 domestic violence, dating violence, sexual as-
15 sault, or stalking for unemployment compensa-
16 tion;

17 (C) provide job protection to survivors of
18 domestic violence, dating violence, sexual as-
19 sault, or stalking;

20 (D) prohibit insurers and employers who
21 self-insure employee benefits from discrimi-
22 nating against survivors of domestic violence,
23 dating violence, sexual assault, or stalking and
24 those who help them in determining eligibility,

1 rates charged, and standards for payment of
2 claims; or

3 (E) prohibit insurers from disclosing infor-
4 mation about abuse and the location of the sur-
5 vivors through insurance databases and other
6 means.

7 (19) This Act aims to empower survivors of do-
8 mestic violence, dating violence, sexual assault, or
9 stalking to be free from violence, hardship, and con-
10 trol, which restrains basic human rights to freedom
11 and safety in the United States.

PART 9—SAFETY FOR INDIAN WOMEN

SEC. 14691. FINDINGS AND PURPOSES.

(a) FINDINGS.—Congress finds the following:

(1) American Indians and Alaska Natives are 2.5 times as likely to experience violent crimes—and at least 2 times more likely to experience rape or sexual assault crimes—compared to all other races.

(2) More than 4 in 5 American Indian and Alaska Native women, or 84.3 percent, have experienced violence in their lifetime.

(3) The vast majority of Native victims—96 percent of women and 89 percent of male victims—report being victimized by a non-Indian.

1 (4) Native victims of sexual violence are three
2 times as likely to have experienced sexual violence by
3 an interracial perpetrator as non-Hispanic White
4 victims and Native stalking victims are nearly 4
5 times as likely to be stalked by someone of a dif-
6 ferent race.

7 (5) While tribes exercising jurisdiction over
8 non-Indians have reported significant successes, the
9 inability to prosecute crimes related to the Special
10 Domestic Violence Criminal Jurisdiction crimes con-
11 tinues to leave Tribes unable to fully hold domestic
12 violence offenders accountable.

13 (6) Tribal prosecutors report that the majority
14 of domestic violence cases involve children either as
15 witnesses or victims, and Department of Justice re-
16 ports that American Indian and Alaska Native chil-
17 dren suffer exposure to violence at rates higher than
18 any other race in the United States.

19 (7) Childhood exposure to violence has imme-
20 diate and long-term effects, including: increased
21 rates of altered neurological development, poor phys-
22 ical and mental health, poor school performance,
23 substance abuse, and overrepresentation in the juve-
24 nile justice system.

1 (8) According to the Centers for Disease Con-
2 trol and Prevention, homicide is the third leading
3 cause of death among American Indian and Alaska
4 Native women between 10 and 24 years of age and
5 the fifth leading cause of death for American Indian
6 and Alaska Native women between 25 and 34 years
7 of age.

8 (9) On some reservations, Indian women are
9 murdered at more than 10 times the national aver-
10 age.

11 (10) According to a 2010 Government Account-
12 ability Office report, United States Attorneys de-
13 clined to prosecute nearly 52 percent of violent
14 crimes that occur in Indian country.

15 (11) Investigation into cases of missing and
16 murdered Indian women is made difficult for tribal
17 law enforcement agencies due to a lack of resources,
18 such as—

19 (A) necessary training, equipment, or
20 funding;

21 (B) a lack of interagency cooperation; and

22 (C) a lack of appropriate laws in place.

23 (12) Domestic violence calls are among the
24 most dangerous calls that law enforcement receives.

1 (13) The complicated jurisdictional scheme that
2 exists in Indian country—

3 (A) has a significant negative impact on
4 the ability to provide public safety to Indian
5 communities;

6 (B) has been increasingly exploited by
7 criminals; and

8 (C) requires a high degree of commitment
9 and cooperation among tribal, Federal, and
10 State law enforcement officials.

11 (14) Restoring and enhancing local, tribal ca-
12 pacity to address violence against women provides
13 for greater local control, safety, accountability, and
14 transparency.

15 (15) In States with restrictive land settlement
16 acts such as Alaska, “Indian country” is limited, re-
17 sources for local tribal responses either nonexistent
18 or insufficient to meet the needs, jurisdiction unnec-
19 essarily complicated and increases the already high
20 levels of victimization of American Indian and Alas-
21 ka Native women. According to the Tribal Law and
22 Order Act Commission Report, Alaska Native
23 women are over-represented in the domestic violence
24 victim population by 250 percent; they comprise 19
25 percent of the State population, but are 47 percent

1 of reported rape victims. And among other Indian
2 Tribes, Alaska Native women suffer the highest
3 rates of domestic and sexual violence in the country.

4 (b) PURPOSES.—The purposes of this title are—

5 (1) to clarify the responsibilities of Federal,
6 State, tribal, and local governments with respect to
7 responding to cases of domestic violence, dating vio-
8 lence, stalking, trafficking, sexual violence, crimes
9 against children, and assault against tribal law en-
10 forcement officers and murdered Indians;

11 (2) to increase coordination and communication
12 among Federal, State, tribal, and local law enforce-
13 ment agencies;

14 (3) to empower tribal governments with the re-
15 sources and information necessary to effectively re-
16 spond to cases of domestic violence, dating violence,
17 stalking, sex trafficking, sexual violence, and missing
18 and murdered Indians; and

19 (4) to increase the collection of data related to
20 missing and murdered Indians and the sharing of in-
21 formation among Federal, State, and tribal officials
22 responsible for responding to and investigating cases
23 of missing and murdered Indians.

1 **Subtitle E—Environmental Justice**
2 **and Environmental Justice Ad-**
3 **vocates**

4 **SEC. 20601. FINDINGS.**

5 Congress finds that—

6 (1) environmental injustice exists whenever gov-
7 ernmental action or inaction causes environmental
8 risks or harms to fall unfairly and disproportionately
9 upon a particular group or community;

10 (2) racial minority, low-income, rural, indige-
11 nous, and other often-marginalized communities are
12 especially likely to face environmental injustice;

13 (3) limited resources and lack of political power
14 ensure that marginalized communities host pollu-
15 tion-producing or potentially toxic facilities, includ-
16 ing power plants, pipelines, industrial sites, garbage
17 transfer stations, incinerators, landfills, and sewage
18 treatment plants, at disproportionate rates;

19 (4) marginalized communities suffer from sys-
20 temic governmental failures to adequately invest in
21 the kind of infrastructure and services that reduce
22 the risk of environmental accidents or disasters, and
23 that facilitate swift, effective responses to such oc-
24 currences;

1 (5) the presence of pollution-producing sites can
2 compromise public health, safety, property values,
3 and quality of life even if no accident or disaster oc-
4 curs;

5 (6) air and water quality are often especially
6 poor in marginalized communities, and governmental
7 permitting and investment decisions directly con-
8 tribute to this inequity;

9 (7) scientific evidence increasingly links poor
10 environmental quality with disabilities and chronic
11 illnesses, including cancer, asthma, neurobehavioral
12 disorders, learning disabilities, and abnormal hor-
13 mone functioning;

14 (8) environmental justice exists when public
15 policies successfully prevent or correct unfair dis-
16 parities in environmental quality, and resultant dis-
17 parities in public health and quality of life;

18 (9) environmental justice is possible only if vul-
19 nerable groups and marginalized communities can
20 express their needs and concerns, and only then if
21 policymakers listen;

22 (10) the environmental justice movement seeks
23 to address the unjust social, economic, and political
24 marginalization of minority, low-income, rural, and
25 indigenous communities;

1 (11) environmental justice advocates seek
2 healthy home, work, and recreational environments
3 for all human beings, and healthy habitats for non-
4 human life;

5 (12) community health depends in part upon
6 factors like adequate transit options, walkable neigh-
7 borhoods, and other public goods that marginalized
8 communities are often denied;

9 (13) environmental justice requires responsible
10 and balanced use of land and resources, in a way
11 that does not unfairly burden marginalized commu-
12 nities;

13 (14) environmental justice can only be achieved
14 and sustained in the context of a greener economy;

15 (15) “greening” the economy requires concrete
16 governmental actions, including investments in clean
17 technologies; in sustainable, low-carbon transpor-
18 tation and energy production systems; and in work-
19 force training initiatives that prepare citizens for
20 well-paying jobs in new or evolving industries;

21 (16) environmental justice requires fair proc-
22 esses and a good-faith approach to public policy, in-
23 cluding regulatory decision making;

24 (17) in the 1990s, in response to the environ-
25 mental justice movement, Federal agencies were di-

1 rected to incorporate environmental justice goals
2 into their programs and activities;

3 (18) vulnerable populations and marginalized
4 communities continue urgently to need fairer envi-
5 ronmental policies, and more inclusive and equitable
6 processes; and

7 (19) all Americans would be better served by a
8 policymaking process that did not unfairly prioritize
9 the comfort and health of some groups or commu-
10 nities at the expense of others.

11 **SEC. 20602. SENSE OF CONGRESS.**

12 Congress—

13 (1) reaffirms the vital importance of clean air,
14 clean water, resource conservation, and other policy
15 goals that spurred lawmakers to enact existing envi-
16 ronmental and public health protections;

17 (2) affirms that the need for adequate environ-
18 mental and public health protections is inextricably
19 linked with the need for a more sustainable economy
20 and greener, more livable communities;

21 (3) affirms that environmental and public
22 health policies should adequately and equally protect
23 all Americans, and that equal protection is possible
24 only in a context of environmental justice;

1 (4) commends environmental justice advocates
2 for their continuing struggle to achieve fairer,
3 healthier, more sustainable policies and outcomes;

4 (5) acknowledges the prevalence of environ-
5 mental injustices that directly affect the health and
6 well-being of individuals and communities across the
7 country, especially racial minority, rural, indigenous,
8 and low-income communities; and

9 (6) affirms its commitment to ameliorating ex-
10 isting environmental injustices, and to preventing fu-
11 ture injustices, by supporting greater objectivity,
12 transparency, and outreach in policymaking at all
13 levels of government; by supporting improved two-
14 way communication between policymakers and those
15 affected by their decisions; and by supporting proc-
16 esses that ensure policymakers give due consider-
17 ation not just to the effects of their decisions, but
18 to how those effects are distributed and by whom
19 they are borne.

20 **Subtitle F—Endometrial Cancer**
21 **Research and Education**

22 **SEC. 20701. SHORT TITLE.**

23 This subtitle may be cited as the “Endometrial Can-
24 cer Research and Education Act of 2020”.

1 **SEC. 20702. FINDINGS.**

2 Congress finds the following:

3 (1) Endometrial cancer is cancer of the lining
4 of the uterus (or endometrium) and is the most com-
5 mon form of uterine cancer.

6 (2) Endometrial cancer is the fourth most com-
7 mon cancer diagnosed in women, after breast, lung,
8 and colon cancer.

9 (3) Endometrial cancer mainly affects post-
10 menopausal women, with most women diagnosed be-
11 tween age 55 and 64.

12 (4) Women with polycystic ovary syndrome
13 (PCOS) and uterine leiomyoma have an increased
14 risk of developing endometrial cancer.

15 (5) Unlike most other types of cancer, the inci-
16 dence of endometrial cancer, particularly aggressive
17 subtypes of such cancer, has been increasing in the
18 United States among all women, particularly among
19 African-American and Asian women, with a 2.5 an-
20 nual percent change for both groups.

21 (6) In comparison to non-Hispanic White
22 women, African-American women have significantly
23 higher incidence rates of aggressive endometrial can-
24 cers.

1 (7) Such incidence rates for Hispanic and Asian
2 women are equal to or lower than such incidence
3 rates for non-Hispanic White women.

4 (8) Although non-Hispanic White women are
5 more likely to be diagnosed with endometrial cancer
6 in comparison to African-American women, the rate
7 of mortality is higher for African-American women.

8 (9) Currently, the cause of such disparity is un-
9 known. Researchers have studied the disparity in re-
10 lation to the time between diagnosis and treatment
11 of endometrial cancer, including socioeconomic fac-
12 tors.

13 **SEC. 20703. EXPANDING RESEARCH AND EDUCATION WITH**
14 **RESPECT TO ENDOMETRIAL CANCER.**

15 (a) NATIONAL INSTITUTES OF HEALTH.—Part B of
16 title IV of the Public Health Service Act (42 U.S.C. 284
17 et seq.) is amended by adding at the end the following
18 new section:

19 **“SEC. 409K. ENDOMETRIAL CANCER.**

20 “(a) IN GENERAL.—The Director of NIH shall—

21 “(1) expand, intensify, and coordinate programs
22 to conduct and support research with respect to
23 endometrial cancer; and

24 “(2) communicate to medical professionals and
25 researchers, including through the endometrial can-

1 cer public education program established under sec-
2 tion 399V–7, the disparity in the diagnosis of
3 endometrial cancer between African-American
4 women and non-Hispanic White women and any new
5 research relating to endometrial cancer.

6 “(b) COORDINATION WITH OTHER INSTITUTES.—
7 The Director of NIH shall coordinate activities carried out
8 by the Director pursuant to subsection (a) with similar
9 activities carried out by—

10 “(1) the Director of the Eunice Kennedy Shriv-
11 er National Institute of Child Health and Human
12 Development;

13 “(2) the Director of the National Institute on
14 Minority Health and Health Disparities; and

15 “(3) the Director of the Office of Research on
16 Women’s Health.

17 “(c) AUTHORIZATION OF APPROPRIATIONS.—For
18 purposes of carrying out this section, there is authorized
19 to be appropriated \$500,000 for each of fiscal years 2021
20 through 2023.”.

21 (b) CENTERS FOR DISEASE CONTROL AND PREVEN-
22 TION.—Part P of title III of the Public Health Service
23 Act (42 U.S.C. 280g et seq.) is amended by adding at
24 the end the following new section:

1 **“SEC. 399V-7. ENDOMETRIAL CANCER PUBLIC EDUCATION**
2 **PROGRAM.**

3 “(a) IN GENERAL.—The Secretary, acting through
4 the Director of the Centers for Disease Control and Pre-
5 vention, shall develop and disseminate to the public infor-
6 mational materials on endometrial cancer, including the
7 incidence rate of such cancer, the risk factors for devel-
8 oping such cancer, the increased risk for ethnic minority
9 women to develop such cancer, and the range of available
10 treatments for such cancer. Any informational material
11 developed pursuant to the previous sentence may be trans-
12 mitted to a nonprofit organization; institution of higher

21 **SEC. 21044. SHORT-TERM LIMITED DURATION INSURANCE**
22 **RULE PROHIBITION.**

23 (a) FINDINGS.—Congress finds the following:

1 (1) On August 3, 2018, the Administration
2 issued a final rule entitled “Short-Term, Limited-
3 Duration Insurance” (83 Fed. Reg. 38212).

4 (2) The final rule dramatically expands the sale
5 and marketing of insurance that—

6 (A) may discriminate against individuals
7 living with preexisting health conditions, includ-
8 ing children with complex medical needs and
9 disabilities and their families;

10 (B) lacks important financial protections
11 provided by the Patient Protection and Afford-
12 able Care Act (Public Law 111–148), including
13 the prohibition of annual and lifetime coverage
14 limits and annual out-of-pocket limits, that may
15 increase the cost of treatment and cause finan-
16 cial hardship to those requiring medical care,
17 including children with complex medical needs
18 and disabilities and their families; and

19 (C) excludes coverage of essential health
20 benefits including hospitalization, prescription
21 drugs, and other lifesaving care.

22 (3) The implementation and enforcement of the
23 final rule weakens critical protections for up to 130
24 million Americans living with preexisting health con-
25 ditions and may place a large financial burden on

1 those who enroll in short-term limited-duration in-
2 surance, which jeopardizes Americans’ access to
3 quality, affordable health insurance.

4 (b) PROHIBITION.—The Secretary of Health and
5 Human Services, the Secretary of the Treasury, and the
6 Secretary of Labor may not take any action to implement,
7 enforce, or otherwise give effect to the rule entitled
8 “Short-Term, Limited Duration Insurance” (83 Fed. Reg.
9 38212 (August 3, 2018)), and the Secretaries may not
10 promulgate any substantially similar rule.

11 **SEC. 21045. PROTECTION OF HEALTH INSURANCE COV-**
12 **ERAGE IN CERTAIN EXCHANGES.**

13 In the case of an Exchange that the Secretary of
14 Health and Human Services operates pursuant to section
15 1321(c)(1) of the Patient Protection and Affordable Care
16 Act (42 U.S.C. 18041(c)(1)), the Secretary may not im-
17 plement any process that would terminate the health in-
18 surance coverage of an enrollee solely because such en-
19 rollee did not actively enroll during the most recent open
20 enrollment period.

21 **SEC. 21046. SENSE OF CONGRESS RELATING TO THE PRAC-**
22 **TICE OF SILVER LOADING.**

23 It is the sense of Congress that the Secretary of
24 Health and Human Services should not take any action
25 to prohibit or otherwise restrict the practice commonly

1 known as “silver loading” (as described in the rule entitled
2 “Patient Protection and Affordable Care Act; HHS Notice
3 of Benefit and Payment Parameters for 2021” published
4 on April 25, 2019 (84 Fed. Reg. 17533)).

5 **SEC. 21047. CONSUMER OUTREACH, EDUCATION, AND AS-**
6 **SISTANCE.**

7 (a) OPEN ENROLLMENT REPORTS.—For plan year
8 2021 and each subsequent year, the Secretary of Health

11 Treasury and the Secretary of Labor, shall issue biweekly
12 public reports during the annual open enrollment period
13 on the performance of the Federal Exchange. Each such
14 report shall include a summary, including information on
15 a State-by-State basis where available, of—

- 16 (1) the number of unique website visits;

18 count;
19 (3) the number of calls to the call center;

21 the call center;
22 (5) the number of individuals who enroll in a
23 qualified health plan; and

25 a qualified health plan through each of—

- 1 (A) the website;
- 2 (B) the call center;
- 3 (C) navigators;

14 annual open enrollment period regarding the performance
15 of the Federal Exchange for the applicable plan year.

20 riod; and

21 (2) activities related to patient navigators de-
22 scribed in section 1311(i) of the Patient Protection

1 (A) the performance objectives established
2 by the Secretary for such patient navigators;

3 (B) the number of consumers enrolled by
4 such a patient navigator;

5 (C) an assessment of how such patient

9 tors, and whether established performance ob-
10 jectives of patient navigators were met; and

11 (D) with respect to the performance objec-
12 tives described in subparagraph (A)—

13 (i) whether such objectives assess the
14 full scope of patient navigator responsibil-
15 ities, including general education, plan se-
16 lection, and determination of eligibility for
17 tax credits, cost-sharing reductions, or
18 other coverage;

19 (ii) how the Secretary worked with pa-
20 tient navigators to establish such objec-
21 tives; and

22 (iii) how the Secretary adjusted such
23 objectives for case complexity and other
24 contextual factors.

1 (c) REPORT ON ADVERTISING AND CONSUMER OUT-
2 REACH.—Not later than 3 months after the completion of
3 the annual open enrollment period for the 2021 plan year,
4 the Secretary shall issue a report on advertising and out-

6 2021 plan year. Such report shall include a description
7 of—

8 (1) the division of spending on individual adver-

14 to raise consumer awareness of open enrollment; and

15 (3) whether the Secretary conducted targeted
16 outreach to specific demographic groups and geo-

18 **SEC. 21048. GAO REPORT.**

19 Not later than 1 year after the date of the enactment
20 of this Act, the Comptroller General of the United States
21 shall submit to Congress a study that analyzes the costs

23 health insurance plans to be offered in the insurance mar-

10 Protection and Affordable Care Act (42 U.S.C.
11 18031(c)(6)(B)) in such a manner so as to minimize any
12 disruption to the use of such website resulting from such
13 maintenance.

(a) IN GENERAL.—Section 1886(h) of the Social Security Act (42 U.S.C. 1395ww(h)) is amended—

(1) in paragraph (4)(F)(i), by striking “paragraphs (7) and (8)” and inserting “paragraphs (7), (8), and (9)”;

(2) in paragraph (4)(H)(i), by striking “paragraphs (7) and (8)” and inserting “paragraphs (7), (8), and (9)”;

(3) in paragraph (7)(E), by inserting “paragraph (9),” after “paragraph (8),”; and

(4) by adding at the end the following new paragraph:

“(9) DISTRIBUTION OF ADDITIONAL RESIDENCY POSITIONS.—

“(A) ADDITIONAL RESIDENCY POSITIONS.—

“(i) IN GENERAL.—For each of fiscal years 2022 through 2026 (and succeeding

1 fiscal years if the Secretary determines
2 that there are additional residency posi-
3 tions available to distribute under clause
4 (iv)(II)), the Secretary shall, subject to
5 clause (ii) and subparagraph (D), increase
6 the otherwise applicable resident limit for
7 each qualifying hospital that submits a
8 timely application under this subparagraph
9 by such number as the Secretary may ap-
10 prove for portions of cost reporting periods
11 occurring on or after July 1 of the fiscal
12 year of the increase.

13 “(ii) NUMBER AVAILABLE FOR DIS-
14 TRIBUTION.—For each such fiscal year,
15 the Secretary shall determine the total
16 number of additional residency positions
17 available for distribution under clause (i)
18 in accordance with the following:

19 “(I) ALLOCATION TO HOSPITALS
20 ALREADY OPERATING OVER RESIDENT
21 LIMIT.—One-third of such number
22 shall be available for distribution only
23 to hospitals described in subparagraph
24 (B).

1 “(II) AGGREGATE LIMITATION.—

2 Except as provided in clause (iv)(I),
3 the aggregate number of increases in
4 the otherwise applicable resident limit
5 under this subparagraph shall be
6 equal to 3,000 in each such year.

7 “(iii) PROCESS FOR DISTRIBUTING
8 POSITIONS.—

9 “(I) ROUNDS OF APPLICA-
10 TIONS.—The Secretary shall initiate 5
11 separate rounds of applications for an
12 increase under clause (i), 1 round
13 with respect to each of 2022 through
14 2026.

15 “(II) NUMBER AVAILABLE.—In
16 each of such rounds, the aggregate
17 number of positions available for dis-
18 tribution in the fiscal year under
19 clause (ii) shall be distributed, plus
20 any additional positions available
21 under clause (iv).

22 “(III) TIMING.—The Secretary
23 shall notify hospitals of the number of
24 positions distributed to the hospital
25 under this paragraph as a result of an

1 increase in the otherwise applicable
2 resident limit by January 1 of the fis-
3 cal year of the increase. Such increase
4 shall be effective for portions of cost
5 reporting periods beginning on or
6 after July 1 of that fiscal year.

7 “(iv) POSITIONS NOT DISTRIBUTED
8 DURING THE FISCAL YEAR.—

9 “(I) IN GENERAL.—If the num-
10 ber of resident full-time equivalent po-
11 sitions distributed under this para-
12 graph in a fiscal year is less than the
13 aggregate number of positions avail-
14 able for distribution in the fiscal year
15 (as described in clause (ii), including
16 after application of this subclause),
17 the difference between such number
18 distributed and such number available
19 for distribution shall be added to the
20 aggregate number of positions avail-
21 able for distribution in the following
22 fiscal year.

23 “(II) EXCEPTION IF POSITIONS
24 NOT DISTRIBUTED BY END OF FISCAL
25 YEAR 2026.—If the aggregate number

1 of positions distributed under this
2 paragraph during the 5-year period of
3 fiscal years 2022 through 2026 is less
4 than 15,000, the Secretary shall, in
5 accordance with the provisions of
6 clause (ii) and subparagraph (D) and
7 the considerations and priority de-
8 scribed in subparagraph (C), conduct
9 an application and distribution proc-
10 ess in each subsequent fiscal year
11 until such time as the aggregate
12 amount of positions distributed under
13 this paragraph is equal to 15,000.

14 “(B) ALLOCATION OF DISTRIBUTION FOR
15 POSITIONS TO HOSPITALS ALREADY OPERATING
16 OVER RESIDENT LIMIT.—

17 “(i) IN GENERAL.—Subject to clauses
18 (ii) and (iii), in the case of a hospital in
19 which the reference resident level of the
20 hospital (as specified in subparagraph
21 (G)(iii)) is greater than the otherwise ap-
22 plicable resident limit, the increase in the
23 otherwise applicable resident limit under
24 subparagraph (A) for a fiscal year de-
25 scribed in such subparagraph shall be an

1 amount equal to the product of the total
2 number of additional residency positions
3 available for distribution under subpara-
4 graph (A)(ii)(I) for such fiscal year and
5 the quotient of—

6 “(I) the number of resident posi-
7 tions by which the reference resident
8 level of the hospital exceeds the other-
9 wise applicable resident limit for the
10 hospital; and

11 “(II) the number of resident posi-
12 tions by which the reference resident
13 level of all such hospitals with respect
14 to which an application is approved
15 under this paragraph exceeds the oth-
16 erwise applicable resident limit for
17 such hospitals.

18 “(ii) REQUIREMENTS.—A hospital de-
19 scribed in clause (i)—

20 “(I) is not eligible for an increase
21 in the otherwise applicable resident
22 limit under this subparagraph unless
23 the amount by which the reference
24 resident level of the hospital exceeds
25 the otherwise applicable resident limit

1 is not less than 10 and the hospital
2 trains at least 25 percent of the full-
3 time equivalent residents of the hos-
4 pital in primary care and general sur-
5 gery (as of the date of enactment of
6 this paragraph); and

7 “(II) shall continue to train at
8 least 25 percent of the full-time equiv-
9 alent residents of the hospital in pri-
10 mary care and general surgery for the
11 5-year period beginning on such date.

12 In the case where the Secretary determines
13 that a hospital described in clause (i) no
14 longer meets the requirement of subclause
15 (II), the Secretary may reduce the other-
16 wise applicable resident limit of the hos-
17 pital by the amount by which such limit
18 was increased under this subparagraph.

19 “(iii) CLARIFICATION REGARDING ELI-
20 GIBILITY FOR OTHER ADDITIONAL RESI-
21 DENCY POSITIONS.—Nothing in this sub-
22 paragraph shall be construed as preventing
23 a hospital described in clause (i) from ap-
24 plying for and receiving additional resi-
25 dency positions under this paragraph that

1 are not reserved for distribution under this
2 subparagraph.

3 “(C) DISTRIBUTION OF OTHER POSI-
4 TIONS.—For purposes of determining an in-
5 crease in the otherwise applicable resident limit
6 under subparagraph (A) (other than such an in-
7 crease described in subparagraph (B)), the fol-
8 lowing shall apply:

9 “(i) CONSIDERATIONS IN DISTRIBUTION.—In determining for which hospitals
10 such an increase is provided under sub-
11 paragraph (A), the Secretary shall take
12 into account the demonstrated likelihood of
13 the hospital filling the positions made
14 available under this paragraph within the
15 first 5 cost reporting periods beginning
16 after the date the increase would be effec-
17 tive, as determined by the Secretary.

18 “(ii) PRIORITY FOR CERTAIN HOS-
19 PITALS.—Subject to clause (iii), in deter-
20 mining for which hospitals such an in-
21 crease is provided, the Secretary shall dis-
22 tribute the increase in the following pri-
23 ority order:
24

1 “(I) First, to hospitals in States
2 with—

3 “(aa) new medical schools
4 that received ‘Candidate School’
5 status from the Liaison Com-
6 mittee on Medical Education or
7 that received ‘Pre-Accreditation’
8 status from the American Osteo-
9 pathic Association Commission
10 on Osteopathic College Accredita-
11 tion on or after January 1, 2000,
12 and that have achieved or con-
13 tinue to progress toward ‘Full
14 Accreditation’ status (as such
15 term is defined by the Liaison
16 Committee on Medical Edu-
17 cation) or toward ‘Accreditation’
18 status (as such term is defined
19 by the American Osteopathic As-
20 sociation Commission on Osteo-
21 pathic College Accreditation); or

22 “(bb) additional locations
23 and branch campuses established
24 on or after January 1, 2000, by
25 medical schools with ‘Full Ac-

1 creditation’ status (as such term
2 is defined by the Liaison Com-
3 mittee on Medical Education) or
4 ‘Accreditation’ status (as such
5 term is defined by the American
6 Osteopathic Association Commis-
7 sion on Osteopathic College Ac-
8 creditation).

9 “(II) Second, to hospitals with
10 which the Secretary cooperates under
11 section 7302(d) of title 38, United
12 States Code.

13 “(III) Third, to hospitals that
14 emphasize training in community-
15 based settings or in hospital out-
16 patient departments.

17 “(IV) Fourth, to hospitals that
18 are not located in a rural area and op-
19 erate an approved medical residency
20 training program (or rural track) in a
21 rural area or an approved medical
22 residency training program with an
23 integrated rural track.

24 “(V) Fifth, to all other hospitals.

1 “(iii) DISTRIBUTION TO HOSPITALS IN

10 individual market through the Exchange operating in the
11 District of Columbia.

12 “(c) TREATMENT OF POSSESSIONS.—

13 “(1) PAYMENTS TO POSSESSIONS.—

14 “(A) MIRROR CODE POSSESSION.—The

9 being equal to the aggregate benefits that would
10 have been provided to residents of such posses-
11 sion by reason of the application of this section
12 for any taxable years beginning after the date
13 described in subsection (d) if a mirror code tax
14 system had been in effect in such possession.
15 The preceding sentence shall not apply with re-
16 spect to any possession of the United States un-

2 subsection is the date on which the Secretary establishes

5 **FORMATION CENTERS PROGRAM TO TERRI-**
6 **TORIES.**

7 Section 501(c)(3)(C) of the Social Security Act (42
8 U.S.C. 701(c)) is amended by striking “years 2018 and
9 2019” and inserting “year 2018 and each fiscal year
10 thereafter”.

11 **Subtitle R—Maternal Care Access**
12 **and Reducing Emergencies**

13 **SEC. 21901. SHORT TITLE.**

14 This subtitle may be cited as the “Maternal Care Ac-
15 cess and Reducing Emergencies Act” or the “Maternal
16 CARE Act”.

17 **SEC. 21902. FINDINGS.**

18 Congress finds the following:

19 (1) In the United States, maternal mortality
20 rates are among the highest in the developed world
21 and increased by 26.6 percent between 2000 and
22 2014.

23 (2) Of the 4,000,000 American women who give
24 birth each year, about 700 suffer fatal complications
25 during pregnancy, while giving birth, or during the

1 postpartum period, and an additional 50,000 are se-
2 verely injured.

3 (3) It is estimated that about 60 percent of the
4 maternal mortalities in the United States could be
5 prevented and half of the maternal injuries in the
6 United States could be reduced or eliminated with
7 better care.

8 (4) Data from the Centers for Disease Control
9 and Prevention show that Black women are 3 to 4
10 times more likely to die from pregnancy-related
11 causes than White women. There are 42.8 deaths
12 per 100,000 live births for Black women, compared
13 to 13 deaths per 100,000 live births for White
14 women and 17.2 deaths per 100,000 live births for
15 women nationally.

16 (5) Black women's risk of maternal mortality
17 has remained higher than White women's risk for
18 the past 6 decades.

19 (6) Black women in the United States suffer
20 from life-threatening pregnancy complications twice
21 as often as their White counterparts.

22 (7) High rates of maternal mortality among
23 Black women span income and education levels, as
24 well as socioeconomic status; moreover, risk factors
25 such as a lack of access to prenatal care and phys-

1 ical health conditions do not fully explain the racial
2 disparity in maternal mortality.

3 (8) A growing body of evidence indicates that
4 stress from racism and racial discrimination results
5 in conditions—including hypertension and pre-ecl-
6 lampsia—that contribute to poor maternal health
7 outcomes among Black women.

8 (9) Pervasive racial bias against Black women
9 and unequal treatment of Black women exist in the
10 health care system, often resulting in inadequate
11 treatment for pain and dismissal of cultural norms
12 with respect to health. A 2016 study by University
13 of Virginia researchers found that White medical
14 students and residents often believed biological
15 myths about racial differences in patients, including
16 that Black patients have less-sensitive nerve endings
17 and thicker skin than their White counterparts. Pro-
18 viders, however, are not consistently required to un-
19 dergo implicit bias, cultural competency, or empathy
20 training.

21 (10) North Carolina has established a statewide
22 Pregnancy Medical Home (PMH) program, which
23 aims to reduce adverse maternal health outcomes
24 and maternal deaths by incentivizing maternal
25 health care providers to provide integral health care

1 services to pregnant women and new mothers. Ac-
2 cording to the North Carolina Department of Health
3 and Human Services Center for Health Statistics,
4 the pregnancy-related mortality rate for Black
5 women was approximately 5.1 times higher than
6 that of White women in 2004. Almost a decade
7 later, in 2013, the pregnancy-related mortality rates
8 for Black women and White women were 24.3 and
9 24.2 deaths per 100,000 live births, respectively.
10 The PMH program has been credited with the con-
11 vergence in pregnancy-related mortality rates be-
12 cause the program partners each high-risk pregnant
13 and postpartum woman that is covered under Med-
14 icaid with a pregnancy care manager.

15 **SEC. 21903. DEFINITIONS.**

16 In this subtitle:

17 (1) SECRETARY.—The term “Secretary” means

9 (C) obstacles faced by recipients of grants
10 under this section in delivering care, improving
11 maternal and child health, and reducing racial
12 disparities in rates of maternal and infant mor-
13 tality and morbidity; and

14 (2) disseminate information on best practices
15 and models of care used by recipients of grants
16 under this section (including best practices and mod-
17 els of care relating to the reduction of racial dispari-
18 ties in rates of maternal and infant mortality and
19 morbidity) to interested parties, including health
20 providers, medical schools, relevant State and local
21 agencies, and the general public.

22 (e) AUTHORIZATION.—There are authorized to be ap-
23 propriated to carry out this section, \$25,000,000 for each
24 of fiscal years 2022 through 2026, to remain available
25 until expended.

1 **SEC. 21906. NATIONAL ACADEMY OF MEDICINE STUDY.**

2 (a) IN GENERAL.—The Secretary shall enter into an
3 arrangement with the National Academy of Medicine
4 under which the National Academy agrees to study and
5 make recommendations for incorporating bias recognition
6 in clinical skills testing for accredited schools of allopathic
7 medicine and accredited schools of osteopathic medicine.

8 (b) REPORT.—The arrangement under subsection (a)
9 shall provide for submission by the National Academy of
10 Medicine to the Secretary and Congress, not later than
11 3 years after the date of enactment of this Act, of a report
12 on the results of the study that includes such rec-
13 ommendations.

14 **Subtitle S—Reducing Mortality and**
15 **Morbidity Among All Women**
16 **and Honoring Mothers**

17 **SEC. 22001. FINDINGS.**

18 Congress finds that—

19 (1) the pregnancy-related mortality ratio, de-
20 fined as the number of pregnancy-related deaths per
21 100,000 live births, more than doubled between
22 1987 and 2016;

23 (2) the United States is the only developed
24 country whose maternal mortality rate has increased
25 over the last several decades;

1 (3) of all pregnancy-related deaths between
2 2011 and 2015—

3 (A) nearly 31 percent occurred during
4 pregnancy;

5 (B) about 36 percent occurred during
6 childbirth or the week after childbirth; and

7 (C) 33 percent occurred between 1 week
8 and 1 year postpartum;

9 (4) more than 60 percent of maternal deaths in
10 the United States are preventable;

11 (5) in 2014 alone, 50,000 women suffered from
12 a “near miss” or severe maternal morbidity, which
13 includes potentially life-threatening complications
14 that arise from labor and childbirth;

15 (6) 28 percent of women who gave birth in a
16 hospital in the United States reported experiencing
17 1 or more types of mistreatment, such as—

18 (A) loss of autonomy;

19 (B) being shouted at, scolded, or threat-
20 ened; and

21 (C) being ignored or refused or receiving
22 no response to requests for help;

23 (7) certain social determinants of health, in-
24 cluding bias and racism, have a negative impact on
25 maternal health outcomes;

1 (8) significant disparities in maternal health
2 exist, including that—

3 (A) Black women are more than 3 times as
4 likely to die from a pregnancy-related cause as
5 are White women;

6 (B) American Indian and Alaska Native
7 women are more than 2 times as likely to die
8 from a pregnancy-related cause as are White
9 women;

10 (C) Black, American Indian, and Alaska
11 Native women with at least some college edu-
12 cation are more likely to die from a pregnancy-
13 related cause than are women of all other racial
14 and ethnic backgrounds with less than a high
15 school diploma;

16 (D) Black, American Indian, and Alaska
17 Native women are about 2 times as likely to
18 suffer from severe maternal morbidity as are
19 White women;

20 (E) women who live in rural areas have a
21 greater likelihood of severe maternal morbidity
22 and mortality compared to women who live in
23 urban areas;

24 (F) nearly 50 percent of rural counties do
25 not have a hospital with obstetric services;

1 (G) counties with more Black and His-
2 panic residents and lower median incomes are
3 less likely to have access to hospital obstetric
4 services;

5 (H) more than 50 percent of women who
6 live in a rural area must travel more than 30
7 minutes to access hospital obstetric services,
8 compared to 7 percent of women who live in
9 urban areas; and

10 (I) American Indian and Alaska Native
11 women living in rural communities are twice as
12 likely as their White counterparts to report re-
13 ceiving late or no prenatal care;

14 (9) more than 40 States have designated com-
15 mittees to review maternal deaths;

16 (10) State and local maternal mortality review
17 committees are positioned to comprehensively assess
18 maternal deaths and identify opportunities for pre-
19 vention;

20 (11) more than 25 States are participating in
21 the Alliance for Innovation on Maternal Health,
22 which promotes consistent and safe maternity care
23 to reduce maternal morbidity and mortality;

24 (12) community-based maternal health care
25 models, including midwifery childbirth services,

1 doula support services, community and perinatal
2 health worker services, and group prenatal care, in
3 collaboration with culturally competent physician
4 care, show great promise in improving maternal
5 health outcomes and reducing disparities in mater-
6 nal health outcomes;

7 (13) many organizations have implemented ini-
8 tiatives to educate patients and providers about—

9 (A) all causes of, contributing factors to,
10 and disparities in maternal mortality;

11 (B) the prevention of pregnancy-related
12 deaths; and

13 (C) the importance of listening to and em-
14 powering all women to report pregnancy-related
15 medical issues;

16 (14) the Centers for Disease Control and Pre-
17 vention (in this Resolution, referred to as the
18 “CDC”), for the first time in over a decade, released
19 a report on January 30, 2020, assessing the United
20 States maternal mortality rate that—

21 (A) found in 2018, the maternal mortality
22 rate was 17.4 maternal deaths per 100,000 live
23 births;

24 (B) found the maternal mortality rate for
25 non-Hispanic Black women was more than dou-

1 ble that of non-Hispanic White women at 37.1
2 deaths per 100,000 live births compared to
3 14.7, and 3 times the rate of Hispanic women
4 (11.8); and

5 (C) while using a new standardized meth-
6 odology to improve the accuracy of States re-
7 porting maternal deaths, still has potential
8 methodological concerns with the reporting of
9 maternal mortality data, such as the CDC re-
10 port excluding mothers over the age of 44 and
11 only accounting for deaths within 42 days of
12 giving birth, potentially omitting later
13 postpartum deaths; and

14 (D) several States, communities, and orga-
15 nizations recognize January 23 as “Maternal
16 Health Awareness Day” to raise awareness
17 about maternal health and promote maternal
18 safety.

19 **SEC. 22002. SENSE OF CONGRESS.**

20 Congress—

21 (1) acknowledges the United States deeply trou-
22 bling maternal health crisis and supports expedited
23 Federal action on reducing the rates of maternal
24 mortality in the United States, including—

1 (A) raising public awareness about mater-
2 nal mortality, maternal morbidity, and dispari-
3 ties in maternal health outcomes; and

4 (B) encouraging the Federal Government,
5 States, territories, Tribes, local communities,
6 public health organizations, physicians, health
7 care providers, and others to take action to re-
8 duce adverse maternal health outcomes and im-
9 prove maternal safety;

10 (2) promotes initiatives—

11 (A) to address and eliminate disparities in
12 maternal health outcomes; and

13 (B) to ensure respectful and equitable ma-
14 ternity care practices;

15 (3) honors the mothers who have passed away
16 as a result of pregnancy-related causes;

17 (4) supports collecting better data on maternal
18 mortality and morbidity; and

19 (5) supports and recognizes the need for fur-
20 ther investments in efforts to improve maternal
21 health, eliminate disparities in maternal health out-
22 comes, and promote respectful and equitable mater-
23 nity care practices.

1 **Subtitle T—Collecting and Ana-**
2 **lyzing Resources Integral and**
3 **Necessary for Guidance for So-**
4 **cial Determinants**

5 **SEC. 22101. SHORT TITLE.**

6 This subtitle may be cited as the “Collecting and
7 Analyzing Resources Integral and Necessary for Guidance
8 for Social Determinants Act of 2020” or the “CARING
9 for Social Determinants Act of 2020”.

10 **SEC. 22102. FINDINGS; PURPOSE.**

11 (a) FINDINGS.—Congress makes the following find-
12 ings:

13 (1) Social determinants of health are the condi-
14 tions in which people are born, grow, live, play, work
15 and age; they include factors like socioeconomic sta-
16 tus, education, housing, transportation, nutrition
17 and literacy.

18 (2) Research has shown that addressing social
19 determinants of health is important for improving
20 overall health and reducing health inequities.

21 (3) Social determinants that negatively impact
22 health can have harmful neurodevelopmental and bi-
23 ological consequences that develop in childhood and
24 manifest in adulthood.

1 (4) There is a growing body of evidence sug-
2 gesting that policies that specifically address social
3 needs, including policies targeting children and fami-
4 lies, can improve community health outcomes and
5 have the potential to reduce health care spending.

6 (5) Some State Medicaid programs have begun
7 testing innovative delivery and payment models de-
8 signed to improve health outcomes and reduce costs
9 by implementing strategies to address social deter-
10 minants of health under existing Medicaid authori-
11 ties as well as through the use of waivers, though
12 payment incentives linked to social determinant of
13 health are not common.

14 (6) Despite a growing focus on social deter-
15 minants of health in State managed care contracts,
16 most States do not provide necessary guidance for
17 managed care organizations as to how they may use
18 existing authority under Federal law to provide pa-
19 tients with services that can improve health by ad-
20 dressing social determinants.

21 (7) Centers for Medicare & Medicaid Services
22 guidance and technical assistance are critical tools
23 that could increase adoption of strategies to address
24 social determinants of health among State Medicaid
25 agencies.

1 (b) PURPOSES.—It is the purpose of this subtitle to
2 provide States with additional operational clarity and ex-
3 amples of the strategies they can leverage through existing
4 authority and waivers to address social determinants of
5 health for the Medicaid population.

10 **ANCE PROGRAM.**

11 Not later than 2 years after the date of the enact-
12 ment of this Act, the Secretary of Health and Human
13 Services shall issue and disseminate guidance to States to
14 clarify strategies to address social determinants of health
15 under the Medicaid program and the Children's Health
16 Insurance Program. Such guidance shall include the fol-
17 lowing:

18 (1) Guidance and technical assistance to State
19 Medicaid agencies regarding the strategies that
20 States can implement under existing authorities
21 under title XI, XIX, or XXI of the Social Security
22 Act, or through waivers, to address social deter-
23 minants of health in the provision of health care, in-
24 cluding strategies specifically targeting the pediatric
25 population.

1 (2) Guidance and technical assistance on how
2 States can encourage and incentivize managed care
3 organizations to address social determinants of
4 health through contracts with such organizations.

5 (3) A compendium of examples from States
6 with respect to how States are currently addressing
7 social determinants of health in the provision of
8 health care under the Medicaid program and the
9 Children’s Health Insurance Program, including
10 through payment models.

11 **Subtitle U—Equal Access to Abor-**
12 **tion Coverage in Health Insur-**
13 **ance**

14 **SEC. 22201. SHORT TITLE.**

15 This subtitle may be cited as the “Equal Access to
16 Abortion Coverage in Health Insurance (EACH Woman)
17 Act of 2020”.

18 **SEC. 22202. FINDINGS.**

19 Congress makes the following findings:

20 (1) Affordable, comprehensive health insurance
21 that includes coverage for a full range of pregnancy-
22 related care, including abortion, is critical to the
23 health of every person regardless of actual or per-
24 ceived race, color, national origin, immigration sta-
25 tus, sex (including sexual orientation, gender iden-

1 tity, pregnancy, childbirth, a medical condition relat-
2 ing to pregnancy or childbirth, or sex stereotyping),
3 age, or disability status.

4 (2) Neither a woman's income level nor her
5 type of insurance should prevent her from having ac-
6 cess to a full range of pregnancy-related care, in-
7 cluding abortion services.

8 (3) No woman should have the decision to have,
9 or not to have, an abortion made for her based on
10 her ability or inability to afford the procedure.

11 (4) Since 1976, the Federal Government has
12 withheld funds for abortion coverage in most cir-
13 cumstances, affecting women of reproductive age in
14 the United States who are insured through the Med-
15 icaid program, as well as women who receive insur-
16 ance or care through other federal health plans and
17 programs. Of women aged 15–44 enrolled in Med-
18 icaid in 2017, 55 percent lived in the 35 States and
19 the District of Columbia that do not cover abortion,
20 except in limited circumstances. This amounts to
21 roughly 7.3 million women of reproductive age, in-
22 cluding 3.1 million women living below the Federal
23 poverty level. Women of color are disproportionately
24 likely to be insured by the Medicaid program: Na-
25 tionwide, 32 percent of Black women and 27 percent

1 of Hispanic women aged 15–44 were enrolled in
2 Medicaid in 2017, compared with 16 percent of
3 White women.

4 (5) Moreover, 26 States also prohibit abortion
5 coverage in private insurance plans within or beyond
6 health insurance marketplaces under the Patient
7 Protection and Affordable Care Act.

8 (6) Restrictions on abortion coverage interfere
9 with a woman’s personal decision making, with her
10 health and well-being, and with her constitutionally
11 protected right to a safe and legal medical proce-
12 dure.

13 (7) Restrictions on abortion coverage have a
14 disproportionate impact on low-income women,
15 women of color, immigrant women, and young
16 women. These women are already disadvantaged in
17 their access to the resources, information, and serv-
18 ices necessary to prevent an unintended pregnancy
19 or to carry a healthy pregnancy to term.

20 **SEC. 22203. ABORTION COVERAGE AND CARE REGARDLESS**
21 **OF INCOME OR SOURCE OF INSURANCE.**

22 (a) ENSURING ABORTION COVERAGE AND CARE
23 THROUGH THE FEDERAL GOVERNMENT IN ITS ROLE AS
24 AN INSURER, EMPLOYER, OR HEALTH CARE PRO-
25 VIDER.—The Federal Government shall—

1 (1) ensure coverage for abortion care in public
2 health insurance programs including Medicaid,
3 Medicare, and the Children’s Health Insurance Pro-
4 gram;

5 (2) in its role as an employer or health plan
6 sponsor, ensure coverage for abortion care for par-
7 ticipants and beneficiaries; and

8 (3) in its role as a provider of health services,
9 ensure abortion care is made available to individuals
10 who are eligible to receive services in its own facili-
11 ties or in facilities with which it contracts to provide
12 medical care.

13 (b) PROHIBITING RESTRICTIONS ON PRIVATE INSUR-
14 ANCE COVERAGE OF ABORTION CARE.—

15 (1) FEDERAL RESTRICTIONS.—The Federal
16 Government shall not prohibit, restrict, or otherwise
17 inhibit insurance coverage of abortion care by State
18 or local government or by private health plans.

19 (2) STATE AND LOCAL GOVERNMENT RESTRIC-
20 TIONS.—State and local governments shall not pro-
21 hibit, restrict, or otherwise inhibit insurance cov-
22 erage of abortion care by private health plans.

23 **SEC. 22204. SENSE OF CONGRESS.**

24 It is the sense of the Congress that—

1 (1) the Federal Government, acting in its ca-
2 pacity as an insurer, employer, or health care pro-
3 vider, should serve as a model for the Nation to en-
4 sure coverage of abortion care; and

5 (2) moreover, restrictions on coverage of abor-
6 tion care in the private insurance market must end.

7 **SEC. 22205. RULE OF CONSTRUCTION.**

8 Nothing in this subtitle shall be construed to have
9 any effect on any Federal, State, or local law that includes
10 more protections for abortion coverage or care than those
11 set forth in this subtitle.

12 **SEC. 22206. SEVERABILITY.**

13 If any portion of this subtitle or the application there-
14 of to any person or circumstances is held invalid, such in-
15 validity shall not affect the portions or applications of this
16 subtitle which can be given effect without the invalid por-
17 tion or application.

18 **Subtitle V—Improving Access to**
19 **Mental Health**

20 **SEC. 22301. SHORT TITLE.**

21 This subtitle may be cited as the “Improving Access
22 to Mental Health Act”.

2 **ICES UNDER THE MEDICARE PROGRAM.**

3 (a) ACCESS TO CLINICAL SOCIAL WORKERS.—Sec-
4 tion 1833(a)(1)(F)(ii) of the Social Security Act (42
5 U.S.C. 1395l(a)(1)(F)(ii)) is amended by striking “75
6 percent of the amount determined for payment of a psy-
7 chologist under clause (L)” and inserting “85 percent of
8 the fee schedule amount provided under section 1848”.

9 (b) ACCESS TO CLINICAL SOCIAL WORKER SERVICES
10 PROVIDED TO RESIDENTS OF SKILLED NURSING FACILI-
11 TIES.—

12 (1) IN GENERAL.—Section 1888(e)(2)(A)(ii) of
13 the Social Security Act (42 U.S.C.
14 1395yy(e)(2)(A)(ii)) is amended by inserting “clin-
15 ical social worker services,” after “qualified psychol-
16 ogist services,”.

17 (2) CONFORMING AMENDMENT.—Section
18 1861(hh)(2) of the Social Security Act (42 U.S.C.
19 1395x(hh)(2)) is amended by striking “and other
20 than services furnished to an inpatient of a skilled
21 nursing facility which the facility is required to pro-
22 vide as a requirement for participation”.

23 (c) ACCESS TO THE COMPLETE SET OF CLINICAL SO-
24 CIAL WORKER SERVICES.—Section 1861(hh)(2) of the So-
25 cial Security Act (42 U.S.C. 1395x(hh)(2)) is amended—

1 (1) by striking “for the diagnosis and treatment
2 of mental illnesses (other than services” and insert-
3 ing “, including services for the diagnosis and treat-
4 ment of mental illnesses and services for health and
5 behavior assessment and intervention as identified as
6 of January 1, 2022, by HCPCS codes 96150
7 through 96161 (and any succeeding codes), but not
8 including services”; and

9 (2) by striking “) which” and inserting “,
10 which”.

11 (d) EFFECTIVE DATE.—The amendments made by
12 this section shall apply to items and services furnished on
13 or after January 1, 2021.

14 **Subtitle W—Sickle Cell Trait Re-**
15 **search, Surveillance, and Public**
16 **Education and Awareness**

17 **SEC. 22401. FINDINGS.**

18 Congress finds—

19 (1) sickle cell disease is the most common in-
20 herited blood disorder in the United States, affecting
21 approximately 100,000 people in the United States;

22 (2) more than 3,000,000 people in the United
23 States have the sickle cell trait, and many are un-
24 aware of their status;

1 (3) in 2010, the total number of babies born
2 with sickle cell trait was estimated to have exceeded
3 60,000, and the total United States incidence esti-
4 mate was 15.5 cases per 1,000 births;

5 (4) sickle cell disease occurs in about 1 out of
6 every 365 Black or African-American births and 1
7 out of every 16,300 Hispanic-American births;

8 (5) individuals who have sickle cell trait have a
9 50-percent chance of passing on the abnormal sickle
10 cell gene to future offspring and 25-percent chance
11 of having future children with sickle cell disease if
12 both parents have the trait;

13 (6) sickle cell disease can be identified before
14 birth by testing a sample of amniotic fluid or tissue
15 from the placenta;

16 (7) individuals with sickle cell trait have the
17 same life expectancy as the general population, but
18 are at risk for certain conditions, including blood in
19 the urine, kidney cancer, complications with trauma
20 to the eye, and tissue death in the spleen at high al-
21 titudes, or may have a false positive A1C test;

22 (8) during the 115th Congress, Public Law
23 115–327 reauthorized a sickle cell disease prevention
24 and treatment demonstration program and provided

1 for sickle cell research, surveillance, prevention, and
2 treatment;

3 (9) following the enactment of Public Law 115–
4 327, the National Institutes of Health launched the
5 Cure Sickle Cell Initiative aimed at bringing genetic
6 therapies into first-in-human clinical trials within
7 five years and moving newly developed genetic thera-
8 pies, including gene-editing approaches, into clinical
9 research;

10 (10) communication of a screening result con-
11 sistent with sickle cell trait should always be accom-
12 panied by appropriate counseling on the implica-
13 tions, provided by an individual with adequate train-
14 ing and understanding of the information;

15 (11) the limited research on the communication
16 of sickle cell trait test results to patients dem-
17 onstrates that there is a high prevalence of mis-
18 leading information being communicated during
19 counseling sessions for sickle cell trait following new-
20 born screening by clinicians; and

21 (12) no studies have examined whether infor-
22 mation on sickle cell trait test results is being accu-
23 rately transmitted to an individual, whether by a
24 family member or health care provider, prior to a
25 person’s reproductive years.

1 **SEC. 22402. SENSE OF CONGRESS.**

2 Congress—

3 (1) recognizes the importance of ensuring that
4 people in the United States can make informed deci-
5 sions as a result of awareness of their sickle cell
6 trait status;

7 (2) recognizes the ongoing challenges in ad-
8 dressing health outcomes among people with sickle
9 cell trait and sickle cell disease;

10 (3) recognizes the importance of the develop-
11 ment of, and access to, new treatments for sickle cell
12 disease;

13 (4) encourages the medical community, in co-
14 ordination with State and Federal Government, to
15 work to ensure that all individuals are made aware
16 of their sickle cell trait status by developing a com-
17 mon strategy for dissemination of screening results,
18 education, and counseling to parents and families in
19 collaboration with all 50 States' newborn screening
20 programs;

21 (5) calls on the Department of Health and
22 Human Services, in collaboration with experts, to
23 develop a surveillance and public awareness cam-
24 paign regarding the importance of knowing one's
25 sickle cell trait status and to gain knowledge on

1 sickle cell disease for all racial and ethnic groups in
2 the United States;

3 (6) commits to build on the progress of Public
4 Law 115–327 which reauthorized a sickle cell dis-
5 ease prevention and treatment demonstration pro-
6 gram and provided for sickle cell research, surveil-
7 lance, prevention, and treatment;

8 (7) calls on the Department of Health and
9 Human Services to expand access for screening and
10 appropriate counseling for carriers of sickle cell
11 trait;

12 (8) commits to ensuring support for research
13 that expands our understanding of the health out-
14 comes and other implications of sickle cell trait and
15 the health outcomes associated with sickle cell dis-
16 ease; and

17 (9) commits to ensuring equitable access among
18 economic, racial, and ethnic groups to new treat-
19 ments in order to improve health outcomes for those
20 with sickle cell disease.

21 **Subtitle X—National Youth HIV &**
22 **AIDS Awareness Day**

23 **SEC. 22501. FINDINGS.**

24 Congress finds that—

1 (1) National Youth HIV & AIDS Awareness
2 Day is a nationwide observance that calls on people
3 to take action to invest in the health, education, and
4 leadership of young people;

5 (2) more than 30 years into the epidemic, the
6 Centers for Disease Control and Prevention (CDC)
7 estimates that in the United States more than
8 1,200,000 people are living with HIV, and every
9 year approximately 40,000 people acquire HIV;

10 (3) in the United States, almost 40 percent of
11 new HIV infections are young people ages 13 to 20;

12 (4) young people ages 13 to 24 account for one
13 in five of the estimated 40,000 new HIV cases diag-
14 nosed each year in the United States;

15 (5) 41 percent of HIV-positive youth ages 13 to
16 24 do not know they carry the HIV virus;

17 (6) African-American youth bear a dispropor-
18 tionate burden of the epidemic, representing 57 per-
19 cent of new infections in young people ages 13 to
20 24;

21 (7) young African-American men who have sex
22 with men (MSM) ages 13 to 24 comprise 34 percent
23 of new infections among all Black males;

1 (8) the Division of Adolescent and School
2 Health (DASH) is the only Federal program sup-
3 porting HIV prevention for adolescents in schools;

4 (9) the Nation's largest Federal program dedi-
5 cated to providing care and treatment for people liv-
6 ing with HIV was named after Ryan White, a teen-
7 ager from Indiana who helped educate a Nation
8 about HIV and AIDS in the 1980s;

9 (10) the Ryan White Part D Program is one of
10 the national efforts to link HIV-positive youth to
11 medical care and support services;

12 (11) the Patient Protection and Affordable
13 Care Act (PPACA) provides youth, including those
14 at risk for and living with HIV/AIDS, better access
15 to health care coverage, more health insurance op-
16 tions, additional funding for sex education, a prohi-
17 bition against denying people living with HIV access
18 to health care, and expanded access to Medicaid
19 which will help more HIV-positive youth receive
20 care; and

21 (12) April 10 of each year is now recognized as
22 National Youth HIV & AIDS Awareness Day.

23 **SEC. 22502. SENSE OF CONGRESS.**

24 Congress—

1 (1) supports the goals and ideals of National
2 Youth HIV & AIDS Awareness Day;

3 (2) encourages State and local governments, in-
4 cluding their public health agencies, education agen-
5 cies, schools, and media organizations to recognize
6 and support such a day;

7 (3) promotes effective and comprehensive HIV
8 prevention education programs both in and out of
9 schools as a tool to ensure that all people in the
10 United States are educated about HIV, as called for
11 in the National HIV/AIDS Strategy;

12 (4) urges youth-friendly and accessible health
13 care services to better provide for the early identi-
14 fication of HIV through voluntary routine testing,
15 and to connect those in need to clinically and cul-
16 turally appropriate care and treatment as early as
17 possible;

18 (5) commends the work of AIDS service organi-
19 zations, community and faith-based organizations,
20 and school-based health centers that are providing
21 youth-friendly, effective, prevention, treatment, care,
22 and support services to young people living with and
23 vulnerable to HIV/AIDS;

24 (6) recognizes the importance of interventions
25 that address young people's structural barriers to

1 living healthy lives, including accessible health care,
2 safe and inclusive schools and communities, family
3 acceptance, secure housing, excellent education, em-
4 ployment and legal protections, and poverty reduc-
5 tion initiatives;

6 (7) prioritizes youth leadership and develop-
7 ment in order to ensure youth involvement in deci-
8 sions which impact their health and well-being as a
9 necessary means to achieving an AIDS-free genera-
10 tion;

11 (8) requires the full implementation of the Na-
12 tional HIV/AIDS Strategy and its goals to reduce
13 new HIV infections, increase access to care and im-
14 prove health outcomes for people living with HIV,
15 reduce HIV-related disparities and health inequities,
16 and achieve a more coordinated national response to
17 the HIV/AIDS epidemic;

18 (9) recommends a comprehensive prevention
19 and treatment strategy that empowers young people,
20 parents, public health workers, educators, faith lead-
21 ers, and other stakeholders to fully engage with their
22 communities and families to help decrease violence,
23 discrimination, and stigma towards individuals who
24 disclose their sexual orientation or HIV status; and

1 (10) calls for an AIDS-free generation that
2 prioritizes youth leadership and development in
3 order to ensure youth involvement in decisions which
4 impact their health and well-being as well as ad-
5 vance a pipeline for the next generation of HIV/
6 AIDS doctors, advocates, educators, researchers,
7 and other professionals.

10 **SEC. 22601. FINDINGS.**

11 Congress finds that—

12 (1) the Centers for Disease Control and Preven-
13 tion (CDC) estimates that in the United States more
14 than 1,100,000 people are living with HIV, and 15
15 percent do not know they are infected;

16 (2) in 2017, approximately 38,739 people were
17 diagnosed with HIV in the United States;

18 (3) since the beginning of the HIV/AIDS epi-
19 demic in the United States, racial and ethnic minori-
20 ties have been disproportionately affected by the dis-
21 ease;

22 (4) African Americans are diagnosed with
23 AIDS later than their White counterparts, are con-
24 fronted with greater barriers in accessing care and

1 treatment, and face higher morbidity and mortality
2 outcomes;

3 (5) African Americans account for nearly half
4 of all those with AIDS who have died in the United
5 States since the beginning of the epidemic;

6 (6) in 2015, 3,379 African Americans died of
7 HIV or AIDS, accounting for 52 percent of total
8 deaths attributed to the disease that year;

9 (7) in 2014, HIV/AIDS was the 6th leading
10 cause of death for Black men overall and for Black
11 women ages 25–34, and the 5th for Black men ages
12 35–44 and 4th for Black women ages 35–44 in
13 2014, ranking higher than their respective counter-
14 parts in any other racial/ethnic group;

15 (8) in 2016, African Americans represented 44
16 percent of all people living with HIV in the United
17 States, despite comprising just 12 percent of the
18 United States population;

19 (9) in 2016, over 17,000 African Americans
20 were diagnosed with HIV;

21 (10) African-American gay and bisexual men
22 are more affected by HIV than any other group in
23 the United States, accounting for a higher propor-
24 tion of HIV diagnoses, those living with HIV, those

1 ever diagnosed with AIDS, and HIV/AIDS-related
2 deaths;

3 (11) in 2016, more than half of African Ameri-
4 cans diagnosed with HIV were gay or bisexual men;

5 (12) in 2016, among all gay and bisexual men
6 who had received an HIV diagnosis, African Ameri-
7 cans accounted for the highest number (38 percent);

8 (13) according to a 2016 study by the CDC, an
9 estimated half of Black gay men will be diagnosed
10 with HIV in their lifetime, if current HIV diagnoses
11 rates persist;

12 (14) homophobia, stigma, and discrimination
13 pose major obstacles to HIV testing, treatment and
14 other prevention services for gay and bisexual Afri-
15 can-American men;

16 (15) among all women diagnosed with HIV in
17 2016, 61 percent were African American, despite
18 comprising only 14 percent of the female population
19 in the United States;

20 (16) African-American women face the highest
21 risk of HIV and other sexually transmitted infec-
22 tions (STIs) compared with women of other groups;

23 (17) the HIV diagnosis rate for African-Amer-
24 ican women remains 16 times as high as that of

1 White women, and almost five times that of His-
2 panic women;

3 (18) among African-American women, the lead-
4 ing transmission category of HIV infection is hetero-
5 sexual contact, followed by intravenous drug use;

6 (19) research indicates that the high incarcer-
7 ation rates of Black men may contribute to the dis-
8 proportionate rates of HIV infections among Black
9 women;

10 (20) in 2010—the most recent data available—
11 there were more than 20,000 inmates with HIV/
12 AIDS in State and Federal prisons, a prevalence
13 that is 4 times the rate of HIV in the general popu-
14 lation;

15 (21) among incarcerated populations, African-
16 American men are 5 times as likely as White men,
17 and twice as likely as Hispanic/Latino men, to be di-
18 agnosed with HIV;

19 (22) among incarcerated populations, African-
20 American women are more than twice as likely to be
21 diagnosed with HIV as White or Hispanic/Latino
22 women;

23 (23) transgender women in the United States
24 are at high risk for HIV;

1 (24) more than half of all transgender people
2 diagnosed with HIV are Black or African American;

3 (25) the Southern United States now experi-
4 ences the highest burden of the HIV/AIDS epidemic;

5 (26) in 2017, the South made up 52 percent of
6 the new HIV diagnoses in the United States;

7 (27) African Americans are severely and dis-
8 proportionately affected by HIV in the South, ac-
9 counting for 53 percent of all new HIV infections in
10 the region;

11 (28) socioeconomic issues impact the rates of
12 HIV infection among African Americans in the
13 South and throughout the United States;

14 (29) socioeconomic factors like income inequal-
15 ity, poverty, and lack of access to HIV prevention
16 education and basic health services, and cultural fac-
17 tors like homophobia, transphobia, and racism all
18 pose significant challenges to combating the HIV/
19 AIDS epidemic;

20 (30) we are seeing signs of progress;

21 (31) from 2011 to 2015, HIV diagnoses among
22 African-American women fell by nearly 20 percent
23 and have also fallen sharply among African Ameri-
24 cans who inject drugs;

1 (32) testing, education, counseling, and harm
2 reduction practices are all critical to prevent HIV;

3 (33) life-saving treatment is also a proven pre-
4 vention tool, and research shows that antiretroviral
5 drugs can reduce the amount of virus to
6 undetectable levels (also known as viral suppression),
7 effectively resulting in no risk of transmission of
8 HIV;

9 (34) in 2012, the Food and Drug Administra-
10 tion approved pre-exposure prophylaxis (PrEP) as
11 prevention for people who are HIV-negative;

12 (35) PrEP can reduce the risk of HIV infection
13 for HIV-negative people by up to 99 percent;

14 (36) in 1998, Congress and the Clinton admin-
15 istration created the National Minority AIDS Initia-
16 tive to help coordinate funding, build capacity, and
17 provide prevention, care, and treatment services
18 within the African-American, Hispanic, Asian Pa-
19 cific Islander, and Native American communities;

20 (37) the National Minority AIDS Initiative as-
21 sists with leadership development of community-
22 based organizations (CBOs), establishes and links
23 provider networks, builds community prevention in-
24 frastructure, promotes technical assistance among

1 CBOs, and raises awareness among African-Amer-
2 ican communities;

3 (38) 2019 marks the twenty-first year of the
4 National Minority AIDS Initiative which has suc-
5 cessfully established life-saving services and pro-
6 grams to address the needs of those communities,
7 families, and individuals most impacted and bur-
8 dened HIV;

9 (39) in 2010, the Obama administration un-
10 veiled the first National HIV/AIDS Strategy, which
11 identified a set of priorities and strategic action
12 steps tied to measurable outcomes for moving the
13 Nation forward in addressing the domestic HIV epi-
14 demic;

15 (40) in 2013, the National Association for the
16 Advancement of Colored People (NAACP) released a
17 manual of best practices for faith leaders to mobilize
18 communities, advocate for community support for
19 people infected with and affected by HIV/AIDS, and
20 organize dialogues on HIV/AIDS as a social justice
21 issue as part of “The Black Church and HIV: The
22 Social Justice Imperative”;

23 (41) in July 2015, the “National HIV/AIDS
24 Strategy for the United States: Updated to 2020”

1 was released and included actions and goals in order
2 to reduce HIV-related disparities and inequalities;

3 (42) the Affordable Care Act's expansion of
4 Medicaid and reforms to the individual insurance
5 market have helped lower the uninsured rates for
6 nonelderly African Americans by more than one-
7 third between 2013 and 2016, leading to better
8 health outcomes for African Americans living with or
9 at risk of HIV;

10 (43) National Black HIV/AIDS Awareness Day
11 was founded by 5 national organizations in 1999 to
12 provide capacity-building assistance to Black com-
13 munities and organizations; and

14 (44) each year on February 7, individuals, or-
15 ganizations, and policy makers across the Nation
16 participate in National Black HIV/AIDS Awareness
17 Day to promote HIV education, testing, community
18 involvement, and treatment in Black communities.

19 **SEC. 22602. SENSE OF CONGRESS.**

20 Congress—

21 (1) supports the goals and ideals of National
22 Black HIV/AIDS Awareness Day;

23 (2) encourages State and local governments, in-
24 cluding their public health agencies, and media orga-
25 nizations to recognize and support such day, to pub-

1 licize its importance among their communities, and
2 to encourage individuals, especially African Ameri-
3 cans, to get tested for HIV;

4 (3) commends the work of AIDS service organi-
5 zations, community-based organizations, faith-based
6 organizations providers, community health centers
7 and health departments that are providing effective,
8 evidence-based, prevention, treatment, care, and sup-
9 port services to people living with and vulnerable to
10 HIV/AIDS;

11 (4) supports the implementation of the National
12 HIV/AIDS Strategy and its goals to reduce new
13 HIV infections, increase access to care and improve
14 health outcomes for people living with HIV, reduce
15 HIV-related disparities and health inequities, and
16 achieve a more coordinated national response to the
17 HIV/AIDS epidemic;

18 (5) supports reducing the impact of incarcer-
19 ation as a driver of new HIV infections within the
20 African-American community;

21 (6) supports reducing the number of HIV infec-
22 tions in the African-American community resulting
23 from intravenous drug use;

24 (7) supports effective and comprehensive HIV
25 prevention education programs to promote the early

1 identification of HIV through voluntary routine test-
2 ing, and to connect those in need to clinically and
3 culturally appropriate care and treatment as early as
4 possible;

5 (8) supports appropriate funding for HIV/AIDS
6 prevention, care, treatment, research, and housing,
7 including community-based approaches to fight stig-
8 ma, discrimination, racism, sexism, homophobia, and
9 transphobia; and

10 (9) encourages comprehensive prevention, treat-
11 ment, and care strategies that empower public
12 health workers, educators, faith leaders, and other
13 stakeholders to engage their communities to help de-
14 crease violence, discrimination, and stigma towards
15 individuals who disclose their sexual orientation,
16 gender identity, or HIV status.

17 **Subtitle Z—Repeal Existing Poli-**
18 **cies That Encourage and Allow**
19 **Legal HIV Discrimination**

20 **SEC. 22701. SHORT TITLE.**

21 This subtitle may be cited as the “Repeal Existing
22 Policies that Encourage and Allow Legal HIV Discrimina-
23 tion Act of 2020” or the “REPEAL HIV Discrimination
24 Act of 2020”.

1 **SEC. 22702. FINDINGS.**

2 The Congress makes the following findings:

3 (1) At present, 34 States and 2 United States
4 territories have criminal statutes based on perceived
5 exposure to HIV, rather than behaviors motivated by
6 an intent to harm, presenting a significant risk of
7 transmission and resulting in actual transmission of
8 HIV to another. Eleven States have HIV-specific
9 laws that make spitting or biting a felony, even
10 though it is not possible to transmit HIV via saliva.
11 Twenty-four States require persons who are aware
12 that they have HIV to disclose their status to sexual
13 partners, regardless of whether they are non-infec-
14 tious. Fourteen of these 24 States also require dis-
15 closure to needle-sharing partners. Twenty-five
16 States criminalize one or more behaviors that pose
17 a low or negligible risk for HIV transmission.

18 (2) HIV-specific criminal laws are classified as
19 felonies in 28 States; in three States, a person's ex-
20 posure to another to HIV does not subject the per-
21 son to criminal prosecution for that act alone, but
22 may result in a sentence enhancement. Eighteen
23 States impose sentences of up to 10 years per viola-
24 tion; seven impose sentences between 11 and 20
25 years; and five impose sentences of greater than 20
26 years.

1 (3) When members of the Armed Forces ac-
2 quire HIV, they are issued orders that require them
3 to disclose and use a condom under all cir-
4 cumstances including when the known risk of trans-
5 mission is zero. Failure to disclose can result in
6 prosecution under the Uniform Code of Military Jus-
7 tice (UCMJ).

8 (4) The number of prosecutions, arrests, and
9 instances where HIV-based charges are used to in-
10 duce plea agreements is unknown. Because State-
11 level prosecution and arrest data are not readily
12 available in any national legal database, the societal
13 impact of these laws may be underestimated and
14 most cases that go to trial are not reduced to writ-
15 ten, published opinions.

16 (5) State and Federal criminal law does not
17 currently reflect the three decades of medical ad-
18 vances and discoveries made with regard to trans-
19 mission and treatment of HIV/AIDS.

20 (6) According to CDC, correct and consistent
21 male or female condom use is very effective in pre-
22 venting HIV transmission. However, most State
23 HIV-specific laws and prosecutions do not treat the
24 use of a condom during sexual intercourse as a miti-

1 gating factor or evidence that the defendant did not
2 intend to transmit HIV.

3 (7) Criminal laws and prosecutions do not take
4 into account the benefits of effective antiretroviral
5 medications, which suppress the virus to extremely
6 low levels and further reduce the already low risk of
7 transmitting HIV to near zero.

8 (8) In addition to HIV-specific criminal laws,
9 general criminal laws are often misused to prosecute
10 people based on their HIV status. Although HIV,
11 and even AIDS, currently is viewed as a treatable,
12 chronic, medical condition, people living with HIV
13 have been charged under aggravated assault, at-
14 tempted murder, and even bioterrorism statutes be-
15 cause prosecutors, courts, and legislators continue to
16 view and characterize the blood, semen, and saliva of
17 people living with HIV as a “deadly weapon”.

18 (9) Multiple peer-reviewed studies demonstrate
19 that HIV-specific laws do not reduce risk-taking be-
20 havior or increase disclosure by people living with or
21 at risk of HIV, and there is increasing evidence that
22 these laws reduce the willingness to get tested. Fur-
23 thermore, placing legal responsibility for preventing
24 the transmission of HIV and other pathogens that
25 can be sexually transmitted exclusively on people di-

1 agnosed with a sexually transmitted infection under-
2 mines the public health message that all people are
3 responsible for practicing behaviors that protect
4 themselves from HIV and other sexually transmitted
5 infections. Unfortunately, some State laws create an
6 expectation of disclosure work against public health
7 communication and discourage risk-reduction meas-
8 ures that could prevent transmission as a result of
9 those who are acutely infected and unaware of their
10 status.

11 (10) The identity of an individual subject to an
12 HIV-based prosecution is broadcast through media
13 reports, potentially destroying employment opportu-
14 nities and relationships and violating the person's
15 right to privacy.

16 (11) Individuals who are convicted after an
17 HIV-based prosecution often must register as sex of-
18 fenders even in cases involving consensual sexual ac-
19 tivity. Their employability is destroyed, and their
20 family relationships are fractured.

21 (12) The United Nations, including the Joint
22 United Nations Programme on HIV/AIDS
23 (UNAIDS), urges governments to "limit criminaliza-
24 tion to cases of intentional transmission." This re-
25 quirement would limit prosecutions to situations

1 “where a person knows his or her HIV-positive sta-
2 tus, acts with the intention to transmit HIV, and
3 does in fact transmit it”. UNAIDS also recommends
4 that criminal law should not be applied to cases
5 where there is no significant risk of transmission.

6 (13) In 2010, the Federal Government released
7 the first ever National HIV/AIDS Strategy (NHAS),
8 which addressed HIV-specific criminal laws, stating:
9 “While we understand the intent behind these laws,
10 they may not have the desired effect and they may
11 make people less willing to disclose their status by
12 making people feel at even greater risk of discrimi-
13 nation. In some cases, it may be appropriate for leg-
14 islators to reconsider whether existing laws continue
15 to further the public interest and public health. In
16 many instances, the continued existence and enforce-
17 ment of these types of laws run counter to scientific
18 evidence about routes of HIV transmission and may
19 undermine the public health goals of promoting HIV
20 screening and treatment.”. The NHAS also states
21 that State legislatures should consider reviewing
22 HIV-specific criminal statutes to ensure that they
23 are consistent with current knowledge of HIV trans-
24 mission and support public health approaches to pre-
25 venting and treating HIV.

1 (14) The Global Commission on HIV and the
2 Law was launched in June 2010 to examine laws
3 and practices that criminalize people living with and
4 vulnerable to HIV and to develop evidence-based rec-
5 ommendations for effective HIV responses. The
6 Commission calls for “governments, civil society and
7 international bodies to repeal punitive laws and
8 enact laws that facilitate and enable effective re-
9 sponses to HIV prevention, care and treatment serv-
10 ices for all who need them”. The Commission rec-
11 ommends against the enactment of “laws that ex-
12 plicitly criminalize HIV transmission, exposure or
13 non-disclosure of HIV status, which are counter-
14 productive”.

15 (15) In February 2019, the Department of
16 Health and Human Services (HHS) launched “End-
17 ing the HIV Epidemic: A Plan for America,” a new
18 initiative with an ambitious goal to end the domestic
19 HIV epidemic in ten years by reducing new cases of
20 HIV by 75 percent by 2025 and by 90 percent by
21 2030. In this plan, HHS notes that stigma “can be
22 a debilitating barrier preventing people living with,
23 or at risk for, HIV from receiving the health care,
24 services, and respect they need and deserve.” Many
25 of the States and jurisdictions identified as a pri-

1 ority for the first five years of the plan have stigma-
2 based criminal statutes for perceived exposure to
3 HIV. These statutes run counter to the goals of this
4 new initiative and stand in the way of ending the do-
5 mestic HIV epidemic.

6 **SEC. 22703. SENSE OF CONGRESS REGARDING LAWS OR**
7 **REGULATIONS DIRECTED AT PEOPLE LIVING**
8 **WITH HIV.**

9 It is the sense of Congress that Federal and State
10 laws, policies, and regulations regarding people living with
11 HIV—

12 (1) should not place unique or additional bur-
13 dens on such individuals solely as a result of their
14 HIV status; and

15 (2) should instead demonstrate a public health-
16 oriented, evidence-based, medically accurate, and
17 contemporary understanding of—

18 (A) the multiple factors that lead to HIV
19 transmission;

20 (B) the relative risk of demonstrated HIV
21 transmission routes;

22 (C) the current health implications of liv-
23 ing with HIV;

1 (D) the associated benefits of treatment
2 and support services for people living with HIV;
3 and

4 (E) the impact of punitive HIV-specific
5 laws, policies, regulations, and judicial prece-
6 dents and decisions on public health, on people
7 living with or affected by HIV, and on their
8 families and communities.

9 **SEC. 22704. REVIEW OF FEDERAL AND STATE LAWS.**

10 (a) REVIEW OF FEDERAL AND STATE LAWS.—

11 (1) IN GENERAL.—Not later than 90 days after
12 the date of the enactment of this Act, the Attorney
13 General, the Secretary of Health and Human Serv-
14 ices, and the Secretary of Defense acting jointly (in
15 this section referred to as the “designated officials”)
16 shall initiate a national review of Federal and State
17 laws, policies, regulations, and judicial precedents
18 and decisions regarding criminal and related civil
19 commitment cases involving people living with HIV/
20 AIDS, including in regard to the Uniform Code of
21 Military Justice (UCMJ).

22 (2) CONSULTATION.—In carrying out the re-
23 view under paragraph (1), the designated officials
24 shall seek to include diverse participation from, and
25 consultation with, each of the following:

1 (A) Each State.

2 (B) State attorneys general (or their rep-
3 resentatives).

4 (C) State public health officials (or their
5 representatives).

6 (D) State judicial and court system offi-
7 cers, including judges, district attorneys, pros-
8 ecutors, defense attorneys, law enforcement,
9 and correctional officers.

10 (E) Members of the United States Armed
11 Forces, including members of other Federal
12 services subject to the UCMJ.

13 (F) People living with HIV/AIDS, particu-
14 larly those who have been subject to HIV-re-
15 lated prosecution or who are from minority
16 communities whose members have been dis-
17 proportionately subject to HIV-specific arrests
18 and prosecution.

19 (G) Legal advocacy and HIV/AIDS service
20 organizations that work with people living with
21 HIV/AIDS.

22 (H) Nongovernmental health organizations
23 that work on behalf of people living with HIV/
24 AIDS.

1 (I) Trade organizations or associations
2 representing persons or entities described in
3 subparagraphs (A) through (G).

4 (3) RELATION TO OTHER REVIEWS.—In car-
5 rying out the review under paragraph (1), the des-
6 ignated officials may utilize other existing reviews of
7 criminal and related civil commitment cases involv-
8 ing people living with HIV, including any such re-
9 view conducted by any Federal or State agency or
10 any public health, legal advocacy, or trade organiza-
11 tion or association if the designated officials deter-
12 mines that such reviews were conducted in accord-
13 ance with the principles set forth in section 22903.

14 (b) REPORT.—Not later than 180 days after initi-
15 ating the review required by subsection (a), the Attorney
16 General shall transmit to the Congress and make publicly
17 available a report containing the results of the review,
18 which includes the following:

19 (1) For each State and for the UCMJ, a sum-
20 mary of the relevant laws, policies, regulations, and
21 judicial precedents and decisions regarding criminal
22 cases involving people living with HIV, including the
23 following:

24 (A) A determination of whether such laws,
25 policies, regulations, and judicial precedents

1 and decisions place any unique or additional
2 burdens upon people living with HIV.

3 (B) A determination of whether such laws,
4 policies, regulations, and judicial precedents
5 and decisions demonstrate a public health-ori-
6 ented, evidence-based, medically accurate, and
7 contemporary understanding of—

8 (i) the multiple factors that lead to
9 HIV transmission;

10 (ii) the relative risk of HIV trans-
11 mission routes, including that a person
12 that has an undetectable viral load cannot
13 transmit the disease;

14 (iii) the current health implications of
15 living with HIV;

16 (iv) the current status of providing
17 protection to people who engage in survival
18 sex work against whom condom possession
19 has been used as evidence to intent to com-
20 mit a crime;

21 (v) States that have the classification
22 of mandatory sex offenders;

23 (vi) the associated benefits of treat-
24 ment and support services for people living
25 with HIV; and

1 (vii) the impact of punitive HIV-spe-
2 cific laws and policies on public health, on
3 people living with or affected by HIV, and
4 on their families and communities, includ-
5 ing people who are in abusive, dependent,
6 violent, and non-consensual relationships
7 and are unable to both negotiate the use of
8 condoms and status disclosure.

9 (C) An analysis of the public health and
10 legal implications of such laws, policies, regula-
11 tions, and judicial precedents and decisions, in-
12 cluding an analysis of the consequences of hav-
13 ing a similar penal scheme applied to com-
14 parable situations involving other communicable
15 diseases.

16 (D) An analysis of the proportionality of

8 **Subtitle CC—Study, Treat, Observe**
9 **and Prevent Neglected Diseases**
10 **of Poverty Act (short Title STOP**
11 **Neglected Diseases of Poverty**
12 **Act)**

13 **SEC. 23001. SHORT TITLE.**

14 This Act may be cited as the “Study, Treat, Observe,
15 and Prevent Neglected Diseases of Poverty Act” or the
16 “STOP Neglected Diseases of Poverty Act”.

17 **SEC. 23002. FINDINGS.**

18 Congress finds as follows:

19 (1) Neglected diseases of poverty, many of
20 which are also known as “neglected tropical dis-
21 eases”, are a group of diseases that disproportion-
22 ately affect vulnerable populations living in extreme
23 poverty.

24 (2) More than 1,000,000,000 people worldwide
25 are affected by neglected diseases of poverty.

1 (3) Neglected diseases of poverty can be trans-
2 mitted—

3 (A) through contaminated food, water, and
4 soil;

5 (B) through parasites, insects, blood trans-
6 fusion, and organ transplant; and

7 (C) in some cases, congenitally.

8 (4) Neglected diseases of poverty have a high
9 rate of morbidity and mortality and can lead to
10 health complications such as heart disease, epilepsy,
11 asthma, blindness, developmental delays, stillbirth,
12 low birthweight, and gastrointestinal disorders.

13 (5) Some neglected diseases of poverty can be
14 asymptomatic at the outset, but debilitating or dan-
15 gerous symptoms can emerge over time or under cer-
16 tain conditions, such as pregnancy. It is estimated
17 that millions of people are living with these diseases
18 and are not aware that they are infected.

19 (6) For tens of thousands of individuals, dis-
20 eases of poverty that are chronic and neglected can
21 manifest into severe illness later in life.

22 (7) Neglected diseases of poverty place a sig-
23 nificant financial burden on affected individuals and
24 communities due to the health care costs associated
25 with these diseases and because these diseases limit

1 individuals' productivity and ability to be active con-
2 tributors to their communities. This burden could
3 largely be prevented through early screening and
4 treatment, which are highly cost effective.

5 (8) Since its inception in 2006, the Neglected
6 Tropical Diseases Program at the United States
7 Agency for International Development and its part-
8 ners, including the Centers for Disease Control and
9 Prevention, have delivered more than 1,600,000,000
10 treatments to more than 743,000,000 people.

11 (9) Due to the support provided by the United
12 States Agency for International Development and its
13 partners, 140,000,000 people live in regions where
14 they are no longer at risk of contracting lymphatic
15 filariasis, and 65,000,000 people live in regions
16 where they are no longer at risk of contracting tra-
17 choma.

18 (10) Although the exact prevalence and burden
19 of these diseases in the United States is unknown
20 because of stigma and limited reporting, surveil-
21 lance, and awareness, one study estimates that there
22 are 12,000,000 individuals living with a neglected
23 disease of poverty throughout the country. These
24 diseases disproportionately affect racial and ethnic

1 minorities living in poverty and in regions where
2 water quality and sanitation are substandard.

3 (11) The major neglected diseases of poverty in
4 the United States that predominantly occur among
5 those living in poverty are the following: Toxo-
6 cariasis, cysticercosis, Chagas disease, toxoplasmosis,
7 trichomoniasis, and Dengue Fever.

8 (12) There is a lack of diagnostic and treat-
9 ment programs, including for early diagnosis and
10 treatment, for neglected diseases of poverty. These
11 programs would be highly cost effective and would
12 significantly reduce the burden of morbidity and
13 mortality of these diseases.

14 (13) Funding for research, preventive strate-
15 gies, and the development of treatments and diag-
16 nostic tests for neglected diseases of poverty in the
17 United States is limited.

18 **SEC. 23003. SENSE OF CONGRESS.**

19 It is the sense of Congress that there is a need to
20 study the prevalence and incidence of neglected diseases
21 of poverty in the United States, identify preventive meth-
22 ods to combat neglected diseases of poverty, conduct re-
23 search that will lead to more treatments and diagnostic
24 tests for neglected diseases of poverty, and supply health
25 care providers, public health professionals, and affected in-

1 dividuals and communities with educational resources on
2 neglected diseases of poverty.

3 **SEC. 23004. DEFINITION OF NEGLECTED DISEASES OF POV-**
4 **ERTY.**

5 In this Act, the term “neglected diseases of poverty”
6 has the meaning given such term in section 39900(e) of
7 the Public Health Service Act, as added by section 23005.

8 **SEC. 23005. PROGRAMS RELATING TO NEGLECTED DIS-**
9 **EASES OF POVERTY.**

10 Title III of the Public Health Service Act (42 U.S.C.
11 241 et seq.) is amended by adding at the end the fol-
12 lowing:

13 **“PART W—PROGRAMS RELATING TO NEGLECTED**
14 **DISEASES OF POVERTY IN THE UNITED STATES**
15 **“SEC. 39900. INTERAGENCY TASK FORCE ON NEGLECTED**
16 **DISEASES OF POVERTY IN THE UNITED**

1 **Subtitle F—Reducing COVID-19**
2 **Disparities by Investing in Pub-**
3 **lic Health**

4 **SEC. 30601. SHORT TITLE.**

5 This subtitle may be cited as the “Reducing COVID–
6 19 Disparities by Investing in Public Health Act”.

7 **SEC. 30602. FINDINGS.**

8 The Congress finds the following:

9 (1) Funding under this subtitle is essential to
10 core efforts at the Department of Health and
11 Human Services and in local and State health de-
12 partments to prevent and control the spread of
13 chronic disease and conditions. The National Center
14 for Chronic Disease Prevention and Health Pro-
15 motion works to raise awareness of health disparities
16 faced by minority populations of the United States
17 such as American Indians, Alaska Natives, Asian
18 Americans, African Americans, Latino Americans,
19 and Native Hawaiians or other Pacific Islanders.
20 One of the primary functions of the Center is to re-
21 duce risk factors for groups affected by health dis-
22 parities.

23 (2) Six in ten Americans live with at least one
24 chronic disease, like heart disease and stroke, can-
25 cer, or diabetes. These and other chronic diseases

1 are the leading causes of death and disability in
2 America. Specifically, chronic diseases are respon-
3 sible for 7 in 10 deaths each year. According to the
4 Centers for Disease Control and Prevention
5 (“CDC”), individuals who are at high risk for severe
6 illness from COVID–19 are people with chronic lung
7 disease or moderate to severe asthma, people with
8 serious heart conditions, people who are immuno-
9 compromised—sometimes because of cancer or HIV/
10 AIDS, people with diabetes, people with liver dis-
11 ease, people with severe obesity, and people with
12 chronic kidney disease undergoing dialysis.

13 (3) According to hospital data from the first
14 month of the COVID–19 epidemic in the United
15 States released by the CDC, roughly 1 in 3 people
16 who required hospitalizations from COVID–19 were
17 African American. While 33 percent of total hos-
18 pitalized patients are Black, African Americans con-
19 stitute just 13 percent of the entire American popu-
20 lation. Early data released by States and municipali-
21 ties show that African Americans suffer higher mor-
22 tality rates from COVID–19. Socioeconomic factors
23 further contribute to racial disparities seen in both
24 prevalence of chronic conditions and exposure to
25 COVID–19. Individuals in low-income communities

1 and people of color are more likely to have many of
2 the chronic health conditions that have been identi-
3 fied as risk factors for complications from COVID-
4 19, yet suffer decreased access to care, compounded
5 by a decreased likelihood of undergoing appropriate
6 treatment.

7 (4) According to the American Diabetes Asso-
8 ciation, 12.1 percent of Hispanic Americans, 12.7
9 percent of African Americans, 8 percent of Asian
10 Americans, and 15.1 percent of American Indians/
11 Alaska Natives have been diagnosed with diabetes,
12 compared to just 7.4 percent of White Americans.
13 The CDC calculated that compared to non-Hispanic
14 Whites, Hispanics are 40 percent more likely to die
15 from diabetes, African Americans are twice as likely
16 to die from diabetes, and American Indians/Alaska
17 Natives are almost twice as likely to die from the
18 disease.

19 (5) According to the National Institutes of
20 Health, African Americans are more than 30 percent
21 more likely to die from heart disease, are twice as
22 likely to have a stroke—which tends to be more se-
23 vere with a higher morbidity and results in higher
24 mortality, are 40 percent more likely to have high
25 blood pressure, and have a higher rate of hyper-

1 tension and heart failure than their White counter-
2 parts.

3 (6) Minority groups suffer from asthma at a
4 disproportionate rate, have the highest number of
5 emergency room visits and hospital stays due to
6 asthma, and have higher mortality rates from asth-
7 ma than their White counterparts. The prevalence of
8 childhood asthma for African Americans is 12.7 per-
9 cent compared to 8 percent for White Americans,
10 while mortality rates in children and adults are
11 eightfold and threefold higher, respectively, for Afri-
12 can Americans compared to White Americans.

13 (7) President Trump has consistently proposed
14 budgets that would cut the Chronic Disease Preven-
15 tion and Health Promotion Fund. In fiscal year
16 2021, the President proposed to consolidate the
17 CDC's primary chronic disease prevention activities,
18 including tobacco, diabetes, heart disease, and
19 stroke, and nutrition and physical activity, into a
20 single block grant to States, while proposing a
21 \$427,000,000 cut to the account. In fiscal year
22 2020, the President proposed a \$236,500,000 cut to
23 the account. In fiscal year 2019, the President pro-
24 posed a \$138,300,000 cut to the account. In fiscal

1 year 2018, the President proposed a \$222,300,000
2 cut to the account.

3 (8) Cuts to this Fund and other public health
4 prevention efforts undermine efforts to create an af-
5 fordable and accessible health care system, and a
6 better quality of life for Americans of all ethnic, ra-
7 cial, and socioeconomic backgrounds. Cuts to this
8 Fund would also exacerbate existing disparities and
9 underlying health conditions that have created seem-
10 ingly vast disparities in hospitalization and mortality
11 rates due to COVID–19.

12 (9) Prevention efforts have proven to be effec-
13 tive. Funding increases for community-based public
14 health programs reduce preventable disease caused
15 by diabetes, cancer, and cardiovascular disease. Im-
16 proved access to intervention, treatment, and afford-
17 able care is also proven to mitigate the development
18 of associated chronic diseases and mortality rates.

19 (10) Increasing the Chronic Disease Prevention
20 and Health Promotion Fund funding to
21 \$2,400,000,000 annually will allow the Fund to in-
22 vest in more innovative, evidence-based public health
23 programs, maintain and expand investments in pro-
24 grams with demonstrated success, and help reduce
25 racial health disparities and rates of chronic disease

1 that can put persons of color at greater risk of hos-
2 pitalization or death from COVID–19.

3 (11) Further, the Office of Minority Health in
4 the Office of the Secretary of Health and Human
5 Services (established by section 1707 of the Public
6 Health Service Act (42 U.S.C. 300u–6)) was de-
7 signed for the purpose of “improving minority health
8 and the quality of health care minorities receive, and
9 eliminating racial and ethnic disparities”. The Office
10 of Minority Health and Health Equity at the CDC
11 serves to decrease health disparities, address social
12 determinants of health, and promote access to high-
13 quality preventative health care. The Office of Mi-
14 nority Health and Health Equity at the Food and
15 Drug Administration promotes and protects the
16 health of diverse populations through research and
17 communication of science that addresses health dis-
18 parities. The National Institute on Minority Health
19 and Health Disparities leads scientific research that
20 advances understanding of minority health and
21 health disparities.

22 (12) Increasing funding for these and other
23 critical health programs will enable the United
24 States and State departments of public health to

1 better combat disparities that have emerged during
2 the COVID–19 crisis and beyond.

14 **Subpart A—Collection and Reporting**

15 **SEC. 317101. EQUITABLE DATA COLLECTION AND DISCLO-**
16 **SURE ON COVID–19 ACT.**

17 (a) FINDINGS.—Congress makes the following find-
18 ings:

19 (1) The World Health Organization (WHO) de-
20 clared COVID–19 a “Public Health Emergency of
21 International Concern” on January 30, 2020. By
22 late March 2020, there have been over 470,000 con-
23 firmed cases of, and 20,000 deaths associated with,
24 COVID–19 worldwide.

1 (2) In the United States, cases of COVID–19
2 have quickly surpassed those across the world, and
3 as of April 12, 2020, over 500,000 cases and 20,000
4 deaths have been reported in the United States
5 alone.

6 (3) Early reporting on racial inequities in
7 COVID–19 testing and treatment have renewed calls
8 for the Centers for Disease Control and Prevention
9 and other relevant subagencies within the Depart-
10 ment of Health and Human Services to publicly re-
11 lease racial and demographic information to better
12 inform the pandemic response, specifically in com-
13 munities of color and in Limited English Proficient
14 (LEP) communities.

15 (4) The burden of morbidity and mortality in
16 the United States has historically fallen dispropor-
17 tionately on marginalized communities (those who
18 suffer the most from great public health needs and
19 are the most medically underserved).

20 (5) Historically, structures and systems, such
21 as racism, ableism and class oppression, have ren-
22 dered affected individuals more vulnerable to inequi-
23 ties and have prevented people from achieving their
24 optimal health even when there is not a crisis of
25 pandemic proportions.

1 (6) Significant differences in access to health
2 care, specifically to primary health care providers,
3 health care information, and greater perceived dis-
4 crimination in health care place communities of
5 color, individuals with disabilities, and LEP individ-
6 uals at greater risk of receiving delayed, and per-
7 haps poorer, health care.

8 (7) Stark racial inequities across the United
9 States, including unequal access to stable housing,
10 quality education, and decent employment signifi-
11 cantly impact the ability of individuals to take care
12 of their most basic health needs. Communities of
13 color are more likely to experience homelessness and
14 struggle with low-paying jobs or unemployment. To
15 date, experts have cited that 2 in 5 Latino residents
16 in New York City, the current epicenter of the
17 COVID–19 pandemic, are recently unemployed as a
18 direct consequence of COVID–19. And at a time
19 when sheltering in place will save lives, less than 1
20 in 5 Black workers and roughly 1 in 6 Latino work-
21 ers are able to work from home.

22 (8) Communities of color experience higher
23 rates of chronic disease and disabilities, such as dia-
24 betes, hypertension, and asthma, than non-Hispanic
25 White communities, which predisposes them to

1 greater risk of complications and mortality should
2 they contract COVID–19.

3 (9) Such communities are made even more vul-
4 nerable to the uncertainty of the preparation, re-
5 sponse, and events surrounding the pandemic public
6 health crisis, COVID–19. For instance, in the recent
7 past, multiple epidemiologic studies and reviews have
8 reported higher rates of hospitalization due to the
9 2009 H1N1 pandemic among the poor, individuals
10 with disabilities and preexisting conditions, those liv-
11 ing in impoverished neighborhoods, and individuals
12 of color and ethnic backgrounds in the United
13 States. These findings highlight the urgency to
14 adapt the COVID–19 response to monitor and act
15 on these inequities via data collection and research
16 by race and ethnicity.

17 (10) Research experts recognize that there are
18 underlying differences in illness and death when
19 each of these factors are examined through socio-
20 economic and racial or ethnic lenses. These socially
21 determinant factors of health accelerate disease and
22 degradation.

23 (11) Language barriers are highly correlated
24 with medication noncompliance and inconsistent en-
25 gagement with health systems. Without language ac-

1 cessibility data and research around COVID–19,
2 these communities are less likely to receive critical
3 testing and preventive health services. Yet, to date,
4 the Centers for Disease Control and Prevention do
5 not disseminate COVID–19 messaging in critical
6 languages, including Mandarin Chinese, Spanish,
7 and Korean within the same timeframe as informa-
8 tion in English despite requirements to ensure lim-
9 ited English proficient populations are not discrimi-
10 nated against under title VI of the Civil Rights Act
11 of 1964 and subsequent laws and Federal policies.

12 (12) Further, it is critical to disaggregate data
13 further by ancestry to address disparities among
14 Asian American, Native Hawaiian, and Pacific Is-
15 lander groups. According to the National Equity
16 Atlas, while 13 percent of the Asian population over-
17 all lived in poverty in 2015, 39 percent of Burmese
18 people, 29 percent of Hmong people, and 21 percent
19 of Pacific Islanders lived in poverty.

20 (13) Utilizing disaggregation of enrollment in
21 Affordable Care Act-sponsored health insurance, the
22 Asian and Pacific Islander American Health Forum
23 found that prior to the passage of the Patient Pro-
24 tection and Affordable Care Act (Public Law 111–
25 148), Korean Americans had a high uninsured rate

1 of 23 percent, compared to just 12 percent for all
2 Asian Americans. Developing targeted outreach ef-
3 forts assisted 1,000,000 people and resulted in a 56-
4 percent decrease in the uninsured among the Asian,
5 Native Hawaiian, and Pacific Islander population.
6 Such efforts show that disaggregated data is essen-
7 tial to public health mobilizations efforts.

8 (14) Without clear understanding of how
9 COVID–19 impacts marginalized racial and ethnic
10 communities, there will be exacerbated risk of en-
11 dangering the most historically vulnerable of our
12 Nation.

13 (15) The consequences of misunderstanding the
14 racial and ethnic impact of COVID–19 expound be-
15 yond communities of color such that it would impact
16 all.

17 (16) Race and ethnicity are valuable research
18 and practice variables when used and interpreted ap-
19 propriately. Health data collected on patients by
20 race and ethnicity will boost and more efficiently di-
21 rect critical resources and inform risk communica-
22 tion development in languages and at appropriate
23 health literacy levels, which resonate with historically
24 vulnerable communities of color.

1 (17) To date, there is no public standardized
2 and comprehensive race and ethnicity data reposi-
3 tory of COVID–19 testing, hospitalizations, or mor-
4 tality. The inconsistency of data collection by Fed-
5 eral, State, and local health authorities, and the in-
6 ability to access data by public research institutions
7 and academic organizations, poses a threat to anal-
8 ysis and synthesis of the pandemic impact on com-
9 munities of color. However, research and medical ex-
10 perts of Historically Black Colleges and Universities,
11 academic health care institutions which are histori-
12 cally and geographically embedded in minoritized
13 and marginalized communities, generally also pos-
14 sess rapport with the communities they serve. They
15 are well-positioned, as trusted thought leaders and
16 health care service providers, to collect data and con-
17 duct research toward creating holistic solutions to
18 remedy the inequitable impact of this and future
19 public health crises.

20 (18) Well-designed, ethically sound research
21 aligns with the goals of medicine, addresses ques-
22 tions relevant to the population among whom the
23 study will be carried out, balances the potential for
24 benefit against the potential for harm, employs

1 study designs that will yield scientifically valid and
2 significant data, and generates useful knowledge.

3 (19) The dearth of racially and ethnically
4 disaggregated data reflecting the health of commu-
5 nities of color underlies the challenges of a fully in-
6 formed public health response.

7 (20) Without collecting race and ethnicity data
8 associated with COVID–19 testing, hospitalizations,
9 morbidities, and mortalities, as well as publicly dis-
10 closing it, communities of color will remain at great-
11 er risk of disease and death.

12 (b) EMERGENCY FUNDING FOR FEDERAL DATA COL-
13 LECTION ON THE RACIAL, ETHNIC, AND OTHER DEMO-
14 GRAPHIC DISPARITIES OF COVID–19.—To conduct or
15 support data collection on the racial, ethnic, and other de-
16 mographic implications of COVID–19 in the United States
17 and its territories, including support to assist in the capac-
18 ity building for State and local public health departments
19 to collect and transmit racial, ethnic, and other demo-
20 graphic data to the relevant Department of Health and
21 Human Services agencies, there is authorized to be appro-
22 priated—

23 (1) to the Centers for Disease Control and Pre-
24 vention, \$12,000,000;

1 (2) to State, territorial, and Tribal public
2 health agencies, distributed proportionally based on
3 the total population of their residents who are en-
4 rolled in Medicaid or who have no health insurance,
5 \$15,000,000;

6 (3) to the Indian Health Service, Indian Tribes
7 and Tribal organizations (as defined in section 4 of
8 the Indian Self-Determination and Education Assist-
9 ance Act), and urban Indian organizations (as de-
10 fined in section 4 of the Indian Health Care Im-
11 provement Act), \$3,000,000;

12 (4) to the Centers for Medicare & Medicaid
13 Services, \$5,000,000;

14 (5) to the Food and Drug Administration,
15 \$5,000,000;

16 (6) to the Agency for Healthcare Research and
17 Quality, \$5,000,000; and

18 (7) to the Office of the National Coordinator
19 for Health Information Technology, \$5,000,000.

20 (c) COVID–19 DATA COLLECTION AND DISCLO-
21 SURE.—

22 (1) DATA COLLECTION.—The Secretary of
23 Health and Human Services (referred to in this sec-
24 tion as the “Secretary”), acting through the Direc-

16 ternal use by an entity that collects, stores, or

21 strategies to safeguard the health of these com-
22 munities in future pandemics.

8 and the service delivery partners of such gov-

14 administrative requirements.

15 (C) The Federal Government should
16 prioritize and proactively assist State and local
17 governments to strengthen the capacity of State
18 and local governments to improve health and

2 health and social services programs.

3 (B) To build a pipeline of State and locally
4 designed, cross-sector interventions and strate-
5 gies that generate rigorous evidence about how
6 to improve health and social outcomes, and in-
7 crease the cost-effectiveness of, and return on
8 investment from, Federal, State, local, and
9 Tribal health and social services programs.

10 (C) To enlist State and local governments
11 and the service providers of such governments
12 as partners in identifying Federal statutory,
13 regulatory, and administrative challenges in im-
14 proving the health and social outcomes of, cost-
15 effectiveness of, and return on investment from,
16 Federal spending on individuals enrolled in

10 dividual selects a plan through such special
11 enrollment period.

12 “(B) EXCEPTION.—The requirement of
13 subparagraph (A) shall not apply to a State-op-
14 erated or State-established Exchange if such
15 Exchange, prior to the date of the enactment of
16 this paragraph, established or otherwise pro-
17 vided for a special enrollment period to address
18 access to coverage under qualified health plans
19 offered through such Exchange during the
20 emergency period described in section
21 1135(g)(1)(B) of the Social Security Act.”.

22 (b) FEDERAL EXCHANGE OUTREACH AND EDU-
23 CATIONAL ACTIVITIES.—Section 1321(c) of the Patient
24 Protection and Affordable Care Act (42 U.S.C. 18041(c))

1 is amended by adding at the end the following new para-
2 graph:

3 “(3) OUTREACH AND EDUCATIONAL ACTIVI-
4 TIES.—

5 “(A) IN GENERAL.—In the case of an Ex-
6 change established or operated by the Secretary
7 within a State pursuant to this subsection, the
8 Secretary shall carry out outreach and edu-
9 cational activities for purposes of informing po-
10 tential enrollees in qualified health plans offered
11 through the Exchange of the availability of cov-
12 erage under such plans and financial assistance
13 for coverage under such plans. Such outreach
14 and educational activities shall be provided in a
15 manner that is culturally and linguistically ap-
16 propriate to the needs of the populations being
17 served by the Exchange (including hard-to-
18 reach populations, such as racial and sexual mi-
19 norities, limited English proficient populations,
20 and young adults).

21 “(B) LIMITATION ON USE OF FUNDS.—No
22 funds appropriated under this paragraph shall
23 be used for expenditures for promoting non-
24 ACA compliant health insurance coverage.

1 “(C) NON-ACA COMPLIANT HEALTH IN-
2 SURANCE COVERAGE.—For purposes of sub-
3 paragraph (B):

4 “(i) The term ‘non-ACA compliant
5 health insurance coverage’ means health
6 insurance coverage, or a group health plan,
7 that is not a qualified health plan.

8 “(ii) Such term includes the following:

9 “(I) An association health plan.

10 “(II) Short-term limited duration
11 insurance.

12 “(D) FUNDING.—There are appropriated,
13 out of any funds in the Treasury not otherwise
14 appropriated, \$25,000,000, to remain available
15 until expended—

16 “(i) to carry out this paragraph; and

17 “(ii) at the discretion of the Sec-
18 retary, to carry out section 1311(i), with
19 respect to an Exchange established or op-
20 erated by the Secretary within a State pur-
21 suant to this subsection.”.

22 (c) IMPLEMENTATION.—The Secretary of Health and
23 Human Services may implement the provisions of (includ-
24 ing amendments made by) this section through subregu-
25 latory guidance, program instruction, or otherwise.

1 **SEC. 317503. MOMMA’S ACT.**

2 (a) **SHORT TITLE.**—This section may be cited as the
3 “Mothers and Offspring Mortality and Morbidity Aware-
4 ness Act” or the “MOMMA’s Act”.

5 (b) **FINDINGS.**—Congress finds the following:

6 (1) Every year, across the United States,
7 4,000,000 women give birth, about 700 women suf-
8 fer fatal complications during pregnancy, while giv-
9 ing birth or during the postpartum period, and
10 70,000 women suffer near-fatal, partum-related
11 complications.

12 (2) The maternal mortality rate is often used as
13 a proxy to measure the overall health of a popu-
14 lation. While the infant mortality rate in the United
15 States has reached its lowest point, the risk of death
16 for women in the United States during pregnancy,
17 childbirth, or the postpartum period is higher than
18 such risk in many other developed nations. The esti-
19 mated maternal mortality rate (per 100,000 live
20 births) for the 48 contiguous States and Wash-
21 ington, DC increased from 18.8 percent in 2000 to
22 23.8 percent in 2014 to 26.6 percent in 2018. This
23 estimated rate is on par with such rate for under-
24 developed nations such as Iraq and Afghanistan.

25 (3) International studies estimate the 2015 ma-
26 ternal mortality rate in the United States as 26.4

1 per 100,000 live births, which is almost twice the
2 2015 World Health Organization estimation of 14
3 per 100,000 live births.

4 (4) It is estimated that more than 60 percent
5 of maternal deaths in the United States are prevent-
6 able.

7 (5) According to the Centers for Disease Con-
8 trol and Prevention, the maternal mortality rate var-
9 ies drastically for women by race and ethnicity.
10 There are 12.7 deaths per 100,000 live births for
11 White women, 43.5 deaths per 100,000 live births
12 for African-American women, and 14.4 deaths per
13 100,000 live births for women of other ethnicities.
14 While maternal mortality disparately impacts Afri-
15 can-American women, this urgent public health crisis
16 traverses race, ethnicity, socioeconomic status, edu-
17 cational background, and geography.

18 (6) African-American women are 3 to 4 times
19 more likely to die from causes related to pregnancy
20 and childbirth compared to non-Hispanic White
21 women.

22 (7) The findings described in paragraphs (1)
23 through (6) are of major concern to researchers,
24 academics, members of the business community, and
25 providers across the obstetrical continuum rep-

1 resented by organizations such as March of Dimes;
2 the Preeclampsia Foundation; the American College
3 of Obstetricians and Gynecologists; the Society for
4 Maternal-Fetal Medicine; the Association of Women's
5 Health, Obstetric, and Neonatal Nurses; the
6 California Maternal Quality Care Collaborative;
7 Black Women's Health Imperative; the National
8 Birth Equity Collaborative; Black Mamas Matter Alliance;
9 EverThrive Illinois; the National Association
10 of Certified Professional Midwives; PCOS Challenge:
11 The National Polycystic Ovary Syndrome Association;
12 and the American College of Nurse Midwives.

13 (8) Hemorrhage, cardiovascular and coronary
14 conditions, cardiomyopathy, infection, embolism,
15 mental health conditions, preeclampsia and eclampsia,
16 polycystic ovary syndrome, infection and sepsis,
17 and anesthesia complications are the predominant
18 medical causes of maternal-related deaths and complications.
19 Most of these conditions are largely preventable or manageable.
20

21 (9) Oral health is an important part of
22 perinatal health. Reducing bacteria in a woman's
23 mouth during pregnancy can significantly reduce her
24 risk of developing oral diseases and spreading decay-causing
25 bacteria to her baby. Moreover, some evi-

1 dence suggests that women with periodontal disease
2 during pregnancy could be at greater risk for poor
3 birth outcomes, such as preeclampsia, pre-term
4 birth, and low-birth weight. Furthermore, a woman's
5 oral health during pregnancy is a good predictor of
6 her newborn's oral health, and since mothers can
7 unintentionally spread oral bacteria to their babies,
8 putting their children at higher risk for tooth decay,
9 prevention efforts should happen even before chil-
10 dren are born, as a matter of pre-pregnancy health
11 and prenatal care during pregnancy.

12 (10) The United States has not been able to
13 submit a formal maternal mortality rate to inter-
14 national data repositories since 2007. Thus, no offi-
15 cial maternal mortality rate exists for the United
16 States. There can be no maternal mortality rate
17 without streamlining maternal mortality-related data
18 from the State level and extrapolating such data to
19 the Federal level.

20 (11) In the United States, death reporting and
21 analysis is a State function rather than a Federal
22 process. States report all deaths—including mater-
23 nal deaths—on a semi-voluntary basis, without
24 standardization across States. While the Centers for
25 Disease Control and Prevention has the capacity and

1 system for collecting death-related data based on
2 death certificates, these data are not sufficiently re-
3 ported by States in an organized and standard for-
4 mat across States such that the Centers for Disease
5 Control and Prevention is able to identify causes of
6 maternal death and best practices for the prevention
7 of such death.

8 (12) Vital statistics systems often underesti-
9 mate maternal mortality and are insufficient data
10 sources from which to derive a full scope of medical
11 and social determinant factors contributing to ma-
12 ternal deaths. While the addition of pregnancy
13 checkboxes on death certificates since 2003 have
14 likely improved States' abilities to identify preg-
15 nancy-related deaths, they are not generally com-
16 pleted by obstetrical providers or persons trained to
17 recognize pregnancy-related mortality. Thus, these
18 vital forms may be missing information or may cap-
19 ture inconsistent data. Due to varying maternal
20 mortality-related analyses, lack of reliability, and
21 granularity in data, current maternal mortality
22 informatics do not fully encapsulate the myriad med-
23 ical and socially determinant factors that contribute
24 to such high maternal mortality rates within the
25 United States compared to other developed nations.

1 Lack of standardization of data and data sharing
2 across States and between Federal entities, health
3 networks, and research institutions keep the Nation
4 in the dark about ways to prevent maternal deaths.

5 (13) Having reliable and valid State data ag-
6 gregated at the Federal level are critical to the Na-
7 tion's ability to quell surges in maternal death and
8 imperative for researchers to identify long-lasting
9 interventions.

10 (14) Leaders in maternal wellness highly rec-
11 ommend that maternal deaths be investigated at the
12 State level first, and that standardized, streamlined,
13 de-identified data regarding maternal deaths be sent
14 annually to the Centers for Disease Control and Pre-
15 vention. Such data standardization and collection
16 would be similar in operation and effect to the Na-
17 tional Program of Cancer Registries of the Centers
18 for Disease Control and Prevention and akin to the
19 Confidential Enquiry in Maternal Deaths Pro-
20 gramme in the United Kingdom. Such a maternal
21 mortalities and morbidities registry and surveillance
22 system would help providers, academicians, law-
23 makers, and the public to address questions con-
24 cerning the types of, causes of, and best practices to

1 thwart, pregnancy-related or pregnancy-associated
2 mortality and morbidity.

3 (15) The United Nations' Millennium Develop-
4 ment Goal 5a aimed to reduce by 75 percent, be-
5 tween 1990 and 2015, the maternal mortality rate,
6 yet this metric has not been achieved. In fact, the
7 maternal mortality rate in the United States has
8 been estimated to have more than doubled between
9 2000 and 2014. Yet, because national data are not
10 fully available, the United States does not have an
11 official maternal mortality rate.

12 (16) Many States have struggled to establish or
13 maintain Maternal Mortality Review Committees
14 (referred to in this section as "MMRC"). On the
15 State level, MMRCs have lagged because States have
16 not had the resources to mount local reviews. State-
17 level reviews are necessary as only the State depart-
18 ments of health have the authority to request med-
19 ical records, autopsy reports, and police reports crit-
20 ical to the function of the MMRC.

21 (17) The United Kingdom regards maternal
22 deaths as a health systems failure and a national
23 committee of obstetrics experts review each maternal
24 death or near-fatal childbirth complication. Such
25 committee also establishes the predominant course of

1 maternal-related deaths from conditions such as
2 preeclampsia. Consequently, the United Kingdom
3 has been able to reduce its incidence of preeclampsia
4 to less than one in 10,000 women—its lowest rate
5 since 1952.

6 (18) The United States has no comparable, co-
7 ordinated Federal process by which to review cases
8 of maternal mortality, systems failures, or best prac-
9 tices. Many States have active MMRCs and leverage
10 their work to impact maternal wellness. For exam-
11 ple, the State of California has worked extensively
12 with their State health departments, health and hos-
13 pital systems, and research collaborative organiza-
14 tions, including the California Maternal Quality Care
15 Collaborative and the Alliance for Innovation on Ma-
16 ternal Health, to establish MMRCs, wherein such
17 State has determined the most prevalent causes of
18 maternal mortality and recorded and shared data
19 with providers and researchers, who have developed
20 and implemented safety bundles and care protocols
21 related to preeclampsia, maternal hemorrhage, and
22 the like. In this way, the State of California has
23 been able to leverage its maternal mortality review
24 board system, generate data, and apply those data
25 to effect changes in maternal care-related protocol.

1 To date, the State of California has reduced its ma-
2 ternal mortality rate, which is now comparable to
3 the low rates of the United Kingdom.

4 (19) Hospitals and health systems across the
5 United States lack standardization of emergency ob-
6 stetrical protocols before, during, and after delivery.
7 Consequently, many providers are delayed in recog-
8 nizing critical signs indicating maternal distress that
9 quickly escalate into fatal or near-fatal incidences.
10 Moreover, any attempt to address an obstetrical
11 emergency that does not consider both clinical and
12 public health approaches falls woefully under the
13 mark of excellent care delivery. State-based maternal
14 quality collaborative organizations, such as the Cali-
15 fornia Maternal Quality Care Collaborative or enti-
16 ties participating in the Alliance for Innovation on
17 Maternal Health (AIM), have formed obstetrical pro-
18 tocols, tool kits, and other resources to improve sys-
19 tem care and response as they relate to maternal
20 complications and warning signs for such conditions
21 as maternal hemorrhage, hypertension, and
22 preeclampsia.

23 (20) The Centers for Disease Control and Pre-
24 vention reports that nearly half of all maternal
25 deaths occur in the immediate postpartum period—

1 the 42 days following a pregnancy—whereas more
2 than one-third of pregnancy-related or pregnancy-as-
3 sociated deaths occur while a person is still preg-
4 nant. Yet, for women eligible for the Medicaid pro-
5 gram on the basis of pregnancy, such Medicaid cov-
6 erage lapses at the end of the month on which the
7 60th postpartum day lands.

8 (21) The experience of serious traumatic
9 events, such as being exposed to domestic violence,
10 substance use disorder, or pervasive racism, can
11 over-activate the body's stress-response system.
12 Known as toxic stress, the repetition of high-doses
13 of cortisol to the brain, can harm healthy neuro-
14 logical development, which can have cascading phys-
15 ical and mental health consequences, as documented
16 in the Adverse Childhood Experiences study of the
17 Centers for Disease Control and Prevention.

18 (22) A growing body of evidence-based research
19 has shown the correlation between the stress associ-
20 ated with one's race—the stress of racism—and
21 one's birthing outcomes. The stress of sex and race
22 discrimination and institutional racism has been
23 demonstrated to contribute to a higher risk of ma-
24 ternal mortality, irrespective of one's gestational
25 age, maternal age, socioeconomic status, or indi-

1 vidual-level health risk factors, including poverty,
2 limited access to prenatal care, and poor physical
3 and mental health (although these are not nominal
4 factors). African-American women remain the most
5 at risk for pregnancy-associated or pregnancy-re-
6 lated causes of death. When it comes to
7 preeclampsia, for example, which is related to obe-
8 sity, African-American women of normal weight re-
9 main the most at risk of dying during the perinatal
10 period compared to non-African-American obese
11 women.

12 (23) The rising maternal mortality rate in the
13 United States is driven predominantly by the dis-
14 proportionately high rates of African-American ma-
15 ternal mortality.

16 (24) African-American women are 3 to 4 times
17 more likely to die from pregnancy or maternal-re-
18 lated distress than are White women, yielding one of
19 the greatest and most disconcerting racial disparities
20 in public health.

21 (25) Compared to women from other racial and
22 ethnic demographics, African-American women
23 across the socioeconomic spectrum experience pro-
24 longed, unrelenting stress related to racial and gen-
25 der discrimination, contributing to higher rates of

1 maternal mortality, giving birth to low-weight ba-
2 bies, and experiencing pre-term birth. Racism is a
3 risk-factor for these aforementioned experiences.
4 This cumulative stress often extends across the life
5 course and is situated in everyday spaces where Afri-
6 can-American women establish livelihood. Structural
7 barriers, lack of access to care, and genetic pre-
8 dispositions to health vulnerabilities exacerbate Afri-
9 can-American women's likelihood to experience poor
10 or fatal birthing outcomes, but do not fully account
11 for the great disparity.

12 (26) African-American women are twice as like-
13 ly to experience postpartum depression, and dis-
14 proportionately higher rates of preeclampsia com-
15 pared to White women.

16 (27) Racism is deeply ingrained in United
17 States systems, including in health care delivery sys-
18 tems between patients and providers, often resulting
19 in disparate treatment for pain, irreverence for cul-
20 tural norms with respect to health, and
21 dismissiveness. Research has demonstrated that pa-
22 tients respond more warmly and adhere to medical
23 treatment plans at a higher degree with providers of
24 the same race or ethnicity or with providers with
25 great ability to exercise empathy. However, the pro-

1 vider pool is not primed with many people of color,
2 nor are providers (whether student-doctors in train-
3 ing or licensed practitioners) consistently required to
4 undergo implicit bias, cultural competency, or empa-
5 thy training on a consistent, on-going basis.

6 (c) IMPROVING FEDERAL EFFORTS WITH RESPECT
7 TO PREVENTION OF MATERNAL MORTALITY.—

8 (1) TECHNICAL ASSISTANCE FOR STATES WITH
9 RESPECT TO REPORTING MATERNAL MORTALITY.—

10 Not later than one year after the date of enactment
11 of this Act, the Director of the Centers for Disease
12 Control and Prevention (referred to in this section
13 as the “Director”), in consultation with the Admin-
14 istrator of the Health Resources and Services Ad-
15 ministration, shall provide technical assistance to
16 States that elect to report comprehensive data on
17 maternal mortality, including oral, mental, and
18 breastfeeding health information, for the purpose of
19 encouraging uniformity in the reporting of such data
20 and to encourage the sharing of such data among
21 the respective States.

22 (2) BEST PRACTICES RELATING TO PREVEN-
23 TION OF MATERNAL MORTALITY.—

24 (A) IN GENERAL.—Not later than one year
25 after the date of enactment of this Act—

1 (i) the Director, in consultation with
2 relevant patient and provider groups, shall
3 issue best practices to State maternal mor-
4 tality review committees on how best to
5 identify and review maternal mortality
6 cases, taking into account any data made
7 available by States relating to maternal
8 mortality, including data on oral, mental,
9 and breastfeeding health, and utilization of
10 any emergency services; and

11 (ii) the Director, working in collabora-
12 tion with the Health Resources and Serv-
13 ices Administration, shall issue best prac-
14 tices to hospitals, State professional society
15 groups, and perinatal quality collaboratives
16 on how best to prevent maternal mortality.

17 (B) AUTHORIZATION OF APPROPRIA-
18 TIONS.—For purposes of carrying out this sub-
19 section, there is authorized to be appropriated
20 \$5,000,000 for each of fiscal years 2022
21 through 2026.

22 (3) ALLIANCE FOR INNOVATION ON MATERNAL
23 HEALTH GRANT PROGRAM.—

24 (A) IN GENERAL.—Not later than one year
25 after the date of enactment of this Act, the Sec-

1 retary of Health and Human Services (referred
2 to in this subsection as the “Secretary”), acting
3 through the Associate Administrator of the Ma-
4 ternal and Child Health Bureau of the Health
5 Resources and Services Administration, shall
6 establish a grant program to be known as the
7 Alliance for Innovation on Maternal Health
8 Grant Program (referred to in this subsection
9 as “AIM”) under which the Secretary shall
10 award grants to eligible entities for the purpose
11 of—

12 (i) directing widespread adoption and
13 implementation of maternal safety bundles
14 through collaborative State-based teams;
15 and

16 (ii) collecting and analyzing process,
17 structure, and outcome data to drive con-
18 tinuous improvement in the implementa-
19 tion of such safety bundles by such State-
20 based teams with the ultimate goal of
21 eliminating preventable maternal mortality
22 and severe maternal morbidity in the
23 United States.

1 (B) ELIGIBLE ENTITIES.—In order to be
2 eligible for a grant under paragraph (1), an en-
3 tity shall—

4 (i) submit to the Secretary an applica-
5 tion at such time, in such manner, and
6 containing such information as the Sec-
7 retary may require; and

8 (ii) demonstrate in such application
9 that the entity is an interdisciplinary,
10 multi-stakeholder, national organization
11 with a national data-driven maternal safety
12 and quality improvement initiative based
13 on implementation approaches that have
14 been proven to improve maternal safety
15 and outcomes in the United States.

16 (C) USE OF FUNDS.—An eligible entity
17 that receives a grant under paragraph (1) shall
18 use such grant funds—

19 (i) to develop and implement, through
20 a robust, multi-stakeholder process, mater-
21 nal safety bundles to assist States and
22 health care systems in aligning national,
23 State, and hospital-level quality improve-
24 ment efforts to improve maternal health
25 outcomes, specifically the reduction of ma-

1 ternal mortality and severe maternal mor-
2 bidity;

3 (ii) to ensure, in developing and im-
4 plementing maternal safety bundles under
5 subparagraph (A), that such maternal
6 safety bundles—

7 (I) satisfy the quality improve-
8 ment needs of a State or health care
9 system by factoring in the results and
10 findings of relevant data reviews, such
11 as reviews conducted by a State ma-
12 ternal mortality review committee;
13 and

14 (II) address topics such as—

15 (aa) obstetric hemorrhage;

16 (bb) maternal mental health;

17 (cc) the maternal venous
18 system;

19 (dd) obstetric care for
20 women with substance use dis-
21 orders, including opioid use dis-
22 order;

23 (ee) postpartum care basics
24 for maternal safety;

- 1 (ff) reduction of peripartum
- 2 racial and ethnic disparities;
- 3 (gg) reduction of primary
- 4 caesarean birth;
- 5 (hh) severe hypertension in
- 6 pregnancy;
- 7 (ii) severe maternal mor-
- 8 bidity reviews;
- 9 (jj) support after a severe
- 10 maternal morbidity event;
- 11 (kk) thromboembolism;
- 12 (ll) optimization of support
- 13 for breastfeeding; and
- 14 (mm) maternal oral health;
- 15 and

16 (iii) to provide ongoing technical as-

17 sistance at the national and State levels to

18 support implementation of maternal safety

19 bundles under subparagraph (A).

20 (D) MATERNAL SAFETY BUNDLE DE-

21 FINED.—For purposes of this subsection, the

22 term “maternal safety bundle” means standard-

23 ized, evidence-informed processes for maternal

24 health care.

1 (E) AUTHORIZATION OF APPROPRIA-
2 TIONS.—For purposes of carrying out this sub-
3 section, there is authorized to be appropriated
4 \$10,000,000 for each of fiscal years 2022
5 through 2025.

6 (4) FUNDING FOR STATE-BASED PERINATAL
7 QUALITY COLLABORATIVES DEVELOPMENT AND SUS-
8 TAINABILITY.—

9 (A) IN GENERAL.—Not later than one year
10 after the date of enactment of this Act, the Sec-
11 retary of Health and Human Services (referred
12 to in this subsection as the “Secretary”), acting
13 through the Division of Reproductive Health of
14 the Centers for Disease Control and Prevention,
15 shall establish a grant program to be known as
16 the State-Based Perinatal Quality Collaborative
17 grant program under which the Secretary
18 awards grants to eligible entities for the pur-
19 pose of development and sustainability of
20 perinatal quality collaboratives in every State,
21 the District of Columbia, and eligible terri-
22 tories, in order to measurably improve perinatal
23 care and perinatal health outcomes for preg-
24 nant and postpartum women and their infants.

1 (B) GRANT AMOUNTS.—Grants awarded
2 under this subsection shall be in amounts not to
3 exceed \$250,000 per year, for the duration of
4 the grant period.

5 (C) STATE-BASED PERINATAL QUALITY
6 COLLABORATIVE DEFINED.—For purposes of
7 this subsection, the term “State-based perinatal
8 quality collaborative” means a network of mul-
9 tidisciplinary teams that—

10 (i) work to improve measurable out-
11 comes for maternal and infant health by
12 advancing evidence-informed clinical prac-
13 tices using quality improvement principles;

14 (ii) work with hospital-based or out-
15 patient facility-based clinical teams, ex-
16 perts, and stakeholders, including patients
17 and families, to spread best practices and
18 optimize resources to improve perinatal
19 care and outcomes;

20 (iii) employ strategies that include the
21 use of the collaborative learning model to
22 provide opportunities for hospitals and
23 clinical teams to collaborate on improve-
24 ment strategies, rapid-response data to
25 provide timely feedback to hospital and

1 other clinical teams to track progress, and
2 quality improvement science to provide
3 support and coaching to hospital and clin-
4 ical teams; and

5 (iv) have the goal of improving popu-
6 lation-level outcomes in maternal and in-
7 fant health.

8 (D) AUTHORIZATION OF APPROPRIA-
9 TIONS.—For purposes of carrying out this sub-
10 section, there is authorized to be appropriated
11 \$14,000,000 per year for each of fiscal years
12 2022 through 2026.

13 (5) EXPANSION OF MEDICAID AND CHIP COV-
14 ERAGE FOR PREGNANT AND POSTPARTUM WOMEN.—

15 (A) REQUIRING COVERAGE OF ORAL
16 HEALTH SERVICES FOR PREGNANT AND
17 POSTPARTUM WOMEN.—

18 (i) MEDICAID.—Section 1905 of the
19 Social Security Act (42 U.S.C. 1396d) is
20 amended—

21 (I) in subsection (a)(4)—

22 (aa) by striking “; and (D)”
23 and inserting “; (D)”; and

24 (bb) by inserting “; and (E)”
25 oral health services for pregnant

1 and postpartum women (as de-
2 fined in subsection (ee))” after
3 “subsection (bb))”; and
4 (II) by adding at the end the fol-
5 lowing new subsection:

6 “(ee) ORAL HEALTH SERVICES FOR PREGNANT AND
7 POSTPARTUM WOMEN.—

8 “(1) IN GENERAL.—For purposes of this title,
9 the term ‘oral health services for pregnant and
10 postpartum women’ means dental services necessary
11 to prevent disease and promote oral health, restore

5 **SEC. 317604. IMPROVING SOCIAL DETERMINANTS OF**
6 **HEALTH.**

7 (a) FINDINGS.—Congress finds the following:

8 (1) Healthy People 2020 defines social deter-
9 minants of health as conditions in the environments
10 in which people live, learn, work, play, worship, and
11 age that affect a wide range of health, functioning,
12 and quality-of-life outcomes and risks.

13 (2) One of the overarching goals of Healthy
14 People 2020 is to “create social and physical envi-
15 ronments that promote good health for all”.

16 (3) Healthy People 2020 developed a “place-
17 based” organizing framework, reflecting five key
18 areas of social determinants of health namely—

19 (A) economic stability;

20 (B) education;

21 (C) social and community context;

22 (D) health and health care; and

23 (E) neighborhood and built environment.

1 (4) It is estimated that medical care accounts
2 for only 10 to 20 percent of the modifiable contribu-
3 tors to healthy outcomes for a population.

4 (5) The Centers for Medicare & Medicaid Serv-
5 ices has indicated the importance of the social deter-
6 minants in its work stating that, “As we seek to fos-
7 ter innovation, rethink rural health, find solutions to
8 the opioid epidemic, and continue to put patients
9 first, we need to take into account social deter-
10 minants of health and recognize their importance.”.

11 (6) The Department of Health and Human
12 Services’ Public Health 3.0 initiative recognizes the
13 role of public health in working across sectors on so-
14 cial determinants of health, as well as the role of
15 public health as chief health strategist in commu-
16 nities.

17 (7) Through its Health Impact in 5 Years ini-
18 tiative, the Centers for Disease Control and Preven-
19 tion has highlighted nonclinical, community-wide ap-
20 proaches that show positive health impacts, results
21 within five years, and cost effectiveness or cost sav-
22 ings over the lifetime of the population or earlier.

23 (8) Health departments and the Centers for
24 Disease Control and Prevention are not funded for
25 such cross-cutting work.

1 (9) Providing grants to public health depart-
2 ments and other eligible entities to coordinate cross-
3 sector collaboration will allow a community-wide, evi-
4 dence-based approach to address underlying social
5 determinants of health.

6 (b) SOCIAL DETERMINANTS OF HEALTH PRO-
7 GRAM.—

13 “medically underserved area” means—

14 (1) a population that has been designated as a

14 **SEC. 317909. COVID-19 DESIGNATION OF IMMEDIATE SPE-**
15 **CIAL AUTHORITY OF SPECTRUM FOR TRIBES’**
16 **EMERGENCY RESPONSE IN INDIAN COUNTRY.**

17 (a) FINDINGS.—Congress finds the following:

18 (1) The immediate grant of emergency special
19 temporary authority of available spectrum that will
20 efficiently support temporary wireless broadband
21 networks and allow Indian Tribes to provide Tribal
22 members with wireless broadband service over Tribal
23 lands or Hawaiian Home Lands during the COVID–
24 19 crisis due to the increased demand for tele-

1 communications and disproportionate impacts of the
2 COVID–19 pandemic in Indian Country is essential.

3 (2) Reservations are the most digitally discon-
4 nected areas in the United States that lack basic ac-
5 cess to broadband and wireless services at rates
6 comparable to, and in some cases lower than, third-
7 world countries.

8 (3) In 2018, the Government Accountability Of-
9 fice and the Federal Communications Commission
10 reported that only 65 percent of American Indian
11 and Alaska Natives (AI/ANs) living on Tribal lands
12 had access to fixed broadband services, and only 68
13 percent of AI/AN households on rural Tribal lands
14 had telephone services. This is a stark comparison to
15 only 8 percent of the national average that lacks ac-
16 cess to fixed broadband services.

17 (4) Indian Tribes have previously encountered
18 substantial barriers to accessing broadband and
19 other communications services on Tribal lands to de-
20 ploy telecommunication services for the safety and
21 well-being of Tribal members and to decrease the
22 alarming rates of unnecessary loss of lives that AI/
23 ANs disproportionately experience, especially
24 through the lack of access to health care services
25 and emergency resources, as demonstrated during

1 the COVID–19 pandemic that continues to dis-
2 proportionately impact Indian Country.

3 (5) Indian Tribes’ lack of access to broadband
4 services on Tribal lands and Hawaiian Home Lands
5 during the COVID–19 pandemic further highlights
6 the digital divide in Indian Country.

7 (6) The Government Accountability Office
8 found that health information technology systems at
9 the Indian Health Service rank as the Federal Gov-
10 ernment’s third-highest need for agency system mod-
11 ernization, since 50 percent of Indian Health Service
12 facilities depend on outdated circuit connections
13 based on one or two TI circuit lines (3 Mbps), cre-
14 ating slower response times than any other health
15 facility system in the United States.

16 (7) A 2018 Tribal health reform comment filed
17 with the Federal Communications Commission has
18 further stated that approximately 1.5 million people
19 living on Tribal lands lack access to broadband and,
20 of the 75 percent of rural Indian Health Service fa-
21 cilities, many still lack reliable broadband networks
22 for American Indians and Alaska Natives (AI/ANs)
23 to access telehealth or clinical health care services,
24 which is a critical need in the most geographically
25 isolated areas of the country with some of the high-

1 est poverty rates, and lack of access to reliable
2 transportation.

3 (8) The Bureau of Indian Education has stated
4 that recent estimates from 142 out of 174 schools
5 have indicated that approximately 15 to 95 percent
6 of students do not have access to internet services
7 at home depending on Bureau school location and
8 limitations on data caps during the COVID–19 cri-
9 sis.

10 (b) DEPLOYMENT OF WIRELESS BROADBAND SERV-
11 ICE ON TRIBAL LANDS AND HAWAIIAN HOME LANDS.—

12 (1) FUNDING OF GRANTS FOR IMMEDIATE DE-
13 PLOYMENT OF WIRELESS BROADBAND SERVICE ON
14 TRIBAL LANDS AND HAWAIIAN HOME LANDS.—In
15 addition to any other amounts made available, out of
16 any money in the Treasury of the United States not
17 otherwise appropriated, there are appropriated—

18 (A) \$297,500,000 for grants under the
19 community facilities grant program under sec-
20 tion 306(a)(19) of the Consolidated Farm and
21 Rural Development Act to Indian Tribes, quali-
22 fying Tribal entities, and the Director of the
23 Department of Hawaiian Home Lands, for the
24 immediate deployment of wireless broadband
25 service on Tribal lands and Hawaiian Home

1 Lands, respectively, through the use of emer-
2 gency special temporary authority granted
3 under paragraph (2) of this subsection, includ-
4 ing backhaul costs, repairs to damaged infra-
5 structure, the cost of the repairs to which would
6 be less expensive than the cost of new infra-
7 structure and would support the emergency spe-
8 cial temporary use, and the Federal share appli-
9 cable to grants from such amount shall be 100
10 percent, which amount shall remain available
11 for one year from the enactment of this Act;
12 and

13 (B) \$3,000,000 for grants under the com-
14 munity facilities technical assistance and train-
15 ing grant program under section 306(a)(26) of
16 such Act, without regard to sections
17 306(a)(26)(B) and 306(a)(26)(C) of such Act,
18 to assist Indian Tribes, qualifying Tribal enti-
19 ties, and the Director of the Department of Ha-
20 waiian Home Lands in preparing applications
21 for the grants referred to in subparagraph (B)
22 of this paragraph, which amount shall remain
23 available for one year from the enactment of
24 this Act.

1 Grants referred to under subparagraph (B) shall be
2 available to Indian Tribes, qualifying Tribal entities
3 and shall also be available to inter-Tribal govern-
4 ment organizations, universities, and colleges with
5 Tribal serving institutions for the purposes stated
6 herein.

7 (2) EMERGENCY SPECIAL TEMPORARY AUTHOR-
8 ITY TO USE AVAILABLE AND EFFICIENT SPECTRUM
9 ON TRIBAL LANDS AND HAWAIIAN HOME LANDS.—

10 (A) GRANT OF AUTHORITY.—Not later
11 than 10 days after receiving a request from an
12 Indian Tribe, a qualifying Tribal entity, or the
13 Director of the Department of Hawaiian Home
14 Lands for emergency special temporary author-
15 ity to use electromagnetic spectrum described in
16 subparagraph (C) for the provision of wireless
17 broadband service over the Tribal lands over
18 which the Indian Tribe or qualifying Tribal en-
19 tity has jurisdiction or (in the case of a request
20 from the Director of the Department of Hawai-
21 ian Home Lands) over the Hawaiian Home
22 Lands, allowing unlicensed radio transmitters
23 to operate for such provision on such spectrum
24 at locations on such Tribal lands or Hawaiian
25 Home Lands where such spectrum is not being

1 used, the Commission shall grant such request
2 on a secondary non-interference basis.

3 (B) DURATION.—A grant of emergency
4 special temporary authority under subpara-
5 graph (A) shall be for a period of operation to
6 begin not later than 6 months after the date of
7 the enactment of this Act and to remain in op-
8 eration for not longer than 6 months, absent
9 extensions granted by the Commission pursuant
10 to the procedures of the Commission relating to
11 special temporary authority.

12 (C) ELECTROMAGNETIC SPECTRUM DE-
13 SCRIBED.—The electromagnetic spectrum de-
14 scribed in this subparagraph for utilization on
15 the temporary basis is any portion of the elec-
16 tromagnetic spectrum—

17 (i) that is—

18 (I) between the frequencies of
19 2496 megahertz and 2690 megahertz,
20 inclusive;

21 (II) in the white spaces of the
22 television broadcast spectrum between
23 the frequencies of 470 megahertz and
24 790 megahertz, inclusive, excluding
25 those frequencies utilized for other

1 purposes under subpart H of part 15
2 of title 47, Code of Federal Regula-
3 tions;

4 (III) between the frequencies of
5 5925 megahertz and 7125 megahertz,
6 inclusive; or

7 (IV) between frequencies of 3550
8 megahertz and 3700 megahertz, inclu-
9 sive; and

10 (ii) with respect to the Tribal lands or
11 Hawaiian Home Lands over which author-
12 ity to use such spectrum is requested

10 **TITLE IV—ENVIRONMENTAL**
11 **JUSTICE**
12 **Subtitle A—100% Clean Economy**

13 **SEC. 40101. SHORT TITLE.**

14 This subtitle may be cited as the “100% Clean Econ-
15 omy Act of 2020”.

16 **SEC. 40102. NATIONAL GOAL.**

17 It is hereby declared that it is the national goal for
18 the United States to achieve a 100 percent clean economy
19 by not later than 2050.

20 **SEC. 40103. FINDINGS.**

21 Congress makes the following findings:

22 (1) In 2018, the United Nations Intergovern-
23 mental Panel on Climate Change released a report
24 which projected that the global mean surface tem-
25 perature of the Earth could rise 1.5 °C above
26 preindustrial levels as early as 2030. Increases be-

1 yond this threshold would likely have devastating ef-
2 fects on our society.

3 (2) The 2018 report indicates that to prevent
4 1.5 °C of warming above preindustrial levels, emis-
5 sions from human sources must be reduced by 40 to
6 60 percent from 2010 levels by 2030, and to net
7 zero emissions by 2050.

8 (3) The Federal Government can and must play
9 a leading role in global efforts to minimize climate
10 change and to mitigate its worst effects. By achiev-
11 ing a 100 percent clean economy by 2050, the
12 United States can take a critical step toward meet-
13 ing that obligation.

14 (4) Greenhouse gas pollution, like many other
15 forms of pollution, adversely affects human beings
16 on both local and global scales. These effects are
17 intersectional and accretive, and the cumulative im-
18 pact of past and present pollution has fallen dis-
19 proportionately upon already-vulnerable and
20 -marginalized communities, including communities of
21 color, Tribal and indigenous communities, low-in-
22 come communities, and rural communities. Current
23 and future effects of climate change, including ad-
24 verse health effects and other harms, are being and

1 will likely continue to be felt first and most severely
2 in many of these same vulnerable communities.

3 (5) Governmental action to correct environ-
4 mental injustice is morally imperative and necessary
5 for public health. Federal policy can and should ac-
6 knowledge, and make use of, the intersections be-
7 tween the interlinked challenges of correcting envi-
8 ronmental injustice and reducing greenhouse gas
9 pollution.

10 (6) At the same time, American workers and
11 communities are also suffering from economic in-
12 equality and wages are not keeping up with the cost
13 of living for healthcare and other necessities. The
14 trend downward in union representation and the
15 bargaining power that provides for workers has cor-
16 responded with an increase in income going to the
17 top 10 percent of earners. Federal climate policy can
18 and should be shaped to diminish economic inequal-
19 ity and expand the rights of workers.

20 (7) All people deserve clean air, clean water, a
21 life free from toxic pollution that endanger public
22 health or welfare, and to share in the benefits of a
23 100 percent clean economy.

24 (8) Sound climate policies to achieve a 100 per-
25 cent clean economy will spur the development and

1 manufacturing of new technologies, the construction
2 and repair of infrastructure, the restoration of nat-
3 ural systems for resilience and carbon sequestration,
4 and the creation of new high-quality jobs. These in-
5 vestments can help ensure the competitiveness of the
6 United States in the global economy.

7 (9) As the Federal Government seeks to combat
8 climate change, these new resources and opportuni-
9 ties should be concentrated, as quickly as possible
10 and to the greatest extent practicable, in commu-
11 nities that are currently experiencing or potentially
12 face disproportionate harm from pollution, and that
13 face greater challenges in the transition to a 100
14 percent clean economy.

15 **SEC. 40104. FEDERAL AGENCY PLANS.**

16 (a) PLAN DEVELOPMENT.—The head of each Federal
17 agency shall, in accordance with this section, develop a
18 plan for actions to be taken by the Federal agency, con-
19 sistent with the Federal agency’s mission and exclusively
20 through authorities vested in the Federal agency by provi-
21 sions of law other than this subtitle, to achieve, in com-
22 bination with the other Federal agencies, the national goal
23 declared by section 40102. Each Federal agency’s plan
24 shall include actions that will—

1 (1) make significant and rapid progress toward
2 meeting such national goal; and

3 (2) constitute a substantial change from busi-
4 ness-as-usual policies and practices of such Federal
5 agency.

6 (b) ACTIONS TO MEET GOALS.—

7 (1) IN GENERAL.—Actions selected by the head
8 of a Federal agency to include in a plan developed
9 under subsection (a) may include issuing regula-
10 tions, providing incentives, carrying out research and
11 development programs, reducing the greenhouse gas
12 emissions of such Federal agency itself, and any
13 other action the head of the Federal agency deter-
14 mines appropriate to achieve the national goal de-
15 clared by section 40102.

16 (2) SELECTION.—In selecting actions to include
17 in a plan developed under subsection (a), the head
18 of each Federal agency shall select actions designed
19 to—

20 (A) improve public health, resilience, and
21 environmental outcomes, especially for rural
22 and low-income households, communities of
23 color, Tribal and indigenous communities,
24 deindustrialized communities, and communities

1 that are disproportionately vulnerable to the im-
2 pacts of climate change and other pollution;

3 (B) provide benefits for consumers, small
4 businesses, farmers and ranchers, and rural
5 communities;

6 (C) prioritize infrastructure investment
7 that reduces emissions of greenhouse gases and
8 other pollutants, creates quality jobs, and
9 makes communities more resilient to the effects
10 of climate change;

11 (D) enhance quality job creation and raise
12 labor standards across the United States econ-
13 omy, including removing policy barriers to labor
14 union organizing, protecting labor agreements,
15 applying prevailing wage, safety and health pro-
16 tections, domestic content, and other provisions;

17 (E) lead in clean and emerging technology
18 production and manufacturing across the sup-
19 ply chain and align policies to ensure United
20 States companies retain their competitive edge
21 in a clean economy;

22 (F) ensure fairness and equity for workers
23 and communities affected by the transition to a
24 100 percent clean economy; and

1 (G) prepare communities for climate
2 change impacts and risks.

3 (c) PROPOSED PLAN.—

4 (1) PUBLIC COMMENT.—Not later than 6
5 months after the date of enactment of this Act, the
6 head of each Federal agency shall make the pro-
7 posed plan of the Federal agency developed under
8 subsection (a) available for public comment.

9 (2) INTERAGENCY REVIEW.—Not later than 9
10 months after the date of enactment of this Act, the
11 head of a Federal agency, after considering public
12 comments and revising a proposed plan developed
13 under subsection (a), as appropriate, shall submit
14 the proposed plan to the Administrator for review
15 and comment. The Administrator, in consultation
16 with the Secretary where appropriate, shall—

17 (A) evaluate the sufficiency of each such
18 proposed plan individually, and in combination
19 with the proposed plans of other Federal agen-
20 cies, to achieve the national goal declared by
21 section 40102; and

22 (B) provide, not later than 90 days after
23 receiving the proposed plan of a Federal agen-
24 cy, written recommendations to such Federal
25 agency to ensure that the plan is individually,

1 and in combination with the proposed plans of
2 other Federal agencies, sufficient to achieve the
3 national goal declared by section 40102 and ad-
4 vance the objectives listed in subsection (b)(2).

5 (d) SUBMISSION.—Not later than 15 months after
6 the date of enactment of this Act, the head of each Federal
7 agency shall make public and submit to Congress—

8 (1) a plan developed under subsection (a) that
9 incorporates revisions to the proposed plan, as ap-
10 propriate, to address the recommendations provided
11 by the Administrator under subsection (c);

12 (2) the recommendations provided by the Ad-
13 ministrator under subsection (c); and

14 (3) recommendations of the Federal agency on
15 additional authority for the Federal agency, if any,
16 that would be helpful for such Federal agency, in
17 combination with the other Federal agencies, to
18 achieve the national goal declared by section 40102.

19 (e) TECHNICAL ASSISTANCE.—The Administrator, in
20 consultation with the Secretary as appropriate, shall pro-
21 vide technical assistance upon request by any Federal
22 agency in developing or revising a plan under this section.

23 (f) IMPLEMENTATION.—Beginning not later than 15
24 months after the date of enactment of this Act, the head
25 of each Federal agency shall implement the plan of the

1 Federal agency developed under subsection (a) and sub-
2 mitted to Congress under subsection (d).

3 (g) REVISIONS.—Not less frequently than every 24
4 months after the head of a Federal agency submits to
5 Congress the Federal agency's plan under subsection (d),
6 the head of such Federal agency, in consultation with the
7 Administrator, shall review and revise the plan to ensure
8 it is sufficient to achieve, in combination with the plans
9 of the other Federal agencies, the national goal declared
10 by section 40102. The head of each Federal agency shall
11 include the conclusion of each such review and any revised
12 plan resulting from such review in the next annual report
13 required under subsection (h).

14 (h) ANNUAL REPORT.—Not later than March 31 of
15 the calendar year after the calendar year in which each
16 Federal agency is required to submit to Congress a plan
17 under subsection (d), and not later than March 31 of each
18 year thereafter, the head of each Federal agency shall
19 issue a public report on the plan of such Federal agency
20 (including any revisions to such plan), actions taken by
21 the Federal agency pursuant to such plan, and the effects
22 of such actions, during the preceding calendar year.

23 **SEC. 40105. ACCOUNTABILITY.**

24 (a) EPA REVIEW AND REPORTS.—The Adminis-
25 trator shall—

1 (1) monitor the overall progress of the United
2 States in reducing greenhouse gas emissions and to-
3 ward achieving the national goal declared by section
4 40102; and

5 (2) not later than September 30 of the calendar
6 year after the calendar year in which each Federal
7 agency is required to submit to Congress a plan
8 under section 40104(d), and not later than Sep-
9 tember 30 of each year thereafter, submit to Con-
10 gress and publish a report on such progress that in-
11 cludes—

12 (A) a review of how such greenhouse gas
13 emissions reductions relate to the international
14 commitments of the United States; and

15 (B) recommendations developed under sub-
16 section (b).

17 (b) RECOMMENDATIONS.—The Administrator shall
18 include—

19 (1) in each annual report submitted under sub-
20 section (a), as appropriate, after consulting with the
21 Secretary and considering any recommendations of
22 the Advisory Committee, recommendations regarding
23 the rate of progress of the United States toward
24 achieving the national goal declared by section
25 40102; and

1 (2) in an appendix to each such annual report,
2 the recommendations of the Advisory Committee.

23 (a) IN GENERAL.—Not later than 18 months after
24 the date of enactment of this Act, the Administrator shall,
25 after consulting with the Secretary and obtaining the rec-

3 reduction goals for the United States to achieve before
4 achieving the national goal declared by section 40102. In
5 selecting one or more such interim goals to recommend
6 to Congress, the Administrator shall consider—

7 (1) the best available science on the needed
8 pace of reducing greenhouse gas emissions to limit
9 global warming to 1.5 °C;

10 (2) the international commitments by the
11 United States to address climate change, so as to
12 ensure that any interim goal is, at a minimum, con-
13 sistent with such commitments; and

14 (3) the degree of progress considered necessary
15 by a given date to maximize the likelihood that there
16 is an economically and technically feasible path for-
17 ward from such date to achieve the national goal de-
18 clared by section 40102.

19 (b) UPDATES.—Upon request of Congress, or any

- Sec. 40230. Evaluation by Comptroller General of the United States.

1 (c) FINDINGS.—Congress finds the following:

2 (1) Communities of color, low-income commu-
3 nities, Tribal and indigenous communities, fossil
4 fuel-dependent communities, and other vulnerable
5 populations, such as persons with disabilities, chil-
6 dren, and the elderly, are disproportionately bur-
7 dened by environmental hazards that include expo-
8 sure to polluted air, waterways, and landscapes.

9 (2) Environmental justice disparities are also
10 exhibited through a lack of equitable access to green
11 spaces, public recreation opportunities, and informa-
12 tion and data on potential exposure to environmental
13 hazards.

14 (3) Communities experiencing environmental in-
15 justice have been subjected to systemic racial, social,
16 and economic injustices and face a disproportionate
17 burden of adverse human health or environmental
18 effects, a higher risk of intentional, unconscious, and
19 structural discrimination, and disproportionate en-
20 ergy burdens.

1 (4) Environmental justice communities have
2 been made more vulnerable to the effects of climate
3 change due to a combination of factors, particularly
4 the legacy of segregation and historically racist zon-
5 ing codes, and often have the least resources to re-
6 spond, making it a necessity for environmental jus-
7 tice communities to be meaningfully engaged as
8 partners and stakeholders in government decision-
9 making as our nation builds its climate resilience.

10 (5) Potential environmental and climate threats
11 to environmental justice communities merit a higher
12 level of engagement, review, and consent to ensure
13 that communities are not forced to bear dispropor-
14 tionate environmental and health impacts.

15 (6) The burden of proof that a proposed action
16 will not harm communities, including through cumu-
17 lative exposure effects, should fall on polluting in-
18 dustries and on the Federal Government in its regu-
19 latory role, not the communities themselves.

20 (7) Executive Order 12898 (59 Fed. Reg. 32,
21 relating to Federal Actions To Address Environ-
22 mental Justice in Minority Populations and Low-In-
23 come Populations) directs Federal agencies to ad-
24 dress disproportionately high and adverse human
25 health or environmental effects of its programs, but

1 Federal agencies have been inconsistent in updating
2 their strategic plans for environmental justice and
3 reporting on their progress in enacting these plans.

4 (8) Government action to correct environmental
5 injustices is a moral imperative. Federal policy can
6 and should improve public health and improve the
7 overall well-being of all communities.

8 (9) All people have the right to breathe clean
9 air, drink clean water, live free of dangerous levels
10 of toxic pollution, and share the benefits of a pros-
11 perous and vibrant pollution-free economy.

12 (10) A fair and just transition to a pollution-
13 free economy is necessary to ensure that workers
14 and communities in deindustrialized areas have ac-
15 cess to the resources and benefits of a sustainable
16 future. This transition must also address the eco-
17 nomic disparities experienced by residents living in
18 areas contaminated by pollution or environmental
19 degradation, including access to jobs, and members
20 of those communities must be fully and meaningfully
21 involved in transition planning processes.

22 (11) It is the responsibility of the Federal Gov-
23 ernment to seek to achieve environmental justice,
24 health equity, and climate justice for all commu-
25 nities.

1 **SEC. 40202. STATEMENT OF POLICY.**

2 It is the policy of Congress that each Federal agency
3 should—

4 (1) seek to achieve environmental justice as
5 part of its mission by identifying and addressing, as
6 appropriate, disproportionately adverse human
7 health or environmental effects of its programs, poli-
8 cies, practices, and activities on communities of
9 color, low-income communities, and Tribal and in-

5 are typically available through private energy
6 service performance contracts.

9 2027.

10 (e) USE OF AMERICAN IRON, STEEL, AND MANUFAC-
11 TURED GOODS.—

12 (1) IN GENERAL.—Except as provided in para-
13 graph (2), none of the funds made available by or
14 pursuant to this section may be used for a covered
15 project unless all of the iron, steel, and manufac-
16 tured goods used in the project are produced in the
17 United States.

18 (2) EXCEPTIONS.—The requirement under
19 paragraph (1) shall be waived by the head of the rel-
20 evant Federal department or agency in any case or
21 category of cases in which the head of the relevant
22 Federal department or agency determines that—

23 (A) adhering to that requirement would be
24 inconsistent with the public interest;

1 (B) the iron, steel, and manufactured
2 goods needed for the project are not produced
3 in the United States—

4 (i) in sufficient and reasonably avail-
5 able quantities; and

6 (ii) in a satisfactory quality; or

7 (C) the inclusion of iron, steel, and rel-
8 evant manufactured goods produced in the
9 United States would increase the overall cost of
10 the project by more than 25 percent.

11 (3) WAIVER PUBLICATION.—If the head of a
12 Federal department or agency makes a determina-
13 tion under paragraph (2) to waive the requirement

4 determined by the Secretary of Labor in accordance
5 with subchapter IV of chapter 31 of title 40, United
6 States Code (commonly known as the “Davis-Bacon
7 Act”).

8 (2) **AUTHORITY.**—With respect to the labor
9 standards specified in paragraph (1), the Secretary
10 of Labor shall have the authority and functions set
11 forth in Reorganization Plan Numbered 14 of 1950

13 **Subtitle F—Supporting the Teach-**
14 **ing of Climate Change in**
15 **Schools**

16 **SEC. 40601. FINDINGS.**

17 Congress finds the following:

18 (1) More than 80 percent of parents in the
19 United States support the teaching of climate
20 change.

21 (2) 86 percent of teachers in the United States
22 feel that climate change should be taught in schools.

23 (3) 17 percent of teachers say they either do
24 not have materials to teach climate change or they
25 do not know enough about the subject to teach it.

1 (4) Climate change is not a partisan or political
2 issue.

3 (5) There is a broad consensus among climate
4 scientists that the human activities contributing to
5 increases in greenhouse gas emissions are the domi-
6 nant cause of climate change.

7 (6) To meaningfully act upon our changing cli-
8 mate and changed world, young people need edu-
9 cation about its causes, consequences, anticipated
10 future impacts, and possible solutions.

11 (7) Climate change is a social justice, racial jus-
12 tice, and human rights issue.

13 (8) According to the National Center for
14 Science Education, 37 States and the District of Co-
15 lumbia recognize human-caused climate change in
16 their science education standards.

17 (9) The National Science Teaching Association,
18 the National Association of Geoscience Teachers, the
19 National Association of Biology Teachers, and other
20 professional organizations have called for greater
21 support for science educators in teaching climate
22 science and climate change.

23 (10) In 2015, the California State PTA de-
24 clared climate change a children's issue.

1 (11) In 2019, the California Association of
2 School Psychologists declared climate change a po-
3 tential threat to the psychological and social develop-
4 ment of children.

5 (12) Climate change is threatening students'
6 communities with intensifying natural disasters, in-
7 creasing temperatures, rising sea levels, and other
8 extreme weather threats.

9 (13) Climate change disproportionately affects
10 students of color and students in poverty, thereby
11 exacerbating existing inequalities and limiting equal-
12 ity of opportunity.

13 (14) Children represent a particularly vulner-
14 able group because greenhouse gases emitted into
15 the atmosphere will continue to accumulate over the
16 coming decades and cause negative health outcomes.

17 (15) Children are more vulnerable to the effects
18 of criteria air pollutants emitted during the burning
19 of fossil fuels.

20 (16) Americans must unify behind addressing
21 climate change for the good of this generation and
22 all subsequent generations.

23 (17) School districts should explore district-
24 wide sustainability initiatives to educate students
25 and reduce their carbon footprint.

1 (18) Teaching climate change in schools will
2 help students understand the human impact of cli-
3 mate change.

4 (19) Teaching climate change in schools will
5 help students understand that life on Earth depends
6 on, is shaped by, and affects our climate.

7 (20) Teaching climate change will help students
8 develop energy literacy and may stimulate interest in
9 STEM careers.

10 (21) Teaching climate change will have con-
11 sequences for Earth, human lives, and ecosystems
12 around the world.

13 (22) When students engage in a climate change
14 curriculum, they can develop a greater sense of effi-
15 cacy with respect to their capacity to address critical
16 social and environmental issues.

17 (23) The global impact of climate change and
18 the urgency and magnitude of the challenge of ad-
19 dressing climate change will eventually fall on cur-
20 rent students.

21 **SEC. 40602. SENSE OF CONGRESS.**

22 The Congress—

23 (1) supports teaching climate change in public
24 and private schools at all grade levels;

1 (2) encourages the Federal Government, States,
 2 localities, nonprofit organizations, schools, and com-
 3 munity organizations to teach climate change in ap-
 4 propriate programs and activities, with the goal of
 5 increasing public knowledge on the impacts that hu-
 6 mans have on the climate; and

7 (3) encourages school districts to provide robust
 8 resources to teachers and students so they can learn
 9 about climate change in a safe and open learning en-
 10 vironment.

11 **Subtitle G—Women and Climate** 12 **Change**

13 **SEC. 40701. SHORT TITLE; TABLE OF CONTENTS.**

14 (a) SHORT TITLE.—This subtitle may be cited as the
 15 “Women and Climate Change Act of 2020”.

16 (b) TABLE OF CONTENTS.—The table of contents for
 17 this subtitle is as follows:

Sec. 40701. Short title; table of contents.

Sec. 40702. Findings.

Sec. 40703. Definitions.

Sec. 40704. Statement of policy.

PART 1—STRATEGIES, POLICIES, AND PROGRAMS

Sec. 40711. Federal Interagency Working Group on Women and Climate Change.

Sec. 40712. Development and implementation of strategy and policies to prevent and respond to the effects of climate change on women globally.

PART 2—OVERSIGHT AND ACCOUNTABILITY

Sec. 40721. Senior Coordinator for Women and Climate Change.

Sec. 40722. Briefing and report.

1 **SEC. 40702. FINDINGS.**

2 Congress makes the following findings:

3 (1) Women in the United States and around
4 the world are the linchpin of families and commu-
5 nities and are often the first to feel the immediate
6 and adverse effects of social, environmental, and eco-
7 nomic stresses on their families and communities.

8 (2) The United Nations has recognized, as one
9 of the central organizing principles for its work, that
10 “no enduring solution to society’s most threatening
11 social, economic and political problems can be found
12 without the full participation, and the full empower-
13 ment, of the world’s women”.

14 (3) The United Nations Development Pro-
15 gramme 2013 Human Development Report has
16 found that the number of people living in extreme
17 poverty could increase by up to 3,000,000,000 by
18 2050 unless environmental disasters are averted by
19 coordinated global action.

20 (4) Climate change is already forcing the most
21 vulnerable communities and populations in devel-
22 oping countries to face unprecedented climate stress,
23 including water scarcity and drought, as well as se-
24 vere weather events and floods, which can lead to re-
25 duced agricultural productivity, food insecurity, and
26 increased disease.

1 (5) Climate change exacerbates issues of scar-
2 city and lack of accessibility to primary natural re-
3 sources, forest resources, and arable land for food
4 production, thereby contributing to increased conflict
5 and instability, as well as the workload and stresses
6 on women farmers, who are estimated to produce 60
7 to 80 percent of the food in most developing coun-
8 tries.

9 (6) Women will disproportionately face harmful
10 impacts from climate change, particularly in poor
11 and developing nations where women regularly as-
12 sume increased responsibility for growing the fam-
13 ily's food and collecting water, fuel, and other re-
14 sources.

15 (7) Epidemics, such as malaria and zika, are
16 expected to worsen and spread due to variations in
17 climate, putting women (especially pregnant mothers
18 and women who hope to become pregnant) and chil-
19 dren without access to prevention and medical serv-
20 ices at risk.

21 (8) The direct and indirect effects of climate
22 change have a disproportionate impact on
23 marginalized women, such as environmental refugees
24 and displaced persons, migrants, religious, racial, or
25 ethnic minorities, adolescent girls, lesbian and trans

1 women, women living in poverty, and women and
2 girls with disabilities and those who are living with
3 HIV.

4 (9) Conflict has a disproportionate impact on
5 the most vulnerable communities and populations,
6 including women, and is fueled in the poorest re-
7 gions of the world by harsher climates, leading to
8 migration, refugee crises, and conflicts over scarce
9 natural resources, including land and water.

10 (10) Displaced, refugee, and stateless women
11 and girls face extreme violence and threats, includ-
12 ing—

13 (A) being forced to exchange sex for food
14 and humanitarian supplies;

15 (B) being at increased risk of rape, sexual
16 exploitation, and abuse; and

17 (C) being at increased risk for HIV, sexu-
18 ally transmitted infections (STIs), unplanned
19 pregnancy, and poor reproductive health.

20 (11) It is predicted that climate change will
21 lead to increasing frequency and intensity of extreme
22 weather conditions, precipitating the occurrence of
23 natural disasters around the globe.

24 (12) The relocation and death of women, and
25 especially mothers, as a result of climate-related dis-

1 asters often has devastating impacts on social sup-
2 port networks, family ties, and the coping capacity
3 of families and communities.

4 (13) The ability of women to adapt to climate
5 change is constrained by a lack of economic free-
6 doms, property and inheritance rights, and access to
7 financial resources, education, family planning and
8 reproductive health, and new tools, equipment, and
9 technology.

10 (14) Despite having a unique capacity and
11 knowledge to promote and provide for adaptation to
12 climate change, women often have insufficient re-
13 sources to undertake such adaptation.

14 (15) Women are shown to have a multiplier ef-
15 fect because women use their income and resources,
16 when given the necessary tools, to increase the well-
17 being of their children and families, and thus play
18 a critical role in reducing food insecurity, poverty,
19 and socioeconomic effects of climate change.

20 (16) Women are often underrepresented in the
21 development and formulation of policy regarding
22 mitigation and adaptation to climate change, even
23 though women are often in the best position to pro-
24 vide and consult on adaptive strategies.

9 SEC. 41001. SHORT TITLE.

12 SEC. 41002. PURPOSES.

(1) to improve the health and academic achievement of students in highly polluted environments;

(2) to demonstrate the impacts of clean air at school on student learning and well-being; and

18 (3) to support the Nation's schools to advance
19 environmental justice.

21 Congress finds the following:

(1) Substantial research demonstrates that air pollution negatively impacts health and cognition.

(2) More than 1 in 5 public schools in the United States are located within a mile of a toxic re-

1 lease site. Nearly 1 in 11 public schools, serving
2 4,400,000 students, are less than 500 feet from a
3 major road.

4 (3) According to a 2017 report, 4 percent of
5 schools serving predominantly White students are
6 next to major roads, while 15 percent of schools
7 serving largely students of color are next to major
8 roads.

9 (4) Indoor levels of air pollutants can be 2 to
10 5 times higher, and sometimes 100 times higher,
11 than outdoor levels. In 2014, nearly half of schools
12 in the United States reported having problems re-
13 lated to indoor air quality.

14 (5) Schools in poor repair may have additional
15 air quality problems, including lead, asbestos, dust,
16 and radon contamination.

17 (6) Poor indoor air quality increases the risk of
18 severe asthma attacks and allergic reactions. Asthma
19 is the leading cause of missed school days in the
20 United States.

21 (7) High-performance air filters can decrease
22 indoor particulate matter by 90 percent.

23 (8) Research demonstrates the potential for
24 school air filters to improve student learning. In
25 2016, commercial air filters were installed in every

1 classroom, office, and common area of 18 public
2 schools in Los Angeles. Controlling for student de-
3 mographics, mathematics test scores at these schools
4 improved dramatically, nearly matching the impact
5 of reducing class sizes by a third, and gains per-
6 sisted the following the year.

8 “(b) DETERMINATION OF STATES AND POLITICAL
9 SUBDIVISIONS SUBJECT TO REQUIREMENTS.—

10 “(1) EXISTENCE OF VOTING RIGHTS VIOLA-
11 TIONS DURING PREVIOUS 25 YEARS.—

12 “(A) STATEWIDE APPLICATION.—Sub-

14 all political subdivisions within the State during
15 a calendar year if—

16 “(i) fifteen or more voting rights vio-
17 lations occurred in the State during the
18 previous 25 calendar years; or

19 “(ii) ten or more voting rights viola-
20 tions occurred in the State during the pre-
21 vious 25 calendar years, at least one of
22 which was committed by the State itself

25 “(B) APPLICATION TO SPECIFIC POLITICAL
26 SUBDIVISIONS.—Subsection (a) applies with re-

6 “(A) IN GENERAL.—Except as provided in
7 subparagraph (B), if, pursuant to paragraph
8 (1), subsection (a) applies with respect to a

17 “(B) NO FURTHER APPLICATION AFTER
18 DECLARATORY JUDGMENT.—

19 “(i) STATES.—If a State obtains a de-
20 claratory judgment under subsection (a),
21 and the judgment remains in effect, sub-
22 section (a) shall no longer apply to such
23 State pursuant to paragraph (1)(A) unless,
24 after the issuance of the declaratory judg-
25 ment, paragraph (1)(A) applies to the

1 State solely on the basis of voting rights
2 violations occurring after the issuance of
3 the declaratory judgment.

4 “(ii) POLITICAL SUBDIVISIONS.—If a
5 political subdivision obtains a declaratory
6 judgment under subsection (a), and the

8 shall no longer apply to such political sub-
9 division pursuant to paragraph (1), includ-

12 ard, practice, or procedure with respect to vot-
13 ing was imposed or applied or would have been
14 imposed or applied anywhere within the State
15 or subdivision in a manner that resulted or
16 would have resulted in a denial or abridgement
17 of the right of any citizen of the United States
18 to vote on account of race, color, or membership
19 in a language minority group, in violation of
20 subsection (e) or (f), or section 2 or 203 of this

2 tory judgment under section 3(c) or section 5,
3 and thereby prevented a voting qualification or
4 prerequisite to voting or standard, practice, or
5 procedure with respect to voting from being en-
6 forced anywhere within the State or subdivision.

7 “(D) OBJECTION BY THE ATTORNEY GEN-
8 ERAL.—The Attorney General has interposed
9 an objection under section 3(c) or section 5
10 (and the objection has not been overturned by
11 a final judgment of a court or withdrawn by the
12 Attorney General), and thereby prevented a vot-
13 ing qualification or prerequisite to voting or
14 standard, practice, or procedure with respect to
15 voting from being enforced anywhere within the
16 State or subdivision.

17 “(E) CONSENT DECREE, SETTLEMENT, OR
18 OTHER AGREEMENT.—A consent decree, settle-
19 ment, or other agreement was entered into,
20 which resulted in the alteration or abandonment
21 of a voting practice anywhere in the territory of
22 such State that was challenged on the ground
23 that the practice denied or abridged the right of
24 any citizen of the United States to vote on ac-
25 count of race, color, or membership in a lan-

1 guage minority group in violation of subsection
2 (e) or (f), or section 2 or 203 of this Act, or

20 (A) in paragraph (1), in the first sentence
21 of the matter preceding subparagraph (A), by
22 striking “any State with respect to which” and
23 all that follows through “unless” and inserting
24 “any State to which this subsection applies dur-
25 ing a calendar year pursuant to determinations

1 made under subsection (b), or in any political
2 subdivision of such State (as such subdivision
3 existed on the date such determinations were
4 made with respect to such State), though such
5 determinations were not made with respect to
6 such subdivision as a separate unit, or in any
7 political subdivision with respect to which this
8 subsection applies during a calendar year pur-
9 suant to determinations made with respect to
10 such subdivision as a separate unit under sub-
11 section (b), unless”;

12 (B) in paragraph (1) in the matter pre-
13 ceding subparagraph (A), by striking the second

15 (C) in paragraph (1)(A), by striking “(in
16 the case of a State or subdivision seeking a de-
17 claratory judgment under the second sentence
18 of this subsection)”;

19 (D) in paragraph (1)(B), by striking “(in
20 the case of a State or subdivision seeking a de-

9 “(c) PRECLEARANCE.—

10 “(1) IN GENERAL.—Whenever a State or polit-

12 ments set forth in subsection (a) are in effect shall
13 enact, adopt, or seek to implement any covered prac-
14 tice described under subsection (b), such State or
15 subdivision may institute an action in the United
16 States District Court for the District of Columbia
17 for a declaratory judgment that such covered prac-
18 tice neither has the purpose nor will have the effect
19 of denying or abridging the right to vote on account
20 of race, color, or membership in a language minority
21 group, and unless and until the court enters such
22 judgment such covered practice shall not be imple-
23 mented. Notwithstanding the previous sentence, such
24 covered practice may be implemented without such
25 proceeding if the covered practice has been sub-

1 mitted by the chief legal officer or other appropriate
2 official of such State or subdivision to the Attorney
3 General and the Attorney General has not inter-
4 posed an objection within 60 days after such submis-
5 sion, or upon good cause shown, to facilitate an ex-
6 pedited approval within 60 days after such submis-
7 sion, the Attorney General has affirmatively indi-
8 cated that such objection will not be made. Neither
9 an affirmative indication by the Attorney General
10 that no objection will be made, nor the Attorney
11 General's failure to object, nor a declaratory judg-
12 ment entered under this section shall bar a subse-
13 quent action to enjoin implementation of such cov-
14 ered practice. In the event the Attorney General af-
15 firmatively indicates that no objection will be made
16 within the 60-day period following receipt of a sub-
17 mission, the Attorney General may reserve the right
18 to reexamine the submission if additional informa-
19 tion comes to the Attorney General's attention dur-
20 ing the remainder of the 60-day period which would
21 otherwise require objection in accordance with this
22 section. Any action under this section shall be heard
23 and determined by a court of three judges in accord-
24 ance with the provisions of section 2284 of title 28,

1 United States Code, and any appeal shall lie to the
2 Supreme Court.

3 “(2) DENYING OR ABRIDGING THE RIGHT TO
4 VOTE.—Any covered practice described in subsection
5 (b) that has the purpose of or will have the effect
6 of diminishing the ability of any citizens of the
7 United States on account of race, color, or member-
8 ship in a language minority group, to elect their pre-
9 ferred candidates of choice denies or abridges the
10 right to vote within the meaning of paragraph (1) of
11 this subsection.

12 “(3) PURPOSE DEFINED.—The term ‘purpose’
13 in paragraphs (1) and (2) of this subsection shall in-
14 clude any discriminatory purpose.

15 “(4) PURPOSE OF PARAGRAPH (2).—The pur-
16 pose of paragraph (2) of this subsection is to protect
17 the ability of such citizens to elect their preferred
18 candidates of choice.

19 “(d) ENFORCEMENT.—The Attorney General or any
20 aggrieved citizen may file an action in a Federal district
21 court to compel any State or political subdivision to satisfy
22 the obligations set forth in this section. Such actions shall
23 be heard and determined by a court of three judges under
24 section 2284 of title 28, United States Code. In any such
25 action, the court shall provide as a remedy that any voting

1 qualification or prerequisite to voting, or standard, prac-
2 tice, or procedure with respect to voting, that is the sub-
3 ject of the action under this subsection be enjoined unless
4 the court determines that—

5 “(1) the voting qualification or prerequisite to
6 voting, or standard, practice, or procedure with re-
7 spect to voting, is not a covered practice described
8 in subsection (b); or

9 “(2) the State or political subdivision has com-
10 plied with subsection (c) with respect to the covered
11 practice at issue.

12 “(e) COUNTING OF RACIAL GROUPS AND LANGUAGE
13 MINORITY GROUPS.—For purposes of this section, the cal-
14 culation of the population of a racial group or a language
15 minority group shall be carried out using the methodology
16 in the guidance promulgated in the Federal Register on
17 February 9, 2011 (76 Fed. Reg. 7470).

18 “(f) SPECIAL RULE.—For purposes of determina-
19 tions under this section, any data provided by the Bureau
20 of the Census, whether based on estimation from sample
21 or actual enumeration, shall not be subject to challenge
22 or review in any court.

23 “(g) MULTILINGUAL VOTING MATERIALS.—In this
24 section, the term ‘multilingual voting materials’ means
25 registration or voting notices, forms, instructions, assist-

1 ance, or other materials or information relating to the
 2 electoral process, including ballots, provided in the lan-
 3 guage or languages of one or more language minority
 4 groups.”.

5 **SEC. 50105. PROMOTING TRANSPARENCY TO ENFORCE THE**
 6 **VOTING RIGHTS ACT.**

7 (a) TRANSPARENCY.—

8 (1) IN GENERAL.—The Voting Rights Act of
 9 1965 (52 U.S.C. 10301 et seq.) is amended by in-
 10 serting after section 5 the following new section:

11 **“SEC. 6. TRANSPARENCY REGARDING CHANGES TO PRO-**
 12 **TECT VOTING RIGHTS.**

13 “(a) NOTICE OF ENACTED CHANGES.—

14 “(1) NOTICE OF CHANGES.—If a State or polit-
 15 ical subdivision makes any change in any pre-
 16 requisite to voting or standard, practice, or proce-
 17 dure with respect to voting in any election for Fed-
 18 eral office that will result in the prerequisite, stand-
 19 ard, practice, or procedure being different from that
 20 which was in effect as of 180 days before the date
 21 of the election for Federal office, the State or polit-
 22 ical subdivision shall provide reasonable public notice
 23 in such State or political subdivision and on the
 24 Internet, of a concise description of the change, in-
 25 cluding the difference between the changed pre-

1 requisite, standard, practice, or procedure and the
2 prerequisite, standard, practice, or procedure which
3 was previously in effect. The public notice described

4 right of citizens of the United States;

5 (B) it is the responsibility of the State and
6 Federal governments to ensure that every eligi-

8 (C) existing voter registration systems can
9 be inaccurate, costly, inaccessible and con-

11 pation in elections and disproportionate impacts
12 on young people, persons with disabilities, and
13 racial and ethnic minorities; and

14 (D) voter registration systems must be up-
15 dated with 21st century technologies and proce-
16 dures to maintain their security.

17 (2) PURPOSE.—It is the purpose of this sub-
18 part—

23 ernments to register all eligible citizens to vote
24 with accurate, cost-efficient, and up-to-date pro-
25 cedures;

1 (C) to modernize voter registration and list
2 maintenance procedures with electronic and

1 (b) REGISTRATION OF VOTERS BASED ON NEW
2 AGENCY RECORDS.—The chief State election official
3 shall—

4 (1) not later than 15 days after a contributing

5 (B) a statement offering the opportunity to
6 decline voter registration through means con-
7 sistent with the requirements of this subpart;

4 VOTER-VERIFIABLE PAPER RECORDS IN 2018.—

5 “(i) DELAY.—In the case of a juris-
6 diction described in clause (ii), subpara-
7 graph (A) shall apply to a voting system in
8 the jurisdiction as if the reference in such
9 subparagraph to ‘2020’ were a reference to
10 ‘2024’, but only with respect to the fol-

7 but that are not in compliance with
8 paragraphs (2)(A)(i)(I), (3)(B)(ii)(I)
9 and (II), and (12) of subsection (a)
10 (as amended or added by the Restor-

24 such a paper ballot under this clause.

1 “(II) TREATMENT OF BALLOT.—

2 Any paper ballot which is cast by an

4 counted and otherwise treated as a
5 regular ballot for all purposes (includ-
6 ing by incorporating it into the final
7 unofficial vote count (as defined by
8 the State) for the precinct) and not as

21 “(IV) TRAINING OF ELECTION

22 OFFICIALS.—The chief State election
23 official shall ensure that election offi-

23 to paragraph (3)(B)(ii)(II) of subsection (a)
24 (relating to nonmanual casting of the durable

21 may adopt and apply an alternative mechanism to
22 determine the number of voter-verified paper ballots
23 which will be subject to the hand counts required
24 under this subtitle with respect to an election, so
25 long as the alternative mechanism uses the voter-

22 **Subtitle G—Democracy Restoration**

23 **SEC. 50701. SHORT TITLE.**

24 This subtitle may be cited as the “Democracy Res-
25 toration Act of 2020”.

1 **SEC. 50702. FINDINGS.**

2 Congress makes the following findings:

3 (1) The right to vote is the most basic constitu-
4 tive act of citizenship. Regaining the right to vote
5 reintegrates individuals with criminal convictions
6 into free society, helping to enhance public safety.

7 (2) Article I, section 4, of the Constitution
8 grants Congress ultimate supervisory power over
9 Federal elections, an authority which has repeatedly
10 been upheld by the United States Supreme Court.

11 (3) Basic constitutional principles of fairness
12 and equal protection require an equal opportunity
13 for citizens of the United States to vote in Federal
14 elections. The right to vote may not be abridged or
15 denied by the United States or by any State on ac-
16 count of race, color, gender, or previous condition of
17 servitude. The 13th, 14th, 15th, 19th, 24th, and
18 26th Amendments to the Constitution empower Con-
19 gress to enact measures to protect the right to vote
20 in Federal elections. The 8th Amendment to the
21 Constitution provides for no excessive bail to be re-
22 quired, nor excessive fines imposed, nor cruel and
23 unusual punishments inflicted.

24 (4) There are 3 areas in which discrepancies in
25 State laws regarding criminal convictions lead to un-
26 fairness in Federal elections—

1 (A) the lack of a uniform standard for vot-
2 ing in Federal elections leads to an unfair dis-
3 parity and unequal participation in Federal
4 elections based solely on where a person lives;

5 (B) laws governing the restoration of vot-
6 ing rights after a criminal conviction vary
7 throughout the country and persons in some
8 States can easily regain their voting rights
9 while in other States persons effectively lose
10 their right to vote permanently; and

11 (C) State disenfranchisement laws dis-
12 proportionately impact racial and ethnic minori-
13 ties.

14 (5) State disenfranchisement laws vary widely.
15 Two States do not disenfranchise individuals with
16 criminal convictions at all. In 34 States, individuals
17 with convictions may not vote while they are on pa-
18 role and 30 of those States disenfranchise individ-
19 uals on felony probation as well. In 12 States, a con-
20 viction can result in lifetime disenfranchisement.

21 (6) Several States deny the right to vote to in-
22 dividuals convicted of certain misdemeanors.

23 (7) In 2016, an estimated 6,100,000 citizens of
24 the United States, or about 1 in 40 adults in the
25 United States, could not vote as a result of a felony

1 conviction. Of the 6,100,000 citizens barred from
2 voting then, only 22 percent were in prison. By con-
3 trast, 77 percent of persons disenfranchised then re-
4 sided in their communities while on probation or pa-
5 role or after having completed their sentences. Ap-
6 proximately 3,100,000 citizens who had completed
7 their sentences were disenfranchised due to restric-
8 tive State laws. As of November 2018, the lifetime
9 ban for persons with certain felony convictions was
10 eliminated through a Florida ballot initiative. As a
11 result, as many as 1,400,000 people are now eligible
12 to have their voting rights restored. In 6 States—
13 Alabama, Florida, Kentucky, Mississippi, Tennessee,
14 and Virginia—more than 7 percent of the total pop-
15 ulation is disenfranchised.

16 (8) In those States that disenfranchise individ-
17 uals post-sentence, the right to vote can be regained
18 in theory, but in practice this possibility is often
19 granted in a non-uniform and potentially discrimina-
20 tory manner. Disenfranchised individuals sometimes
21 must either obtain a pardon or an order from the
22 Governor or an action by the parole or pardon
23 board, depending on the offense and State. Individ-
24 uals convicted of a Federal offense often have addi-
25 tional barriers to regaining voting rights.

1 (9) State disenfranchisement laws dispropor-
2 tionately impact racial and ethnic minorities. As of
3 2016, more than 7 percent of the voting-age Afri-
4 can-American population, or 2,200,000 African-
5 Americans, were disenfranchised. One out of every
6 13 African-Americans were unable to vote because of
7 felony disenfranchisement, which is a rate more than
8 4 times greater than non-African-Americans. 7.4
9 percent of African-Americans were disenfranchised
10 whereas 1.8 percent of non-African-Americans were.
11 In 2016, in 4 States—Florida (23 percent), Ken-
12 tucky (22 percent), Tennessee (21 percent), and Vir-
13 ginia (20 percent)—more than 1 in 5 African-Ameri-
14 cans were unable to vote because of prior convic-
15 tions.

16 (10) Latino citizens are also disproportionately
17 disenfranchised based upon their disproportionate
18 representation in the criminal justice system. If cur-
19 rent incarceration trends hold, the lifetime likelihood
20 of incarceration for males born in 2001 is 17 per-
21 cent for Latinos, in contrast to less than 6 percent
22 for non-Latino White men. When analyzing the data
23 across 10 States, Latinos generally have dispropor-
24 tionately higher rates of disenfranchisement com-
25 pared to their presence in the voting age population.

1 In 6 out of 10 States studied in 2003, Latinos con-
2 stituted more than 10 percent of the total number
3 of persons disenfranchised by State felony laws. In
4 4 States (California, 37 percent; New York, 34 per-
5 cent; Texas, 30 percent; and Arizona, 27 percent),
6 Latinos were disenfranchised by a rate of more than
7 25 percent.

8 (11) Disenfranchising citizens who have been
9 convicted of a criminal offense and who are living
10 and working in the community serves no compelling
11 State interest and hinders their rehabilitation and
12 reintegration into society.

13 (12) State disenfranchisement laws can sup-
14 press electoral participation among eligible voters by
15 discouraging voting among family and community
16 members of disenfranchised persons. Future elec-
17 toral participation by the children of disenfranchised
18 parents may be impacted as well.

19 (13) The United States is the only Western de-
20 mocracy that permits the permanent denial of voting
21 rights for individuals with felony convictions.

22 **SEC. 50703. RIGHTS OF CITIZENS.**

11 such individual is released from the cus-

13 (B) MISDEMEANOR CONVICTION.—In the
14 case of such an individual who has been con-

Subtitle J—Deceptive Practices and Voter Intimidation Prevention

SEC. 51001. SHORT TITLE.

This subtitle may be cited as the “Deceptive Practices and Voter Intimidation Prevention Act of 2020”.

SEC. 51002. FINDINGS.

Congress makes the following findings:

(1) The right to vote by casting a ballot for one’s preferred candidate is a fundamental right ac-

1 corded to United States citizens by the Constitution,
2 and the unimpeded exercise of this right is essential
3 to the functioning of our democracy.

4 (2) Historically, certain citizens, especially ra-
5 cial, ethnic, and language minorities, were prevented
6 from voting because of significant barriers such as
7 literacy tests, poll taxes, and property ownership re-
8 quirements.

9 (3) Some of these barriers were removed by the
10 15th, 19th, and 24th Amendments to the Constitu-
11 tion.

12 (4) Despite the elimination of some of these
13 barriers to the polls, the integrity of today's elec-
14 tions is threatened by newer tactics aimed at sup-
15 pressing voter turnout. These tactics include "decep-
16 tive practices", which involve the dissemination of
17 false or misleading information intended to prevent
18 voters from casting their ballots, prevent voters from
19 voting for the candidate of their choice, intimidate
20 the electorate, and undermine the integrity of the
21 electoral process.

22 (5) Furthermore, since the decision in Shelby
23 County v. Holder in which the Supreme Court
24 struck down the coverage formula used by the Vot-
25 ing Rights Act of 1965 to determine which States

1 with a history of racial discrimination must affirma-
2 tively receive government permission before changing
3 local voting laws, there have been Federal court de-
4 cisions finding or affirming that States or localities
5 intentionally discriminated against African Ameri-
6 cans and other voters of color.

7 (6) Denials of the right to vote, and deceptive
8 practices designed to prevent members of racial, eth-
9 nic, and language minorities from exercising that
10 right, are an outgrowth of discriminatory history, in-
11 cluding slavery. Measures to combat denials of that
12 right are a legitimate exercise of congressional power
13 under article I, section 4 and article II, section 1 of,
14 and the 14th and 15th Amendments to, the United
15 States Constitution.

16 (7) For the last few decades, there have been
17 a number of instances of deceptive or intimidating
18 practices aimed towards suppressing minority access
19 to the voting booth that demonstrates the need for
20 strengthened protections.

21 (8) In addition, in at least one instance in
22 1990, thousands of voters reportedly received post-
23 cards providing false information about voter eligi-
24 bility and warnings about criminal penalties for

1 voter fraud. Most of the voters who received the
2 postcards were African American.

3 (9) During the 2004 elections, Native American
4 voters in South Dakota reported being required to
5 provide photographic identification in order to vote,
6 despite the fact that neither State nor Federal law
7 required such identification.

8 (10) In the 2006 midterm elections, thousands
9 of Latino voters received mailings warning them in
10 Spanish that voting in a Federal election as an im-
11 migrant could result in incarceration—despite the
12 fact that any immigrant who is a naturalized citizen
13 of the United States has the same right to vote as
14 any other citizen.

15 (11) In 2008, fliers were distributed in pre-
16 dominantly African-American neighborhoods falsely
17 warning that people with outstanding warrants or
18 unpaid parking tickets could be arrested if they
19 showed up at the polls on Election Day. In the same
20 year, there were reports of people receiving text mes-
21 sages on Election Day asking them to wait until the
22 following day to vote.

23 (12) In 2012, there were reports of voters re-
24 ceiving calls falsely informing them that they could
25 vote via telephone.

1 (13) In the 2016 elections, there were reports
2 of students receiving fliers stating that in order to
3 vote in a local precinct, they had to pay to change
4 their driver’s license and re-register vehicles in the
5 city in which the precinct was located.

6 (14) Those responsible for these and similar ef-
7 forts should be held accountable, and civil and crimi-
8 nal penalties should be available to punish anyone
9 who seeks to keep voters away from the polls by pro-
10 viding false information.

11 (15) Moreover, the Federal Government should
12 help correct such false information in order to assist
13 voters in exercising their right to vote without confu-
14 sion and to preserve the integrity of the electoral
15 process.

16 (16) The Federal Government has a compelling
17 interest in “protecting voters from confusion and
18 undue influence” and in “preserving the integrity of
19 its election process”. *Burson v. Freeman*, 504 U.S.
20 191, 199 (1992).

21 (17) The First Amendment does not preclude
22 the regulation of some intentionally false speech,
23 even if it is political in nature. As the Supreme
24 Court of the United States has recognized, “[t]hat
25 speech is used as a tool for political ends does not

1 automatically bring it under the protective mantle of
 2 the Constitution. For the use of the known lie as a
 3 tool is at once at odds with the premises of demo-
 4 cratic government and with the orderly manner in
 5 which economic, social, or political change is to be
 6 effected Hence the knowingly false statement
 7 and the false statement made with reckless disregard
 8 of the truth, do not enjoy constitutional protection.”.
 9 *Garrison v. Louisiana*, 379 U.S. 64, 75 (1964).

10 **SEC. 51003. PROHIBITION ON DECEPTIVE PRACTICES IN**
 11 **FEDERAL ELECTIONS.**

1 munications, communicate or cause to be com-
2 municated information described in subpara-

4 subparagraph (B) with the intent that such in-
5 formation be communicated, if such person—

22 ciated with voting in any such elec-
23 tion; or

2 voter’s registration status or eligi-
3 bility.

4 “(3) FALSE STATEMENTS REGARDING PUBLIC
5 ENDORSEMENTS.—

6 “(A) PROHIBITION.—No person, whether
7 acting under color of law or otherwise, shall,
8 within 60 days before an election described in
9 paragraph (5), by any means, including by
10 means of written, electronic, or telephonic com-
11 munications, communicate, or cause to be com-
12 municated, a materially false statement about
13 an endorsement, if such person—

14 “(i) knows such statement to be false;
15 and

1 “(i) the statement states that a spe-
2 cifically named person, political party, or
3 organization has endorsed the election of a
4 specific candidate for a Federal office de-
5 scribed in such paragraph; and

6 “(ii) such person, political party, or
7 organization has not endorsed the election
8 of such candidate.

9 “(4) HINDERING, INTERFERING WITH, OR PRE-
10 VENTING VOTING OR REGISTERING TO VOTE.—No
11 person, whether acting under color of law or other-
12 wise, shall intentionally hinder, interfere with, or
13 prevent another person from voting, registering to
14 vote, or aiding another person to vote or register to
15 vote in an election described in paragraph (5).

16 “(5) ELECTION DESCRIBED.—An election de-
17 scribed in this paragraph is any general, primary,
18 run-off, or special election held solely or in part for
19 the purpose of nominating or electing a candidate
20 for the office of President, Vice President, presi-
21 dential elector, Member of the Senate, Member of
22 the House of Representatives, or Delegate or Com-
23 missioner from a Territory or possession.”.

24 (b) PRIVATE RIGHT OF ACTION.—

1 (1) IN GENERAL.—Subsection (c) of section
2 2004 of the Revised Statutes (52 U.S.C. 10101(e))
3 is amended—

4 (A) by striking “Whenever any person”
5 and inserting the following:

6 “(1) Whenever any person”; and

7 (B) by adding at the end the following new
8 paragraph:

9 “(2) Any person aggrieved by a violation of
10 subsection (b)(2), (b)(3), or (b)(4) may institute a
11 civil action for preventive relief, including an appli-
12 cation in a United States district court for a perma-
13 nent or temporary injunction, restraining order, or
14 other order. In any such action, the court, in its dis-
15 cretion, may allow the prevailing party a reasonable
16 attorney’s fee as part of the costs.”.

14 “(1) FALSE STATEMENTS REGARDING FEDERAL
15 ELECTIONS.—

16 “(A) PROHIBITION.—It shall be unlawful
17 for any person, whether acting under color of
18 law or otherwise, within 60 days before an elec-
19 tion described in subsection (e), by any means,

22 cause to be communicated information de-
23 scribed in subparagraph (B), or produce infor-

21 Registration Act of 1993 (52 U.S.C. 20501 et seq.) is
22 amended by inserting after section 8 the following new
23 section:

1 **“SEC. 8A. CONDITIONS FOR REMOVAL OF VOTERS FROM**
2 **OFFICIAL LIST OF REGISTERED VOTERS.**

3 “(a) VERIFICATION ON BASIS OF OBJECTIVE AND
4 RELIABLE EVIDENCE OF INELIGIBILITY.—

5 “(1) REQUIRING VERIFICATION.—Notwith-
6 standing any other provision of this Act, a State
7 may not remove the name of any registrant from the
8 official list of voters eligible to vote in elections for
9 Federal office in the State unless the State verifies,
10 on the basis of objective and reliable evidence, that
11 the registrant is ineligible to vote in such elections.

12 “(2) FACTORS NOT CONSIDERED AS OBJECTIVE
13 AND RELIABLE EVIDENCE OF INELIGIBILITY.—For
14 purposes of paragraph (1), the following factors, or

18 “(A) The failure of the registrant to vote
19 in any election.

20 “(B) The failure of the registrant to re-
21 spond to any notice sent under section 8(d), un-

25 any other action with respect to voting in any

8 any reason, the State shall send notice of the
9 removal to the former registrant, and shall in-
10 clude in the notice the grounds for the removal
11 and information on how the former registrant
12 may contest the removal or be reinstated, in-
13 cluding a telephone number for the appropriate
14 election official.

20 tion in which the registrant was registered;
21 or

22 “(ii) who is removed from the official
23 list of eligible voters by reason of the death
24 of the registrant.

1 “(2) PUBLIC NOTICE.—Not later than 48 hours
2 after conducting any general program to remove the
3 names of ineligible voters from the official list of eli-
4 gible voters (as described in section 8(a)(4)), the
5 State shall disseminate a public notice through such
6 methods as may be reasonable to reach the general
7 public (including by publishing the notice in a news-
8 paper of wide circulation or posting the notice on the
9 websites of the appropriate election officials) that
10 list maintenance is taking place and that registrants
11 should check their registration status to ensure no
12 errors or mistakes have been made. The State shall
13 ensure that the public notice disseminated under this
14 paragraph is in a format that is reasonably conven-
15 ient and accessible to voters with disabilities, includ-
16 ing voters who have low vision or are blind.”.

17 (b) CONDITIONS FOR TRANSMISSION OF NOTICES OF

25 scribed in section 8A(a)(2)) that the registrant has

21 **Subtitle M—VoteSafe**

22 **SEC. 51301. SHORT TITLE.**

23 This subtitle may be cited as the “VoteSafe Act of
24 2020”.

1 **SEC. 51302. FINDINGS.**

2 Congress finds the following:

3 (1) The right to vote is the foundation of Amer-
4 ican democracy. Voting provides the citizenry with a
5 vital check on their elected officials and grants peo-
6 ple the political power necessary to exercise and de-
7 fend the rights guaranteed by the United States
8 Constitution.

9 (2) The Elections Clause of the United States
10 Constitution gives Congress sweeping power to regu-
11 late the time, place, and manner of Federal elections
12 (Article I, section 4 of the Constitution of the
13 United States; see also *Arizona v. Inter Tribal*
14 *Council of Arizona, Inc.*, 570 U.S. 1 (2013)). Con-
15 gress also has enforcement power under the Four-
16 teenth and Fifteenth Amendments of the Constitu-
17 tion of the United States.

18 (3) As Dr. Martin Luther King, Jr., explained
19 in a speech delivered on May 17, 1957, “So long as
20 I do not firmly and irrevocably possess the right to
21 vote I do not possess myself. I cannot make up my
22 mind—it is made up for me. I cannot live as a
23 democratic citizen, observing the laws I have helped
24 to enact—I can only submit to the edict of others.”.

25 (4) The right to vote was not guaranteed to all
26 Americans at our Nation’s founding. The ratification

1 of the Fifteenth and Nineteenth Amendments, the
2 civil rights movement’s struggle for justice and
3 equality, and the enactment of the Voting Rights
4 Act of 1965 and its subsequent amendments suc-
5 ceeded in expanding access to the franchise.

6 (5) Unfortunately, the barriers faced by voters
7 who have historically experienced the greatest obsta-
8 cles to voting are exacerbated by the coronavirus
9 (COVID–19) pandemic.

10 (6) Strategies to mitigate the spread of
11 COVID–19 include “social distancing”, a practice
12 that requires individuals to maintain a distance be-
13 tween themselves and other people in order to avoid
14 acquiring or transmitting the virus. The need to em-
15 brace such precautions will require States to quickly
16 modify voting processes to minimize person-to-per-
17 son contact.

18 (7) Voting by mail is a critical part of the solu-
19 tion and must be expanded as quickly as possible,
20 not simply as a means of ensuring access during
21 public health emergencies, but also as a means of ex-
22 panding access to the franchise to those whose work,
23 health, or ability to access the ballot may be limited.

24 (8) However, safe and secure in-person voting
25 remains vitally important for large groups of voters,

1 including voters with disabilities, language minority
2 voters, American Indian and Alaska Native voters,
3 and African-American voters.

4 (9) The Americans with Disabilities Act of
5 1990 (42 U.S.C. 12101 et seq.) and the Rehabilita-
6 tion Act of 1973 (29 U.S.C. 701 et seq.) require
7 that individuals with disabilities have equal access to
8 every aspect of the voting process. Vote-by-mail
9 poses various accessibility challenges for voters with
10 disabilities, including blind, low-vision, or other
11 print-disabled voters who may require in-person vot-
12 ing or assistive technology in order to privately and
13 independently mark their ballots. Remedies for vot-
14 ers with disabilities require an investment of re-
15 sources to ensure State and local election websites,
16 online voter registration portals, and vote-by-mail
17 systems are accessible; that in-person voting loca-
18 tions permit a safe, dignified, and accessible voting
19 experience; and that the right of voters with disabil-
20 ities to a secret ballot is not sacrificed due to the
21 pandemic.

22 (10) Language minority voters face unique bar-
23 riers to voting that require additional resources and
24 support to ensure full and equal access, including
25 additional resources to ensure local compliance with

1 the language minority voting protections in section
2 203 of the Voting Rights Act of 1965 (52 U.S.C.
3 10503) and greater language assistance services, in-
4 cluding additional bilingual or multilingual poll
5 workers and election workers.

6 (11) American Indian and Alaska Native voters
7 face unique obstacles in a vote-by-mail system. Trib-
8 al communities in rural areas often do not have tra-
9 ditional residential mailing addresses and have lim-
10 ited access to transportation. Tribal members have
11 distant rural post offices, slow mail routes, limited
12 numbers of post office operation, and too few post
13 office boxes. As a result, rural Tribal communities
14 require distinct voting accommodations to ensure
15 participation in a vote-by-mail system.

16 (12) Finally, in-person voting holds great sig-
17 nificance for African-American voters, for whom the
18 right to vote was hard won. African Americans have
19 been excluded from the franchise through State and
20 local laws, poll taxes, voting literacy tests, physical
21 violence, and lynchings. For many African-American
22 voters today, casting a ballot at one's polling place
23 is a solemn ritual that honors those who sacrificed
24 their safety and their lives in order to secure the
25 right to vote. However, COVID-19 poses substantial

1 risks to the African-American population and has in-
2 fected and killed African Americans in the United
3 States at disproportionately high rates, highlighting
4 longstanding inequalities in resources and access to
5 health care.

6 (13) Social distancing designed to curb the
7 COVID–19 pandemic will also greatly impact in-per-
8 son voter registration efforts, including voter reg-
9 istration drives and voter registration services re-
10 quired by the National Voter Registration Act. Many
11 government offices, like State departments of motor
12 vehicles, are currently closed to in-person traffic and
13 are likely to remain closed for an indefinite period
14 of time in 2020.

15 (14) Therefore, it is appropriate for Congress
16 to expand no-excuse absentee vote-by-mail while also
17 ensuring the safety and accessibility of in-person
18 voting and voter registration during exigent cir-
19 cumstances, including the current pandemic.

1 **SEC. 51303. REQUIREMENTS FOR NO-EXCUSE ABSENTEE**
2 **VOTING, EARLY IN-PERSON VOTING, AND**
3 **PLAN TO ENSURE POLLING PLACES IMPLE-**
4 **MENT CDC GUIDANCE FOR FEDERAL ELEC-**
5 **TIONS IN 2020.**

6 (a) **APPLICABLE FEDERAL ELECTION.**—For pur-
7 poses of this section, the term “applicable Federal elec-
8 tion” means any election for Federal office which occurs
9 on or after the date that is 60 days after the date of the
10 enactment of this Act and before January 1, 2023.

11 (b) **REQUIREMENTS.**—In the case of any applicable
12 Federal election, each State and local jurisdiction shall—

13 (1) permit no-excuse mail-in absentee voting as
14 described in subsection (c);

15 (2) maintain an early in-person voting period as
16 described in subsection (d); and

17 (3) establish a plan as described in subsection
18 (e) with respect to in-person voting, including during
19 early voting periods and on the day of the election.

20 (c) **NO-EXCUSE MAIL-IN ABSENTEE VOTING.**—

21 (1) **IN GENERAL.**—No-excuse mail-in absentee
22 voting meets the requirements described in this sub-
23 section with respect to an applicable Federal elec-
24 tion, if the State—

25 (A) provides a no-excuse mail-in ballot to
26 every registered voter who requests such a bal-

1 lot (or, in the case of any State that does not
2 register voters, to every individual who is eligi-
3 ble to vote and requests such a ballot);

4 (B) allows voters to request a mail-in bal-
5 lot online;

6 (C) if the State requires a signature for
7 absentee ballots, allows voters to sign the ballot
8 by providing a mark or signature stamp or by
9 providing a signature with the use of an assist-
10 ant because of age, disability, or other need;

11 (D) accepts and counts ballots received be-
12 fore the State's certification deadline if the bal-
13 lot—

14 (i) is postmarked by the date of the
15 election; or

16 (ii) includes an indication that it was
17 mailed by the date of the election;

18 (E) provides a pre-paid and self-sealing re-
19 turn envelope for each ballot furnished by mail;

20 (F) beginning with the date that is 45
21 days before the date of the election and ending
22 with the time that polls close on the date of the
23 election, provides in-person, secured drop boxes;

24 (G) before discarding any absentee ballot
25 for error or technicalities (including the failure

1 to meet any signature matching requirement
2 that is unrelated to voter qualification)—

3 (i) notifies the voter of any such de-
4 fects; and

5 (ii) provides the voter an opportunity
6 to cure such defects that—

7 (I) is uniform among all voters in
8 the State; and

9 (II) in the case of any error re-
10 lating to a signature requirement,
11 meets the requirements of paragraph
12 (2);

13 (H) in the case of any voter with disabil-
14 ities—

15 (i) provides the voter with access to
16 Remote Access Vote By Mail (RAVBM)
17 systems, ballot marking software, and
18 screen reading software; and

19 (ii) allows the voter to receive assist-
20 ance from a person of their choosing to
21 complete and submit a mail-in ballot; and

22 (I) ensures adequate support for language
23 minority voters, including multilingual versions
24 of vote-by-mail materials and language assist-
25 ance services.

1 (2) REQUIREMENTS RELATING TO SIGNATURE
2 DEFECTS.—The requirements of this paragraph re-
3 lating to any defect described in paragraph
4 (1)(G)(ii)(II) are the following:

5 (A) Except as provided in subparagraph
6 (B), the voter shall be allowed to cure the de-
7 fect through the same form of communication
8 with respect to which the notice of such defect
9 is provided.

10 (B) In any case in which a required signa-
11 ture is missing, the voter shall be provided an
12 opportunity to provide such signature on a form
13 provided by the State.

14 (C) Any determination of the validity of
15 the ballot shall be made by a group of 2 or
16 more election officials.

17 (D) The voter shall have the opportunity
18 to appeal any rejection of the ballot based on
19 the defect.

20 (d) EARLY IN-PERSON VOTING PERIOD.—The early

6 (c) REPORT BY INSPECTOR GENERAL.—Not later
7 than 1 year after the date of the enactment of this Act,
8 the Inspector General of the Department of Justice shall
9 report to the Congress on the procedures created under
10 this section, and address whether and to what extent those
11 procedures are likely to accomplish their intended pur-
12 poses. In the report, the Inspector General may include
13 recommendations for further changes in procedures that
14 would better accomplish the purposes set forth in sub-
15 section (a), taking into account the considerations de-
16 scribed in subsection (b).

17 **SEC. 60114. ANNUAL REVIEW AND REPORTS OF THE CIT-**
18 **IZEN COMPLAINT PROCESS.**

19 The Office of the Inspector General shall—

20 (1) conduct an annual review of citizen com-
21 plaints to determine whether the Office of Profes-
22 sional Responsibility has taken appropriate discipli-
23 nary measures against prosecutors who have mis-
24 handled cases or engaged in misconduct; and

1 (2) publish in a report to Congress each case in
2 which any judge or court has found that a pros-
3 ecutor or law enforcement officer engaged in mis-
4 conduct, whether such a finding resulted in reversal,
5 vitiation, or vacatur of a conviction or sentence.

20 **SEC. 60201. CALCULATION OF SAVINGS.**

21 (a) CALCULATION OF REVOCATION BASELINE.—

22 (1) GENERAL RULE.—The Director of the Ad-
23 ministrative Office of the United States Courts, in
24 consultation with the Director of the Bureau of Pris-
25 ons and the United States Sentencing Commission,

1 shall calculate for each Federal judicial district a
2 baseline revocation rate.

3 (2) METHOD OF CALCULATION.—The baseline
4 revocation rate for a judicial district is the percent-
5 age equivalent of the ratio of the total number of
6 adult supervisees sent to prison from that district
7 during the baseline period to the total number of
8 adult supervisees sent to prison nationally during
9 the same period.

10 (3) DEFINITIONS.—In this subsection—

11 (A) the term “sent to prison” means sent
12 to Federal or State prison—

13 (i) for a revocation of probation or su-
14 pervised release; or

15 (ii) for a conviction of a new felony of-
16 fense.

17 (B) The term “baseline period” means the
18 period beginning January 1, 2012, and ending
19 December 31, 2014.

20 (b) ANNUAL REVOCATION CALCULATIONS.—At the
21 conclusion of the calendar year following the implementa-
22 tion of subsection (a), and every calendar year thereafter,
23 the Director of the Administrative Office of the United
24 States Courts, in consultation with the Director of the Bu-

1 reau of Prisons and the United States Sentencing Com-
2 mission shall calculate the following measures:

3 (1) AVERAGE REVOCATION COST.—The average
4 revocation cost, which is the average cost to incar-
5 cerate a supervisee revoked to prison in the previous
6 year, including average length of stay times average
7 marginal cost per day.

8 (2) NATIONWIDE REVOCATION RATE.—The na-
9 tionwide revocation rate, which is calculated as the
10 number of supervisees nationwide sent to prison in
11 the previous year as a percentage of the nationwide
12 supervision population as of June 30th of that year.

13 (3) DISTRICT REVOCATION RATES.—For each
14 judicial district, the district's revocation rate, which
15 is calculated as the number of supervisees from that
16 district sent to prison in the previous year as a per-
17 centage of the district's supervision population as of
18 June 30th of that year.

19 (4) REDUCTION IN REVOCATION RATE.—For
20 each judicial district, the reduction in revocation
21 rate is the number of adult supervisees from each
22 district not revoked to prison, which is calculated
23 based on the reduction in the district's revocation
24 rate as calculated under paragraph (3) from the dis-
25 trict's baseline revocation rate as calculated under

1 subsection (a). In making this estimate, the Director
2 of the Administrative Office of the United States
3 Courts, in consultation with the Director of the Bu-
4 reau of Prisons and the Judicial Conference of the
5 United States, may adjust the calculation to account
6 for changes in each district's caseload in the most
7 recent completed year as compared to the district's
8 adult supervision population during the years 2012
9 through 2014.

10 (c) CATEGORIZATION OF JUDICIAL DISTRICTS.—An-
11 nually, at the conclusion of each calendar year, the Direc-
12 tor of the Administrative Office of the United States
13 Courts, in consultation with the Director of the Bureau
14 of Prisons and the United States Sentencing Commission,
15 shall assign the appropriate supervision revocation tier to
16 each judicial district for which it was estimated that the
17 judicial district successfully reduced its revocation rate, as
18 provided by subsection (b)(4). The tiers are defined for
19 the purposes of this subtitle as follows:

20 (1) TIER 1.—A tier 1 district is one which has
21 a district revocation rate, as defined in subsection
22 (b)(3), that is no more than 25 percent higher than
23 the nationwide revocation rate, as defined in sub-
24 section (b)(2).

1 (2) TIER 2.—A tier 2 district is one which has
2 a district revocation rate, as defined in subsection
3 (b)(3), that is more than 25 percent above the na-
4 tionwide revocation rate, as defined in subsection
5 (b)(2).

6 **SEC. 60202. DISTRIBUTION OF PERFORMANCE INCENTIVE**
7 **FUNDING.**

8 (a) DISTRIBUTION OF REVOCATION REDUCTION IN-
9 CENTIVE PAYMENTS.—Annually, the Director of the Ad-
10 ministrative Office of the United States Courts, in con-
11 sultation with the Director of the Bureau of Prisons and
12 the United States Sentencing Commission, shall calculate
13 a revocation reduction incentive payment for each eligible
14 judicial district, pursuant to section 60201, for the most
15 recently completed calendar year, as follows:

16 (1) REVOCATION REDUCTION INCENTIVE PAY-
17 MENTS FOR TIER 1 DISTRICTS.—For a tier 1 dis-
18 trict, the district's revocation reduction incentive
19 payment is equal to the estimated number of
20 supervisees successfully prevented from being sent to
21 prison, as defined by section 60201(b)(4) multiplied
22 by 45 percent of the costs to the Director of the Bu-
23 reau of Prisons to incarcerate a supervisee who is
24 revoked to prison, as defined in section 60201(b)(1).

1 (2) REVOCATION REDUCTION INCENTIVE PAY-
2 MENTS FOR TIER 2 DISTRICTS.—For a tier 2 judicial
3 district, its revocation rate shall equal the estimated
4 number of supervisees successfully prevented from
5 being sent to prison, as defined by section
6 60201(b)(4) multiplied by 40 percent of the costs to
7 the Bureau of Prisons to incarcerate in prison a su-
8 pervisee whose supervision is revoked.

9 (b) DISTRIBUTION OF GRANTS FOR HIGH-PER-
10 FORMING DISTRICTS.—

11 (1) FUNDING RESERVED FOR HIGH-PER-
12 FORMING DISTRICTS.—Annually, the Director of the
13 Administrative Office of the United States Courts,
14 in consultation with the Director of the Bureau of
15 Prisons and the United States Sentencing Commis-
16 sion, shall calculate 5 percent of the total savings at-
17 tributed to those districts that successfully reduce
18 the number of supervisees revoked to prison for the
19 purposes of providing high-performance grants.

20 (2) ELIGIBILITY.—A judicial district is eligible
21 for a high-performance grant if it is a district—

22 (A) with supervisee revocation rates more
23 than 50 percent below the nationwide average
24 in the most recently completed calendar year;
25 and

1 (B) that has not exceeded the national rev-
2 ocation rate for the past three calendar years.

3 (3) ADMINISTRATION OF GRANTS FOR HIGH-
4 PERFORMING DISTRICTS.—

5 (A) The Administrative Office of the
6 United States Courts may make a high per-
7 formance grant to a district in a year in which
8 that district does not also receive a supervision
9 revocation reduction payment under subsection
10 (a).

11 (B) The chief probation officer, in con-
12 sultation with the chief judge, in a judicial dis-
13 trict that qualifies for both a high performance
14 grant and a supervision revocation reduction
15 payment shall inform the Administrative Office
16 of the United States Courts, by a date des-
17 ignated by the Administrative Office of the
18 United States Courts, whether the judicial dis-
19 trict should receive the high performance grant
20 or the supervision failure reduction incentive
21 payment.

22 (C) The Administrative Office of the
23 United States Courts shall seek to ensure that
24 each qualifying judicial district that submits a
25 qualifying application for a high performance

1 grant receives a proportionate share of the
2 grant funding available, based on the popu-
3 lation of adults age 18 to 25, inclusive, in that
4 judicial district.

5 (c) PAYMENTS.—The Administrative Office of the
6 United States Courts shall disburse the revocation reduc-
7 tion incentive payments and high performance grants cal-
8 culated for any calendar year to judicial districts in the
9 following fiscal year.

10 **SEC. 60203. USE OF PERFORMANCE INCENTIVE FUNDING.**

11 (a) ESTABLISHMENT OF A SUPERVISION PERFORM-
12 ANCE INCENTIVE FUND.—Each district probation office
13 is hereby authorized to establish a Supervision Perform-
14 ance Incentive Fund (hereinafter in this section referred
15 to as the “Fund”), to receive all amounts allocated to the
16 judicial district for the purposes of implementing this sec-
17 tion. In any fiscal year for which a district probation office
18 receives sums to be expended for the implementation of
19 this section, those sums, including any interest, shall be
20 made available to the chief probation officer of that dis-
21 trict probation office, not later than 30 days after the de-
22 posit of those moneys into the fund.

23 (b) AUTHORIZED USE OF FUNDS.—Funds received
24 through appropriations for the purposes of this subtitle
25 shall be used by the chief probation officer or his designee

1 to provide supervision and rehabilitative services for Fed-
2 eral supervisees, and shall be spent on implementing or
3 enhancing evidence-based community corrections practices
4 and programs, which may include the following:

5 (1) Implementing and expanding evidence-based
6 risk and needs assessments.

7 (2) Implementing and expanding the use of
8 graduated sanctions pursuant to [section 3609].

9 (3) Implementing and expanding treatment and
10 services associated with problem-solving courts that
11 are proven to reduce recidivism among the targeted
12 population.

13 (4) Expanding the availability of evidence-based
14 rehabilitation programs, including drug and alcohol
15 treatment, mental health treatment, employment
16 programs, services for victims of domestic violence,
17 services for veterans, and cognitive behavioral ther-
18 apy.

19 (5) Expanding the availability, in terms of
20 hours and geographic locations, of day reporting
21 centers and the reporting hours of existing probation
22 offices to accommodate supervisees' work, education,
23 and/or child care schedules.

1 (6) Hiring social workers to assist supervisees
2 in applications for social services and programs on
3 the local, State, and Federal level.

4 (7) Evaluating the effectiveness of rehabilita-
5 tion and supervision programs and ensuring pro-
6 gram fidelity.

7 (c) MANDATORY EVALUATION.—

8 (1) IN GENERAL.—Except as provided in para-
9 graph (2), the chief probation officer, in consultation
10 with the chief judge of the judicial district, shall de-
11 vote at least 5 percent of all funding received
12 through the Fund to evaluate the effectiveness of
13 those programs and practices implemented or ex-
14 panded with the funds provided pursuant to this sec-
15 tion.

16 (2) WAIVER OF REQUIREMENT.—A chief proba-
17 tion officer may petition the Administrative Office of
18 the United States Courts for waiver of this restric-
19 tion, and the Administrative Office of the United
20 States Courts shall have the authority to grant such
21 a petition, if the Chief Probation Officer can dem-
22 onstrate that the department is already devoting suf-
23 ficient funds to the evaluation of these programs and
24 practices.

1 (d) ACCOUNTING.—The head of each district proba-
2 tion office receiving amounts from the Fund shall provide
3 for a separate accounting of those amounts sufficient to
4 evaluate the effectiveness of each program.

5 **SEC. 60204. DEFINITIONS.**

6 In this subtitle:

7 (1) CHIEF JUDGE.—The term “chief judge”
8 with respect to a district court means the chief judge
9 of that court, or the judge of that court if there is
10 only one judge.

11 (2) CHIEF PROBATION OFFICER.—The term
12 “chief probation officer” means the probation officer
13 designated by the court to direct the work of all pro-
14 bation officers serving in the judicial district.

15 (3) COMMUNITY CORRECTIONS PROGRAM.—The
16 term “community corrections program” means an
17 evidence-based recidivism reduction program estab-
18 lished pursuant to this subtitle, consisting of a sys-
19 tem of services dedicated to all of the following
20 goals:

21 (A) Enhancing public safety through the
22 management and reduction of a supervisee’s
23 risk of recidivism while under supervision.

24 (B) Supporting supervisees’ achievement of
25 stability of employment and housing by using a

1 range of supervision tools, sanctions, and serv-
2 ices applied to supervisees for the purpose of re-
3 ducing criminal conduct and promoting behav-
4 ioral change that reduces recidivism and pro-
5 motes the successful reintegration of offenders
6 into the community.

7 (C) Holding offenders accountable for their
8 criminal behaviors and for successful compli-
9 ance with applicable court orders and conditions
10 of supervision.

11 (D) Improving public safety outcomes for
12 persons placed on supervision, as measured by
13 their successful completion of supervision and
14 commensurate reduction in the rate of
15 supervisees sent to prison as a result of a rev-
16 ocation or conviction for a new crime.

17 (4) EVIDENCE-BASED PRACTICES.—The term
18 “evidence-based practices” means supervision poli-
19 cies, procedures, programs, and practices that sci-
20 entific research demonstrates reduce recidivism
21 among people on probation or supervised release.

22 (5) SUPERVISEE.—The term “supervisee” has
23 the meaning given that term in section 3609 of title
24 18, United States Code.

1 (6) SUPERVISION.—The term “supervision” has
2 the meaning given that term in section 3609 of title
3 18, United States Code.

4 (7) REVOCATION.—The term “revocation”
5 means a judicial process to revoke supervision that
6 imposes confinement.

13 **SEC. 60301. FINDINGS AND DECLARATIONS.**

14 The Congress finds and declares the following:

15 (1) The goal of a law enforcement investigation
16 is to apprehend the person or persons responsible for
17 the commission of a crime.

18 (2) Mistaken eyewitness identification has been
19 shown to have contributed to the wrongful conviction
20 in 72 percent of the Nation’s 330 DNA exonerations
21 of innocent persons, including 20 who served time on
22 death row and 30 who pled guilty. These innocents
23 served an average of 13.5 years in prison before ex-
24 oneration and release. No one benefits from a
25 wrongful conviction—except the real perpetrator,

1 who remains free to commit additional crimes. In
2 half of the exoneration cases, the process of settling
3 the innocence claim led to the identification of the
4 real perpetrator. Over 140 violent crimes could have
5 been prevented had the real perpetrator been identi-
6 fied instead of the innocent.

7 (3) Over the past 30 years, a large body of
8 peer-reviewed, scientific research and practice has
9 emerged showing that simple systemic changes can
10 protect the innocent and the public by increasing the
11 accuracy of the evidence used to support a conviction
12 beyond a reasonable doubt. These reforms are—

13 (A) improving the accuracy of eyewitness
14 identification;

15 (B) preserving and analyzing forensic evi-
16 dence;

17 (C) recording confessions and interroga-
18 tions;

19 (D) regulating, disclosing, and video re-
20 cording informant or cooperator testimony;

21 (E) improving the quality of defense coun-
22 sel;

23 (F) providing for post-conviction DNA
24 testing for all applicants for whom DNA has
25 the potential to prove innocence; and

1 (G) increasing compensation to the wrong-
2 fully convicted.

3 (4) Policies and procedures to improve the ac-
4 curacy of eyewitness identifications such as those
5 recommended by the National Academy of Sciences,
6 the United States National Institute of Justice, the
7 International Association of Chiefs of Police, and the
8 American Bar Association are readily available.

9 (5) More accurate eyewitness identifications in-
10 crease the ability of police and prosecutors to convict
11 the guilty and protect the innocent.

12 (6) The integrity of the criminal justice process
13 is enhanced by adherence to best practices in evi-
14 dence gathering.

15 (7) Federal, State, and local governments will
16 benefit from the improvement of the accuracy of eye-
17 witness identifications.

18 (8) The value of properly preserved biological
19 evidence has been enhanced by the discovery of mod-
20 ern DNA testing methods, which, coupled with a
21 comprehensive system of DNA databases that store
22 crime scene and offender profiles, allow law enforce-
23 ment to improve its crime-solving potential.

24 (9) Tapping the potential of preserved biological
25 evidence requires the proper identification, collection,

1 preservation, storage, cataloguing and organization
2 of such evidence.

3 (10) Law enforcement agencies indicate that
4 “cold” case investigations are hindered by an inability
5 to access biological evidence that was collected in
6 connection with criminal investigations.

7 (11) Innocent people mistakenly convicted of
8 the serious crimes for which biological evidence is
9 probative cannot prove their innocence if such evidence
10 is not accessible for testing in appropriate circumstances.
11

12 (12) It is well established that the failure to update
13 policies regarding the preservation of evidence
14 squanders valuable law enforcement resources, manpower
15 hours and storage space.

16 (13) Simple but crucial enhancements to protocols
17 for properly preserving biological evidence can
18 solve old crimes, enhance public safety and settle
19 claims of innocence.

20 (14) Existing Federal, State, and local laws still
21 erect procedural hurdles that result in some potentially
22 innocent applicants being barred from seeking
23 DNA testing after a conviction has been imposed despite
24 enduring probative value of DNA evidence.

1 (15) During his 2005 State of the Union ad-
2 dress, President George W. Bush urged that, “[i]n
3 America, we must make doubly sure no person is
4 held to account for a crime he or she did not com-
5 mit, so we are dramatically expanding the use of
6 DNA evidence to prevent wrongful conviction”.

7 (16) United States Attorney General Eric Hold-
8 er expressed his hope, in the interest of justice and
9 identifying the true perpetrators of crimes, that “all
10 levels of government will follow the Federal Govern-
11 ment’s lead by working to expand access to DNA
12 evidence”.

13 (17) Emerging DNA testing technologies can
14 enhance the quality of justice.

15 (18) The scientifically reliable results of DNA
16 testing provide the certainty and finality that bolster
17 the public’s trust in our Federal, State, and local
18 criminal justice systems.

19 (19) In addition to the wrongfully convicted and
20 their families, crime victims, law enforcement, pros-
21 ecutors, courts and the public are harmed whenever
22 individuals guilty of crimes elude justice while inno-
23 cent individuals are imprisoned for crimes they did
24 not commit.

1 (20) Our Federal, State, and local governments
2 must enhance their technology to increase the
3 amount of testable, biological evidence and enhance
4 their existing post-conviction DNA testing statutes
5 so that all applicants for whom DNA testing has the
6 potential to prove a claim of innocence will have the
7 opportunity to obtain such testing.

8 (21) Properly audio and video recorded custo-
9 dial interrogations provide the best evidence of the
10 communications that occurred during an interroga-
11 tion; prevent disputes about how an officer con-
12 ducted himself or treated a suspect during the
13 course of an interrogation; prevent disputes about
14 the account of events the defendant originally pro-
15 vided to law enforcement; spare judges and jurors
16 the time necessary and need to assess which account
17 of an interrogation to believe; and enhance public
18 confidence in the criminal process. It is therefore the
19 Congress' intent to require the video and audio re-
20 cording of all custodial interrogations in Federal law
21 enforcement agencies.

22 (22) An informant is a person who was not a
23 victim of a crime who offers to provide information
24 or assistance to law enforcement in exchange for le-
25 niency or some other benefit. The testimony of in-

1 formants, who have reason to seek leniency from the
2 criminal justice system in exchange for their testi-
3 mony, is inherently suspect. However, truthful in-
4 formant testimony may still be important in solving
5 crimes.

6 (23) Rewarding informants, either tacitly or ex-
7 plicitly, by the Government produces dangerous in-
8 centives to manufacture or fabricate testimony.
9 Thus, it is incumbent upon the judicial system to as-
10 sess whether informant testimony is reliable.

11 (24) The use of informant testimony without a
12 system to properly assess its reliability or corrobo-
13 rate its substance provides fertile ground for ob-
14 struction of the fair administration of justice.

15 (25) Therefore, a system to properly assess the
16 reliability of informant testimony, including, but not
17 limited to audio and video recording of all state-
18 ments provided by informants, should be developed.

19 (26) The failure to properly educate law en-
20 forcement, defense lawyers, prosecutors, judges, ju-
21 ries, and other fact investigators and fact finders
22 about the vulnerabilities inherent in informant testi-
23 mony enables improper consideration of such testi-
24 mony, which can seriously undermine the integrity of
25 our criminal justice system.

1 **SEC. 60302. ACCURACY AND RELIABILITY OF EVIDENCE IN**
2 **CRIMINAL CASES; ADDRESSING INFORMA-**
3 **TION DISPARITY IN CRIMINAL CASES.**

4 (a) IN GENERAL.—Not later than 180 days after the
5 date of enactment of this Act, the Attorney General shall,
6 in consultation with the Federal Public or Community De-
7 fender from the Defender Services Advisory Group, the
8 American Bar Association, the American Law Institute,
9 and other expert organizations, including the Innocence
10 Project and the National District Attorneys Association,
11 create training and best practices to be implemented by
12 Federal prosecutors and law enforcement officers prior to
13 trial, consistent with the constitutional rights of the de-
14 fendant, that increase protection for the innocent by re-
15 ducing the inaccuracy and unreliability of evidence relied
16 upon in criminal cases, including—

17 (1) procedures and protocols for collecting,
18 marking, preserving, cataloguing, and handling evi-
19 dence;

20 (2) training on interrogation to eliminate coer-
21 cive tactics that lead to false or unreliable confes-
22 sions;

23 (3) training on interviewing witnesses to elimi-
24 nate suggestive tactics that lead to false or unreli-
25 able identifications and memories;

1 (4) training to eliminate cross-racial identifica-
2 tion mistakes and collaborating on the criteria for
3 expert testimony and parameters for model jury in-
4 structions on cross-racial identification;

5 (5) training to avoid and discourage the use of
6 unreliable informant or cooperator testimony;

7 (6) requiring audio and video recording of all
8 interviews and interrogations in connection with any
9 defendant's prosecution;

10 (7) promoting a fair and expeditious disposition
11 of the charges, whether by diversion, plea, or trial,
12 consistent with defendants' constitutional rights;

13 (8) providing the defendant with sufficient in-
14 formation to make an informed plea;

15 (9) permitting the defendant to thoroughly pre-
16 pare for trial and minimize surprise at trial by pro-
17 viding prompt discovery to the defendant;

18 (10) reducing interruptions and complications
19 during trial to the extent practicable and avoid un-
20 necessary and repetitious trials by identifying and
21 resolving evidentiary disputes prior to trial;

22 (11) increasing the funding and resources for
23 court-appointed counsel to minimize the procedural
24 and substantive inequities among similarly situated
25 defendants, particularly between defendants rep-

1 resented by court-appointed counsel, pursuant to 18
2 U.S.C. 3006A, and defendants represented by pri-
3 vately retained counsel; and

4 (12) minimizing the burden upon victims, wit-
5 nesses, counsel, and the taxpayer.

6 (b) INITIAL DISCLOSURE TO DEFENDANTS.—The
7 Attorney General shall instruct Federal prosecutors and
8 law enforcement agents, upon request by the defendant
9 and not later than 14 days after such request, to permit
10 the defendant to inspect and to copy or photograph the
11 full contents of all investigative and case files, excepting
12 only privileged material or attorney work product, to per-
13 mit inspection, copying, testing, and photographing of dis-
14 closed documents or tangible objects, including the fol-
15 lowing documents or tangible objects:

16 (1) All relevant recorded, written, and oral
17 statements of the defendant or of any codefendant
18 that are within the possession or control of the Gov-
19 ernment, and any documents relating to the acquisi-
20 tion of such statements.

21 (2) The names and addresses of all persons
22 known to the Government to have information con-
23 cerning the offense charged, together with all writ-
24 ten statements of any such person that are within
25 the possession or control of the Government and

1 that relate to the subject matter of the offense
2 charged.

3 (3) The identity of persons the Government in-
4 tends to call as witnesses at trial.

5 (4) Any information regarding any inquiry, so-
6 licitation, or agreement between the Government and
7 any individual that constitutes an inquiry into or so-
8 licitation of cooperation or testimony of the indi-
9 vidual.

10 (5) Any reports or written statements of any
11 expert the Government intends to call as a witness
12 at trial, including results of physical or mental ex-
13 aminations, scientific tests, experiments, compari-
14 sons, a written description of the substance of the
15 proposed testimony of the expert, the expert's opin-
16 ion, and the underlying basis of that opinion, if that
17 report or written statement of the expert is material
18 to preparing the defense or the Government intends
19 to use the item in its case-in-chief at trial. At the
20 defendant's request, the Government must give to

11 close the full contents of that additional information, ex-
12 cepting only privileged material or attorney work product,
13 to permit inspection, copying, testing, and photographing
14 of disclosed documents or tangible objects, including the
15 documents or tangible objects described in subsection (b),

18 tecting the defendant's right to prepare for trial or
19 sentencing to the extent possible.

20 (4) APPLICATION MAY BE EX PARTE.—The
21 written application may be made ex parte so long as
22 the Government provides notice to the defendant of
23 the general nature of the application, and the de-
24 fendant is given an opportunity to be heard on
25 whether an ex parte application is necessary, wheth-

1 er any protective order is warranted, and the param-

18 **SEC. 60613. SUPPORTING SAFE LAW ENFORCEMENT.**

19 (a) FINDINGS.—Congress finds the following:

20 (1) Most law enforcement officers walk into
21 risky situations and encounter tragedy on a regular
22 basis. Some, such as the police who responded to the
23 carnage of the Sandy Hook Elementary School, wit-
24 ness horror that stays with them for the rest of their
25 lives. Others are physically injured in carrying out

1 their duties, sometimes needlessly, through mistakes
2 made in high stress situations. The recent notable
3 deaths of officers are stark reminders of the risk of-
4 ficers face. As a result, physical, mental, and emo-
5 tional injuries plague many law enforcement agen-
6 cies. However, a large proportion of officer injuries
7 and deaths are not the result of interaction with of-
8 fenders but the outcome of poor physical health due
9 to poor nutrition, lack of exercise, sleep deprivation,
10 and substance abuse. Yet these causes are often
11 overlooked or given scant attention. Many other in-
12 juries and fatalities are the result of vehicular acci-
13 dents. The wellness and safety of law enforcement
14 officers is critical not only to themselves, their col-
15 leagues, and their agencies, but also to public safety.

16 (2) Officer suicide is also a problem. Police died
17 from suicide 2.4 times as often as from homicides.
18 And though depression resulting from traumatic ex-
19 periences is often the cause, routine work and life
20 stressors—serving hostile communities, working long
21 shifts, lack of family or departmental support—are
22 frequent motivators too.

23 (3) According to estimates of the United States
24 Bureau of Labor Statistics, more than 100,000 law
25 enforcement professionals are injured in the line of

1 duty each year. Many are the result of assaults,
2 which underscores the need for body armor, but
3 most are due to vehicular accidents.

4 (b) AUTHORIZED USES.—Funds obligated, but sub-
5 sequently unspent and deobligated, may remain available,
6 to the extent provided in appropriations Acts, for use as
7 specified under this section in ensuing fiscal years. The
8 Attorney General shall take all practicable steps to use
9 such funds as soon as practicable to carry out programs
10 that are consistent with the purposes of this title. Such
11 programs include—

12 (1) a national “Blue Alert” warning system to
13 enlist the help of the public in finding suspects after
14 a law enforcement officer is killed in the line of
15 duty;

22 resources to refer the caller to professional help if
23 needed;

24 (4) continuing research in the efficacy and im-
25 plementation of an annual fitness, resilience, nutri-

1 tion, and mental health check, in recognition that
2 many health problems afflicting law enforcement of-
3 ficers, notably cardiac issues, are cumulative;

4 (5) expanding Federal pension plans and
5 incentivizing State and local pension plans to recog-
6 nize fitness for duty exams as definitive evidence of
7 valid duty or nonduty related disability in recogni-
8 tion of the fact that officers injured in the line of
9 duty are often caught in limbo, without pay, unable
10 to work but also unable to obtain benefits because
11 “fitness for duty” exams are not recognized as valid
12 proof of disability and because they cannot receive
13 Social Security;

14 (6) implementing research-based findings into
15 the number of hours an officer should work consec-
16 utively and in total within a 24–48 hour period, in-
17 cluding special findings on the maximum number of
18 hours an officer should work in a high-risk or high-
19 stress environment (e.g. public demonstrations or
20 emergency situations) by implementing those find-
21 ings federally and providing incentives for State and
22 local law enforcement to do the same;

23 (7) providing individual tactical first-aid kits
24 that contain tourniquets, an Olaes modular bandage,

5 to every law enforcement officer on the Federal level,
6 and providing incentives for State and local law en-
7 forcement agencies to do so;

8 (9) researching and providing training, includ-
9 ing protocols for use and consequences of misuse,
10 prior to providing oleoresin capsicum (OC) spray—
11 commonly called pepper spray—to every correctional
12 worker in medium, high, and maximum security
13 Federal prisons as well as Federal Medical Centers,
14 Federal Detention Centers, and jail units operated
15 by the Bureau of Prisons and instituting a training
16 program to educate workers on how to use the spray
17 responsibly and effectively for self-defense purposes
18 only, and providing incentives for State and law en-
19 forcement agencies to do so;

20 (10) requiring the Director of the Bureau of
21 Prisons to ensure that each chief executive officer of
22 a Federal penal or correctional institution provides
23 a secure storage area located outside the secure pe-
24 rimeter of the institution for employees to store fire-
25 arms, or allowing employees to store firearms in a

1 vehicle lockbox approved by the Director of the Bu-
2 reau of Prisons;

3 (11) researching and/or developing the design
4 specifications or modifications for body-worn cam-
5 eras with the input of Federal, State, and local law
6 enforcement leaders and providing the devices or
7 funding to purchase the device and funding for re-
8 lated costs to implementation and storage costs to
9 every Federal law enforcement and correctional
10 agency and State and local officer, in recognition of
11 the fact that these devices reduce unwarranted com-
12 plaints against officers while also vindicating civil-
13 ians who have been mistreated;

14 (12) researching, developing, and providing best
15 practices for Federal, State, and local law enforce-
16 ment on the acquisition, use, retention, and dissemi-
17 nation of auditory, visual, and biometric data from
18 law enforcement in a constitutional manner and in
19 light of privacy concerns, in consultation with the
20 Bureau of Justice Assistance, civil rights and civil
21 liberties organizations, as well as law enforcement
22 research groups and other experts;

23 (13) hiring of social workers by the Bureau of
24 Prisons and providing incentives for State and local
25 governments to do so because social workers are

1 uniquely qualified to address the release preparation
2 needs of aging inmates, such as aftercare planning
3 and ensuring continuity of medical care;

4 (14) providing funding and training federally
5 and to State and local law enforcement agencies on
6 community-based policing principles to repair and
7 rebuild trust and collaborative relationships;

8 (15) providing funding to Federal, State, and
9 local law enforcement agencies to eliminate the DNA
10 backlog, in recognition that repeat, violent offenders,
11 in particular sex offenders, would be identified and
12 prevented from committing additional crimes;

13 (16) implementing requested and recommended
14 mental health treatments to Federal law enforce-
15 ment and correctional officers and providing incen-
16 tives to State and local law enforcement and correc-
17 tions agencies to do the same;

18 (17) providing incentives and support services
19 to State and local law enforcement agencies to en-

22 on each single incident and arrest within 22 offense
23 categories made up of 46 specific crimes that are the
24 major ones facing law enforcement today, including
25 terrorism, white collar crime, weapons offenses,

1 missing children in which criminality is involved,
2 drug offenses, hate crimes, spousal/child/elder abuse,
3 gang crimes, organized crime, sexual exploitation,
4 DUI and alcohol-related offenses;

5 (18) providing medication-assisted treatment
6 for individuals struggling with heroin, opioid, or al-
7 cohool abuse in residential substance abuse treatment
8 programs and providing funding to State and local
9 governments to do so;

10 (19) providing funding to State and local gov-
11 ernments and law enforcement agencies to imple-
12 ment the Attorney General's best practices on infor-
13 mation and resource parity and innocence protec-
14 tion, including sharing the toolkits referenced in sec-
15 tion 60305 of this title to reduce the likelihood of
16 wrongful convictions, "open file" discovery practices,
17 evidence preservation, training on interrogation to
18 avoid coercive tactics that lead to false or unreliable
19 confessions, training on interviewing witnesses to
20 avoid suggestive tactics that lead to false or unreli-
21 able identifications, and training on the cross-racial
22 misidentification probability;

23 (20) investing in research and training in non-
24 lethal tools of policing that provide a greater range

1 of law enforcement response, including to de-escalate
2 situations and reduce deadly uses of force;

3 (21) investing in research and training in im-
4 plicit bias for local, State, and Federal law enforce-
5 ment personnel and developing comprehensive strat-
6 egies to recognize and reduce incidences of implicit
7 bias;

9 assist communities in developing comprehensive re-
10 sponses to youth violence through coordinated pre-
11 vention and intervention initiatives;

12 (23) hiring social workers, psychologists, psy-
13 chiatrists, therapists, and counselors for Federal
14 prisons and providing funding to State and local
15 governments to do the same as they are uniquely
16 qualified to address the release preparation needs of
17 inmates;

18 (24) providing funding to State and local law
19 enforcement agencies to provide incentives for offi-
20 cers with undergraduate and graduate degrees;

21 (25) providing additional funding to Federal,
22 State, and local government agencies to provide com-
23 petent and effective counsel for persons financially
24 unable to obtain legal representation;

1 (26) providing additional funding for the grant
2 program established by the Second Chance Act
3 (Public Law 110–199) to prevent recidivism and im-
4 prove public safety;

5 (27) providing funding for Federal, State, and
6 local law enforcement leaders to attend the FBI Na-
7 tional Academy to share best practices and support
8 national coherence on important policing issues in
9 this ever-changing field;

10 (28) crime-reducing education grants, Federal

19 law enforcement leaders, and subject matter experts,
20 to create a national nonpunitive, forward-focused
21 peer review, training, and improvement center with
22 the goal of improved safety outcomes for officers and
23 civilians that would—

24 (A) establish a “critical incident review”
25 mechanism, similar to those used in medicine

1 and aviation, as a comprehensive, protective,
2 and accurate way of examining the cir-
3 cumstances surrounding an incident to accu-
4 rately identify problems on a systemic level to
5 reduce the number and types of problems, to

10 agencies involved;

11 (B) establish a data input form and infra-
12 structure of a “near miss” database and for

17 and to encourage new learning and sustainable,
18 stakeholder-driven change;

19 (C) study, recommend, and establish an
20 “officer-involved shooting database” for use

18 (F) educate and facilitate the advance of
19 evidence-based policing to encourage use of the
