

in accordance with Regulation S would not be counted in the calculation of the number of purchasers under Regulation D. Similarly, proceeds from such sales would not be included in the aggregate offering price. The provisions of this paragraph (g), however, do not apply if the issuer elects to rely solely on Regulation D for offers or sales to persons made outside the United States. See §§ 230.502(a) and 230.152.

(A) The person's primary residence shall not be included as an asset;

(B) Indebtedness that is secured by the person's primary residence, up to the estimated fair market value of the primary residence at the time of the sale of securities, shall not be included as a liability (except that if the amount of such indebtedness outstanding at the time of sale of securities exceeds the amount outstanding 60 days before such time, other than as a result of the acquisition of the primary residence, the amount of such excess shall be included as a liability); and

(C) Indebtedness that is secured by the person's primary residence in excess of the estimated fair market value of the primary residence at the time of the sale of securities shall be included as a liability;

(C) The person held securities of the same issuer, other than such right, on July 20, 2010.

(8) Any entity in which all of the equity owners are accredited investors;

NOTE 1 TO PARAGRAPH (a)(8): It is permissible to look through various forms of equity ownership to natural persons in determining the accredited investor status of entities under this paragraph (a)(8). If those natural persons are themselves accredited investors, and if all other equity owners of the entity seeking accredited investor status are accredited investors, then this paragraph (a)(8) may be available.

(9) Any entity, of a type not listed in paragraph (a)(1), (2), (3), (7), or (8), not

In determining whether to designate a professional certification or designation or credential from an accredited educational institution for purposes of this paragraph (a)(10), the Commission will consider, among others, the following attributes:

(i) The certification, designation, or credential arises out of an examination or series of examinations administered by a self-regulatory organization or other industry body or is issued by an accredited educational institution;

(ii) The examination or series of examinations is designed to reliably and validly demonstrate an individual's comprehension and sophistication in the areas of securities and investing;

(iv) An indication that an individual holds the certification or designation is either made publicly available by the relevant self-regulatory organization or other industry body or is otherwise independently verifiable;

NOTE 1 TO PARAGRAPH (a)(10): The Commission will designate professional certifications or designations or credentials for purposes of this paragraph (a)(10), by order, after notice and an opportunity for public comment. The professional certifications or designations or credentials currently recognized by the Commission as satisfying the above criteria will be posted on the Commission's website.

(11) Any natural person who is a "knowledgeable employee," as defined in rule 3c-5(a)(4) under the Investment Company Act of 1940 (17 CFR 270.3c-

5(a)(4)), of the issuer of the securities being offered or sold where the issuer would be an investment company, as defined in section 3 of such act, but for the exclusion provided by either section 3(c)(1) or section 3(c)(7) of such act;

(12) Any “family office,” as defined in rule 202(a)(11)(G)-1 under the Investment Advisers Act of 1940 (17 CFR 275.202(a)(11)(G)-1):

(i) With assets under management in excess of \$5,000,000,

(ii) That is not formed for the specific purpose of acquiring the securities offered, and

(b) *Affiliate*. An *affiliate* of, or person *affiliated* with, a specified person shall mean a person that directly, or indirectly through one or more intermediaries, controls or is controlled by, or is under common control with, the person specified.

(c) *Aggregate offering price*. *Aggregate offering price* shall mean the sum of all cash, services, property, notes, cancellation of debt, or other consideration to be received by an issuer for issuance of its securities. Where securities are being offered for both cash and non-cash consideration, the aggregate offering price shall be based on the price at which the securities are offered for cash. Any portion of the aggregate offering price attributable to cash received in a foreign currency shall be translated into United States currency at the currency exchange rate in effect at a reasonable time prior to or on the date of the sale of the securities. If securities are not offered for cash, the aggregate offering price shall be based on the value of the consider-

ation as established by bona fide sales of that consideration made within a reasonable time, or, in the absence of sales, on the fair value as determined by an accepted standard. Such valuations of non-cash consideration must be reasonable at the time made.

(d) *Business combination*. *Business combination* shall mean any transaction of the type specified in paragraph (a) of Rule 145 under the Act (17 CFR 230.145) and any transaction involving the acquisition by one issuer, in exchange for all or a part of its own or its parent's stock, of stock of another issuer if, immediately after the acquisition, the acquiring issuer has control of the other issuer (whether or not it had control before the acquisition).

(e) *Calculation of number of purchasers*. For purposes of calculating the number of purchasers under § 230.506(b) only, the following shall apply:

(1) The following purchasers shall be excluded:

(i) Any relative, spouse or relative of the spouse of a purchaser who has the same primary residence as the purchaser;

(ii) Any trust or estate in which a purchaser and any of the persons related to him as specified in paragraph (e)(1)(i) or (e)(1)(iii) of this section collectively have more than 50 percent of the beneficial interest (excluding contingent interests);

(iii) Any corporation or other organization of which a purchaser and any of the persons related to him as specified in paragraph (e)(1)(i) or (e)(1)(ii) of this section collectively are beneficial owners of more than 50 percent of the equity securities (excluding directors' qualifying shares) or equity interests; and

(iv) Any accredited investor.

(2) A corporation, partnership or other entity shall be counted as one purchaser. If, however, that entity is organized for the specific purpose of acquiring the securities offered and is not an accredited investor under paragraph (a)(8) of this section, then each beneficial owner of equity securities or equity interests in the entity shall count as a separate purchaser for all provisions of Regulation D (§§ 230.501-230.508), except to the extent provided in paragraph (e)(1) of this section.

(3) A non-contributory employee benefit plan within the meaning of Title I of the Employee Retirement Income Security Act of 1974 shall be counted as one purchaser where the trustee makes all investment decisions for the plan.

NOTE: The issuer must satisfy all the other provisions of Regulation D for all purchasers whether or not they are included in calculating the number of purchasers. Clients of an investment adviser or customers of a broker or dealer shall be considered the “purchasers” under Regulation D regardless of the amount of discretion given to the investment adviser or broker or dealer to act on behalf of the client or customer.

(f) *Executive officer.* *Executive officer* shall mean the president, any vice president in charge of a principal business unit, division or function (such as sales, administration or finance), any other officer who performs a policy making function, or any other person who performs similar policy making functions for the issuer. Executive officers of subsidiaries may be deemed executive officers of the issuer if they perform such policy making functions for the issuer.

(g) *Final order.* *Final order* shall mean a written directive or declaratory statement issued by a federal or state agency described in § 230.506(d)(1)(iii) under applicable statutory authority that provides for notice and an opportunity for hearing, which constitutes a final disposition or action by that federal or state agency.

(h) *Issuer.* The definition of the term *issuer* in section 2(a)(4) of the Act shall apply, except that in the case of a proceeding under the Federal Bankruptcy Code (11 U.S.C. 101 *et seq.*), the trustee or debtor in possession shall be considered the issuer in an offering under a plan or reorganization, if the securities are to be issued under the plan.

(i) *Purchaser representative.* *Purchaser representative* shall mean any person who satisfies all of the following conditions or who the issuer reasonably believes satisfies all of the following conditions:

(1) Is not an affiliate, director, officer or other employee of the issuer, or beneficial owner of 10 percent or more of any class of the equity securities or 10 percent or more of the equity interest

in the issuer, except where the purchaser is:

(i) A relative of the purchaser representative by blood, marriage or adoption and not more remote than a first cousin;

(ii) A trust or estate in which the purchaser representative and any persons related to him as specified in paragraph (h)(1)(i) or (h)(1)(iii) of this section collectively have more than 50 percent of the beneficial interest (excluding contingent interest) or of which the purchaser representative serves as trustee, executor, or in any similar capacity; or

(iii) A corporation or other organization of which the purchaser representative and any persons related to him as specified in paragraph (h)(1)(i) or (h)(1)(ii) of this section collectively are the beneficial owners of more than 50 percent of the equity securities (excluding directors’ qualifying shares) or equity interests;

(2) Has such knowledge and experience in financial and business matters that he is capable of evaluating, alone, or together with other purchaser representatives of the purchaser, or together with the purchaser, the merits and risks of the prospective investment;

(3) Is acknowledged by the purchaser in writing, during the course of the transaction, to be his purchaser representative in connection with evaluating the merits and risks of the prospective investment; and

(4) Discloses to the purchaser in writing a reasonable time prior to the sale of securities to that purchaser any material relationship between himself or his affiliates and the issuer or its affiliates that then exists, that is mutually understood to be contemplated, or that has existed at any time during the previous two years, and any compensation received or to be received as a result of such relationship.

(j) *Spousal equivalent.* The term *spousal equivalent* shall mean a cohabitant occupying a relationship generally equivalent to that of a spouse.

NOTE 1 TO § 230.501: A person acting as a purchaser representative should consider the applicability of the registration and anti-fraud provisions relating to brokers and dealers under the Securities Exchange Act of

1934 (*Exchange Act*) (15 U.S.C. 78a *et seq.*, as amended) and relating to investment advisers under the Investment Advisers Act of 1940.

NOTE 2 TO § 230.501: The acknowledgment required by paragraph (h)(3) and the disclosure required by paragraph (h)(4) of this section must be made with specific reference to each prospective investment. Advance blanket acknowledgment, such as for *all securities transactions* or *all private placements*, is not sufficient.

NOTE 3 TO § 230.501: Disclosure of any material relationships between the purchaser representative or his affiliates and the issuer or its affiliates does not relieve the purchaser representative of his obligation to act in the interest of the purchaser.

§ 230.502 General conditions to be met.

The following conditions shall be applicable to offers and sales made under Regulation D (§ 230.500 *et seq.* of this chapter):

(a) *Integration.* To determine whether offers and sales should be integrated, see § 230.152.

(b) *Information requirements*—(1) *When information must be furnished.* If the issuer sells securities under § 230.506(b) to any purchaser that is not an accredited investor, the issuer shall furnish the information specified in paragraph (b)(2) of this section to such purchaser a reasonable time prior to sale. The issuer is not required to furnish the specified information to purchasers when it sells securities under § 230.504, or to any accredited investor.

NOTE: When an issuer provides information to investors pursuant to paragraph (b)(1), it should consider providing such information to accredited investors as well, in view of the anti-fraud provisions of the federal securities laws.

(2) *Type of information to be furnished.*
(i) If the issuer is not subject to the reporting requirements of section 13 or 15(d) of the Exchange Act, at a reasonable time prior to the sale of securities the issuer shall furnish to the purchaser, to the extent material to an understanding of the issuer, its business and the securities being offered:

(A) *Non-financial statement information.* If the issuer is eligible to use Regulation A (§ 230.251–263), the same kind of information as would be required in Part II of Form 1–A (§ 239.90 of this chapter). (B) *Financial statement information*—
(1) *Offerings up to \$20,000,000.* The financial statement information required by paragraph (b) of Part F/S of Form 1–A. Such financial statement information must be prepared in accordance with generally accepted accounting principles in the United States (US GAAP). If the issuer is a foreign private issuer, such financial statements must be prepared in accordance with either US GAAP or International Financial Reporting Standards (IFRS) as issued by the International Accounting Standards Board (IASB). If the financial statements comply with IFRS, such compliance must be explicitly and unreservedly stated in the notes to the financial statements and if the financial statements are audited, the auditor's report must include an opinion on whether the financial statements comply with IFRS as issued by the IASB.

(2) *Offerings over \$20,000,000.* The financial statement information required by paragraph (c) of Part F/S of Form 1–A (referenced in § 239.90 of this chapter). If the issuer is a foreign private issuer, such financial statements must be prepared in accordance with either US GAAP or IFRS as issued by the IASB. If the financial statements comply with IFRS, such compliance must be explicitly and unreservedly stated in the notes to the financial statements and the auditor's report must include an opinion on whether the financial statements comply with IFRS as issued by the IASB.

(C) If the issuer is a foreign private issuer eligible to use Form 20–F (§ 249.220f of this chapter), the issuer shall disclose the same kind of information required to be included in a registration statement filed under the Act on the form that the issuer would
