

117TH CONGRESS
2D SESSION

H. R. 6536

To amend the Justice for Victims of Trafficking Act of 2015 to require abortion providers to notify the national human trafficking hotline of victims of trafficking, and for other purposes.

IN THE HOUSE OF REPRESENTATIVES

FEBRUARY 1, 2022

Mr. BUDD introduced the following bill; which was referred to the Committee on the Judiciary

A BILL

To amend the Justice for Victims of Trafficking Act of 2015 to require abortion providers to notify the national human trafficking hotline of victims of trafficking, and for other purposes.

1 *Be it enacted by the Senate and House of Representa-*

2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE.**

4 This Act may be cited as the “Stopping Traffickers

5 and Their Accomplices Act of 2022”.

6 **SEC. 2. FINDINGS.**

7 Congress finds the following:

1 (1) Slavery and involuntary servitude are in-
2 compatible with American society and law.

3 (2) The 13th Amendment to the United States
4 Constitution abolished legal slavery and involuntary
5 servitude in the United States.

6 (3) Despite slavery being abolished in 1865,
7 modern forms of slavery still exist throughout the
8 United States.

9 (4) Every year, hundreds of thousands of Amer-
10 icans and immigrants are coerced into commercial
11 sex acts against their will.

12 (5) In addition to sexual exploitation, victims of
13 trafficking suffer repeated physical, mental, and
14 emotional abuse at the hands of their traffickers.

15 (6) Abortion providers and facilities aid sex
16 traffickers by turning a blind eye to the plight of
17 abused women.

18 (7) The Department of State's 2017 Traf-
19 ficking in Persons Report indicated that sex traf-
20 fickers coerce women into receiving abortions against
21 their will.

22 (8) Research conducted by Laura J. Lederer
23 and Christopher A. Wetzel, entitled "The Health
24 Consequences of Sex Trafficking and Their Implica-
25 tions for Identifying Victims in Healthcare Facili-

1 ties” published in the Annals of Health Law Journal
2 indicated that 71 percent of women coerced into
3 commercial sex acts reported at least one pregnancy
4 and 21 percent reported five or more pregnancies
5 while trafficked (23 Annals Health L. 61 (2014)).

6 (9) Lederer and Wetzel’s research found that
7 almost a third of women trafficked reported under-
8 went numerous abortions as victims of trafficking.
9 More than half of respondents answered that their
10 abortion while a victim of sex trafficking was a re-
11 sult of coercion. One victim of sex trafficking re-
12 counted, “[in most of my six abortions,] I was under
13 serious pressure from my pimps to abort the ba-
14 bies”.

15 (10) A moral obligation exists to report sus-
16 pected instances of sex trafficking to authorities.

17 (11) Section 2 of the 13th Amendment empow-
18 ers Congress to enact appropriate legislation to com-
19 bat all forms of slavery and involuntary servitude,
20 including forced sex trafficking.

21 **SEC. 3. COMBAT HUMAN TRAFFICKING.**
