9	Subtitle C—Targeted Reforms
10	SEC. 121. LIMITATION ON REMOVAL OF MEDICARE ADVAN-
11	TAGE PROVIDERS BY MA ORGANIZATIONS.
12	(a) Limitation.—Section 1852(d) of the Social Se-
13	curity Act (42 U.S.C. 1395w–22(d)) is amended by adding
14	at the end the following:
15	"(7) Limitation on removal of providers
16	FROM MA PLANS BY MA ORGANIZATIONS.—
17	"(A) Removal of providers with
18	CAUSE.—Beginning with plan year 2026, except
19	as provided in subparagraph (C), an MA orga-
20	nization offering an MA plan may only remove
21	a provider of services or a supplier from a net-
22	work of such plan if the organization has cause
23	to remove such provider or supplier.
24	"(B) Cause to remove providers.—

1	"(i) In General.—An MA organiza-
2	tion offering an MA plan has cause to re-

7	"(I) medically negligent;
8	"(II) in violation of any legal or

21	paragraph (A), cost to an MA organization
22	offering an MA plan due to the participa-
23	tion of a provider of services or supplier in
24	a network of such plan does not constitute
25	cause for the MA organization to remove

such provider or supplier from the network mid-year, and such cost may not be considered as a factor in favor of a determination that such organization has cause to remove the provider.

"(C) EXCEPTION.—With respect to each upcoming plan year, beginning with plan year 2026, an MA organization offering an MA plan may only remove a provider of services or supplier from a network of such plan for reasons not specified in subparagraph (B)(i) before the date that is 60 days before the first day of the annual coordinated election period for such plan year under section 1851(e)(3).

"(D) NOTICE AND APPEAL PROCESS.—

"(i) IN GENERAL.—Any removal of a provider of services or supplier from a network of an MA plan may occur only after the completion of a fair notice and appeal process that the Secretary shall establish by regulation. Such process shall require the MA organization to provide to such provider or supplier and to the Secretary an explanation of the reason or reasons for

1 the removal. The Secretary shall make this 2 information publicly available. 3 "(ii) Application.— "(I) Application of New Proc-ESS.—In the case of a removal of a 6 provider of services or supplier from a 7 network of an MA plan occurring on 8 or after the effective date published in 9 a final rule for such fair notice and 10 appeal process, such process shall 11 apply in lieu of the process for the 12 termination or suspension of a pro-13 vider contract under section 14 422.202(a) of title 42, Code of Fed-15 eral Regulations. 16 $"(\Pi)$ CONTINUATION OF OLD 17 PROCESS.—In the case of a removal of 18 a provider of services or supplier from 19 a network of an MA plan occurring 20 before such effective date, the process 21 for the termination or suspension of a 22 provider contract under section 23 422.202(a) of title 42, Code of Fed-24 eral Regulations, shall apply.

1	"(E) Participant notice and protec-
2	TION.—
3	"(i) Notice to participants of
4	PROVIDER REMOVAL.—Not less than 60
5	days before the date on which a provider
6	of services or supplier is removed from a
7	network of an MA plan, the MA organiza-
8	tion offering such plan shall provide writ-

> "(D) Nurse administrators and su-PERVISORS.—A registered nurse who is a nurse administrator, nurse supervisor, nurse manager, charge nurse, case manager, or any other hospital administrator or supervisor, shall not be included in the calculation of the direct care registered nurse-to-patient ratio unless that nurse has a current and active direct patient care assignment and provides direct patient care in compliance with the requirements of this section, including competency requirements. The exemption in this subsection shall apply only during the hours in which the individual registered nurse has the principal responsibility of providing direct patient care and has no additional job duties as would a direct care registered nurse.

> "(E) OTHER PERSONNEL.—Other personnel may perform patient care tasks based on their training and demonstrated skill but may not perform or assist in direct care registered

nurse functions unless authorized to do in accordance with State scope of practice laws and regulations.

"(F) Temporary nursing personnel.—A hospital shall not assign any nursing personnel from temporary nursing agencies patient care to any hospital unit without such personnel having demonstrated competence on the assigned unit and received orientation to that hospital's unit sufficient to provide competent care to patients in that unit.

"(G) Ancillary and additional staffing of direct care registered nurses, licensed vocational or practical nurses, licensed psychiatric technicians, certified nursing or patient care assistants, or other licensed or unlicensed ancillary staff above the minimum registered nurse-to-patient ratios shall be based on the assessment of the individual patient's nursing care requirement, the individual patient's nursing care plan, and acuity level.

"(4) Restrictions.—

"(A) PROHIBITION AGAINST AVERAGING.—
A hospital shall not average the number of pa-

- "(B) Prohibition against imposition of mandatory overtime requirements to meet the hospital unit direct care registered nurse-to-patient ratios required under this subsection.
- "(C) Relief during routine absences.—A hospital shall ensure that only a direct care registered nurse who has demonstrated current competence to the hospital in providing care on a particular unit and has also received orientation to that hospital's unit sufficient to provide competent care to patients in that unit may relieve another direct care registered nurse during breaks, meals, and other routine, expected absences from a hospital unit.
- "(D) APPLICATION OF DIRECT CARE REGISTERED NURSE-TO-PATIENT RATIOS IN PATIENT-ACUITY ADJUSTABLE UNITS.—Patients shall be cared for only on units or patient care

areas where the direct care registered nurse-topatient ratios meet the level of intensity, type
of care, and the individual requirements and
needs of each patient. Notwithstanding paragraph (2), hospitals that provide patient care in
units or patient care areas that are acuity
adaptable or acuity adjustable shall apply the
direct care registered nurse-to-patient ratio required in this section for the highest patient
acuity level or level of care in that unit or patient care area, and shall comply with all other
requirements of this section.

"(E) USE OF VIDEO MONITORS.—A hospital shall not employ video monitors or any form of electronic visualization of a patient as a substitute for the direct observation required for patient assessment by the direct care registered nurse or required for patient protection. Video monitors or any form of electronic visualization of a patient shall not be included in the calculation of the direct care registered nurse-to-patient ratio required in this subsection and shall not replace the requirement of paragraph (3)(D) that each patient shall be assigned to a direct care registered nurse who shall directly

1	provide the assessment, planning, supervision,
2	implementation, and evaluation of the nursing
3	care provided to the patient at least every shift
4	and have the responsibility for the provision of
5	care to a particular patient within his or her
6	scope of practice.
7	"(F) USE OF OTHER TECHNOLOGY.—A
8	hospital shall not employ technology that sub-
9	stitutes for the assigned registered nurse's pro-

11	plementation, and evaluation of care.
12	"(5) Adjustment of ratios.—
13	"(A) IN GENERAL.—If necessary to protect
14	patient safety, the Secretary may prescribe reg-
15	ulations that—
16	"(i) increase minimum direct care reg-
17	istered nurse-to-patient ratios under this
18	subsection to reduce the number of pa-
19	tients that may be assigned to each direct
20	care nurse; or
21	"(ii) add minimum direct care reg-
22	istered nurse-to-patient ratios for units not
23	referred to in paragraphs (1) and (2)

1	"(B) Consultation.—Such regulations
2	shall be prescribed after consultation with af-

registered nurse-to-patient ratios established under

this subsection shall not preempt State requirements that the Secretary determines are as stringent as to Federal requirements for direct care registered

nurse-to-patient ratios established under this title.

- "(8) Exemption in emergencies.—The re-5 quirements established under this subsection shall 6 not apply during a state of emergency if a hospital 7 8 is requested or expected to provide an exceptional 9 level of emergency or other medical services. If a 10 hospital seeks to apply the exemption under this 11 paragraph in response to a complaint filed against 12 the hospital for a violation of the provisions of this 13 title, the hospital must demonstrate that prompt and 14 diligent efforts were made to maintain required 15 staffing levels. The Secretary shall issue guidance to 16 hospitals that describes situations that constitute a 17 state of emergency for purposes of the exemption 18 under this paragraph and shall establish necessary 19 penalties for violations of this paragraph consistent 20 with section 3406.

20	rect care registered nurse.
21	"(F) The level of familiarity with hospital
22	practices, policies, and procedures by temporary
