### Subpart A—General Provisions

#### § 62.1 Purpose.

(a) The regulations set forth in this part implement the Mutual Educational and Cultural Exchange Act of 1961 (the “Act”), as amended, Public Law 87–256, 22 U.S.C. 2451, *et seq.* (1988). The purpose of the Act is to increase mutual understanding between the people of the United States and the people of other countries by means of edu-

cational and cultural exchanges. Educational and cultural exchanges assist the Department of State in furthering the foreign policy objectives of the United States. These exchanges are defined by section 102 of the Act, 22 U.S.C. 2452, and section 101(a)(15)(J) of the Immigration and Nationality Act, as amended, 8 U.S.C. 1101(a)(15)(J).

(b) The Secretary of State of the Department of State facilitates activities specified in the Act, in part, by designating public and private entities to act as sponsors of the Exchange Visitor Program. Sponsors may act independently or with the assistance of third parties. The purpose of the Program is to provide foreign nationals with opportunities to participate in educational and cultural programs in the United States and return home to share their experiences, and to encourage Americans to participate in educational and cultural programs in other countries. Exchange visitors enter the United States on a J visa. The regulations set forth in this subpart are applicable to all sponsors.

(c) The Assistant Secretary for Educational and Cultural Affairs of the Department of State may, in his or her sole discretion and to the extent consistent with the authorities described in paragraph (a) of this section and other applicable law, waive or modify any provision of this part with respect to programs that are established pursuant to memoranda of understanding, letters of intent or similar arrangements between the United States and foreign governments. When establishing such a program, the Department will publish a notice in the FEDERAL REGISTER describing the program and any resulting modifications to or waivers of provisions of this part. If such an arrangement will not result in a waiver of or other modification to the provisions of this part, then the Department need not publish a notice.

All entities that act on behalf of the sponsor in the conduct of the sponsor's exchange visitor program must execute written agreements with the sponsor that outline the full relationship between the entity and the sponsor on all matters involving the administration of the exchange visitor program. A sponsor's use of a third party does not relieve the sponsor of its obligations to comply, and to ensure third party compliance, with the provisions of this part. Failure by any third party to comply with the regulations set forth in this part or with any additional terms and conditions governing administration of the Exchange Visitor Program that the Department of State may from time to time impose will be imputed to the sponsor. (d) Upon its favorable determination that a sponsor meets all statutory and regulatory requirements, the Department of State may, in its sole discretion, redesignate the organization as an Exchange Visitor Program sponsor for one or two years. ### § 62.8 General program requirements.

(a) *Size of program.* A sponsor, other than a federal government agency, must have no fewer than five actively participating exchange visitors during the annual reporting cycle (e.g., academic, calendar or fiscal year), as stated in its letter of designation or redesignation. The Department of State may, in its sole discretion, waive this requirement.

(b) *Minimum duration of program.* A sponsor, other than a federal government agency, must provide each exchange visitor, except those sponsored in the short-term scholar category, with a minimum period of participation in the United States of no less than three weeks.

(c) *Reciprocity.* In conducting its exchange visitor program, sponsors must make a good faith effort to develop and implement, to the fullest extent possible, reciprocal exchanges of persons.

(d) *Cross-cultural activities.* In addition to category specific requirements, sponsors must:

(1) Offer or make available to exchange visitors and the accompanying spouses and dependents, if any, a variety of appropriate cross-cultural activities. The extent and type of the cross-cultural activities will be determined by the needs and interests of the particular category of exchange visitor. Sponsors will be responsible for determining the appropriate types and

## 22 CFR Ch. I (4-1-25 Edition)

numbers of such cross-cultural programs, unless otherwise specified by the Department. The Department of State encourages sponsors to give their exchange visitors the broadest exposure to American society, culture and institutions; and

(2) Encourage exchange visitors to participate voluntarily in activities that are for the purpose of sharing the language, culture, or history of their home country with Americans, provided such activities do not delay the completion of the exchange visitors' program.

[79 FR 60307, Oct. 6, 2014]

### § 62.9 General obligations of sponsors.

(a) *Adherence to Department of State regulations.* Sponsors are required to adhere to all regulations set forth in this part.

(b) *Legal status.* A sponsor must maintain the legal status it had when it was designated. A sponsor's change in legal status (e.g., from partnership to corporation, non-profit to for-profit) requires the submission of a new application for designation of the successor legal entity within 45 days of the change in legal status.

(c) *Accreditation and licensure.* A sponsor must remain in compliance with all local, state, and federal laws, and professional requirements necessary to carry out the activities for which it is designated, including accreditation and licensure, if applicable.

(d) *Representations and disclosures.* Sponsors must:

(1) Provide accurate, complete, and timely information, to the extent lawfully permitted, to the Department of State and the Department of Homeland Security regarding their exchange visitor program(s), exchange visitors, and accompanying spouses and dependents (if any);

(2) Provide accurate information to the public when advertising their exchange visitor program(s) or responding to public inquiries;

(3) Provide accurate program information and materials to prospective exchange visitors, host organizations, and host employers, if applicable, at the time of recruitment and before exchange visitors enter into agreements

and/or pay non-refundable fees. This information must clearly explain program activities and terms and conditions of program, including the terms and conditions of any employment activities (job duties, number of work hours, wages and compensation, and any typical deductions for housing and transportation), have itemized list of all fees charged to the exchange visitor (*i.e.*, fees paid to the sponsor or a third party, including the host employer), insurance costs, other typical costs, conditions, and restrictions of the exchange visitor program(s), and the type, duration, nature and importance of the cultural components of the program. Program recruitment information and materials also must make clear to prospective exchange visitors in the exchange categories with a work component that their stipend or wages might not cover all of their expenses and that they should bring additional personal funds.

(4) Not use the program number(s) assigned by the Department of State at the time of designation on any advertising materials or publications, including sponsor Web sites; and

(5) Not represent that its exchange visitor program is endorsed, sponsored, or supported by the Department of State or the U.S. Government, except for U.S. Government sponsors or exchange visitor programs financed directly by the U.S. Government to promote international educational exchanges. A sponsor may, however, represent that it is designated by the Department of State as a sponsor of an exchange visitor program.

(e) *Financial responsibility.* (1) Sponsors must maintain the financial capability to meet at all times their financial obligations and responsibilities attendant to successful sponsorship of their exchange visitor program.

(2) The Department of State may require non-government sponsors to provide evidence satisfactory to the Department of State that funds necessary to fulfill all obligations and responsibilities attendant to sponsorship of their exchange visitor programs are readily available and in the sponsor's control, including such supplementary or explanatory financial information as the Department of State may deem

appropriate, such as, for example, audited financial statements.

(3) The Department of State may require a non-government sponsor to secure payment bonds in favor of the Department of State guaranteeing all financial obligations arising from its exchange visitor program when the Department has reasonable doubt about the sponsor's ability to meet its program and other financial obligations.

(f) *Staffing and support services.* Sponsors must ensure that:

(1) Adequate staffing and sufficient support services are provided to administer their exchange visitor program; and

(2) Their employees, officers, agents, third parties, volunteers or other individuals or entities associated with the administration of their exchange visitor program are adequately qualified, appropriately trained, and comply with the Exchange Visitor Program regulations and immigration laws pertaining to the administration of their exchange visitor programs.

(g) *Appointment of Responsible Officers and Alternate Responsible Officers.* (1) Sponsors must appoint and maintain a Responsible Officer and between one and ten Alternate Responsible Officers to assist the Responsible Officer in performing the duties set forth in § 62.11. Upon written sponsor request, the Department of State may, in its sole discretion, permit a sponsor to appoint more than ten Alternate Responsible Officers. A sponsor redesignated for two years must ensure that the proposed Responsible Officer and Alternate Responsible Officer(s) have undergone a criminal background check within the past four years to determine their suitability for these positions. Responsible Officers and Alternate Responsible Officers must be U.S. persons.

(2) Responsible Officers and Alternate Responsible Officers must be employees or officers of the sponsor. Upon written sponsor request, the Department of State may, in its sole discretion, authorize the appointment of an individual who is not an employee or officer to serve as an Alternate Responsible Officer.

(3) In the event of the departure of a Responsible Officer or Alternate Responsible Officer, the sponsor must file

## § 62.10

## 22 CFR Ch. I (4-1-25 Edition)

a request in SEVIS for the approval of a replacement and forward the required documentation to the Department of State within ten calendar days from the date of the Responsible Officer's or Alternate Responsible Officer's departure.

(4) Requests to replace the Responsible Officer or add an Alternate Responsible Officer must be submitted in SEVIS, and a signed Form DS-3037 must be either mailed or emailed to the Department of State with the required completed Citizenship Certification, along with certification that the individual has undergone a criminal background check conducted at the time of such Certification.

(5) The Department of State reserves the right to deny the appointment of a Responsible Officer or an Alternate Responsible Officer.

[79 FR 60307, Oct. 6, 2014]

### § 62.10 Program administration.

Sponsors are responsible for the effective administration of their exchange visitor program(s). These responsibilities include:

(a) *Selection of exchange visitors.* Sponsors must establish and utilize a method to screen and select prospective exchange visitors to ensure that they are eligible for program participation, and that:

(1) The program is suitable to the exchange visitor's background, needs, and experience; and

(2) The exchange visitor possesses sufficient proficiency in the English language, as determined by an objective measurement of English language proficiency, successfully to participate in his or her program and to function on a day-to-day basis. A sponsor must verify an applicant's English language proficiency through a recognized English language test, by signed documentation from an academic institution or English language school, or through a documented interview conducted by the sponsor either in-person or by videoconferencing, or by telephone if videoconferencing is not a viable option.

(b) *Pre-arrival information.* At the pre-arrival stage, sponsors must provide exchange visitors clear information and materials on, but not limited to,

the following topics: Program activities, cultural goals and components of the program, employment information and terms and conditions of employment (including employer name and address, position duration, job duties, number of work hours, wages, other compensation and benefits, deductions from wages, including those taken for housing and transportation), insurance costs, and other conditions and restrictions of their exchange visitor. In addition, sponsors must provide clear information and materials on:

(1) The purpose of the Exchange Visitor Program;

(2) The home-country physical presence requirement;

(3) Travel to and entry into the United States (e.g., procedures to be followed by exchange visitors and accompanying spouses and dependents in paying SEVIS fees and obtaining visas for entry to the United States, including the information and documentation needed for the interview; travel arrangements to the United States, and what to expect at the port of entry, including the necessity of having and presenting travel documents at the port of entry);

(4) Housing, including specific information on what housing is provided by the program or otherwise available and the expected cost to the exchange visitor;

(5) An itemized list of all fees to be paid by a potential exchange visitor (i.e., fees paid to the sponsor or a third party);

(6) Description and amount of other costs that the exchange visitor will likely incur (e.g., insurance, living expenses, transportation expenses) while in the United States;

(7) Health care and insurance description, costs, and requirements for exchange visitors and their accompanying spouse and dependents, as applicable;

(8) Arrival notification requirements (e.g., procedures that exchange visitors, spouses and dependents are to follow upon entry into the United States in reporting their arrival to the sponsor and reporting to the location of their program); and

(9) Other information that will assist exchange visitors to prepare for their

stay in the United States (e.g., how and when to apply for a social security number, if applicable; how to apply for a driver's license; how to open a bank account; employee rights and laws, including workman's compensation; and how to remain in lawful non-immigrant status.

(c) *Orientation.* A sponsor must offer and record participation in an appropriate orientation for all exchange visitors. Sponsors are encouraged to provide orientation for the exchange visitor's accompanying spouse and dependents, especially for those exchange visitors who are expected to be in the United States for more than one year. Orientation must include, but is not limited to, information concerning:

(1) Life and customs in the United States;

(2) Local community resources (e.g., public transportation, medical centers, schools, libraries, recreation centers, and banks), to the fullest extent possible;

(3) Available healthcare, emergency assistance, and health insurance coverage;

(4) A description of the exchange visitor program in which the exchange visitor is participating such as information on the length and location of the program; a summary of the significant components of the program; information on any payment (*i.e.*, stipend or wage) an exchange visitor will receive; and deductions from wages, including for housing and transportation;

(5) Sponsor rules that exchange visitors are required to follow while participating in their exchange visitor program;

(6) Name and address of the sponsor and the name, email address, and telephone number of the Responsible Officer and Alternate Responsible Officer(s);

(7) The Office of Designation's address, telephone number, facsimile number, Web site and email address, and a copy of the Exchange Visitor Program brochure or other Department of State materials as appropriate or required;

(8) Wilberforce Pamphlet on the Rights and Protections for Temporary Workers; and

(9) The requirement that an exchange visitor must report to the sponsor or sponsor designee within ten calendar days any changes in his or her telephone number, email address, actual and current U.S. address (*i.e.*, physical residence), and site of activity (if the exchange visitor is permitted to make such change without prior sponsor authorization).

(d) *Monitoring of exchange visitors.* Exchange visitors' participation in their exchange program must be monitored by employees of the sponsor. Monitoring activities must not include any retaliation or discrimination against exchange visitors who make adverse comments related to the program. No sponsor or employee of a sponsor may threaten program termination, remove from the program, ban from the program, adversely annotate an exchange visitor's SEVIS record, or otherwise retaliate against an exchange visitor solely because he/she has filed a complaint; instituted or caused to be instituted any proceeding; testified or is about to testify; consulted with an advocacy organization, community organization, legal assistance program or attorney about a grievance or other work-related legal matter; or exercised or asserted on behalf of himself/herself any right or protection. Sponsors must:

(1) Ensure that the activities in which exchange visitors are engaged are consistent with the category and activity listed on their Forms DS-2019;

(2) Monitor the physical location (site of activity), and the progress and welfare of exchange visitors to the extent appropriate for the category;

(3) Require that exchange visitors report to the sponsor within ten calendar days any changes in their telephone numbers, email addresses, actual and current U.S. addresses (*i.e.*, physical residence), and site(s) of activity (if the exchange visitor is permitted to make such change without prior sponsor authorization);

(4) Report in SEVIS within ten business days of notification by an exchange visitor any change in the exchange visitor's actual and current U.S. address, telephone number, email address, and/or primary site of activity; and

## § 62.11

## 22 CFR Ch. I (4-1-25 Edition)

(5) Report the email address for each accompanying spouse and dependent.

(e) *Requests by the Department of State.* Sponsors must, to the extent lawfully permitted, furnish the Department of State within the Department-requested timeframe all information, reports, documents, books, files, and other records or information requested by the Department of State on all matters related to their exchange visitor program. Sponsors must include sponsor's program number on all responses.

(f) *Inquiries and investigations.* Sponsors must cooperate with any inquiry or investigation that may be undertaken by the Department of State or the Department of Homeland Security.

(g) *Retention of records.* Sponsors must retain all records related to their exchange visitor program and exchange visitors (to include accompanying spouse and dependents, if any) for a minimum of three years following the completion of each exchange visitor program.

[79 FR 60307, Oct. 6, 2014]

### § 62.11 Duties of Responsible Officers and Alternate Responsible Officers.

Responsible Officers must train and supervise Alternate Responsible Officers and ensure that these officials are in compliance with the Exchange Visitor Program regulations. Responsible Officers and Alternate Responsible Officers must:

(a) Be thoroughly familiar with the Exchange Visitor Program regulations, relevant immigration laws, and all federal and state regulations and laws pertaining to the administration of their exchange visitor program(s), including the Department of State's and the Department of Homeland Security's policies, manuals, instructions, and guidance on SEVIS and all other operations relevant to the Exchange Visitor Program; if Responsible Officers and Alternate Responsible Officers work with programs with an employment component, they also must have a detailed knowledge of federal, state, and local laws pertaining to employment, including the Fair Labor Standards Act;

(b) Monitor that the exchange visitor obtains sufficient advice and assistance to facilitate the successful completion of his or her exchange visitor program;

(c) Conduct all official communications relating to their sponsor's exchange visitor program with the Department of State and the Department of Homeland Security. A sponsor must include its exchange visitor program number on all correspondence submitted to the Department of State and to the Department of Homeland Security;

(d) Monitor to ensure that sponsor spam filters do not block receipt of SEVIS or Department of State and Department of Homeland Security notices; and

(e) Control and issue Forms DS-2019 as set forth in § 62.12.

[79 FR 60307, Oct. 6, 2014]

### § 62.12 Control of Forms DS-2019.

(a) *Issuance of Forms DS-2019.* Sponsors must:

(1) Grant access to SEVIS only to Responsible Officers and Alternate Responsible Officers and ensure that they have access to and use SEVIS to update required information;

(2) Ensure that Responsible Officers and Alternate Responsible Officers input into SEVIS accurate, current, and updated information in accordance with these regulations; and

(3) Issue Forms DS-2019 only for the following purposes if permitted by the regulations and, as necessary, authorized by the Department of State:

(d) *Allotment requests.* (1) *Annual Form DS-2019 allotment.* Sponsors must submit an electronic request via SEVIS to the Department of State for an annual allotment of Forms DS-2019 based on the annual reporting cycle (e.g., academic, calendar, or fiscal year) stated in their letter of designation or redesignation. (e.g., forms with errors or forms damaged by a printer).

[89 FR 30271, Apr. 23, 2024]

### § 62.13 Notification requirements.

(a) *Valid program status of exchange visitor.* Sponsors must notify the Department of State via SEVIS of the following:

(1) Validation of program participation. Sponsors must promptly validate an exchange visitor's participation in their program. This will change the status of the exchange visitor's SEVIS record from "Initial" to "Active." SEVIS records with program durations (e.g., the period between the "Program Begin Date" and "Program End Date") of 30 days or more must be validated within 30 days following the "Program Begin Date" identified in SEVIS. SEVIS records with program durations that are less than 30 days must be validated prior to the "Program End Date" reflected in SEVIS. As part of the validation process, sponsors may amend the program begin date and must update the SEVIS record to reflect the actual and current U.S. address and site of activity in SEVIS. The status of SEVIS records that are not validated according to this schedule will automatically change to "Invalid" or "No Show". Accompanying spouses and dependents' SEVIS records are automatically validated upon validation of the exchange visitors' SEVIS records.

(2) Failure of an exchange visitor to begin program. Sponsors must report in SEVIS, no later than 30 calendar days after the "Program Begin Date" listed in SEVIS, the failure of an exchange visitor to report to his or her sponsor upon entry in the United States (i.e., failure of exchange visitor to begin an exchange visitor program as scheduled). This will change the status of the exchange visitor's SEVIS record from "Initial" to "No Show."

(3) End of an exchange visitor's program. Sponsors must report in SEVIS any withdrawal from or early completion of an exchange visitor's program that occurs prior to the "Program End Date" listed in SEVIS on the exchange visitor's Form DS-2019. Sponsors must not alter the "Program End Date" field, but should enter the date of program completion in the "Effective

Date of Completion" field. This will change the status of the exchange visitor's SEVIS record from "Active" to "Inactive." Such notification in SEVIS ends a sponsor's programmatic obligations to the exchange visitor and/or his or her accompanying spouse and dependents.

(4) Accompanying spouse and dependent records. Sponsors must report in SEVIS if accompanying spouses and/or dependents depart from the United States prior to the exchange visitors' departure dates.

(5) Termination of an exchange visitor's program. Sponsors must promptly report in SEVIS the involuntary termination of an exchange visitor's program. Sponsors must not alter the "Program End Date" field, but should enter the date of program termination in the "Effective Date of Termination" field. This will change the status of the SEVIS record from "Active" to "Terminated". Such notification in SEVIS ends a sponsor's programmatic obligation to the exchange visitor and his or her accompanying spouse and dependents, if any, and prevents the sponsor from thereafter extending the exchange visitor's duration of participation, transferring the exchange visitor to another program, or changing the exchange visitor's category. Sponsors must not terminate the program of an exchange visitor who voluntarily ends his or her program.

(b) *Change of circumstance of an exchange visitor.* Sponsors must promptly notify the Department of State via SEVIS of any of the following circumstances:

(1) Change in the actual and current U.S. address. Sponsors must ensure that the actual and current U.S. addresses of an exchange visitor are reported in SEVIS:

(i) Sponsors must report the U.S. mailing address (i.e., provide a P.O. Box number) in SEVIS in those limited cases where mail cannot be delivered to the exchange visitor's actual and current U.S. address (e.g., the exchange visitor resides in a campus setting); and

(ii) If a U.S. mailing address is reported to SEVIS, sponsors must also maintain records in SEVIS of actual

and current U.S. addresses (e.g., dormitory, building and room number) for such exchange visitors.

(2) Change in site of activity. Sponsors must report in SEVIS any change to an exchange visitor's site of activity by entering the new site within ten business days of notification of such a change where sponsor rules or regulations permit such a change. Sponsors must promptly enter any change in the site of activity in those instances where the sponsor is responsible for the placement. Sponsors must identify the "primary" site of activity of an exchange visitor if multiple sites of activity are reported in SEVIS.

(c) *Change in sponsor's circumstance.* Sponsors must report within ten business days in SEVIS or directly to the Department of State, if appropriate, any material changes to their exchange visitor program as follows:

(1) Change of business and/or mailing address, telephone number, facsimile number, or email address;

(2) Change in the composition of the sponsor organization that affects its status as a United States Person as defined in § 62.2, which includes a new Employment Identification Number (EIN);

(3) Change of Responsible Officer or Alternate Responsible Officer;

(4) Major change of ownership or control of the sponsor's organization as defined in § 62.60(e);

(5) Change of the sponsor's principal place of business to a location outside the United States;

(6) Change in financial circumstances that may render the sponsor unable to comply with its obligations as set forth in § 62.9(e);

(7) Loss of licensure or accreditation;

(8) Loss or theft of Forms DS-2019, in which case a sponsor must notify the Department of State promptly by telephone or email of the SEVIS identification numbers of such Forms DS-2019 that have been lost or stolen;

(9) A decision by the sponsor to voluntarily cancel (withdraw) its exchange visitor program designation; or

(10) Any other material facts or events that may have an impact on the sponsor's ability to properly administer or conduct its exchange visitor program.

(d) *Serious problem or controversy.* Sponsors must inform the Department of State on or before the next business day by telephone (confirmed promptly in writing by facsimile or email) of any investigations of an exchange visitor's site of activity or serious problem or controversy that could be expected to bring the Department of State, the Exchange Visitor Program, or the sponsor's exchange visitor program into notoriety or disrepute, including any potential litigation related to a sponsor's exchange visitor program, in which the sponsor or an exchange visitor may be a named party.

[79 FR 60307, Oct. 6, 2014]

#### **§ 62.14 Insurance.**

(a) Sponsors must require that all exchange visitors have insurance in effect that covers the exchange visitors for sickness or accidents during the period of time that they participate in the sponsor's exchange visitor program. In addition, sponsors must require that accompanying spouses and dependents of exchange visitors have insurance for sickness and accidents. Sponsors must inform all exchange visitors that they, and any accompanying spouse and dependent(s), also may be subject to the requirements of the Affordable Care Act.

(b) The period of required coverage is the actual duration of the exchange visitor's participation in the sponsor's exchange visitor program as recorded in SEVIS in the "Program Begin Date," and as applicable, the "Program End Date," "Effective Program End Date," or "Effective Date of Termination" fields. Sponsors are not authorized to charge fees to their sponsored exchange visitors for the provision of insurance coverage beyond any demonstrable and justifiable staff time. Sponsors are not required to, but may, offer supplemental "entry to exit" coverage (i.e., coverage from the time the exchange visitor departs his or her home country until he or she returns). If the sponsor provides health insurance, or arranges for health insurance to be offered the exchange visitor, via payroll deduction at the host organization, the exchange visitor must voluntarily authorize this action in

## § 62.15

## 22 CFR Ch. I (4-1-25 Edition)

writing and also be given the opportunity to make other arrangements to obtain insurance. These authorizations must be kept on file by the sponsor. Minimum coverage must provide:

(1) Medical benefits of at least \$100,000 per accident or illness;

(2) Repatriation of remains in the amount of \$25,000;

(3) Expenses associated with the medical evacuation of exchange visitors to his or her home country in the amount of \$50,000; and

(4) Deductibles not to exceed \$500 per accident or illness.

(c) Insurance policies secured to fulfill the requirements of this section:

(1) May require a waiting period for pre-existing conditions that is reasonable as determined by current industry standards;

(2) May include provisions for co-insurance under the terms of which the exchange visitor may be required to pay up to 25% of the covered benefits per accident or illness; and

(3) Must not unreasonably exclude coverage for perils inherent to the activities of the exchange program in which the exchange visitor participates.

(d) Any policy, plan, or contract secured to fill the above requirements must, at a minimum, be:

(1) Underwritten by an insurance corporation having an A.M. Best rating of "A—" or above; a McGraw Hill Financial/Standard & Poor's Claims-paying Ability rating of "A—" or above; a Weiss Research, Inc. rating of "B+" or above; a Fitch Ratings, Inc. rating of "A—" or above; a Moody's Investor Services rating of "A3" or above; or such other rating as the Department of State may from time to time specify; or

(2) Backed by the full faith and credit of the government of the exchange visitor's home country; or

(3) Part of a health benefits program offered on a group basis to employees or enrolled students by a designated sponsor; or

(4) Offered through or underwritten by a federally qualified Health Maintenance Organization or eligible Competitive Medical Plan as determined by the Centers for Medicare and Medicaid

Services of the U.S. Department of Health and Human Services.

(e) Federal, state or local government agencies; state colleges and universities; and public community colleges may, if permitted by law, self-insure any or all of the above-required insurance coverage.

(f) At the request of a non-governmental sponsor of an exchange visitor program, and upon a showing that such sponsor has funds readily available and under its control sufficient to meet the requirements of this section, the Department of State may permit the sponsor to self-insure or to accept full financial responsibility for such requirements.

(g) The Department of State may, in its sole discretion, condition its approval of self-insurance or the acceptance of full financial responsibility by the non-governmental sponsor by requiring such sponsor to secure a payment bond in favor of the Department of State guaranteeing the sponsor's obligations hereunder.

(h) Accompanying spouses and dependents are required to be covered by insurance in the amounts set forth in paragraph (b) of this section. Sponsors must inform exchange visitors of this requirement, in writing, in advance of the exchange visitor's arrival in the United States.

(i) Exchange visitors who willfully fail to maintain the insurance coverage set forth above while a participant in an exchange visitor program or who make material misrepresentations to the sponsor concerning such coverage will be deemed to be in violation of these regulations and will be subject to termination as an exchange visitor.

(j) Sponsors must terminate an exchange visitor's participation in their program if the sponsor determines that the exchange visitor or any accompanying spouse or dependent willfully fails to remain in compliance with this section.

**Subpart B—Specific Program Provisions****§ 62.20 Professors and research scholars.**

(a) *Introduction.* These regulations govern Exchange Visitor Program participants in the categories of professor and research scholar, except:

(1) Alien physicians in graduate medical education or training, who are governed by regulations set forth at § 62.27; and

## § 62.20

## 22 CFR Ch. I (4-1-25 Edition)

(2) Short-term scholars, who are governed by regulations set forth at § 62.21.

(b) *Purpose.* The purpose of the Exchange Visitor Program, in part, is to foster the exchange of ideas between Americans and foreign nationals and to stimulate international collaborative teaching, lecturing and research efforts. The exchange of professors and research scholars promotes the exchange of ideas, research, mutual enrichment, and linkages between research and educational institutions in the United States and foreign countries. It does so by providing foreign professors and research scholars the opportunity to engage in research, teaching and lecturing with their American colleagues, to participate actively in cross-cultural activities with Americans, and ultimately to share with their countrymen their experiences and increased knowledge of the United States and their substantive fields.

(c) *Designation.* The Department of State may, in its sole discretion, designate *bona fide* exchange visitor programs, which offer foreign nationals the opportunity to engage in research, teaching, lecturing, observing, or consulting at research institutions, corporate research facilities, museums, libraries, post-secondary accredited educational institutions, or similar types of institutions in the United States.

(d) *Visitor eligibility.* An individual may be selected for participation in the Exchange Visitor Program as a professor or research scholar subject to the following conditions:

(1) The participant must not be a candidate for a tenure track position;

(2) The participant has not been physically present in the United States as a nonimmigrant pursuant to the provisions of 8 U.S.C. 1101(a)(15)(J) for all or part of the twelve-month period immediately proceeding the date of program commencement set forth on his or her Form DS-2019, unless:

(i) The participant is transferring to the sponsor's program pursuant to provisions set forth in § 62.42;

(ii) The participant's presence in the United States was of less than six months duration; or

(iii) The participant's presence in the United States was pursuant to a short-

term scholar exchange activity as authorized by § 62.21; and

(3) The participant is not subject to the prohibition against repeat participation set forth at § 62.20(i)(2).

(e) *Issuance of Form DS-2019.* The Form DS-2019 must be issued only after the professor or research scholar has been accepted by the institution where he or she will participate in an exchange visitor program.

(f) *Location of the exchange.* Professors or research scholars must conduct their exchange activity at the site(s) of activity identified in SEVIS, which may be either the location of the exchange visitor program sponsor or the site of a third party facilitating the exchange with permission of the Responsible Officer. An exchange visitor may also engage in activities at other locations if such activities constitute occasional lectures or consultations permitted by paragraph (g) of this section. All such sites of activity must be entered into SEVIS while the exchange visitor's SEVIS record is in Initial or Active status.

(g) *Occasional lectures or consultations.* Professors and research scholars may participate in occasional lectures and short-term consultations, if authorized to do so by his or her sponsor. Such lectures and consultations must be incidental to the exchange visitor's primary program activities. If wages or other remuneration are received by the exchange visitor for such activities, the exchange visitor must act as an independent contractor, as such term is defined in 8 CFR 274a.1(j), and the following criteria and procedures must be satisfied:

(1) *Criteria.* The occasional lectures or short-term consultations must:

(i) Be directly related to the objectives of the exchange visitor's program;

(ii) Be incidental to the exchange visitor's primary program activities;

(iii) Not delay the completion date of the exchange visitor's program; and

(iv) Be documented in SEVIS.

(2) *Procedures.* (i) To obtain authorization to engage in occasional lectures or short-term consultations involving wages or other remuneration, the exchange visitor must present to the responsible officer:

(A) A letter from the offeror setting forth the terms and conditions of the offer to lecture or consult, including the duration, number of hours, field or subject, amount of compensation, and description of such activity; and

(B) A letter from the exchange visitor's department head or supervisor recommending such activity and explaining how the activity would enhance the exchange visitor's program.

(ii) The responsible officer must review the letters required in paragraph (g)(2)(i) of this section and make a written determination whether such activity is warranted, will not interrupt the exchange visitor's original objective, and satisfies the criteria set forth in paragraph (g)(1) of this section.

(h) *Change of activity.* At the discretion and approval of the responsible officer, professors may freely engage in research and research scholars may freely engage in teaching and lecturing. Because these activities are intertwined, such a change of activity is not considered a change of category necessitating formal approval by the Department of State and does not require the issuance of a new Form DS-2019 to reflect a change in category. Such change in activity does not extend the exchange visitor's maximum duration of program participation.

(i) *Duration of participation.* The permitted duration of program participation for a professor or research scholar is as follows:

(1) *General limitation.* A professor or research scholar may be authorized to participate in the Exchange Visitor Program for the length of time necessary to complete his or her program, provided such time does not exceed five years. The five-year period of permitted program participation is continuous and begins with the initial program begin date documented in SEVIS or the date such status was acquired via a petition submitted and approved by the Department of Homeland Security (DHS) as documented in SEVIS and ends five years from such date.

(2) *Repeat participation.* Exchange participants who have entered the United States under the Exchange Visitor Program as a professor or research scholar, or who have acquired such status while in the United States, and who

have completed his or her program are not eligible for participation as a professor or research scholar for a period of two years following the end date of such program participation as identified in SEVIS.

(3) *Extensions.* A responsible officer may not extend the period of program duration beyond the five-year period of maximum program duration authorized for professor and research scholar participants. The Department may, in its sole discretion, authorize an extension beyond the permitted five-year period, as submitted by a "G-7" program sponsor, upon successful demonstration of the following:

(i) The participant for whom an extension is requested is engaged in a research project under the direct sponsorship of a Federally Funded National Research and Development Center ("FFNRDC") or a U.S. Federal Laboratory;

(ii) The FFNRDC or U.S. Federal Laboratory requesting the extension on behalf of the participant has determined, through peer review, that the participant's continued involvement in the project is beneficial to its successful conclusion; and

(iii) The Secretary of the Department of Homeland Security has determined in his/her discretion that the extension may be approved;

(iv) The extension request is for not more than five years.

#### § 62.21 Short-term scholars.

(a) *Introduction.* These regulations govern scholars coming to the United States for a period of up to four months to lecture, observe, consult, and to participate in seminars, workshops, conferences, study tours, professional meetings, or similar types of educational and professional activities.

(b) *Purpose.* The Exchange Visitor Program promotes the interchange of knowledge and skills among foreign and American scholars. It does so by providing foreign scholars the opportunity to exchange ideas with their American colleagues, participate in educational and professional programs, confer on common problems and

## § 62.22

## 22 CFR Ch. I (4-1-25 Edition)

projects, and promote professional relationships and communications.

(c) *Designation.* The Department of State may, in its sole discretion, designate *bona fide* programs which offer foreign nationals the opportunity to engage in short-term visits for the purpose of lecturing, observing, consulting, training, or demonstrating special skills at research institutions, museums, libraries, post-secondary accredited educational institutions, or similar types of institutions.

(d) *Visitor eligibility.* A person participating in the Exchange Visitor Program under this section shall satisfy the definition of a short-term scholar as set forth in § 62.4.

(e) *Cross-cultural activities and orientation.* Due to the nature of such exchanges, sponsors of programs for short-term scholars shall be exempted from the requirements of providing cross-cultural activities and orientation as set forth in §§ 62.8(d) and 62.10(c). However, sponsors are encouraged to provide such programs for short-term scholars whenever appropriate.

(f) *Location of exchange.* The short-term scholar shall participate in the Exchange Visitor Program at the conferences, workshops, seminars, or other events or activities stated on his or her Form DS-2019. A participant may also lecture or consult at institutions not listed on the Form DS-2019 if his or her Responsible Officer issues a written authorization of such activity. Such written authorization must be attached to the participant's Form DS-2019.

(g) *Duration of participation.* The short-term scholar shall be authorized to participate in the Exchange Visitor Program for the length of time necessary to complete the program, which time shall not exceed six months. Programs under this section are exempted from § 62.8(b) governing the minimum duration of a program. Extensions beyond the duration of participation are not permitted under this category.

### § 62.22 Trainees and interns.

(a) *Introduction.* These regulations govern Exchange Visitor Programs under which foreign nationals with significant experience in their occupational field have the opportunity to receive training in the United States in such field. These regulations also establish a new internship program under which foreign national students and recent graduates of foreign post-secondary academic institutions have the opportunity to receive training in the United States in their field of academic study. These regulations include specific requirements to ensure that both trainees and interns receive hands-on experience in their specific fields of study/expertise and that they do not merely participate in work programs. Regulations dealing with training opportunities for certain foreign students who are studying at post-secondary accredited educational institutions in the United States are located at § 62.23 ("College and University Students"). Regulations governing alien physicians in graduate medical education or training are located at § 62.27 ("Alien Physicians").

(b) *Purpose.* (1)(i) The primary objectives of the programs offered under these regulations are to enhance the skills and expertise of exchange visitors in their academic or occupational fields through participation in structured and guided work-based training and internship programs and to improve participants' knowledge of American techniques, methodologies, and technology. Such training and internship programs are also intended to increase participants' understanding of American culture and society and to enhance Americans' knowledge of foreign cultures and skills through an open interchange of ideas between participants and their American associates. A key goal of the Fulbright-Hays Act, which authorizes these programs, is that participants will return to their home countries and share their experiences with their countrymen.

(ii) Exchange Visitor Program training and internship programs must not be used as substitutes for ordinary employment or work purposes; nor may they be used under any circumstances

to displace American workers. The requirements in these regulations for trainees are designed to distinguish between *bona fide* training, which is permitted, and merely gaining additional work experience, which is not permitted. The requirements in these regulations for interns are designed to distinguish between a period of work-based learning in the intern's academic field, which is permitted (and which requires a substantial academic framework in the participant's field), and unskilled labor, which is not.

(2) In addition, a specific objective of the new internship program is to provide foreign nationals who are currently enrolled full-time and pursuing studies at a degree- or certificate-granting post-secondary academic institution or graduated from such an institution no more than 12 months prior to their exchange visitor program begin date a period of work-based learning to allow them to develop practical skills that will enhance their future careers. Bridging the gap between formal education and practical work experience and gaining substantive cross-cultural experience are major goals in educational institutions around the world. By providing training opportunities for current foreign students and recent foreign graduates at formative stages of their development, the U.S. Government will build partnerships, promote mutual understanding, and develop networks for relationships that will last through generations as these foreign nationals move into leadership roles in a broad range of occupational fields in their own societies. These results are closely tied to the goals, themes, and spirit of the Fulbright-Hays Act.

(c) *Designation.* (1) The Department may, in its sole discretion, designate as sponsors those entities it deems to meet the eligibility requirements set forth in Subpart A of 22 CFR part 62 and to have the organizational capacity successfully to administer and facilitate training and internship programs.

(2) Sponsors must provide training and internship programs only in the occupational category or categories for which the Department has designated them as sponsors. The Department

may designate training and internship programs in any of the following occupational categories:

- (i) Agriculture, Forestry, and Fishing;
- (ii) Arts and Culture;
- (iii) Construction and Building Trades;
- (iv) Education, Social Sciences, Library Science, Counseling and Social Services;
- (v) Health Related Occupations;
- (vi) Hospitality and Tourism;
- (vii) Information Media and Communications;
- (viii) Management, Business, Commerce and Finance;
- (ix) Public Administration and Law; and
- (x) The Sciences, Engineering, Architecture, Mathematics, and Industrial Occupations.

(d) *Selection criteria.* (1) In addition to satisfying the general requirements set forth in § 62.10(a), sponsors must ensure that trainees and interns have verifiable English language skills sufficient to function on a day-to-day basis in their training environment. Sponsors must verify an applicant's English language proficiency through a recognized English language test, by signed documentation from an academic institution or English language school, or through a documented interview conducted by the sponsor either in-person or by videoconferencing, or by telephone if videoconferencing is not a viable option.

(2) Sponsors of training programs must verify that all potential trainees are foreign nationals who have either a degree or professional certificate from a foreign post-secondary academic institution and at least one year of prior related work experience in their occupational field acquired outside the United States or five years of work experience in their occupational field acquired outside the United States.

(3) Sponsors of internship programs must verify that all potential interns are foreign nationals who are currently enrolled full-time and pursuing studies in their advanced chosen career field at a degree- or certificate-granting post-secondary academic institution outside the United States or graduated from such an institution no more than 12

## § 62.22

## 22 CFR Ch. I (4-1-25 Edition)

months prior to their exchange visitor program begin date.

(e) *Issuance of Forms DS-2019.* In addition to the requirements set forth in Subpart A, sponsors must ensure that:

(1) They do not issue Forms DS-2019 to potential participants in training and internship programs until they secure placements for trainees or interns and complete and secure requisite signatures on Form DS-7002, Training/Internship Placement Plan (T/IPP);

(2) Trainees and interns have sufficient finances to support themselves for their entire stay in the United States, including housing and living expenses; and

(3) The training and internship programs expose participants to American techniques, methodologies, and technology and expand upon the participants' existing knowledge and skills. Programs must not duplicate the participants' prior work experience or training received elsewhere.

(f) *Obligations of training and internship program sponsors.* (1) Sponsors designated by the Department to administer training and internship programs must:

(i) Ensure that trainees and interns are appropriately selected, placed, oriented, supervised, and evaluated;

(ii) Be available to trainees and interns (and host organizations, as appropriate) to assist as facilitators, counselors, and information resources;

(iii) Ensure that training and internship programs provide a balance between the trainees' and interns' learning opportunities and their contributions to the organizations in which they are placed;

(iv) Ensure that the training and internship programs are full-time (minimum of 32 hours a week); and

(v) Ensure that any host organizations and third parties involved in the recruitment, selection, screening, placement, orientation, evaluation for, or the provision of training and internship programs are sufficiently educated on the goals, objectives, and regulations of the Exchange Visitor Program and adhere to all regulations set forth in this part as well as all additional terms and conditions governing Exchange Visitor Program administra-

tion that the Department may from time to time impose.

(2) Sponsors must certify that they or any host organization acting on the sponsor's behalf:

(i) Have sufficient resources, plant, equipment, and trained personnel available to provide the specified training and internship program;

(ii) Provide continuous on-site supervision and mentoring of trainees and interns by experienced and knowledgeable staff;

(iii) Ensure that trainees and interns obtain skills, knowledge, and competencies through structured and guided activities such as classroom training, seminars, rotation through several departments, on-the-job training, attendance at conferences, and similar learning activities, as appropriate in specific circumstances;

(iv) Conduct periodic evaluations of trainees and interns, as set forth in § 62.22(l);

(v) Do not displace full- or part-time or temporary or permanent American workers or serve to fill a labor need and ensure that the positions that trainees and interns fill exist primarily to assist trainees and interns in achieving the objectives of their participation in training and internship programs; and

(vi) Certify that training and internship programs in the field of agriculture meet all the requirements of the Fair Labor Standards Act, as amended (29 U.S.C. 201 *et seq.*) and the Migrant and Seasonal Agricultural Worker Protection Act, as amended (29 U.S.C. 1801 *et seq.*).

(3) Sponsors or any third parties acting on their behalf must complete thorough screening of potential trainees or interns, including a documented interview conducted by the sponsor either in-person or by videoconferencing, or by telephone if videoconferencing is not a viable option.

(4) Sponsors must retain all documents referred to in § 62.22(f) for at least three years following the completion of all training and internship programs. Documents and any requisite signatures may be retained in either hard copy or electronic format.

(g) *Use of third parties*—(1) *Sponsors use of third parties*. Sponsors may engage third parties (including, but not limited to host organizations, partners, local businesses, governmental entities, academic institutions, and other foreign or domestic agents) to assist them in the conduct of their designated training and internship programs. Such third parties must have an executed written agreement with the sponsor to act on behalf of the sponsor in the conduct of the sponsor's program. This agreement must outline the obligations and full relationship between the sponsor and third party on all matters involving the administration of their exchange visitor program. A sponsor's use of a third party does not relieve the sponsor of its obligations to comply with and to ensure third party compliance with Exchange Visitor Program regulations. Any failure by any third party to comply with the regulations set forth in this part or with any additional terms and conditions governing Exchange Visitor Program administration that the Department may from time to time impose will be imputed to the sponsors engaging such third party.

(2) *Screening and vetting third parties operating outside the United States*. Sponsors must ascertain that third parties operating outside the United States are legitimate entities within the context of their home country environment. For third parties that operate as businesses, sponsors must obtain relevant home country documentation, such as a business registration or certification. Such home country documentation must include an English Language translation for any business registration or certification documents submitted in a foreign language. Written agreements between sponsors and third parties operating outside the United States must include annually updated price lists for training and internship programs offered by each third party, and must indicate that such overseas third parties are sufficiently trained in all aspects of the programs they represent, including the regulations set forth in this part.

(3) *Screening and vetting host organizations*. Sponsors must adequately screen all potential host organizations at which a trainee or intern will be placed

by obtaining the following information:

(i) Employer Identification Number (EIN) used for tax purposes;

(ii) Third party verification of telephone number, address, and professional activities, e.g., via advertising, brochures, Web site, and/or feedback from prior participants; and

(iii) Verification of Worker's Compensation Insurance Policy or equivalent in each state or, if applicable, evidence of state exemption from requirement of coverage.

(4) *Site visits of host organizations*. Sponsors must conduct site visits of host organizations that have not previously participated successfully in the sponsor's training and internship programs and that have fewer than 25 employees or less than three million dollars in annual revenue. Placements at academic institutions or at federal, state, or local government offices are specifically excluded from this requirement. The purpose of the site visits is for the sponsors to ensure that host organizations possess and maintain the ability and resources to provide structured and guided work-based learning experiences according to individualized T/IPPs and that host organizations understand and meet their obligations set forth in this part.

(h) *Host organization obligations*. Sponsors must ensure that:

(1) Host organizations sign a completed Form DS-7002 to verify that all placements are appropriate and consistent with the objectives of the trainees or interns as outlined in their program applications and as set forth in their T/IPPs. All parties involved in internship programs should recognize that interns are seeking entry-level training and experience. Accordingly, all placements must be tailored to the skills and experience level of the individual intern;

(2) Host organizations notify sponsors promptly of any concerns about, changes in, or deviations from T/IPPs during training and internship programs and contact sponsors immediately in the event of any emergency involving trainees or interns;

(3) Host organizations abide by all federal, state, and local occupational health and safety laws; and

## § 62.22

## 22 CFR Ch. I (4-1-25 Edition)

(4) Host organizations abide by all program rules and regulations set forth by the sponsors, including the completion of all mandatory program evaluations.

(i) *Training/internship placement plan (Form DS-7002).* (1) Sponsors must fully complete and obtain all requisite signatures on a Form DS-7002 for each trainee or intern before issuing a Form DS-2019. Sponsors must provide each signatory an executed copy of the Form DS-7002. Upon request, trainees and interns must present their fully executed Form DS-7002 to Consular Officials during their visa interview.

(2) To further distinguish between *bona fide* training for trainees or work-based learning for interns, which are permitted, and unskilled or casual labor positions which are not, all T/IPPs must:

(i) State the specific goals and objectives of the training and internship program (for each phase or component, if applicable);

(ii) Detail the knowledge, skills, or techniques to be imparted to the trainee or intern (for each phase or component, if applicable); and

(iii) Describe the methods of performance evaluation and the supervision for each phase or component, if applicable.

(3) A T/IPP for trainees must be divided into specific and various phases or components, and for each phase or component must:

(i) Describe the methodology of training and

(ii) Provide a chronology or syllabus.

(4) A T/IPP for interns must:

(i) Describe the role of the intern in the organization and, if applicable, identify various departments or functional areas in which the intern will work; and

(ii) Identify the specific tasks and activities the intern will complete.

(j) *Program exclusions.* Sponsors designated by the Department to administer training and internship programs must not:

(1) Place trainees or interns in unskilled or casual labor positions, in positions that require or involve child care or elder care; or in clinical or any other kind of work that involves patient care or patient contact, including any work that would require trainees

or interns to provide therapy, medication, or other clinical or medical care (e.g., sports or physical therapy, psychological counseling, nursing, dentistry, veterinary medicine, social work, speech therapy, early childhood education);

(2) Place trainees or interns in positions, occupations, or businesses that could bring the Exchange Visitor Program or the Department into notoriety or disrepute; or

(3) Engage or otherwise cooperate or contract with a Staffing/Employment Agency to recruit, screen, orient, place, evaluate, or train trainees or interns, or in any other way involve such agencies in an Exchange Visitor Program training and internship program.

(4) Issue a T/IPP for any trainee or intern for which the duties involve more than 20 per cent clerical work.

(5) Have less than three departmental or functional rotations for "Hospitality and Tourism" training and internship programs of six months or longer.

(k) *Duration.* The duration of participation in a training and internship program must be established before a sponsor issues a Form DS-2019 and must not exceed the sponsor's authorized designation as set forth in the sponsor's letter of designation or most recent letter of redesignation. Except as noted below, the maximum duration of a training program is 18 months, and the maximum duration of an internship program is 12 months. For training programs in the field of agriculture and in the occupational category of Hospitality and Tourism, the maximum duration of program participation is 12 months. If an original T/IPP specifies that at least six months of a program includes related classroom participation and studies, training programs in the field of agriculture may be designated for a total duration of 18 months. Program extensions are permitted within the maximum duration as set forth in the letter of designation/redesignation provided that the need for an extended training or internship program is documented by the full completion and execution of a new Form DS-7002. 12-month training programs in the field of agriculture may not be extended to 18 months by adding

six months of classroom participation and studies at the end of the original 12-month program duration. Per above, the six months of related classroom participation and studies must have been part of the trainee's original T/IPP.

(1) *Evaluations.* In order to ensure the quality of training and internship programs, sponsors must develop procedures for evaluating all trainees and interns. All required evaluations must be completed prior to the conclusion of a training and internship program, and both the trainees and interns and their immediate supervisors must sign the evaluation forms. For programs exceeding six months' duration, at a minimum, midpoint and concluding evaluations are required. For programs of six months or less, at a minimum, concluding evaluations are required. Sponsors must retain trainee and intern evaluations (electronic or hard copy) for a period of at least three years following the completion of each training and internship program.

(m) *Issuance of certificate of eligibility for exchange visitor (J-1) status.* Sponsors must not deliver or cause to be delivered any Certificate of Eligibility for Exchange Visitor (J-1) Status (Form DS-2019) to potential trainees or interns unless the individualized Form DS-7002 required by § 62.22(i) has been completed and signed by all requisite parties.

(n) *Additional training and internship program participation.* Foreign nationals who enter the United States under the Exchange Visitor Program to participate in training and internship programs are eligible to participate in additional training and internship programs under certain conditions. For both trainees and interns, additional training and internship programs must address the development of more advanced skills or a different field of expertise. Interns may apply for additional internship programs if they:

(1) Are currently enrolled full-time and pursuing studies at degree- or certificate-granting post-secondary academic institutions outside the United States; or,

(2) Have graduated from such institutions no more than 12 months prior to the start of their proposed exchange

visitor program. A new internship is also permissible when a student has successfully completed a recognized course of study (*i.e.*, associate, bachelors, masters, Ph.D., or their recognized equivalents) and has enrolled and is pursuing studies at the next higher level of academic study. Trainees are eligible for additional training programs after a period of at least two years residency outside the United States following completion of their training program. Participants who have successfully completed internship programs and no longer meet the selection criteria for an internship program may participate in a training program if they have resided outside the United States or its territories for at least two years. If participants meet these selection criteria and fulfill these conditions, there will be no limit to the number of times they may participate in a training and internship program.

(e) *Full course of study requirement.* A student, other than a student intern described in paragraph (h)(3)(i) of this section, must pursue a full course of study at a post-secondary accredited academic institution in the United States as defined in § 62.2, except under the following circumstances:

(1) *Vacation.* During official school breaks and summer vacations if the student is eligible and intends to register for the next term. A student attending a school on a quarter or trimester calendar may be permitted to take the annual vacation during any one of the quarters or trimesters instead of during the summer.

(3) *Bona fide academic reason.* If the student is compelled to pursue less than a full course of study for a term and the student presents to the responsible officer a written statement from the academic dean or advisor recommending the student to reduce his or her academic load to less than a full course of study due to an academic reason.

(4) *Non-degree program.* If the student is engaged full time in a prescribed course of study in a non-degree program of up to 24 months duration conducted by a post-secondary accredited academic institution.

(2) *Conditions.* A student, other than a student intern described in paragraph (i) of this section, may be authorized to participate in an academic training program for wages or other remuneration:

(i) During his or her studies; or

(A) The goals and objectives of the specific academic training program;

(B) A description of the academic training program, including its location, the name and address of the training supervisor, number of hours per week, and dates of the training;

(C) How the academic training relates to the student's major field of study; and

(D) Why it is an integral or critical part of the academic program of the student.

(ii) The responsible officer must:

(A) Determine if and to what extent the student has previously participated in academic training as a student, in order to ensure the student does not exceed the period permitted in paragraph (f) of this section;

(B) Review the letter of recommendation required in paragraph (f)(5)(i) of this section; and

(C) Make a written determination of whether the academic training currently being requested is warranted and the criteria and time limitations set forth in paragraph (f)(3) and (4) of this section are satisfied.

(6) *Evaluation requirements.* The sponsor must evaluate the effectiveness and appropriateness of the academic training in achieving the stated goals and objectives in order to ensure the quality of the academic training program.

## § 62.23

## 22 CFR Ch. I (4-1-25 Edition)

(iv) The responsible officer has approved the specific employment in advance and in writing. Such approval may be valid for up to 12 months, but is automatically withdrawn if the student's program is transferred or terminated.

(h) *Duration of participation*—(1) *Degree student*. A student who is in a degree program may be authorized to participate in the Exchange Visitor Program as long as he or she is either:

(i) Studying at the post-secondary accredited academic institution listed on his or her Form DS-2019 and:

(A) Pursuing a full course of study as set forth in paragraph (e) of this section, and

(B) Maintaining satisfactory advancement towards the completion of the student's academic program; or

(ii) Participating in an authorized academic training program as permitted in paragraph (f) of this section.

(2) *Non-degree student*. A student who is in a non-degree program may be authorized to participate in the Exchange Visitor Program for up to 24 months. Such a student must be:

(i) Studying at the post-secondary accredited academic institution listed on his or her Form DS-2019 and:

(A) Participating full-time in a prescribed course of study; and

(B) Maintaining satisfactory advancement towards the completion of his or her academic program; or

(ii) Participating in an authorized academic training program as permitted in paragraph (f) of this section.

(3) *Student intern*. A student intern participating in a student internship program may be authorized to participate in the Exchange Visitor Program for up to 12 months for each degree/major as permitted in paragraph (i) of this section as long as the student intern is:

(i) Engaged full-time in a student internship program sponsored by the post-secondary accredited academic institution that issued Form DS-2019; and

(ii) Maintaining satisfactory advancement towards the completion of his or her student internship program.

(i) *Student intern*. The student intern is a foreign national enrolled in and pursuing a degree at an accredited

post-secondary academic institution outside the United States and is participating in a student internship program in the United States that will fulfill the educational objectives for his or her current degree program at his or her home institution. The student intern must meet the following requirements:

(1) *Criteria*. (i) In addition to satisfying the general requirements set forth in § 62.10(a), a sponsor must ensure that the student intern has verifiable English language skills sufficient to function on a day-to-day basis in the internship environment. English language proficiency must be verified through a sponsor-conducted interview, by a recognized English language test, or by signed documentation from an academic institution or English language school.

(ii) The student intern is primarily in the United States to engage in a student internship program rather than to engage in employment or provide services to an employer;

(iii) The student intern has been accepted into a student internship program at the post-secondary accredited academic institution listed on his or her Form DS-2019;

(iv) The student intern is in good academic standing with the post-secondary academic institution outside the United States from which he or she is enrolled in and pursuing a degree; and

(v) The student intern will return to the academic program and fulfill and obtain a degree from such academic institution after completion of the student internship program.

(2) *Program requirements*. In addition to the requirements set forth in Subpart A, a sponsor must ensure that:

(i) It does not issue Form DS-2019 to a potential participant in a student internship program until it has secured a placement for the student intern and it completes and secures the requisite signatures on Form DS-7002 (T/IPP);

(ii) A student intern has sufficient finances to support himself or herself and dependants for their entire stay in the United States, including housing and living expenses; and

(iii) The student internship program exposes participants to American techniques, methodologies, and technology and expands upon the participants' existing knowledge and skills. A program must not duplicate the student intern's prior experience.

(3) *Obligations of student internship program sponsors.* (i) A sponsor designated by the Department to administer a student internship program must:

(A) Ensure that the student internship program is full-time (minimum of 32 hours a week); and

(B) Ensure that any host organization or other third party involved in the recruitment, selection, screening, placement, orientation, evaluation, or provision of a student internship program is sufficiently educated on the goals, objectives, and regulations of the Exchange Visitor Program and adheres to all regulations set forth in this part as well as all additional terms and conditions governing Exchange Visitor Program administration that the Department may from time to time impose.

(ii) A sponsor must ensure that it or any host organization acting on the sponsor's behalf:

(A) Has sufficient resources, plant, equipment, and trained personnel available to provide the specified student internship program;

(B) Does not displace full- or part-time or temporary or permanent American workers or serve to fill a labor need and ensures that the position that the student interns fills exists solely to assist the student intern in achieving the objectives of his or her participation in a student internship program; and

(C) Certifies that student internship programs in the field of agriculture meet all the requirements of the Fair Labor Standards Act, as amended (29 U.S.C. 201 *et seq.*) and the Migrant and Seasonal Agricultural Worker Protection Act, as amended (29 U.S.C. 1801 *et seq.*).

(iii) *Screening and vetting host organizations.* A sponsor must adequately screen all potential host organizations at which a student intern will be placed by obtaining the following information:

(A) The Dun & Bradstreet identification number (unless the host organization is an academic institution, government entity, or family farm);

(B) Employer Identification Number (EIN) used for tax purposes;

(C) Verification of telephone number, address, and professional activities via advertising, brochures, Web site, and/or feedback from prior participants; and

(D) Verification of Workman's Compensation Insurance Policy.

(iv) *Site visits.* A sponsor must conduct a site visit of any host organization that has not previously participated successfully in the sponsor's student internship program, has fewer than 25 employees, or has less than three million dollars in annual revenue. Any placement at an academic institution or at a Federal, State, or local government office is specifically excluded from this requirement. The purpose of the site visit is for the sponsor to ensure that each host organization possesses and maintains the ability and resources to provide structured and guided work-based learning experiences according to individualized T/IPPs, and that each host organization understands and meets its obligations set forth in this part.

(4) *Use of third parties.* A sponsor may engage a third party (including, but not limited to a host organization, partner, local business, governmental entity, academic institution, or any other foreign or domestic agent) to assist it in the conduct of its designated student internship program. Such a third party must have an executed written agreement with the sponsor to act on behalf of the sponsor in the conduct of the sponsor's program. This agreement must outline the full relationship between the sponsor and third party on all matters involving the administration of its exchange visitor program. A sponsor's use of a third party does not relieve the sponsor of its obligations to comply with and to ensure third party compliance with Exchange Visitor Program regulations. Any failure by any third party to comply with the regulations set forth in this part or with any additional terms and conditions governing Exchange Visitor Program administration that

## § 62.24

## 22 CFR Ch. I (4-1-25 Edition)

the Department may from time to time impose will be imputed to the sponsor.

(5) *Evaluation requirements.* In order to ensure the quality of a student internship program, a sponsor must develop procedures for evaluating all student interns. All required evaluations must be completed prior to the conclusion of a student internship program, and the student intern and his or her immediate supervisor must sign the evaluation forms. At a minimum, all programs require a concluding evaluation, and programs lasting longer than six months also require a midpoint evaluation. For programs exceeding six months' duration, at a minimum, midpoint and concluding evaluations are required. A sponsor must retain student intern evaluations (electronic or hard copy) for a period of at least three years following the completion of each student internship program.

(6) *Employment, wages, or remuneration.* A student intern is permitted to engage in full-time employment during the student internship program as outlined on his or her T/IPP, with or without wages or other compensation. Employment is not required for participation in the program. A student intern may be employed, however, only with the approval of the responsible officer and the student's home institution's dean or academic advisor.

(7) *Training/Internship Placement Plan (Form DS-7002).* (i) A sponsor must fully complete and obtain requisite signatures for a Form DS-7002 for each student intern before issuing a Form DS-2019. A sponsor must provide to each signatory an executed copy of the Form DS-7002. Upon request, a student intern must present his or her fully executed Form DS-7002 to a Consular Official during the visa interview.

(ii) To further distinguish between work-based learning for student interns, which is permitted, and ordinary employment or unskilled labor which is not, a T/IPP must:

(A) State the specific goals and objectives of the student internship program (for each phase or component, if applicable);

(B) Detail the knowledge, skills, or techniques to be imparted to the student intern (for each phase or component, if applicable); and

(C) Describe the methods of performance evaluation and the frequency of supervision (for each phase or component, if applicable).

(8) *Program exclusions.* A sponsor designated by the Department to administer a student internship program must:

(i) Not place a student intern in an unskilled or casual labor position, in a position that requires or involves child care or elder care, a position in the field of aviation, or, in clinical positions or engaging in any other kind of work that involves patient care or contact, including any work that would require student interns to provide therapy, medication, or other clinical or medical care (e.g., sports or physical therapy, psychological counseling, nursing, dentistry, veterinary medicine, social work, speech therapy, or early childhood education);

(ii) Not place a student intern in a position, occupation, or business that could bring the Exchange Visitor Program or the Department into notoriety or disrepute;

(iii) Not engage or otherwise cooperate or contract with a staffing/employment agency to recruit, screen, orient, place, evaluate, or train student interns, or in any other way involve such agencies in an Exchange Visitor Program student internship program;

(iv) Ensure that the duties of a student intern as outlined in the T/IPP will not involve more than 20 per cent clerical work, and that all tasks assigned to a student intern are necessary for the completion of the student internship program; and

(v) Ensure that all "Hospitality and Tourism" student internship programs of six months or longer contain at least three departmental or functional rotations.

## § 62.24 Teachers.

(a) *Purpose.* The regulations in this section govern exchange visitors who teach full-time in accredited public and private U.S. primary and secondary schools (K-12), including pre-kindergarten language immersion programs offered as regular courses of study by accredited primary schools. Programs

in this category promote the interchange of U.S. and foreign teachers and enhance mutual understanding between the people of the United States and other countries. Exchange teachers sharpen their professional skills and participate in cross-cultural activities in schools and communities, and they return home after the exchange to share their experiences and increased knowledge of the United States and the U.S. educational system. Such exchanges enable foreign teachers to understand better U.S. culture, society and teaching practices at the primary and secondary levels, and enhance U.S. students' knowledge of foreign cultures, customs and teaching approaches.

(b) *Designation.* The Department may, in its discretion, designate *bona fide* programs satisfying the objectives in paragraph (a) of this section as exchange visitor programs in the Teacher category.

(c) *Definitions.* In addition to those definitions set forth in § 62.2, the following definitions apply to the Teacher category of the Exchange Visitor Program:

(1) *Accredited primary or accredited secondary school:* Any publicly or privately operated primary or secondary institution for educating children in the United States that offers mainly academic programs and is duly accredited by the appropriate academic accrediting authority of the jurisdiction in which such institution is located.

(2) *Full-time teaching:* A minimum of 32 hours per week of teaching or teaching-related administrative activities.

(3) *Home country school:* An exchange teacher's school in his or her country of nationality or last legal country of residence.

(4) *Host school:* The U.S.-accredited primary or secondary school in which a sponsor places an exchange teacher pursuant to the exchange teacher's written acceptance of the placement.

(5) *International school:* A school that is so designated by its school district, state, or other applicable governing authority, or one whose curriculum focuses predominantly on international aspects of the subject matter taught and/or language immersion, or one that

predominantly follows a national curriculum of a foreign country.

(6) *Language immersion program:* A program that is a regular course of study offered by an accredited school having sustained and enriched instruction, in a language not native to the majority of the student population, that occurs for at least fifty percent of the school day.

(7) *Virtual exchange:* A technology-enabled, sustained, people-to-people cross-cultural educational program that may supplement the goals of an in-person exchange and integrates global knowledge, cultural awareness, and/or foreign language into the classroom or other setting.

(d) *Teacher eligibility.* Foreign nationals are eligible to participate in exchange visitor programs as full-time teachers if, at the time of initial application to the sponsor, an individual making such application demonstrates to the satisfaction of the sponsor that he or she:

(1) Either:

(i) Meets the qualifications for teaching at the primary, including pre-kindergarten, or secondary levels in schools in his or her home country; is working as a teacher in his or her home country at the time of application; and has at least two years of full-time teaching experience; or

(ii) Is not working as a teacher in his or her home country at the time of application, but otherwise meets the qualifications for teaching at the primary (including pre-kindergarten) or secondary levels in schools in the home country; has had at least two years of full-time teaching experience within the past eight years; and, within 12 months of his or her application submission date for the program, has or will have completed an advanced degree (beyond a degree equivalent to a U.S. bachelor's degree) in education or in an academic subject matter that he or she intends to teach or that is directly related to his or her teaching subject field;

(2) Possesses, at a minimum, a degree equivalent to a U.S. bachelor's degree in either education or the academic subject field in which he or she intends to teach;

## § 62.24

## 22 CFR Ch. I (4-1-25 Edition)

(3) Satisfies the teaching eligibility standards of the U.S. state in which he or she will teach (e.g., meets minimum educational requirements, has passed teacher training coursework at a sufficiently proficient level, has provided an evaluation of foreign teaching preparation coursework, has demonstrated the requisite prior teaching experience), to include any required criminal background or other checks;

(4) Is of good reputation and character; and

(5) Agrees to come to the United States temporarily as a full-time teacher of record in an accredited primary or secondary school. Exchange teachers may teach a variety of subjects and levels at their host school or schools, if qualified, but at the pre-kindergarten level, may teach only in language immersion programs.

(e) *Teacher selection.* Sponsors must screen foreign teachers carefully before accepting them for the program. In addition to the requirements set forth in § 62.10 and all security checks required by U.S. state departments of education and host schools, sponsors also must:

(1) Verify the qualifications of each foreign teacher to determine whether he or she satisfies the criteria set forth in paragraph (d) of this section;

(2) Secure references from one colleague and one current or former supervisor of each foreign teacher, attesting to that teacher's good reputation, character and teaching skills;

(3) Verify that each selected foreign teacher applicant possesses sufficient proficiency in the English language to function in U.S. classrooms and to function on a day-to-day basis, in accordance with the provision for selection of exchange visitors set forth at § 62.10(a)(2); and

(4) Verify that each foreign teacher who is eligible for the program under paragraph (d)(1)(ii) of this section has a letter from the head of a school in another country, preferably that teacher's home country, which states that school's willingness to work with the exchange teacher on the cross-cultural activity component set forth in paragraph (h)(1)(ii). The foreign school with which the exchange teacher plans to work must be at the same academic level as the foreign teacher's proposed

host school. The letter submitted as part of the foreign teacher's application package must be signed by the head of the school or another individual in an appropriate position of authority to speak for the school within the foreign country's school system; the official signing the letter must list both email and telephone contact information. The letter may be submitted in English or in the original language of the home country with an English translation; the name, title/organization and contact information of the translator must be noted on the translation.

(f) *Teaching position.* Sponsors must ensure that:

(1) Forms DS-2019 are not issued until foreign teacher applicants have received and accepted written offers of full-time teaching positions from the accredited primary (including pre-kindergarten level) or secondary schools in which they will teach;

(2) Program dates coincide with the U.S. academic year cycle to ensure a smooth transition as exchange teachers arrive and depart, unless the sponsor notifies, and receives approval from, the Department for other exchange dates before the sponsor issues any Form DS-2019; sponsors should ensure that these dates are included in the exchange teacher's contract;

(3) Exchange teachers comply with any applicable collective bargaining agreement;

(4) Exchange teacher appointments to positions within accredited primary or secondary schools are temporary, even if the teaching positions are permanent, and do not lead to tenure; exchange teachers must be employees of either the host or home school during their exchange.

(5) Teaching positions, including duties, responsibilities, hours of employment, and compensation, are commensurate with those of similarly-situated U.S. teachers in the school district or host school where that exchange teacher is assigned to teach; an exchange teacher, unless he or she is on a program where the Department is the sponsor, must be employed by and under the direct supervision and guidance of his or her host school and,

where applicable, host school district; and

(6) A pre-kindergarten level exchange teacher is assigned to teach full-time in an accredited host school (or in several schools within the same host school district, including at several academic levels, with prior permission from the Department). If an exchange teacher is placed in a private school where there is no host school district, then he or she must teach a full-time schedule of at least 32 hours in a school or schools located no more than 25 miles from the main host school; in such a situation, sponsors must ensure that reasonable and effective modes of transportation exist to such additional sites of activity. An exchange teacher may teach at the pre-kindergarten level only in a language immersion program offered as regular course of study by an accredited primary school.

(g) *Program disclosure.* (1) As part of recruitment, in addition to the information required by § 62.10(b)–(c), sponsors must provide on their main Web sites and in their recruiting materials a general summary of fees and other costs for the program. This summary should include, but not be limited to, the sponsor fee; foreign or domestic third party or partner fees; visa fee; the Student and Exchange Visitor Information System (SEVIS) fee; insurance costs; estimates for food, housing and local transportation costs; expected work-related deductions; and estimates or ranges for all other fees charged for and significant general costs related to participation in the teacher exchange program.

(2) At the time a foreign teacher is selected for the program, and before the exchange visitor signs any contracts with the host school, sponsors and/or the host school must provide each individual exchange teacher the following information, either within the teacher's contract or in a separate document: The name, location, and brief description of the host school; the terms and conditions of compensation (with deductions from gross salary); any provisions affecting the ability of the exchange teacher to be accompanied abroad by a spouse or dependents (including any related assistance and allowances); a summary of the sig-

nificant components of the program (including a statement of the teaching requirements and related professional obligations, as well as the required cross-cultural activity component as set forth in paragraph (h) of this section); specific information on the fees and costs for which the exchange teacher will be responsible while on exchange in that school district in accordance with paragraph (g)(1); anticipated housing options and cost implications; specific local transportation options between the exchange teacher's residence and the host school and transportation cost estimates; insurance costs for accident or illness coverage, repatriation of remains and medical evacuation as required by § 62.14; estimated personal expense money for initial costs the exchange teacher may incur upon arrival in the United States prior to receiving his or her first paycheck; certification or licensure procedures and costs at the host school; administrative fees; and any placement fees. Exchange teacher compensation, unless provided directly to the exchange teacher through government funding, through continued support from the exchange teacher's home school, or from both the teacher's home and host school in a shared cost arrangement, must be paid directly by the host school or host school district in which the exchange teacher is placed.

(h) *Cross-cultural activity component.* In addition to the requirements of § 62.10:

(1) Sponsors must require each exchange teacher to complete, within the United States, and during each academic year of program participation, at least one cross-cultural activity from each of the following two categories:

(i) An activity for the teacher's classroom, larger host school or host school district population, or the community at large designed to give an overview of the history, traditions, heritage, culture, economy, educational system and/or other attributes of his or her home country. Sponsors of exchange teachers placed at international schools must require their exchange teachers to conduct at least one cross-cultural activity per academic year

## § 62.24

## 22 CFR Ch. I (4-1-25 Edition)

outside the host school in nearby schools or communities where international opportunities may be more limited than those found in their host school; and

(ii) An activity that involves U.S. student dialogue with schools or students in another country, preferably in the exchange teacher's home school, through virtual exchange or other means, in order to supplement the goals of the in-person exchange.

(2) Sponsors must collect annual reports from their exchange teachers detailing the cross-cultural activity component of their exchange program. The annual report does not have to be in a specific format, but must include the exchange teacher's full name and the program sponsor's name. The report section about the cross-cultural activity component must contain the following information:

- (i) The date(s) of each activity;
- (ii) The location of each activity;
- (iii) The audience for and participants in each activity;
- (iv) A general overview of each activity, including the topic; and
- (v) The estimated impact of each activity.

(i) *Location of the exchange.* Exchange teachers must participate in exchange visitor programs at the accredited primary or secondary schools listed on their Forms DS-2019 or at location(s) where the institutions are involved in official school activities (e.g., school field trips, teacher development programs);

Sponsors may not place students from the same countries or with the same native languages in a single home.

(2) Prior to the student's departure from his or her home country, sponsors must advise both the exchange student and host family, in writing, of the respective family compositions and backgrounds of each, whether the host family placement is a permanent or arrival placement, and facilitate and encourage the exchange of correspondence between the two.

(a) *Introduction.* These regulations govern experts in a field of specialized knowledge or skill coming to the United States for observing, consulting, or demonstrating special skills, except:

(1) Research scholars and professors, who are governed by regulations set forth at § 62.20;

(2) Short-term scholars, who are governed by regulations set forth at § 62.21; and

(3) Alien physicians in graduate medical education or training, who are governed by regulations set forth in § 62.27.

(b) *Purpose.* The Exchange Visitor Program promotes the interchange of knowledge and skills among foreign and American specialists, who are defined as experts in a field of specialized knowledge or skills, and who visit the United States for the purpose of ob-

serving, consulting, or demonstrating their special skills. It does so by providing foreign specialists the opportunity to observe American institutions and methods of practice in their professional fields, and to share their specialized knowledge with their American colleagues. The exchange of specialists promotes mutual enrichment, and furthers linkages among scientific institutions, government agencies, museums, corporations, libraries, and similar types of institutions. Such exchanges also enable visitors to better understand American culture and society and enhance American knowledge of foreign cultures and skills. This category is intended for exchanges with experts in such areas, for example, as mass media communication, environmental science, youth leadership, international educational exchange, museum exhibitions, labor law, public administration, and library science. This category is not intended for experts covered by the exchange visitor categories listed in paragraphs (a) (1) through (3) of this section.

(c) *Designation.* The Department of State may, in its discretion, designate *bona fide* programs satisfying the objectives in section (b) above as an exchange visitor program in the specialist category.

(d) *Visitor eligibility.* A foreign national shall be eligible to participate in an exchange visitor program as a specialist if the individual:

(1) Is an expert in a field of specialized knowledge or skill;

(2) Seeks to travel to the United States for the purpose of observing, consulting, or demonstrating his or her special knowledge or skills; and

(3) Does not fill a permanent or long-term position of employment while in the United States.

(e) *Visitor selection.* Sponsors shall adequately screen and select specialists prior to accepting them for the program, providing a formal selection process, including at a minimum:

(1) Evaluation of the qualifications of foreign nationals to determine whether they meet the definition of specialist as set forth in § 62.4(g); and

(2) Screening foreign nationals to ensure that the requirements of § 62.10(a) are satisfied.

**Department of State****§ 62.27**

(f) *Program disclosure.* Before the program begins, the sponsor shall provide the specialist, in addition to what is required in § 62.10(b), with:

- (1) Information on the length and location(s) of his or her exchange visitor program;
- (2) A summary of the significant components of the program; and
- (3) A written statement which clearly states the stipend, if any, to be paid to the specialist.

(g) *Issuance of Form IAP-66.* The Form DS-2019 shall be issued only after the specialist has been accepted by the organization(s) with which he or she will participate in an exchange visitor program.

(h) *Location of the exchange.* The specialist shall participate in an exchange visitor program at the location(s) listed on his or her Form DS-2019.

(i) *Duration of participation.* The specialist shall be authorized to participate in the Exchange Visitor Program for the length of time necessary to complete the program, which shall not exceed one year.

(e) *Duration of participation.* (1) The duration of an alien physician's participation in a program of graduate medical education or training as described in paragraph (b) of this section is limited to the time typically required to complete such program. Duration shall be determined by the Secretary of State at the time of the alien physician's entry into the United States. Such determination shall be based on criteria established in coordination with the Secretary of Health and Human Services and which take into consideration the requirements of the various medical specialty boards as set forth by the Accreditation Council for Graduate Medical Education (ACGME).

(2) Duration of participation is limited to seven years unless the alien physician has demonstrated to the satisfaction of the Secretary of State that the country to which the alien physician will return at the end of additional specialty education or training

**Department of State****§ 62.28**

(i) Alien physicians shall be permitted to undertake graduate medical education or training in a specialty or subspecialty program whose board and/or accreditation requirements are not published if the program requirements are certified to the Secretary of State by the ACGME in accordance with criteria established by the Educational Commission for Foreign Medical Graduates (ECFMG) and ACGME.

(ii) Will return to the country of his nationality or last legal permanent resident upon completion of the education or training for which he came to the United States.

(f) *Change of program.* The alien physician may, once and not later than two years after the date the alien physician enters the United States as an exchange visitor or acquires exchange visitor status, change his designated program of graduate medical education or training if the Secretary of State approves the change and if the requirements of paragraphs (b) and (e) of this section are met for the newly designated specialty.

(g) *Applicability of section 212(e) of the Immigration and Nationality Act.* (1) Any

exchange visitor physician coming to the United States on or after January 10, 1977 for the purpose of receiving graduate medical education or training is automatically subject to the two-year home-country physical presence requirement of section 212(e) of the Immigration and Nationality Act, as amended. Such physicians are not eligible to be considered for section 212(e) waivers on the basis of "No Objection" statements issued by their governments.

**§ 62.30 Camp counselors.**

(a) *Introduction.* In order to promote diverse opportunities for participation in educational and cultural exchange programs, the Department of State designates exchange sponsors to facilitate the entry of foreign nationals to serve as counselors in U.S. summer camps. These programs promote international understanding by improving American knowledge of foreign cultures while enabling foreign participants to increase their knowledge of American culture. The foreign participants are best able to carry out this objective by serving as counselors per se, that is, having direct responsibility for supervision of groups of American youth and of activities that bring them into interaction with their charges. While it is recognized that some non-counseling chores are an essential part of camp life for all counselors, this program is not intended to assist American camps in bringing in foreign nationals to serve as administrative personnel, cooks, or menial laborers, such as dishwashers or janitors.

(b) *Participant eligibility.* Participation in camp counselor exchange programs is limited to foreign nationals who:

- (1) Are at least 18 years of age;
- (2) Are *bona fide* youth workers, students, teachers, or individuals with specialized skills; and

(c) *Participant selection.* In addition to satisfying the requirements in § 62.10(a), sponsors shall adequately screen all international candidates for camp counselor programs and at a minimum:

- (1) Conduct an in-person interview; and
- (2) Secure references from a participant's employer or teacher regarding his or her suitability for participation in a camp counselor exchange.

(d) *Participant orientation.* Sponsors shall provide participants, prior to their departure from the home country, detailed information regarding:

(1) Duties and responsibilities relating to their service as a camp counselor;

(2) Contractual obligations relating to their acceptance of a camp counselor position; and

(3) Financial compensation for their service as a camp counselor.

(e) *Participant placements.* Sponsors shall place eligible participants at camping facilities which are:

(1) Accredited;

(2) A member in good standing of the American Camping Association;

(3) Officially affiliated with a nationally recognized non-profit organization; or

(4) Have been inspected, evaluated, and approved by the sponsor.

(f) *Participant compensation.* Sponsors shall ensure that international participants receive pay and benefits commensurate with those offered to their American counterparts.

(g) *Participant supervision.* Sponsors shall provide all participants with a phone number which allows 24 hour immediate contact with the sponsor.

(h) *Program administration.* Sponsors shall:

(1) Comply with all provisions set forth in subpart A of this part;

(2) Not facilitate the entry of any participant for a program of more than four months duration; and

(3) Under no circumstance facilitate the entry into the United States of a participant for whom a camp placement has not been pre-arranged.

(i) *Placement report.* In lieu of listing the name and address of the camp facility at which the participant is placed on Form DS-2019, sponsors shall submit to the Department of State, no later than July 1st of each year, a report of all participant placements. Such report shall reflect the participant's name, camp placement, and the number of times the participant has previously participated in a camp counselor exchange.

(j) In order to ensure that as many different individuals as possible are recruited for participation in camp counselor programs, sponsors shall limit the number of participants who have previously participated more than once in any camp counselor exchange to not more than ten percent of the total

## § 62.31

number of participants that the sponsor placed in the immediately preceding year.

(7) Require that all local organizational representatives contact au pair participants and host families twice monthly for the first two months following a placement other than the initial placement for which the au pair entered the United States.

(8) Require that local organizational representatives not devoting their full time and attention to their program obligations are responsible for no more than fifteen au pairs and host families; and

(9) Require that each local organizational representative is provided adequate support services by a regional organizational representative.

(d) *Au pair selection.* In addition to satisfying the requirements of § 62.10(a), sponsors shall ensure that all participants in a designated au pair exchange program:

(2) Place an au pair with a family having a child aged less than three months unless a parent or other responsible adult is present in the home;

(3) Place an au pair with a host family having children under the age of two, unless the au pair has at least 200 hours of documented infant child care experience. An au pair participating in the EduCare program shall not be placed with a family having pre-school children in the home unless alternative full-time arrangements for the supervision of such pre-school children are in place;

(4) Place an au pair with a host family having a special needs child, as so identified by the host family, unless the au pair has specifically identified his or her prior experience, skills, or training in the care of special needs children and the host family has reviewed and acknowledged in writing the au pair's prior experience, skills, or training so identified;

(5) Place an au pair with a host family unless a written agreement between the au pair and the host family detailing the au pair's obligation to provide child care has been signed by both the au pair and the host family prior to the au pair's departure from his or her

home country. Such agreement shall clearly state whether the au pair is an EduCare program participant or not. Such agreement shall limit the obligation to provide child care services to not more than 10 hours per day or more than 45 hours per week unless the au pair is an EduCare participant. Such agreement shall limit the obligation of an EduCare participant to provide child care service to not more than 10 hours per day or more than 30 hours per week.

(i) *Host family orientation.* In addition to the requirements set forth at § 62.10 sponsors shall:

(2) Provide all selected host families with a complete copy of Department of State-promulgated Exchange Visitor Program regulations, including the supplemental information thereto;

(3) Advise all selected host families of their obligation to attend at least one family day conference to be sponsored by the au pair organization during the course of the placement year. Host family attendance at such a gathering is a condition of program participation and failure to attend will be grounds for possible termination of their continued or future program participation; and

(4) Require that the organization's local counselor responsible for the au pair placement contacts the host family and au pair within forth-eight hours of the au pair's arrival and meets, in person, with the host family and au pair within two weeks of the au pair's arrival at the host family home.

(j) *Wages and hours.* Sponsors shall require that au pair participants:

(1) Are compensated at a weekly rate based upon 45 hours of child care services per week and paid in conformance with the requirements of the Fair Labor Standards Act as interpreted and implemented by the United States Department of Labor. ### § 62.32 Summer work travel.

(a) *Introduction.* The regulations in this section (in combination with any other provisions of 22 CFR part 62, as applicable) govern participation in Summer Work Travel programs conducted by Department of State-designated sponsors pursuant to the authority granted the Department of State under Public Law 105-277.

(b) *Purpose.* The purpose of this program is to provide foreign college and university students with opportunities to interact with U.S. citizens, experience U.S. culture while sharing their

own cultures with Americans they meet, travel in the United States, and work in jobs that require minimal training and are seasonal or temporary in order to earn funds to help defray a portion of their expenses. Employment is of a seasonal nature when the required service is tied to a certain time of the year by an event or pattern and requires labor levels above and beyond existing worker levels. Employment is of a temporary nature when an employer's need for the duties to be performed is a one-time occurrence, a peak load need, or an intermittent need. It is the nature of employers' needs, not the nature of the duties that is controlling.

(c) *Duration of participation.* Summer Work Travel participants are authorized to participate in the Exchange Visitor Program for up to four months during the long break between academic years as determined by the Department of State. Extensions of program participation are not permitted.

(d) *Participant screening and selection.* In addition to satisfying the requirements set forth at § 62.10(a), sponsors are solely responsible for adequately screening and making the final selection. The screening process requires that sponsors (or vetted foreign entities acting on their behalf) at a minimum must:

(1) Conduct and document interviews with potential participants either in-person or by video-conference;

(2) Verify proficiency in conversational English and reading comprehension through either recognized language tests administered by academic institutions or English language schools or through the required documented interviews;

(3) Select applicants who demonstrate their intention to participate in the cultural aspects of the Summer Work Travel Program.

(4) Confirm that at the time of application, applicants (including final year students) are enrolled full-time and pursuing studies at accredited post-secondary, classroom-based, academic institutions physically located outside of the United States and have successfully completed at least one semester, or equivalent, of post-secondary academic study.

**Department of State****§ 62.32**

(e) *Participant orientation.* In addition to satisfying the requirements set forth at § 62.10(b) and (c), sponsors must provide program participants, prior to participants' departures from their home countries, the following information and/or documentation:

(1) A copy of the Department of State's Summer Work Travel Participant Letter;

(2) A copy of the Department of State's Summer Work Travel Program Brochure;

(3) The Department of State's toll-free help line telephone number;

(4) The sponsor's 24/7 immediate contact telephone number;

(5) Information advising participants of their obligations to notify their sponsors within ten days after they arrive in the United States and within ten days after they initially secure or change residences;

(6) Information advising participants that they may not begin working at initial, replacement, or additional jobs until their sponsors have verified the terms and conditions of such employment and fully vetted their host employers as set forth at paragraph (n) of this section;

(7) For participants with jobs secured prior to departing from selected home countries, documentation explaining the terms and conditions of such jobs and providing information about available housing and transportation to and from work;

(8) Information explaining the cultural component of the Summer Work Travel Program, including guidance on how to best experience U.S. culture and/or descriptions of cultural opportunities arranged by the sponsor; and

(9) Information explaining that sponsors will terminate the programs of participants who fail to comply with enumerated program regulations (*i.e.*, reporting their arrivals, reporting changes of residence, not starting work at unverified jobs, responding to sponsor monthly outreach/monitoring efforts).

(f) *Cultural exchange.* (1) Sponsors must ensure that all participants have opportunities to work alongside U.S. citizens and interact regularly with U.S. citizens to experience U.S. culture

during the workday portion of their Summer Work Travel programs; and

(2) Sponsors must ensure that all participants have opportunities to engage in cultural activities or events outside of work by planning, initializing, and carrying out events or other activities that provide participants' exposure to U.S. culture.

(g) *Participant placement.* (1) Sponsors and third parties acting on their behalf may not pay or otherwise provide any incentive to employers to accept program participants for job placements with such employers.

(2) Sponsors must confirm initial, replacement, and additional jobs placements of all Summer Work Travel Program participants before participants may start work by verifying, at a minimum, the terms and conditions of such employment and fully vetting their host employers as set forth at paragraph (n) of this section. Once participants have arrived in the United States and identified initial, replacement, or additional jobs, sponsors must vet such jobs within 72 hours.

(3) Sponsors must not pose obstacles to job changes, but must offer reasonable assistance to participants wishing to change jobs regardless of whether their jobs were secured by the sponsors (direct-placed) or by the participants (self-placed).

(4) Sponsors may place participants only in jobs that:

(i) Are seasonal or temporary as defined in paragraph (b) of this section; and

(ii) Provide opportunities for regular communication and interaction with U.S. citizens and allow participants to experience U.S. culture.

(5) Sponsors may not place participants in jobs:

(i) That require licensing;

(ii) That are on the program exclusion list set forth at paragraph (h) of this section; or

(iii) For which there is another specific J visa category (*e.g.*, Camp Counselor, Trainee, Intern).

(6) Sponsors may not place participants with staffing agencies unless the placements meet the following three criteria:

(i) Participants must be employees of and paid by the staffing agencies;

## § 62.32

## 22 CFR Ch. I (4-1-25 Edition)

(ii) Staffing agencies must provide full-time, primary, on-site supervision of the participants;

(iii) Staffing agencies must effectively control the work sites, e.g., have hands-on management responsibility for the participants.

(7) Sponsors may not place participants with employers that fill non-seasonal or non-temporary job openings with exchange visitors with staggered vacation schedules.

(8) Sponsors must use extra caution when placing students in positions at employers in lines of business that are frequently associated with trafficking persons (e.g., modeling agencies, housekeeping, janitorial services).

(9) Sponsors must consider the availability of suitable, affordable housing (e.g., that meets local codes and ordinances) and reliable, affordable, and convenient transportation to and from work when making job placements.

(i) If employers do not provide or arrange housing and/or transportation, or if participants decline employer-provided housing or transportation, sponsors must actively and immediately assist participants with arranging appropriate housing and transportation.

(ii) If employers provide housing and/or transportation to and from work, job offers must include details of all such arrangements, including the cost to participants; whether such arrangements deduct such costs from participants' wages; and the market value of housing and/or transportation in accordance with the Fair Labor Standards Act regulations set forth at 29 CFR part 531, if they are considered part of the compensation packages.

(10) For participants who are nationals of non-Visa Waiver Program countries and participants who are nationals of Visa Waiver Program countries with job placements screened in advance by the sponsors (direct placement) or jobs found by the participants (self-placement), prior to issuing Form DS-2019, sponsors must vet the potential employers as set forth at paragraph (n) of this section, confirm the terms and conditions of the job offers, and input complete and correct data into the Student and Exchange Visitor Information System (SEVIS) pursuant

to the requirements set forth in § 62.70(f).

(11) Sponsors of applicants who are nationals of Visa Waiver Program countries and who have not secured jobs prior to departing from their home countries must:

(i) Ensure that such participants receive pre-departure information that explains how to seek employment and secure lodging in the United States, and clearly identifies the criteria for appropriate jobs set forth at paragraph (g) of this section and the categories of employment and positions that are on the program exclusion list set forth at paragraph (h) of this section;

(ii) Ensure that such participants have sufficient financial resources to support themselves during their searches for employment;

(iii) Assist participants who have not found suitable employment within one week of commencing their job searches;

(iv) Instruct participants of their obligation to notify their sponsors when they obtain job offers (and that they cannot start such jobs until the sponsors vet them); and

(h) *Program exclusions.* Sponsors must not place participants:

(1) In positions that could bring notoriety or disrepute to the Exchange Visitor Program;

(2) Sponsors must demonstrate that participants are also compensated according to the above standards in the following (and similar) situations:

(i) The host employers provide housing and/or transportation as part of participants' compensation, but the compensation package does not explain

that the lower hourly wage reflects such benefits; or

If at the end of each pay period, the participant's earnings under the piece rate do not equal at least the amount the participant would have earned had the participant been paid the predominant local wage as provided in subparagraph (1), the participant's pay must be supplemented at that time so that the participant's earnings are at least as much as the required local wage as provided in subparagraph (1).

(j) *Monitoring.* Sponsors must:

(1) Maintain, at a minimum, monthly personal contacts with program participants. (l) *Sponsors' use of third parties.* (1) If sponsors utilize foreign third party entities to assist in fulfilling the core programmatic functions of screening and orientation that may be conducted outside the United States, they must first obtain written and executed

## § 62.32

## 22 CFR Ch. I (4-1-25 Edition)

(v) Confirm that the foreign entities agree not to pay or provide incentives to employers in the United States to accept program participants for job placements.

(2) If sponsors utilize domestic third party entities to assist in fulfilling the core programmatic functions of orientation and promoting mutual understanding, they must first obtain written and executed agreements with such third parties. Domestic third parties engaged by sponsors may not engage or subcontract any other parties to assist in fulfilling these core programmatic functions. Only host employers may assist in providing orientation to program participants. At a minimum, these written agreements must:

(2) Disclosure of any previous bankruptcy and of any pending legal actions or complaints against such an entity on file with local authorities;

(3) Written references from three current business associates or partner organizations;

(4) Summary of previous experience conducting J-1 Exchange Visitor Program activities;

(5) Criminal background check reports (including original and English translations) for all owners and officers of the organizations;

(6) A copy of the sponsor-approved advertising materials the foreign entities intend to use to market the sponsors' programs (including original and English translations); and

(7) A copy of the foreign entity's notarized recent financial statements.

(n) *Vetting domestic third party entities.* Annually, sponsors must undertake appropriate due diligence in the vetting of domestic third parties who assist in the promotion of mutual understanding and potential host employers.

(1) Sponsors must ensure that third parties assisting in promoting mutual understanding (*i.e.*, providing opportunities for participants to engage in cultural activities) are reputable individuals or organizations that are qualified to perform the activities agreed to and that they have sufficient liability insurance, if appropriate. All third parties that are registered business entities must be vetted according to the host employer procedures set forth in paragraphs (n)(2)(i) through (iii) of this section.

(2) Sponsors must ensure that potential host employers are legitimate and reputable businesses by, at a minimum:

(i) Making direct contact in person or by telephone with potential employers to verify the business owners' and/or

**Department of State****§ 62.32**

managers' names, telephone numbers, email addresses, street addresses, and professional activities;

(ii) Utilizing publicly available information, for example, but not limited to, state registries, advertisements, brochures, Web sites, and/or feedback from prior participants to confirm that all job offers have been made by viable business entities;

(iii) Obtaining potential host employers' Employer Identification Numbers and copies of their current business licenses; and

(iv) Verifying the potential host employers' Worker's Compensation Insurance Policy or equivalent in each state where a participant will be placed or, if applicable, evidence of that state's exemption from requirement of such coverage.

(3) At the beginning of each placement season, sponsors must confirm:

(i) The number of job placements available with host employers;

(ii) That host employers will not displace domestic U.S. workers at worksites where they will place program participants; and

(iii) That host employers have not experienced layoffs in the past 120 days and do not have workers on lockout or on strike.

(o) *Host employer cooperation.* Sponsors may place participants only with host employers that agree to:

(1) Make good faith efforts to provide participants the number of hours of paid employment per week as identified on their job offers and agreed to when the sponsors vetted the jobs;

(2) Pay eligible participants for overtime worked in accordance with applicable State or Federal law;

(4) Contact sponsors immediately in the event of any emergency involving participants or any situations that impact their health, safety, or welfare; and

(5) In those instances when the employer provides housing or transportation, agree to provide suitable and acceptable accommodations and/or reliable, affordable, and convenient transportation.

(p) *Reporting requirements.* Sponsors must electronically comply with the following reporting requirements utilizing Department-provided templates:

(1) Submit placement reports on January 31 and July 31 of each year, identifying all Summer Work Travel Program participants who began exchange programs during the preceding six-month period. The reports must include the exchange visitors' names, SEVIS Identification Numbers, countries of citizenship or legal permanent residence, names of host employers, and the length of time it took non-preplaced participants to secure job placements. For participants who change jobs or have multiple jobs during their programs, the report must include all such placements;

(2) Maintain listings of all active foreign agents or partners on the Foreign Entity Report by promptly informing the Department of any additions, deletions, or changes to foreign entity information by submitting new versions of their reports that reflect all current information. Reports must include the names, addresses, and contact information, including physical and mailing addresses, telephone numbers, and email addresses of all foreign entities that assist the sponsors in fulfilling the provision of core programmatic services. Sponsors must utilize only vetted foreign entities identified in the Foreign Entity Report to assist in fulfilling the sponsors' core programmatic functions outside the United States, and they must inform the Department promptly when and why they have cancelled contractual arrangements with foreign entities; and

(3) Submit annual participant price lists to the Department on January 31 of each year in a format approved by the Department to provide itemized breakdowns of the costs that exchange visitors must pay to both foreign agents and sponsors to participate in the Summer Work Travel Program on

(1) Fails to pursue the activities for which he or she was admitted to the United States;

(2) Is unable to continue, unless otherwise exempted pursuant to these regulations;

(3) Violates the Exchange Visitor Program regulations and/or the sponsor's rules governing the program, if, in the sponsor's opinion, termination is warranted;

(4) Willfully fails to maintain the insurance coverage required under § 62.14 of these regulations; or

Any change in category must be clearly consistent with and closely related to the participant's original exchange objective and necessary due to unusual or exceptional circumstances.

(b) A request for change of category along with supporting justification must be submitted to the Department of State by the participant's sponsor. Upon Department of State approval the sponsor shall issue to the exchange visitor a duly executed Form DS-2019 reflecting such change of category and provide a notification copy of such form to the Department of State.

(c) Requests for change of category from research scholar to student will

be evaluated recognizing the fact that, in some cases, research skills can be substantially enhanced by doctoral study.

(d) An exchange visitor who applies for a change of category pursuant to these regulations is considered to be maintaining lawful status during the pendency of the application.

(e) An exchange visitor who applies for a change of category and who subsequently receives notice from the Department of State that the request has been denied is considered to be maintaining lawful status for an additional period of thirty days from the day of such notice, during which time the exchange visitor is expected to depart the country, or for a period of thirty days from expiration of the exchange visitors' Form DS-2019, whichever is later.

#### § 62.42 Transfer of program.

(a) Program sponsors may, pursuant to the provisions set forth in this section, permit an exchange visitor to transfer from one designated program to another designated program.

**Department of State****§ 62.45**

(c) The responsible officer seeking a program extension on behalf of an exchange visitor in excess of that authorized for his or her specific category of participation shall:

(1) Adequately document the reasons which justify such extension; and

(2) Secure the prior written approval of the Department of State for such extension.

(d) In addition to individual requests, the Department of State shall entertain requests for groups of similarly situated exchange visitors.

**§ 62.45 Reinstatement to valid program status.**

(a) *Definitions.* For purpose of this section—

*You* means the Responsible Officer or Alternate Responsible Officer;

*Exchange visitor* means the person who enters the United States on a J visa in order to participate in an exchange program designated by the Secretary of State of the Department of State.

*Fails or failed maintain valid program status* means the status of an exchange visitor who has completed, concluded, ceased, interrupted, graduated from, or otherwise terminated the exchange visitor's participation in the exchange program, or who remains in the United States beyond the end date on the exchange visitor's current Form DS-2019.

*Unauthorized employment* means any employment not properly authorized by you or by the Attorney General, *i.e.*, the Immigration and Naturalization Service, prior to commencement of employment. Unauthorized employment does not include activities that are normally approvable, as described in paragraph (c)(3) of this section.

*We, our, or us* means the office of Exchange Visitor Program Services of the Department of State.

(b) *Who is authorized to correct minor or technical infractions of the Exchange Visitor Program regulations?* (1) If the exchange visitor committed a technical or minor infraction of the regulations, you are authorized to correct the exchange visitor's records with respect to such technical or minor infractions of the regulations in this part. Your correction of such an infraction(s) returns the exchange visitor to the status quo

ante, *i.e.*, it is as if the infraction never occurred.

(2) You may only correct the exchange visitor's record with respect to a technical or minor infraction of the regulations in this part if the exchange visitor is pursuing or intending to pursue the exchange visitor's original program objective.

(3) You may not correct the exchange visitor's records with respect to a technical or minor infraction of the regulations in this part if the exchange visitor has willfully failed to maintain insurance coverage during the period for which the record is being corrected; if the exchange visitor has engaged in unauthorized employment during that period, as defined in paragraph (a) of this section, or if the exchange visitor was involuntarily suspended or terminated from his or her program during the period.

(4) If the exchange visitor has failed to maintain valid program status because of a substantive violation of the regulations in this part, you must apply to us for reinstatement.

(c) *What violations or infractions of the regulations in this part do we consider to be technical or minor ones, and how do you correct the record?* We consider the following to be examples of technical or minor infractions which you are authorized to correct:

(1) Failure to extend the Form DS-2019 in a timely manner (*i.e.*, prior to the end date on the current Form DS-2019) due to inadvertence or neglect on your part or on the part of the exchange visitor.

(2) Failure on the part of the exchange visitor to conclude a transfer of program prior to the end date on the current Form DS-2019 due to administrative delay or oversight, inadvertence or neglect on your part or on the part of the exchange visitor;

(3) Failure to receive your prior approval and/or an amended Form DS-2019 before accepting an honorarium or other type of payment for engaging in a normally approvable and appropriate activity. Example, a lecture, consultation, or other activity appropriate to the category which is provided by a professor, research scholar, short-term scholar or specialist without prior approval or an amended Form DS-2019

## § 62.45

## 22 CFR Ch. I (4-1-25 Edition)

issued prior to the occurrence of the activity.

(4) You correct the record *status quo ante* by issuing a Form DS-2019 or by writing an authorization letter to reflect the continuity in the program or the permission to engage in the activity that a timely issued document would have reflected.

(i) Forms DS-2019 should be:

(A) Issued to show continued authorized stay without interruption;

(B) Marked in the "purpose" box with the appropriate purpose (*i.e.*, extension, transfer, etc.) and with the additional notation of "correct the record" typed in;

(C) Dated as of the date the Form was actually executed; and,

(D) Submitted to the Department of State in the same way as any other notification.

(ii) Letters or other authorization documents should be:

(A) Issued according to the regulations in this part appropriate to the category and the activity;

(B) Marked or annotated to show "correct the record."

(C) Dated as of the date the letter or document was actually executed; and,

(D) Attached to the exchange visitor's Form DS-2019 and/or retained in the sponsor's file as required by the regulations in this part for that particular type of letter or document.

(d) *How do you determine if an infraction, other than those examples listed above is a technical or minor infraction?* It is impossible to list every example of a technical or minor infraction. To guide you in making a determination, you are to examine the following criteria:

(1) Regardless of the reason, has the exchange visitor failed to maintain valid program status for more than 120 calendar days after the end date on the current Form DS-2019?

(2) Has the exchange visitor, by his or her actions, failed to maintain, at all relevant times, his or her original program objective?

(3) Has the exchange visitor willfully failed to comply with our insurance coverage requirements (§62.14)?

(4) Has the exchange visitor engaged in unauthorized employment, as that

term is defined in paragraph (a) of this section?

(5) Has the exchange visitor category been involuntarily suspended or terminated from his or her program?

(6) Has an exchange visitor in the student category failed to maintain a full course of study (as defined in §62.2) without prior consultation with you and the exchange visitor's academic advisor?

(7) Has the exchange visitor failed to pay the fee mandated by Public Law 104-208 (the "CIPRIS" fee)?

(8) If the answer to any of the above questions is "yes," then the infraction is not a technical or minor one and you are not authorized to reinstate the exchange visitor to valid program status.

(e) *Which violations or infractions do we consider to be substantive ones requiring you to apply to us for reinstatement?* The following are substantive violations or infractions of the regulations in this part by the exchange visitor which require you to apply to us for reinstatement to valid program status:

(1) Failure to maintain valid program status for more than 120 days after the end date on the current Form DS-2019;

(2) If a student, failure to maintain a full course of study (as defined in §62.2) without prior consultation with you and the exchange visitor's academic advisor.

(f) *Which, if any, violations of the regulations in this part or other conditions preclude reinstatement and will result in a denial if application is made?* We will not consider requests for reinstatement (nor should you) when an exchange visitor has:

(1) Knowingly or willfully failed to obtain or maintain the required health insurance (§62.14) at all times while in the United States;

(2) Engaged in unauthorized employment, as that term is defined in paragraph (a) of this section;

(3) Been suspended or terminated from the most recent exchange visitor program;

(4) Failed to maintain valid program status for more than 270 calendar days;

(5) Received a favorable recommendation from the Department of State on an application for waiver of section 212(e) of the Immigration and Nationality Act [8 U.S.C. 1182(e)]; or,

(6) Failed to pay the fee mandated by Public Law 104-208 (the "CIPRIS" fee.)

(g) *What if you cannot determine which category (technical, substantive, or non-reinstatable) the violation or infraction falls within? If you cannot determine which category the violation or condition falls within, then you must, on behalf of the exchange visitor, apply to us for reinstatement.*

(h) *If you determine that the exchange visitor's violation of the regulations in this part is a substantive one, how do you apply for a reinstatement to valid program status?* (1) If you determine that the violation of the regulations in this part is a substantive one, and that the exchange visitor has failed to maintain valid program status for 120 days or less, you must apply to us for reinstatement of the exchange visitor to valid program status. Your application must include:

(i) All copies of the exchange visitor's Forms DS-2019 issued to date;

(ii) A new, completed Form DS-2019, showing in Block 3 the date of the period for which reinstatement is sought, *i.e.*, the new program end date;

(iii) A copy of the receipt showing that the Public Law 104-208 fee has been paid; and,

(iv) A written statement (and documentary information supporting such statement):

(A) Declaring that the exchange visitor is pursuing or was at all times intending to pursue the original exchange visitor program activity for which the exchange visitor was admitted to the United States; and,

(B) Showing that the exchange visitor failed to maintain valid program status due to circumstances beyond the control of the exchange visitor, or from administrative delay or oversight, inadvertence, or excusable neglect on your part or the exchange visitor's part; or,

(C) Showing that it would be an unusual hardship to the exchange visitor if we do not grant the reinstatement to valid program status.

(2) If you determine that the violation of the regulations is a substantive one, and that the exchange visitor has failed to maintain valid program status for more than 120 days, then you must apply to us for reinstatement of the ex-

change visitor to valid program status. Your application must include:

(i) Copies of all the exchange visitor's Forms DS-2019 issued to date;

(ii) A new, completed Form DS-2019, showing in Block 3 the date for which reinstatement is sought, *i.e.*, the new program end date;

(iii) A copy of the receipt showing that the Pub. L. 104-208 fee has been paid; and,

(iv) A written statement (together with documentary evidence supporting such statement):

(A) Declaring that the exchange visitor is pursuing or was at all times intending to pursue the exchange visitor program activity for which the exchange visitor was admitted to the United States; and,

(B) Showing that the exchange visitor failed to maintain valid program status due to circumstances beyond the control of the exchange visitor, or from administrative delay or oversight, inadvertence, or excusable neglect on your part or the exchange visitor's part; and,

(C) Showing that it would be an unusual hardship to the exchange visitor if we do not grant the reinstatement to valid program status.

(i) *How will we notify you of our decision on your request for reinstatement?* (1) If we deny your request for reinstatement, we will notify you by letter.

(2) If we approve your request for reinstatement, we will notify you:

(i) By stamping Box 6 on the new Form DS-2019 to show that reinstatement was granted, effective as of the date on which the application for reinstatement was received by the Exchange Visitor Program Services office; and

(ii) By returning the new Form DS-2019 for the exchange visitor.

(j) *How long will it take us to act on your request for reinstatement?* We will act on your request for reinstatement within forty-five days from the date on which we receive the request and supporting documentation.

(k) *Are you required to notify us each time that you correct a record?* No special notification is necessary. Submission of the notification copy of Form DS-2019 to the Department of State serves

## § 62.50

## 22 CFR Ch. I (4-1-25 Edition)

as notice that a record has been corrected. Following the regulations in this part in issuing a letter or document serves as correction in the sponsor's file for those items not normally sent to the Department of State under existing notification procedures.

### Subpart D—Sanctions

#### § 62.50 Sanctions.

(a) *Reasons for sanctions.* The Department of State (Department) may impose sanctions against a sponsor upon a finding by its Office of Exchange Coordination and Designation (Office) that the sponsor has:

(1) Violated one or more provisions of this Part;

(2) Evidenced a pattern of failure to comply with one or more provisions of this Part;

(3) Committed an act of omission or commission, which has or could have the effect of endangering the health, safety, or welfare of an exchange visitor; or

(4) Otherwise conducted its program in such a way as to undermine the foreign policy objectives of the United States, compromise the national security interests of the United States, or bring the Department or the Exchange Visitor Program into notoriety or disrepute.

(b) *Lesser sanctions.* (1) In order to ensure full compliance with the regulations in this Part, the Department, in its discretion and depending on the nature and seriousness of the violation, may impose any or all of the following sanctions ("lesser sanctions") on a sponsor upon a finding that the sponsor engaged in any of the acts or omissions set forth in paragraph (a) of this section:

(i) A written reprimand to the sponsor, with a warning that repeated or persistent violations of the regulations in this part may result in suspension or revocation of the sponsor's Exchange Visitor Program designation, or other sanctions as set forth herein;

(ii) A declaration placing the exchange visitor sponsor's program on probation, for a period of time determined by the Department in its discretion, signifying a pattern of violation of regulations such that further violations could lead to suspension or revocation of the sponsor's Exchange Visitor Program designation, or other sanctions as set forth herein;

(iii) A corrective action plan designed to cure the sponsor's violations; or

(iv) Up to a 15 percent (15%) reduction in the authorized number of exchange visitors in the sponsor's program or in the geographic area of its recruitment or activity. If the sponsor continues to violate the regulations in this Part, the Department may impose subsequent additional reductions, in ten-percent (10%) increments, in the authorized number of exchange visitors in the sponsor's program or in the geographic area of its recruitment or activity.

(2) Within ten (10) days after service of the written notice to the sponsor imposing any of the sanctions set forth in paragraph (b)(1) of this section, the sponsor may submit to the Office a statement in opposition to or mitigation of the sanction. Such statement may not exceed 20 pages in length, double-spaced and, if appropriate, may include additional documentary material. Sponsors shall include with all documentary material an index of the documents and a summary of the relevance of each document presented. Upon review and consideration of such submission, the Office may, in its discretion, modify, withdraw, or confirm such sanction. All materials the sponsor submits will become a part of the sponsor's file with the Office.

(3) The decision of the Office is the final Department decision with regard to lesser sanctions in paragraphs (b)(1)(i) through (iv) of this section.

(c) *Suspension.* (1) Upon a finding that a sponsor has committed a serious act of omission or commission which has or could have the effect of endangering the health, safety, or welfare of an exchange visitor, or of damaging the national security interests of the United States, the Office may serve the sponsor with written notice of its decision to suspend the designation of the sponsor's program for a period not to exceed one hundred twenty (120) days. Such notice must specify the grounds

**Department of State****§ 62.50**

for the sanction and the effective date thereof, advise the sponsor of its right to oppose the suspension, and identify the procedures for submitting a statement of opposition thereto. Suspension under this paragraph need not be preceded by the imposition of any other sanction or notice.

(2)(i) Within five (5) days after service of such notice, the sponsor may submit to the Principal Deputy Assistant Secretary for Educational and Cultural Affairs (Principal Deputy Assistant Secretary, or PDAS) a statement in opposition to the Office's decision. Such statement may not exceed 20 pages in length, double-spaced and, if appropriate, may include additional documentary material. A sponsor shall include with all documentary material an index of the documents and a summary of the relevance of each document presented. The submission of a statement in opposition to the Office's decision will not serve to stay the effective date of the suspension.

(ii) Within five (5) days after receipt of, and upon consideration of, such opposition, the Principal Deputy Assistant Secretary shall confirm, modify, or withdraw the suspension by serving the sponsor with a written decision. Such decision must specify the grounds therefore, and advise the sponsor of the procedures for requesting review of the decision.

(iii) All materials the sponsor submits will become a part of the sponsor's file with the Office.

(3) The procedures for review of the decision of the Principal Deputy Assistant Secretary are set forth in paragraphs (d)(3) and (4), (g), and (h) of this section, except that the submission of a request for review will not serve to stay the suspension.

(d) *Revocation of designation.* (1) Upon a finding of any act or omission set forth at paragraph (a) of this section, the Office may serve a sponsor with not less than thirty (30) days' written notice of its intent to revoke the sponsor's Exchange Visitor Program designation. Such notice must specify the grounds for the proposed sanction and its effective date, advise the sponsor of its right to oppose the proposed sanction, and identify the procedures for submitting a statement of opposition

thereto. Revocation of designation under this paragraph need not be preceded by the imposition of any other sanction or notice.

(2)(i) Within ten (10) days after service of such written notice of intent to revoke designation, the sponsor may submit to the Principal Deputy Assistant Secretary a statement in opposition to or mitigation of the proposed sanction, which may include a request for a meeting.

(ii) The submission of such statement will serve to stay the effective date of the proposed sanction pending the decision of the Principal Deputy Assistant Secretary.

(iii) The Principal Deputy Assistant Secretary shall provide a copy of the statement in opposition to or mitigation of the proposed sanction to the Office. The Office shall submit a statement in response, and shall provide the sponsor with a copy thereof.

(iv) A statement in opposition to or mitigation of the proposed sanction, or statement in response thereto, may not exceed 25 pages in length, double-spaced and, if appropriate, may include additional documentary material. Any additional documentary material may include an index of the documents and a summary of the relevance of each document presented.

(v) Upon consideration of such statements, the Principal Deputy Assistant Secretary shall modify, withdraw, or confirm the proposed sanction by serving the sponsor with a written decision. A copy of the decision will be delivered to the Principal Deputy Assistant Secretary and the sponsor.

(5) If the Review Officers decide to affirm or modify the sanction, a copy of their decision shall also be delivered to the Department of Homeland Security and to the Bureau of Consular Affairs of the Department of State. The Office, at its discretion, may further distribute the decision.

(i) *Effect of suspension, revocation, or denial of redesignation.* A sponsor against which an order of suspension, revocation, or denial of redesignation has become effective may not thereafter issue any Certificate of Eligibility for Exchange Visitor (J-1) Status (Form DS-2019) or advertise, recruit for, or otherwise promote its program. Under no circumstances shall the sponsor facilitate the entry of an exchange visitor into the United States. An order of suspension, revocation, or denial of redesignation will not in any way diminish or restrict the sponsor's legal or financial responsibilities to existing program applicants or participants.

(j) *Miscellaneous*—(1) *Computation of time.* In computing any period of time prescribed or allowed by these regulations, the day of the act or event from which the designated period of time begins to run is not included. The last

When the period of time prescribed or allowed is fewer than eleven (11) days, intermediate Saturdays, Sundays, or Federal legal holidays are excluded in the computation.

Designation will be terminated upon the occurrence of any of the circumstances set forth in this section.

(a) *Voluntary termination.* A sponsor notifies the Department of its intent to terminate its designation voluntarily and withdraws its program in SEVIS via submission of a "cancel program" request. The sponsor's designation shall terminate upon submission of such notification. Such sponsor may apply for a new program designation.

(b) *Inactivity.* A sponsor fails to comply with the minimum program size or duration requirements, as specified in § 62.8 (a) and (b), in any 12-month period. Such sponsor may apply for a new program designation.

## § 62.61

apply for a new program designation upon the filing of the past due management audit.

(e) *Change in ownership or control.* An exchange visitor program designation is not assignable or transferable. A major change in ownership or control automatically terminates the designation. However, the successor sponsor may apply for designation of the new entity, and it may continue to administer the exchange visitor activities of the previously-designated program while the application for designation is pending before the Department of State:

(1) With respect to a for-profit corporation, a major change in ownership or control is deemed to have occurred when one third (33.33%) or more of its stock is sold or otherwise transferred within a 12-month period;

(2) With respect to a not-for-profit corporation, a major change of control is deemed to have occurred when 51 percent (51%) or more of the board of trustees or other like body, vested with its management, is replaced within a 12-month period.

(f) *Non-compliance with other requirements.* A sponsor fails to remain in compliance with Federal, State, local, or professional requirements necessary to carry out the activity for which it is designated, including loss of accreditation, or licensure.

(g) *Failure to apply for redesignation.* A sponsor fails to apply for redesignation, pursuant to the terms and conditions of § 62.7, prior to the conclusion of its current designation period. If so terminated, the former sponsor may apply for a new program designation, but the program activity will be suspended during the pendency of the application.

### § 62.61 Revocation.

The Department may terminate a sponsor's program designation by revocation for cause as specified in § 62.50. Such sponsor may not apply for a new designation for five (5) years following the effective date of the revocation.

## 22 CFR Ch. I (4-1-25 Edition)

### § 62.62 Termination of, or denial of redesignation for, a class of designated programs.

The Department may, in its sole discretion, determine that a class of designated programs compromises the national security of the United States or no longer furthers the public diplomacy mission of the Department of State. Upon such a determination, the Office shall:

(a) Give all sponsors of such class of designated programs not less than thirty (30) days' written notice of the revocation of Exchange Visitor Program designations for such programs, specifying therein the grounds and effective date for such revocations; or

(b) Give any sponsor of such class of designated programs not less than thirty (30) days' written notice of its denial of the sponsor's application for redesignation, specifying therein the grounds for such denial and effective date of such denial. Revocation of designation or denial of redesignation on the above-specified grounds for a class of designated programs is the final decision of the Department.

### § 62.63 Responsibilities of the sponsor upon termination or revocation.

Upon termination or revocation of its program designation, a sponsor must:

(a) Fulfill its responsibilities to all exchange visitors who are in the United States at the time of the termination or revocation; and

(b) Notify exchange visitors who have not entered the United States that the program has been terminated or revoked, unless a transfer to another designated program can be obtained.
