

119TH CONGRESS
2D SESSION

H. RES. 1124

Supporting the designation of March 21, 2026, as “National Women in Agriculture Day”.

IN THE HOUSE OF REPRESENTATIVES

MARCH 19, 2026

Mrs. CAMMACK (for herself, Ms. CRAIG, Mr. PANETTA, Ms. BROWN, Mrs. McCLAIN DELANEY, Ms. PINGREE, Mr. BISHOP, Mr. CRAWFORD, and Ms. SALINAS) submitted the following resolution; which was referred to the Committee on Agriculture

RESOLUTION

Supporting the designation of March 21, 2026, as “National Women in Agriculture Day”.

Whereas the United States proudly recognizes agriculture as one of the most impactful industries of the United States and acknowledges the countless women who help agriculture prosper both in the United States and abroad;

Whereas there are more than 1,200,000 female agricultural producers in the United States, making up more than $\frac{1}{3}$ of the agricultural producers in the United States;

Whereas, in 2022, farms operated by women in the United States sold \$222,000,000,000 in agricultural products, accounting for 41 percent of the total agriculture sales in the United States for that year;

Whereas, in addition to leading farming operations, women working in agriculture make a difference across the United States in various commodity and industry fields, including research and development, manufacturing, sales and distribution, agricultural education, agribusiness, and advocacy, which extend benefits to individuals across the globe through the international trade of the United States;

Whereas the United States recognizes that women are vital in fostering the next generation of the agricultural workforce by promoting science, technology, engineering, mathematics, and agricultural education and entrepreneurial and community initiatives by serving as mentors for the 4–H Program, the National FFA Organization, the Cooperative Extension System, and numerous post-secondary agricultural science educator programs;

Whereas 2026 is the International Year of the Woman Farmer, highlighting and celebrating the vital role of women throughout agriculture globally;

Whereas March is National Women’s History Month; and

Whereas female professionals, instructors, and leaders in the agricultural field should be celebrated for their efforts during National Ag Week, which takes place between March 15 and March 21, 2026: Now, therefore, be it
