RESOLUTION

Expressing support for the designation of the week of September 21 through September 25, 2020, as “National Clean Energy Week”.

Whereas across the United States, clean and readily abundant forms of energy are powering more homes and businesses than ever before;

Whereas clean energy generation is readily available from zero- and low-emissions sources;

Whereas the clean energy sector is a growing part of the economy and has been a key driver of economic growth in the United States in recent years;

Whereas technological innovation can further reduce costs and increase deployment of clean energy sources;

Whereas the “2020 U.S. Energy and Employment Report” found that—

(1) at the end of 2019, the energy sector in the United States employed 6,800,000 individuals; and

(2) in 2019, the energy sector in the United States generated more than 120,000 new jobs;

Whereas the scaling of clean energy is essential to reducing harmful pollution;

Whereas clean energy jobs are inherently local, contribute to the growth of local economies, and cannot be outsourced due to the on-site nature of construction, installation, and maintenance; and

Whereas innovative clean energy solutions and clean energy jobs are part of the energy future of the United States:
Now, therefore, be it
