H. R. 7069

To establish the Commission on the COVID–19 Pandemic.

IN THE HOUSE OF REPRESENTATIVES

MARCH 11, 2022

Ms. SPEIER (for herself, Mr. BURGESS, Mr. COSTA, Mr. EVANS, Mr. BACON, Mr. DANNY K. DAVIS of Illinois, Ms. TITUS, and Ms. PORTER) introduced the following bill; which was referred to the Committee on Energy and Commerce, and in addition to the Permanent Select Committee on Intelligence, for a period to be subsequently determined by the Speaker, in each case for consideration of such provisions as fall within the jurisdiction of the committee concerned

A BILL

To establish the Commission on the COVID–19 Pandemic.

1 *Be it enacted by the Senate and House of Representa-*
2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE; SENSE OF CONGRESS.**

4 (a) SHORT TITLE.—This Act may be cited as the
5 “National Commission on the COVID–19 Pandemic Act”.

6 (b) SENSE OF CONGRESS.—It is the sense of Con-
7 gress that—

8 (1) the SARS–CoV–2 (COVID–19) pandemic
9 has caused immense suffering in the United States,

1 having resulted in more than 736,000 American
2 deaths as of October 2021, and infecting at least
3 45,000,000;

4 (2) following other destructive and traumatic
5 events in our history, including the September 11,
6 2001, terrorist attacks, Congress has established a
7 bipartisan commission of experts to study the event
8 and produce a report and recommendations, and
9 such an exercise can assist in national healing;

10 (3) the extent of the loss of life and the eco-
11 nomic cost of the pandemic demonstrate the high
12 risks that pandemic diseases can pose to public
13 health and to national security, and demands a thor-
14 ough, authoritative, and independent review of the
15 origin of SARS-CoV-2 as well as United States ac-
16 tions and policies before and during the pandemic,
17 and recommendations to Congress and policymakers
18 as to how we can be better prepared for future pan-
19 demic diseases, including those that could be caused
20 by intentional biological attacks;

21 (4) individuals appointed to the Commission es-
22 tablished in subsection (b) should be prominent citi-
23 zens of the United States with national recognition
24 and significant experience and expertise in—

25 (A) public health and biosafety;

- 1 (B) epidemiology;
- 2 (C) medicine;
- 3 (D) emergency management or response;
- 4 (E) public administration;
- 5 (F) logistics;
- 6 (G) organizational management; or
- 7 (H) medical intelligence and forensic inves-
- 8 tigations; and

9 (5) it is crucial to better understand and man-
10 age the increasing likelihood of pandemic threats
11 (such as the recent threats of severe acute res-
12 piratory syndrome (SARS), Ebola, the 2009–H1N1
13 influenza, and COVID–19) and related health issues
14 that the United States could face during the next
15 several decades.
