information and supporting data necessary to explain fully the proposed project, its economic justification, its effect upon applicant's present and future operations and upon the public proposed to be served, and is otherwise in conformity with the applicable requirements of this part regarding form, manner of presentation, and filing. Such an application shall (1) state that it is an abbreviated application; (2) specify which of the data and information required by this part are omitted; and (3) relate the facts relied upon to justify separately each such omission.

[Order 280, 29 FR 4876, Apr. 7, 1964]

EDITORIAL NOTE: For FEDERAL REGISTER citations affecting §157.7, see the List of CFR Sections Affected, which appears in the Finding Aids section of the printed volume and at [www.govinfo.gov](http://www.govinfo.gov).

## § 157.8 Acceptance for filing or rejection of applications.

Applications will be docketed when received and the applicant so advised.

(a) If an application patently fails to comply with applicable statutory requirements or with applicable Commission rules, regulations, and orders for which a waiver has not been granted, the Director of the Office of Energy Projects or the Director of the Office of Energy Market Regulation may reject the application within 10 business days of filing as provided by §385.2001(b) of this chapter. This rejection is without prejudice to an applicant's refiling a complete application. However, an application will not be rejected solely on the basis of:

(1) Environmental reports that are incomplete because the company has not been granted access by the affected landowner(s) to perform required surveys; or,

(2) Environmental reports that are incomplete, but where the minimum checklist requirements of part 380, appendix A of this chapter have been met.

(b) An application which relates to an operation, sale, service, construction, extension, acquisition, or abandonment concerning which a prior application has been filed and rejected, shall be docketed as a new application. Such new application shall state the docket number of the prior rejected application.

## 18 CFR Ch. I (4–1–23 Edition)

(c) The Director of the Office of Energy Projects or the Director of the Office of Energy Market Regulation may also reject an application after it has been noticed, at any time, if it is determined that such application does not conform to the requirements of this part.

[Order 603-A, 64 FR 54536, Oct. 7, 1999, as amended by Order 699, 72 FR 45325, Aug. 14, 2007; Order 701, 72 FR 61054, Oct. 29, 2007]

## § 157.9 Notice of application and notice of schedule for environmental review.

(a) Notice of each application filed, except when rejected in accordance with §157.8, will be issued within 10 business days of filing, and subsequently will be published in the FEDERAL REGISTER and copies of such notice sent to States affected thereby, by electronic means if practical, otherwise by mail. Persons desiring to receive a copy of the notice of every application shall so advise the Secretary.

(b) For each application that will require an environmental assessment or an environmental impact statement, notice of a schedule for the environmental review will be issued within 90 days of the notice of the application, and subsequently will be published in the FEDERAL REGISTER.

[Order 653, 70 FR 8724, Feb. 23, 2005, as amended by Order 687, 71 FR 62920, Oct. 27, 2006]

## § 157.10 Interventions and protests.

(a) Notices of applications, as provided by §157.9, will fix the time within which any person desiring to participate in the proceeding may file a petition to intervene, and within which any interested regulatory agency, as provided by §385.214 of this chapter, desiring to intervene may file its notice of intervention.

(1) Any person filing a petition to intervene or notice of intervention shall state specifically whether he seeks formal hearing on the application.

(2) Any person may file to intervene on environmental grounds based on the draft environmental impact statement as stated at §380.10(a)(1)(i) of this chapter. In accordance with that section,
