

Pt. 303

writing) supervisory guidance to provide examples of safe and sound conduct, appropriate consumer protection and risk management practices, and other actions for addressing compliance with laws or regulations.

- Supervisory criticisms should continue to be specific as to practices, operations, financial conditions, or other matters that could have a negative effect on the safety and soundness of the financial institution, could cause consumer harm, or could cause violations of laws, regulations, final agency orders, or other legally enforceable conditions.

- The FDIC also has at times sought, and may continue to seek, public comment on supervisory guidance. Seeking public comment on supervisory guidance does not mean that the guidance is intended to be a regulation or have the force and effect of law. The comment process helps the FDIC to improve its understanding of an issue, to gather information on institutions' risk management practices, or to seek ways to achieve a supervisory objective most effectively and with the least burden on institutions.

- The FDIC will aim to reduce the issuance of multiple supervisory guidance documents on the same topic and will generally limit such multiple issuances going forward.

The FDIC will continue efforts to make the role of supervisory guidance clear in communications to examiners and to supervised financial institutions and encourage supervised institutions with questions about this statement or any applicable supervisory guidance to discuss the questions with their appropriate agency contact.

§ 303.3 General filing procedures.

Unless stated otherwise, filings should be submitted to the appropriate FDIC office. Forms and instructions for submitting filings may be obtained from any FDIC regional director. If no form is prescribed, the filing should be in writing; be signed by the applicant or a duly authorized agent; and contain a concise statement of the action requested. When the last day is a Saturday, Sunday or federal holiday, the period runs until the end of the next business day.

- (b) The relocation of the bank's main office or a domestic branch;
- (c) The relocation of an insured branch of a foreign bank;

§ 303.6 Investigations and examinations.

The FDIC may examine or investigate and evaluate facts related to any filing under this chapter to the extent necessary to reach an informed decision and take any action necessary or appropriate under the circumstances.

§ 303.7 Public notice requirements.

(a) *General.* The public must be provided with prior notice of a filing to establish a domestic branch, relocate a domestic branch or the main office, relocate an insured branch of a foreign bank, engage in a merger transaction, initiate a change of control transaction, or request deposit insurance. The public has the right to comment on, or to protest, these types of proposed transactions during the relevant comment period. In order to fully apprise the public of this right, an applicant shall publish a public notice of its filing in a newspaper of general circulation. For specific publication requirements, consult subparts B (Deposit Insurance), C (Branches and Relocations), D (Merger Transactions), E (Change in Bank Control), and J (International Banking) of this part.

(b) *Confirmation of publication.* The applicant shall mail or otherwise deliver a copy of the newspaper notice to the appropriate FDIC office as part of its filing, or, if a copy is not available at the time of filing, promptly after publication.

(c) *Content of notice.* (1) The public notice referred to in paragraph (a) of this section shall consist of the following:

(i) In the case of an application for deposit insurance for a de novo depository institution, include the names of all organizers or incorporators. In the case of an application to establish a branch, include the location of the proposed branch or, in the case of an application to relocate a branch or main office, include the current and proposed address of the office. In the case of a merger application, include the names of all parties to the transaction. In the case of a notice of acquisition of control, include the name(s) of the acquiring parties. In the case of an application to relocate an insured branch of a foreign bank, include the current and proposed address of the branch.

(ii) Type of filing being made;

(iii) Name of the depository institution(s) that is the subject matter of the filing;

(iv) That the public may submit comments to the appropriate FDIC regional director;

(v) The address of the appropriate FDIC office where comments may be sent (the same location where the filing will be made);

(vi) The closing date of the public comment period as specified in the appropriate subpart of this part; and

(vii) That the nonconfidential portions of the application are on file in the appropriate FDIC office and are available for public inspection during regular business hours; photocopies of the nonconfidential portion of the application file will be made available upon request.

(2) The requirements of paragraphs (c)(1)(iv) through (vii) of this section may be satisfied through use of the following notice:

Any person wishing to comment on this application may file his or her comments in writing with the regional director of the Federal Deposit Insurance Corporation at the appropriate FDIC office [insert address of office] not later than [insert closing date of the public comment period specified in the appropriate subpart of part 303]. The nonconfidential portions of the application are on file at the appropriate FDIC office and are available for public inspection during regular business hours. Photocopies of the nonconfidential portion of the application file will be made available upon request.

(d) *Multiple transactions.* The FDIC may consider more than one transaction, or a series of transactions, to be a single filing for purposes of the publication requirements of this section. When publishing a single public notice for multiple transactions, the applicant shall explain in the public notice how the transactions are related. The closing date of the comment period shall be the closing date of the longest public comment period that applies to any of the related transactions.

(e) *Joint public notices.* For a transaction subject to public notice requirements by the FDIC and another federal or state banking authority, the FDIC will accept publication of a single joint notice containing all the information required by both the FDIC and the other federal agency or state banking authority, provided that the notice states that comments must be submitted to the appropriate FDIC office and, if applicable, the other federal or state banking authority.

§ 303.8

12 CFR Ch. III (1–1–24 Edition)

(f) Where public notice is required, the FDIC may determine on a case-by-case basis that unusual circumstances surrounding a particular filing warrant modification of the publication requirements.

[67 FR 79247, Dec. 27, 2002, as amended at 86 FR 8097, Feb. 3, 2021]

§ 303.8 Public access to filing.

(a) *General.* For filings subject to a public notice requirement, any person may inspect or request a copy of the non-confidential portions of a filing (the public file) until 180 days following final disposition of a filing. Following the 180-day period, non-confidential portions of an application file will be made available in accordance with § 303.8(c). The public file generally consists of portions of the filing, supporting data, supplementary information, and comments submitted by interested persons (if any) to the extent that the documents have not been afforded confidential treatment. To view or request photocopies of the public file, an oral or written request should be submitted to the appropriate FDIC office. The public file will be produced for review not more than one business day after receipt by the appropriate FDIC office of the request (either written or oral) to see the file. The FDIC may impose a fee for photocopying in accordance with § 309.5(f) of this chapter at the rates the FDIC publishes annually in the FEDERAL REGISTER.

(b) *Confidential treatment.* (1) The applicant may request that specific information be treated as confidential. The following information generally is considered confidential:

(i) Personal information, the release of which would constitute a clearly unwarranted invasion of privacy;

(ii) Commercial or financial information, the disclosure of which could result in substantial competitive harm to the submitter; and

(iii) Information, the disclosure of which could seriously affect the financial condition of any depository institution.

(2) If an applicant requests confidential treatment for information that the FDIC does not consider to be confidential, the FDIC may include that information in the public file after noti-

fying the applicant. On its own initiative, the FDIC may determine that certain information should be treated as confidential and withhold that information from the public file.

(c) *FOIA requests.* A written request for information withheld from the public file, or copies of the public file following closure of the file 180 days after final disposition, should be submitted pursuant to the Freedom of Information Act (5 U.S.C. 552) and part 309 of this chapter to the FDIC, Attn: FOIA/Privacy Group, Legal Division, 550 17th Street, NW., Washington, DC 20429.

§ 303.9 Comments.

(a) *Submission of comments.* For filings subject to a public notice requirement, any person may submit comments to the appropriate FDIC regional director during the comment period.

(b) *Comment period*—(1) *General.* Consult appropriate subparts of this part for the comment period applicable to a particular filing.

(2) *Extension.* The FDIC may extend or reopen the comment period if:

(i) The applicant fails to file all required information on a timely basis to permit review by the public or makes a request for confidential treatment not granted by the FDIC that delays the public availability of that information;

(ii) Any person requesting an extension of time satisfactorily demonstrates to the FDIC that additional time is necessary to develop factual information that the FDIC determines may materially affect the application; or

(iii) The FDIC determines that other good cause exists.

(3) *Solicitation of comments.* Whenever appropriate, the appropriate regional director may solicit comments from any person or institution which might have an interest in or be affected by the pending filing.

(4) *Applicant response.* The FDIC will provide copies of all comments received to the applicant and may give the applicant an opportunity to respond.

§ 303.10 Hearings and other meetings.

(a) *Matters covered.* This section covers hearings and other proceedings in

Federal Deposit Insurance Corporation

§ 303.10

connection with filings and determinations for or by:

(1) Deposit insurance by a proposed new depository institution or operating non-insured institution;

(2) An insured state nonmember bank to establish a domestic branch or to relocate a main office or domestic branch;

(3) Relocation of an insured branch of a foreign bank;

(4)(i) Merger transaction which requires the FDIC's prior approval under the Bank Merger Act (12 U.S.C. 1828(c));

(ii) Except as otherwise expressly provided, the provisions of this §303.10 shall not be applicable to any proposed merger transaction which the FDIC Board of Directors determines must be acted upon immediately to prevent the probable failure of one of the institutions involved, or must be handled with expeditious action due to an existing emergency condition, as permitted by the Bank Merger Act (12 U.S.C. 1828(c)(6));

(5) Nullification of a decision on a filing; and

(6) Any other purpose or matter which the FDIC Board of Directors in its sole discretion deems appropriate.

(b) *Hearing requests.* (1) Any person may submit a written request for a hearing on a filing:

(i) To the appropriate regional director before the end of the comment period; or

(ii) To the appropriate regional director, pursuant to a notice to nullify a decision on a filing issued pursuant to §303.11(g)(2)(i) or (ii).

(2) The request must describe the nature of the issues or facts to be presented and the reasons why written submissions would be insufficient to make an adequate presentation of those issues or facts to the FDIC. A person requesting a hearing shall simultaneously submit a copy of the request to the applicant.

(c) *Action on a hearing request.* The appropriate regional director, after consultation with the Legal Division, may grant or deny a request for a hearing and may limit the issues that he or she deems relevant or material. The FDIC generally grants a hearing request only if it determines that written submissions would be insufficient or

that a hearing otherwise would be in the public interest.

(d) *Denial of a hearing request.* If the appropriate regional director, after consultation with the Legal Division, denies a hearing request, he or she shall notify the person requesting the hearing of the reason for the denial. A decision to deny a hearing request shall be a final agency determination and is not appealable.

(e) *FDIC procedures prior to the hearing—(1) Notice of hearing.* The FDIC shall issue a notice of hearing if it grants a request for a hearing or orders a hearing because it is in the public interest. The notice of hearing shall state the subject and date of the filing, the time and place of the hearing, and the issues to be addressed. The FDIC shall send a copy of the notice of hearing to the applicant, to the person requesting the hearing, and to anyone else requesting a copy.

(2) The presiding officer shall be the regional director or designee or such other person as may be named by the Board or the Director. The presiding officer is responsible for conducting the hearing and determining all procedural questions not governed by this section.

(f) *Participation in the hearing.* Any person who wishes to appear (participant) shall notify the appropriate regional director of his or her intent to participate in the hearing no later than 10 days from the date that the FDIC issues the Notice of Hearing. (i) *Closing the hearing record.* At the applicant's or any participant's request, or at the FDIC's discretion, the FDIC may keep the hearing record open for up to 10 days following the FDIC's receipt of the transcript. The FDIC shall resume processing the filing after the record closes.

(l) *Informal proceedings.* The FDIC may arrange for an informal proceeding with an applicant and other interested parties in connection with a filing, either upon receipt of a written request for such a meeting made during the comment period, or upon the FDIC's own initiative. No later than 10 days prior to an informal proceeding, the appropriate regional director shall notify the applicant and each person who requested a hearing or oral presentation of the date, time, and place of the proceeding. The proceeding may assume any form, including a meeting with FDIC representatives at which participants will be asked to present their views orally. The regional direc-

§ 303.11 Decisions.

(a) *General procedures.* The FDIC may approve, conditionally approve, deny, or not object to a filing after appropriate review and consideration of the record. The FDIC will promptly notify the applicant and any person who makes a written request of the final disposition of a filing. If the FDIC denies a filing, the FDIC will immediately notify the applicant in writing of the reasons for the denial.

(b) *Authority retained by FDIC Board of Directors to modify procedures.* In acting on any filing under this part, the FDIC Board of Directors may by resolution adopt procedures which differ from those contained in this part when it deems it necessary or in the public interest to do so. The resolution shall be made available for public inspection and copying in the Office of the General Counsel, Executive Secretary Section under the Freedom of Information Act (5 U.S.C. 552(a)(2)).

(c) *Expedited processing.* (1) A filing submitted by an eligible depository institution as defined in § 303.2(r) will receive expedited processing as specified in the appropriate subparts of this part unless the FDIC determines to remove the filing from expedited processing for any of the reasons set forth in paragraph (c)(2) of this section. Except for filings made pursuant to subpart J (International Banking), expedited processing will not be available for any filing that the appropriate regional director does not have delegated authority to approve.

§ 303.11

(2) *Removal of filing from expedited processing.* The FDIC may remove a filing from expedited processing at any time prior to final disposition if:

(i) For filings subject to public notice under §303.7, an adverse comment is received that warrants additional investigation or review;

(ii) For filings subject to evaluation of CRA performance under §303.5, a CRA protest is received that warrants additional investigation or review, or the appropriate regional director determines that the filing presents a significant CRA or compliance concern;

(iii) For any filing, the appropriate regional director determines that the filing presents a significant supervisory concern, or raises a significant legal or policy issue; or

(iv) For any filing, the appropriate regional director determines that other good cause exists for removal.

(3) For purposes of this section, a significant CRA concern includes, but is not limited to, a determination by the appropriate regional director that, although a depository institution may have an institution-wide rating of satisfactory or better, a depository institution's CRA rating is less than satisfactory in a state or multi-state metropolitan statistical area, or a depository institution's CRA performance is less than satisfactory in a metropolitan statistical area as defined in 12 CFR 345.12 (MSA) or in the non-MSA portion of a state in which it seeks to expand through approval of an application for a deposit facility as defined in 12 U.S.C. 2902(3).

(4) If the FDIC determines that it is necessary to remove a filing from expedited processing pursuant to paragraph (c)(2) of this section, the FDIC promptly will provide the applicant with a written explanation

(d) *Multiple transactions.* If the FDIC is considering related transactions, some or all of which have been granted expedited processing, then the longest processing time for any of the related transactions shall govern for purposes of approval.

(e) *Abandonment of filing.* A filing must contain all information set forth in the applicable subpart of this part. To the extent necessary to evaluate a filing, the FDIC may require an appli-

cant to provide additional information. If information requested by the FDIC is not provided within the time period specified by the agency, the FDIC may deem the filing abandoned and shall provide written notification to the applicant and any interested parties that submitted comments to the FDIC that the file has been closed.

(f) *Appeals and requests for reconsideration*—(1) *General.* Appeal procedures for a denial of a change in bank control (subpart E), change in senior executive officer or board of directors (subpart F) or denial of an application pursuant to section 19 of the FDI Act (subpart L) are contained in 12 CFR part 308, subparts D, L, and M, respectively. For all other filings covered by this chapter for which appeal procedures are not provided by regulation or other written guidance, the procedures specified in paragraphs (f)(2) and (3) of this section shall apply. A decision to deny a request for a hearing is a final agency determination and is not appealable.

(2) *Filing procedures.* Within 15 days of receipt of notice from the FDIC that its filing has been denied, any applicant may file a request for reconsideration with the appropriate regional director.

(3) *Content of filing.* A request for reconsideration must contain the following information:

(4)–(5) [Reserved]

§ 303.12

12 CFR Ch. III (1–1–24 Edition)

(g) *Nullification, withdrawal, revocation, amendment, and suspension of decisions on filings*—(1) *Grounds for action.* Except as otherwise provided by law or regulation, the FDIC may nullify, withdraw, revoke, amend or suspend a decision on a filing if it becomes aware at anytime:

(i) Of any material misrepresentation or omission related to the filing or of any material change in circumstance that occurred prior to the consummation of the transaction or commencement of the activity authorized by the decision on the filing; or

(ii) That the decision on the filing is contrary to law or regulation or was granted due to clerical or administrative error.

(iii) Any person responsible for a material misrepresentation or omission in a filing or supporting materials may be subject to an enforcement action and other penalties, including criminal penalties provided in title 18 of the United States Code.

(2) *Notice of intent and temporary order.* (i) Except as provided in §303.11(g)(2)(ii), before taking action under this §303.11(g), the FDIC shall issue and serve on an applicant written notice of its intent to take such action. A notice of intent to act on a filing shall include:

(A) The reasons for the proposed action; and

(B) The date by which the applicant may file a written response with the FDIC.

(ii) The FDIC may issue a temporary order on a decision on a filing without providing an applicant a prior notice of intent if the FDIC determines that:

(A) It is necessary to reevaluate the impact of a change in circumstance prior to the consummation of the transaction or commencement of the activity authorized by the decision on the filing; or

(B) The activity authorized by the filing may pose a threat to the interests of the depository institution’s depositors or may threaten to impair public confidence in the depository institution.

(iii) A temporary order shall provide the applicant with an opportunity to make a written response in accordance with §303.11(g)(3) of this section.

(3) *Response to notice of intent or temporary order.* An applicant may file a written response to a notice of intent or a temporary order within 15 days from the date of service of the notice or temporary order. The written response should include:

(ii)(A) Any other relevant information, mitigation circumstance, documentation, or other evidence in support of the applicant’s position. An applicant may also request a hearing under §303.10.

(B) Failure by an applicant to file a written response with the FDIC to a notice of intent or a temporary order within the specified time period, shall constitute a waiver of the opportunity to respond and shall constitute consent to a final order under this paragraph (g). The FDIC shall consider any such response, if filed in a timely manner, within 30 days of receiving the response.

(4) *Effective date.* All orders issued pursuant to this section shall become effective immediately upon issuance unless otherwise stated therein.

(2) The exclusive authority to manage the institution is vested in a board of managers or directors that is elected or appointed by the owners, and that operates in substantially the same manner as, and has substantially the same rights, powers, privileges, duties, responsibilities, as a board of directors of a bank chartered as a corporation in the State;

§ 303.22 Processing.

§§ 303.16–303.19 [Reserved]

(a) *Expedited processing for proposed institutions.* (1) An application for deposit insurance for a proposed institution which will be a subsidiary of an eligible depository institution as defined in §303.2(r) or an eligible holding company will be acknowledged in writing by the FDIC and will receive expedited processing unless the applicant is notified in writing to the contrary and provided with the basis for that decision. An eligible holding company is defined as a bank or thrift holding company that has consolidated assets of at least \$150 million or more; a BOPEC rating of at least “2” for bank holding companies or an above average or “A” rating for thrift holding companies; and at least 75 percent of its consolidated depository institution assets comprised of eligible depository institutions. The FDIC may remove an application from expedited processing for any of the reasons set forth in §303.11(c)(2).

Subpart B—Deposit Insurance

§ 303.20 Scope.

(2) Under expedited processing, the FDIC will take action on an application within 60 days of receipt of a substantially complete application or 5 days after the expiration of the comment period described in §303.23, whichever is later. Final action may be withheld until the FDIC has assurance that permission to organize the proposed institution will be granted by the chartering authority. Notwithstanding paragraph (a)(1) of this section, if the FDIC does not act within the expedited processing period, it does not constitute an automatic or default approval.

This subpart sets forth the procedures for applying for deposit insurance for a proposed depository institution or an operating noninsured depository institution under section 5 of the FDI Act (12 U.S.C. 1815). It also sets forth the procedures for requesting continuation of deposit insurance for a state-chartered bank withdrawing from membership in the Federal Reserve System and for interim institutions chartered to facilitate a merger transaction. Each bank that results from the conversion of a Federal savings association into multiple banks pursuant to section 5(i)(5) of the Home Owners’ Loan Act, 12 U.S.C. 1464(i)(5), is treated as a proposed depository institution or a de novo institution, as appropriate, for purposes of this subpart.

[67 FR 79247, Dec. 27, 2002, as amended at 73 FR 2145, Jan. 14, 2008]

(b) *Standard processing.* For those applications that are not processed pursuant to the expedited procedures, the FDIC will provide the applicant with written notification of the final action when the decision is rendered.

§ 303.21 Filing procedures.

[67 FR 79247, Dec. 27, 2002, as amended at 68 FR 50459, Aug. 21, 2003]

(a) Applications for deposit insurance shall be filed with the appropriate FDIC office. The relevant application forms and instructions for applying for deposit insurance for an existing or proposed depository institution may be obtained from any FDIC regional director.

§ 303.23 Public notice requirements.

(b) An application for deposit insurance for an interim depository institution shall be filed and processed in accordance with the procedures set forth in §303.24, subject to the provisions of §303.62(b)(2) regarding deposit insurance for interim institutions. An interim institution is defined as a state- or federally-chartered depository institution that does not operate independently but exists solely as a vehicle to accomplish a merger transaction.

(a) *De novo institutions and operating noninsured institutions.* The applicant shall publish a notice as prescribed in

(c) A request for continuation of deposit insurance upon withdrawing from membership in the Federal Reserve

§303.7 in a newspaper of general circulation in the community in which the main office of the depository institution is or will be located. Notice shall be published as close as practicable to, but no sooner than five days before, the date the application is mailed or delivered to the appropriate FDIC office. Comments by interested parties must be received by the appropriate regional director within 30 days following the date of publication, unless the comment period has been extended or reopened in accordance with §303.9(b)(2).

(b) *Exceptions to public notice requirements.* No publication shall be required in connection with the granting of insurance to a new depository institution established pursuant to the resolution of a depository institution in default, or to an interim depository institution formed solely to facilitate a merger transaction, or for a request for continuation of federal deposit insurance by a state-chartered bank withdrawing from membership in the Federal Reserve System.

§ 303.24 Application for deposit insurance for an interim institution.

(a) *Application required.* Subject to §303.62(b)(2), a deposit insurance application is required for a state-chartered interim institution if the related merger transaction is subject to approval by a federal banking agency other than the FDIC. A separate application for deposit insurance for an interim institution is not required in connection with any merger requiring FDIC approval pursuant to subpart D of this part.

(b) *Content of separate application.* A letter application for deposit insurance for an interim institution, accompanied by a copy of the related merger application, shall be filed with the appropriate FDIC office. The letter application shall briefly describe the transaction and contain a statement that deposit insurance is being requested for an interim institution that does not operate independently but exists solely as a vehicle to accomplish a merger transaction which will be reviewed by a federal banking agency other than the FDIC.

(c) *Processing.* An application for deposit insurance for an interim depository institution will be acknowledged in writing by the FDIC. Final action will be taken within 21 days after receipt of a substantially complete application, unless the applicant is notified in writing that additional review is warranted. If the FDIC does not act within the expedited processing period, it does not constitute an automatic or default approval.

§ 303.25 Continuation of deposit insurance upon withdrawing from membership in the Federal Reserve System.

(a) *Content of application.* To continue its insured status upon withdrawal from membership in the Federal Reserve System, a state-chartered bank shall submit a letter application to the appropriate FDIC office. A complete application shall consist of the following information:

(1) A copy of the letter, and any attachments thereto, sent to the appropriate Federal Reserve Bank setting forth the bank's intention to terminate its membership;

(2) A copy of the letter from the Federal Reserve Bank acknowledging the bank's notice to terminate membership;

(3) A statement regarding any anticipated changes in the bank's general business plan during the next 12-month period; and

(4)(i) A statement by the bank's management that there are no outstanding or proposed corrective programs or supervisory agreements with the Federal Reserve System.

(ii) If such programs or agreements exist, a statement by the applicant that its Board of Directors is willing to enter into similar programs or agreements with the FDIC which would become effective upon withdrawal from the Federal Reserve System.

(b) *Processing.* An application for deposit insurance under this section will be acknowledged in writing by the FDIC. The FDIC shall notify the applicant, within 15 days of receipt of a substantially complete application, either that federal deposit insurance will continue upon termination of membership in the Federal Reserve System or that

additional review is warranted and the applicant will be notified, in writing, of the FDIC's final decision regarding continuation of deposit insurance. If the FDIC does not act within the expedited processing period, it does not constitute an automatic or default approval.

Subpart C—Establishment and Relocation of Domestic Branches and Offices

§ 303.40 Scope.

(a) *General.* This subpart sets forth the application requirements and procedures for insured state nonmember banks to establish a branch, relocate a branch or main office, and retain existing branches after the interstate relocation of the main office subject to the approval by the FDIC pursuant to sections 13(f), 13(k), 18(d) and 44 of the FDI Act.

(b) *Merger transaction.* Applications for approval of the acquisition and establishment of branches in connection with a merger transaction under section 18(c) of the FDI Act (12 U.S.C. 1828(c)), are processed in accordance with subpart D (Merger Transactions) of this part.

(c) *Insured branches of foreign banks and foreign branches of domestic banks.* Applications regarding insured branches of foreign banks and foreign branches of domestic banks are processed in accordance with subpart J (International Banking) of this part.

(d) *Interstate acquisition of individual branch.* Applications requesting approval of the interstate acquisition of an individual branch or branches located in a state other than the applicant's home state without the acquisition of the whole bank are treated as interstate bank merger transactions under section 44 of the FDI Act (12 U.S.C. 1831a(u)), and are processed in accordance with subpart D (Merger Transactions) of this part.

§ 303.41 Definitions.

For purposes of this subpart:

(a) *Branch*, except as provided in this paragraph, includes any branch bank, branch office, additional office, or any

branch place of business located in any State of the United States or in any territory of the United States, Puerto Rico, Guam, American Samoa, the Trust Territory of the Pacific Islands, the Virgin Islands, and the Northern Mariana Islands at which deposits are received or checks paid or money lent. A branch does not include an automated teller machine, an automated loan machine, a remote service unit, or a facility described in section 303.46. The term branch also includes the following:

(1) A *messenger service* that is operated by a bank or its affiliate that picks up and delivers items relating to transactions in which deposits are received or checks paid or money lent. A messenger service established and operated by a non-affiliated third party generally does not constitute a branch for purposes of this subpart. Banks contracting with third parties to provide messenger services should consult with the FDIC to determine if the messenger service constitutes a branch.

(2) A *mobile branch*, other than a messenger service, that does not have a single, permanent site and uses a vehicle that travels to various locations to enable the public to conduct banking business. A mobile branch may serve defined locations on a regular schedule or may serve a defined area at varying times and locations.

(3) A *temporary branch* that operates for a limited period of time not to exceed one year as a public service, such as during an emergency or disaster situation.

(4) A *seasonal branch* that operates at various periodically recurring intervals, such as during state and local fairs, college registration periods, and other similar occasions.

(b) *Branch relocation* means a move within the same immediate neighborhood of the existing branch that does not substantially affect the nature of the business of the branch or the customers of the branch. Moving a branch to a location outside its immediate neighborhood is considered the closing of an existing branch and the establishment of a new branch. Closing of a branch is covered in the FDIC Statement of Policy Concerning Branch Closing Notices and Policies. 1 FDIC

(1) The acquisition by the bank of an insured depository institution or a branch of an insured depository institution; or

(2) The conversion, merger, or consolidation of any such institution or branch.

(d) *Home state* means the state by which the bank is chartered.

(e) *Host state* means a state, other than the home state of the bank, in which the bank maintains, or seeks to establish and maintain, a branch.

With regard to a mobile branch specify the community or communities in which the vehicle will operate and the manner in which it will be used;

(3) Details concerning any involvement in the proposal by an insider of the bank as defined in § 303.2(u), including any financial arrangements relating to fees, the acquisition of property, leasing of property, and construction contracts;

(4) Comments on any changes in services to be offered, the community to be served, or any other effect the proposal may have on the applicant's compliance with the CRA;

(6) When an application is submitted to relocate the main office of the applicant from one state to another, a statement of the applicant's intent regarding retention of branches in the state where the main office exists prior to relocation.

(c) *Undercapitalized institutions*. Applications to establish a branch by applicants subject to section 38 of the FDI Act (12 U.S.C. 1831o) also should provide the information required by § 303.204. Applications pursuant to sections 38 and 18(d) of the FDI Act (12 U.S.C. 1831o and 1828(d)) may be filed concurrently or as a single application.

(d) *Additional information*. The FDIC may request additional information to complete processing.

(a) *Expedited processing for eligible depository institutions*. An application filed under this subpart by an eligible depository institution as defined in § 303.2(r) will be acknowledged in writing by the FDIC and will receive expedited processing, unless the applicant is notified in writing to the contrary and provided with the basis for that decision. the FDIC to the host state bank supervisor.

(b) *Standard processing.* For those applications which are not processed pursuant to the expedited procedures, the FDIC will provide the applicant with written notification of the final action when the decision is rendered.

(a) *Newspaper publications.* For applications to establish or relocate a branch, a notice as described in § 303.7(c) shall be published once in a newspaper of general circulation. For applications to relocate a main office, notice shall be published at least once each week on the same day for two consecutive weeks. The required publication shall be made in the following communities:

(c) *Lobby notices.* In the case of applications to relocate a main office or a branch, a copy of the required newspaper publication shall be posted in the public lobby of the office to be relocated for at least 15 days beginning on the date of the last published notice required by paragraph (a) of this section.

§ 303.45 Special provisions.

(a) *Emergency or disaster events.* (1) In the case of an emergency or disaster at a main office or a branch which requires that an office be immediately relocated to a temporary location, applicants shall notify the appropriate

FDIC office within 3 days of such temporary relocation.

(2) Within 10 days of the temporary relocation resulting from an emergency or disaster, the bank shall submit a written application to the appropriate FDIC office, that identifies the nature of the emergency or disaster, specifies the location of the temporary branch, and provides an estimate of the duration the bank plans to operate the temporary branch.

(3) As part of the review process, the FDIC will determine on a case by case basis whether additional information is necessary and may waive public notice requirements.

(b) *Redesignation of main office and existing branch.* In cases where an applicant desires to redesignate its main office as a branch and redesignate an existing branch as the main office, a single application shall be submitted. The FDIC may waive the public notice requirements in instances where an application presents no significant or novel policy, supervisory, CRA, compliance or legal concerns. A waiver will be granted only to a redesignation within the applicant's home state.

(c) *Expiration of approval.* Approval of an application expires if within 18 months after the approval date a branch has not commenced business or a relocation has not been completed.

(a) Such service or services are provided on school premises, or a facility used by the school;

(b) Such service or services are provided at the discretion of the school;

Subpart D—Merger Transactions

§ 303.60 Scope.

This subpart sets forth the application requirements and procedures for transactions subject to FDIC approval under the Bank Merger Act, section 18(c) of the FDI Act (12 U.S.C. 1828(c)). Additional guidance is contained in the FDIC “Statement of Policy on Bank Merger Transactions” (1 FDIC Law, Regulations, Related Acts 5145; see § 309.4(a) and (b) of this chapter for availability).

§ 303.61 Definitions.

For purposes of this subpart:

(a) *Merger transaction* includes any transaction:

(1) In which an insured depository institution merges or consolidates with any other insured depository institution or, either directly or indirectly, acquires the assets of, or assumes liability to pay any deposits made in, any other insured depository institution; or

(2) In which an insured depository institution merges or consolidates with any noninsured bank or institution or assumes liability to pay any deposits made in, or similar liabilities of, any noninsured bank or institution, or in which an insured depository institution transfers assets to any noninsured bank or institution in consideration of the assumption of any portion of the deposits made in the insured depository institution.

(b) *Corporate reorganization* means a merger transaction that involves solely an insured depository institution and one or more of its affiliates.

(c) *Interim merger transaction* means a merger transaction (other than a purchase and assumption transaction) between an operating depository institution and a newly-formed depository institution or corporation that will not

operate independently and that exists solely for the purpose of facilitating a corporate reorganization.

(d) *Resulting institution* refers to the acquiring, assuming or resulting institution in a merger transaction.

[67 FR 79247, Dec. 27, 2002, as amended at 71 FR 20526, Apr. 21, 2006; 73 FR 2145, Jan. 14, 2008]

§ 303.62 Transactions requiring prior approval.

(a) *Merger transactions*. The following merger transactions require the prior written approval of the FDIC under this subpart:

(1) Any merger transaction, including any corporate reorganization, interim merger transaction, or optional conversion, in which the resulting institution is to be an FDIC-supervised institution; and

(2) Any merger transaction, including any corporate reorganization, or interim merger transaction, that involves an uninsured bank or institution.

(b) *Related regulations*. Transactions covered by this subpart also may be subject to other regulations or application requirements, including the following:

(1) *Interstate merger transactions*. Merger transactions between insured banks that are chartered in different states are subject to the regulations of section 44 of the FDI Act (12 U.S.C. 1831u). In the case of a merger transaction that consists of the acquisition by an out of state bank of a branch without acquisition of the bank, the branch is treated for section 44 purposes as a bank whose home state is the state in which the branch is located.

(2) *Deposit insurance*. An application for deposit insurance will be required in connection with a merger transaction between a state-chartered interim institution and an insured depository institution if the related merger application is being acted upon by a Federal banking agency other than the FDIC. If the FDIC is the Federal banking agency responsible for acting on the related merger application, a separate application for deposit insurance is not necessary. Procedures for applying for deposit insurance are set forth

§ 303.63

in subpart B of this part. An application for deposit insurance will not be required in connection with a merger transaction (other than a purchase and assumption transaction) of a federally-chartered interim institution and an insured institution, even if the resulting institution is to operate under the charter of the Federal interim institution.

(3) *Branch closings.* Branch closings in connection with a merger transaction are subject to the notice requirements of section 42 of the FDI Act (12 U.S.C. 1831r-1), including requirements for notice to customers. These requirements are addressed in the “Interagency Policy Statement Concerning Branch Closings Notices and Policies” (1 FDIC Law, Regulations, Related Acts (FDIC) 5391; see § 309.4(a) and (b) of this chapter for availability).

(4) *Undercapitalized institutions.* Applications for a merger transaction by applicants subject to section 38 of the FDI Act (12 U.S.C. 1831o) should also provide the information required by § 303.204. Applications pursuant to sections 38 and 18(c) of the FDI Act (12 U.S.C. 1831o and 1828(c)) may be filed concurrently or as a single application.

(5) *Certification of assumption of deposit liability.* Whenever all of the deposit liabilities of an insured depository institution are assumed by one or more insured depository institutions by merger, consolidation, other statutory assumption, or by contract, the transferring insured depository institution, or its legal successor, shall provide an accurate written certification to the FDIC that its deposit liabilities have been assumed, in accordance with 12 CFR part 307.

[85 FR 3243, Jan. 21, 2020]

§ 303.63 Filing procedures.

(a) *General.* Applications required under this subpart shall be filed with the appropriate FDIC office. The appropriate forms and instructions may be obtained upon request from any FDIC regional director.

(b) *Merger transactions.* Applications for approval of merger transactions shall be accompanied by copies of all agreements or proposed agreements relating to the merger transaction and

12 CFR Ch. III (1–1–24 Edition)

any other information requested by the FDIC.

(c) *Interim merger transactions.* Applications for approval of interim merger transactions and any related deposit insurance applications shall be made by filing the forms and other documents required by paragraphs (a) and (b) of this section and such other information as may be required by the FDIC for consideration of the request for deposit insurance.

[67 FR 79247, Dec. 27, 2002, as amended at 73 FR 2145, Jan. 14, 2008]

§ 303.64 Processing.

(a) *Expedited processing for eligible depository institutions—(1) General.* An application filed under this subpart by an eligible depository institution as defined in § 303.2(r) and which meets the additional criteria in paragraph (a)(4) of this section will be acknowledged by the FDIC in writing and will receive expedited processing, unless the applicant is notified in writing to the contrary and provided with the basis for that decision. The FDIC may remove an application from expedited processing for any of the reasons set forth in § 303.11(c)(2).

(2) *Timing.* Under expedited processing, the FDIC will take action on an application by the date that is the latest of:

(i) 45 days after the date of the FDIC’s receipt of a substantially complete merger application; or

(ii) 10 days after the date of the last notice publication required under § 303.65 of this subpart; or

(iii) 5 days after receipt of the Attorney General’s report on the competitive factors involved in the proposed transaction; or

(iv) For an interstate merger transaction subject to the provisions of section 44 of the FDI Act (12 U.S.C. 1831u), 5 days after the FDIC receives confirmation from the host state (as defined in § 303.41(e)) that the applicant has both complied with the filing requirements of the host state and submitted a copy of the FDIC merger application to the host state’s bank supervisor.

(3) *No automatic approval.* Notwithstanding paragraph (a)(1) or (2) of this section, if the FDIC does not act within

the expedited processing period, it does not constitute an automatic or default approval.

(4) *Criteria.* The FDIC will process an application using expedited procedures if:

(i) Immediately following the merger transaction, the resulting institution will be “well-capitalized” pursuant to subpart H of part 324 of this chapter (12 CFR part 324), as applicable; and

(ii)(A) All parties to the merger transaction are eligible depository institutions as defined in § 303.2(r); or

(B) The acquiring party is an eligible depository institution as defined in § 303.2(r) and the amount of the total assets to be transferred does not exceed an amount equal to 10 percent of the acquiring institution’s total assets as reported in its report of condition for the quarter immediately preceding the filing of the merger application.

(b) *Standard processing.* For those applications not processed pursuant to the expedited procedures, the FDIC will provide the applicant with written notification of the final action taken by the FDIC on the application when the decision is rendered.

(c) *Processing for State savings associations.* Notwithstanding paragraphs (a) and (b) of this section, the FDIC will approve or disapprove an application filed by a State savings association to acquire or be acquired by another insured depository institution that is required to be filed with the FDIC within 60 days after the date of the FDIC’s receipt of a substantially complete merger application, subject to the FDIC’s discretion to extend such period by an additional 30 days if any material information submitted is substantially inaccurate or incomplete.

(1) The FDIC shall notify an applicant that is a State savings association in writing of the date the application is deemed substantially complete. The FDIC may request additional information at any time.

(2) Notwithstanding this paragraph (c), if the FDIC does not approve or disapprove an application within the 60-day or extended processing period it does not constitute an automatic or default approval.

[85 FR 3244, Jan. 21, 2020]

§ 303.65 Public notice requirements.

(a) *General.* Except as provided in paragraph (b) of this section, an applicant for approval of a merger transaction must publish notice of the proposed transaction on at least three occasions at approximately equal intervals in a newspaper of general circulation in the community or communities where the main offices of the merging institutions are located or, if there is no such newspaper in the community, then in the newspaper of general circulation published nearest thereto.

(1) *First publication.* The first publication of the notice should be as close as practicable to the date on which the application is filed with the FDIC, but no more than 5 days prior to the filing date.

(2) *Last publication.* The last publication of the notice shall be on the 25th day after the first publication or, if the newspaper does not publish on the 25th day, on the newspaper’s publication date that is closest to the 25th day.

(b) *Exceptions—(1) Emergency requiring expeditious action.* If the FDIC determines that an emergency exists requiring expeditious action, notice shall be published twice. The first notice shall be published as soon as possible after the FDIC notifies the applicant of such determination. The second notice shall be published on the 7th day after the first publication or, if the newspaper does not publish on the 7th day, on the newspaper’s publication date that is closest to the 7th day.

(2) *Probable failure.* If the FDIC determines that it must act immediately to prevent the probable failure of one of the institutions involved in a proposed merger transaction, publication is not required.

(c) *Content of notice—(1) General.* The notice shall conform to the public notice requirements set forth in § 303.7.

(2) *Branches.* If it is contemplated that the resulting institution will operate offices of the other institution(s) as branches, the following statement shall be included in the notice required in § 303.7(b):

It is contemplated that all offices of the above-named institutions will continue to be operated (with the exception of [insert identity and location of each office that will not be operated]).

(3) *Emergency requiring expeditious action.* If the FDIC determines that an emergency exists requiring expeditious action, the notice shall specify as the closing date of the public comment period the date that is the 10th day after the date of the first publication.

(d) *Public comments.* Comments must be received by the appropriate FDIC office within 30 days after the first publication of the notice, unless the comment period has been extended or reopened in accordance with §303.9(b)(2). If the FDIC has determined that an emergency exists requiring expeditious action, comments must be received by the appropriate FDIC office within 10 days after the first publication.

Subpart E—Change in Bank Control

SOURCE: 80 FR 65899, Oct. 28, 2015, unless otherwise noted.

§ 303.80 Scope.

This subpart implements the provisions of the Change in Bank Control Act of 1978, section 7(j) of the FDI Act (12 U.S.C. 1817(j)) (CBCA), and sets forth the filing requirements and processing procedures for a notice of change in control with respect to the acquisition of control of a State nonmember bank, a State savings association, or certain parent companies of either a State nonmember bank or a State savings association.

§ 303.81 Definitions.

For purposes of this subpart:

(a) *Acting in concert* means knowing participation in a joint activity or parallel action towards a common goal of acquiring control of a covered institution whether or not pursuant to an express agreement.

(b) *Company* means a company as defined in section 2 of the Bank Holding Company Act of 1956, as amended (12 U.S.C. 1841 *et seq.*) and any person that is not an individual including for example, a limited liability company.

(c) *Control* means the power, directly or indirectly, to direct the management or policies of a covered institution or to vote 25 percent or more of

any class of voting securities of a covered institution.

(d) *Convertible securities* mean debt or equity interests that may be converted into voting securities.

(e) *Covered institution* means an insured State nonmember bank, an insured State savings association, and any company that controls, directly or indirectly, an insured State nonmember bank or an insured State savings association other than a holding company that is the subject of an exemption described in either section 303.84(a)(3) or (a)(8).

(f) *Immediate family* means a person's parents, mother-in-law, father-in-law, children, step-children, siblings, step-siblings, brothers-in-law, sisters-in-law, grandparents, and grandchildren, whether biological, adoptive, adjudicated, contractual, or *de facto*; the spouse of any of the foregoing; and the person's spouse.

(g) *Person* means an individual, corporation, limited liability company (LLC), partnership, trust, association, joint venture, pool, syndicate, sole proprietorship, unincorporated organization, voting trust, or any other form of entity; and includes each party to a voting agreement and any group of persons acting in concert.

(h) *Management official* means any officer, LLC manager, director, partner, or trustee of an entity, or other person with similar functions and powers with respect to a company.

(i)(1) *Voting securities* means shares of common or preferred stock, general or limited partnership shares or interests, membership interests, or similar interests if the shares or interests, by statute, charter, or in any manner, entitle the holder:

(i) To vote for, or to select, directors, trustees, managers of an LLC, partners, or other persons exercising similar functions of the issuing entity; or

(ii) To vote on, or to direct, the conduct of the operations or significant policies of the issuing entity.

(2) Nonvoting shares: Shares of common or preferred stock, limited partnership shares or interests, membership interests, or similar interests are not "voting securities" if:

(i) Any voting rights associated with the shares or interests are limited solely to the type customarily provided by State statute with regard to matters that would significantly and adversely affect the rights or preference of the security or other interest, such as the issuance of additional amounts or classes of senior securities, the modification of the terms of the security or interest, the dissolution of the issuing entity, or the payment of dividends by the issuing entity when preferred dividends are in arrears;

(ii) The shares or interests represent an essentially passive investment or financing device and do not otherwise provide the holder with control over the issuing entity; and

(iii) The shares or interests do not entitle the holder, by statute, charter, or in any manner, to select, or to vote for the selection of, directors, trustees, managers of an LLC, partners, or persons exercising similar functions of the issuing entity.

(3) Class of voting securities: Voting securities issued by a single issuer are deemed to be the same class of voting securities, regardless of differences in dividend rights or liquidation preference, if the securities are voted together as a single class on all matters for which the securities have voting rights other than matters described in paragraph (i)(2)(i) of this section that affect solely the rights or preferences of the securities.

§ 303.82 Transactions that require prior notice.

(a) *Prior notice requirement.* (1) Except as provided in §§ 303.83 and 303.84, no person, acting directly or indirectly, or through or in concert with one or more persons, shall acquire control of a covered institution unless the person shall have given the FDIC prior notice of the proposed acquisition as provided in the CBCA and this subpart, and the FDIC has not disapproved the acquisition within 60 days or such longer period as may be permitted under the CBCA; and

(2) Except as provided in §§ 303.83 and 303.84, and unless waived by the FDIC, no person who has been approved to acquire control of a covered institution and who has maintained that control shall acquire, directly or indirectly, or

through or in concert with one or more persons, voting securities of such covered institution if that person's ownership, control, or power to vote will increase from less than 25 percent to 25 percent or more of any class of voting securities of the covered institution, unless the person shall have given the FDIC prior notice of the proposed acquisition as provided in the CBCA and this subpart, and the FDIC has not disapproved the acquisition within 60 days or such longer period as may be permitted under the CBCA.

(b) *Rebuttable presumptions—(1) Rebuttable presumptions of control.* The FDIC presumes that an acquisition of voting securities of a covered institution constitutes the acquisition of the power to direct the management or policies of that institution requiring prior notice to the FDIC, if, immediately after the transaction, the acquiring person will own, control, or hold with power to vote 10 percent or more of any class of voting securities of the institution, and if:

(i) The institution has registered securities under section 12 of the Securities Exchange Act of 1934 (15 U.S.C. 781); or

(ii) No other person will own, control or hold the power to vote a greater percentage of that class of voting securities immediately after the transaction.

(2) *Rebuttable presumptions of acting in concert.* The following persons who own or control, or propose to own or control voting securities in a covered institution, shall be presumed to be acting in concert for purposes of this subpart:

(i) A company and any controlling shareholder or management official of the company;

(ii) An individual and one or more members of the individual's immediate family;

(iii) Companies under common control or a company and each company it controls;

(iv) Two or more persons that have made, or propose to make, a joint filing related to the proposed acquisition under sections 13 or 14 of the Securities Exchange Act of 1934 (15 U.S.C. 78m or 78n), and the rules promulgated thereunder by the Securities and Exchange Commission;

§ 303.83

12 CFR Ch. III (1–1–24 Edition)

(v) A person and any trust for which the person serves as trustee or any trust for which the person is a beneficiary; and

(vi) Persons that are parties to any agreement, contract, understanding, relationship, or other arrangement, whether written or otherwise, regarding the acquisition, voting, or transfer of control of voting securities of a covered institution, other than through revocable proxies as described in §303.84(a)(5).

(3) *Convertible securities, options, and warrants.* The acquisition of convertible securities, or options or warrants to acquire voting securities is presumed to constitute the acquisition of voting securities.

(4) *Rebuttal of presumptions.* The FDIC will afford any person seeking to rebut a presumption in this paragraph (b) an opportunity to present its views in writing.

(c) *Acquisition of loans in default.* An acquisition of a loan in default that is secured by voting securities of a covered institution is deemed to be an acquisition of the underlying securities for purposes of this subpart. Before acquiring a loan in default that upon foreclosure would result in the acquiring person owning, controlling, or holding with the power to vote a controlling amount of a covered institution's voting securities, the potential acquirer must give the FDIC prior written notice as specified in this subpart.

§ 303.83 Transactions that require notice, but not prior notice.

(a) *Notice within 90 days after the acquisition.* The following acquisitions of voting securities of a covered institution, which otherwise would require prior notice under this subpart, instead require the acquirer to provide to the appropriate FDIC office within 90 calendar days after the acquisition all relevant information requested by the FDIC:

- (1) The acquisition of voting securities as a bona fide gift;
- (2) The acquisition of voting securities in satisfaction of a debt previously contracted in good faith, except as provided in §303.82(c); and

(3) The acquisition of voting securities through inheritance.

(b) *Notice within 90 days after receiving notice of the event giving rise to the acquisition of control.* The following acquisitions of control of a covered institution, which otherwise would require prior notice under this subpart, instead require the person acquiring control to provide to the appropriate FDIC office, within 90 calendar days after receiving notice of the event giving rise to the acquisition of control, all relevant information requested by the FDIC:

- (1) The acquisition of control resulting from a redemption of voting securities by the issuing covered institution; and
- (2) The acquisition of control as a result of any event or action (including without limitation the sale of securities) by any third party that is not within the control of the person acquiring control.

(c) The FDIC may disapprove a notice filed after an acquisition of control, and nothing in this section limits the authority of the FDIC to disapprove a notice pursuant to §303.86(c).

(d) The relevant information that the FDIC may require under this section may include all information and documents routinely required for a prior notice as provided in §303.85.

(e) If the FDIC disapproves a Notice filed under this §303.83, the notificant(s) must divest control of the covered institution which may include, without limitation, disposing of some or all of the voting securities so that the notificant(s) is no longer in control of the covered institution, within such period of time and in the manner that the FDIC may determine.

§ 303.84 Transactions that do not require notice.

(a) *Exempt transactions.* The following transactions do not require notice to the FDIC under this subpart:

- (1) The acquisition of additional voting securities of a covered institution by a person who:
 - (i) Held the power to vote 25 percent or more of any class of voting securities of the institution continuously since the later of March 9, 1979, or the date that the institution commenced business; or

(ii) Is presumed, under §303.82(b) to have controlled the institution continuously since March 9, 1979, if the aggregate amount of voting securities held does not exceed 25 percent or more of any class of voting securities of the institution or, in other cases, where the FDIC determines that the person has controlled the institution continuously since March 9, 1979;

(2) The acquisition of additional voting securities of a covered institution by a person who has lawfully acquired and maintained control of the institution (for purposes of §303.82) after obtaining the FDIC's non-objection under the CBCA and the FDIC's regulations or the OTS's non-objection under the repealed Change in Savings and Loan Control Act, 12 U.S.C. 1730(q), and the regulations thereunder then in effect, to acquire control of the institution, unless a notice is required for an increase in ownership described in 12 CFR 303.82(a)(2);

(3) Acquisitions of voting securities subject to approval under section 3 of the Bank Holding Company Act (12 U.S.C. 1842(a)), section 18(c) of the FDI Act (12 U.S.C. 1828(c)), or section 10 of the Home Owners' Loan Act (12 U.S.C. 1467a);

(4) Any transaction described in sections 2(a)(5), 3(a)(A), or 3(a)(B) of the Bank Holding Company Act (12 U.S.C. 1841(a)(5), 1842(a)(A), or 1842(a)(B)) by a person described in those provisions;

(5) A customary one-time solicitation of a revocable proxy;

(6) The receipt of voting securities of a covered institution through a pro rata stock dividend or stock split if the proportional interests of the recipients remain substantially the same;

(7) The acquisition of voting securities in a foreign bank that has an insured branch in the United States. (This exemption does not extend to the reports and information required under paragraphs 9, 10, and 12 of the CBCA (12 U.S.C. 1817(j)(9), (10), and (12)); and

(8) The acquisition of voting securities of a depository institution holding company for which the Board of Governors of the Federal Reserve System reviews a notice pursuant to the CBCA (12 U.S.C. 1817(j)).

§ 303.85 Filing procedures.

(a) *Filing notice.* (1) A notice required under this subpart shall be filed with the appropriate FDIC office and shall contain all the information required by paragraph 6 of the CBCA, section 7(j) of the FDI Act, (12 U.S.C. 1817(j)(6)), or prescribed in the designated interagency forms which may be obtained from any FDIC regional director.

(2) The FDIC may waive any of the informational requirements of the notice if the FDIC determines that it is in the public interest.

(3) A notificant shall notify the appropriate FDIC office immediately of any material changes in the information contained in a notice submitted to the FDIC, including changes in financial or other conditions.

(4) When the acquiring person is an individual, or group of individuals acting in concert, the requirement to provide personal financial data may be satisfied by a current statement of assets and liabilities and an income summary, as required in the designated interagency form, together with a statement of any material changes since the date of the statement or summary. The FDIC may require additional information if appropriate.

(b) *Other laws.* Nothing in this subpart shall affect any obligation which the acquiring person(s) may have to comply with the federal securities laws or other laws.

§ 303.86 Processing.

(a) *Acceptance of notice, additional information.* The FDIC shall notify the person or persons submitting a notice under this subpart in writing of the date the notice is accepted as substantially complete. The FDIC may request additional information at any time.

(b) *Commencement of the 60-day notice period: consummation of acquisition.* (1) The 60-day notice period specified in §303.82 shall commence on the day after the date of acceptance of a substantially complete notice by the appropriate regional director. The notificant(s) may consummate the proposed acquisition after the expiration of the 60-day notice period, unless the FDIC disapproves the proposed acquisition or extends the notice period as provided in the CBCA.

§ 303.87

(2) The notificant(s) may consummate the proposed transaction before the expiration of the 60-day period, including any extensions, if the FDIC notifies the notificant(s) in writing of its intention not to disapprove the acquisition.

(c) *Disapproval of acquisition of control.* Subpart D of 12 CFR part 308 sets forth the rules of practice and procedure for a notice of disapproval.

§ 303.87 Public notice requirements.

(a) *Publication*—(1) *Newspaper announcement.* Any person(s) filing a notice under this subpart shall publish an announcement soliciting public comment on the proposed acquisition. The announcement shall be published in a newspaper of general circulation in the community in which the home office of the covered institution to be acquired is located.

(2) *Timing of publication.* The announcement shall be published as close as is practicable to the date the notice is filed with the appropriate FDIC office, but in no event more than 10 calendar days before or after the filing date. If the filing is not filed in accordance with the CBCA and this subpart within the time periods specified herein, the acquiring person(s) shall, within 10 days of being directed by the FDIC to file a Notice, publish an announcement of the acquisition of control.

(3) *Contents of newspaper announcement.* The newspaper announcement shall conform to the public notice requirements set forth in § 303.7. If the filing is not filed in accordance with the CBCA and this subpart within the time periods specified herein, the announcement shall also include the date of the acquisition and contain a statement indicating that the FDIC is currently reviewing the acquisition of control.

(b) *Delay of publication.* The FDIC may permit delay in the publication required by this section if the FDIC determines, for good cause, that it is in the public interest to grant such a delay. Requests for delay of publication may be submitted to the appropriate FDIC office.

(c) *Shortening or waiving public comment period, waiving publications; acting before close of public comment period.* The

FDIC may shorten the public comment period to a period of not less than 10 days, or waive the public comment or newspaper publication requirements of paragraph (a) of this section, or act on a notice before the expiration of a public comment period, if it determines in writing either that an emergency exists or that disclosure of the notice, solicitation of public comment, or delay until expiration of the public comment period would seriously threaten the safety and soundness of the State non-member bank or State savings association to be acquired.

(d) *Consideration of public comments.* In acting upon a notice filed under this subpart, the FDIC shall consider all public comments received in writing within 20 days following the required newspaper publication or, if the FDIC has shortened the public comment period pursuant to paragraph (c) of this section, within such shorter period.

§ 303.88 Reporting of stock loans and changes in chief executive officers and directors.

(a) *Requirements of reporting stock loans.* (1) Any foreign bank or affiliate of a foreign bank that has credit outstanding to any person or group of persons, in the aggregate, which is secured, directly or indirectly, by 25 percent or more of any class of voting securities of a covered institution, shall file a consolidated report with the appropriate FDIC office.

(b) *Content of filing.* In making a request for waiver under paragraph (a) of this section, the institution shall demonstrate that the requested waiver, if granted, would not result in any effects that would be detrimental to the safety and soundness of the institution, entail a breach of fiduciary duty on part of the institution's management or otherwise be detrimental or inequitable to the institution, its depositors, any other insured depository institution(s), the Deposit Insurance Fund, or to the public interest.

[67 FR 79247, Dec. 27, 2002, as amended at 71 FR 20526, Apr. 21, 2006]

§ 303.163 Processing.

(a) *General considerations.* The FDIC shall review the notice and other materials submitted by the institution proposing to convert from mutual to stock form, specifically considering the following factors:

(1) The proposed use of the proceeds from the sale of stock, as set forth in the business plan;

(2) The adequacy of the disclosure materials;

(3) The participation of depositors in approving the transaction;

(4) The form of the proxy statement required for the vote of the depositors/members on the conversion;

(5) Any proposed increased compensation and other remuneration (including stock grants, stock option rights and other similar benefits) to be granted to officers and directors/trustees of the bank in connection with the conversion;

(6) The adequacy and independence of the appraisal of the value of the mutual savings bank for purposes of determining the price of the shares of stock to be sold;

(7) The process by which the bank's trustees approved the appraisal, the pricing of the stock, and the proposed compensation arrangements for insiders;

(8) The nature and apportionment of stock subscription rights; and

(9) The bank's plans to fulfill its commitment to serving the convenience and needs of its community.

(b) *Additional considerations.* (1) In reviewing the notice and other materials submitted under this subpart, the FDIC will take into account the extent to which the proposed conversion transaction conforms with the various provisions of the mutual-to-stock conversion regulations of the Office of Thrift Supervision (OTS) (12 CFR part 563b), as currently in effect at the time the notice is submitted. Any non-conformity with those provisions will be closely reviewed.

(2) Conformity with the OTS requirements will not be sufficient for FDIC regulatory purposes if the FDIC determines that the proposed conversion transaction would pose a risk to the bank's safety or soundness, violate any law or regulation, or present a breach of fiduciary duty.

(c) *Notice period.* (1) The period in which the FDIC may object to the proposed conversion transaction shall be the later of:

(i) 60 days after receipt of a substantially complete notice of proposed conversion; or

(ii) 20 days after the last applicable state or other federal regulator has approved the proposed conversion.

(2) The FDIC may, in its discretion, extend the initial 60-day period for up to an additional 60 days by providing written notice to the institution.

(d) *Letter of non-objection.* If the FDIC determines, in its discretion, that the proposed conversion transaction would not pose a risk to the institution's safety or soundness, violate any law or regulation, or present a breach of fiduciary duty, then the FDIC shall issue to the institution proposing to convert a letter of non-objection to the proposed conversion.

(e) *Letter of objection.* If the FDIC determines, in its discretion, that the proposed conversion transaction poses a risk to the institution's safety or soundness, violates any law or regulation, or presents a breach of fiduciary duty, then the FDIC shall issue a letter to the institution stating its objection(s) to the proposed conversion and advising the institution not to consummate the proposed conversion until such letter is rescinded. A copy of the letter of objection shall be furnished to the institution's primary state regulator and any other state or federal banking regulator and state or federal securities regulator involved in the conversion.

(f) *Consummation of the conversion.* (1) An institution may consummate the proposed conversion upon either:

(i) The receipt of a letter of non-objection; or

(ii) The expiration of the notice period.

(2) If a letter of objection is issued, then the institution shall not consummate the proposed conversion until the FDIC rescinds such letter.

(a) *General.* (1) This subpart covers applications filed pursuant to section 38 of the FDI Act (12 U.S.C. 1831o), which requires insured depository institutions that are not adequately capitalized to receive approval prior to engaging in certain activities. Section 38 restricts or prohibits certain activities and requires an insured depository institution to submit a capital restoration plan when it becomes undercapitalized. The restrictions and prohibitions become more severe as an institution's capital level declines.

(b) *Institutions covered.* Restrictions and prohibitions contained in subpart H of part 324 of this chapter apply primarily to FDIC-supervised institutions, as well as to directors and senior executive officers of those institutions. Portions of subpart H of part 324 of this chapter also apply to all insured depository institutions that are deemed to be critically undercapitalized.

(b) *Content of filing.* Applications to engage in any of the following activities, as set forth in sections 38(i)(2) (A) through (G) of the FDI Act, shall describe the proposed activity and explain how the activity would further the purposes of section 38 of the FDI Act (12 U.S.C. 1831o):

(1) Enter into any material transaction other than in the usual course of business including any action with respect to which the institution is required to provide notice to the appropriate federal banking agency. Materiality will be determined on a case-by-case basis;

(2) Extend credit for any highly leveraged transaction. A highly leveraged transaction means an extension of credit to or investment in a business by an insured depository institution where the financing transaction involves a buyout, acquisition, or recapitalization of an existing business and one of the following criteria is met:

(i) The transaction results in a liabilities-to-assets leverage ratio higher than 75 percent; or

(ii) The transaction at least doubles the subject company's liabilities and results in a liabilities-to-assets leverage ratio higher than 50 percent; or

(iii) The transaction is designated a highly leverage transaction by a syndication agent or a federal bank regulator.

(iv) Loans and exposures to any obligor in which the total financing package, including all obligations held by all participants is \$20 million or more, or such lower level as the FDIC may establish by order on a case-by-case basis, will be excluded from this definition.

(3) Amend the institution's charter or bylaws, except to the extent necessary to carry out any other requirement of any law, regulation, or order;

(4) Make any material change in accounting methods;

(5) Engage in any covered transaction (as defined in section 23A(b) of the Federal Reserve Act (12 U.S.C. 371c(b)));

(6) Pay excessive compensation or bonuses. Part 364 of this chapter provides guidance for determining excessive compensation; or

(7) Pay interest on new or renewed liabilities at a rate that would increase the institution's weighted average cost of funds to a level significantly exceeding the prevailing rates of interest on insured deposits in the institution's normal market area. Subpart L—Section 19 of the FDI Act (Consent to Service of Persons Convicted of, or Who Have Program Entries for, Certain Criminal Offenses)

SOURCE: 85 FR 51319, Aug. 20, 2020, unless otherwise noted.

§ 303.220 What is section 19 of the FDI Act?

(a) This subpart covers applications under section 19 of the Federal Deposit Insurance Act (FDI Act), 12 U.S.C. 1829. Under section 19, any person who has been convicted of any criminal offense involving dishonesty, breach of trust, or money laundering, or has agreed to enter into a pretrial diversion or similar program (program entry) in connection with a prosecution for such offense, may not become, or continue as, an institution-affiliated party (IAP) of an insured depository institution (IDI); own or control, directly or indirectly, any IDI; or otherwise participate, directly or indirectly, in the conduct of the affairs of any IDI without the prior written consent of the FDIC.

(b) In addition, the law bars an IDI from permitting such a person to engage in any conduct or to continue any relationship prohibited by section 19. IDIs should therefore make a reasonable inquiry regarding an applicant's history to ensure that a person who has a conviction or program entry covered by the provisions of section 19 is not hired or permitted to participate in its affairs without the written consent of the FDIC issued under this subpart. FDIC-supervised IDIs may extend a conditional offer of employment contingent on the completion of a background check satisfactory to the institution and to determine if the applicant is barred under section 19, but the job applicant may not work for, be employed by, or otherwise participate in the affairs of the IDI until the IDI has

determined that the applicant is not barred under section 19.

(c) If there is a conviction or program entry covered by the bar of section 19, an application under this subpart must be filed seeking the FDIC's consent to become, or to continue as, an IAP; to own or control, directly or indirectly, an IDI; or to otherwise participate, directly or indirectly, in the affairs of the IDI. The application must be filed, and consented to, prior to serving in any of the foregoing capacities unless such application is not required under the subsequent provisions of this subpart. The purpose of an application is to provide the applicant an opportunity to demonstrate that, notwithstanding the bar, a person is fit to participate in the conduct of the affairs of an IDI without posing a risk to its safety and soundness or impairing public confidence in that institution. The burden is upon the applicant to establish that the application warrants approval.

§ 303.221 Who is covered by section 19?

(a) Section 19 covers IAPs, as defined by 12 U.S.C. 1813(u), and others who are participants in the conduct of the affairs of an IDI. Therefore, all employees of an IDI that fall within the scope of section 19, including de facto employees, as determined by the FDIC based upon generally applicable standards of employment law, will also be subject to section 19. Whether other persons who are not IAPs are covered depends upon their degree of influence or control over the management or affairs of an IDI. In the context of the FDIC's application of section 19, coverage would apply to an IDI's holding company's directors and officers to the extent that they have the power to define and direct the management or affairs of an IDI. Similarly, directors and officers of affiliates, subsidiaries or joint ventures of an IDI or its holding company will be covered if they participate in the affairs of the IDI or are in a position to influence or control the management or affairs of the insured institution. Typically, an independent contractor does not have a relationship with the IDI other than the activity for which the institution has contracted. An independent contractor who influences or controls the management or

Federal Deposit Insurance Corporation

§ 303.223

affairs of the IDI would be covered by section 19.

(b) The term “person,” for purposes of section 19, means an individual, and does not include a corporation, firm, or other business entity.

(c) Individuals who file an application with the FDIC under the provisions of section 19 who also seek to participate in the affairs of a bank holding company or savings and loan holding company may have to comply with any filing requirements of the Board of the Governors of the Federal Reserve System under 12 U.S.C. 1829(d) and (e).

(d) Section 19 specifically prohibits a person subject to its provisions from owning or controlling an IDI. The terms “control” and “ownership” under section 19 shall have the meaning given to the term “control” in the Change in Bank Control Act (12 U.S.C. 1817(j)(8)(B)). A person will be deemed to exercise “control” if that person has the power to vote 25 percent or more of the voting shares of an IDI (or 10 percent of the voting shares if no other person has more shares) or the ability to direct the management or policies of the institution. Under the same standards, a person will be deemed to “own” an IDI if that person owns 25 percent or more of the institution’s voting stock, or 10 percent of the voting shares if no other person owns more. These standards would also apply to an individual acting in concert with others so as to have such ownership or control. Absent the FDIC’s consent, persons subject to the prohibitions of section 19 will be required to divest their control or ownership of shares above the foregoing limits.

§ 303.222 What offenses are covered under section 19?

(a) The conviction or program entry must be for a criminal offense involving dishonesty, breach of trust, or money laundering. “Dishonesty” means directly or indirectly to cheat or defraud, to cheat or defraud for monetary gain or its equivalent, or wrongfully to take property belonging to another in violation of any criminal statute. Dishonesty includes acts involving want of integrity, lack of probity, or a disposition to distort, cheat, or act deceitfully or fraudulently, and

includes offenses that Federal, state or local laws define as dishonest. “Breach of trust” means a wrongful act, use, misappropriation, or omission with respect to any property or fund that has been committed to a person in a fiduciary or official capacity, or the misuse of one’s official or fiduciary position to engage in a wrongful act, use, misappropriation, or omission.

(b) Whether a crime involves dishonesty, breach of trust, or money laundering will be determined from the statutory elements of the offense itself or from court determinations that the statutory provisions of the offense involve dishonesty, breach of trust, or money laundering.

(c) All convictions or program entries for offenses concerning the illegal manufacture, sale, distribution of, or trafficking in controlled substances shall require an application unless no application is required under this subpart. Convictions or program entries for criminal offenses involving the simple possession of a controlled substance are not covered under section 19.

§ 303.223 What constitutes a conviction under section 19?

(a) *Convictions requiring an application.* There must be a conviction of record. Section 19 does not cover arrests or pending cases not brought to trial, unless the person has a program entry as set out in §303.224. Section 19 does not cover acquittals or any conviction that has been reversed on appeal, unless the reversal was for the purpose of re-sentencing. A conviction with regard to which an appeal is pending requires an application. A conviction for which a pardon has been granted will require an application.

(b) *Convictions not requiring an application.* When an individual is charged with a covered offense and, in the absence of a program entry as set out in §303.224, is subsequently convicted of an offense that is not a covered offense, the conviction is not subject to section 19.

(c) *Expungements.* If an order of expungement or an order to seal has been issued in regard to a conviction, or if a record has been otherwise expunged by operation of law, then the conviction shall not be considered a

§ 303.224

conviction of record and shall not require an application.

(d) *Youthful offenders.* An adjudication by a court against a person as a “youthful offender” under any youth-offender law applicable to minors as defined by state law, or any judgment as a “juvenile delinquent” by any court having jurisdiction over minors as defined by state law, does not require an application. Such an adjudication does not constitute a matter covered under section 19 and is not a conviction or program entry for determining the applicability of § 303.227.

§ 303.224 What constitutes a pretrial diversion or similar program (program entry) under section 19?

(a) A program entry is characterized by a suspension or eventual dismissal or reversal of charges or criminal prosecution upon agreement, whether formal or informal, by the accused to treatment, rehabilitation, restitution, or other non-criminal or non-punitive alternatives. Whether the outcome of a case constitutes a program entry is determined by relevant Federal, State, or local law, and, if not so designated under applicable law, then the determination of whether a disposition is a program entry will be made by the FDIC on a case-by-case basis. Program entries prior to November 29, 1990, are not covered by section 19.

(b) When a covered offense either is reduced by a program entry to an offense that would otherwise not be covered by section 19 or is dismissed upon successful completion of a program entry, the covered offense remains a covered offense for purposes of section 19. The covered offense will require an application unless it is *de minimis* as provided by § 303.227 of this subpart.

(c) Expungements or sealings of program entries will be treated the same as those for convictions.

§ 303.225 What are the types of applications that can be filed?

(a) *Institution filing requirement (bank-sponsored applications).* Applications are required to be filed by the IDI, which intends for a person covered by the provisions of section 19 to participate in its affairs. Bank-sponsored applications shall be filed with the appropriate

12 CFR Ch. III (1–1–24 Edition)

FDIC Regional Office, as required by this subpart.

(b) *Waiver applications.* If an IDI does not file an application regarding an individual, the individual may file a request for a waiver of the institution filing requirement. Such a waiver application shall be filed with the appropriate FDIC Regional Office and shall set forth substantial good cause why the application should be granted.

§ 303.226 When must an application be filed?

Except for situations in which no application is required under this subpart, an application must be filed when there is present a conviction by a court of competent jurisdiction for a covered offense by any adult or minor treated as an adult, or when such person has a program entry regarding that offense. Before an application is considered by the FDIC, all of the sentencing requirements associated with a conviction, or conditions imposed by the program entry, including but not limited to, imprisonment, fines, condition of rehabilitation, and probation requirements, must be completed, and the case must be considered final by the procedures of the applicable jurisdiction. The FDIC’s application forms as well as additional information concerning section 19 can be accessed at the FDIC’s regional offices or on the FDIC’s website.

§ 303.227 When is an application not required for a covered offense or program entry (de minimis offenses)?

(a) *In general.* Approval is automatically granted and an application will not be required where all of the following *de minimis* criteria are met.

(1) The individual has been convicted of, or has program entries for, no more than two covered offenses, including those subject to paragraph (b) of this section; and for each covered offense, all of the sentencing requirements associated with the conviction, or conditions imposed by the program entry, have been completed (the sentence- or program-completion requirement does not apply under paragraphs (b)(2) and (4) of this section);

(2) Each covered offense was punishable by imprisonment for a term of one

year or less and/or a fine of \$2,500 or less, and the individual served three days or less of jail time for each covered offense. The FDIC considers jail time to include any significant restraint on an individual's freedom of movement which includes, as part of the restriction, confinement to a specific facility or building on a continuous basis where the person may leave temporarily only to perform specific functions or during specified times periods or both. Jail time includes confinement to a psychiatric treatment center in lieu of a jail, prison, or house of correction on mental-competency grounds. The definition is *not* intended to include any of the following:

(i) Persons on probation or parole who may be restricted to a particular jurisdiction, or who must report occasionally to an individual or to a specified location;

(ii) Persons who are restricted to a substance-abuse treatment program facility for part or all of the day; and

(iii) Persons who are ordered to attend outpatient psychiatric treatment;

(3) If there are two convictions or program entries for a covered offense, each conviction or program entry was entered at least three years prior to the date an application would otherwise be required, except as provided in paragraph (b)(1) of this section; and

(4) Each covered offense was not committed against an IDI or insured credit union.

(b) *Other types of offenses for which the de minimis exception applies and no application is required*—(1) *Age of person at time of covered offense.* If there are two convictions or program entries for a covered offense, and the actions that resulted in both convictions or program entries all occurred when the individual was 21 years of age or younger, then the *de minimis* criteria in paragraph (a)(3) of this section shall be met if the convictions or program entries were entered at least 18 months prior to the date an application would otherwise be required.

(2) *Convictions or program entries for insufficient funds checks.* Convictions or program entries of record based on the writing of "bad" or insufficient funds check(s) shall be considered *de minimis*

offenses under this provision if the following conditions apply:

(i) The aggregate total face value of all "bad" or insufficient funds check(s) cited across all the conviction(s) or program entry(ies) for "bad" or insufficient funds checks is \$1,000 or less;

(ii) No IDI or insured credit union was a payee on any of the "bad" or insufficient funds checks that were the basis of the conviction(s) or program entry(ies); and

(iii) The individual has no more than one other *de minimis* offense under this section.

(3) *Convictions or program entries for small-dollar, simple theft.* Convictions or program entries based on the simple theft of goods, services, or currency (or other monetary instrument) shall be considered *de minimis* offenses under this provision if the following conditions apply. Simple theft excludes burglary, forgery, robbery, identity theft, and fraud.

(i) The value of the currency, goods, or services taken is \$1,000 or less;

(ii) The theft was not committed against an IDI or insured credit union;

(iii) The individual has no more than one other *de minimis* offense under this section; and

(iv) If there are two *de minimis* offenses under this section, each conviction or program entry was entered at least three years prior to the date an application would otherwise be required, or at least 18 months prior to the date an application would otherwise be required if the actions that resulted in the conviction or program entry all occurred when the individual was 21 years of age or younger.

(4) *Convictions or program entries for the use of a fake, false, or altered identification.* A conviction or program entry for the creation or possession of a fake, false, or altered form of identification by a person under the age of 21, or the use of a fake, false, or altered form of identification by such a person to circumvent age-based restrictions on purchases, activities, or premises entry, shall be considered a *de minimis* offense under this provision if the following conditions apply.

(i) The individual has no more than one other *de minimis* offense under this section; and

§ 303.228

12 CFR Ch. III (1-1-24 Edition)

(ii) If there are two *de minimis* offenses under this section, each conviction or program entry was entered at least three years prior to the date an application would otherwise be required; or at least 18 months prior to the date an application would otherwise be required if the actions that resulted in the conviction or program entry all occurred when the individual was 21 years of age or younger.

(c) *Fidelity bond coverage and disclosure to institutions.* Any person who meets the criteria under this section shall be covered by a fidelity bond to the same extent as others in similar positions, and shall disclose the presence of the conviction(s) or program entry(ies) to all IDIs in the affairs of which he or she intends to participate.

(d) *Non-qualifying convictions or program entries.* No conviction or program entry for a violation of the Title 18 sections set out in 12 U.S.C. 1829(a)(2) can qualify under any of the *de minimis* exceptions set out in this section.

§ 303.228 How to file an application.

Forms and instructions should be obtained from the FDIC's website (*www.fdic.gov*), and the application must be filed with the appropriate FDIC Regional Director. The application must be filed by an IDI on behalf of a person (bank-sponsored) unless the FDIC grants a waiver of that requirement (individual waiver). Individual waivers will be considered on a case-by-case basis where substantial good cause for granting a waiver is shown. A person may request an individual waiver and file an application on her or his own behalf within the same application. The appropriate Regional Office for a bank-sponsored application is the office covering the state where the IDI's home office is located. The appropriate Regional Office for an individual filing for a waiver of the institution filing requirement is the office covering the state where the person resides. States covered by each FDIC Regional Office can be located on the FDIC's website.

§ 303.229 How an application is evaluated.

(a) The ultimate determinations in assessing an application are whether

the person has demonstrated his or her fitness to participate in the conduct of the affairs of an IDI, and whether the affiliation, ownership, control, or participation by the person in the conduct of the affairs of the institution may constitute a threat to the safety and soundness of the institution or the interests of its depositors or threaten to impair public confidence in the institution. In determining the degree of risk, the FDIC will consider:

(1) Whether the conviction or program entry is for a criminal offense involving dishonesty, breach of trust, or money laundering and the specific nature and circumstances of the offense;

(2) Whether the participation directly or indirectly by the person in any manner in the conduct of the affairs of the IDI constitutes a threat to the safety and soundness of the institution or the interests of its depositors or threatens to impair public confidence in the institution;

(3) Evidence of rehabilitation including the person's age at the time of the covered offense, the amount of time that has elapsed since the occurrence of the conviction or program entry, and the person's employment history and full legal history;

(4) The position to be held or the level of participation by the person at an IDI;

(5) The amount of influence the person will be able to exercise over the operation, management, or affairs of an IDI;

(6) The ability of management of the IDI to supervise and control the person's activities;

(7) The level of ownership or control the person will have at an insured depository institution;

(8) The applicability of the IDI's fidelity bond coverage to the person; and

(9) Any additional factors in the specific case that appear relevant to the application or the applicant including, but not limited to, the opinion or position of the primary Federal or State regulator.

(b) The question of whether a person, who was convicted of a crime or who agreed to a program entry, was guilty of that crime shall not be at issue in a proceeding under this subpart or under 12 CFR part 308, subpart M.

Federal Deposit Insurance Corporation

§ 303.241

(c) The foregoing factors will also be applied by the FDIC to determine whether the interests of justice are served in seeking an exception in the appropriate court when an application is made to terminate the ten-year ban prior to its expiration date under 12 U.S.C. 1829(a)(2) for certain Federal offenses.

(d) All approvals and orders will be subject to the condition that the person be covered by a fidelity bond to the same extent as others in similar positions. In cases in which a waiver of the institution filing requirement has been granted to an individual, approval of the application will also be conditioned upon that person disclosing the presence of the conviction(s) or program entry(ies) to all IDIs in the affairs of which he or she wishes to participate.

(e) When deemed appropriate, bank-sponsored applications are to allow the person to work in a specific job at a specific bank and may also be subject to the additional conditions, including that the prior consent of the FDIC will be required for any proposed significant changes in the person's duties or responsibilities. In the case of bank-sponsored applications, such proposed changes may, in the discretion of the Regional Director, require a new application.

(f) In situations in which an approval has been granted for a person to participate in the affairs of a particular IDI and the person subsequently seeks to participate at another IDI, another application must be submitted and approved by the FDIC prior to the person participating in the affairs of the other IDI.

§ 303.230 What will the FDIC do if the application is denied?

(a) The FDIC will inform the applicant in writing that the application has been denied and summarize or cite the relevant considerations specified in § 303.229 of this subpart.

(b) The denial will also notify the applicant that a written request for a hearing under 12 CFR part 308, subpart M, may be filed with the Executive Secretary within 60 days after the denial. The request for a hearing must include the relief desired, the grounds

supporting the request for relief, and any supporting evidence.

§ 303.231 Waiting time for a subsequent application if an application is denied.

An application under section 19 may be made in writing at any time more than one year after the issuance of a decision denying an application under section 19. If the original denial is subject to a request for a hearing, then the subsequent application may be filed at any time more than one year after the decision of the Board of Directors, or its designee, denying the application. The prohibition against participating in the affairs of an IDI under section 19 shall continue until the individual has been granted consent in writing to participate in the affairs of an IDI by the Board of Directors or its designee.

Subpart M—Other Filings

§ 303.240 General.

This subpart sets forth the filing procedures to be followed when seeking the FDIC's consent to engage in certain activities or accomplish other matters as specified in the individual sections contained herein. depository institution as defined in § 303.2(r) will be acknowledged in writing by the FDIC and will receive expedited processing, unless the applicant is notified in writing to the contrary and provided with the basis for that decision. The FDIC may remove an application from expedited processing for any of the reasons set forth in § 303.11(c)(2). Absent such removal, an application processed under expedited processing will be deemed approved 20 days after the FDIC's receipt of a substantially complete application.

(g) *Standard processing.* For those applications that are not processed pursuant to expedited procedures, the FDIC will provide the applicant with written notification of the final action as soon as the decision is rendered.

(2) Where the institution continues to conduct trust activities pursuant to authority granted by its chartering authority subsequent to a charter conversion or withdrawal from membership in the Federal Reserve System.

[83 FR 60337, Nov. 26, 2018]

§ 303.243 Brokered deposits.

(a) *Brokered deposit waivers—(1) Scope.* Pursuant to section 29 of the FDI Act (12 U.S.C. 1831f) and part 337 of this chapter, an adequately capitalized insured depository institution may not accept, renew or roll over any brokered deposits unless it has obtained a waiver from the FDIC. A well-capitalized insured depository institution may accept brokered deposits without a waiver, and an undercapitalized insured depository institution may not accept, renew or roll over any brokered deposits under any circumstances. This section contains the procedures to be followed to file with the FDIC for a brokered deposit waiver. The FDIC will provide notice to the depository institution's appropriate federal banking agency and any state regulatory agency, as appropriate, that a request for a waiver has been filed and will consult with such agency or agencies, prior to taking action on the institution's request for a waiver. Prior notice and/or consultation shall not be required in any particular case if the FDIC determines that the circumstances require it to take action without giving such notice and opportunity for consultation.

(2) *Where to file.* Applicants shall submit a letter application to the appropriate FDIC office.

(3) *Content of filing.* The application shall contain the following:

(i) The time period for which the waiver is requested;

(ii) A statement of the policy governing the use of brokered deposits in the institution's overall funding and liquidity management program;

(iii) The volume, rates and maturities of the brokered deposits held currently and anticipated during the waiver period sought, including any internal limits placed on the terms, solicitation and use of brokered deposits;

(iv) How brokered deposits are costed and compared to other funding alternatives and how they are used in the institution's lending and investment activities, including a detailed discussion of asset growth plans;

(v) Procedures and practices used to solicit brokered deposits, including an identification of the principal sources of such deposits;

(vi) Management systems overseeing the solicitation, acceptance and use of brokered deposits;

(vii) A recent consolidated financial statement with balance sheet and income statements; and

(viii) The reasons the institution believes its acceptance, renewal, or roll-over of brokered deposits would pose no undue risk.

(4) *Additional information.* The FDIC may request additional information at any time during processing of the application.

(5) *Expedited processing for eligible depository institutions.* An application filed under this section by an eligible depository institution as defined in this paragraph will be acknowledged in writing by the FDIC and will receive expedited processing, unless the applicant is notified in writing to the contrary and provided with the basis for that decision. For the purpose of this section, an applicant will be deemed an eligible depository institution if it satisfies all of the criteria contained in § 303.2(r) except that the applicant may be adequately capitalized rather than well-capitalized. The FDIC may remove an application from expedited processing for any of the reasons set forth

in §303.11(c)(2). Absent such removal, an application processed under expedited procedures will be deemed approved 21 days after the FDIC's receipt of a substantially complete application.

(6) *Standard processing.* For those filings which are not processed pursuant to the expedited procedures, the FDIC will provide the applicant with written notification of the final action as soon as the decision is rendered.

(7) *Conditions for approval.* A waiver issued pursuant to this section shall:

(i) Be for a fixed period, generally no longer than two years, but may be extended upon refiling; and

(ii) May be revoked by the FDIC at any time by written notice to the institution.

(b) *Primary purpose exception notices and applications—(1) Scope.* This section sets forth a process for an agent or nominee, or an insured depository institution on behalf of an agent or nominee, to notify the FDIC that it will rely upon a designated exception in §337.6(a)(5)(v)(I)(1)(i) and (ii) of this chapter. This section also sets forth a process for an agent or nominee, or an insured depository institution on behalf of an agent or nominee, to apply for the primary purpose exception, as described in §337.6(a)(5)(v)(I)(2) of this chapter.

(2) *Definitions.* For purposes of this paragraph (b):

(i) *Third party* means an agent or nominee that submits a notice that it will rely upon a designated exception in §337.6(a)(5)(v)(I)(1)(i) and (ii) of this chapter or applies to be excluded from the definition of deposit broker pursuant to the primary purpose exception as described in §337.6(a)(5)(v)(I)(2) of this chapter.

(ii) *Notice filer* means a third party or an insured depository institution on behalf of a third party, that submits a written notice that the third party will rely upon a designated business exception in §337.6(a)(5)(v)(I)(1)(i) and (ii) of this chapter.

(iii) *Applicant* means a third party, or an insured depository institution on behalf of a third party, that applies to be excluded from the definition of deposit broker pursuant to the primary

purpose exception, as described in §337.6(a)(5)(v)(I)(2) of this chapter.

(3) *Notice requirement for designated business exceptions.* A third party, or an insured depository institution on behalf of a third party, must notify the FDIC through a written notice that the third party will rely upon a designated business exception described in §337.6(a)(5)(v)(I)(1)(i) and (ii) of this chapter in order to rely on that designated business exception.

(i) *Contents of notice.* The notice must include: The designated exception upon which the third party will rely; a brief description of the business line; the applicable specific contents for the designated exception; either a statement that there is no involvement of any additional third party who qualifies as a deposit broker or a brief description of any additional third party that may qualify as a deposit broker; and if the notice is provided by a nonbank third party, a list of the insured depository institutions that are receiving deposits by or through the particular business line. The applicable specific contents for the following designated exceptions are:

(A) *25 percent test (as described in §337.6(a)(5)(v)(I)(1)(i) of this chapter).* (1) The total amount of customer assets under administration by the third party for that particular business line; and

(2) The total amount of deposits placed by the third party on behalf of its customers, for that particular business line, at all depository institutions, being placed by that third party.

(B) *Enabling transactions test (as described in §337.6(a)(5)(v)(I)(1)(ii) of this chapter).* (1) Contractual evidence that there is no interest, fees, or other remuneration, being paid to any customer accounts; and

(2) A certification that all customer deposits that are placed at insured depository institutions are in transaction accounts.

(ii) *Additional information for notices.* The FDIC may request additional information from the notice filer at any time after receipt of the notice.

(iii) *Additional notice filers.* The FDIC may include notice and/or reporting requirements as part of a designated exception identified under § 337.6(a)(5)(v)(I)(2)(xiv) of this chapter.

(iv) *Subsequent notices.* A notice filer that previously submitted a notice under this section shall submit a subsequent notice to the FDIC if, at any point, the notice filer no longer meets the designated business exception that was the subject of its previous notice.

(v) *Ongoing requirements for notice filers.* Notice filers that submit a notice under *the 25 percent test* must provide quarterly updates to the FDIC on the figures described in paragraph (b)(3)(i)(A) of this section that were provided as part of the written notice. Notice filers that submit a notice under *the enabling transactions test* must provide an annual certification to the FDIC that the third party continues to place all customer funds at insured depository institutions into transaction accounts and that customers do not receive any interest, fees, or other remuneration.

(vi) *Revocation of primary purpose exception.* The FDIC may, with notice, revoke a primary purpose exception of a third party, or a person required to submit a notice under paragraph (b)(3)(iii) of this section, that qualifies for the primary purpose exception due to reliance on a designated exception, if:

(A) The third party no longer meets the criteria for a designated exception;

(B) The notice or subsequent reporting is inaccurate; or

(C) The notice filer fails to submit required reports.

(4) *Application requirements.* A third party, or an insured depository institution on behalf of a third party, may submit an application to the FDIC seeking a primary purpose exception for business relationships not designated in § 337.6(a)(5)(v)(I)(1) of this chapter.

(i) *For applications for primary purpose exception to enable transactions with fees, interest, or other remuneration provided to the depositor.* Applicants that seek the primary purpose exception where customer funds that are placed at depository institutions are placed into transaction accounts, and fees, inter-

est, or other remuneration are provided to the depositor, must include the following information, with respect to the particular business line:

(A) Contractual evidence on the amount of interest, fees, or other remuneration, being paid on customer accounts;

(B) Any marketing materials provided by the third party to insured depository institutions or its customers;

(C) The average number of transactions for all customer accounts, and an explanation of how its customers utilize its services for the purpose of making payments and not for the receipt of a deposit placement service or deposit insurance;

(D) The percentage of customer funds placed in deposit accounts that are not transaction accounts;

(E) A description of any additional third parties that provide assistance with the placement of deposits at insured depository institutions; and

(F) Any other information that the FDIC requires to initiate its review and render the application complete.

(ii) *For applications for primary purpose exception not covered by paragraph (b)(4)(i) of this section.* Applicants that seek the primary purpose exception, other than applications under paragraph (b)(4)(i) of this section, must include, to the extent applicable:

(A) A description of the deposit placement arrangements between the third party and insured depository institutions for the particular business line, including the services provided by any relevant third parties;

(B) A description of the particular business line;

(C) A description of the primary purpose of the particular business line;

(D) The total amount of customer assets under management by the third party, with respect to the particular business line;

(E) The total amount of deposits placed by the third party at all insured depository institutions, including the amounts placed with the applicant, if the applicant is an insured depository institution, with respect to the particular business line. This includes the total amount of term deposits and transactional deposits placed by the third party, but should be exclusive of

§ 303.244

12 CFR Ch. III (1–1–24 Edition)

the amount of brokered CDs, as defined in §337.6(a)(5)(v)(I)(3) of this chapter, being placed by that third party;

(F) Revenue generated from the third party’s activities related to the placement, or facilitating the placement, of deposits, with respect to the particular business line;
