

117TH CONGRESS
2D SESSION

S. RES. 722

Recognizing the importance of the blueberry industry to the United States
and designating July 2022 as “National Blueberry Month”.

IN THE SENATE OF THE UNITED STATES

JULY 26, 2022

Ms. STABENOW (for herself, Mr. WARNOCK, Ms. COLLINS, Mr. BOOKER, Ms. CANTWELL, Mr. MERKLEY, Mr. KING, Mr. OSSOFF, and Mr. PETERS)
submitted the following resolution; which was considered and agreed to

RESOLUTION

Recognizing the importance of the blueberry industry to the
United States and designating July 2022 as “National
Blueberry Month”.

Whereas blueberries are a native North American fruit, first
managed and harvested as wild blueberries by the native
Wabanaki;

Whereas wild blueberries continue to be managed and har-
vested in Maine by farmers, including the Wabanaki, as
a native, naturally occurring crop;

Whereas the pioneering work conducted in New Jersey in the
early 1900s by Elizabeth White and Dr. Frederick
Coville, a botanist at the Department of Agriculture, to
domesticate wild lowbush blueberries resulted in the de-

velopment of the hybrid variety of cultivated highbush blueberries;

Whereas because of these early efforts, highbush blueberries are large, sweet, juicy berries that can be commercially produced and shipped;

Whereas wild blueberries—

(1) are small and sweet; and

(2) are not planted, but still grow and are harvested where they have naturally occurred for thousands of years;

Whereas the blueberry industry in the United States is an important sector of United States agriculture with an annual economic impact of \$4,700,000,000;

Whereas highbush and wild blueberries have a total harvested area estimated at more than 140,000 acres and are produced in 48 States by nearly 13,185 farms;

Whereas blueberry production in the United States has continually increased, with particular growth in the first 2 decades of the 21st century, to reach a harvest of 760,000,000 pounds in 2021;

Whereas blueberries are low in fat and a source of fiber, vitamins, and minerals;

Whereas blueberries are being studied to examine the role the berries may play in promoting good health in areas such as cardiovascular health, brain health, exercise, insulin response, and gut health; and

Whereas blueberries are harvested in the United States from March through early September, with the harvest reaching its peak in July: Now, therefore, be it

1 *Resolved*, That the Senate—

1 (1) designates July 2022 as “National Blue-
2 berry Month”;

3 (2) recognizes the contributions of blueberry
4 growers in the United States and their families; and

5 (3) recognizes that purchasing blueberries
6 grown in the United States supports farmers, jobs,
7 communities, and the economy of the United States.
