§ 9034.1 Candidate entitlements.

(a) A candidate who has been notified by the Commission under 11 CFR 9036.1 that he or she has successfully satisfied eligibility and certification requirements is entitled to receive payments under 26 U.S.C. 9037 and 11 CFR part 9037 in an amount equal to the amount of each matchable campaign contribution received by the candidate, except that a candidate who has become ineligible under 11 CFR 9033.5 may not receive further matching payments regardless of the date of deposit of the underlying contributions if he or she has no net outstanding campaign obligations as defined in 11 CFR 9034.5. See also 26 CFR parts 701 and 702 regarding payments by the Department of the Treasury.

(b) If on the date of ineligibility a candidate has net outstanding campaign obligations as defined under 11 CFR 9034.5, that candidate may continue to receive matching payments for matchable contributions received and deposited on or before December 31 of the Presidential election year provided that on the date of payment there are remaining net outstanding campaign obligations, *i.e.*, the sum of the contributions received on or after the date of ineligibility plus matching funds received on or after the date of ineligibility is less than the candidate's net outstanding campaign obligations. This entitlement will be equal to the lesser of:

(1) The amount of contributions submitted for matching; or

(2) The remaining net outstanding campaign obligations.

(c) A candidate whose eligibility has been reestablished under 11 CFR 9033.8 or who after suspension of payments has met the conditions set forth at 11 CFR 9033.9(d) is entitled to receive payments for matchable contributions for which payments were not received during the ineligibility or suspension period.

limitation applicable under 11 CFR part 9035.

[56 FR 34132, July 25, 1991 and 56 FR 35934, July 29, 1991]

§ 9034.2 Matchable contributions.

(a) Contributions meeting the following requirements will be considered matchable campaign contributions.

(1) The contribution shall be a gift of money made: By an individual; by a written instrument and for the purpose of influencing the result of a primary election.

(2) Only a maximum of \$250 of the aggregate amount contributed by an individual may be matched.

(3) Before a contribution may be submitted for matching, it must actually be received by the candidate or any of the candidate's authorized committees and deposited in a designated campaign depository maintained by the candidate's authorized committee.

(4) The written instrument used in making the contribution must be dated, physically received and deposited by the candidate or authorized committee on or after January 1 of the year immediately preceding the calendar year of the Presidential election, but no later than December 31 following the matching payment period as defined under 11 CFR 9032.6. Donations received by an individual who is testing the waters pursuant to 11 CFR 100.72(a) and 100.131(a) may be matched when the individual becomes a candidate if such donations meet the requirements of this section.

(b) For purposes of this section, the term *written instrument* means a check written on a personal, escrow or trust account representing or containing the contributor's personal funds; a money order; any similar negotiable instrument; or, for contributions by credit or debit card, a paper record, or an electronic record that can be reproduced on paper, of the transaction. For purposes of this section, the term *written instrument* also means, in the case of a contribution by a credit card or debit card, either a transaction slip or other writing signed by the cardholder, or in the case of such a contribution made over the Internet, an electronic record of the transaction created and transmitted by the cardholder, and includ-

ing the name of the cardholder, which can be maintained electronically and reproduced in a written form by the recipient candidate or candidate's committee.

(c) The written instrument shall be: Payable on demand; and to the order of, or specifically endorsed without qualification to, the Presidential candidate, or his or her authorized committee. The written instrument shall contain: The full name and signature of the contributor(s); the amount and date of the contribution; and the mailing address of the contributor(s). For purposes of this section, the term *signature* means, in the case of a contribution by a credit card or debit card, either an actual signature by the cardholder who is the donor on a transaction slip or other writing, or in the case of such a contribution made over the Internet, the full name of the cardholder who is the donor, entered and transmitted by the cardholder.

(1) In cases of a check drawn on a joint checking account, the contributor is considered to be the owner whose signature appears on the check.

(i) To be attributed equally to other joint tenants of the account, the check or other accompanying writing shall contain the signature(s) of the joint tenant(s). If a contribution on a joint account is to be attributed other than equally to the joint tenants, the check or other written documentation shall also indicate the amount to be attributed to each joint tenant.

(ii) In the case of a check for a contribution attributed to more than one person, where it is not apparent from the face of the check that each contributor is a joint tenant of the account, a written statement shall accompany the check stating that the contribution was made from each individual's personal funds in the amount so attributed and shall be signed by each contributor.

(iii) In the case of a contribution reattributed to a joint tenant of the account, the reattribution shall comply with the requirements of 11 CFR 110.1(k) and the records described in 11 CFR 110.1(l)(3), (5), and (6) shall accompany the reattributed contribution.

(2) Contributions in the form of checks drawn on an escrow or trust account are matchable contributions, provided that:

(i) The contributor has equitable ownership of the account; and

(ii) The check is accompanied by a statement, signed by each contributor to whom all or a portion of the contribution is being attributed, together with the check number, amount and date of contribution. This statement shall specify that the contributor has equitable ownership of the account and the account represents the personal funds of the contributor.

(3) Contributions in the form of checks written on partnership accounts or accounts of unincorporated associations or businesses are matchable contributions, so long as:

(i) The check is accompanied by a statement, signed by each contributor to whom all or a portion of the contribution is being attributed, together with the check number, amount and date of contribution. This statement shall specify that the contribution is made with the contributor's personal funds and that the account on which the contribution is drawn is not maintained or controlled by an incorporated entity; and

(ii) The aggregate amount of the contributions drawn on a partnership or unincorporated association or business does not exceed \$1,000 to any one Presidential candidate seeking nomination.

(4) Contributions in the form of money orders, cashier's checks, or other similar negotiable instruments are matchable contributions, provided that:

(i) At the time it is initially submitted for matching, such instrument is signed by each contributor and is accompanied by a statement which specifies that the contribution was made in the form of a money order, cashier's check, traveler's check, or other similar negotiable instrument, with the contributor's personal funds;

(ii) Such statement identifies the date and amount of the contribution made by money order, cashier's check, traveler's check, or other similar negotiable instrument, the check or serial number, and the name of the issuer of the negotiable instrument; and

(iii) Such statement is signed by each contributor.

(5) Contributions in the form of the purchase price paid for the admission to any activity that primarily confers private benefits in the form of entertainment to the contributor (*i.e.*, concerts, motion pictures) are matchable. The promotional material and tickets for the event shall clearly indicate that the ticket purchase price represents a contribution to the Presidential candidate.

(6) Contributions in the form of a purchase price paid for admission to an activity that is essentially political are matchable. An "essentially political" activity is one the principal purpose of which is political speech or discussion, such as the traditional political dinner or reception.

(7) Contributions received from a joint fundraising activity conducted in accordance with 11 CFR 9034.8 are matchable, provided that such contributions are accompanied by a copy of the joint fundraising agreement when they are submitted for matching.

(8) Contributions by credit or debit card are matchable contributions, provided that:

(i) The requirements of paragraph (b) of this section concerning a written instrument and of paragraph (c) of this section concerning a signature are satisfied. Contributions by credit card or debit card where the cardholder's name and card number are given to the recipient candidate or candidate's committee only orally are not matchable.

(ii) Evidence is submitted by the committee that the contributor has affirmed that the contribution is from personal funds and not from funds otherwise prohibited by law.

(iii) To be attributed to more than one person, a signed written statement must accompany the credit or debit card contribution indicating that the contribution was made from each individual's personal funds in the amount so attributed.

§ 9034.3

§ 9034.3 Non-matchable contributions.

A contribution to a candidate other than one which meets the requirements of 11 CFR 9034.2 is not matchable. Contributions which are not matchable include, for example:

(a) In-kind contributions of real or personal property;

(b) A subscription, loan, advance, or deposit of money, or anything of value;

(c) A contract, promise, or agreement, whether or not legally enforceable, such as a pledge card to make a contribution for any such purposes (but a gift of money by written instrument is not rendered unmatchable solely because the contribution was preceded by a promise or pledge);

(d) Funds from a corporation, labor organization, government contractor, political committee as defined in 11 CFR 100.5 or any group of persons other than those under 11 CFR 9034.2(c)(3);

(e) Contributions which are made or accepted in violation of 52 U.S.C. 30116, 30118, 30119, 30121, 30122, or 30123;

(f) Contributions in the form of a check drawn on the account of a committee, corporation, union or government contractor even though the funds represent personal funds earmarked by a contributing individual to a Presidential candidate;

(g) Contributions in the form of the purchase price paid for an item with significant intrinsic and enduring value, such as a watch;

(h) Contributions in the form of the purchase price paid for or other otherwise induced by a chance to participate in a raffle, lottery, or a similar drawing for valuable prizes;

(i) Contributions which are made by persons without the necessary donative intent to make a gift or made for any purpose other than to influence the result of a primary election;

(j) Contributions of currency of the United States or currency of any foreign country; and

(k) Contributions redesignated for a different election or redesignated for a legal and accounting compliance fund pursuant to 11 CFR 9003.3.

11 CFR Ch. I (1–1–26 Edition)

§ 9034.4 Use of contributions and matching payments; examples of qualified campaign expenses and non-qualified campaign expenses.

(a) *Qualified campaign expenses*—(1) *General*. Except as provided in paragraph (b)(3) of this section, all contributions received by an individual from the date he or she becomes a candidate and all matching payments received by the candidate shall be used only to defray qualified campaign expenses or to repay loans or otherwise restore funds (other than contributions which were received and expended to defray qualified campaign expenses), which were used to defray qualified campaign expenses.

(2) *Testing the waters*. Even though incurred prior to the date an individual becomes a candidate, payments made in accordance with the 11 CFR 100.131(a) for the purpose of determining whether an individual should become a candidate shall be considered qualified campaign expenses if the individual subsequently becomes a candidate and shall count against that candidate's limits under 52 U.S.C. 30116(b).

(3) *Winding down costs and continuing to campaign*. (i) Winding down costs subject to the restrictions in 11 CFR 9034.11 shall be considered qualified campaign expenses.

(ii) If the candidate continues to campaign after becoming ineligible due to the operation of 11 CFR 9033.5(b), the candidate may only receive matching funds based on net outstanding campaign obligations as of the candidate's date of ineligibility. The statement of net outstanding campaign obligations shall only include costs incurred before the candidate's date of ineligibility for goods and services to be received before the date of ineligibility and for which written arrangement or commitment was made on or before the candidate's date of ineligibility, and shall not include winding down costs until the date on which the candidate qualifies to receive winding down costs under 11 CFR 9034.11. Each contribution that is dated after the candidate's date of ineligibility may be used to continue to campaign, and may be submitted for matching fund payments. Payments from the matching payment account

that are received after the candidate's date of ineligibility may be used to defray the candidate's net outstanding campaign obligations, but shall not be used to defray any costs associated with continuing to campaign unless the candidate reestablishes eligibility under 11 CFR 9033.8.

(4) *Taxes.* Federal income taxes paid by the committee on non-exempt function income, such as interest, dividends and sale of property, shall be considered qualified campaign expenses. These expenses shall not, however, count against the state or overall expenditure limits of 11 CFR 9035.1(a).

(5) *Monetary bonuses paid after the date of ineligibility and gifts.* Monetary bonuses paid after the date of ineligibility and gifts shall be considered qualified campaign expenses, provided that:

(i) All monetary bonuses paid after the date of ineligibility for committee employees and consultants in recognition of campaign-related activities or services:

(A) Are provided for pursuant to a written contract made prior to the date of ineligibility; and

(B) Are paid no later than thirty days after the date of ineligibility; and

(ii) Gifts for committee employees, consultants and volunteers in recognition of campaign-related activities or services do not exceed \$150 total per individual and the total of all gifts does not exceed \$20,000.

(6) *Expenses incurred by ineligible candidates attending national nominating conventions.* Expenses incurred by an ineligible candidate to attend, participate in, or conduct activities at a national nominating convention may be treated as qualified campaign expenses, but such convention-related expenses shall not exceed a total of \$50,000.

(b) *Non-qualified campaign expenses—*

(1) *General.* The following are examples of disbursements that are not qualified campaign expenses.

(2) *Excessive expenditures.* An expenditure which is in excess of any of the limitations under 11 CFR part 9035 shall not be considered a qualified campaign expense. The Commission will calculate the amount of expenditures attributable to the limitations in accordance with 11 CFR 9035.1(a)(2).

(3) *General election and post-ineligibility expenditures.* Except for winding down costs pursuant to paragraph (a)(3) of this section and certain convention expenses described in paragraph (a)(6) of this section, any expenses incurred after a candidate's date of ineligibility, as determined under 11 CFR 9033.5, are not qualified campaign expenses. In addition, any expenses incurred before the candidate's date of ineligibility for goods and services to be received after the candidate's date of ineligibility, or for property, services, or facilities used to benefit the candidate's general election campaign, are not qualified campaign expenses.

(4) *Civil or criminal penalties.* Civil or criminal penalties paid pursuant to the Federal Election Campaign Act are not qualified campaign expenses and cannot be defrayed from contributions or matching payments. Any amounts received or expended to pay such penalties shall not be considered contributions or expenditures but all amounts so received shall be subject to the prohibitions of the Act. Amounts received and expended under this section shall be reported in accordance with 11 CFR part 104.

(5) *Payments to candidate.* Payments made to the candidate by his or her committee, other than to reimburse funds advanced by the candidate for qualified campaign expenses, are not qualified campaign expenses.

(6) *Payments to other authorized committees.* Payments, including transfers and loans, to other committees authorized by the same candidate for a different election are not qualified campaign expenses.

(7) *Allocable expenses.* Payments for expenses subject to state allocation under 11 CFR 106.2 are not qualified campaign expenses if the records retained are not sufficient to permit allocation to any state, such as the failure to keep records of the date on which the expense is incurred.

(8) *Lost, misplaced, or stolen items.* The cost of lost, misplaced, or stolen items may be considered a nonqualified campaign expense. Factors considered by the Commission in making this determination shall include, but not be limited to, whether the committee demonstrates that it made conscientious

efforts to safeguard the missing equipment; whether the committee sought or obtained insurance on the items; whether the committee filed a police report; the type of equipment involved; and the number and value of items that were lost.

(c) [Reserved]

(d) *Transfers to other campaigns*—(1) *Other Federal offices.* If a candidate has received matching funds and is simultaneously seeking nomination or election to another Federal office, no transfer of funds between his or her principal campaign committees or authorized committees may be made. See 52 U.S.C. 30116(a)(5)(C) and 11 CFR 110.3(c)(5) and 110.8(d). A candidate will be considered to be simultaneously seeking nomination or election to another Federal office if he or she is seeking nomination or election to such Federal office under 11 CFR 110.3(c)(5).

(2) *General election.* If a candidate has received matching funds, all transfers from the candidate's primary election account to a legal and accounting compliance fund established for the general election must be made in accordance with 11 CFR 9003.3(a)(1).

(e) *Attribution of expenditures between the primary and the general election spending limits.* The following rules apply to candidates who receive public funding in either the primary or the general election, or both.

(1) *General rule.* Any expenditure for goods or services that are used for the primary election campaign, other than those listed in paragraphs (e)(2) through (e)(7) of this section, shall be attributed to the limits set forth at 11 CFR 9035.1. Any expenditure for goods or services that are used for the general election campaign, other than those listed in paragraphs (e)(2) through (e)(7) of this section, shall be attributed to the limits set forth at 11 CFR 110.8(a)(2), as adjusted under 11 CFR 110.17(a).

(2) *Polling expenses.* Polling expenses shall be attributed according to when the results of the poll are received. If the results are received on or before the date of the candidate's nomination, the expenses shall be considered primary election expenses. If results are received from a single poll both before and after the date of the candidate's

nomination, the costs shall be allocated between the primary and the general election limits based on the percentage of results received during each period.

(3) *State or national campaign offices.* Prior to the date of the last primary election in a Presidential election year, overhead and salary costs incurred in connection with state or national campaign offices shall be attributed to the primary election. With regard to overhead and salary costs incurred on or after June 1 of the Presidential election year, but before or on the date of nomination, the committee may attribute to the general election an amount not to exceed 15% of the limitation on primary-election expenditures set forth at 11 CFR 110.8(a)(1). Overhead and payroll costs associated with winding down the campaign and compliance activities shall be governed by paragraph (a)(3) of this section.

(4) *Campaign materials.* Expenditures for campaign materials, including bumper stickers, campaign brochures, buttons, pens and similar items, that are purchased by the primary election campaign committee and later transferred to and used by the general election committee shall be attributed to the general election limits. Materials transferred to but not used by the general election committee shall be attributed to the primary election limits.

(5) *Media production costs.* For media communications that are broadcast or published both before and after the date of the candidate's nomination, 50% of the media production costs shall be attributed to the primary election limits, and 50% to the general election limits. Distribution costs, including such costs as air time and advertising space in newspapers, shall be paid for 100% by the primary or general election campaign depending on when the communication is broadcast or distributed.

(6) *Campaign communications.* (i) *Solicitations and fundraising costs.* The costs of fundraising, including that of events and solicitation costs, shall be attributed to the primary election or to the GELAC, depending on the purposes of the fundraising. If a candidate raises funds for both the primary election and for the GELAC in a single

Federal Election Commission

§ 9034.5

communication or through a single fundraising event, the allocation of fundraising costs and the distribution of net proceeds will be made in the same manner as described in 11 CFR 9034.8(c)(8)(i) and (ii).

(ii) *Other communications.* Except as provided in paragraph (e)(5) of this section, the costs of a campaign communication that does not include a solicitation shall be attributed to the primary or general election limits based on the date on which the communication is broadcast, published or mailed. The cost of a communication that is broadcast, published or mailed before the date of the candidate's nomination shall be attributed to the primary election limits.

(7) *Travel costs.* Expenditures for campaign-related transportation, food, and lodging by any individual, including a candidate, shall be attributed according to when the travel occurs. If the travel occurs on or before the date of the candidate's nomination, the cost is a primary election expense. Travel to and from the convention shall be attributed to the primary election. Travel by a person who is working exclusively on general election campaign preparations shall be considered a general election expense even if the travel occurs before the candidate's nomination.

[56 FR 35934, July 29, 1991, as amended at 60 FR 31881, June 16, 1995; 60 FR 57537, 57538, Nov. 16, 1995; 64 FR 49364, Sept. 13, 1999; 64 FR 61781, Nov. 15, 1999; 67 FR 78683, Dec. 26, 2002; 68 FR 47418, Aug. 8, 2003; 79 FR 77851, Dec. 29, 2014]

§ 9034.5 Net outstanding campaign obligations.

(a) Within 15 calendar days after the candidate's date of ineligibility, as determined under 11 CFR 9033.5, the candidate shall submit a statement of net outstanding campaign obligations. The candidate's net outstanding campaign obligations under this section equal the difference between paragraphs (a) (1) and (2) of this section:

(1) The total of all outstanding obligations for qualified campaign expenses as of the candidate's date of ineligibility as determined under 11 CFR 9033.5, plus estimated necessary wind-

ing down costs as defined under 11 CFR 9034.4(a)(3), less

(2) The total of:

(i) Cash on hand as of the close of business on the last day of eligibility (including all contributions dated on or before that date whether or not submitted for matching; currency; balances on deposit in banks; savings and loan institutions; and other depository institutions; traveler's checks; certificates of deposit; treasury bills; and any other committee investments valued at fair market value);

(ii) The fair market value of capital assets and other assets on hand; and

(iii) Amounts owed to the committee in the form of credits, refunds of deposits, returns, receivables, or rebates of qualified campaign expenses; or a commercially reasonable amount based on the collectibility of those credits, returns, receivables or rebates.

(b) *Liabilities.* (1) The amount submitted as the total of outstanding campaign obligations under paragraph (a)(1) of this section shall not include any accounts payable for non-qualified campaign expenses nor any amounts determined or anticipated to be required as repayment under 11 CFR part 9038 or any amounts paid to secure a surety bond under 11 CFR 9038.5.

(2) The amount submitted as estimated necessary winding down costs under paragraph (a)(1) of this section shall be broken down by expense category and quarterly or monthly time period. This breakdown shall include estimated costs for office space rental, staff salaries, legal expenses, accounting expenses, office supplies, equipment rental, telephone expenses, postage and other mailing costs, printing and storage. The breakdown shall estimate the costs that will be incurred in each category from the time the statement is submitted until the expected termination of the committee's political activity.

(c)(1) *Capital assets.* For purposes of this section, the term *capital assets* means any property used in the operation of the campaign whose purchase price exceeded \$2000 when received by the committee. Property that must be valued as capital assets under this section includes, but is not limited to, office equipment, furniture, vehicles and

fixtures acquired for use in the operation of the candidate's campaign, but does not include property defined as "other assets" under paragraph (c)(2) of this section. Capital assets include items such as computer systems and telecommunications systems, if the equipment is used together and if the total cost of all components that are used together exceeds \$2000. A list of all capital assets shall be maintained by the committee in accordance with 11 CFR 9033.11(d). The fair market value of capital assets shall be considered to be 60% of the total original cost of such items when acquired, except that items received after the date of ineligibility must be valued at their fair market value on the date received. A candidate may claim a lower fair market value for a capital asset by listing that capital asset on the statement separately and demonstrating, through records, the lower fair market value. If the candidate receives public funding for the general election, a lower fair market value shall not be claimed under this section for any capital assets transferred or sold to the candidate's general election committee.

(2) *Other assets.* The term *other assets* means any property acquired by the committee for use in raising funds or as collateral for campaign loans. "Other assets" must be included on the candidate's statement of net outstanding campaign obligations if the aggregate value of such assets exceeds \$5000. The value of "other assets" shall be determined by the fair market value of each item on the candidate's date of ineligibility or on the date the item is acquired if acquired after the date of ineligibility. A list of other assets shall be maintained by the committee in accordance with 11 CFR 9033.11(d)(2).

(d) *Collectibility of accounts receivable.* If the committee determines that an account receivable of \$500 or more, including any credit, refund, return or rebate, is not collectible in whole or in part, the committee shall demonstrate through records that the determination was commercially reasonable. The records shall include records showing the original amount of the account receivable, copies of correspondence and memoranda of communications with the debtor showing attempts to collect

the amount due, and an explanation of how the lesser amount or full writeoff was determined.

(e) Contributions received from joint fundraising activities conducted under 11 CFR 9034.8 may be used to pay a candidate's outstanding campaign obligations.

(1) Such contributions shall be deemed monies available to pay outstanding campaign obligations as of the date these funds are received by the fundraising representative committee and shall be included in the candidate's statement of net outstanding campaign obligations.

(2) The amount of money deemed available to pay a candidate's net outstanding campaign obligations will equal either—

(i) An amount calculated on the basis of the predetermined allocation formula, as adjusted for 52 U.S.C. 30116 limitations; or

(ii) If a candidate receives an amount greater than that calculated under 11 CFR 9034.5(e)(2)(i), the amount actually received.

(f)(1) With each submission for matching fund payments filed after the candidate's date of ineligibility, the candidate shall certify that, as of the close of business on the last business day preceding the date of submission for matching funds, his or her remaining net outstanding campaign obligations equal or exceed the amount submitted for matching.

(2) A candidate who makes a submission for matching fund payments after his or her date of ineligibility shall also submit a revised statement of net outstanding campaign obligations. This revised statement shall be due before the next regularly scheduled payment date, on a date to be determined and published by the Commission. This statement shall reflect the financial status of the campaign as of the close of business three business days before the due date of the statement. The revised statement shall also contain a brief explanation of each change in the committee's assets and obligations from the previous statement.

(3) After a candidate's date of ineligibility, if the candidate does not receive the entire amount of matching funds on a regularly scheduled payment date

due to a shortfall in the matching payment account, the candidate shall also submit a revised statement of net outstanding campaign obligations. The revised statement shall be filed on a date to be determined and published by the commission, which will be before the next regularly scheduled payment date.

(g)(1) If the Commission receives information indicating that substantial assets of the candidate's authorized committee(s) have been undervalued or not included in the statement or that the amount of outstanding campaign obligations has been otherwise overstated in relation to committee assets, the Commission may decide to temporarily suspend further matching payments pending a final determination whether the candidate is entitled to receive all or a portion of the matching funds requested.

(2) In making a determination under 11 CFR 9034.5(g)(1), the Commission will follow the procedures for initial and final determinations under 11 CFR 9033.10 (b) and (c). The Commission will notify the candidate of its initial determination within 15 business days after receipt of the candidate's statement of net outstanding campaign obligations. Within 15 business days after service of the Commission's notice, the candidate may submit written legal or factual materials to demonstrate that he or she has net outstanding campaign obligations that entitle the campaign to further matching payments.

(3) If the candidate demonstrates that the amount of outstanding campaign obligations still exceeds committee assets, he or she may continue to receive matching payments.

(4) Following a final determination under this section, the candidate may file a petition for rehearing in accordance with 11 CFR 9038.5(a).

§ 9034.6 Expenditures for transportation and services made available to media personnel; reimbursements.

(a) *General.* (1) Expenditures by an authorized committee for transpor-

tation, ground services or facilities (including air travel, ground transportation, housing, meals, telephone and internet service, and computers or other electronic devices) provided to media personnel, Secret Service personnel or national security staff will be considered qualified campaign expenses, and, except for costs relating to Secret Service personnel or national security staff, will be subject to the overall expenditure limitations of 11 CFR 9035.1(a).

(2) Subject to the limitations in paragraphs (b) and (c) of this section, committees may seek reimbursement from the media for the expenses described in paragraph (a)(3) of this section, and may deduct reimbursements received from media representatives from the amount of expenditures subject to the overall expenditure limitation of 11 CFR 9035.1(a). Expenses for which the committee receives no reimbursement will be considered qualified campaign expenses, and, with the exception of those expenses relating to Secret Service personnel and national security staff, will be subject to the overall expenditure limitation.

(3) Committees may seek reimbursement from the media only for the billable items specified in the White House Press Corps Travel Policies and Procedures issued by the White House Travel Office.

(b) *Reimbursement limits; billing.* (1) The amount of reimbursement sought from a media representative under paragraph (a)(2) of this section shall not exceed 110% of the media representative's pro rata share (or a reasonable estimate of the media representative's pro rata share) of the actual cost of the transportation and services made available. Any reimbursement received in excess of this amount shall be disposed of in accordance with paragraph (d)(1) of this section.

(2) For the purposes of this section, a media representative's pro rata share shall be calculated by dividing the total actual cost of the transportation and services provided by the total number of individuals to whom such transportation and services are made available. For purposes of this calculation, the total number of individuals shall

include committee staff, media personnel, Secret Service personnel, national security staff and any other individuals to whom such transportation and services are made available, except that, when seeking reimbursement for transportation costs paid by the committee under 11 CFR 100.93 and 9034.7(b)(5)(i), the total number of individuals shall not include national security staff.

(3) No later than sixty (60) days of the campaign trip or event, the committee shall provide each media representative attending the event with an itemized bill that specifies the amounts charged for air and ground transportation for each segment of the trip, housing, meals, telephone and internet service, and other billable items specified in the White House Press Corps Travel Policies and Procedures issued by the White House Travel Office. Payments shall be due sixty (60) days from the date of the bill, unless the media representative disputes the charges.

(c) *Deduction of reimbursements from expenditures subject to the overall expenditure limitation.* (1) The Committee may deduct from the amount of expenditures subject to the overall expenditure limitation:

(i) The amount of reimbursements received from media representatives in payment for the transportation and services described in paragraph (a) of this section, up to the actual cost of the transportation and services provided to media representatives; and

(ii) An additional amount of the reimbursements received from media representatives, representing the administrative costs incurred by the committee in providing these services to the media representatives and seeking reimbursement for them, equal to:

(A) Three percent of the actual cost of transportation and services provided to the media representatives under this section; or

(B) An amount in excess of 3% representing the administrative costs actually incurred by the committee in providing services to the media representatives, provided that the committee is able to document the total amount of administrative costs actually incurred.

(2) For the purposes of this paragraph, “administrative costs” includes all costs incurred by the committee in making travel arrangements and seeking reimbursement, whether these services are performed by committee staff or by independent contractors.

(d) *Disposal of excess reimbursements.* If the committee receives reimbursements in excess of the amount deductible under paragraph (c) of this section, it shall dispose of the excess amount in the following manner:

(1) Any reimbursement received in excess of 110% of the actual pro rata cost of the transportation and services made available to a media representative shall be returned to the media representative.

(2) Any amount in excess of the amount deductible under paragraph (c) of this section that is not required to be returned to the media representative under paragraph (d)(1) of this section shall be paid to the Treasury.

(e) *Reporting.* The total amount paid by an authorized committee for the services and facilities described in paragraph (a)(1) of this section, plus the administrative costs incurred by the committee in providing these services and facilities and seeking reimbursement for them, shall be reported as an expenditure in accordance with 11 CFR 104.3(b)(2)(i). Any reimbursement received by such committee under paragraph (b)(1) of this section shall be reported in accordance with 11 CFR 104.3(a)(3)(ix).

§ 9034.7 Allocation of travel expenditures.

(a) Notwithstanding the provisions of 11 CFR 106.3, expenditures for travel relating to the campaign of a candidate seeking nomination for election to the office of President by any individual, including a candidate, shall, pursuant to the provisions of paragraph (b) of this section, be qualified campaign expenses and be reported by the candidate’s authorized committee(s) as expenditures.

(b)(1) For a trip which is entirely campaign-related, the total cost of the

trip shall be a qualified campaign expense and a reportable expenditure.

(2) For a trip which includes campaign-related and non-campaign related stops, that portion of the cost of the trip allocable to campaign activity shall be a qualified campaign expense and a reportable expenditure. Such portion shall be determined by calculating what the trip would have cost from the point of origin of the trip to the first campaign-related stop and from that stop through each subsequent campaign-related stop, back to the point of origin. If any campaign activity, other than incidental contacts, is conducted at a stop, that stop shall be considered campaign-related. Campaign activity includes soliciting, making, or accepting contributions, and expressly advocating the election or defeat of the candidate. Other factors, including the setting, timing and statements or expressions of the purpose of an event and the substance of the remarks or speech made, will also be considered in determining whether a stop is campaign-related.

(3) For each trip, an itinerary shall be prepared and such itinerary shall be made available by the committee for Commission inspection. The itinerary shall show the time of arrival and departure and the type of event held.

(4) For trips by government conveyance or by charter, a list of all passengers on such trip, along with a designation of which passengers are and which are not campaign-related, shall be made available for Commission inspection. When required to be created, a copy of the government's or the charter company's official manifest shall also be maintained and made available by the committee.

(5)(i) If any individual, including a candidate, uses a government aircraft for campaign-related travel, the candidate's authorized committee shall pay the appropriate government entity an amount not less than the applicable rate set forth in 11 CFR 100.93(e).

(ii) [Reserved]

(iii) If any individual, including a candidate, uses a government conveyance, other than an aircraft, for campaign-related travel, the candidate's authorized committee shall pay the appropriate government entity an

amount equal to the amount required under 11 CFR 100.93(d).

(iv) If any individual, including a candidate, uses accommodations, including lodging and meeting rooms, during campaign-related travel, and the accommodations are paid for by a government entity, the candidate's authorized committee shall pay the appropriate government entity an amount equal to the usual and normal charge for the accommodations, and shall maintain records supporting the amount paid.

(v) For travel by aircraft, the committee shall maintain records as required by 11 CFR 100.93(j)(1) in addition to any other records required in this section. For travel by other conveyances, the committee shall maintain records of the commercial rental rate as required by 11 CFR 100.93(j)(3) in addition to any other records required in this section.

(6) Travel expenses of a candidate's spouse and family when accompanying the candidate on campaign-related travel may be treated as qualified campaign expenses and reportable expenditures. If the spouse or family members conduct campaign-related activities, their travel expenses will be treated as qualified campaign expenses and reportable expenditures.

(7) If any individual, including a candidate, incurs expenses for campaign-related travel, other than by use of government conveyance or accommodations, an amount equal to that portion of the actual cost of the conveyance or accommodations which is allocable to all passengers, including the candidate, who are traveling for campaign purposes will be a qualified campaign expense and shall be reported by the committee as an expenditure.

(i) If the trip is by charter, the actual cost for each passenger shall be determined by dividing the total operating cost for the charter by the total number of passengers transported. The amount which is a qualified campaign expense and a reportable expenditure shall be calculated in accordance with the formula set forth at 11 CFR 9034.7(b)(2) on the basis of the actual cost per passenger multiplied by the number of passengers traveling for campaign purposes.

(ii) If the trips is by non-charter commercial transportation, the actual cost shall be calculated in accordance with the formula set forth at 11 CFR 9034.7(b)(2) on the basis of the commercial fare. Such actual cost shall be a qualified campaign expense and a reportable expenditure.

(8) Non-commercial travel on aircraft, and travel on other means of transportation not operated for commercial passenger service is governed by 11 CFR 100.93.

[60 FR 31884, June 16, 1995, as amended at 68 FR 69596, Dec. 15, 2003; 74 FR 63968, Dec. 7, 2009; 89 FR 221, Jan. 2, 2024]

§ 9034.8 Joint fundraising.

(a) *General.* Nothing in this section shall supersede 11 CFR part 300, which prohibits any person from soliciting, receiving, directing, transferring, or spending any non-Federal funds, or from transferring Federal funds for Federal election activities.

(1) *Permissible participants.* Presidential primary candidates who receive matching funds under this subchapter may engage in joint fundraising with other candidates, political committees or unregistered committees or organizations.

(2) *Use of funds.* Contributions received as a result of a candidate's participation in a joint fundraising activity under this section may be—

(i) Submitted for matching purposes in accordance with the requirements of 11 CFR 9034.2 and the Federal Election Commission's Guideline for Presentation in Good Order;

(ii) Used to pay a candidate's net outstanding campaign obligations as provided in 11 CFR 9034.5;

(iii) Used to defray qualified campaign expenses;

(iv) Used to defray exempt legal and accounting costs; or

(v) If in excess of a candidate's net outstanding campaign obligations or expenditure limit, used in any manner consistent with 11 CFR 113.2, including repayment of funds under 11 CFR part 9038.

(b) *Fundraising representatives—(1) Establishment or selection of fundraising representative.* The participants in a joint fundraising effort under this section shall either establish a separate

committee or select a participating committee, to act as fundraising representative for all participants. The fundraising representative shall be a reporting political committee and an authorized committee of each candidate. If the participants establish a separate committee to act as the fundraising representative, the separate committee shall not be a participant in any other joint fundraising effort, but the separate committee may conduct more than one joint fundraising effort for the participants.

(2) *Separate fundraising committee as fundraising representative.* A separate fundraising committee established by the participants to act as fundraising representative for all participants shall—

(i) Be established as a reporting political committee under 11 CFR 100.5;

(ii) Collect contributions;

(iii) Pay fundraising costs from gross proceeds and funds advanced by participants; and

(iv) Disburse net proceeds to each participant.

(3) *Participating committee as fundraising representative.* A participant selected to act as fundraising representative for all participants shall—

(i) Be a political committee as defined in 11 CFR 100.5;

(ii) Collect contributions; however, other participants may also collect contributions and then forward them to the fundraising representative as required by 11 CFR 102.8;

(iii) Pay fundraising costs from gross proceeds and funds advanced by participants; and

(iv) Disburse net proceeds to each participant.

(4) *Independent fundraising agent.* The participants or the fundraising representative may hire a commercial fundraising firm or other agent to assist in conducting the joint fundraising activity. In that case, however, the fundraising representative shall still be responsible for ensuring that the recordkeeping and reporting requirements set forth in this subchapter are met.

(c) *Joint fundraising procedures.* Any joint fundraising activity under this section shall be conducted in accordance with the following requirements:

(1) *Written agreement.* The participants in a joint fundraising activity shall enter into a written agreement, whether or not all participants are political committees under 11 CFR 100.5. The written agreement shall identify the fundraising representative and shall state a formula for the allocation of fundraising proceeds. The formula shall be stated as the amount or percentage of each contribution received to be allocated to each participant. The fundraising representative shall retain the written agreement for a period of three years and shall make it available to the Commission on request.

(2) *Funds advanced for fundraising costs.* (i) Except as provided in 11 CFR 9034.8(c)(2)(ii), the amount of funds advanced by each participant for fundraising costs shall be in proportion to the allocation formula agreed upon under 11 CFR 9034.8(c)(1).

(ii) A participant may advance more than its proportionate share of the fundraising costs; however, the amount advanced which is in excess of the participant's proportionate share shall not exceed the amount that participant could legally contribute to the remaining participants. See 11 CFR 102.12(c)(2), part 110, and 9034.4(b)(6).

(3) *Fundraising notice.* In addition to any notice required under 11 CFR 110.11, a joint fundraising notice shall be included with every solicitation for contributions.

(i) This notice shall include the following information:

(A) The names of all committees participating in the joint fundraising activity whether or not such committees are political committees under 11 CFR 100.5;

(B) The allocation formula to be used for distributing joint fundraising proceeds;

(C) A statement informing contributors that, notwithstanding the stated allocation formula, they may designate their contributions for a particular participant or participants; and

(D) A statement informing contributors that the allocation formula may change if a contributor makes a contribution which would exceed the amount that contributor may give to any participant.

(ii) If one or more participants engage in the joint fundraising activity solely to satisfy outstanding debts, the notice shall also contain a statement informing contributors that the allocation formula may change if a participant receives sufficient funds to pay its outstanding debts.

(4) *Separate depository account.* (i) The participants or the fundraising representative shall establish a separate depository account to be used solely for the receipt and disbursement of the joint fundraising proceeds. All contributions deposited into the separate depository account must be permissible under Title 52, United States Code. Each political committee shall amend its Statement of Organization to reflect the account as an additional depository.

(ii) The fundraising representative shall deposit all joint fundraising proceeds in the separate depository account within ten days of receipt as required by 11 CFR 103.3. The fundraising representative may delay distribution of the fundraising proceeds to the participants until all contributions are received and all expenses are paid.

(iii) For contribution reporting and limitation purposes, the date of receipt of a contribution by a participating political committee is the date that the contribution is received by the fundraising representative. The fundraising representative shall report contributions in the reporting period in which they are received. Participating political committees shall report joint fundraising proceeds in accordance with 11 CFR 9034.8(c)(9) when such funds are received from the fundraising representative.

(5) *Recordkeeping requirements.* (i) The fundraising representative and participating committees shall screen all contributions received to insure that the prohibitions and limitations of 11 CFR parts 110 and 114 are observed. Participating political committees shall make their contributor records available to the fundraising representative to enable the fundraising representative to carry out its duty to screen contributions.

(ii) The fundraising representative shall collect and retain contributor information with regard to gross proceeds as required under 11 CFR 102.8 and shall also forward such information to participating political committees.

(iii) The fundraising representative shall retain the records required under 11 CFR 9033.11 regarding fundraising disbursements for a period of three years. Commercial fundraising firms or agents shall forward such information to the fundraising representative.

(6) *Contribution limitations.* Except to the extent that the contributor has previously contributed to any of the participants, a contributor may make a contribution to the joint fundraising effort which contribution represents the total amount that the contributor could contribute to all of the participants under the applicable limits of 11 CFR 110.1 and 110.2.

(7) *Allocation of gross proceeds.* (i) The fundraising representative shall allocate proceeds according to the formula stated in the fundraising agreement. Each contribution received shall be allocated among the participants in accordance with the allocation formula, unless the circumstances described in paragraphs (c)(7) (ii), (iii) or (iv) of this section apply. Funds may not be distributed or reallocated so as to maximize the matchability of the contributions.

(ii) If distribution according to the allocation formula extinguishes the debts of one or more participants or if distribution under the formula results in a violation of the contribution limits of 11 CFR 110.1(b), the fundraising representative may reallocate the surplus funds. The fundraising representative shall not reallocate funds so as to allow candidates seeking to extinguish outstanding debts to rely on the receipt of matching funds to pay the remainder of their debts; rather, all funds to which a participant is entitled under the allocation formula shall be deemed funds available to pay the candidate's outstanding campaign obligations as provided in 11 CFR 9034.5(c).

(iii) Reallocation shall be based upon the remaining participant's proportionate shares under the allocation formula. If reallocation results in a viola-

tion of a contributor's limit under 11 CFR 110.1, the fundraising representative shall return to the contributor the amount of the contribution that exceeds the limit.

(iv) Earmarked contributions which exceed the contributor's limit to the designated participant under 11 CFR part 110 may not be reallocated by the fundraising representative without the prior written permission of the contributor. A written instrument made payable to one of the participants shall be considered an earmarked contribution unless a written statement by the contributor indicates that it is intended for inclusion in the general proceeds of the fundraising activity.

(8) *Allocation of expenses and distribution of net proceeds.* (i) If participating committees are not affiliated as defined in 11 CFR 110.3 prior to the joint fundraising activity and are not committees of the same political party:

(A) After gross contributions are allocated among the participants under 11 CFR 9034.8(c)(7), the fundraising representative shall calculate each participant's share of expenses based on the percentage of the total receipts each participant had been allocated. To calculate each participant's net proceeds, the fundraising representative shall subtract the participant's share of expenses from the amount that participant has been allocated from gross proceeds.

(B) A participant may only pay expenses on behalf of another participant subject to the contribution limits of 11 CFR part 110. See also 11 CFR 9034.4(b)(6).

(C) The expenses from a series of fundraising events or activities shall be allocated among the participants on a per-event basis regardless of whether the participants change or remain the same throughout the series.

(ii) If participating committees are affiliated as defined in 11 CFR 110.3 prior to the joint fundraising activity or if participants are party committees of the same political party, expenses need not be allocated among those participants. Payment of such expenses by an unregistered committee or organization on behalf of an affiliated political committee may cause the unregistered

organization to become a political committee.

(iii) Payment of expenses may be made from gross proceeds by the fundraising representative.

(9) *Reporting of receipts and disbursements*—(i) *Reporting receipts*. (A) The fundraising representative shall report all funds received in the reporting period in which they are received. Each Schedule A filed by the fundraising representative under this section shall clearly indicate that the contributions reported on that schedule represent joint fundraising proceeds.

(B) After distribution of net proceeds, each participating political committee shall report its share of net proceeds received as a transfer-in from the fundraising representative. Each participating political committee shall also file a memo Schedule A itemizing its share of gross receipts as contributions from original contributors to the extent required under 11 CFR 104.3(a).

(ii) *Reporting disbursements*. The fundraising representative shall report all disbursements in the reporting period in which they are made. Each participant shall report in a memo Schedule B his or her total allocated share of these disbursements in the same reporting period in which net proceeds are distributed and reported and include the amount on page 4 of Form 3-P, under “Expenditures Subject to Limit.”

§ 9034.9 Sale of assets acquired for fundraising purposes.

(a) *General*. A candidate may sell assets donated to the candidate’s authorized committee(s) or otherwise acquired for fundraising purposes (See 11 CFR 9034.5(c)(2)), subject to the limitations and prohibitions of Title 52, United States Code and 11 CFR parts 110 and 114.

(b) *Sale after end of matching payment period*. A candidate whose outstanding debts exceed his or her cash on hand after the end of the matching payment period as determined under 11 CFR 9032.6 may dispose of assets acquired for fundraising purposes in a sale to a wholesaler or other intermediary who

will in turn sell such assets to the public, provided that the sale to the wholesaler or intermediary is an arms-length transaction. Sales made under this subsection will not be subject to the limitations and prohibitions of Title 52, United States Code and 11 CFR parts 110 and 114.

[56 FR 34132, July 25, 1991 and 56 FR 35934, July 29, 1991, as amended at 79 FR 77851, Dec. 29, 2014]

§ 9034.10 Pre-candidacy payments by multicandidate political committees deemed in-kind contributions and qualified campaign expenses; effect of reimbursement.

(1) The expenditure is made on or after January 1 of the year immediately following the last Presidential election year;

(2) With respect to the goods or services involved, the candidate accepted or received them, requested or suggested their provision, was materially involved in the decision to provide them, or was involved in substantial discussions about their provision; and

(3) The goods or services are—

(i) Polling expenses for determining the favorability, name recognition, or relative support level of the candidate involved;

(ii) Compensation paid to employees, consultants, or vendors for services rendered in connection with establishing and staffing offices in States where Presidential primaries, caucuses, or preference polls are to be held, other than offices in the candidate’s home state and in or near the District of Columbia;

(iii) Administrative expenses, including rent, utilities, office supplies and equipment, in connection with establishing and staffing offices in States where Presidential primaries, caucuses, or preference polls are to be held, other than offices in the candidate’s home state and in or near the District of Columbia; or

§ 9034.11

(iv) Expenses of individuals seeking to become delegates in the Presidential nomination process.

(b) Notwithstanding paragraph (a) of this section, if the candidate, through an authorized committee, reimburses the multicandidate political committee within 30 days of becoming a candidate, the payment shall not be deemed an in-kind contribution for either entity, and the reimbursement shall be an expenditure and a qualified campaign expense of the candidate.

[68 FR 47419, Aug. 8, 2003]

§ 9034.11 Winding down costs.

(a) *Winding down costs.* Winding down costs are costs associated with the termination of political activity related to a candidate's seeking his or her nomination for election, such as the costs of complying with the post election requirements of the Federal Election Campaign Act and the Presidential Primary Matching Payment Account Act, and other necessary administrative costs associated with winding down the campaign, including office space rental, staff salaries, and office supplies. Winding down costs are qualified campaign expenses.

(b) *Winding down limitation.* The total amount of winding down costs that may be paid for, in whole or part, with matching funds shall not exceed the lesser of:

- (1) 10% of the overall expenditure limitation pursuant to 11 CFR 9035.1; or
- (2) 10% of the total of:

(i) The candidate's expenditures subject to the overall expenditure limitation as of the candidate's date of ineligibility; plus

(ii) The candidate's expenses exempt from the expenditure limitations as of the candidate's date of ineligibility; except that

(iii) The winding down limitation shall be no less than \$100,000.

(c) *Allocation of primary and general election winding down costs.* A candidate who runs in both the primary and general election may divide winding down expenses between his or her primary and general election committees using any reasonable allocation method. An allocation method is reasonable if it divides the total winding down costs between the primary and general election

11 CFR Ch. I (1–1–26 Edition)

committees and results in no less than one third of total winding down costs allocated to each committee. A candidate may demonstrate that an allocation method is reasonable even if either the primary or the general election committee is allocated less than one third of total winding down costs.

(d) *Primary winding down costs during the general election period.* A primary election candidate who does not run in the general election may receive and use matching funds for these purposes either after he or she has notified the Commission in writing of his or her withdrawal from the campaign for nomination or after the date of the party's nominating convention, if he or she has not withdrawn before the convention. A primary election candidate who runs in the general election, regardless of whether the candidate receives public funds for the general election, must wait until 31 days after the general election before using any matching funds for winding down costs related to the primary election. No expenses incurred by a primary election candidate who runs in the general election prior to 31 days after the general election shall be considered primary winding down costs.
