

116TH CONGRESS
2D SESSION

H. RES. 1005

Expressing the sense of the House of Representatives regarding the
enhancement of unity in America.

IN THE HOUSE OF REPRESENTATIVES

JUNE 15, 2020

Ms. JACKSON LEE submitted the following resolution; which was referred to
the Committee on the Judiciary

RESOLUTION

Expressing the sense of the House of Representatives
regarding the enhancement of unity in America.

Whereas, on June 18, 2015, the United States Supreme Court correctly concluded in *Walker III v. Texas Division, Sons of Confederate Veterans, Inc.* (No. 14–144; 576 U.S., 135 S. Ct. 2239) that messages on State license plates constitute “government speech”, not private speech protected by the First Amendment;

Whereas the Court also held that it is within the authority of a State such as Texas to reject messages on State-issued license plates, such as a depiction of the Confederate battle flag, that offend the sensibilities of its citizens;

Whereas divisive symbols, license plates, specialty license plates, replicas, and flags on public buildings or govern-

ment property, which constitute “government speech”, convey the vestiges of the history of slavery that has divided the United States;

Whereas the role of government is to promote equal protection under the Constitution and combat fear, oppression, and intimidation;

Whereas these divisive symbols have historically targeted and perpetuated fear, oppression, and intimidation of certain groups of Americans;

Whereas the continued existence of these divisive symbols as “government speech” is also a denial of equal protection under the law;

Whereas the United States can only be a perfect union where all are and feel equally protected under the law; and

Whereas equal protection under the law promotes a more perfect union, fairness, tolerance, peace, and a sense of community oneness, all unalienable rights enshrined in the Constitution: Now, therefore, be it

1 *Resolved*, That it is the sense of the House of Rep-
2 resentatives that the United States can achieve a more
3 perfect union—

4 (1) through avoidance of “government speech”,
5 as the State of Texas did in *Walker III v. Texas Di-*
6 *vision, Sons of Confederate Veterans, Inc.*, which
7 promotes or displays symbols, signs, and vestiges of
8 racism, oppression, and intimidation in the States,
9 localities, and territories;

1 (2) by immediately abating the use of “govern-
2 ment speech” through signs, actions, and words that
3 promote division and tear at the fabric of the Amer-
4 ican society; and

5 (3) by promoting tolerance and unity by taking
6 actions to ensure that “government speech” does not
7 foster division, disharmony, intolerance through gov-
8 ernment-issued or sponsored flags, signs, images, or
9 other symbols whether displayed in public or private.
