§ 3474.1 Adoption of 2 CFR part 200.

(a) The Department of Education adopts the Office of Management and Budget (OMB) Guidance in 2 CFR part 200, except for 2 CFR 200.102(a) and 2 CFR 200.207(a). Thus, this part gives regulatory effect to the OMB guidance and supplements the guidance as needed for the Department.

(Authority: 20 U.S.C. 1221e–3, 3474, and 2 CFR part 200.)

§ 3474.5 How exceptions are made to 2 CFR part 200.¹

(a) With the exception of Subpart F—Audit Requirements of 2 CFR part 200, the Secretary of Education, after consultation with OMB, may allow exceptions for classes of Federal awards or non-Federal entities subject to the requirements of this part when exceptions are not prohibited by statute. However, in the interest of maximum uniformity, exceptions from the requirements of this part will be permitted only in unusual circumstances.

(Authority: 20 U.S.C. 1221e–3, 3474, and 2 CFR part 200)

§ 3474.15 Contracting with faith-based organizations and nondiscrimination.

(a) This section establishes responsibilities that grantees and subgrantees have in selecting contractors to provide direct Federal services under a program of the Department. Grantees and subgrantees must ensure compliance by their subgrantees with the provisions of this section and any implementing regulations or guidance.

(b)(1) A faith-based organization is eligible to contract with grantees and subgrantees, including States, on the same basis as any other private organization, with respect to contracts for which such organizations are eligible and considering any permissible accommodation.

(2) In selecting providers of goods and services, grantees and subgrantees, including States, must not discriminate for or against a private organization on the basis of the organization’s religious character, affiliation, or exercise, as defined in 34 CFR 75.52(c)(3) and 76.52(c)(3), and must ensure that the award of contracts is free from political interference, or even the appearance of such interference, and is done on the basis of merit, not on the basis of religion or religious belief, or lack thereof. Notices or announcements of award opportunities and notices of award or contracts shall include language substantially similar to that in appendices A and B, respectively, to 34 CFR part 75.

¹C. Ref. 2 CFR 200.102.

²C. Ref. 2 CFR 200.205, 200.207.

(3) No grant document, agreement, covenant, memorandum of understanding, policy, or regulation that is used by a grantee or subgrantee in administering Federal financial services from the Department shall require faith-based organizations to provide assurances or notices where they are not required of non-faith-based organizations. Any restrictions on the use of grant funds shall apply equally to faith-based and non-faith-based organizations. All organizations that participate in Department programs or services, including organizations with religious character or affiliation, must carry out eligible activities in accordance with all program requirements, subject to any required or appropriate religious accommodation, and other applicable requirements governing the conduct of Department-funded activities, including those prohibiting the use of direct financial assistance to engage in explicitly religious activities.

(4) No grant document, agreement, covenant, memorandum of understanding, policy, or regulation that is used by a grantee or subgrantee shall disqualify faith-based organizations from participating in Department-funded programs or services because such organizations are motivated or influenced by religious faith to provide social services, or because of their religious character or affiliation, or on grounds that discriminate against organizations on the basis of the organizations' religious exercise, as defined in 34 CFR 75.52(c)(3) and 76.52(c)(3).

(c)(1) The provisions of 34 CFR 75.532 and 76.532 that apply to a faith-based organization that is a grantee or subgrantee also apply to a faith-based organization that contracts with a grantee or subgrantee, including a State.

(2) The requirements referenced under paragraph (c)(1) of this section do not apply to a faith-based organization that provides goods or services to a beneficiary under a program supported only by indirect Federal financial assistance, as defined in 34 CFR 75.52(c)(3) and 76.52(c)(3).

(d)(1) A private organization that provides direct Federal services under a program of the Department and engages in explicitly religious activities, such as worship, religious instruction,

or proselytization, must offer those activities separately in time or location from any programs or services funded by the Department through a contract with a grantee or subgrantee, including a State. Attendance or participation in any such explicitly religious activities by beneficiaries of the programs and services supported by the contract must be voluntary.

(2) The limitations on explicitly religious activities under paragraph (d)(1) of this section do not apply to a faith-based organization that provides services to a beneficiary under a program supported only by indirect Federal financial assistance, as defined in 34 CFR 75.52(c)(3) and 76.52(c)(3).

(e)(1) A faith-based organization that contracts with a grantee or subgrantee, including a State, will retain its independence, autonomy, right of expression, religious character, and authority over its governance. A faith-based organization that receives Federal financial assistance from the Department does not lose the protections of law.

NOTE 1 TO PARAGRAPH (e)(1): Memorandum for All Executive Departments and Agencies, From the Attorney General, "Federal Law Protections for Religious Liberty" (Oct. 6, 2017) (describing Federal law protections for religious liberty).

(2) A faith-based organization that contracts with a grantee or subgrantee, including a State, may, among other things—

(i) Retain religious terms in its name;

(ii) Continue to carry out its mission, including the definition, development, practice, and expression of its religious beliefs;

(iii) Use its facilities to provide services without concealing, removing, or altering religious art, icons, scriptures, or other symbols from these facilities;

(iv) Select its board members on the basis of their acceptance of or adherence to the religious tenets of the organization; and

(v) Include religious references in its mission statement and other chartering or governing documents.

(f) A private organization that contracts with a grantee or subgrantee, including a State, may not discriminate against a beneficiary or prospective beneficiary in the provision of program

goods or services on the basis of religion or religious belief, a refusal to hold a religious belief, or refusal to attend or participate in a religious practice. However, an organization that participates in a program funded by indirect financial assistance need not modify its program activities to accommodate a beneficiary who chooses to expend the indirect aid on the organization's program and may require attendance at all activities that are fundamental to the program.

(g) A religious organization's exemption from the Federal prohibition on employment discrimination on the basis of religion, in section 702(a) of the Civil Rights Act of 1964, 42 U.S.C. 2000e-1(a), is not forfeited when the organization contracts with a grantee or subgrantee. An organization qualifying for such an exemption may select its employees on the basis of their acceptance of or adherence to the religious tenets of the organization.

(h) No grantee or subgrantee receiving funds under any Department program or service shall construe these provisions in such a way as to advantage or disadvantage faith-based organizations affiliated with historic or well-established religions or sects in comparison with other religions or sects.

(ii) Prepare derivative works and reproduce, publicly perform, publicly display and distribute those derivative works; and

(iii) Otherwise use the copyrightable work, provided that in all such instances attribution is given to the copyright holder.

(2) Grantees and subgrantees may select any open licenses that comply with the requirements of this section, including, at the grantee's or subgrantee's discretion, a license that limits use to noncommercial purposes. The open license also must contain—

(i) A symbol or device that readily communicates to users the permissions granted concerning the use of the copyrightable work;

(ii) Machine-readable code for digital resources;

(iii) Readily accessed legal terms; and

(iv) The statement of attribution and disclaimer specified in 34 CFR 75.620(b).

(c) A grantee or subgrantee that is awarded competitive grant funds must have a plan to disseminate the openly licensed copyrightable works identified in paragraph (a) of this section.

(i) Grants that provide funding for general operating expenses;

(v) Peer-reviewed scholarly publications that arise from any scientific research funded, either fully or partially, from grants awarded by the Department;
