§ 239.12 [Reserved]

§ 239.13 Form S–3, for registration under the Securities Act of 1933 of securities of certain issuers offered pursuant to certain types of transactions.

This instruction sets forth registrant requirements and transaction requirements for the use of Form S–3. Any registrant which meets the requirements of paragraph (a) of this section (“Registrant Requirements”) may use this Form for the registration of securities under the Securities Act of 1933 (“Securities Act”) which are offered in any transaction specified in paragraph (b) of this section (“Transaction Requirement”) provided that the requirement applicable to the specified transaction are met. With respect to majority-owned subsidiaries, see paragraph (c) of this section. With respect to well-known seasoned issuers and majority-owned subsidiaries of well-known seasoned issuers, see paragraph (d) of this section.

(a) *Registrant requirements.* Registrants must meet the following conditions in order to use this Form for registration under the Securities Act of securities offered in the transactions specified in paragraph (b) of this section:

(1) The registrant is organized under the laws of the United States or any State or Territory or the District of Columbia and has its principal business operations in the United States or its territories.

(2) The registrant has a class of securities registered pursuant to section 12(b) of the Securities Exchange Act of 1934 (*Exchange Act*) or a class of equity securities registered pursuant to section 12(g) of the Exchange Act or is required to file reports pursuant to section 15(d) of the Exchange Act;

(3) The registrant: (i) Has been subject to the requirements of section 12 or 15(d) of the Exchange Act and has filed all the material required to be filed pursuant to sections 13, 14 or 15(d) for a period of at least twelve calendar months immediately preceding the filing of the registration statement on this Form; and

(ii) Has filed in a timely manner all reports required to be filed during the twelve calendar months and any portion of a month immediately preceding the filing of the registration statement, other than a report that is required solely pursuant to Item 1.01, 1.02, 1.05, 2.03, 2.04, 2.05, 2.06, 4.02(a), 6.01, 6.03, or 6.05 of Form 8–K (§249.308 of this chapter). If the registrant has used (during the twelve calendar months and any portion of a month immediately preceding the filing of the registration statement) §240.12b–25(b) of this chapter with respect to a report or a portion of a report, that report or portion thereof has actually been filed within the time period prescribed by that section; and

(6) If the registrant is a successor registrant, it shall be deemed to have met conditions in paragraph (a)(1), (2), (3), and (5) of this section if:

(i) its predecessor and it, taken together, do so, provided that the succession was primarily for the purpose of changing the state of incorporation of the predecessor or forming a holding company and that the assets and liabilities of the successor at the time of succession were substantially the same as those of the predecessor; or

Instruction to paragraph (b)(1): The aggregate market value of the registrant's outstanding voting stock shall be computed by use of the price at which the stock was last sold, or the average of the bid and asked prices of such stock, as of a date within 60 days prior to the date of filing. See the definition of affiliate in Securities Act Rule 405 (§ 230.405 of this chapter).

With respect to majority-owned subsidiaries, see paragraph (a)(5) of this section. With respect to well-known seasoned issuers and majority-owned subsidiaries of well-known seasoned issuers, see paragraph (c) of this section.

(3) Neither the registrant nor any of its consolidated or unconsolidated subsidiaries have, since the end of their last fiscal year for which certified financial statements of the registrant and its consolidated subsidiaries were included in a report filed pursuant to section 13(a) or 15(d) of the Exchange Act: (i) Failed to pay any dividend or sinking fund installment on preferred stock; or (ii) defaulted (A) on any installment or installments on indebtedness for borrowed money, or (B) on any rental on one or more long term leases, which defaults in the aggregate are material to the financial position of the registrant and its consolidated and unconsolidated subsidiaries, taken as a whole.

(4) If the registrant is a successor registrant, it shall be deemed to have met conditions 1, 2, 3 and 4 above if: (i) Its predecessor and it, taken together, do so, provided that the succession was primarily for the purpose of changing the state or other jurisdiction of incorporation of the predecessor or forming a holding company and that the assets and liabilities of the successor at the time of succession were substantially the same as those of the predecessor; or (ii) all predecessors met the conditions at the time of succession and the reg-

(iii) The parent of the registrant-subsiary meets the Registrant Requirements and the applicable Transaction Requirement, and provides a full and unconditional guarantee, as defined in Rule 3-10 of Regulation S-X (§210.33-10 of this chapter), of the payment obligation on the securities being registered, and the securities being registered are non-convertible securities, other than common equity;

(iv) The parent of the registrant-subsiary meets the Registrant Requirements and the applicable Transaction Requirement, and the securities of the registrant-subsiary being registered are full and unconditional guarantees, as defined in Rule 3-10 of Regulation S-X, of the payment obligations on the parent's non-convertible securities, other than common equity, being registered; or

§ 239.41 Form F-80, for registration under the Securities Act of 1933 of securities of certain Canadian issuers to be issued in exchange offers or a business combination.

(a) Form F-80 may be used for registration under the Securities Act of 1933 (“Securities Act”) of securities to be issued in an exchange offer or in connection with a statutory amalgamation, merger, arrangement or other reorganization requiring the vote of shareholders of the participating companies (a “business combination”). Securities may be registered on this Form whether they constitute the sole consideration for such exchange offer or business combination, or are offered in conjunction with cash.

(b) This Form shall not be used for registration of securities if no takeover

bid circular or issuer bid circular (in the case of an exchange offer) or information circular (in the case of a business combination) is prepared pursuant to the requirements of any Canadian jurisdiction due to the availability of an exemption from such requirements.

(c) This Form may not be used for registration of derivative securities except:

(1) Warrants, options and rights, provided that such securities and the underlying securities to which they relate are issued by the registrant, its parent or an affiliate of either; and

(2) Convertible securities, provided that such securities are convertible only into securities of the registrant, its parent or an affiliate of either.

Instruction: For purposes of this Form, an “affiliate” of a person is anyone who beneficially owns, directly or indirectly, or exercises control or direction over, more than 10 percent of the outstanding equity shares of such person. The determination of a person’s affiliates shall be made as of the end of such person’s most recently completed fiscal year.

(d) In the case of an exchange offer, Form F-80 is available to any registrant that:

(1) Is incorporated or organized under the laws of Canada or any Canadian province or territory;

(2) Is a foreign private issuer;

(3) Has had a class of its securities listed on The Montreal Exchange, The Toronto Stock Exchange or the Senior Board of the Vancouver Stock Exchange for the 12 calendar months immediately preceding the filing of this Form, has been subject to the continuous disclosure requirements of any securities commission or equivalent regulatory authority in Canada for a period of at least 36 calendar months immediately preceding the filing of this Form, and is currently in compliance with obligations arising from such listing and reporting; and

(4) Has an aggregate market value of the public float of its outstanding equity shares of (CN) \$75 million or more; *provided, however,* that such public float requirement need not be satisfied if the issuer of the securities to be exchanged is also the registrant on this Form.

Instructions: 1. For purposes of this Form, “foreign private issuer” shall be construed in

Securities and Exchange Commission

§ 239.41

accordance with Rule 405 under the Securities Act.

2. For purposes of this Form, “equity shares” shall mean common shares, non-voting equity shares and subordinate or restricted voting equity shares, but shall not include preferred shares.

3. For purposes of this Form, the “public float” of specified securities shall mean only such securities held by persons other than affiliates of the issuer.

4. For purposes of this Form, the market value of the public float of outstanding equity shares shall be computed by use of the price at which such shares were last sold, or the average of the bid and asked prices of such shares, in the principal market for such shares as of a date within 60 days prior to the date of filing. If there is no market for any of such securities, the book value of such securities computed as of the latest practicable date prior to the filing of this Form shall be used for purposes of calculating the market value, unless the issuer of such securities is in bankruptcy or receivership or has an accumulated capital deficit, in which case one-third of the principal amount, par value or stated value of such securities shall be used.

(e) In the case of an exchange offer, the securities to be registered on this Form shall be offered to U. S. holders upon terms and conditions not less favorable than those offered to any other holder of the same class of the securities to be exchanged (the “subject securities”) for the securities of the registrant.

(f) In the case of an exchange offer, if the registrant is a successor registrant subsisting after a business combination, the registrant shall be deemed to meet the 36-month reporting requirement and the 12-month listing requirement of paragraph (d) (3) of this section if:

(1) The time the successor registrant has been subject to the continuous disclosure requirements of any securities commission or equivalent regulatory authority in Canada, when added separately to the time each predecessor had been subject to such requirements at the time of the business combination, in each case equals at least 36 calendar months, *provided, however*, that any predecessor need not be considered for purposes of the reporting history calculation if the reporting histories of predecessors whose assets and gross revenues, respectively, would contribute at least 80 percent of the total

assets and gross revenues from continuing operations of the successor registrant, as measured based on pro forma combination of such participating companies’ most recently completed fiscal years immediately prior to the business combination, when combined with the reporting history of the successor registrant in each case satisfy such 36-month reporting requirement;

(2) The time the successor registrant has been subject to the listing requirements of the specified exchanges, when added separately to the time each predecessor had been subject to such requirements at the time of the business combination, in each case equals at least 12 calendar months, *provided, however*, that any predecessor need not be considered for purposes of the listing history calculation if the listing histories of predecessors whose assets and gross revenues, respectively, would contribute at least 80 percent of the total assets and gross revenues from continuing operations of the successor registrant, as measured based on pro forma combination of such participating companies’ most recently completed fiscal years immediately prior to the business combination, when combined with the listing history of the successor registrant in each case satisfy such 12-month listing requirement; and

(3) The successor registrant has been subject to such continuous disclosure requirements and listing requirements since the business combination, and is currently in compliance with its obligations thereunder.

(g) In the case of an exchange offer, the issuer of the subject securities shall be incorporated or organized under the laws of Canada or any Canadian province or territory and be a foreign private issuer, and less than 40 percent of the class of subject securities outstanding shall be held by U.S. holders.

Instructions: 1. For purposes of exchange offers, the term “U.S. holder” shall mean any person whose address appears on the records of the issuer of the subject securities, any voting trustee, any depositary, any share transfer agent or any person acting in a similar capacity on behalf of the issuer of the subject securities as being located in the United States.

2. With respect to any tender offer, including any exchange offer, otherwise eligible to proceed in accordance with Rule 14d-1(b) under the Securities Exchange Act of 1934 (the “Exchange Act”), the issuer of the subject securities will be presumed to be a foreign private issuer and U.S. holders will be presumed to hold less than 40 percent of such outstanding securities, unless (a) the aggregate trading volume of that class on national securities exchanges in the United States and on NASDAQ exceeded its aggregate trading volume on securities exchanges in Canada and on the Canadian Dealing Network, Inc. (“CDN”) over the 12 calendar month period prior to commencement of this offer, or if commenced in response to a prior offer, over the 12 calendar month period prior to commencement of the initial offer (based on volume figures published by such exchanges and NASDAQ and CDN); (b) the most recent annual report or annual information form filed or submitted by the issuer with securities regulators of Ontario, Quebec, British Columbia or Alberta (or, if the issuer of the subject securities is not a reporting issuer in any of such provinces, with any other Canadian securities regulator) or with the Commission indicates that U.S. holders hold 40 percent or more of the outstanding subject class of securities; or (c) the offeror has actual knowledge that the level of U.S. ownership equals or exceeds 40 percent of such securities.

3. For purposes of this Form, if this Form is filed during the pendency of one or more ongoing cash tender or exchange offers for securities of the class subject to the offer that was commenced or was eligible to be commenced on Schedule 13E-4F, Schedule 14D-1F, and/or Form F-8 or Form F-80, the date for calculation of U.S. ownership shall be the same as that date used by the initial bidder or issuer.

4. For purposes of this Form, the class of subject securities shall not include any securities that may be converted into or are exchangeable for the subject securities.

5. For purposes of exchange offers, the calculation of U.S. holders shall be made as of the end of the subject issuer’s last quarter or, if such quarter terminated within 60 days of the filing date, as of the end of such issuer’s preceding quarter.

(h) In the case of a business combination, Form F-80 is available if:

(1) Each company participating in the business combination, including the successor registrant, is incorporated or organized under the laws of Canada or any Canadian province or territory and is a foreign private issuer;

(2) Each company participating in the business combination other than

the successor registrant has had a class of its securities listed on The Montreal Exchange, The Toronto Stock Exchange or the Senior Board of the Vancouver Stock Exchange for the 12 calendar months immediately preceding the filing of this Form, has been subject to the continuous disclosure requirements of any securities commission or equivalent regulatory authority in Canada for a period of at least 36 calendar months immediately preceding the filing of this Form, and is currently in compliance with obligations arising from such listing and reporting; *provided, however*, that any such participating company shall not be required to meet such 36-month reporting requirement or 12-month listing requirement if other participating companies whose assets and gross revenues, respectively, would contribute at least 80 percent of the total assets and gross revenues from continuing operations of the successor registrant, as measured based on pro forma combination of the participating companies’ most recently completed fiscal years, each meet such reporting and listing requirements; and

(3) The aggregate market value of the public float of the outstanding equity shares of each company participating in the business combination other than the successor registrant is (CN) \$75 million or more; *provided, however*, that any such participating company shall not be required to meet such public float requirement if other participating companies whose assets and gross revenues, respectively, would contribute at least 80 percent of the total assets and gross revenues from continuing operations of the successor registrant, as measured based on pro forma combination of the participating companies’ most recently completed fiscal years, each meet such public float requirement; and, *provided further*, that such public float requirement shall be deemed satisfied in the case of a participating company whose equity shares were the subject of an exchange offer that was registered or would have been eligible for registration on Form F-8, Form F-10 or Form F-80, or a tender offer in connection with which Schedule 13E-4F or 14D-1F was filed or could have been filed, that terminated within the last twelve months, if the

Securities and Exchange Commission

§ 239.42

participating company would have satisfied such public float requirement immediately prior to commencement of such exchange or tender offer.

(i) In the case of a business combination, less than 40 percent of the class of securities to be offered by the successor registrant shall be held by U.S. holders, as if measured immediately after completion of the business combination.

Instructions: 1. For purposes of business combinations, the term “U.S. holder” shall mean any person whose address appears on the records of a participating company, any voting trustee, any depositary, any share transfer agent or any person acting in a similar capacity on behalf of a participating company as being located in the United States.

2. For purposes of business combinations, the calculation of U.S. holders shall be made by a participant as of the end of such participant's last quarter or, if such quarter terminated within 60 days of the filing date, as of the end of such participant's preceding quarter.

(j) In the case of a business combination, the securities to be registered on this Form shall be offered to U.S. holders upon terms and conditions not less favorable than those offered to any other holder of the same class of such securities of the participating company.

(k) This Form shall not be used if the registrant or, in the case of an exchange offer, the issuer of the subject securities is an investment company registered or required to be registered under the Investment Company Act of 1940.

(l) Registrants and any non-U.S. person acting as trustee with respect to the securities being registered shall each file a Form F-X (§239.42 of this chapter) with the Commission at the time of filing this Form.

§ 239.45 Form SF-3, for registration under the Securities Act of 1933 for offerings of asset-backed issuers offered pursuant to certain types of transactions.

This Form may be used for registration under the Securities Act of 1933 (“Securities Act”) of offerings of asset-backed securities, as defined in 17 CFR 229.1101(c). Any registrant which meets the requirements of paragraph (a) of this section may use this Form for the registration of asset-backed securities (as defined in 17 CFR 229.1101(c)) under the Securities Act which are offered in any transaction specified in paragraph (b) of this section provided that the requirements applicable to the specified transaction are met. Terms used have the same meaning as in Item 1101 of Regulation AB (17 CFR 229.1101).

(a) *Registrant requirements.* Registrants must meet the following conditions in order to use this Form for registration under the Securities Act of asset-backed securities offered in the transactions specified in paragraph (b) of this section:

(1) To the extent the depositor or any issuing entity previously established, directly or indirectly, by the depositor or any affiliate of the depositor (as defined in Item 1101 of Regulation AB (17 CFR 229.1101)) is or was at any time during the twelve calendar months and

17 CFR Ch. II (4–1–25 Edition)

any portion of a month immediately preceding the filing of the registration statement on this Form required to comply with the transaction requirements in paragraphs (b)(1)(i) through (iv) of this section with respect to a previous offering of asset-backed securities involving the same asset class, the following requirements shall apply:

(i) Such depositor and each such issuing entity must have filed on a timely basis all certifications required by paragraph (b)(1)(i) of this section; and

(ii) Such depositor and each such issuing entity must have filed on a timely basis all transaction agreements containing the provisions that are required by paragraphs (b)(1)(ii) through (iv) of this section.

(iii) If such depositor or issuing entity fails to meet the requirements of paragraphs (a)(1)(i) and (ii) of this section, such depositor or issuing entity will be deemed to satisfy such requirements for purposes of this Form 90 days after the date it files the information required by paragraphs (a)(1)(i) and (ii) of this section; provided however that if the information is filed within 90 days of evaluating compliance with this paragraph (a) such depositor and issuing entity will be deemed to have been in compliance with such requirements for purposes of this Form 90 days after the date it files the information required by paragraphs (a)(1)(i) and (ii) of this section.

Instruction to paragraph (a)(1). The registrant must provide disclosure in a prospectus that is part of the registration statement that it has met the registrant requirements of paragraph (a)(1) of this section.

(2) To the extent the depositor or any issuing entity previously established, directly or indirectly, by the depositor or any affiliate of the depositor (as defined in Item 1101 of Regulation AB (17 CFR 229.1101)) is or was at any time during the twelve calendar months and any portion of a month immediately preceding the filing of the registration statement on this Form subject to the requirements of section 12 or 15(d) of the Exchange Act (15 U.S.C. 78l or 78o(d)) with respect to a class of asset-backed securities involving the same asset class, such depositor and each such issuing entity must have filed all

material required to be filed regarding such asset-backed securities pursuant to section 13 or 15(d) of the Exchange Act (15 U.S.C. 78m or 78o(d)) for such period (or such shorter period that each such entity was required to file such materials). In addition, such material must have been filed in a timely manner, other than a report that is required solely pursuant to Item 1.01, 1.02, 2.03, 2.04, 2.05, 2.06, 4.02(a), 6.01, or 6.03 of Form 8-K (17 CFR 249.308). If §240.12b-25(b) of this chapter was used during such period with respect to a report or a portion of a report, that report or portion thereof has actually been filed within the time period prescribed by §240.12b-25(b) of this chapter. Regarding an affiliated depositor that became an affiliate as a result of a business combination transaction during such period, the filing of any material prior to the business combination transaction relating to asset-backed securities of an issuing entity previously established, directly or indirectly, by such affiliated depositor is excluded from this section, provided such business combination transaction was not part of a plan or scheme to evade the requirements of the Securities Act or the Exchange Act. See the definition of "affiliate" in §230.405 of this chapter.

(b) *Transaction Requirements.* If the registrant meets the registrant requirements specified in paragraph (a) of this section, an offering meeting the following conditions may be registered on this Form SF-3:

(1) Asset-backed securities (as defined in §229.1101(c) of this chapter) to be offered for cash where the following have been satisfied:

(i) *Certification.* The registrant files a certification in accordance with Item 601(b)(36) of Regulation S-K (§229.601(b)(36) of this chapter) signed by the chief executive officer of the depositor with respect to each offering of securities that is registered on this Form.

(ii) *Asset review provision.* With respect to each offering of securities that is registered on this Form, the pooling and servicing agreement or other transaction agreement, which shall be filed, must provide for the following:

(A) The selection and appointment of an asset representations reviewer that is not:

(1) Affiliated with any sponsor, depositor, servicer, or trustee of the transaction, or any of their affiliates; or

(2) The same party or an affiliate of any party hired by the sponsor or the underwriter to perform pre-closing due diligence work on the pool assets;

(B) The asset representations reviewer shall have authority to access copies of any underlying documents related to performing a review of the pool assets;

(C) The asset representations reviewer shall be responsible for reviewing the underlying assets for compliance with the representations and warranties on the pool assets, and shall not otherwise be the party to determine whether noncompliance with representations or warranties constitutes a breach of any contractual provision. Reviews shall be required under the transaction documents, at a minimum, when the following conditions are met:

(1) A threshold of delinquent assets, as specified in the transaction agreements, has been reached or exceeded; and

(2) An investor vote to direct a review, pursuant to the processes specified in the transaction agreements, provided that the agreement not require more than:

(i) 5% of the total interest in the pool in order to initiate a vote and

(ii) A simple majority of those interests casting a vote to direct a review by the asset representations reviewer;

(D) The asset representations reviewer shall perform, at a minimum, reviews of all assets 60 days or more delinquent when the conditions specified in paragraph (b)(1)(ii)(C) of this section are met; and

(E) The asset representations reviewer shall provide a report to the trustee of the findings and conclusions of the review of the assets.

Instruction to paragraph (b)(1)(ii). The threshold of delinquent assets shall be calculated as a percentage of the aggregate dollar amount of delinquent assets in a given pool to the aggregate dollar amount of all the assets in that particular pool, measured as of the end of the reporting period. If the

§§ 239.46–239.62

transaction has multiple sub-pools, the transaction agreements must provide that:

1. The delinquency threshold shall be calculated with respect to each sub-pool; and

2. The investor vote calculation shall be measured as a percentage of investors' interest in each sub-pool.

(iii) *Dispute resolution provision.* With respect to each offering of securities that is registered on this Form, the pooling and servicing agreement or other transaction agreement, which shall be filed, must provide for the following:

(A) If an asset subject to a repurchase request, pursuant to the terms of the transaction agreements, is not resolved by the end of a 180-day period beginning when notice of the request is received, then the party submitting such repurchase request shall have the right to refer the matter, at its discretion, to either mediation or third-party arbitration, and the party obligated to repurchase must agree to the selected resolution method.

(B) If the party submitting the request elects third-party arbitration, the arbitrator shall determine the allocation of any expenses. If the party submitting the request elects mediation, the parties shall mutually determine the allocation of any expenses.

(iv) *Investor communication provision.* With respect to each offering of securities that is registered on this Form, the pooling and servicing agreement or other transaction agreement, which shall be filed, must contain a provision requiring that the party responsible for making periodic filings on Form 10-D (§249.312 of this chapter) include in the Form 10-D any request received during the reporting period from an investor to communicate with other investors related to investors exercising their rights under the terms of the transaction agreements. The disclosure regarding the request to communicate is required to include no more than the name of the investor making the request, the date the request was received, a statement to the effect that the party responsible for filing the Form 10-D has received a request from such investor, stating that such investor is interested in communicating with other investors with regard to the possible exercise of rights under the transaction agreements, and a descrip-

17 CFR Ch. II (4–1–25 Edition)

tion of the method other investors may use to contact the requesting investor.

Instruction to paragraph (b)(1)(iv). If an underlying transaction agreement contains procedures in order to verify that an investor is, in fact, a beneficial owner for purposes of invoking the investor communication provision, the verification procedures may require no more than the following:

1. If the investor is a record holder of the securities at the time of a request to communicate, then the investor will not have to provide verification of ownership, and

2. If the investor is not the record holder of the securities, then the person obligated to make the disclosure may require no more than a written certification from the investor that it is a beneficial owner and one other form of documentation such as a trade confirmation, an account statement, a letter from the broker or dealer, or other similar document.

(v) *Delinquent assets.* Delinquent assets do not constitute 20% or more, as measured by dollar volume, of the asset pool as of the measurement date.

(vi) *Residual value for certain securities.* With respect to securities that are backed by leases other than motor vehicle leases, the portion of the securitized pool balance attributable to the residual value of the physical property underlying the leases, as determined in accordance with the transaction agreements for the securities, does not constitute 20% or more, as measured by dollar volume, of the securitized pool balance as of the measurement date.

(2) Securities relating to an offering of asset-backed securities registered in accordance with paragraph (b)(1) of this section where those securities represent an interest in or the right to the payments of cash flows of another asset pool and meet the requirements of §230.190(c)(1) through (4) of this chapter.
