

116TH CONGRESS
1ST SESSION

S. 1815

To establish an occupational safety and health standard to protect farmworkers from wildfire smoke, and for other purposes.

IN THE SENATE OF THE UNITED STATES

JUNE 12, 2019

Mr. MERKLEY (for himself and Mr. WYDEN) introduced the following bill; which was read twice and referred to the Committee on Health, Education, Labor, and Pensions

A BILL

To establish an occupational safety and health standard to protect farmworkers from wildfire smoke, and for other purposes.

1 *Be it enacted by the Senate and House of Representa-*
2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE.**

4 This Act may be cited as the “Farmworker Smoke
5 Protection Act of 2019”.

6 **SEC. 2. FINDINGS.**

7 Congress finds that, as of the date of enactment of
8 this Act—

1 (1) the wildfire season has increased by over 2
 2 months since the 1970s, and wildfires have become
 3 increasingly prevalent across the United States due
 4 to prolonged droughts and extreme temperatures;

5 (2) the average annual temperatures in the
 6 western United States have increased by 1.9 degrees
 7 Fahrenheit since 1970;

8 (3) wildfire smoke often contains toxic chemi-
 9 cals and particulates, creating hazardous air quality
 10 conditions;

11 (4) wildfire smoke often persists for extended
 12 periods of time and can travel hundreds of miles;
 13 and

14 (5) wildfire smoke inhalation is harmful to
 15 human health, particularly for vulnerable popu-
 16 lations, including outdoor workers.

17 **SEC. 3. OCCUPATIONAL SAFETY AND HEALTH STANDARD**
 18 **TO PROTECT FARMWORKERS FROM WILD-**
 19 **FIRE SMOKE.**
