§ 120.102 [Reserved]

§ 120.103 Are farm enterprises eligible?

Federal financial assistance to agricultural enterprises is generally made by the United States Department of Agriculture (USDA), but may be made by SBA under the terms of a Memorandum of Understanding between SBA and USDA. Farm-related businesses which are not agricultural enterprises are eligible businesses under SBA's business loan programs.

§ 120.104 Are businesses financed by SBICs eligible?

SBA may make or guarantee loans to a business financed by an SBIC if SBA's collateral position will be superior to that of the SBIC. SBA may also make or guarantee a loan to an otherwise eligible small business which temporarily is owned or controlled by an SBIC under the regulations in part 107 of this chapter. SBA neither guarantees SBIC loans nor makes loans jointly with SBICs.

§ 120.105 Special consideration for veterans.

SBA will give special consideration to a small business owned by a veteran or, if the veteran chooses not to apply, to a business owned or controlled by one of the veteran's dependents. If the veteran is deceased or permanently disabled, SBA will give special consideration to one survivor or dependent. SBA will process the application of a business owned or controlled by a veteran or dependent promptly, resolve close questions in the applicant's favor, and pay particular attention to maximum loan maturity. For SBA loans, a veteran is a person honorably discharged from active military service.
