(i) Each person to whom an expenditure in an aggregate amount or value in excess of \$200 within the calendar year is made by the reporting committee to meet the committee's operating expenses, together with the date, amount, and purpose of such operating expenditure;

## Federal Election Commission

## § 104.3

(B) For each independent expenditure reported, the committee must also provide a statement which indicates whether such independent expenditure is in support of, or in opposition to a particular candidate, as well as the name of the candidate and the office sought by such candidate (including State and Congressional district, when applicable), and a certification, under penalty of perjury, as to whether such independent expenditure is made in cooperation, consultation or concert with, or at the request or suggestion of, any candidate or authorized committee or agent of such committee; and

(C) For an independent expenditure that is made in support of or opposition to a presidential primary candidate and is publicly distributed or otherwise publicly disseminated in six or more states but does not refer to any particular state, the political committee must report the independent expenditure as a single expenditure—*i.e.*, without allocating it among states—and must indicate the state with the next upcoming presidential primary among those states where the independent expenditure is distributed, as specified in §104.4(f)(2). The political committee must use memo text to indicate the states in which the communication is distributed.

(D) The information required by paragraphs (b)(3)(vii)(A) through (C) of this section shall be reported on Schedule E as part of a report covering the reporting period in which the aggregate disbursements for any independent expenditure to any person exceed \$200 per calendar year. Schedule E shall also include the total of all such expenditures of \$200 or less made during the reporting period.

(ix) Each person who has received any disbursement within the reporting

period not otherwise disclosed in accordance with 11 CFR 104.3(b)(3) to whom the aggregate amount or value of disbursements made by the reporting committee exceeds \$200 within the calendar year, together with the date, amount and purpose of any such disbursement.

(4) *Itemization of disbursements by authorized committees.* Each authorized committee shall report the full name and address of each person in each of the following categories, as well as the information required by each category.

(i) Each person to whom an expenditure in an aggregate amount or value in excess of \$200 within the election cycle is made by the reporting authorized committee to meet the authorized committee's operating expenses, together with the date, amount and purpose of each expenditure.

(A) As used in this paragraph, *purpose* means a brief statement or description of why the disbursement was made. Examples of statements or descriptions which meet the requirements of this paragraph include the following: dinner expenses, media, salary, polling, travel, party fees, phone banks, travel expenses, travel expense reimbursement, and catering costs. However, statements or descriptions such as *advance, election day expenses, other expenses, expenses, expense reimbursement, miscellaneous, outside services, get-out-the-vote* and *voter registration* would not meet the requirements of this paragraph for reporting the purpose of an expenditure.

(B) In addition to reporting the purpose described in paragraph (b)(4)(i)(A) of this section, whenever an authorized committee itemizes a disbursement that is partially or entirely a personal use for which reimbursement is required under 11 CFR 113.1(g)(1)(ii)(C) or (D), it shall provide a brief explanation of the activity for which reimbursement is required.

(ii) Each authorized committee of the same candidate to which a transfer is made by the reporting committee during the reporting period, together with the date and amount of such transfer;

(iv) [Reserved]

(v) Each person who receives a contribution refund or other offset to contributions from the reporting committee where such contribution refund was reported under 11 CFR 104.3(b)(2)(v), together with the date and amount of such refund or offset.

(vi) Each person who has received any disbursement(s) not otherwise disclosed under paragraph (b)(4) of this section to whom the aggregate amount or value of such disbursements exceeds \$200 within the election cycle, together with the date, amount, and purpose of any such disbursement.

(c) *Summary of contributions and operating expenditures.* Each report filed pursuant to §104.1 shall disclose for both the reporting period and the calendar year (or the election cycle, in the case of the authorized committee):

(1)(i) The total contributions to the reporting committee;

(d) *Reporting debts and obligations.* Each report filed under 11 CFR 104.1 shall, on Schedule C or D, as appropriate, disclose the amount and nature of outstanding debts and obligations owed by or to the reporting committee. Loans, including a loan of money derived from an advance on a candidate's brokerage account, credit card, home equity line of credit, or other lines of credit described in 11 CFR 100.83, obtained by an individual prior to becoming a candidate for use in connection with that individual's campaign shall be reported as an outstanding loan owed to the lender by the candidate's principal campaign committee, if such loans are outstanding at the time the individual becomes a candidate. Where

such debts and obligations are settled for less than their reported amount or value, each report filed under 11 CFR 104.1 shall contain a statement as to the circumstances and conditions under which such debts or obligations were extinguished and the amount paid. *See* 11 CFR 116.7.

(1) In addition, when a political committee obtains a loan from, or establishes a line of credit at, a lending institution as described in 11 CFR 100.82(a) through (d) and 100.142(a) through (d), it shall disclose in the report covering the period when the loan was obtained, the following information on schedule C-1 or C-P-1:

(i) The date and amount of the loan or line of credit;

(ii) The interest rate and repayment schedule of the loan, or of each draw on the line of credit;

(iii) The types and value of traditional collateral or other sources of repayment that secure the loan or the line of credit, and whether that security interest is perfected;

(iv) An explanation of the basis upon which the loan was made or the line of credit established, if not made on the basis of either traditional collateral or the other sources of repayment described in 11 CFR 100.82(e)(1) and (2) and 100.142(e)(1) and (2); and

(v) A certification from the lending institution that the borrower's responses to paragraphs (d)(1)(i)–(iv) of this section are accurate, to the best of the lending institution's knowledge; that the loan was made or the line of credit established on terms and conditions (including interest rate) no more favorable at the time than those imposed for similar extensions of credit to other borrowers of comparable credit worthiness; and that the lending institution is aware of the requirement that a loan or a line of credit must be made on a basis which assures repayment and that the lending institution has complied with Commission regulations at 11 CFR 100.82(a) through (d) and 100.142(a) through (d).

(2) The political committee shall submit a copy of the loan or line of credit agreement which describes the terms and conditions of the loan or line of credit when it files Schedule C-1 or C-P-1. This paragraph (d)(2) shall not

## § 104.3

apply to any Schedule C-1 or C-P-1 that is filed pursuant to paragraph (d)(4) of this section.

(3) The political committee shall file in the next due report a Schedule C-1 or C-P-1 each time a draw is made on a line of credit, and each time a loan or line of credit is restructured to change the terms of repayment. This paragraph (d)(3) shall not apply to any Schedule C-1 or C-P-1 that is filed pursuant to paragraph (d)(4) of this section.

(4) When a candidate obtains a bank loan or loan of money derived from an advance on the candidate's brokerage account, credit card, home equity line of credit, or other line of credit described in 11 CFR 100.83 and 100.143 for use in connection with the candidate's campaign, the candidate's principal campaign committee shall disclose in the report covering the period when the loan was obtained, the following information on Schedule C-1 or C-P-1:

(i) The date, amount, and interest rate of the loan, advance, or line of credit;

(ii) The name and address of the lending institution; and

(iii) The types and value of collateral or other sources of repayment that secure the loan, advance, or line of credit, if any.

(e) *Use of pseudonyms.* (1) To determine whether the names and addresses of its contributors are being used in violation of 11 CFR 104.15 to solicit contributions or for commercial purposes, a political committee may submit up to ten (10) pseudonyms on each report filed.

(2) For purposes of this section, a pseudonym is a wholly fictitious name which does not represent the name of an actual contributor to a committee.

(3) If a committee uses pseudonyms it shall subtract the total dollar amount of the fictitious contributions from the total amount listed as a memo entry on line 11(a) of the Detailed Summary page, *Unitemized contributions from individual persons other than political committees.* Thus, the committee will, for this purpose only, be overstating the amount of itemized contributions received and understating the amount of unitemized contributions received.

(4) No authorized committee of a candidate shall attribute more than \$1,000 in contributions to the same pseudonym for each election and no other political committee shall attribute more than \$5,000 in contributions to the same pseudonym in any calendar year.

(5) A committee using pseudonyms shall send a list of such pseudonyms under separate cover directly to the Reports Analysis Division, Federal Election Commission, on or before the date on which any report containing such pseudonyms is filed with the Commission. The Commission shall maintain the list, but shall exclude it from the public record. A committee shall not send any list of pseudonyms to any Secretary of State or equivalent state officer.

(6) A political committee shall not use pseudonyms for the purpose of circumventing the reporting requirements or the limitations and prohibitions of the Act.

(f) *Consolidated reports.* Each principal campaign committee shall consolidate in each report those reports required to be filed with it. Such consolidated reports shall include: (1) Reports submitted to it by any authorized committees and (2) the principal campaign committee's own report. Such consolidation shall be made on FEC Form 3-Z and shall be submitted with the reports of the principal campaign committee and with the reports, or applicable portions thereof, of the committees shown on the consolidation.

(g) *Building funds.* (1) A political party committee must report gifts, subscriptions, loans, advances, deposits of money, or anything of value that are used by the political party committee's Federal accounts to defray the costs of construction or purchase of the committee's office building. See 11 CFR 300.35. Such a receipt is a contribution subject to the limitations and prohibitions of the Act and reportable as a contribution, regardless of whether the contributor has designated the funds or things of value for such purpose and regardless of whether such funds are deposited in a separate Federal account dedicated to that purpose.

(2) Gifts, subscriptions, loans, advances, deposits of money, or anything

## § 104.4

of value that are donated to a non-Federal account of a State or local party committee and are used by that party committee for the purchase or construction of its office building are not contributions subject to the reporting requirements of the Act. ### § 104.4 Independent expenditures by political committees (52 U.S.C. 30104(b), (d), and (g)).

(a) *Regularly scheduled reporting.* Every political committee that makes independent expenditures must report all such independent expenditures on Schedule E in accordance with 11 CFR 104.3(b)(3)(vii). Every person that is not a political committee must report independent expenditures in accordance with paragraphs (e) and (f) of this section and 11 CFR 109.10.

(b) *Reports of independent expenditures made at any time up to and including the 20th day before an election—*(1) *Independent expenditures aggregating less than \$10,000 in a calendar year.* For each election in which a political committee makes independent expenditures, the political committee shall aggregate its independent expenditures made in each calendar year to determine its reporting obligation. When a committee makes independent expenditures aggregating less than \$10,000 for an election in any calendar year, up to and including the 20th day before an election, the committee must report those independent expenditures on Schedule E of the applicable FEC Form, at the time of its regular reports in accordance with 11 CFR 104.3, 104.5, and 104.9.

(2) *Independent expenditures aggregating \$10,000 or more in a calendar year.* For each election in which a political committee makes independent expenditures, the political committee shall aggregate its independent expenditures

When a committee makes independent expenditures aggregating \$10,000 or more for an election in any calendar year, up to and including the 20th day before an election, it must report those independent expenditures on Schedule E of the applicable FEC Form. Political committees must ensure that the Commission receives these reports by 11:59 p.m. Eastern Standard/Daylight Time on the second day following the date on which a communication that constitutes an independent expenditure is publicly distributed or otherwise publicly disseminated. Each time subsequent independent expenditures relating to the same election aggregate an additional \$10,000 or more, the political committee must ensure that the Commission receives a new 48-hour report of the subsequent independent expenditures by 11:59 p.m. Eastern Standard/Daylight Time on the second day following the date on which the communication is publicly distributed or otherwise publicly disseminated. (See paragraph (f) of this section for aggregation.) Each 48-hour report must contain the information required by 11 CFR 104.3(b)(3)(vii) indicating whether the independent expenditure is made in support of, or in opposition to, the candidate involved. In addition to other permissible means of filing, a political committee may file the 48-hour reports under this section by any of the means permissible under 11 CFR 100.19(d)(3).

(c) *Reports of independent expenditures made less than 20 days, but more than 24 hours before the day of an election.* Political committees must ensure that the Commission receives reports of independent expenditures aggregating \$1,000 or more with respect to a given election, after the 20th day, but more than 24 hours before 12:01 a.m. of the day of the election, by 11:59 p.m. Eastern Standard/Daylight Time on the day following the date on which a communication is publicly distributed or otherwise publicly disseminated. Each time subsequent independent expenditures relating to the same election aggregate an additional \$1,000 or more, the political committee must ensure that the Commission receives a new 24-hour report of the subsequent inde-

pendent expenditures by 11:59 p.m. Eastern Standard/Daylight Time on the day following the date on which a communication that constitutes an independent expenditure is publicly distributed or otherwise publicly disseminated. (See paragraph (f) of this section for aggregation.) Each 24-hour report shall contain the information required by 11 CFR 104.3(b)(3)(vii) indicating whether the independent expenditure is made in support of, or in opposition to, the candidate involved. Political committees may file reports under this section by any of the means permissible under 11 CFR 100.19(d)(3).

(d) *Verification.* Political committees must verify reports of independent expenditures filed under paragraph (b) or (c) of this section by one of the methods stated in paragraph (d)(1) or (2) of this section. Any report verified under either of these methods shall be treated for all purposes (including penalties for perjury) in the same manner as a document verified by signature.

(1) For reports filed on paper (e.g., by hand-delivery, U.S. Mail or facsimile machine), the treasurer of the political committee that made the independent expenditure must certify, under penalty of perjury, the independence of the expenditure by handwritten signature immediately following the certification required by 11 CFR 104.3(b)(3)(vii).

(2) For reports filed by electronic mail, the treasurer of the political committee that made the independent expenditure shall certify, under penalty of perjury, the independence of the expenditure by electronic signature immediately following the certification required by 11 CFR 104.3(b)(3)(vii).

(e) *Where to file.* Reports of independent expenditures under this section and 11 CFR 109.10(b) shall be filed as follows:

(1) For independent expenditures in support of, or in opposition to, a candidate for President or Vice President: with the Commission and the Secretary of State for the State in which the expenditure is made.

of Representatives: With the Commission and the Secretary of State for the State in which the candidate is seeking election.

(3) Notwithstanding the requirements of paragraphs (e)(1) and (2) of this section, political committees and other persons shall not be required to file reports of independent expenditures with the Secretary of State if that State has obtained a waiver under 11 CFR 108.1(b).

(f) *Aggregating independent expenditures for reporting purposes.* (1) For purposes of determining whether 24-hour and 48-hour reports must be filed in accordance with paragraphs (b) and (c) of this section and 11 CFR 109.10(c) and (d), aggregations of independent expenditures must be calculated as of the first date on which a communication that constitutes an independent expenditure is publicly distributed or otherwise publicly disseminated, and as of the date that any such communication with respect to the same election is subsequently publicly distributed or otherwise publicly disseminated. Every person must include in the aggregate total all disbursements during the calendar year for independent expenditures, and all enforceable contracts, either oral or written, obligating funds for disbursements during the calendar year for independent expenditures, where those independent expenditures are made with respect to the same election for Federal office.

(2) For purposes of determining whether 24-hour or 48-hour reports must be filed in accordance with paragraphs (b) and (c) of this section and 11 CFR 109.10(c) and (d), if the independent expenditure is made in support of or opposition to a candidate in a presidential primary election and is publicly distributed or otherwise publicly disseminated in six or more states but does not refer to any particular state, the date of the election is the date of the next upcoming presidential primary election among the presidential primary elections to be held in the states in which the independent ex-

(ii) The report must be complete as of the last day of each calendar quarter.

(A) Each report shall be filed no later than the 20th day after the last day of each month.

(B) The report shall be complete as of the last day of each month.

(C) In lieu of the monthly reports due in November and December, a pre-election report shall be filed as prescribed at paragraph (a)(2)(i) of this section, a post-general election report shall be filed as prescribed at paragraph (a)(2)(ii) of this section, and a year-end report shall be filed no later than January 31 of the following calendar year.

A principal campaign committee of a Presidential candidate may elect to change the frequency of its reporting from monthly to quarterly or vice versa during a non-election year only after notifying the Commission in writing of its intention at the time it files a required report under its pre-existing filing frequency. The committee will then be required to file the next required report under its new filing frequency. The committee may change its filing frequency no more than once per calendar year.

(c) *Political committees that are not authorized committees of candidates.* Except as provided in paragraph (c)(4) of this section, each political committee that is not the authorized committee of a candidate must file either: Election year and non-election year reports in accordance with paragraphs (c)(1) and (2) of this section; or monthly reports in accordance with paragraph (c)(3) of this section. A political committee reporting under paragraph (c) of this section may elect to change the frequency of its reporting from monthly to quarterly and semi-annually or *vice versa*. A political committee reporting under this paragraph (c) may change the frequency of its reporting only after notifying the Commission in writing of its intention at the time it files a required report under its current filing frequency. (4) For purposes of this part and 11 CFR part 109, a communication that is mailed to its intended audience is publicly disseminated when it is relinquished to the U.S. Postal Service.

(h) *Special election reports.* (1) Within 5 days of the setting of a special election, the Commission shall set filing dates for reports to be filed by principal campaign committees of candidates seeking election, or nomination for election, in special elections and for political committees, other than authorized committees, which make contributions to or expenditures on behalf of a candidate or candidates in special elections. The Commission shall publish such reporting dates in the FEDERAL REGISTER and shall notify the principal campaign committees of all candidates in such election of the reporting dates. The Commission shall not require such committees to file more than one pre-election report for each election and one post-election report for the election which fills the vacancy.

### § 104.6 Form and content of internal communications reports (52 U.S.C. 30101(9)(B)(iii)).

(a) *Form.* Every membership organization or corporation which makes disbursements for communications pursuant to 11 CFR 100.134(a) and 114.3 shall report to the Commission on FEC Form 7 such costs which are directly attributable to any communication expressly advocating the election or defeat of a clearly identified candidate (other than a communication primarily devoted to subjects other than the election or defeat of a clearly identified candidate), if such costs exceed \$2,000 for any election.

(b) With regard to reporting the identification as defined at 11 CFR 100.12 of each person whose contribution(s) to the political committee and its affiliated political committees aggregate in excess of \$200 in a calendar year (or in an election cycle in the case of an authorized committee) (pursuant to 11 CFR 104.3(a)(4)), the treasurer and the political committee will only be deemed to have exercised best efforts to obtain, maintain and report the required information if:

(1)(i) All written solicitations for contributions include a clear request for the contributor's full name, mailing address, occupation and name of employer, and include an accurate statement of Federal law regarding the collection and reporting of individual contributor identifications.

and “To comply with Federal law, we must use best efforts to obtain, maintain, and submit the name, mailing address, occupation and name of employer of individuals whose contributions exceed \$200 per calendar year.”

(B) The following are examples of acceptable statements for authorized committees, but are not the only allowable statements: “Federal law requires us to use our best efforts to collect and report the name, mailing address, occupation and name of employer of individuals whose contributions exceed \$200 in an election cycle;” and “To comply with Federal law, we must use best efforts to obtain, maintain, and submit the name, mailing address, occupation and name of employer of individuals whose contributions exceed \$200 per election cycle.”

(ii) The request and statement shall appear in a clear and conspicuous manner on any response material included in a solicitation. The request and statement are not clear and conspicuous if they are in small type in comparison to the solicitation and response materials, or if the printing is difficult to read or if the placement is easily overlooked.

(2) For each contribution received aggregating in excess of \$200 per calendar year (or per election cycle, in the case of an authorized committee) which lacks required contributor information, such as the contributor's full name, mailing address, occupation or name of employer, the treasurer makes at least one effort after the receipt of the contribution to obtain the missing information. Such effort shall consist of either a written request sent to the contributor or an oral request to the contributor documented in writing. The written or oral request must be made no later than thirty (30) days after receipt of the contribution. The written or oral request shall not include material on any other subject or any additional solicitation, except that it may include language solely thanking the contributor for the contribution. The request must clearly ask for the missing information, and must include the statement set forth in paragraph (b)(1) of this section. Written requests must include this statement in a clear and conspicuous manner. If the

request is written, it shall be accompanied by a pre-addressed return post card or envelope for the response material;

(3) The treasurer reports all contributor information not provided by the contributor, but in the political committee's possession, or in its connected organization's possession, regarding contributor identifications, including information in contributor records, fundraising records and previously filed reports, in the same two-year election cycle in accordance with 11 CFR 104.3; and

(4)(i) If any of the contributor information is received after the contribution has been disclosed on a regularly scheduled report, the political committee shall either:

(A) File with its next regularly scheduled report, an amended memo Schedule A listing all contributions for which contributor identifications have been received during the reporting period covered by the next regularly scheduled report together with the dates and amounts of the contribution(s) and an indication of the previous report(s) to which the memo Schedule A relates; or

(B) File on or before its next regularly scheduled reporting date, amendments to the report(s) originally disclosing the contribution(s), which include the contributor identifications together with the dates and amounts of the contribution(s).

(ii) Amendments must be filed for all reports that cover the two-year election cycle in which the contribution was received and that disclose itemizable contributions from the same contributor. However, political committees are not required to file amendments to reports covering previous election cycles.

### § 104.18 Electronic filing of reports (52 U.S.C. 30102(d) and 30104(a)(11)).

(a) *Mandatory.* (1) Political committees and other persons required by the Act to file reports with the Commission, as provided in 11 CFR parts 101, 102, 104, 105, 107, and 109, must do so in an electronic format that meets the requirements of this section if—

(i) The political committee or other person has received contributions or has reason to expect to receive contributions aggregating in excess of \$50,000 in any calendar year; or

(ii) The political committee or other person has made expenditures or has reason to expect to make expenditures aggregating in excess of \$50,000 in any calendar year.

(2) Once any political committee or other person described in paragraph (a)(1) of this section exceeds or has reason to expect to exceed the appropriate threshold, the political committee or person must file electronically all subsequent reports covering financial activity for the remainder of the calendar year. All electronically filed reports must pass the Commission's validation program in accordance with paragraph (e) of this section. Reports filed on paper do not satisfy a political committee's or other person's filing obligations.

(3) *Have reason to expect to exceed.* (i) A political committee or other person shall have reason to expect to exceed the threshold stated in paragraph (a)(1) of this section for two calendar years following the calendar year in which the political committee or other person exceeds the threshold unless—

(A) The committee is an authorized committee, and has \$50,000 or less in net debts outstanding on January 1 of the year following the general election, and anticipates terminating prior to January 1 of the next election year; and

(B) The candidate has not qualified as a candidate for the next election and does not intend to become a candidate for federal office in the next election.

(ii) New political committees or other persons with no history of campaign finance activity shall have reason to expect to exceed the threshold stated in paragraph (a)(1) of this section within the calendar year if—

(A) It receives contributions or makes expenditures that exceed one quarter of the threshold amount in the first calendar quarter of the calendar year; or

(B) It receives contributions or makes expenditures that exceed one-half of the threshold amount in the first half of the calendar year.

(b) *Voluntary.* A political committee or other person who files reports with the Commission and who is not required to file electronically under paragraph (a) of this section, may choose to file its reports in an electronic format that meets the requirements of this section (internet forms included). If a political committee or other person chooses to file its reports electronically, all electronically filed reports must pass the Commission's validation program in accordance with paragraph (e) of this section. The committee or other person must continue to file in an electronic format all reports covering financial activity for that calendar year, unless the Commission determines that extraordinary and unforeseeable circumstances have made it impracticable for the political committee or other person to continue filing electronically.

(c) *Definition of report.* For purposes of this section, *report* means any statement, designation or report required by the Act to be filed with the Commission.

(d) *Format specifications.* Reports filed electronically shall conform to the technical specifications described in the Federal Election Commission's Electronic Filing Specifications Requirements. The data contained in the computerized magnetic media provided to the Commission shall be organized in the order specified by the Electronic Filing Specifications Requirements.

(e) *Acceptance of reports filed in electronic format; validation program.* (1) Each political committee or other person who submits an electronic report shall check the report against the Commission's validation program before it is submitted, to ensure that the files submitted meet the Commission's format specifications and can be read by the Commission's computer system. Each report submitted in an electronic format under this section shall also be checked upon receipt against the Commission's validation program. The Commission's validation program and the Electronic Filing Specification Requirement are available on request and at no charge.

(2) A report that does not pass the validation program will not be accepted by the Commission and will not be considered filed. If a political committee or other person submits a report that does not pass the validation program, the Commission will notify the political committee or other person that the report has not been accepted.

(f) *Amended reports.* If a political committee or other person files an amendment to a report that was filed electronically, the political committee or other person shall also submit the amendment in an electronic format. The political committee or other person shall submit a complete version of the report as amended, rather than just those portions of the report that are being amended. In addition, amendments must be filed in accordance with the Electronic Filing Specification Requirements.

(g) *Signature requirements.* The political committee's treasurer, or any

other person having the responsibility to file a designation, report or statement under this subchapter, shall verify the report in one of the following ways: by submitting a signed certification on paper that is submitted with the computerized media; or by submitting a digitized copy of the signed certification as a separate file in the electronic submission; or by submitting a signed certification on a Commission internet form. Each verification submitted under this section shall certify that the treasurer or other signatory has examined the report or statement and, to the best of the signatory's knowledge and belief, it is true, correct and complete. Any verification under this section shall be treated for all purposes (including penalties for perjury) in the same manner as a verification by signature on a report submitted in a paper format.

(h) *Schedules and forms with special requirements.* (1) The following are schedules and forms that require the filing of additional documents and that have special signature requirements:

(i) Schedules C-1 and C-P-1, Loans and Lines of Credit From Lending Institutions (see 11 CFR 104.3(d)); and

(ii) Form 8, Debt Settlement Plan (see 11 CFR 116.7(e)).

(2) If a person files a report electronically by submitting a diskette to the Commission and is required to file any of the schedules or forms listed in paragraph (h)(1) of this section, the person shall file a paper copy of the required schedule or form with the electronic submission, or a digitized version as a separate file in the electronic submission, by the close of business on the prescribed filing date.

(3) If a person files a report electronically by uploading the data to the Commission's electronic filing system and is required to file any schedules or forms listed in paragraph (h)(1) of this section, the person shall file a paper copy or a digitized version of the required schedule or form by the close of business on the prescribed filing date.

(i) *Preservation of reports.* For any report filed in electronic format under this section, the treasurer or other person required to file any report under

## Federal Election Commission

## § 104.20

the Act shall retain a machine-readable copy of the report as the copy preserved under 11 CFR 104.14(b)(2). In addition, the treasurer or other person required to file any report under the Act shall retain the original signed version of any documents submitted in a digitized format under paragraphs (g) and (h) of this section.

#### § 106.1 Allocation of expenses between candidates.

(a) *General rule.* (1) Expenditures, including in-kind contributions, independent expenditures, and coordinated expenditures made on behalf of more than one clearly identified Federal candidate shall be attributed to each such candidate according to the benefit reasonably expected to be derived.
