## A BILL

To authorize the conveyance of and remove the reversionary interest of the United States in certain lands in the City of Tulare, California.

1        *Be it enacted by the Senate and House of Representa-*  
2        *tives of the United States of America in Congress assembled,*

3        **SECTION 1. SHORT TITLE.**

4        This Act may be cited as the “Tulare Youth Recre-  
5        ation and Women’s History Enhancement Act”.

6        **SEC. 2. FINDINGS.**

7        Congress finds the following:

8                (1) The City of Tulare requires clear title to  
9        two Parcels of land within the City’s business cor-  
10        ridor.

1           (2) The Parcels are part of a right-of-way  
2           granted to the Railroad by the Federal Government  
3           by the Act dated July 27, 1866.

4           (3) The Parcels, which are currently under  
5           lease to the City, are currently occupied by an out-  
6           door recreation facility for youth and an historic  
7           women’s club.

8           (4) The City desires to improve and restore  
9           these facilities but cannot absent clear title to the  
10          Parcels.

11          (5) The United States retained a reversionary  
12          interest in the Parcels conveyed to the Railroad in  
13          1866 and has not exercised this authority.

14          (6) The Union Pacific Railroad desires to sell  
15          the Parcels to the City.

16          (7) Public Law 105–195 conveyed the rever-  
17          sionary interest to all surrounding Parcels in 1998,  
18          which were conveyed by the Union Pacific Railroad  
19          to the City.
