met by physicians preparing impairment evaluations in order for an impairment evaluation to be considered in determining an impairment award. Such criteria shall be made available to claimants and the public by OWCP.

[71 FR 78534, Dec. 29, 2006, as amended at 84 FR 3060, Feb. 8, 2019]

§ 30.902 How will OWCP calculate the amount of the award of impairment benefits that is payable under Part E?

(a) OWCP will multiply the percentage points of the impairment rating by \$2,500 to calculate the amount of the award.

(b) An employee's impairment rating may be comprised of multiple impairments of organs and body functions due to multiple covered illnesses. If an impairment award is payable based on a whole person impairment rating in which at least one of the impairments is subject to a reduction under §§ 30.505(b) and/or 30.626, OWCP will reduce the impairment award proportionately.

MEDICAL EVIDENCE OF IMPAIRMENT

§ 30.905 How may an impairment evaluation be obtained?

(a) Except as provided in paragraph (b) of this section, OWCP may request that an employee undergo an evaluation of his or her permanent impairment that specifies the percentage points that are the result of the employee's covered illness or illnesses. To be of any probative value, such evaluation must be performed by a physician who meets the criteria OWCP has identified for physicians performing impairment evaluations for the pertinent covered illness or illnesses in accordance with the AMA's *Guides*.

(b) In lieu of submitting an evaluation requested by OWCP under paragraph (a) of this section, an employee may obtain an impairment evaluation at his own initiative and submit it to OWCP for consideration. Such an evaluation will be deemed to have sufficient probative value to be considered in the adjudication of impairment benefits by OWCP only if:

(1) The evaluation was performed by a physician who meets the criteria identified by OWCP for the covered illness or illnesses in question;

(2) The evaluation was performed no more than one year before the date that it was received by OWCP; and

(3) The evaluation conforms to all applicable requirements set out in this part.

§ 30.906 Who will pay for an impairment evaluation?

(a) OWCP will pay for one impairment evaluation obtained by an employee if it meets the criteria set out in § 30.905(b), unless it was performed by a physician prior to the date that the claim for Part E benefits is filed, or obtained for a claim in which OWCP finds that the employee did not contract a covered illness. At its discretion, OWCP may direct that the employee undergo additional evaluations. OWCP will pay for any such additional evaluations and will reimburse the employee for any reasonable and necessary costs incident to the evaluations, as described in §§ 30.404 and 30.412 of this part.

(b) Except for one impairment evaluation obtained pursuant to § 30.905(b) and meeting the criteria set out in § 30.905(b)(1), (2) and (3), the employee must pay for any impairment evaluations not directed by OWCP.

§ 30.907 Can an impairment evaluation obtained by OWCP be challenged prior to issuance of the recommended decision?

(a) An employee may submit arguments challenging an impairment evaluation, and/or additional medical evidence of impairment, before the district office issues a recommended decision on his or her claim. However, the district office will not consider an additional impairment evaluation, even if it differs from the impairment evaluation obtained under § 30.905 or § 30.906, if it does not meet the criteria listed in § 30.905(b)(1), (2) and (3).

(b) If the district office obtains an additional impairment evaluation that differs from the impairment evaluation obtained under § 30.905 or § 30.906, the district office will base its recommended determinations regarding
