

the merchandise in order for the extension of the conditional release period to be valid.

(3) *Issuance of a redelivery notice.* If FDA refuses admission of a food, drug, device, cosmetic, or tobacco product into the United States, or if any notice of sampling or other request is not complied with, FDA will communicate that fact to the Center director. An authorized CBP official will demand the redelivery of the product to CBP custody. CBP will issue a notice of redelivery within 30 days from the date the product was refused admission by the FDA or from the date FDA determined the noncompliance with a notice of sampling or other request. The demand for redelivery may be made contemporaneously with the notice of refusal issued by the FDA. Notwithstanding the provisions of paragraph (i) of this section, a failure to comply with a demand for redelivery made under this paragraph (c) will result in the assessment of liquidated damages equal to three times the value of the merchandise involved unless the port director has prescribed a bond equal to the domestic value of the merchandise pursuant to §12.3(b) of this Chapter.

(d) *Other merchandise not entitled to admission.* If at any time after entry an authorized CBP official finds that any merchandise contained in an importation is not entitled to admission into the commerce of the United States for any reason not enumerated in paragraph (a), (b), or (c) of this section, an authorized CBP official shall promptly demand the return to CBP custody of any such merchandise which has been released.

(e) *Request for samples or additional examination packages not complied with by importer.* If the importer has not promptly complied with a request for samples or additional examination packages made by an authorized CBP official pursuant to §151.11 of this chapter, an authorized CBP official may demand the return of the necessary merchandise to CBP custody.

(f) *Demand to importer of record or actual owner.* A demand for the return of merchandise to CBP custody shall be made on the importer of record, except that it shall be made on the actual owner if an actual owner's declaration

and superseding bond have been filed in accordance with §141.20 before the date of the demand.

(g) *Form of demand.* A demand for the return of merchandise to CBP custody shall be made on Customs Form 4647, or its electronic equivalent, or other appropriate form, or by letter. One copy, with the date of mailing or delivery noted thereon, shall be retained by an authorized CBP official and made part of the entry record.

(h) *Time limitation.* A demand for the return of merchandise to CBP custody shall not be made after the liquidation of the entry covering such merchandise has become final.

(i) *Demand not complied with.* When the demand of an authorized CBP official for return of merchandise to CBP custody is not complied with, liquidated damages shall be assessed, except in the case of merchandise entered under chapter 98, subchapter XIII, HTSUS (19 U.S.C. 1202), in an amount equal to the value of the merchandise not returned or three times the value of the merchandise not returned if the merchandise is restricted or prohibited merchandise or alcoholic beverages, as determined at the time of entry. The amount of liquidated damages to be assessed on merchandise entered under chapter 98, subchapter XIII, HTSUS is set forth in §10.39(d)(3) of this chapter.

§ 142.3a Entry numbers.

(a) *Placement on CBP forms*. The importer or broker shall place an 11 character entry number on the entry and corresponding entry summary documentation. For documentation prepared on data processing equipment, the number shall be printed directly on the form. For manually prepared documentation, the number shall be pre-printed in a machine readable format specified by CBP. The same number shall not be used for more than one entry transaction.

(b) *Format*. The following format, including hyphens, must be used when showing the entry number:

XXX-NNNNNNN-N

XXX represents an entry filer code assigned by CBP, NNNNNNN is a unique number which is assigned by the broker or importer, and N is a check digit computed from the first 10 characters based on a formula provided by CBP.

(1) *Assignment of entry filer code*. CBP will assign a unique 3 character (alphabetic, numeric, or alpha numeric) entry filer code to all licensed brokers filing CBP entries. CBP will assign an entry filer code to certain importers filing CBP entries based on importer entry volume, frequency of entry filing, and other considerations. The broker or importer shall use this assigned code as the beginning three characters of the

number for all CBP entries, regardless of where the entries are filed.

(2) *Entry filer assigned number.* For each entry, the broker or importer shall assign a unique 7 digit number. This number shall not be assigned to more than one transaction.

(3) *Check digit.* The broker or importer is responsible for ensuring that the check digit is computed by data processing equipment.

(c) *Publication of entry filer codes.* CBP shall make available electronically a listing of filer codes and the importers, consignees, and customs brokers assigned those filer codes. The listing will be updated periodically.

(d) *Misuse of the entry filer code.* The Assistant Commissioner, Office of International Trade, or his designee may refuse to allow use of an assigned entry filer code if it is misused by the importer or broker.

(e) *Alternative procedure.* If an importer does not have an assigned entry filer code, or if the Assistant Commissioner, Office of International Trade, or his designee, in accordance with paragraph (d) of this section refuses to allow use of an assigned entry filer code, the importer or broker shall obtain forms with a CBP assigned pre-printed machine readable entry number with a computed check digit. These forms will be available for sale by CBP and must be obtained and used before the merchandise may be released from CBP custody.

§ 142.4 Bond requirements.

(a) *At the time of entry.* Except as provided in §10.101(d) of this chapter, or paragraph (c) of this section, merchandise shall not be released from Customs custody at the time Customs receives the entry documentation or the entry summary documentation which serves as both the entry and the entry summary, as required by §142.3 unless a single entry or continuous bond on Customs Form 301, containing the bond conditions set forth in §113.62 of this chapter, executed by an approved corporate surety, or secured by cash deposits or obligations of the United States, as provided for in §113.40 of this

chapter, has been filed. When any of the imported merchandise is subject to a tariff-rate quota and is to be released at a time when the applicable quota is filled, the full rates shall be used in computing the estimated duties to determine the amount of the bond.

(b) *If entry summary is filed after entry.*

(1) Except as provided in §141.102(d) of this chapter, if the entry summary is filed after the entry, the bond filed at the time of entry, as required by paragraph (a) of this section or by §142.19, shall continue to be obligated unless a superseding bond is filed, as provided in §141.20 of this chapter, or unless a bond of the type described in paragraph (a) of this section is filed under the circumstances described in paragraph (b)(2) of this section. If a superseding bond is filed, or if a bond is filed under the circumstances described in paragraph (b)(2) of this section, the obligations of the initial bond shall be terminated as to any liability which may accrue after the superseding or other bond becomes effective.

(2) If entry is made in the name of an agent, supported by the agent's bond, or in the name of a principal, supported by the principal's bond, and the entry summary thereafter is filed in the name of the other party, the party named in the entry summary shall file a bond on Customs Form 301, containing the bond conditions set forth in §113.62 of this chapter. In this circumstance, the bond obligation of the party in whose name entry was made shall be terminated, as to liability which may accrue after the bond filed by the party named in the entry summary becomes effective, and the party filing the entry summary need not file the separate declaration of the actual owner and the superseding bond otherwise required under §141.20 of this chapter.

(c) *Waiver of surety or cash deposit.* (1) The port director may waive the requirement for surety or cash deposit on the bond required by this section when (i) the value of the merchandise which the bond secures does not exceed \$2,500, (ii) the entry summary documentation is filed and estimated duties, if any, are deposited prior to release of the merchandise and (iii) the importer has not

§ 142.5

been delinquent or otherwise remiss in any transaction with Customs.

(2) This authority to waive surety or cash deposit does not apply to (i) quota merchandise, (ii) any type of merchandise which, in the opinion of the port director, cannot be easily appraised or classified, or (iii) any type of merchandise where there may be, in the opinion of the port director based on past experience, a question of redelivery.

§ 142.6 Invoice requirements.

(a) *Contents.* The commercial invoice, or the documentation acceptable in place of a commercial invoice in those instances listed in §141.83(d) of this chapter, shall be furnished with the entry and before release of the merchandise is authorized. The commercial invoice or other acceptable documentation shall contain:

(1) An adequate description of the merchandise.

(2) The quantities of the merchandise.

(3) The values or approximate values of the merchandise.

(4) The appropriate eight-digit subheading from the Harmonized Tariff Schedule of the United States. If the importer is uncertain of the appropriate subheading number, Customs shall assist him at his request. The port director may waive this requirement if he is satisfied that the information is not available at the time release of the merchandise is authorized.

(5) The name and complete address of the foreign individual or firm who is responsible for invoicing the merchandise, ordinarily the manufacturer/seller, but where the manufacturer is not the seller, the party who sold the merchandise for export to the U.S., or made the merchandise available for sale.

(b) *Information not required when filing entry.* In addition to the information specified in paragraph (a) of this section, the commercial invoice or sub-

19 CFR Ch. I (4-1-22 Edition)

stitute document filed with the entry documentation also may include any other invoice information required by §§141.86 through 141.89 of this chapter. However, if this information does not appear on the invoice or substitute document filed with the entry documentation, it shall be included in the invoice or substitute document delivered at the time the entry summary documentation is filed.

CBP Form 7501, or its electronic equivalent, must be used for merchandise formally entered for consumption, formally entered for warehouse, or rewarehouse in accordance with §144.11 of this chapter, and formally entered temporarily under bond under §10.31 of this chapter. The entry summary for merchandise which may be entered free of duty in accordance with §10.1(g) or (h) may be on CBP Form 3311, or its electronic equivalent, instead of on a CBP Form 7501 (or its electronic equivalent). (1) Has failed repeatedly to file timely entry summary documentation without justification,

(2) Has not taken prompt action to settle a claim for liquidated damages issued under § 142.15 for failure to file entry summary documentation timely, or a claim for liquidated damages

issued under the basic importation and entry bond for failure to deposit estimated duties, taxes and charges timely, as provided in such bond. “Prompt action” means that the importer, within the time specified in a claim for liquidated damages, shall petition for relief or pay the amount claimed and, in appropriate cases, file the entry summary documentation and deposit estimated duties, if any, or

(3) Has repeatedly delivered entry summary documentation, which is incomplete or which contains erroneous information.

(2) *Other classes of merchandise.* Entry summary documentation, with estimated duties attached, or a withdrawal for consumption with estimated duties attached, or an entry summary for consumption, without the estimated duties attached if the entry/entry summary information and a valid scheduled statement date have previously been transmitted to Customs via the Automated Broker Interface (see § 24.25 of this chapter) shall be filed at the time of entry before release of any other merchandise of a class designated by Customs Headquarters.

In this case, the entry summary shall serve as both the entry and the entry summary. This requirement shall remain in effect in each port of entry until notification is received from Headquarters that the requirement is removed and that the importer need submit only the entry documentation listed in §142.3 to secure release of his merchandise.

(4) Merchandise for which liquidation has been withheld, and

(5) Merchandise classifiable under the same Harmonized Tariff Schedule of the United States subheading number, to the eight-digit level having different rates of duty for which entries or immediate transportation entries have been filed. However, this provision is not applicable in the following circumstances:

(i) *Entries.* Entries may be consolidated if the time of entry is:

(A) Before the date of change in rate of duty, or

(B) On or after the date of change in rate of duty.

(ii) *Immediate transportation entries.* Immediate transportation entries may

be consolidated if the date of acceptance is:

(A) Before the date of change in the rate of duty, or

(B) On or after the date of change in rate of duty.

(c) *Entry documentation not in proper form.* If an entry summary covering multiple entries refers to entry documentation which is not in proper form, the entry summary and the entry documentation shall be returned for correction.

§ 142.17a One consolidated entry summary for multiple ultimate consignees.

(a) *Applicability.* The Center director may permit a broker as nominal consignee to file a consolidated entry summary in his own name under his own bond covering shipments of like or similar merchandise consigned to various ultimate consignees provided that all the merchandise is:

(2) Itemized as to each category of merchandise by Harmonized Tariff Schedule of the United States Annotated subheading to the ten-digit level, and

(3) Released on the same day, either under the entry documentation specified in § 142.3, or under a special permit for immediate delivery. A consolidated entry summary may be filed for merchandise arriving by land, by the same vessel, or by the same air carrier.

(b) *Information required on the entry summary—*(1) *Separate listing according to ultimate consignee.* The broker shall list separately on the face of the consolidated entry summary the merchandise for each ultimate consignee, together with the appropriate entry or special permit numbers.

(2) *If different land carriers are involved.* If merchandise arriving by different land carriers is included on one entry summary, necessary information pertaining to each carrier shall be

(a) *Exportation or destruction of prohibited merchandise.* If merchandise released at time of entry is later found to be prohibited, an authorized CBP official shall demand its return to Customs custody in accordance with § 141.113 of this chapter, and an entry summary and the deposit of estimated duties, if any, shall not be required provided:

(1) An entry for exportation filed using an in-bond application pursuant to part 18 of this chapter, or an application to destroy the merchandise under CBP supervision is made within 10 days after the time of entry, and the exportation or destruction is accomplished promptly, or

(2) An entry for transportation and exportation, filed using an in-bond application pursuant to part 18 of this chapter, is made within 10 days after the time of entry and domestic carriage of the merchandise does not conflict with the requirements of another Federal agency.

§ 142.19 Release of merchandise under the entry summary.

Merchandise, for which an entry summary serves as both an entry and an entry summary, shall not be released from Customs custody until a bond has been filed, or the entry has been liquidated, as follows:

(a) *Bond.* Merchandise not designated for examination may be released to, or upon the order of, the carrier if a bond is filed on Customs Form 301, containing the bond conditions set forth in § 113.62 of this chapter. Merchandise

designated for examination may be released under the bond after examination has been completed if:

(1) It has been found to be truly and correctly invoiced,

(2) It is entitled to admission into the commerce of the United States, and

(3) Its release is not precluded by any law or regulation. If merchandise is entered by or on behalf of a United States Government department or agency, the stipulation prescribed in § 141.102(d) of this chapter shall be accepted in place of a bond.

(b) *After liquidation.* If a bond has not been filed in accordance with paragraph (a) of this section, the merchandise shall not be released before:

(1) The entry has been liquidated and the full amount of all duties and taxes due, including dumping or other special duties and charges, has been paid, or the right to free entry established.

(2) The port director determines that the merchandise may be admitted into the commerce of the United States, and

(3) All documents relating to the merchandise which are required by law or regulation have been filed.

Subpart C—Special Permit for Immediate Delivery

§ 142.21 Merchandise eligible for special permit for immediate delivery.

Merchandise may be released under a special permit for immediate delivery, in accordance with section 448(b), Tariff Act of 1930, as amended (19 U.S.C. 1448(b)), in the following circumstances:

(a) *Contiguous countries.* At the discretion of the port director, merchandise arriving by land from Canada or Mexico may be released under a special permit for immediate delivery provided the importer has on file a bond on CBP Form 301, containing the bond conditions set forth in § 113.62 of this chapter. An entry summary shall be filed in accordance with § 142.22(b)(1), and estimated duties, if any, shall be deposited,

within the time period specified in §142.23 for all merchandise from contiguous countries released under a special permit except for fresh fruits and vegetables for human consumption released under the provisions of paragraph (b) of this section.

(b) *Fresh fruits and vegetables.* (1) An application for a special permit for immediate delivery may be made for the transportation of fresh fruits and vegetables for human consumption arriving from Canada or Mexico to the importer's premises within the port of importation, but removed from the area immediately contiguous to the border.

(2) The application shall be accompanied by a continuous bond on CBP Form 301, containing the bond conditions set forth in §113.62 of this chapter.

(3) The fresh fruits and vegetables shall be transported to the importer's premises in the vehicles in which they crossed the border or, if transshipment is necessary in vehicles provided by the importer. The fresh fruits and vegetables may be examined at the importer's premises. Those portions without commercial value may be disposed of in accordance with the provisions of §158.11(b) of this chapter, and the balance shall be entered for consumption or transported in bond under an entry for immediate transportation without appraisalment or under an entry for transportation and exportation.

(c) *Agency of U.S. Government.* Merchandise may be released under the immediate delivery procedure if the shipment is consigned to or for the account of any agency or office of the United States Government, or to an officer or official of any such agency in his official capacity, as provided in §10.101 of this chapter.

(d) *Articles of a trade fair.* Articles for a trade fair may be released under the immediate delivery procedure, as provided in §147.13 of this chapter.

(e) *Quota-class merchandise—(1) Tariff rate quotas.* At the discretion of the port director, merchandise subject to a tariff-rate quota may be released under a special permit for immediate delivery provided the importer has on file a bond on CBP Form 301, containing the bond conditions set forth in §113.62 of this chapter. However, merchandise

subject to a tariff-rate quota may not be incrementally released under a special permit for immediate delivery as provided in paragraphs (g) and (h) of this section. Nor is such merchandise eligible for release under a special permit pursuant to 19 CFR 141.58(d)(1). Where a special permit is authorized, an entry summary will be properly presented pursuant to §132.1 of this chapter within the time specified in §142.23, or within the quota period, whichever expires first. If proper presentation is not made until after the tariff-rate quota is filled, the merchandise shall not be entitled to the quota rate of duty, and the importer shall pay duties at the over-quota rate.

(2) *Absolute quotas.* At the discretion of the port director, perishable merchandise of a class approved by CBP Headquarters which is subject to an absolute quota may be released under a special permit for immediate delivery for removal to the importer's premises, or to any other location approved by the port director, until an entry summary is properly presented pursuant to §132.1 of this chapter. However, merchandise subject to an absolute quota under this paragraph may not be incrementally released under a special permit for immediate delivery as provided in paragraphs (g) and (h) of this section. Nor is such merchandise eligible for release under a special permit pursuant to §141.58(d)(1) of this chapter. Where a special permit is authorized, a proper entry summary must be presented for merchandise so released within the time specified in §142.23, or within the quota period, whichever expires first. If the absolute quota is filled before the importer has properly presented an entry summary, he may either present an entry summary for warehouse or, under CBP supervision, export or destroy the merchandise.

(f) *Release from warehouse followed by warehouse withdrawal for consumption.* Merchandise may be released from warehouse under a special permit:

(1) At the discretion of the port director when:

(i) The warehouse is located a considerable distance from the customhouse and actual release of the merchandise from the warehouse may not be effected within the next full business day

§ 142.22

19 CFR Ch. I (4–1–22 Edition)

after the day of the payment of duty, and

(ii) The port has sufficient manpower to permit such practice;

(2) The importer shall have on file a bond on CBP Form 301, containing the bond conditions set forth in §113.62 of this chapter; and

(3) The immediate delivery permit shall be annotated to state that a warehouse withdrawal for consumption will be filed for this merchandise.

(g) *Split shipments.* Merchandise subject to §141.57(d)(2) of this chapter, which is invoiced and delivered to the carrier as a single shipment, but which, due to the carrier's inability to accommodate the merchandise on a single conveyance, is shipped by the carrier in separate portions to the same port of entry in the United States as listed on the original bill of lading, may be released incrementally under a special permit. Incremental release means releasing each portion of such shipments separately as they arrive.

(h) *Entities shipped unassembled or disassembled on multiple conveyances.* Merchandise subject to §141.58(d)(2) of this chapter, which is purchased, invoiced, and classified as a single entity under the Harmonized Tariff Schedule of the United States (HTSUS), and which is shipped in separate portions because its size or nature prevents shipping the entity on a single conveyance, may be released incrementally under a special permit.

(i) *When authorized by Headquarters.* Headquarters may authorize the release of merchandise under the immediate delivery procedure in circumstances other than those described in §142.21(a) through (h) provided a bond on CBP Form 301 containing the bond conditions set forth in §113.62 of this chapter is on file.

(a) *Form.* An application for a special permit for immediate delivery will be made on CBP Form 3461, or its electronic equivalent, supported by the documentation provided for in §142.3. A commercial invoice will not be required, except for merchandise released under the provisions of 19 U.S.C. 1484(j). Instead of a commercial invoice, the importer may deliver to CBP a pro forma invoice, waybill, or other document setting forth an adequate description of the merchandise and the quantities, together with the values or approximate values when values are needed for the purpose of examination. If the merchandise is to be released under a term special permit, the documentation also shall show the term special permit number, as provided for in §142.24.

(b) *CBP custody.* Merchandise for which a special permit for immediate delivery has been issued under §142.21 of this part shall be considered to remain in CBP custody until the filing of one of the following:

(1) An entry summary for consumption, with estimated duties attached; an entry summary for consumption without estimated duties attached, if entry/entry summary information and a valid scheduled statement date (pursuant to §24.25 of this chapter) have successfully been received by CBP via the Automated Broker Interface; an entry summary for warehouse; or an entry summary for entry temporarily under bond, which may be filed in any of the circumstances under §142.21 of this part except for merchandise released from warehouse under §142.21(f) of this part;

(2) A withdrawal for consumption, with estimated duties attached, which shall be filed only for merchandise released from warehouse under §142.21(f) of this part;

(3) An entry for transportation and exportation, immediate transportation without appraisement, or direct exportation, which shall be filed in those circumstances under §142.21(b) and (e)(2) of this part; or entry for transportation and exportation, or direct exportation,

The applicable documentation described in §142.22(b) shall be filed, and estimated duties, if any, shall be deposited, within 10 working days after the merchandise or any part of the merchandise is authorized for release under a special permit for immediate delivery or, for quota class merchandise within the quota period, whichever expires first.

(a) *Conditions for issuance.* At the discretion of the port director, a special permit for immediate delivery may be issued on Customs Form 3461, or its electronic equivalent, appropriately modified, for a class or classes of merchandise particularly described in the application for the permit.

(b) *Notation of value for each shipment.* When applying for the release of a shipment of merchandise under a special permit for immediate delivery, the importer shall note a value for the shipment on the documentation presented. The value so noted shall not be less than the invoice value.

(R.S. 251, as amended, secs. 623, as amended, 624, 46 Stat. 759, as amended (19 U.S.C. 66, 1623, 1624))

§ 142.25 Discontinuance of immediate delivery privileges.

(a) *Authority of port director.* The port director may discontinue immediate delivery privileges if the importer:

(1) Has failed repeatedly to file the applicable Customs documentation set forth in §142.22(b) timely without justification, or

(2) Has not taken prompt action to settle a claim for liquidated damages issued under §142.27 for failure to file the applicable Customs documentation set forth in §142.22(b) timely, or a claim for liquidated damages issued under the basic importation and entry bond for failure to deposit estimated duties, taxes and charges timely, as provided in such bond. "Prompt action" means that the importer, within the time specified in a claim for liquidated damages shall petition for relief or pay the amount claimed and, file the applicable documentation and deposit estimated duties, if any.

(3) Has repeatedly delivered documentation required by §142.22(b) which is incomplete or which contains erroneous information.

(4) Is substantially or habitually delinquent in the payment of Customs bills. See §142.26.

(b) *Brokers; restriction.* A broker shall not circumvent an action taken under this section by applying for the immediate release of the importer's merchandise in the broker's name and under the broker's bond.

§ 142.26 Delinquent payment of Customs bills.

The following procedures shall be followed if an importer is substantially or habitually delinquent in the payment of Customs bills:

(a) *Notice.* The importer shall be advised in writing by the director of the port in which he is substantially or habitually delinquent that his immediate delivery privileges have been suspended. The notice shall state the reason for the action and advise the importer that if payment of all his delinquent Customs bills is not made within 10 working days from the date of the

§ 142.27

19 CFR Ch. I (4–1–22 Edition)

notice, the importer's immediate delivery privileges also shall be suspended at all Customs ports.

(b) *Reinstatement of privileges by port.* If the importer pays all his delinquent Customs bills within 10 working days after the date of the notice, the suspension shall be removed, and the importer's immediate delivery privileges shall be reinstated.

(c) *Reinstatement of privileges by Headquarters.* If the importer has not paid all his delinquent Customs bills within 10 working days after the date of the notice, his immediate delivery privileges shall be suspended at all Customs ports. This suspension shall remain in effect in each port of entry until notification is received from Headquarters that the suspension is removed and that the importer's immediate delivery privileges have been reinstated.

§ 142.27 Failure to file documentation timely.

If the applicable Customs documentation set forth in § 142.22(b) is not filed within the time provided in § 142.23, the port director shall make an immediate demand for liquidated damages in the amount of the bond in the case of a single entry bond. When the transaction has been charged against a continuous bond, the demand shall be for the amount that would have been demanded if the merchandise had been released under a single entry bond. Any application for cancellation of liquidated damages incurred shall be made in accordance with part 172 of this chapter.

(a) *Exportation or destruction of prohibited merchandise.* If merchandise released under a special permit for immediate delivery later is found to be prohibited, an authorized CBP official shall demand its recall in accordance with § 141.113 of this chapter (applicable to the recall of merchandise released

from Customs custody), and withdrawal or entry summary documentation and the deposit of estimated duties, if any, shall not be required provided:

(1) The merchandise is exported or destroyed under Customs supervision within the time limit for entry specified in § 142.23, or

(2) An entry for exportation or for transportation and exportation filed using an in-bond application pursuant to part 18 of this chapter, or an application to destroy the merchandise, is made within the specified time limit, and the exportation or destruction is accomplished promptly.

(b) *Procedures for exportation or destruction.* The exportation or destruction of prohibited merchandise required by paragraph (a) of this section shall be under the same procedures as exportation or destruction of prohibited merchandise covered by a consumption entry with remission or refund of duties. Subpart D—Line Release

SOURCE: T.D. 92–93, 57 FR 44093, Sept. 24, 1992, unless otherwise noted.

§ 142.41 Line Release.

Line Release is an automated system designed to release and tract repetitive shipments. It is a method of entry or

immediate delivery extended to importers of merchandise which CBP deems to be repetitive and high volume. Line Release may be used only at locations approved by CBP for handling Line Release. At certain high-risk locations along the land borders of the United States (the locations to be published in the FEDERAL REGISTER), which are approved by CBP for handling Line Release, the use of Line Release for particular shipments may be denied by CBP unless the imported merchandise is transported by carriers that participate in a CBP-approved industry partnership program.

[T.D. 92-93, 57 FR 44093, as amended by T.D. 99-2, 64 FR 33, Jan. 4, 1999; CBP Dec. 11-04, 76 FR 6690, Feb. 8, 2011]

§ 142.42 Application for Line Release processing.

In order to obtain approval for processing import transactions through Line Release, a broker or importer filing its own entries (entry filer) must submit an application to the port director, signed by the entry filer, in a format described as a Line Release Data Loading Sheet. The application must be accompanied by a representative sample of an actual commercial invoice for the products sought to be processed under Line Release. The Line Release Data Loading Sheet must contain the following information with each information element appearing on a separate line.

(a) Port where application is being made.

(b) Initiating Company Information: name, address, city, state, contact person, phone number of contact person, and signature.

(c) Listing of all ports in which the initiating company has filed a similar application for Line Release.

(d) Country of origin codes (ISO codes from Annex B of HTSUS) for the merchandise.

(e) Shipper or manufacturer information: Name, address, city, province/state, country, postal code, indication by noting "M" or "S" whether this information relates to a manufacturer (M) or a shipper (S), and manufacturer identification number of the shipper or manufacturer.

(f) Importer information (if importer is different than filer): Name, address, city, state and country, zip code, importer number, bond number, and surety code.

(g) Entry filer information: Name, importer number, filer code, bond number, and surety code.

(h) Product information: Product description, manifest unit of measure, HTSUS number described to sub-heading level for particular product or range of HTSUS numbers at sub-heading levels for multiple products for which Line Release is sought.

(i) Election of whether the Line Release transaction is to be considered an entry or an immediate delivery.

§ 142.43 Line Release application approval process.

(a) *Port review.* The port director shall review each Line Release application to determine whether the shipments qualify for Line Release processing. The port director may contact the applicant for further information, if necessary. An application that fails to elect whether the Line Release transaction is to be considered an entry or an immediate delivery will be returned to the applicant. If all required information is submitted, the application will be forwarded to Headquarters for final processing.

(b) *Assignment of C-4 Codes.* A C-4 Code (Common Commodity Classification Code), which is a unique code identifying the shipper or manufacturer, importer, entry filer, and the product for each Line Release shipment, shall be assigned by Headquarters to each application approved for Line Release. Headquarters shall annotate each approved application with a C-4 Code and return the application to the port director who shall return the approved application to the entry filer.

(c) *Denial of Line Release application.* If the port director is considering the denial of a Line Release application, consideration shall be given to whether an application by the same filer for the same transaction has been approved at another port. If there is not an approved application at another port and the port director determines that the

§ 142.44

19 CFR Ch. I (4–1–22 Edition)

application shall be denied, the application shall be noted denied and returned to the entry filer without a C-4 Code annotation by the port director. If an application has been approved at another port, but the port director still questions whether the application should be approved at his port, the port director shall forward the application to the Assistant Commissioner, Office of Information Management. The Office of Information and Technology will review the application and will notify the port director of the final determination.

§ 142.44 Entry number range.

After an application for Line Release has received final approval, filers must provide the port director, in writing, with a range of entry numbers for use in the system so that an entry number can be assigned automatically to each Line Release transaction. For the purposes of this subpart, “entry number”, when the release is an immediate delivery, merely refers to the Line Release transaction number; this number does not become the actual entry number until an entry for the merchandise released under the immediate delivery procedure is filed. A separate range must be provided for each Line Release site at the port. These entry numbers shall be used for assignment within the Line Release system. Entry filers shall not assign these numbers to other entry transactions.

§ 142.45 Use of bar code by entry filer.

(a) *Printing of C-4 Code.* Upon receipt of an approved Line Release application, the entry filer, in accordance with instructions from the port director, shall preprint invoices with the C-4 Code in bar code and alpha-numeric format or print labels with the necessary information. Bar codes shall be printed in accordance with the specifications stated in Customs Publication 561 (*Line Release Overview*). Labels or preprinted invoices also shall state the name of the shipper or manufacturer of the product and the name of the importer of record, if other than the entry filer, above the bar code and the name of the entry filer and a product description below the bar code.

(b) *Multiple commodity processing.* Multiple commodity processing allows more than one product to be released under one entry number. The shipper/manufacturer, importer of record and the entry filer must be the same. The product description is the only variable allowed. The commodities should be listed on one invoice with C-4 Code labels for each commodity attached to the invoice.

(c) *Distribution of labels.* If labels are used, the labels shall be affixed to the invoices in accordance with instructions from the port director. The entry filer may either affix the labels or distribute the labels to the shippers/manufacturers and instruct them in the use and placement of the labels.

§ 142.46 Presentation of invoice and assignment of entry number.

(a) *Presentation of invoice.* When merchandise that has been approved for Line Release is imported at a Line Release site, the carrier, importer or filer shall present Customs with an invoice with the bar code or codes printed or affixed and, according to the method of transportation, the appropriate manifest document.

(b) *Verification of data.* If after scanning the bar code at the Line Release site, the Customs officer verifies the data on the bar code with the information on the invoice, he will key the quantity on the invoice and an entry number will be automatically assigned to the transaction. If there are any differences between the system data and the invoice and bar code, including any differences in entry filer, the Customs officer shall order an examination.

(c) *Other agency documentation.* If the Line Release shipment requires other agency documentation, the Customs officer at the Line Release site will be alerted to that requirement electronically when he verifies the data on the bar code with the information on the invoice. If the required form is presented to the officer with the documentation package, the shipment may be released.

§ 142.47 Examinations of Line Release transactions.

(a) *General.* Merchandise imported under Line Release generally may be

released without further CBP processing. CBP, however, may choose to inspect any Line Release shipment. Examinations may be either specifically ordered by the CBP officer or random.

(b) *Voiding of Line Release transaction.* CBP may void a Line Release transaction for the following reasons: Because of an examination, because a carrier transporting the Line Release merchandise is not a participant in a CBP-approved industry partnership program, or because a driver or conveyance is not authorized in accordance with the LBCIP. If this occurs, CBP will return the invoice to the carrier, and the entry filer, in order to enter merchandise, must prepare and submit either a CF 3461 or 3461 Alternate, or its electronic equivalent.

[T.D. 92-93, 57 FR 44093, Sept. 24, 1992, as amended by T.D. 99-2, 64 FR 33, Jan. 4, 1999; CBP Dec. 11-04, 76 FR 6690, Feb. 8, 2011; CBP Dec. 15-14, 80 FR 61289, Oct. 13, 2015]

§ 142.48 Release procedure.

(a) *General.* When the Customs officer at the Line Release site determines that a shipment is ready for release, release data, consisting of the entry number, the date and time of release, the inspector's badge number, the quantity and unit of measure, and the C-4 Code will be printed on the invoice and the manifest document and, when other agency documentation is presented, may be printed on that documentation. The invoice shall be returned to the entry filer and the manifest document shall be retained by Customs.

(b) *Notification to non-ABI participants.* The returned invoice with the release data shall be the release notification to non-ABI participants.

(c) *Notification to ABI participants.* If the Line Release entry filer is an operational ABI participant, the filer shall receive an electronic notification of the release consisting of the importer of record number, the port of entry, the filer code, the entry number, the date and time of release, the manufacturer code, the quantity and unit of measure, the release site, the HTSUS number(s), the C-4 Code and the country or countries of origin.

§ 142.49 Deletion of C-4 Code.

(a) *By Customs.* A port director may temporarily or permanently delete an entry filer's C-4 Code without providing the participant with any justification and without prior notification in cases of willfulness or when public health, interest, or safety so requires, thereby revoking the filer's use of Line Release.

(b) *By entry filer.* Entry filers may delete C-4 Codes from Line Release by notifying the port director in writing on a Deletion Data Loading Sheet. Such notification shall state the C-4 Code which is to be deleted, the port where the C-4 Code is to be deleted and the reason for the requested deletion. A copy of the originally approved Data Loading Sheet must be submitted with the Deletion Data Loading Sheet. If only a temporary deletion is desired, the filer shall state the requested effective date for the deletion and the date the C-4 Code is requested to be returned to Line Release processing.

§ 142.50 Line Release data base corrections or changes.

The applicant shall notify the port director of any changes in names, importer or filer numbers or bond information on a Line Release Data Loading Sheet as soon as possible. Notification shall be accomplished by the submission of a copy of the original loading sheet with a Correction Data Loading Sheet.

§ 142.51 Changing election of entry or immediate delivery.

An applicant who has already received a C-4 Code and wishes to change the election chosen on his Line Release application as to whether the release should be considered an entry or an immediate delivery must submit a letter requesting such change to the port director where the C-4 Code is used. This letter must include the C-4 Code to be changed and the date the change is to be effective. If the requested change is for a temporary time period, the letter shall include the date the releases are to return to the release type originally requested. Applications that fail to state the effective dates of the changes requested will be returned to the applicant.

§ 142.52

§ 142.52 Port-wide and multiple port acceptance of Line Release.

(a) *Port-wide processing.* If a C-4 Code has been approved by the port director, the C-4 Code may be used at any Line Release site at the port.

(b) *Multiple port processing.* In order for a C-4 Code approved at one port to be used at another port, the entry filer must submit an application to the port director of the other port. While uniform criteria shall be applied to approving similar shipments for Line Release at all ports, a port director may exercise his discretion to deny Line Release at his port even though a similar shipment may be approved at another port.
