

§ 11.81 What information must I include in my petition for an exemption?

You must include the following information in your petition for an exemption and submit it to FAA as soon as you know you need an exemption.

(a) Your name and mailing address and, if you wish, other contact information such as a fax number, telephone number, or e-mail address;

(b) The specific section or sections of 14 CFR from which you seek an exemption;

(c) The extent of relief you seek, and the reason you seek the relief;

(d) The reasons why granting your request would be in the public interest; that is, how it would benefit the public as a whole;

(e) The reasons why granting the exemption would not adversely affect safety, or how the exemption would provide a level of safety at least equal to that provided by the rule from which you seek the exemption;

(f) A summary we can publish in the FEDERAL REGISTER, stating:

(1) The rule from which you seek the exemption; and

(2) A brief description of the nature of the exemption you seek;

(g) Any additional information, views or arguments available to support your request; and

(h) If you want to exercise the privileges of your exemption outside the United States, the reason why you need to do so.

§ 11.83 How can I operate under an exemption outside the United States?

If you want to be able to operate under your exemption outside the United States, you must request this when you petition for relief and give us the reason for this use. If you do not provide your reason or we determine that it does not justify this relief, we will limit your exemption to use within the United States. Before we extend your exemption for use outside the United States, we will verify that the exemption would be in compliance with the Standards of the International Civil Aviation Organization (ICAO). If it would not, but we still believe it would be in the public interest to allow you to do so, we will file a difference

with ICAO. However, a foreign country still may not allow you to operate in that country without meeting the ICAO standard.

(c) The name of the petitioner;

(d) The petitioner's summary of the action requested and the reasons for requesting it; and

(e) A request for comments to assist FAA in evaluating the petition.

§ 11.87 Are there circumstances in which FAA may decide not to publish a summary of my petition for exemption?

The FAA may not publish a summary of your petition for exemption and request comments if you present or we find good cause why we should not delay action on your petition. The factors we consider in deciding not to request comment include:

(a) Whether granting your petition would set a precedent.

(b) Whether the relief requested is identical to exemptions granted previously.

(c) Whether our delaying action on your petition would affect you adversely.

(d) Whether you filed your petition in a timely manner.

§ 11.89 How much time do I have to submit comments to FAA on a petition for exemption?
