#### § 48.9 Revocation of registration.

(2) If, not later than 30 days after receiving a notification under paragraph (a)(1) of this section, the foreign board of trade or clearing organization fails to make changes that, in the opinion of the Commission, are necessary to comply with the registration requirements or conditions of registration, the Commission may revoke the foreign board of trade's registration, after appropriate notice and an opportunity to respond, by issuing an Order Revoking Registration which sets forth the reasons therefor.

(2) The Commission may revoke a foreign board of trade's registration, after appropriate notice and an opportunity to respond, if there is a material change in the regulatory regime applicable to the foreign board of trade or clearing organization such that the regulatory regime no longer satisfies any registration requirement or condition for registration applicable to the regulatory regime.

to notice and an opportunity to respond.

(c) Upon request by the Commission, a registered foreign board of trade must file with the Commission a written demonstration, containing such supporting data, information, and documents, in such form and manner and within such timeframe as the Commission may specify, that the foreign board of trade or clearing organization is in compliance with the registration requirements and/or conditions for registration.

Such a written request must include the terms and conditions of the additional futures, option or swap contracts and a certification that the additional contracts meet the requirements of § 48.8(c), if applicable, and that the foreign board of trade and the clearing organization continue to satisfy the requirements and conditions of registration. The foreign board of trade can make available for trading by direct access the additional contracts ten business days after the date of receipt by the Commission of the written request, unless the Commission notifies the foreign board of trade that additional time is needed to complete its review of policy or other issues pertinent to the additional contracts. A registered foreign board of trade may list for trading by direct access an additional futures or option contract on a non-narrow-based security index pursuant to the Commission certification procedures set forth in § 30.13(d) and appendix D to part 30 of this chapter.

#### §48.11 Delegation of authority.

(a) The Commission hereby delegates, until it orders otherwise, to the Director of the Division of Market Oversight, or such other employee or employees as the Director may designate from time to time, the authority:

(1) In §48.7, to request additional information and documentation in connection with an application for registration;

(2) In §48.9(a)(1), to notify a registered foreign board of trade that it or the clearing organization has failed to satisfy any registration requirements or conditions for registration;

(3) In §48.9(c), to request that a registered foreign board of trade file with the Commission a written demonstration, containing such supporting data, information, and documents, in such form and manner and within such timeframe as the Commission may specify, that the foreign board of trade

or clearing organization is in compliance with the registration requirements and/or conditions for registration; and

(4) In §48.10, to notify a foreign board of trade whether additional time is needed for staff to complete its review of policy or other issues pertinent to the additional contracts, or that the contract can be made available for trading by direct access.

#### SUPPLEMENT S-1 TO FORM FBOT

#### CLEARING ORGANIZATION SUPPLEMENT TO FOREIGN BOARD OF TRADE APPLI- CATION FOR REGISTRATION

#### SUPPLEMENT INSTRUCTIONS

##### DEFINITIONS

1. Unless the context requires otherwise, all terms used in this supplement have the same meaning as in the Commodity Exchange Act, as amended (CEA or Act),<sup>7</sup> and in the regulations of the Commodity Futures Trading Commission (Commission or CFTC).<sup>8</sup>

2. For the purposes of this Supplement S-1, the term “applicant” refers to the foreign board of trade applying for registration pursuant to CEA section 4(b) and part 48 of the Commission’s regulations. The term “clearing organization” refers to the clearing organization that will be clearing trades executed on the trading system of such foreign board of trade.

##### GENERAL INSTRUCTIONS

1. A Supplement S-1 (including exhibits) shall be completed by each clearing organization that will be clearing trades executed on the trading system of a foreign board of trade applying for registration with the Commission pursuant to CEA section 4(b) and part 48 of the Commission’s regulations. Each clearing organization shall submit a separate Supplement S-1.

2. In the event that the clearing functions of the foreign board of trade applying for registration will be performed by the foreign board of trade itself, the foreign board of trade shall complete this Supplement S-1, but need not duplicate information provided on its Form FBOT. Specific reference to or incorporation of information or documenta-

tion (including exhibits) on the associated Form FBOT, where appropriate, is acceptable. To the extent a singular document or description is responsive to more than one request for information in this Supplement S-1, the document or description need only be provided once and may be cross-referenced elsewhere.

3. Supplement S-1, including exhibits, should accompany the foreign board of trade’s Form FBOT and must be filed electronically with the Secretary of the Commission at [FBOTapplications@cftc.gov](mailto:FBOTapplications@cftc.gov). Clearing organizations may prepare their own Supplement S-1, but must follow the format prescribed herein.

4. The name of any individual listed in Supplement S-1 shall be provided in full (Last Name, First Name and Middle Name or Initial).

5. Supplement S-1 must be signed by the Chief Executive Officer (or the functional equivalent) of the clearing organization who must possess the authority to bind the clearing organization.

6. If this Supplement S-1 is being filed in connection with a new application for registration, all applicable items must be answered in full. If any item is not applicable, indicate by marking “none” or “N/A.”

7. Submission of a complete Form FBOT and Supplement S-1 (including all information, documentation and exhibits requested therein) is mandatory and must be received by the Commission before it will begin to process a foreign board of trade’s application for registration. The information provided with a Form FBOT and Supplement S-1 will be used to determine whether the Commission should approve or deny registration to an applicant. Pursuant to its regulations, the Commission may determine that information and/or documentation in addition to that requested in the Form FBOT and Supplement S-1 is required from the applicant and/or its clearing organization(s) in order to process the application for registration or to determine whether registration is appropriate.

8. Pursuant to Commission regulations, an applicant or its clearing organization must identify with particularity any information in the application (including, but not limited to, any information contained in this Supplement S-1), that will be the subject of a request for confidential treatment and must provide support for any request for confidential treatment pursuant to the procedures set forth in Commission regulation 145.9.<sup>9</sup> Except in cases where confidential treatment is granted by the Commission, pursuant to the Freedom of Information Act and Commission regulations, information supplied in the Supplement S-1 will be included

9. A Supplement S-1 that is not prepared and executed in compliance with applicable requirements and instructions may be returned as not acceptable for filing.<sup>10</sup> Acceptance of either a Form FBOT or Supplement S-1 by the Commission, however, shall not constitute a finding that the either have

been filed as required or that the information submitted is verified to be true, current, or complete. The Commission may revoke a foreign board of trade's registration, after appropriate notice and an opportunity to respond, if the Commission determines that a representation made in this Supplement S-1 is found to be untrue or materially misleading or if the foreign board of trade and/or clearing organization failed to include information in this Supplement S-1 that would have been material to the Commission's determination as to whether to issue an Order of Registration.

10. All documents submitted as part of this Supplement S-1 (or exhibits thereto) must be written in English or accompanied by a certified English translation.

#### UPDATING INFORMATION

Pursuant to the Commission's regulations, if any information or documentation contained in this Supplement S-1 (including exhibits) is or becomes inaccurate for any reason prior to the issuance of an Order of Registration, an amendment correcting such information must be filed promptly with the Commission. A clearing organization also may submit an amendment to this Supplement S-1 to correct information that has become inaccurate subsequent to the issuance of an Order of Registration.

<sup>10</sup>Applicants and their clearing organizations are encouraged to correspond with the Commission's Division of Market Oversight regarding any content, procedural, or formatting questions encountered in connection with the preparation of a Form FBOT, Supplement S-1, or exhibits thereto prior to formally submitting those documents to the Commission. When appropriate, potential applicants and clearing organizations, as applicable, may provide a complete draft Form FBOT and Supplement S-1 to the Division of Market Oversight for early review to minimize the risk of having a submission returned or otherwise denied as not acceptable for filing.
