§ 100.23 [Reserved]**§ 100.24 Federal election activity (52 U.S.C. 30101(20)).**

(1) *In connection with an election in which a candidate for Federal office appears on the ballot* means:

(i) The period of time beginning on the date of the earliest filing deadline for access to the primary election ballot for Federal candidates as determined by State law, or in those States that do not conduct primaries, on January 1 of each even-numbered year and ending on the date of the general election, up to and including the date of any general runoff.

(ii) The period beginning on the date on which the date of a special election in which a candidate for Federal office appears on the ballot is set and ending on the date of the special election.

(2) *Voter registration activity.*

(i) Voter registration activity means:

(A) Encouraging or urging potential voters to register to vote, whether by mail (including direct mail), e-mail, in person, by telephone (including pre-recorded telephone calls, phone banks and messaging such as SMS and MMS), or by any other means;

(G) Any other activity that assists potential voters to register to vote.

Federal Election Commission**§ 100.24**

(ii) Activity is not voter registration activity solely because it includes a brief exhortation to register to vote, so long as the exhortation is incidental to a communication, activity, or event. Examples of brief exhortations incidental to a communication, activity, or event include:

(A) A mailer praises the public service record of mayoral candidate X and/or discusses his campaign platform. The mailer concludes by reminding recipients, "Don't forget to register to vote for X by October 1st."

(B) A phone call for a State party fundraiser gives listeners information about the event, solicits donations, and concludes by reminding listeners, "Don't forget to register to vote."

(3) *Get-out-the-vote activity.*

(i) Get-out-the-vote activity means:

(A) Encouraging or urging potential voters to vote, whether by mail (including direct mail), e-mail, in person, by telephone (including pre-recorded telephone calls, phone banks and messaging such as SMS and MMS), or by any other means;

(3) Early voting or voting by absentee ballot;

(C) Offering or arranging to transport, or actually transporting, potential voters to the polls; or

(D) Any other activity that assists potential voters to vote.

(ii) Activity is not get-out-the-vote activity solely because it includes a brief exhortation to vote, so long as the exhortation is incidental to a communication, activity, or event. Examples of brief exhortations incidental to a communication, activity, or event include:

(A) A mailer praises the public service record of mayoral candidate X and/or discusses his campaign platform. The mailer concludes by reminding re-

cipients, "Vote for X on November 4th."

(4) *Voter identification* means acquiring information about potential voters, including, but not limited to, obtaining voter lists and creating or enhancing voter lists by verifying or adding information about the voters' likelihood of voting in an upcoming election or their likelihood of voting for specific candidates. The date a voter list is acquired shall govern whether a State, district, or local party committee has obtained a voter list within the meaning of this section.

(b) As used in part 300 of this chapter, *Federal election activity* means any of the activities described in paragraphs (b)(1) through (b)(4) of this section.

(1) Voter registration activity during the period that begins on the date that is 120 calendar days before the date that a regularly scheduled Federal election is held and ends on the date of the election. This paragraph applies whether or not the communication expressly advocates a vote for or against a Federal candidate.

(4) Services provided during any month by an employee of a State, district, or local committee of a political party who spends more than 25 percent

§ 100.25

of that individual's compensated time during that month on activities in connection with a Federal election.

(c) *Exceptions. Federal election activity* does not include any amount expended or disbursed by a State, district, or local committee of a political party for any of the following activities:

(1) A public communication that refers solely to one or more clearly identified candidates for State or local office and that does not promote or support, or attack or oppose a clearly identified candidate for Federal office; provided, however, that such a public communication shall be considered a Federal election activity if it constitutes voter registration activity, generic campaign activity, get-out-the-vote activity, or voter identification.

(2) A contribution to a candidate for State or local office, provided the contribution is not designated to pay for voter registration activity, voter identification, generic campaign activity, get-out-the-vote activity, a public communication, or employee services as set forth in paragraphs (a)(1) through (4) of this section.

(3) The costs of a State, district, or local political convention, meeting or conference.

(6) Get-out-the-vote activity that is conducted solely in connection with a non-Federal election held on a date on which no Federal election is held, provided that any communications made as part of such activity refer exclusively to:

(i) Non-Federal candidates participating in the non-Federal election, if the non-Federal candidates are not also Federal candidates;

(ii) Ballot referenda or initiatives scheduled for the date of the non-Federal election; or

11 CFR Ch. I (1-1-25 Edition)

(iii) The date, polling hours, and locations of the non-Federal election.

(7) *De minimis* costs associated with the following:

(i) On the website or internet application of a party committee or an association of State or local candidates, posting a hyperlink to a state or local election board's website or internet application containing information on voting or registering to vote;

(ii) On the website or internet application of a party committee or an association of State or local candidates, enabling visitors to download a voter registration form or absentee ballot application;

(iii) On the website or internet application of a party committee or an association of State or local candidates, posting information about voting dates and/or polling locations and hours of operation; or

(iv) Placing voter registration forms or absentee ballot applications obtained from the board of elections at the office of a party committee or an association of State or local candidates.

[67 FR 49110, July 29, 2002]

§ 100.29 Electioneering communication (52 U.S.C. 30104(f)(3)).

(a) *Electioneering communication* means any broadcast, cable, or satellite communication that:

- (1) Refers to a clearly identified candidate for Federal office;
- (2) Is publicly distributed within 60 days before a general election for the

office sought by the candidate; or within 30 days before a primary or preference election, or a convention or caucus of a political party that has authority to nominate a candidate, for the office sought by the candidate, and the candidate referenced is seeking the nomination of that political party; and

(3) Is targeted to the relevant electorate, in the case of a candidate for Senate or the House of Representatives.

(b) For purposes of this section—(1) *Broadcast, cable, or satellite communication* means a communication that is publicly distributed by a television station, radio station, cable television system, or satellite system.

(2) *Refers to a clearly identified candidate* means that the candidate's name, nickname, photograph, or drawing appears, or the identity of the candidate is otherwise apparent through an unambiguous reference such as “the President,” “your Congressman,” or “the incumbent,” or through an unambiguous reference to his or her status as a candidate such as “the Democratic presidential nominee” or “the Republican candidate for Senate in the State of Georgia.”

(3)(i) *Publicly distributed* means aired, broadcast, cablecast or otherwise disseminated through the facilities of a television station, radio station, cable television system, or satellite system.

(ii) In the case of a candidate for nomination for President or Vice President, *publicly distributed* means the requirements of paragraph (b)(3)(i) of this section are met and the communication:

(A) Can be received by 50,000 or more persons in a State where a primary election, as defined in 11 CFR 9032.7, is being held within 30 days; or

(B) Can be received by 50,000 or more persons anywhere in the United States within the period between 30 days before the first day of the national nominating convention and the conclusion of the convention.

(4) *A special election or a runoff election* is a primary election if held to nominate a candidate. A *special election* or a *runoff election* is a general election if held to elect a candidate.

§ 100.29

(5) *Targeted to the relevant electorate* means the communication can be received by 50,000 or more persons—

(i) In the district the candidate seeks to represent, in the case of a candidate for Representative in or Delegate or Resident Commissioner to, the Congress; or

(ii) In the State the candidate seeks to represent, in the case of a candidate for Senator.

(6)(i) Information on the number of persons in a Congressional district or State that can receive a communication publicly distributed by a television station, radio station, a cable television system, or satellite system, shall be available on the Federal Communications Commission's website, <http://www.fcc.gov>. A link to that site is available on the Federal Election Commission's website, <http://www.fec.gov>. If the Federal Communications Commission's website indicates that a communication cannot be received by 50,000 or more persons in the specified Congressional district or State, then such information shall be a complete defense against any charge that such communication constitutes an electioneering communication, so long as such information is posted on the Federal Communications Commission's website on or before the date the communication is publicly distributed.

(ii) If the Federal Communications Commission's website does not indicate whether a communication can be received by 50,000 or more persons in the specified Congressional district or State, it shall be a complete defense against any charge that a communication reached 50,000 or more persons when the maker of a communication:

(A) Reasonably relies on a writing obtained from the broadcast station, radio station, cable system, or satellite system that states that the communication cannot be received by 50,000 or more persons in the specified Congressional district (for U.S. House of Representatives candidates) or State (for U.S. Senate candidates or presidential primary candidates);

(B) Does not publicly distribute the communication on a broadcast station, radio station, or cable system, located in any Metropolitan Area in the specified Congressional district (for U.S.

11 CFR Ch. I (1-1-25 Edition)

House of Representatives candidates) or State (for U.S. Senate candidates or presidential primary candidates); or

(C) Reasonably believes that the communication cannot be received by 50,000 or more persons in the specified Congressional district (for U.S. House of Representatives candidates) or State (for U.S. Senate candidates or presidential primary candidates).

(7)(i) *Can be received by 50,000 or more persons* means—

(A) In the case of a communication transmitted by an FM radio broadcast station or network, where the Congressional district or State lies entirely within the station's or network's protected or primary service contour, that the population of the Congressional district or State is 50,000 or more; or

(B) In the case of a communication transmitted by an FM radio broadcast station or network, where a portion of the Congressional district or State lies outside of the protected or primary service contour, that the population of the part of the Congressional district or State lying within the station's or network's protected or primary service contour is 50,000 or more; or

(C) In the case of a communication transmitted by an AM radio broadcast station or network, where the Congressional district or State lies entirely within the station's or network's most outward service area, that the population of the Congressional district or State is 50,000 or more; or

(D) In the case of a communication transmitted by an AM radio broadcast station or network, where a portion of the Congressional district or State lies outside of the station's or network's most outward service area, that the population of the part of the Congressional district or State lying within the station's or network's most outward service area is 50,000 or more; or

(E) In the case of a communication appearing on a television broadcast station or network, where the Congressional district or State lies entirely within the station's or network's Grade B broadcast contour, that the population of the Congressional district or State is 50,000 or more; or

(F) In the case of a communication appearing on a television broadcast station or network, where a portion of

the Congressional district or State lies outside of the Grade B broadcast contour—

(1) That the population of the part of the Congressional district or State lying within the station's or network's Grade B broadcast contour is 50,000 or more; or

(2) That the population of the part of the Congressional district or State lying within the station's or network's broadcast contour, when combined with the viewership of that television station or network by cable and satellite subscribers within the Congressional district or State lying outside the broadcast contour, is 50,000 or more; or

(G) In the case of a communication appearing exclusively on a cable or satellite television system, but not on a broadcast station or network, that the viewership of the cable system or satellite system lying within a Congressional district or State is 50,000 or more; or

(H) In the case of a communication appearing on a cable television network, that the total cable and satellite viewership within a Congressional district or State is 50,000 or more.

(ii) Cable or satellite television viewership is determined by multiplying the number of subscribers within a Congressional district or State, or a part thereof, as appropriate, by the current national average household size, as determined by the Bureau of the Census.

(iii) A determination that a communication can be received by 50,000 or more persons based on the application of the formula at paragraph (b)(7)(i)(G) or (H) of this section shall create a rebuttable presumption that may be overcome by demonstrating that—

(A) One or more cable or satellite systems did not carry the network on which the communication was publicly distributed at the time the communication was publicly distributed; and

(B) Applying the formula to the remaining cable and satellite systems results in a determination that the cable network or systems upon which the communication was publicly distributed could not be received by 50,000 persons or more.

(c) The following communications are exempt from the definition of *electioneering communication*. Any communication that:

(1) Is publicly disseminated through a means of communication other than a broadcast, cable, or satellite television or radio station. For example, electioneering communication does not include communications appearing in print media, including a newspaper or magazine, handbill, brochure, bumper sticker, yard sign, poster, billboard, and other written materials, including mailings; communications over the Internet, including electronic mail; or telephone communications;

(2) Appears in a news story, commentary, or editorial distributed through the facilities of any broadcast, cable, or satellite television or radio station, unless such facilities are owned or controlled by any political party, political committee, or candidate. A news story distributed through a broadcast, cable, or satellite television or radio station owned or controlled by any political party, political committee, or candidate is nevertheless exempt if the news story meets the requirements described in 11 CFR 100.132(a) and (b);

(3) Constitutes an expenditure or independent expenditure provided that the expenditure or independent expenditure is required to be reported under the Act or Commission regulations;

(4) Constitutes a candidate debate or forum conducted pursuant to 11 CFR 110.13, or that solely promotes such a debate or forum and is made by or on behalf of the person sponsoring the debate or forum; or

(5) Is paid for by a candidate for State or local office in connection with an election to State or local office, provided that the communication does not promote, support, attack or oppose any Federal candidate. See 11 CFR 300.71 for communications paid for by a candidate for State or local office that promotes, supports, attacks or opposes a Federal candidate.

(a) A gift, subscription, loan (except for a loan made in accordance with 11 CFR 100.82 and 100.83), advance, or deposit of money or anything of value made by any person for the purpose of influencing any election for Federal office is a contribution.

(b) For purposes of this section, the term *loan* includes a guarantee, endorsement, and any other form of security.

(1) A loan that exceeds the contribution limitations of 52 U.S.C. 30116 and 11 CFR part 110 shall be unlawful whether or not it is repaid.

(2) A loan is a contribution at the time it is made and is a contribution to the extent that it remains unpaid. The aggregate amount loaned to a candidate or committee by a contributor, when added to other contributions from that individual to that candidate or committee, shall not exceed the contribution limitations set forth at 11 CFR part 110. A loan, to the extent it is repaid, is no longer a contribution.

(3) Except as provided in paragraph (b)(4) of this section, a loan is a contribution by each endorser or guarantor. Each endorser or guarantor shall be deemed to have contributed that portion of the total amount of the loan for which he or she agreed to be liable in a written agreement. Any reduction in the unpaid balance of the loan shall reduce proportionately the amount endorsed or guaranteed by each endorser or guarantor in such

§ 100.52

written agreement. In the event that such agreement does not stipulate the portion of the loan for which each endorser or guarantor is liable, the loan shall be considered a loan by each endorser or guarantor in the same proportion to the unpaid balance that each endorser or guarantor bears to the total number of endorsers or guarantors.

(4) A candidate may obtain a loan on which his or her spouse's signature is required when jointly owned assets are used as collateral or security for the loan. The spouse shall not be considered a contributor to the candidate's campaign if the value of the candidate's share of the property used as collateral equals or exceeds the amount of the loan that is used for the candidate's campaign.

(5) If a political committee makes a loan to any person, such loan shall be subject to the limitations of 11 CFR part 110. Repayment of the principal amount of such loan to such political committee shall not be a contribution by the debtor to the lender committee. Such repayment shall be made with funds that are subject to the prohibitions of 11 CFR 110.20 and part 114. The payment of interest to such committee by the debtor shall be a contribution only to the extent that the interest paid exceeds a commercially reasonable rate prevailing at the time the loan is made. All payments of interest shall be made from funds subject to the prohibitions of 11 CFR 110.20 and part 114.

(c) For purposes of this section, the term *money* includes currency of the United States or of any foreign nation, checks, money orders, or any other negotiable instruments payable on demand.

(d)(1) For purposes of this section, the term *anything of value* includes all in-kind contributions. Unless specifically exempted under 11 CFR part 100, subpart C, the provision of any goods or services without charge or at a charge that is less than the usual and normal charge for such goods or services is a contribution. Examples of such goods or services include, but are not limited to: Securities, facilities, equipment, supplies, personnel, advertising services, membership lists, and

§ 100.53

mailing lists. If goods or services are provided at less than the usual and normal charge, the amount of the in-kind contribution is the difference between the usual and normal charge for the goods or services at the time of the contribution and the amount charged the political committee.

(2) For purposes of paragraph (d)(1) of this section, *usual and normal charge for goods* means the price of those goods in the market from which they ordinarily would have been purchased at the time of the contribution; and *usual and normal charge for any services, other than those provided by an unpaid volunteer*, means the hourly or piecework charge for the services at a commercially reasonable rate prevailing at the time the services were rendered.

§ 100.53 Attendance at a fundraiser or political event.

The entire amount paid to attend a fundraiser or other political event and the entire amount paid as the purchase price for a fundraising item sold by a political committee is a contribution.

§ 100.54 Compensation for personal services.

The payment by any person of compensation for the personal services of another person if those services are rendered without charge to a political committee for any purpose, except for legal and accounting services provided under 11 CFR 100.85 and 100.86, is a contribution. No compensation is considered paid to any employee under any of the following conditions:

(a) *Paid on an hourly or salaried basis.* If an employee is paid on an hourly or salaried basis and is expected to work a particular number of hours per period, no contribution results if the employee engages in political activity during what would otherwise be a regular work period, provided that the taken or released time is made up or completed by the employee within a reasonable time.

(b) *Paid on commission or piecework basis.* No contribution results where an employee engages in political activity during what would otherwise be normal

11 CFR Ch. I (1-1-25 Edition)

working hours if the employee is paid on a commission or piecework basis, or is paid only for work actually performed and the employee's time is considered his or her own to use as he or she sees fit.

(c) *Vacation or earned leave time.* No contribution results where the time used by the employee to engage in political activity is bona fide, although compensable, vacation time or other earned leave time.

§ 100.55 Extension of credit.

The extension of credit by any person is a contribution unless the credit is extended in the ordinary course of the person's business and the terms are substantially similar to extensions of credit to nonpolitical debtors that are of similar risk and size of obligation. If a creditor fails to make a commercially reasonable attempt to collect the debt, a contribution will result. (See 11 CFR 116.3 and 116.4.) If a debt owed by a political committee is forgiven or settled for less than the amount owed, a contribution results unless such debt is settled in accordance with the standards set forth at 11 CFR 116.3 and 116.4.

§ 100.56 Office building or facility for national party committees.

A gift, subscription, loan, advance, or deposit of money or anything of value to a national party committee for the purchase or construction of an office building or facility is a contribution.

(a) That represents a *bona fide* news account communicated in a publication of general circulation or on a licensed broadcasting facility; and

(b) That is part of a general pattern of campaign-related news accounts that give reasonably equal coverage to all opposing candidates in the circulation or listening area, is not a contribution.

For the purposes of this section, an individual's residential premises, shall include a recreation room in a residential complex where the individual volunteering services resides, provided that the room is available for use without regard to political affiliation. A nominal fee paid by such individual for the use of such room is not a contribution.

The payment of the portion of such costs allocable to Federal candidates must be made from funds subject to the limitations and prohibitions of the Act. If made by a political committee, such payments shall be reported by that committee as disbursements, but need not be allocated in committee reports to specific candidates. § 100.82 Bank loans.

(a) *General provisions.* A loan of money to a political committee or a candidate by a State bank, a federally chartered depository institution (including a national bank) or a depository institution whose deposits and accounts are insured by the Federal Deposit Insurance Corporation or the National Credit Union Administration is not a contribution by the lending institution if such loan is made in accordance with applicable banking laws and regulations and is made in the ordinary course of business. A loan will be deemed to be made in the ordinary course of business if it:

(1) Bears the usual and customary interest rate of the lending institution for the category of loan involved;

(2) Is made on a basis that assures repayment;

(3) Is evidenced by a written instrument; and

Any reduction in the unpaid balance of the loan shall reduce proportionately the amount endorsed or guaranteed by each endorser or guarantor in such written agreement. In the event that such agreement does

not stipulate the portion of the loan for which each endorser or guarantor is liable, the loan shall be considered a contribution by each endorser or guarantor in the same proportion to the unpaid balance that each endorser or guarantor bears to the total number of endorsers or guarantors.

(d) *Overdrafts.* For purposes of this section, an overdraft made on a checking or savings account of a political committee shall be considered a contribution by the bank or institution unless:

(1) The overdraft is made on an account that is subject to automatic overdraft protection;

(2) The overdraft is subject to a definite interest rate that is usual and customary; and

(3) There is a definite repayment schedule.

(e) *Made on a basis that assures repayment.* A loan, including a line of credit, shall be considered made on a basis that assures repayment if it is obtained using either of the sources of repayment described in paragraphs (e)(1) or (2) of this section, or a combination of paragraphs (e)(1) and (2) of this section:

(1)(i) The lending institution making the loan has perfected a security interest in collateral owned by the candidate or political committee receiving the loan, the fair market value of the collateral is equal to or greater than the loan amount and any senior liens as determined on the date of the loan, and the candidate or political committee provides records to show that the lending institution has a perfected security interest in the collateral. Sources of collateral include, but are not limited to, ownership in real estate, personal property, goods, negotiable instruments, certificates of deposit, chattel papers, stocks, accounts receivable and cash on deposit.

(ii) Amounts guaranteed by secondary sources of repayment, such as guarantors and cosigners, shall not exceed the contribution limits of 11 CFR part 110 or contravene the prohibitions of 11 CFR 110.4, 110.20, part 114 and part 115; or

(2) The lending institution making the loan has obtained a written agreement whereby the candidate or political committee receiving the loan has

§ 100.83**11 CFR Ch. I (1-1-25 Edition)**

pledged future receipts, such as public financing payments under 11 CFR part 9001 through part 9012, or part 9031 through part 9039, contributions, or interest income, provided that:

(i) The amount of the loan or loans obtained on the basis of such funds does not exceed the amount of pledged funds;

(ii) Loan amounts are based on a reasonable expectation of the receipt of pledged funds. To that end, the candidate or political committee must furnish the lending institution records, *i.e.*, cash flow charts or other financial plans, that reasonably establish that such future funds will be available;

(iii) A separate depository account is established at the lending institution or the lender obtains an assignment from the candidate or political committee to access funds in a committee account at another depository institution that meets the requirements of 11 CFR 103.2, and the committee has notified the other institution of this assignment;

(iv) The loan agreement requires the deposit of the public financing payments, contributions and interest income pledged as collateral into the separate depository account for the purpose of retiring the debt according to the repayment requirements of the loan agreement; and

(v) In the case of public financing payments, the borrower authorizes the Secretary of the Treasury to directly deposit the payments into the depository account for the purpose of retiring the debt.

(3) If the requirements set forth in this paragraph are not met, the Commission will consider the totality of the circumstances on a case-by-case basis in determining whether a loan was made on a basis that assures repayment.

(f) This section shall not apply to loans described in 11 CFR 100.83.

[67 FR 50585, Aug. 5, 2002, as amended at 67 FR 78680, Dec. 26, 2002; 79 FR 16663, Mar. 26, 2014; 89 FR 215, Jan. 2, 2024]

§ 100.83 Brokerage loans and lines of credit to candidates.

(a) *General provisions.* Any loan of money derived from an advance on a candidate's brokerage account, credit

card, home equity line of credit, or other line of credit available to the candidate, including an overdraft made on a personal checking or savings account of a candidate, provided that:

(1) Such loan is made in accordance with applicable law and under commercially reasonable terms; and

(2) The person making such loan makes loans derived from an advance on a candidate's brokerage account, credit card, home equity line of credit, or other line of credit in the normal course of the person's business.

(b) *Endorsers and guarantors.* Each endorser, guarantor, or co-signer shall be deemed to have contributed that portion of the total amount of the loan derived from an advance on a candidate's brokerage account, credit card, home equity line of credit, or other line of credit available to the candidate, for which he or she agreed to be liable in a written agreement, including a loan used for the candidate's routine living expenses. Any reduction in the unpaid balance of the loan, advance, or line of credit shall reduce proportionately the amount endorsed or guaranteed by each endorser or guarantor in such written agreement. In the event that such agreement does not stipulate the portion of the loan, advance, or line of credit for which each endorser, guarantor, or co-signer is liable, the loan shall be considered a contribution by each endorser or guarantor in the same proportion to the unpaid balance that each endorser, guarantor, or co-signer bears to the total number of endorsers or guarantors. However, if the spouse of the candidate is the endorser, guarantor, or co-signer, the spouse shall not be deemed to make a contribution if:

(1) For a secured loan, the value of the candidate's share of the property used as collateral equals or exceeds the amount of the loan that is used for the candidate's campaign; or

(2) For an unsecured loan, the amount of the loan used for in connection with the candidate's campaign does not exceed one-half of the available credit extended by the unsecured loan.

(c) *Routine living expenses.* (1) A loan derived from an advance on a candidate's brokerage account, credit

card, home equity line of credit, or other line of credit available to the candidate, that is used by the candidate solely for routine living expenses, as described in 11 CFR 100.153, does not need to be reported under 11 CFR part 104 provided that the loan, advance, or line of credit is repaid exclusively from the personal funds of the candidate or payments that would have been made irrespective of the candidacy pursuant to 11 CFR 113.1(g)(6).

(2) Any repayment, in part or in whole, of the loan, advance, or line of credit described in paragraph (c)(1) of this section by the candidate's authorized committee constitutes the personal use of campaign funds and is prohibited by 11 CFR 113.2.

(3) Any repayment or forgiveness, in part or in whole, of the loan, advance, or line of credit described in paragraph (c)(1) of this section by a third party (other than a third party whose payments are permissible under 11 CFR 113.1(g)(6)) or the lending institution is a contribution, subject to the limitations and prohibitions of 11 CFR parts 110 and 114, and shall be reported under 11 CFR part 104.

(4) Notwithstanding paragraph (c)(1) of this section, the portion of any loan or advance from a candidate's brokerage account, credit card account, home equity line of credit, or other line of credit that is used for the purpose of influencing the candidate's election for Federal office shall be reported under 11 CFR part 104.

(d) *Repayment.* The candidate's authorized committee may repay a loan from the candidate that is derived from an advance on a candidate's brokerage account, credit card, home equity line of credit, or other line of credit available to the candidate, directly to the candidate or the original lender. The amount of the repayment shall not exceed the amount of the principal used for the purpose of influencing the candidate's election for Federal office and interest that has accrued on that principal.

(e) *Reporting.* Loans derived from an advance on a candidate's brokerage account, credit card, home equity line of credit, or other line of credit available to the candidate shall be reported by the candidate's principal campaign

committee in accordance with 11 CFR part 104.

A donation includes a gift, subscription, loan, advance, or deposit of money or anything of value.

§ 100.85 Legal or accounting services to political party committees.

Legal or accounting services rendered to or on behalf of any political committee of a political party are not contributions if the person paying for such services is the regular employer of the individual rendering the services and such services are not attributable to activities that directly further the election of any designated candidate for Federal office. For purposes of this section, a partnership shall be deemed to be the regular employer of a partner. Amounts paid by the regular employer for such services shall be reported by the committee receiving such services in accordance with 11 CFR 104.3(h).

§ 100.86 Legal or accounting services to other political committees.

Legal or accounting services rendered to or on behalf of an authorized committee of a candidate or any other political committee are not contributions if the person paying for such services is the regular employer of the individual rendering the services and if such services are solely to ensure compliance with the Act or 26 U.S.C. 9001 *et seq.* and 9031 *et seq.* For purposes of this section, a partnership shall be deemed to be the regular employer of a partner. § 100.87 Volunteer activity for party committees.

The payment by a state or local committee of a political party of the costs of campaign materials (such as pins, bumper stickers, handbills, brochures, posters, party tabloids or newsletters, and yard signs) used by such committee in connection with volunteer activities on behalf of any nominee(s) of such party is not a contribution, provided that the following conditions are met:

(a) *Exemption not applicable to general public communication or political advertising.* Such payment is not for cost incurred in connection with any broadcasting, newspaper, magazine, bill board, direct mail, or similar type of general public communication or political advertising. For purposes of this paragraph, the term *direct mail* means any mailing(s) by a commercial vendor or any mailing(s) made from commercial lists.

(b) *Allocation.* The portion of the cost of such materials allocable to Federal candidates must be paid from contributions subject to the limitations and prohibitions of the Act. *But see* 11 CFR 100.24, 104.17(a), and part 300, subpart B for exempt activities that also constitute Federal election activity.

(c) *Contributions designated for particular Federal candidates.* Such payment is not made from contributions designated by the donor to be spent on behalf of a particular candidate or candidates for Federal office. For purposes of this paragraph, a contribution shall not be considered a designated contribution if the party committee disbursing the funds makes the final decision regarding which candidate(s) shall receive the benefit of such disbursement.

(d) *Distribution of materials by volunteers.* Such materials are distributed by volunteers and not by commercial or for-profit operations. For the purposes of this paragraph, payments by the party organization for travel and subsistence or customary token payments to volunteers do not remove such individuals from the volunteer category.

(e) *Reporting.* If made by a political committee such payments shall be reported by the political committee as disbursements in accordance with 11

11 CFR Ch. I (1-1-25 Edition)

CFR 104.3 but need not be allocated to specific candidates in committee reports.

(f) *State candidates and their campaign committees.* Payments by a State candidate or his or her campaign committee to a State or local political party committee for the State candidate's share of expenses for such campaign materials are not contributions, provided the amount paid by the State candidate or his or her committee does not exceed his or her proportionate share of the expenses.

(g) *Exemption not applicable to campaign materials purchased by national party committees.* Campaign materials purchased by the national committee of a political party and delivered to a State or local party committee, or materials purchased with funds donated by the national committee to such State or local committee for the purchase of such materials, shall not qualify under this exemption. Rather, the cost of such materials shall be subject to the limitations of 52 U.S.C. 30116(d) and 11 CFR 109.32.

[67 FR 50585, Aug. 5, 2002, as amended at 67 FR 78680, Dec. 26, 2002; 79 FR 77845, Dec. 29, 2014]

(b) *Allocation.* The portion of the costs of such activities allocable to Federal candidates is paid from contributions subject to the limitations and prohibitions of the Act. *But see* 11 CFR 100.24, 104.17(a), and part 300, subpart B for exempt activities that also constitute Federal election activity.

(c) *Contributions designated for particular Federal candidates.* Such payment is not made from contributions designated to be spent on behalf of a particular candidate or candidates for Federal office. For purposes of this paragraph, a contribution shall not be considered a designated contribution if the party committee disbursing the funds makes the final decision regarding which candidate(s) shall receive the benefit of such disbursement.

(d) *References to House or Senate candidates.* For purposes of this section, if such activities include references to any candidate(s) for the House or Senate, the costs of such activities that are allocable to that candidate(s) shall be a contribution to such candidate(s)

unless the mention of such candidate(s) is merely incidental to the overall activity.

(e) *Phone banks.* For purposes of this section, payment of the costs incurred in the use of phone banks in connection with voter registration and get-out-the-vote activities is not a contribution when such phone banks are operated by volunteer workers. The use of paid professionals to design the phone bank system, develop calling instructions and train supervisors is permissible. § 100.93 Travel by aircraft or other means of transportation.

(a) *Scope and definitions.* (1) This section applies to all campaign travelers who use non-commercial travel.

(2) Campaign travelers who use commercial travel, such as a commercial airline flight, charter flight, taxi, or an automobile provided by a rental company, are governed by 11 CFR 100.52(a) and (d), not this section.

(3) For the purposes of this section:

(i) *Campaign traveler* means

(A) Any candidate traveling in connection with an election for Federal office or any individual traveling in connection with an election for Federal office on behalf of a candidate or political committee; or

(B) Any member of the news media traveling with a candidate.

(ii) *Service provider* means the owner of an aircraft or other conveyance, or a person who leases an aircraft or other conveyance from the owner or otherwise obtains a legal right to the use of an aircraft or other conveyance, and who uses the aircraft or other conveyance to provide transportation to a campaign traveler. For a jointly owned or leased aircraft or other conveyance, the service provider is the person who makes the aircraft or other conveyance available to the campaign traveler.

(iii) *Unreimbursed value* means the difference between the value of the transportation service provided, as set forth in this section, and the amount of payment for that transportation service by the political committee or campaign traveler to the service provider within the time limits set forth in this section.

(iv) *Commercial travel* means travel aboard:

11 CFR Ch. I (1-1-25 Edition)

(A) An aircraft operated by an air carrier or commercial operator certificated by the Federal Aviation Administration, provided that the flight is required to be conducted under Federal Aviation Administration air carrier safety rules, or, in the case of travel which is abroad, by an air carrier or commercial operator certificated by an appropriate foreign civil aviation authority, provided that the flight is required to be conducted under air carrier safety rules; or

(B) Other means of transportation operated for commercial passenger service.

(v) *Non-commercial travel* means travel aboard any conveyance that is not commercial travel, as defined in paragraph (a)(3)(iv) of this section.

(vi) *Comparable aircraft* means an aircraft of similar make and model as the aircraft that actually makes the trip, with similar amenities as that aircraft.

(b) *General rule.* (1) No contribution is made by a service provider to a candidate or political committee if:

(i) Every candidate's authorized committee or other political committee on behalf of which the travel is conducted pays the service provider, within the required time, for the full value of the transportation, as determined in accordance with paragraphs (c), (d), (e) or (g) of this section, provided to all campaign travelers who are traveling on behalf of that candidate or political committee; or

(ii) Every campaign traveler for whom payment is not made under paragraph (b)(1)(i) of this section pays the service provider for the full value of the transportation provided to that campaign traveler as determined in accordance with paragraphs (c), (d), (e) or (g) of this section. See 11 CFR 100.79 and 100.139 for treatment of certain unreimbursed transportation expenses incurred by individuals traveling on behalf of candidates, authorized committees, and political committees of political parties.

(2) Except as provided in 11 CFR 100.79, the unreimbursed value of transportation provided to any campaign traveler, as determined in accordance with paragraphs (c), (d) or (e) of this section, is an in-kind contribution

from the service provider to the candidate or political committee on whose behalf, or with whom, the campaign traveler traveled. Contributions are subject to the reporting requirements, limitations and prohibitions of the Act.

(3) When a candidate is accompanied by a member of the news media, or by security personnel provided by any Federal or State government, the news media or government security provider may reimburse the political committee paying for the pro-rata share of the travel by the member of the media or security personnel, or may pay the service provider directly for that pro-rata share, up to the applicable amount set forth in paragraphs (c)(1), (c)(3), (d), (e), or (g) of this section. A payment made directly to the service provider may be subtracted from the amount for which the political committee is otherwise responsible without any contribution resulting. No contribution results from reimbursement by the media or a government security provider to a political committee in accordance with this paragraph.

(c) *Travel on aircraft.* When a campaign traveler uses aircraft for non-commercial travel, other than a government aircraft described in paragraph (e) of this section or a candidate or family owned aircraft described in paragraph (g) of this section, reimbursement must be provided no later than seven (7) calendar days after the date the flight began at one of the following rates to avoid the receipt of an in-kind contribution:

(1) *Travel by or on behalf of Senate, presidential, or vice-presidential candidates.* A Senate, presidential, or vice-presidential candidate traveling on his own behalf, or any person traveling on behalf of such candidate or the candidate's authorized committee must pay the pro rata share per campaign traveler of the normal and usual charter fare or rental charge for travel on a comparable aircraft of comparable size. The pro rata share shall be calculated by dividing the normal and usual charter fare or rental charge by the number of campaign travelers on the flight that are traveling on behalf of such candidates or their authorized committees, including members of the news media, and security personnel trav-

eling with a candidate. No portion of the normal and usual charter fare or rental charge may be attributed to any campaign travelers that are not traveling on behalf of such candidates or their authorized committees, or any other passengers, except as permitted under paragraph (b)(3) of this section.

(2) *Travel by or on behalf of House candidates and their leadership PACs.* Except as otherwise provided in paragraphs (e) and (g) of this section, a campaign traveler who is a candidate for election for the office of Representative in, or Delegate or Resident Commissioner to, the Congress, or a person traveling on behalf of any such candidate or any authorized committee or leadership PAC of such candidate, is prohibited from non-commercial travel on behalf of any such candidate or any authorized committee or leadership PAC of such candidate.

(3) *Other campaign travelers.* When a candidate's authorized committee pays for a flight pursuant to paragraph (c)(1) of this section, no payment is required from other campaign travelers on that flight. Otherwise, a campaign traveler not covered by paragraphs (c)(1) or (c)(2) of this section, including persons traveling on behalf of a political party committee, separate segregated fund, nonconnected political committee, or a leadership PAC other than a leadership PAC of a candidate for election for the office of Representative in, or Delegate or Resident Commissioner to, the Congress, must pay the service provider no less than the following for each leg of the trip:

(i) In the case of travel between cities served by regularly scheduled first-class commercial airline service, the lowest unrestricted and non-discounted first-class airfare;

(ii) In the case of travel between a city served by regularly scheduled coach commercial airline service, but not regularly scheduled first-class commercial airline service, and a city served by regularly scheduled coach commercial airline service (with or without first-class commercial airline service), the lowest unrestricted and non-discounted coach airfare; or

(iii) In the case of travel to or from a city not served by regularly scheduled commercial airline service, the normal

§ 100.93**11 CFR Ch. I (1-1-25 Edition)**

and usual charter fare or rental charge for a comparable commercial aircraft of sufficient size to accommodate all campaign travelers, and security personnel, if applicable.

(d) *Other means of transportation.* If a campaign traveler uses any means of transportation other than an aircraft, including an automobile, or train, or boat, the campaign traveler, or the political committee on whose behalf the travel is conducted, must pay the service provider within thirty (30) calendar days after the date of receipt of the invoice for such travel, but not later than sixty (60) calendar days after the date the travel began, at the normal and usual fare or rental charge for a comparable commercial conveyance of sufficient size to accommodate all campaign travelers, including members of the news media traveling with a candidate, and security personnel, if applicable.

(e) *Government conveyances—(1) Travel by or on behalf of candidates, their authorized committees, or House candidate Leadership PACs.* If a campaign traveler traveling on behalf of a candidate, an authorized committee, or the leadership PAC of a House candidate uses an aircraft that is provided by the Federal government, or by a State or local government, the campaign traveler, or the political committee on whose behalf the travel is conducted, must pay the government entity, within the time specified by that government entity, *either:*

(i) The pro rata share per campaign traveler of the normal and usual charter fare or rental charge for the flight on a comparable aircraft of sufficient size to accommodate all campaign travelers. The pro rata share shall be calculated by dividing the normal and usual charter fare or rental charge by the number of campaign travelers on the flight that are traveling on behalf of candidates, authorized committees, or House candidate leadership PACs, including members of the news media, and security personnel, if applicable. No portion of the normal and usual charter fare or rental charge may be attributed to any other campaign travelers or any other passengers, except as permitted under paragraph (b)(8) of this section. For purposes of this para-

graph, the comparable aircraft need not accommodate any government-required personnel and equipment; or

(ii) The private traveler reimbursement rate, as specified by the governmental entity providing the aircraft, per campaign traveler.

(2) *Other campaign travelers.* When a candidate's authorized committee, or a House candidate's leadership PAC pays for a flight pursuant to paragraph (e)(1) of this section, no payment is required from any other campaign travelers on that flight. Otherwise, a campaign traveler not covered by paragraph (e)(1) of this section, including persons traveling on behalf of a political party committee, separate segregated fund, nonconnected political committee, or a leadership PAC other than a leadership PAC of a candidate for the office of Representative in, or Delegate or Resident Commissioner to, the Congress, must pay the government entity, within the time specified by that government entity, either:

(i) For travel to or from a military airbase or other location not accessible to the general public, the lowest unrestricted and non-discounted first-class airfare to or from the city with regularly scheduled first-class commercial airline service that is geographically closest to the military airbase or other location actually used; or

(ii) For all other travel, in accordance with paragraph (c)(3) of this section.

(3) If a campaign traveler uses a conveyance, other than an aircraft, that is provided by the Federal government, or by a State or local government, the campaign traveler, or the political committee on whose behalf the travel is conducted, must pay the government entity in accordance with paragraph (d) of this section.

(f) *Date and public availability of payment rate.* For purposes of paragraphs (c), (d), (e), and (g) of this section, the payment rate must be the rate available to the general public for the dates traveled or within seven (7) calendar days thereof. The payment rate must be determined by the time the payment is due under paragraph (c), (d), (e) or (g) of this section.

(g) *Aircraft owned or leased by a candidate or a candidate's immediate family*

member. (1) For non-commercial travel by a candidate, or a person traveling on behalf of a candidate, on an aircraft owned or leased by that candidate or an immediate family member of that candidate, the candidate's authorized committee must pay:

(i) In the case of travel on an aircraft that is owned or leased under a shared-ownership or other time-share arrangement, where the travel does not exceed the candidate's or immediate family member's proportional share of the ownership interest in the aircraft, the hourly, mileage, or other applicable rate charged the candidate, immediate family member, or other service provider for the costs of the travel; or

(ii) In the case of travel on an aircraft that is owned or leased under a shared-ownership or other time-share arrangement, where the travel exceeds the candidate's or immediate family member's proportional share of the ownership interest in the aircraft, the rate specified in paragraph (c) of this section (House candidates are prohibited from engaging in such travel); or

(iii) In the case of travel on an aircraft that is not owned or leased under a shared-ownership or other time-share arrangement, the *pro rata* share per campaign traveler of the costs associated with the trip. Associated costs include, but are not limited to, the cost of fuel and crew, and a proportionate share of maintenance costs.

(2) A candidate, or an immediate family member of the candidate, will be considered to own or lease an aircraft under paragraph (g)(1) of this section if the candidate or the immediate family member of the candidate has an ownership interest in an entity that owns the aircraft, provided that the entity is not a corporation with publicly traded shares.

(3) A proportional share of the ownership interest in an aircraft means the amount of use to which the candidate or immediate family member is entitled under an ownership or lease agreement. Prior to each flight, the candidate's committee must obtain a certification from the service provider that the candidate's planned use of the aircraft will not exceed the candidate's or immediate family member's proportional share of use under the ownership

or lease agreement. See paragraph (j) of this section for related recordkeeping requirements.

(4) For the purposes of this section, an "immediate family member" of a candidate is the father, mother, son, daughter, brother, sister, husband, wife, father-in-law, or mother-in-law of the candidate.

(h) *Preemption.* In all respects, State and local laws are preempted with respect to travel in connection with a Federal election to the extent they purport to supplant the rates or timing requirements of 11 CFR 100.93.

(i) *Reporting.* (1) In accordance with 11 CFR 104.13, a political committee on whose behalf the unreimbursed travel is conducted must report the receipt of an in-kind contribution and the making of an expenditure under paragraph (b)(2) of this section.

(2) When reporting a disbursement for travel services in accordance with this section, a political committee on whose behalf the travel is conducted must report the actual dates of travel for which the disbursement is made in the "purpose of disbursement" field.

(j) *Recordkeeping.* (1) For travel on non-commercial aircraft conducted under paragraphs (c)(1), (c)(3)(iii), (e)(1), or (g) of this section, the political committee on whose behalf the travel is conducted shall maintain a record of:

(i) The service provider and the size, model, make and tail number (or other unique identifier for military aircraft) of the aircraft used;

(ii) An itinerary showing the departure and arrival cities and the date(s) of departure and arrival, a list of all passengers on such trip, along with a designation of which passengers are and which are not campaign travelers or security personnel; and

(iii)(A) The rate for the comparable charter aircraft available in accordance with paragraphs (c), (e) and (f) of this section, including the airline, charter or air taxi operator, and travel service, if any, offering that fare to the public, and the dates on which the rates are based; or

(B) The private traveler reimbursement rate available in accordance with paragraph (e)(1)(ii) of this section, and the dates on which the rate is based.

§ 100.94

(iv) Where the travel is aboard an aircraft owned in part by the candidate or an immediate family member of the candidate, the ownership or lease agreement specifying the amount of use of the aircraft corresponding to the candidate's or an immediate family member's ownership interest in the aircraft, as required by paragraph (g)(1)(i) and (ii) and (g)(3) of this section, and the certification required by paragraph (g)(3) of this section.

(2) For travel on non-commercial aircraft conducted under paragraph (c)(3)(i), (c)(3)(ii), or (e)(2)(i) of this section, the political committee on whose behalf the travel is conducted shall maintain a record of:

(i) The service provider and the size, model, make and tail number (or other unique identifier for military aircraft) of the aircraft used;

(ii) An itinerary showing the departure and arrival cities and the date(s) of departure and arrival, a list of all passengers on such trip, along with a designation of which passengers are and which are not campaign travelers; and

(iii) The lowest unrestricted non-discounted airfare available in accordance with paragraphs (c)(3), (e)(2)(i), and (f) of this section, including the airline offering that fare, flight number, travel service, if any, providing that fare, and the dates on which the rates are based.

(3) For travel by other conveyances, the political committee on whose behalf the travel is conducted shall maintain a record of:

(i) The service provider and the size, model and make of the conveyance used;

(ii) An itinerary showing the departure and destination locations and the date(s) of departure and arrival, a list of all passengers on such trip, along with a designation of which passengers are and which are not campaign travelers or security personnel; and

(iii) The commercial fare or rental charge available in accordance with paragraphs (d) and (f) of this section for a comparable commercial conveyance of sufficient size to accommodate all campaign travelers including members of the news media traveling with a

(2) Pay membership dues at least annually, of a specific amount predetermined by the organization; or

(3) Have a significant organizational attachment to the membership organization that includes: affirmation of membership on at least an annual basis and direct participatory rights in the governance of the organization. For example, such rights could include the right to vote directly or indirectly for at least one individual on the membership organization's highest governing board; the right to vote on policy questions where the highest governing body of the membership organization is obligated to abide by the results; the right to approve the organization's annual budget; or the right to participate directly in similar aspects of the organization's governance.

(g) *Additional considerations in determining membership.* Notwithstanding the requirements of paragraph (f) of this section, the Commission may determine, on a case-by-case basis, that persons who do not precisely meet the requirements of the general rule, but have a relatively enduring and independently significant financial or organizational attachment to the organization, may be considered members for purposes of this section. For example, student members who pay a lower amount of dues while in school, long term dues paying members who qualify

for lifetime membership status with little or no dues obligation, and retired members may be considered members of the organization.

(h) *Members of local unions.* Notwithstanding the requirements of paragraph (f) of this section, members of a local union are considered to be members of any national or international union of which the local union is a part and of any federation with which the local, national, or international union is affiliated.

(i) *National federation structures.* In the case of a membership organization that has a national federation structure or has several levels, including, for example, national, state, regional and/or local affiliates, a person who qualifies as a member of any entity within the federation or of any affiliate by meeting the requirements of paragraphs (f)(1), (2), or (3) of this section shall also qualify as a member of all affiliates for purposes of paragraphs (d) through (i) of this section. The factors set forth at 11 CFR 100.5(g)(2), (3) and (4) shall be used to determine whether entities are affiliated for purposes of this paragraph.

(j) *Non-applicability of state law in determining status of membership organizations.* The status of a membership organization, and of members, for purposes of this section, shall be determined pursuant to paragraphs (d) through (i) of this section and not by provisions of state law governing unincorporated associations, trade associations, cooperatives, corporations without capital stock, or labor organizations.

(k) *Definition of election.* For purposes of this section, *election* means two separate processes in a calendar year, to each of which the \$2,000 threshold described above applies separately. The first process is comprised of all primary elections for Federal office, whenever and wherever held; the second process is comprised of all general elections for Federal office, whenever and wherever held. The term *election* shall also include each special election held to fill a vacancy in a Federal office (11 CFR 100.2(f)) or each runoff election (11 CFR 100.2(d)).

(l) *Definition of corporation.* For purposes of this section, *corporation* means

Federal Election Commission

§ 100.139

For the purposes of this section, an individual's residential premises shall include a recreation room in a residential complex where the individual volunteering services resides, provided that the room is available for use without regard to political affiliation. A nominal fee paid by such individual for the use of such room is not an expenditure.

No expenditure results where an individual, in the course of volunteering personal services to any candidate or political committee of a political party, obtains the use of a church or community room and provides such room to any candidate for candidate-related activity or to any political committee of a political party for party-related activity, provided that the room is used on a regular basis by members of the community for non-commercial purposes and the room is available for use by members of the community without regard to political affiliation. A nominal fee paid by such individual for the use of such room is not an expenditure.

§ 100.137 Invitations, food, and beverages.

The cost of invitations, food, and beverages is not an expenditure where

such items are voluntarily provided by an individual in rendering voluntary personal services on the individual's residential premises or in a church or community room as specified at 11 CFR 100.135 and 100.136 to a candidate for candidate-related activity or to a political committee of a political party for party-related activity, to the extent that: The aggregate value of such invitations, food and beverages provided by the individual on behalf of the candidate does not exceed \$1,000 with respect to any single election; and on behalf of all political committees of each political party does not exceed \$2,000 in any calendar year.

[67 FR 50585, Aug. 5, 2002, as amended at 79 FR 77845, Dec. 29, 2014]

§ 100.138 Sale of food and beverages by vendor.

The sale of any food or beverage by a vendor (whether incorporated or not) for use in a candidate's campaign, or for use by a political committee of a political party, at a charge less than the normal or comparable commercial charge, is not an expenditure, provided that the charge is at least equal to the cost of such food or beverage to the vendor, to the extent that: The aggregate value of such discount given by the vendor on behalf of any single candidate does not exceed \$1,000 with respect to any single election; and on behalf of all political committees of each political party does not exceed \$2,000 in a calendar year.

§ 100.139 Unreimbursed payment for transportation and subsistence expenses.

(a) *Transportation expenses.* Any unreimbursed payment for transportation expenses incurred by any individual on behalf of any candidate or political committee of a political party is not an expenditure to the extent that:

(1) The aggregate value of the payments made by such individual on behalf of a candidate does not exceed \$1,000 with respect to a single election; and

(2) On behalf of all political committees of each political party does not exceed \$2,000 in a calendar year.

§ 100.140

(b) *Subsistence expenses.* Any unreimbursed payment from a volunteer's personal funds for usual and normal subsistence expenses incident to volunteer activity is not an expenditure.

§ 100.140 Slate cards and sample ballots.

The payment by a State or local committee of a political party of the costs of preparation, display, or mailing or other distribution incurred by such committee with respect to a printed slate card, sample ballot, palm card, or other printed listing(s) of three or more candidates for any public office for which an election is held in the State in which the committee is organized is not an expenditure. The payment of the portion of such costs allocable to Federal candidates must be made from funds subject to the limitations and prohibitions of the Act. If made by a political party committee, such payments shall be reported by that committee as disbursements, but need not be allocated in committee reports to specific candidates. This exemption shall not apply to costs incurred by such a committee with respect to the preparation and display of listings made on broadcasting stations, or in newspapers, magazines, and similar types of general public political advertising such as billboards. *But see 11 CFR 100.24, 104.17(a), and part 300, subpart B for exempt activities that also constitute Federal election activity.*

§ 100.141 Payment by corporations and labor organizations.

Any payment made or obligation incurred by a corporation or labor organization is not an expenditure if under the provisions of 11 CFR part 114 such payment or obligation would not constitute an expenditure by the corporation or labor organization.

§ 100.142 Bank loans.

(a) *General provisions.* Repayment of a loan of money to a candidate or a political committee by a State bank, a federally chartered depository institution (including a national bank) or a depository institution whose deposits and accounts are insured by the Federal Deposit Insurance Corporation or the National Credit Union Administration is

11 CFR Ch. I (1-1-25 Edition)

not an expenditure by the lending institution if such loan is made in accordance with applicable banking laws and regulations and is made in the ordinary course of business. A loan will be deemed to be made in the ordinary course of business if it:

- (1) Bears the usual and customary interest rate of the lending institution for the category of loan involved;
- (2) Is made on a basis that assures repayment;
- (3) Is evidenced by a written instrument; and
- (4) Is subject to a due date or amortization schedule.

(b) *Reporting.* Such loans shall be reported by the political committee in accordance with 11 CFR 104.3(a) and (d).

(c) *Endorsers and guarantors.* Each endorser or guarantor shall be deemed to have contributed that portion of the total amount of the loan for which he or she agreed to be liable in a written agreement, except that, in the event of a signature by the candidate's spouse, the provisions of 11 CFR 100.52(b)(4) shall apply. Any reduction in the unpaid balance of the loan shall reduce proportionately the amount endorsed or guaranteed by each endorser or guarantor in such written agreement. In the event that the loan agreement does not stipulate the portion of the loan for which each endorser or guarantor is liable, the loan shall be considered an expenditure by each endorser or guarantor in the same proportion to the unpaid balance that each endorser or guarantor bears to the total number of endorsers or guarantors.

(d) *Overdrafts.* For the purpose of this section, repayment of an overdraft made on a checking or savings account of a political committee shall be considered an expenditure unless:

- (1) The overdraft is made on an account that is subject to automatic overdraft protection; and
- (2) The overdraft is subject to a definite interest rate and a definite repayment schedule.

(e) *Made on a basis that assures repayment.* A loan, including a line of credit, shall be considered made on a basis that assures repayment if it is obtained using either of the sources of repayment described in paragraphs (e)(1) or

(2) of this section, or a combination of paragraphs (e)(1) or (2) of this section:

(1)(i) The lending institution making the loan has perfected a security interest in collateral owned by the candidate or political committee receiving the loan; the fair market value of the collateral is equal to or greater than the loan amount and any senior liens as determined on the date of the loan; and the candidate or political committee provides records to show that the lending institution has a perfected security interest in the collateral. Sources of collateral include, but are not limited to, ownership in real estate, personal property, goods, negotiable instruments, certificates of deposit, chattel papers, stocks, accounts receivable and cash on deposit.

(ii) Amounts guaranteed by secondary sources of repayment, such as guarantors and cosigners, shall not exceed the contribution limits of 11 CFR part 110 or contravene the prohibitions of 11 CFR 110.4, 110.20, part 114 and part 115; or

(2) The lending institution making the loan has obtained a written agreement whereby the candidate or political committee receiving the loan has pledged future receipts, such as public financing payments under 11 CFR part 9001 through part 9012 or part 9031 through 9039, contributions, or interest income, provided that:

(i) The amount of the loan(s) obtained the basis of such funds does not exceed the amount of pledged funds;

(ii) Loan amounts are based on a reasonable expectation of the receipt of pledged funds. To that end, the candidate or political committee must furnish the lending institution records, *i.e.*, cash flow charts or other financial plans, that reasonably establish that such future funds will be available;

(iii) A separate depository account is established at the lending institution or the lender obtains an assignment from the candidate or political committee to access funds in a committee account at another depository institution that meets the requirements of 11 CFR 103.2, and the committee has notified the other institution of this assignment;

(iv) The loan agreement requires the deposit of the public financing pay-

ments, contributions, interest or other income pledged as collateral into the separate depository account for the purpose of retiring the debt according to the repayment requirements of the loan; and

(v) In the case of public financing payments, the borrower authorizes the Secretary of the Treasury to directly deposit the payments into the depository account for the purpose of retiring the debt.

(3) If the requirements set forth in paragraph (e) of this section are not met, the Commission will consider the totality of circumstances on a case-by-case basis in determining whether a loan was made on a basis that assures repayment.

(f) This section shall not apply to loans described in 11 CFR 100.83 and 100.143.

[67 FR 50585, Aug. 5, 2002, as amended at 67 FR 78680, Dec. 26, 2002; 89 FR 215, Jan. 2, 2024]

§ 100.143 Brokerage loans and lines of credit to candidates.

Repayment of a loan of money derived from an advance on a candidate's brokerage account, credit card, home equity line of credit, or other line of credit available to the candidate, as described in 11 CFR 100.83, is not an expenditure.

§ 100.144 Office building for State, local, or district party committees or organizations.

A payment, distribution, loan, advance, or deposit of money or anything of value, made by, or on behalf of, a State, local, or district party committee or organization for the purchase or construction of an office building in accordance with 11 CFR 300.35 is not an expenditure.

§ 100.145 Legal or accounting services to political party committees.

Legal or accounting services rendered to or on behalf of any political committee of a political party are not expenditures if the person paying for such services is the regular employer of the individual rendering the services and such services are not attributable to activities that directly further the election of any designated candidate for Federal office. For purposes of this

§ 100.146

section, a partnership shall be deemed to be the regular employer of a partner. Amounts paid by the regular employer for such services shall be reported by the committee receiving such services in accordance with 11 CFR 104.3(h).

§ 100.146 Legal or accounting services to other political committees.

Legal or accounting services rendered to or on behalf of an authorized committee of a candidate or any other political committee are not expenditures if the person paying for such services is the regular employer of the individual rendering such services and if the services are solely to ensure compliance with the Act or 26 U.S.C. 9001 *et seq.* and 9032 *et seq.* For purposes of this section, a partnership shall be deemed to be the regular employer of a partner. Amounts paid by the regular employer for these services shall be reported by the committee receiving such services in accordance with 11 CFR 104.3(h). Expenditures for these services by a candidate certified to receive Primary Matching Funds under 11 CFR part 9034 do not count against such candidate's expenditure limitations under 11 CFR part 9035 or 11 CFR 110.8. Unless paid for with federal funds received pursuant to 11 CFR part 9005, disbursements for these services by a candidate who is certified to receive payments from the Presidential Election Campaign Fund under 11 CFR part 9005 do not count against that candidate's expenditure limitations under 11 CFR 110.8.

§ 100.147 Volunteer activity for party committees.

The payment by a state or local committee of a political party of the costs of campaign materials (such as pins, bumper stickers, handbills, brochures, posters, party tabloids or newsletters, and yard signs) used by such committee in connection with volunteer activities on behalf of any nominee(s) of such party is not an expenditure, provided that the following conditions are met:

(a) *Exemption does not apply to general public communications or political advertising.* Such payment is not for costs incurred in connection with any broad-

11 CFR Ch. I (1-1-25 Edition)

casting, newspaper, magazine, billboard, direct mail, or similar type of general public communication or political advertising. For the purposes of this paragraph, the term *direct mail* means any mailing(s) by a commercial vendor or any mailing(s) made from commercial lists.

(b) *Allocation.* The portion of the cost of such materials allocable to Federal candidates is paid from contributions subject to the limitations and prohibitions of the Act. *But see* 11 CFR part 300 for exempt activities that also constitute Federal election activity.

(c) *Contributions designated for Federal candidates.* Such payment is not made from contributions designated by the donor to be spent on behalf of a particular candidate or candidates for Federal office. For purposes of this paragraph, a contribution shall not be considered a designated contribution if the party committee disbursing the funds makes the final decision regarding which candidate(s) shall receive the benefit of such disbursement.

(d) *Distribution of materials by volunteers.* Such materials are distributed by volunteers and not by commercial or for-profit operations. For the purposes of this paragraph, payments by the party organization for travel and subsistence or customary token payments to volunteers do not remove such individuals from the volunteer category.

(e) *Reporting.* If made by a political party committee, such payments shall be reported by that committee as disbursements, in accordance with 11 CFR 104.3, but need not be allocated to specific candidates in committee reports.

(f) *State candidates and their campaign committees.* Payments by a State candidate or his or her campaign committee to a State or local political party committee for the State candidate's share of expenses for such campaign materials are not expenditures, provided the amount paid by the State candidate or his or her committee does not exceed his or her proportionate share of the expenses.

(g) *Exemption not applicable to campaign materials purchased by national party committees.* Campaign materials purchased by the national committee of a political party and delivered to a

State or local party committee, or materials purchased with funds donated by the national committee to such State or local committee for the purchase of such materials, shall not qualify under this exemption. Rather, the cost of such materials shall be subject to the limitations of 52 U.S.C. 30116(d) and 11 CFR 109.32.

[67 FR 50585, Aug. 5, 2002, as amended at 67 FR 78680, Dec. 26, 2002; 79 FR 77845, Dec. 29, 2014]

The payment of the portion of the cost of such materials allocable to Federal candidates shall be made from contributions subject to the limitations and prohibitions of the Act. For purposes of this section, the term direct mail means mailings by commercial vendors or mailings made from lists that were not developed by the candidate. *But see* 11 CFR 100.24, 104.17(a), and part 300, subparts D and E for exempt activities that also constitute Federal election activity.

(c) *Contributions designated for Federal candidates.* Such payment is not made from contributions designated to be spent on behalf of a particular candidate or candidates for Federal office. For the purposes of this paragraph, a contribution shall not be considered a designated contribution if the party committee disbursing the funds makes the final decision regarding which candidate(s) shall receive the benefit of such disbursement.

(d) *References to House or Senate candidates.* For purposes of this section, if such activities include references to any candidate(s) for the House or Senate, the costs of such activities that are allocable to that candidate(s) shall be an expenditure on behalf of such candidate(s) unless the mention of such candidate(s) is merely incidental to the overall activity.

(e) *Phone banks.* For purposes of this section, payment of the costs incurred in the use of phone banks in connection with voter registration and get-out-the-vote activities is not an expenditure when such phone banks are operated by volunteer workers. The use of paid professionals to design the phone bank system, develop calling instructions and train supervisors is permissible. The payment of the costs of such professional services is not an expenditure but shall be reported as a disbursement in accordance with 11 CFR 104.3 if made by a political committee.

§ 100.150

made by a political committee, such payments for voter registration and get-out-the-vote activities shall be reported by that committee as disbursements, in accordance with 11 CFR 104.3 but such payments need not be allocated to specific candidates in committee reports except as provided in paragraph (d) of this section.

(g) *Exemption not applicable to donations by a national committee of a political party to a State or local party committee for voter registration and get-out-the-vote activities.* Payments made from funds donated by a national committee of a political party to a State or local party committee for voter registration and get-out-the-vote activities shall not qualify under this exemption. Rather, such funds shall be subject to the limitations of 52 U.S.C. 30116(d) and 11 CFR 109.32.
