

Asst. Secy., for Public and Indian Housing, HUD

Pt. 1003

FINALALLOCATION = total amount a tribe is eligible to receive as a grant in the current FY.

GRANT2 = preliminary total allocation after applying 1996 Operating Subsidy and Modernization minimum funding (see Step 8) but before applying the Undisbursed Funds Factor (see Step 9) and Minimum Grant provision (see Step 10).

ADJUST1 = adjustments for over- or under-funding occurring in prior FYs.

UDFFadj = amount of the Undisbursed Fund Factor adjustments. Negative amount represents excess undisbursed funds. Positive represents amounts being transferred to other tribes without excess undisbursed funds.

MINGRANTADJ = actual amount of the minimum grant adjustment that can be accommodated with the amount set aside from carryover for this purpose.

AUTHORITY: 42 U.S.C. 3535(d) and 5301 *et seq.*

SOURCE: 61 FR 40090, July 31, 1996, unless otherwise noted. Redesignated at 62 FR 12349, Mar. 12, 1998.

Subpart A—General Provisions

§ 1003.1 Applicability and scope.

The policies and procedures described in this part apply to grants to eligible applicants under the Community Development Block Grant (CDBG) program for Indian tribes and Alaska native villages.

§ 1003.2 Program objective.

The primary objective of the Indian CDBG (ICDBG) Program and of the community development program of each grantee covered under the Act is the development of viable Indian and Alaska native communities, including decent housing, a suitable living environment, and economic opportunities, principally for persons of low and moderate income. The Federal assistance provided in this part is not to be used to reduce substantially the amount of tribal financial support for community development activities below the level of such support before the availability of this assistance.

§ 1003.3 Nature of program.

The selection of single purpose grantees under subpart B of this part is competitive in nature. Therefore, selection of grantees for funds will reflect consideration of the relative adequacy of applications in addressing tribally determined need. The selection of grantees of imminent threat grants under the provisions of subpart B of this part is not competitive in nature. However, applicants for funding under either subpart must have the administrative capacity to undertake the community development activities proposed, including the systems of internal control necessary to administer these activities effectively without fraud, waste, or mismanagement.

§ 1003.4 Definitions.

Act means Title I of the Housing and Community Development Act of 1974, as amended (42 U.S.C. 5301 *et seq.*)

Area ONAPs mean the HUD Offices of Native American Programs having field office responsibility for the ICDBG Program.

Assistant Secretary means the Assistant Secretary for Public and Indian Housing.

Buildings for the general conduct of government mean office buildings and other facilities in which the legislative, judicial or general administrative affairs of the government are conducted. This term does not include such facilities as neighborhood service centers or special purpose buildings located in low and moderate income areas that house various non-legislative functions or services provided by the government at decentralized locations.

Chief executive officer means the elected official or legally designated official who has the prime responsibility for the conduct of the affairs of an Indian tribe or Alaska native village.

Eligible Indian population means the most accurate and uniform population data available from data compiled and published by the United States Bureau of the Census available from the latest census referable to the same point or period of time for Indian tribes and Alaska native villages eligible under this part.

Extent of overcrowded housing means the number of housing units with 1.01 or more persons per room, based on data compiled and published by the United States Bureau of the Census available from the latest census referable to the same point or period of time.

Extent of poverty means the number of persons whose incomes are below the poverty level, based on data compiled and published by the United States Bureau of the Census referable to the same point or period in time and the latest reports from the Office of Management and Budget.

HUD means the Department of Housing and Urban Development.

ICDBG Program means the Indian Community Development Block Grant Program.

Identified service area means:

(1) A geographic location within the jurisdiction of a tribe (but not the entire jurisdiction) designated in comprehensive plans, ordinances, or other tribal documents as a service area;

(2) The Bureau of Indian Affairs (BIA) service area, including residents of areas outside the geographic jurisdiction of the tribe; or

(3) The entire area under the jurisdiction of a tribe which has a population of members of under 10,000.

Imminent threat means a problem which if unresolved or not addressed will have an immediate negative impact on public health or safety.

Low and moderate income beneficiary means a family, household, or individual whose income does not exceed 80 percent of the median income for the area, as determined by HUD, with adjustments for smaller and larger households or families. However, HUD may establish income ceilings higher or lower than 80 percent of the median for the area on the basis of HUD's findings that such variations are necessary because of unusually high or low household or family incomes. In reporting income levels to HUD, the applicant must include and identify the distributions of tribal or village income to families, households, or individuals.

Microenterprise means a business that has five or fewer employees, one or more of whom owns the enterprise.

Secretary means the Secretary of HUD.

Small business means a business that meets the criteria set forth in section 3(a) of the Small Business Act (15 U.S.C. 631, 636, and 637).

Subrecipient means a public or private nonprofit agency, authority or organization, or a for-profit entity described in §1003.201(l), receiving ICDBG funds from the grantee or another subrecipient to undertake activities eligible for assistance under subpart C of this part. The term excludes a CBDO receiving ICDBG funds from the grantee under the authority of §1003.204, unless the grantee explicitly designates it as a subrecipient. The term does not include contractors providing supplies, equipment, construction or services subject to the procurement requirements in 2 CFR 200.318 through 200.326.

Tribal government, Tribal governing body or Tribal council means the governing body of an Indian tribe or Alaska native village as recognized by the Bureau of Indian Affairs.

Tribal resolution means the formal manner in which the tribal government expresses its legislative will in accordance with its organic documents. In the absence of such organic documents,

a written expression adopted pursuant to tribal practices will be acceptable.

URA means the Uniform Relocation and Real Property Acquisition Policies Act of 1970, as amended (42 U.S.C. 4601 *et. seq.*).

[62 FR 12349, Mar. 12, 1998, as amended at 80 FR 75944, Dec. 7, 2015]

§ 1003.5 Eligible applicants.

(a) Eligible applicants are any Indian tribe, band, group, or nation, including Alaska Indians, Aleuts, and Eskimos, and any Alaska native village of the United States which is considered an eligible recipient under Title I of the Indian Self-Determination and Education Assistance Act (25 U.S.C. 450) or which had been an eligible recipient under the State and Local Fiscal Assistance Act of 1972 (31 U.S.C. 1221). Eligible recipients under the Indian Self-Determination and Education Assistance Act will be determined by the Bureau of Indian Affairs and eligible recipients under the State and Local Fiscal Assistance Act of 1972 are those that have been determined eligible by the Department of Treasury, Office of Revenue Sharing.

(b) Tribal organizations which are eligible under Title I of the Indian Self-Determination and Education Assistance Act may apply on behalf of any Indian tribe, band, group, nation, or Alaska native village eligible under that act for funds under this part when one or more of these entities have authorized the tribal organization to do so through concurring resolutions. Such resolutions must accompany the application for funding. Eligible tribal organizations under Title I of the Indian Self-Determination and Education Assistance Act will be determined by the Bureau of Indian Affairs or the Indian Health Service, as appropriate.

(c) To apply for funding in a given fiscal year, an applicant must be eligible as an Indian tribe or Alaska native village, as provided in paragraph (a) of this section, or as a Tribal organization, as provided in paragraph (b) of this section, by the application submission date.

(Approved by the Office of Management and Budget under control number 2577-0191)

§ 1003.6

24 CFR Ch. IX (4-1-25 Edition)

§ 1003.6 Waivers.

Upon determination of good cause, HUD may waive any provision of this part not required by statute. Each waiver must be in writing and must be supported by documentation of the pertinent facts and grounds.

Subpart B—Allocation of Funds

§ 1003.100 General.

(a) *Types of grants.* Two types of grants are available under the Indian CDBG Program.

(1) *Single purpose grants* provide funds for one or more single purpose projects consisting of an activity or set of activities designed to meet a specific community development need. This type of grant is awarded through competition with other single purpose projects.

(2) *Imminent threat grants* alleviate an imminent threat to public health or safety that requires immediate resolution. This type of grant is awarded only after an Area ONAP determines that such conditions exist and if funds are available for such grants.

(b) *Size of grants—(1) Ceilings.* Each Area ONAP may recommend grant ceilings for single purpose grant applications. Single purpose grant ceilings for each Area ONAP shall be established in the NOFA (Notice of Funding Availability).

(2) *Individual grant amounts.* An Area ONAP may approve a grant amount less than the amount requested. In doing so, the Area ONAP may take into account the size of the applicant, the level of demand, the scale of the activity proposed relative to need and operational capacity, the number of persons to be served, the amount of funds required to achieve project objectives, the reasonableness of the project costs, and the administrative capacity of the applicant to complete the activities in a timely manner.

[61 FR 40090, July 31, 1996. Redesignated at 62 FR 12349, Mar. 12, 1998, as amended at 66 FR 4580, Jan. 17, 2001; 66 FR 8176, Jan. 30, 2001]

§ 1003.101 Area ONAP allocation of funds.

(a) Except as provided in paragraph (b) of this section, funds will be allo-

cated to the Area ONAPs responsible for the program on the following basis:

(1) Each Area ONAP will be allocated \$1,000,000 as a base amount, to which will be added a formula share of the balance of the ICDBG Program funds, as provided in paragraph (a)(2) of this section.

(2) The amount remaining after the base amount is allocated and any amount retained by the Headquarters ONAP to fund imminent threat grants pursuant to the provisions of § 1003.402 is subtracted, will be allocated to each Area ONAP based on the most recent data compiled and published by the United States Bureau of the Census referable to the same point or period in time, as follows:

(i) Forty percent (40%) of the funds will be allocated based upon each Area ONAP's share of the total eligible Indian population;

(ii) Forty percent (40%) of the funds will be allocated based upon each Area ONAP's share of the total extent of poverty among the eligible Indian population; and

(iii) Twenty percent (20%) of the funds will be allocated based upon each Area ONAP's share of the total extent of overcrowded housing among the eligible Indian population.

(b) HUD will use other criteria to determine an allocation formula for distributing funds to the Area ONAPs if funds are set aside by statute for a specific purpose in any fiscal year if it is determined that the formula in paragraph (a) of this section is inappropriate to accomplish the purpose. HUD will use other criteria if it is determined that, based on a limited appropriation of funds, the use of the formula in paragraph (a) of this section is inappropriate to obtain an equitable allocation of funds.

(c) Data used for the allocation of funds will be based upon the Indian population of those tribes and villages that are determined to be eligible ninety (90) days before the beginning of each fiscal year.

§ 1003.102 Use of recaptured and unawarded funds.

(a) The Assistant Secretary will determine on a case-by-case basis the use of grant funds which are:

(1) Recaptured by HUD under the provisions of §1003.703 or §1003.704;

(2) Recaptured by HUD at the time of the closeout of a program; or

(3) Unawarded after the completion by an Area ONAP of a funding competition.

(b) The recaptured or unawarded funds will remain with the Area ONAP to which they were originally allocated unless the Assistant Secretary determines that there is an overriding reason to redistribute these funds outside of the Area ONAP's jurisdiction. The recaptured funds may be used to fund the highest ranking unfunded project from the most recent funding competition, an imminent threat, or other uses. Unawarded funds may be used to fund an imminent threat or other uses.

Subpart C—Eligible Activities

§ 1003.200 General policies.

An activity may be assisted in whole or in part with ICDBG funds only if the activity meets the eligibility requirements of section 105 of the Act as further defined in this subpart and if the criteria for compliance with the primary objective of the Act set forth under §1003.208 have been met. The requirements for compliance with the primary objective of the Act do not apply to imminent threat grants funded under subpart E of this part.

§ 1003.201 Basic eligible activities.

ICDBG funds may be used for the following activities:

(a) *Acquisition.* Acquisition in whole or in part by the grantee, or other public or private nonprofit entity, by purchase, long-term lease, donation, or otherwise, of real property (including air rights, water rights, rights-of-way, easements, and other interests therein) for any public purpose, subject to the limitations of §1003.207.

(b) *Disposition.* Disposition, through sale, lease, donation, or otherwise, of any real property acquired with ICDBG funds or its retention for public purposes, including reasonable costs of temporarily managing such property or property acquired under urban renewal, provided that the proceeds from any such disposition shall be program in-

come subject to the requirements set forth in §1003.503.

(c) *Public facilities and improvements.* Acquisition, construction, reconstruction, rehabilitation or installation of public facilities and improvements, except as provided in §1003.207(a), carried out by the grantee or other public or private nonprofit entities. In undertaking such activities, design features and improvements which promote energy efficiency may be included. [However, activities under this paragraph may be directed to the removal of material and architectural barriers that restrict the mobility and accessibility of elderly or severely disabled persons to publicly owned and privately owned buildings, facilities, and improvements including those provided for in §1003.207(a)(1).] Such activities may also include the execution of architectural design features, and similar treatments intended to enhance the aesthetic quality of facilities and improvements receiving ICDBG assistance. Facilities designed for use in providing shelter for persons having special needs are considered public facilities and not subject to the prohibition of new housing construction described in §1003.207(b)(3). Such facilities include shelters for the homeless; convalescent homes; hospitals, nursing homes; battered spouse shelters; half-way houses for run-away children, drug offenders or parolees; group homes for mentally retarded persons and temporary housing for disaster victims. In certain cases, nonprofit entities and subrecipients including those specified in §1003.204 may acquire title to public facilities. When such facilities are owned by nonprofit entities or subrecipients, they shall be operated so as to be open for use by the general public during all normal hours of operation. Public facilities and improvements eligible for assistance under this paragraph (c) are subject to the following policies in paragraphs (c)(1) through (c)(3) of this section:

(1) *Special policies governing facilities.* The following special policies apply to:

(i) *Facilities containing both eligible and ineligible uses.* A public facility otherwise eligible for assistance under the ICDBG program may be provided with

§ 1003.201

24 CFR Ch. IX (4-1-25 Edition)

ICDBG funds even if it is part of a multiple use building containing ineligible uses, if:

(A) The facility which is otherwise eligible and proposed for assistance will occupy a designated and discrete area within the larger facility; and

(B) The grantee can determine the costs attributable to the facility proposed for assistance as separate and distinct from the overall costs of the multiple-use building and/or facility. Allowable costs are limited to those attributable to the eligible portion of the building or facility.

(ii) *Equipment purchase.* As stated in §1003.207(b)(1), the purchase of equipment with ICDBG funds is generally ineligible. However, the purchase of construction equipment for use as part of a solid waste facility is eligible. In addition, the purchase of fire protection equipment is considered to be an integral part of a public facility, and, therefore, the purchase of such equipment is also eligible.

(2) *Fees for use of facilities.* Reasonable fees may be charged for the use of the facilities assisted with ICDBG funds, but charges such as excessive membership fees, which will have the effect of precluding low and moderate income persons from using the facilities, are not permitted.

(3) *Special assessments under the ICDBG program.* The following policies relate to special assessments under the ICDBG program:

(i) *Definition of special assessment.* The term *special assessment* means the recovery of the capital costs of a public improvement, such as streets, water or sewer lines, curbs, and gutters, through a fee or charge levied or filed as a lien against a parcel of real estate as a direct result of benefit derived from the installation of a public improvement, or a one-time charge made as a condition of access to a public improvement. This term does not relate to taxes, or the establishment of the value of real estate for the purpose of levying real estate, property, or ad valorem taxes, and does not include periodic charges based on the use of a public improvement, such as water or sewer user charges, even if such charges include the recovery of all or some portion of

the capital costs of the public improvement.

(ii) *Special assessments to recover capital costs.* Where ICDBG funds are used to pay all or part of the cost of a public improvement, special assessments may be imposed as follows:

(A) Special assessments to recover the ICDBG funds may be made only against properties owned and occupied by persons not of low and moderate income. Such assessments constitute program income.

(B) Special assessments to recover the non-ICDBG portion may be made provided that ICDBG funds are used to pay the special assessment on behalf of all properties owned and occupied by low and moderate income persons; except that ICDBG funds need not be used to pay the special assessments on behalf of properties owned and occupied by moderate income persons if the grantee certifies that it does not have sufficient ICDBG funds to pay the assessments in behalf of all of the low and moderate income owner-occupant persons. Funds collected through such special assessments are not program income.

(iii) *Public improvements not initially assisted with ICDBG funds.* The payment of special assessments with ICDBG funds constitutes ICDBG assistance to the public improvement. Therefore, ICDBG funds may be used to pay special assessments provided:

(A) The installation of the public improvements was carried out in compliance with requirements applicable to activities assisted under this part including environmental and citizen participation requirements; and

(B) The installation of the public improvement meets a criterion for the primary objective in §1003.208; and,

(C) The requirements of §1003.201(c)(3)(ii)(B) are met.

(d) *Clearance activities.* Clearance, demolition, and removal of buildings and improvements, including movement of structures to other sites. Demolition of HUD-assisted housing units may be undertaken only with the prior approval of HUD.

(e) *Public services.* Provision of public services (including labor, supplies, materials, and the purchase of personal

property and furnishings) which are directed toward improving the community's public services and facilities, including but not limited to those concerned with employment, crime prevention, child care, health, drug abuse, education, fair housing counseling, energy conservation, welfare (but excluding the provision of income payments identified under §1003.207(b)(4)), homebuyer downpayment assistance or recreational needs. To be eligible for ICDBG assistance, a public service must be either a new service, or a quantifiable increase in the level of an existing service above that which has been provided by or on behalf of the grantee through funds raised by the grantee, or received by the grantee from the Federal government in the twelve calendar months before the submission of the application for ICDBG assistance. (An exception to this requirement may be made if HUD determines that any decrease in the level of a service was the result of events not within the control of the grantee.) The amount of ICDBG funds used for public services shall not exceed 15 percent of the grant. Such projects must therefore be submitted with one or more other projects, which must comprise at least 85 percent of the total requested ICDBG grant amount.

(f) *Interim assistance.* (1) The following activities may be undertaken on an interim basis in areas exhibiting objectively determinable signs of physical deterioration where the grantee has determined that immediate action is necessary to arrest the deterioration and that permanent improvements will be carried out as soon as practicable:

(i) The repairing of streets, sidewalks, parks, playgrounds, publicly owned utilities, and public buildings; and

(ii) The execution of special garbage, trash, and debris removal, including neighborhood cleanup campaigns, but not the regular curbside collection of garbage or trash in an area.

(2) In order to alleviate emergency conditions threatening the public health and safety in areas where the chief executive officer of the grantee determines that such an emergency condition exists and requires imme-

diately resolution, ICDBG funds may be used for:

(i) The activities specified in paragraph (f)(1) of this section, except for the repair of parks and playgrounds;

(ii) The clearance of streets, including snow removal and similar activities; and

(iii) The improvement of private properties.

(3) All activities authorized under paragraph (f)(2) of this section are limited to the extent necessary to alleviate emergency conditions.

(g) *Payment of non-Federal share.* Payment of the non-Federal share required in connection with a Federal grant-in-aid program undertaken as part of ICDBG activities, provided, that such payment shall be limited to activities otherwise eligible and in compliance with applicable requirements under this subpart.

(h) *Relocation.* Relocation payments and other assistance for permanently and temporarily relocated individuals families, businesses, nonprofit organizations, and farm operations where the assistance is:

(1) Required under the provisions of §1003.602 (b) or (c); or

(2) Determined by the grantee to be appropriate under the provisions of §1003.602(d).

(i) *Loss of rental income.* Payments to housing owners for losses of rental income incurred in holding, for temporary periods, housing units to be used for the relocation of individuals and families displaced by program activities assisted under this part.

(j) *Housing services.* Housing services, as provided in section 105(a)(21) of the Housing and Community Development Act of 1974 [42 U.S.C. 5305(a)(21)].

(k) *Privately owned utilities.* ICDBG funds may be used to acquire, construct, reconstruct, rehabilitate, or install the distribution lines and facilities of privately owned utilities, including the placing underground of new or existing distribution facilities and lines.

(1) *The provision of assistance to facilitate economic development.* (1) The provision of assistance either through the grantee directly or through public and private organizations, agencies, and

other subrecipients (including non-profit and for-profit subrecipients) to facilitate economic development by:

(i) Providing credit, including, but not limited to, grants, loans, loan guarantees, and other forms of financial support, for the establishment, stabilization, and expansion of microenterprises;

(ii) Providing technical assistance, advice, and business support services to owners of microenterprises and persons developing microenterprises; and

(iii) Providing general support, including, but not limited to, peer support programs, counseling, child care, transportation, and other similar services, to owners of microenterprises and persons developing microenterprises.

(2) Services provided under paragraph (1)(1) of this section shall not be subject to the restrictions on public services contained in §1003.201(e).

(3) For purposes of this paragraph (1), *persons developing microenterprises* means such persons who have expressed interest and who are, or after an initial screening process are expected to be, actively working toward developing businesses, each of which is expected to be a microenterprise at the time it is formed.

(m) *Technical assistance.* Provision of technical assistance to public or non-profit entities to increase the capacity of such entities to carry out eligible neighborhood revitalization or economic development activities. Capacity building for private or public entities (including grantees) for other purposes may be eligible as a planning cost under §1003.205.

(n) *Assistance to institutions of higher education.* Provision of assistance by the grantee to institutions of higher education where the grantee determines that such an institution has demonstrated a capacity to carry out eligible activities under this subpart.

(o) *Homeownership assistance.* ICDBG funds may be used to provide direct homeownership assistance to low- and moderate-income households to:

(1) Subsidize interest rates and mortgage principal amounts for low- and moderate-income homebuyers;

(2) Finance the acquisition by low- and moderate-income homebuyers of

housing that is occupied by the homebuyers;

(3) Acquire guarantees for mortgage financing obtained by low- and moderate-income homebuyers from private lenders (except that ICDBG funds may not be used to guarantee such mortgage financing directly, and grantees may not provide such guarantees directly);

(4) Provide up to 50 percent of any downpayment required from a low- and moderate-income homebuyer; or

(5) Pay reasonable closing costs (normally associated with the purchase of a home) incurred by a low- or moderate-income homebuyer.

§1003.202 Eligible rehabilitation and preservation activities.

(a) Types of buildings and improvements eligible for rehabilitation or reconstruction assistance. ICDBG funds may be used to finance the rehabilitation of:

(1) Privately owned buildings and improvements for residential purposes; improvements to a single-family residential property which is also used as a place of business, which are required in order to operate the business, need not be considered to be rehabilitation of a commercial or industrial building, if the improvements also provide general benefit to the residential occupants of the building;

(2) Low-income public housing and other publicly owned residential buildings and improvements;

(3) Publicly or privately owned commercial or industrial buildings, except that the rehabilitation of such buildings owned by a private for-profit business is limited to improvements to the exterior of the building and the correction of code violations (further improvements to such buildings may be undertaken pursuant to §1003.203(b)); and

(4) Nonprofit-owned nonresidential buildings and improvements not eligible under §1003.201(c);

(5) Manufactured housing when such housing constitutes part of the community's permanent housing stock.

(b) *Types of assistance.* ICDBG funds may be used to finance the following

types of rehabilitation or reconstruction activities, and related costs, either singly, or in combination, through the use of grants, loans, loan guarantees, interest supplements, or other means for buildings and improvements described in paragraph (a) of this section, except that rehabilitation of commercial or industrial buildings is limited as described in paragraph (a)(3) of this section.

(1) Assistance to private individuals and entities, including profit making and nonprofit organizations, to acquire for the purpose of rehabilitation, and to rehabilitate properties, for use or resale for residential purposes;

(2) Labor, materials, and other costs of rehabilitation of properties, including repair directed toward an accumulation of deferred maintenance, replacement of principal fixtures and components of existing structures, installation of security devices, including smoke detectors and dead bolt locks, and renovation through alterations, additions to, or enhancement of existing structures, which may be undertaken singly, or in combination;

(3) Loans for refinancing existing indebtedness secured by a property being rehabilitated with ICDBG funds if such financing is determined by the grantee to be necessary or appropriate to achieve the grantee's community development objectives;

(4) Improvements to increase the efficient use of energy in structures through such means as installation of storm windows and doors, siding, wall and attic insulation, and conversion, modification, or replacement of heating and cooling equipment, including the use of solar energy equipment;

(5) Improvements to increase the efficient use of water through such means as water saving faucets and shower heads and repair of water leaks;

(6) Connection of residential structures to water distribution lines or local sewer collection lines;

(7) For rehabilitation carried out with ICDBG funds, costs of:

(i) Initial homeowner warranty premiums;

(ii) Hazard insurance premiums, except where assistance is provided in the form of a grant; and

(iii) Flood insurance premiums for properties covered by the Flood Disaster Protection Act of 1973, pursuant to 24 CFR 58.6(a).

(iv) Lead-based paint activities in part 35 of this title.

(8) Costs of acquiring tools to be lent to owners, tenants, and others who will use such tools to carry out rehabilitation;

(9) Rehabilitation services, such as rehabilitation counseling, energy auditing, preparation of work specifications, loan processing, inspections, and other services related to assisting owners, tenants, contractors, and other entities, participating or seeking to participate in rehabilitation activities authorized under this section;

(10) Improvements designed to remove material and architectural barriers that restrict the mobility and accessibility of elderly or severely disabled persons to buildings and improvements eligible for assistance under paragraph (a) of this section.

(c) *Code enforcement.* Code enforcement in deteriorating or deteriorated areas where such enforcement together with public or private improvements, rehabilitation, or services to be provided, may be expected to arrest the decline of the area.

(d) *Historic preservation.* ICDBG funds may be used for the rehabilitation, preservation or restoration of historic properties, whether publicly or privately owned. Historic properties are those sites or structures that are either listed in or eligible to be listed in the National Register of Historic Places, listed in a State or local inventory of historic places, or designated as a State or local landmark or historic district by appropriate law or ordinance. Historic preservation, however, is not authorized for buildings for the general conduct of government.

(e) *Renovation of closed buildings.* ICDBG funds may be used to renovate closed buildings, such as closed school buildings, for use as an eligible public facility or to rehabilitate such buildings for housing.

§ 1003.203 Special economic development activities.

A grantee may use ICDBG funds for special economic development activities in addition to other activities authorized in this subpart which may be carried out as part of an economic development project. Special activities authorized under this section do not include assistance for the construction of new housing. Special economic development activities include:

(a) The acquisition, construction, reconstruction, rehabilitation or installation of commercial or industrial buildings, structures, and other real property equipment and improvements, including railroad spurs or similar extensions. Such activities may be carried out by the grantee or public or private nonprofit subrecipients.

(b) The provision of assistance to a private for-profit business, including, but not limited to, grants, loans, loan guarantees, interest supplements, technical assistance, and other forms of support, for any activity where the assistance is necessary or appropriate to carry out an economic development project, excluding those described as ineligible in § 1003.207(a). In order to ensure that any such assistance does not unduly enrich the for-profit business, the grantee shall conduct an analysis to determine that the amount of any financial assistance to be provided is not excessive, taking into account the actual needs of the business in making the project financially feasible and the extent of public benefit expected to be derived from the economic development project. The grantee shall document the analysis as well as any factors it considered in making its determination that the assistance is necessary or appropriate to carry out the project. The requirement for making such a determination applies whether the business is to receive assistance from the grantee or through a subrecipient.

(Approved by the Office of Management and Budget under control number 2577-0191)

§ 1003.204 Special activities by Community-Based Development Organizations (CBDOs).

(a) *Eligible activities.* The grantee may provide ICDBG funds as grants or loans

to any CBDO qualified under this section to carry out a neighborhood revitalization, community economic development, or energy conservation project. The funded project activities may include those listed as eligible under this subpart, and, except as described in paragraph (b) of this section, activities not otherwise listed as eligible under this subpart. For purposes of qualifying as a project under paragraphs (a)(1), (a)(2), and (a)(3) of this section, the funded activity or activities may be considered either alone or in concert with other project activities either being carried out or for which funding has been committed. For purposes of this section:

(1) Neighborhood revitalization project includes activities of sufficient size and scope to have an impact on the decline of a geographic location within the jurisdiction of a grantee (but not the entire jurisdiction) designated in comprehensive plans, ordinances, or other local documents as a neighborhood, village, or similar geographical designation; or the entire jurisdiction of a grantee which is under 25,000 population;

(2) Community economic development project includes activities that increase economic opportunity, principally for persons of low- and moderate-income, or that stimulate or retain businesses or permanent jobs, including projects that include one or more such activities that are clearly needed to address a lack of affordable housing accessible to existing or planned jobs;

(3) Energy conservation project includes activities that address energy conservation, principally for the benefit of the residents of the grantee's jurisdiction; and

(4) To carry out a project means that the CBDO undertakes the funded activities directly or through contract with an entity other than the grantee, or through the provision of financial assistance for activities in which it retains a direct and controlling involvement and responsibilities.

(b) *Ineligible activities.* Notwithstanding that CBDOs may carry out activities that are not otherwise eligible under this subpart, this section does not authorize:

(1) Carrying out an activity described as ineligible in §1003.207(a);

(2) Carrying out public services that do not meet the requirements of §1003.201(e), except services carried out under this section that are specifically designed to increase economic opportunities through job training and placement and other employment support services, including, but not limited to, peer support programs, counseling, child care, transportation, and other similar services;

(3) Carrying out an activity that would otherwise be eligible under §1003.205 or §1003.206, but that would result in the grantee's exceeding the spending limitation in §1003.206.

(c) *Eligible CBDOs.* (1) A CBDO qualifying under this section is an organization which has the following characteristics:

(i) Is an association or corporation organized under State or local law to engage in community development activities (which may include housing and economic development activities) primarily within an identified geographic area of operation within the jurisdiction of the grantee; and

(ii) Has as its primary purpose the improvement of the physical, economic or social environment of its geographic area of operation by addressing one or more critical problems of the area, with particular attention to the needs of persons of low and moderate income; and

(iii) May be either non-profit or for-profit, provided any monetary profits to its shareholders or members must be only incidental to its operations; and

(iv) Maintains at least 51 percent of its governing body's membership for low- and moderate-income residents of its geographic area of operation, owners or senior officers of private establishments and other institutions located in and serving its geographic area of operation, or representatives of low- and moderate-income neighborhood organizations located in its geographic area of operation; and

(v) Is not an agency or instrumentality of the grantee and does not permit more than one-third of the membership of its governing body to be appointed by, or to consist of, elected or other public officials or employees or

officials of an ineligible entity (even though such persons may be otherwise qualified under paragraph (c)(1)(iv) of this section); and

(vi) Except as otherwise authorized in paragraph (c)(1)(v) of this section, requires the members of its governing body to be nominated and approved by the general membership of the organization, or by its permanent governing body; and

(vii) Is not subject to requirements under which its assets revert to the grantee upon dissolution; and

(viii) Is free to contract for goods and services from vendors of its own choosing.

(2) A CBDO that does not meet the criteria in paragraph (c)(1) of this section may also qualify as an eligible entity under this section if it meets one of the following requirements:

(i) Is an entity organized pursuant to section 301(d) of the Small Business Investment Act of 1958 (15 U.S.C. 681(d)), including those which are profit making; or

(ii) Is an SBA-approved Section 501 State Development Company or Section 502 Local Development Company, or an SBA Certified Section 503 Company under the Small Business Investment Act of 1958, as amended; or

(iii) Is a Community Housing Development Organization (CHDO) under 24 CFR 92.2, designated as a CHDO by the HOME Investment Partnerships program participating jurisdiction, with a geographic area of operation of no more than one neighborhood, and has received HOME funds under 24 CFR 92.300 or is expected to receive HOME funds as described in and documented in accordance with 24 CFR 92.300(e); or

(iv) Is a tribal-based nonprofit organization. Such organizations are associations or corporations duly organized to promote and undertake community development activities on a not-for-profit basis within an identified service area.

(3) A CBDO that does not qualify under paragraphs (c)(1) or (2) of this section may also be determined to qualify as an eligible entity under this section if the grantee demonstrates to the satisfaction of HUD, through the provision of information regarding the organization's charter and by-laws,

§ 1003.205

that the organization is sufficiently similar in purpose, function, and scope to those entities qualifying under paragraphs (c)(1) or (2) of this section.

§ 1003.205 Eligible planning, urban environmental design and policy-planning-management-capacity building activities.

(a) Planning activities which consist of all costs of data gathering, studies, analysis, and preparation of plans and the identification of actions that will implement such plans, including, but not limited to comprehensive plans, community development plans and functional plans in areas such as housing and economic development. In addition, other plans and studies such as capital improvements programs, individual project plans, general environmental studies, and strategies and action programs to implement plans, including the development of codes and ordinances are also eligible activities. With respect to the costs of individual project plans, engineering and design costs related to a specific activity are eligible as part of the cost of such activity under §§ 1003.201 through 1003.204 and are not considered planning costs. Also, costs necessary to comply with the requirements of 24 CFR part 58, including project specific environmental assessments and clearances for activities eligible under this part are eligible as part of the cost of such activities under §§ 1003.201 through 1003.204.

(b) Policy—planning—management—capacity building activities including those which will enable the grantee to determine its needs, set long term goals and short term objectives, devise programs to meet these goals and objectives, evaluate the progress being made in accomplishing the goals and objectives. In addition, actions necessary to carry out management, coordination and monitoring of activities necessary for effective planning implementation are eligible planning activities, however the costs necessary to implement the plans are not.

§ 1003.206 Program administration costs.

ICDBG funds may be used for the payment of reasonable administrative costs and carrying charges related to

24 CFR Ch. IX (4–1–25 Edition)

the planning and execution of community development activities assisted in whole or in part with funds provided under this part. No more than 20 percent of the sum of any grant plus program income received shall be expended for activities described in this section and in § 1003.205—Eligible planning, urban environmental design and policy-planning-management capacity building activities. This does not include staff and overhead costs directly related to carrying out activities eligible under §§ 1003.201 through 1003.204, since those costs are eligible as part of such activities. In addition, technical assistance costs associated with developing the capacity to undertake a specific funded activity are also not considered program administration costs. These costs must not, however, exceed 10% of the total grant award.

(a) *General management, oversight and coordination.* Reasonable costs of overall program management, coordination, monitoring, and evaluation. Such costs include, but are not necessarily limited to, necessary expenditures for the following:

(1) Salaries, wages, and related costs of the grantee's staff, the staff of local public agencies, or other staff engaged in program administration. In charging costs to this category the grantee may either include the entire salary, wages, and related costs allocable to the program of each person whose primary responsibilities with regard to the program involve program administration assignments, or the pro rata share of the salary, wages, and related costs of each person whose job includes any program administration assignments. The grantee may use only one of these methods during the grant period. Program administration includes the following types of assignments:

(i) Providing tribal officials and citizens with information about the program;

(ii) Preparing program budgets and schedules, and amendments thereto;

(iii) Developing systems for assuring compliance with program requirements;

(iv) Developing interagency agreements and agreements with subrecipients and contractors to carry out program activities;

(v) Monitoring program activities for progress and compliance with program requirements;

(vi) Preparing reports and other documents related to the program for submission to HUD;

(vii) Coordinating the resolution of audit and monitoring findings;

(viii) Evaluating program results against stated objectives; and

(ix) Managing or supervising persons whose primary responsibilities with regard to the program include such assignments as those described in paragraph (a)(1) (i) through (viii) of this section.

(2) Travel costs incurred for official business in carrying out the program;

(3) Administrative services performed under third party contracts or agreements, including such services as general legal services, accounting services, and audit services; and

(4) Other costs for goods and services required for administration of the program, including such goods and services as rental or purchase of equipment, furnishings, or other personal property (or the payment of depreciation for such items in accordance with 2 CFR part 200, subpart E , insurance, utilities, office supplies, and rental and maintenance (but not purchase) of office space.)

(b) *Public information.* The provisions of information and other resources to residents and citizen organizations participating in the planning, implementation, or assessment of activities being assisted with ICDBG funds.

(c) *Indirect costs.* Indirect costs may be charged to the ICDBG program under a cost allocation plan prepared in accordance with 2 CFR part 200, subpart E.

(d) *Submission of applications for Federal programs.* Preparation of documents required for submission to HUD to receive funds under the ICDBG program. In addition, ICDBG funds may be used to prepare applications for other Federal programs where the grantee determines that such activities are necessary or appropriate to achieve its community development objectives.

§ 1003.207 Ineligible activities.

The general rule is that any activity that is not authorized under the provisions of §§1003.201 through 1003.206 is ineligible to be assisted with ICDBG funds. This section identifies specific activities that are ineligible and provides guidance in determining the eligibility of other activities frequently associated with housing and community development.

(a) The following activities may not be assisted with ICDBG funds:

(1) Buildings or portions thereof used for the general conduct of government as defined at §1003.4 cannot be assisted with ICDBG funds. This does not include, however, the removal of architectural barriers under §1003.201(c) involving any such building. Also, where acquisition of real property includes an existing improvement which is to be used in the provision of a building for the general conduct of government, the portion of the acquisition cost attributable to the land is eligible, provided such acquisition meets the primary objective described in §1003.208.

(2) *General government expenses.* Except as otherwise specifically authorized in this subpart or under 2 CFR part 200, subpart E, expenses required to carry out the regular responsibilities of the grantee are not eligible for assistance under this part.

(3) *Political activities.* ICDBG funds shall not be used to finance the use of facilities or equipment for political purposes or to engage in other partisan political activities, such as candidate forums, voter transportation, or voter registration. However, a facility originally assisted with ICDBG funds may be used on an incidental basis to hold political meetings, candidate forums, or voter registration campaigns, provided that all parties and organizations have access to the facility on an equal basis, and are assessed equal rent or use charges, if any.

(b) The following activities may not be assisted with ICDBG funds unless authorized under provisions of §1003.203 or as otherwise specifically noted herein, or when carried out by a CBDO under the provisions of §1003.204.

(1) *Purchase of equipment.* The purchase of equipment with ICDBG funds is generally ineligible.

§ 1003.208

24 CFR Ch. IX (4-1-25 Edition)

(i) *Construction equipment.* The purchase of construction equipment is ineligible, but compensation for the use of such equipment through leasing or depreciation pursuant to 2 CFR part 200, subpart E, for an otherwise eligible activity is an eligible use of ICDBG funds.

(ii) *Furnishings and personal property.* The purchase of equipment, fixtures, motor vehicles, furnishings, or other personal property not an integral structural fixture is generally ineligible. Exceptions to this general prohibition are set forth in §1003.201(o).

(2) *Operating and maintenance expenses.* The general rule is that any expense associated with repairing, operating or maintaining public facilities, improvements and services is ineligible. Specific exceptions to this general rule are operating and maintenance expenses associated with public service activities, interim assistance, and office space for program staff employed in carrying out the ICDBG program. For example, the use of ICDBG funds to pay the allocable costs of operating and maintaining a facility used in providing a public service would be eligible under §1003.201(e), even if no other costs of providing such a service are assisted with such funds. Examples of ineligible operating and maintenance expenses are:

(i) Maintenance and repair of streets, parks, playgrounds, water and sewer facilities, neighborhood facilities, senior centers, centers for persons with a disability, parking and similar public facilities; and

(ii) Payment of salaries for staff, utility costs and similar expenses necessary for the operation of public works and facilities.

(3) *New housing construction.* ICDBG funds may not be used for the construction of new permanent residential structures or for any program to subsidize or assist such new construction, except:

(i) As provided under the last resort housing provisions set forth in 24 CFR part 42; or

(ii) When carried out by a CBDO pursuant to §1003.204(a);

(4) *Income payments.* The general rule is that ICDBG funds may not be used for income payments. For purposes of

the ICDBG program, income payments means a series of subsistence-type grant payments made to an individual or family for items such as food, clothing, housing (rent or mortgage) or utilities, but excludes emergency payments made over a period of up to three months to the provider of such items or services on behalf of an individual or family.

[62 FR 12349, Mar. 12, 1998, as amended at 80 FR 75944, Dec. 7, 2015]

§ 1003.208 Criteria for compliance with the primary objective.

The Act establishes as its primary objective the development of viable communities by providing decent housing and a suitable living environment and expanding economic opportunities, principally for persons of low and moderate income. Consistent with this objective, not less than 70 percent of the expenditures of each single purpose grant shall be for activities which meet the criteria set forth in paragraphs (a), (b), (c) and (d) of this section. Activities meeting these criteria as applicable will be considered to benefit low and moderate income persons unless there is substantial evidence to the contrary. In assessing any such evidence, the full range of direct effects of the assisted activity will be considered. (The grantee shall appropriately ensure that activities that meet these criteria do not benefit moderate income persons to the exclusion of low income persons.)

(a) *Area benefit activities.* (1) An activity, the benefits of which are available to all the residents in a particular area, where at least 51 percent of the residents are low and moderate income persons. Such an area need not be coterminous with census tracts or other officially recognized boundaries but must be the entire area served by the activity. An activity that serves an area that is not primarily residential in character shall not qualify under this criterion.

(2) For purposes of determining qualification under this criterion, activities of the same type that serve different areas will be considered separately on the basis of their individual service area.

(3) In determining whether there is a sufficiently large percentage of low and moderate income persons residing in the area served by an activity to qualify under paragraph (a) (1) or (2) of this section, the most recently available decennial census information shall be used to the fullest extent feasible, together with the Section 8 income limits that would have applied at the time the income information was collected by the Census Bureau. Grantees that believe that the census data does not reflect current relative income levels in an area, or where census boundaries do not coincide sufficiently well with the service area of an activity, may conduct (or have conducted) a current survey of the residents of the area to determine the percent of such persons that are low and moderate income. HUD will accept information obtained through such surveys, to be used in lieu of the decennial census data, where it determines that the survey was conducted in such a manner that the results meet standards of statistical reliability that are comparable to that of the decennial census data for areas of similar size. Where there is substantial evidence that provides a clear basis to believe that the use of the decennial census data would substantially overstate the proportion of persons residing there that are low and moderate income, HUD may require that the grantee rebut such evidence in order to demonstrate compliance with section 105(c)(2) of the Act.

(b) *Limited clientele activities.* (1) An activity which benefits a limited clientele, at least 51 percent of whom are low or moderate income persons. (The following kinds of activities may not qualify under paragraph (b) of this section: Activities, the benefits of which are available to all the residents of an area; activities involving the acquisition, construction or rehabilitation of property for housing; or activities where the benefit to low and moderate income persons to be considered is the creation or retention of jobs except as provided in paragraph (b)(4) of this section.) To qualify under paragraph (b) of this section, the activity must meet one of the following tests:

(i) Benefit a clientele who are generally presumed to be principally low

and moderate income persons. Activities that exclusively serve a group of persons in any one of the following categories may be presumed to benefit persons, 51 percent of whom are low and moderate-income: abused children, battered spouses, elderly persons, adults meeting the Bureau of the Census' current Population Reports definition of "severely disabled", homeless persons, illiterate adults, persons living with AIDS, and migrant workers; or

(ii) Require information on family size and income so that it is evident that at least 51 percent of the clientele are persons whose family income does not exceed the low and moderate income limit; or

(iii) Have income eligibility requirements which limit the activity exclusively to low and moderate income persons; or

(iv) Be of such nature and be in such location that it may be concluded that the activity's clientele will primarily be low and moderate income persons.

(2) An activity that serves to remove material or architectural barriers to the mobility or accessibility of elderly persons or adults meeting the Bureau of the Census' Current Population Reports definition of "severely disabled" will be presumed to qualify under this criterion if it is restricted, to the extent practicable, to the removal of such barriers by assisting:

(i) The reconstruction of a public facility or improvement, or portion thereof, that does not qualify under §1003.208(a); or

(ii) The rehabilitation of a privately-owned nonresidential building or improvement that does not qualify under §1003.208 (a) or (d); or

(iii) The rehabilitation of the common areas of a residential structure that contains more than one dwelling unit.

(3) A microenterprise assistance activity carried out in accordance with the provisions of §1003.201(1) with respect to those owners of microenterprises and persons developing microenterprises assisted under the activity during the grant period who are low and moderate income persons. For purposes of this paragraph, persons determined to be low and moderate income

may be presumed to continue to qualify for up to a three year period.

(4) An activity designed to provide job training and placement and/or other employment support services, including but not limited to, peer support programs, counseling, child care, transportation, and other similar services, in which the percentage of low and moderate income persons assisted is less than 51 percent may qualify under this paragraph in the following limited circumstance:

(i) In such cases where such training or provision of supportive services assists business(es), the only use of ICDBG assistance for the project is to provide the job training and/or supportive services; and

(ii) The proportion of the total cost of the project borne by ICDBG funds is no greater than the proportion of the total number of persons assisted who are low or moderate income.

(c) *Housing activities.* An eligible activity carried out for the purpose of providing or improving permanent residential structures which, upon completion, will be occupied by low and moderate income households. This would include, but not necessarily be limited to, the acquisition or rehabilitation of property, conversion of non-residential structures, and new housing construction. Funds expended for activities which qualify under the provisions of this paragraph shall be counted as benefiting low and moderate income persons but shall be limited to an amount determined by multiplying the total cost (including ICDBG and non-ICDBG costs) of the acquisition, construction or rehabilitation by the percent of units in such housing to be occupied by low and moderate income persons. If the structure assisted contains two dwelling units, at least one must be occupied by low and moderate income households, and if the structure contains more than two dwelling units, at least 51 percent of the units must be so occupied. Where two or more rental buildings being assisted are or will be located on the same or contiguous properties, and the buildings will be under common ownership and management, the grouped buildings may be considered for this purpose as a single structure. For rental housing, occu-

pancy by low and moderate income households must be at affordable rents to qualify under this criterion. The grantee shall adopt and make public its standards for determining “affordable rents” for this purpose. The following shall also qualify under this criterion:

(1) When less than 51 percent of the units in a structure will be occupied by low and moderate income households, ICDBG assistance may be provided in the following limited circumstances:

(i) The assistance is for an eligible activity to reduce the development cost of the new construction of a multifamily, non-elderly rental housing project;

(ii) Not less than 20 percent of the units will be occupied by low and moderate income households at affordable rents; and

(iii) The proportion of the total cost of developing the project to be borne by ICDBG funds is no greater than the proportion of units in the project that will be occupied by low and moderate income households.

(2) When ICDBG funds are used for housing services eligible under §1003.201(j), such funds shall be considered to benefit low-and moderate-income persons if the housing for which the services are provided is to be occupied by low-and moderate-income households.

(d) *Job creation or retention activities.* An activity designed to create or retain permanent jobs where at least 51 percent of the jobs, computed on a full time equivalent basis, involve the employment of low and moderate persons. For purposes of determining whether a job is held by or made available to a low or moderate income person, the person may be presumed to be a low or moderate income person if: he/she resides within a census tract (or block numbering area) where not less than 70 percent of the residents have incomes at or below 80 percent of the area median; or, if he/she resides in a census tract (or block numbering area) which meets the Federal Empowerment Zone or Enterprise Community eligibility criteria; or, if the assisted business is located in and the job under consideration is to be located in such a tract or area. As a general rule, each assisted business shall be considered to be a

separate activity for purposes of determining whether the activity qualifies under this paragraph. However, in certain cases such as where ICDBG funds are used to acquire, develop or improve a real property (e.g., a business incubator or an industrial park) the requirement may be met by measuring jobs in the aggregate for all the businesses which locate on the property, provided such businesses are not otherwise assisted by ICDBG funds. Where ICDBG funds are used to pay for the staff and overhead costs of a CBDO under the provisions of §1003.204 making loans to businesses from non-ICDBG funds, this requirement may be met by aggregating the jobs created by all of the businesses receiving loans during any one year period. For an activity that creates jobs, the grantee must document that at least 51 percent of the jobs will be held by, or will be available to, low and moderate income persons. For an activity that retains jobs, the grantee must document that the jobs would actually be lost without the ICDBG assistance and that either or both of the following conditions apply with respect to at least 51 percent of the jobs at the time the ICDBG assistance is provided: The job is known to be held by a low or moderate income person; or the job can reasonably be expected to turn over within the following two years and that steps will be taken to ensure that it will be filled by, or made available to, a low or moderate income person upon turnover. Jobs will be considered to be available to low and moderate income persons for these purposes only if:

(1) Special skills that can only be acquired with substantial training or work experience or education beyond high school are not a prerequisite to fill such jobs, or the business agrees to hire unqualified persons and provide training; and

(2) The grantee and the assisted business take actions to ensure that low and moderate income persons receive first consideration for filling such jobs.

(e) *Additional criteria.* (1) Where the assisted activity is acquisition of real property, a preliminary determination of whether the activity addresses the primary objective may be based on the planned use of the property after acqui-

sition. A final determination shall be based on the actual use of the property, excluding any short-term, temporary use.

(2) Where the assisted activity is relocation assistance that the grantee is required to provide, such relocation assistance shall be considered to address the primary objective as addressed by the displacing activity.

(3) In any case where the activity undertaken for the purpose of creating or retaining jobs is a public improvement and the area served is primarily residential, the activity must meet the requirements of paragraph (a) of this section as well as those of paragraph (d) of this section in order to qualify as benefiting low and moderate income persons.

(4) Expenditures for activities meeting the criteria for benefiting low and moderate income persons shall be used in determining the extent to which the grantee's overall program benefits such persons. In determining the percentage of funds expended for such activities:

(i) Costs of administration and planning, eligible under §1003.205 and §1003.206 respectively, will be assumed to benefit low and moderate income persons in the same proportion as the remainder of the ICDBG funds and, accordingly, shall be excluded from the calculation.

(ii) Funds expended for the acquisition, new construction or rehabilitation of property for housing those qualified under §1003.208(c) shall be counted for this purpose, but shall be limited to an amount determined by multiplying the total cost (including ICDBG and non-ICDBG costs) of the acquisition, construction, or rehabilitation by the percent of units in such housing occupied by low and moderate income persons.

(iii) Funds expended for any other activity which qualifies under §1003.208 shall be counted for this purpose in their entirety.

§ 1003.209

24 CFR Ch. IX (4-1-25 Edition)

§ 1003.209 Prohibition on use of assistance for employment relocation activities.

(a) *Prohibition.* ICDBG funds may not be used to directly assist a business, including a business expansion, in the relocation of a plant, facility, or operation from one Identified Service Area to another Identified Service Area, if the relocation is likely to result in a significant loss of jobs in the Identified Service Area from which the relocation occurs.

(b) *Definitions.* The following definitions apply to this section:

(1) *Directly assist.* Directly assist means the provision of ICDBG funds for activities pursuant to:

(i) § 1003.203(b); or

(ii) §§ 1003.201(a)-(d), 1003.201(k), 1003.203(a), or § 1003.204 when the grantee, subrecipient, or, in the case of an activity carried out pursuant to § 1003.204, a Community Based Development Organization (CBDO) enters into an agreement with a business to undertake one or more of these activities as a condition of the business relocating a facility, plant, or operation to the grantee's Identified Service Area. Provision of public facilities and indirect assistance that will provide benefit to multiple businesses does not fall under the definition of "directly assist," unless it includes the provision of infrastructure to aid a specific business that is the subject of an agreement with the specific assisted business.

(2) *Area.* The relevant definition of "area" for a Native American economic development project is the "Identified Service Area" for the eligible applicant, as defined in § 1003.4.

(3) *Operation.* A business operation includes, but is not limited to, any equipment, employment opportunity, production capacity, or product line of the business.

(4) *Significant loss of jobs.* (i) A loss of jobs is significant if the number of jobs to be lost in the Identified Service Area in which the affected business is currently located is equal to or greater than one-tenth of one percent of the total number of persons in the labor force of that area; or, in all cases, a loss of 500 or more jobs. Notwithstanding the aforementioned, a loss of

25 jobs or fewer does not constitute a significant loss of jobs.

(ii) A job is considered to be lost due to the provision of ICDBG assistance if the job is relocated within 3 years of the provision of assistance to the business; or the time period within which jobs are to be created, as specified by the agreement between the business and the recipient, is longer than 3 years.

(c) *Written agreement.* Before directly assisting a business with ICDBG funds, the recipient, subrecipient, or a CBDO (in the case of an activity carried out pursuant to § 1003.204) shall sign a written agreement with the assisted business. The written agreement shall include:

(1) *Statement.* A statement from the assisted business as to whether the assisted activity will result in the relocation of any industrial or commercial plant, facility, or operation from one Identified Service Area to another, and, if so, the number of jobs that will be relocated from each Identified Service Area; and

(2) *Required certification.* If the assistance will not result in a relocation covered by this section, a certification from the assisted business that neither it, nor any of its subsidiaries, has plans to relocate jobs, at the time the agreement is signed, that would result in a significant job loss as defined in this rule.

(d) *Assistance not covered by this section.* This section does not apply to:

(1) *Relocation assistance.* Relocation assistance under § 1003.602(b), (c), or (d);

(2) *Microenterprises.* Assistance to microenterprises as defined by section 102(a)(22) of the Housing and Community Development Act of 1974; and

(3) *Arms-length transactions.* Assistance to a business that purchases business equipment, inventory, or other physical assets in an arms-length transaction, including the assets of an existing business, provided that the purchase does not result in the relocation of the sellers' business operation (including customer base or list, goodwill, product lines, or trade names) from one Identified Service Area to another Identified Service Area and does not produce a significant loss of jobs in

the Identified Service Area from which the relocation occurs.

Subpart D—Single Purpose Grant Application and Selection Process

§ 1003.300 Application requirements.

(a) *Application information.* A Notice of Funding Availability (NOFA) shall be published in the FEDERAL REGISTER not less than 30 days before the deadline for application submission. The NOFA will provide information relating to the date and time for application submission, the form and content requirements of the application, specific information regarding the rating and ranking criteria to be used, and any other information pertinent to the application process.

(b) *Costs incurred by applicant.* Costs incurred by an applicant prior to the submission of the single purpose grant application to HUD will not be recognized by HUD as eligible ICDBG expenses.

(c) HUD will not normally reimburse or recognize costs incurred before HUD approval of the application for funding. However, under unusual circumstances, the Area ONAP may consider and approve written requests to recognize and reimburse costs incurred after submission of the application where failure to do so would impose undue hardship on the applicant. Such written authorization will be made only before the costs are incurred and where the requirements for reimbursement have been met in accordance with 24 CFR 58.22 and with the understanding that HUD has no obligation whatsoever to approve the application or to reimburse the applicant should the application be disapproved.

(Approved by the Office of Management and Budget under control number 2577-0191)

§ 1003.301 Selection process.

(a) *Threshold requirement.* An applicant that has an outstanding ICDBG obligation to HUD that is in arrears, or one that has not agreed to a repayment schedule, will be disqualified from the competition.

(b) *Application rating.* NOFAs will define and establish weights for the selec-

tion criteria, will specify the maximum points available, and will describe how point awards will be made.

[66 FR 4581, Jan. 17, 2001; 66 FR 8176, Jan. 30, 2001]

§ 1003.302 Project specific threshold requirements.

(a) *Housing rehabilitation projects.* All applicants for housing rehabilitation projects shall adopt rehabilitation standards and rehabilitation policies before submitting an application. The applicant shall assure that it will use project funds to rehabilitate units only when the homeowner's payments are current or the homeowner is current in a repayment agreement that is subject to approval by the Area ONAP. The Area ONAP administrator may grant exceptions to this requirement on a case-by-case basis.

(b) *New housing construction projects.* New housing construction can only be implemented through a nonprofit organization that is eligible under § 1003.204 or is otherwise eligible under § 1003.207(b)(3). All applicants for new housing construction projects shall adopt, by current tribal resolution, construction standards before submitting an application. All applications which include new housing construction projects must document that:

(1) No other housing is available in the immediate reservation area that is suitable for the household(s) to be assisted; and

(2) No other sources can meet the needs of the household(s) to be assisted; and

(3) Rehabilitation of the unit occupied by the household(s) to be assisted is not economically feasible; or

(4) The household(s) to be housed currently is in an overcrowded housing unit (sharing with another household); or

(5) The household(s) to be assisted has no current residence.

(c) *Economic development projects.* All applicants for economic development projects must provide an analysis which shows public benefit commensurate with the ICDBG assistance requested will result from the assisted project. This analysis should also establish that to the extent practicable: reasonable financial support will be

§ 1003.303

committed from non-Federal sources prior to disbursement of Federal funds; any grant amount provided will not substantially reduce the amount of non-Federal financial support for the activity; not more than a reasonable rate of return on investment is provided to the owner; and, that grant funds used for the project will be disbursed on a pro rata basis with amounts from other sources. In addition, it must be established that the project is financially feasible and that it has a reasonable chance of success.

§ 1003.303 Project rating.

Each project included in an application that meets the threshold requirements shall be competitively rated within each Area ONAP's jurisdiction under the five following rating factors. Additional details regarding the rating factors will be provided in the periodic NOFAs.

(a) *Capacity.* This factor will address the applicant's organizational resources necessary to successfully implement the proposed activities in a timely manner.

(b) *Need/Extent of the problem.* This factor will address the extent to which there is a need for the proposed project to address a documented problem among the intended beneficiaries.

(c) *Soundness of Approach.* This factor will address the quality and cost effectiveness of the proposed project, the commitment to sustain the proposed activities, and the degree to which the proposed project provides other benefits to community members.

(d) *Leveraging of resources.* This factor will address the level of tribal resources and resources from other entities that are used in conjunction with ICDBG funds to support the proposed project. HUD will evaluate the level of non-ICDBG resources based on the percentage of non-ICDBG resources provided relative to project costs.

(e) *Comprehensiveness and coordination.* This factor will address the extent to which the applicant's proposed activities are consistent with the strategic plans or policy goals of the community and further on-going priorities and activities of the community.

24 CFR Ch. IX (4-1-25 Edition)

§ 1003.304 Funding process.

(a) *Notification.* Area ONAPs will notify applicants of the approval or disapproval of their applications. Grant amounts offered may reflect adjustments made by the Area ONAPs in accordance with §1003.100(b)(2).

(b) *Grant award.* (1) As soon as the Area ONAP determines that the applicant has complied with any pre-award requirements and absent information which would alter the threshold determinations under §1003.302, the grant will be awarded. The regulations become part of the grant agreement.

(2) All grants shall be conditioned upon the completion of all environmental obligations and approval of release of funds by HUD in accordance with the requirements of part 58 of this title and, in particular, subpart J of part 58 of this title, except as otherwise provided in part 58 of this title.

(3) HUD may impose other grant conditions where additional actions or approvals are required before the use of funds.

(Approved by the Office of Management and Budget under OMB Control No. 2577-0191)

§ 1003.305 Program amendments.

(a) Grantees shall request prior HUD approval for program amendments which will significantly change the scope, location, objective, or class of beneficiaries of the approved activities, as originally described in the application.

(b) Amendment requests of \$100,000 or more shall include all application components required by the NOFA published for the last application cycle; those requests of less than \$100,000 do not have to include the components which address the selection criteria.

(c) Approval of an amendment request is subject to the following:

(1) A rating equal to or greater than the lowest rating received by a funded project during the most recent funding competition must be attained by the amended project if the request is for \$100,000 or more;

(2) Demonstration by the grantee of the capacity to promptly complete the modified or new activities;

(3) Demonstration by the grantee of compliance with the requirements of §1003.604 for citizen participation; and

(4) The preparation of an amended or new environmental review in accordance with part 58 of this title, if there is a significant change in the scope or location of approved activities.

(d) Amendments which address imminent threats to health and safety shall be reviewed and approved in accordance with the requirements of subpart E of this part.

(e) If a program amendment fails to be approved and the original project is no longer feasible, the grant funds proposed for amendment shall be recaptured by HUD.

Subpart E—Imminent Threat Grants

§ 1003.400 Criteria for funding.

The following criteria apply to requests for assistance under this subpart:

(a) In response to requests for assistance, HUD may make funds available under this subpart to applicants to alleviate or remove imminent threats to health or safety. The urgency and immediacy of the threat shall be independently verified before the approval of an application. Funds may only be used to deal with imminent threats that are not of a recurring nature and which represent a unique and unusual circumstance, and which impact on an entire service area.

(b) Funds to alleviate imminent threats may be granted only if the applicant can demonstrate to the satisfaction of HUD that other tribal or Federal funding sources cannot be made available to alleviate the threat.

(c) HUD will establish grant ceilings for imminent threat applications.

§ 1003.401 Application process.

(a) *Letter to proceed.* The Area ONAP may issue the applicant a letter to proceed to incur costs to alleviate imminent threats to health and safety only if the assisted activities do not alter environmental conditions and are for temporary or permanent improvements limited to protection, repair, or restoration actions necessary only to control or arrest the effects of imminent

threats or physical deterioration. Reimbursement of such costs is dependent upon HUD approval of the application.

(b) *Applications.* Applications shall include the information specified in the Notice of Funding Availability (NOFA).

(c) *Application approval.* Applications which meet the requirement of this section may be approved by the Area ONAP without competition in accordance with the applicable requirements of §1003.304.

(Approved by the Office of Management and Budget under control number 2577-0191)

§ 1003.402 Availability of funds.

Of the funds made available by the NOFA for the ICDBG program, an amount to be determined by the Assistant Secretary may be reserved by HUD for grants under this subpart. The amount of funds reserved for imminent threat funding during each funding cycle will be stated in the NOFA. If any of the reserved funds are not used to fund imminent threat grants during a fiscal year, they will be added to the allocation of ICDBG funds for the subsequent fiscal year and will be used as if they were a part of the new allocation.

Subpart F—Grant Administration

§ 1003.500 Responsibility for grant administration.

(a) One or more tribal departments or authorities, including existing tribal public agencies, may be designated by the chief executive officer of the grantee to undertake activities assisted by this part. A public agency so designated shall be subject to the same requirements as are applicable to subrecipients.

(b) The grantee is responsible for ensuring that ICDBG funds are used in accordance with all program requirements. The use of designated public agencies, subrecipients, or contractors does not relieve the grantee of this responsibility. The grantee is also responsible for determining the adequacy of performance under subrecipient agreements and procurement contracts, and for taking appropriate action when performance problems arise, such as the actions described in §1003.701.

§ 1003.501

24 CFR Ch. IX (4–1–25 Edition)

§ 1003.501 Applicability of uniform administrative requirements and cost principles.

(a) Grantees and subrecipients shall comply with the requirements and standards of 2 CFR part 200, except for the following sections:

(1) Paragraph (a) of § 200.302, “Financial management.”

(2) Section 200.306, “Cost sharing or matching.”

(3) Section 200.307, “Program income” applies as modified by § 1003.503.

(4) Section 200.308, “Revisions of budget and program plans.”

(5) Section 200.311, “Real property,” except as provided in § 1003.600.

(6) Section 200.313, “Equipment” applies, except that in all cases in which the equipment is sold, the proceeds shall be program income.

(7) Section 200.314, “Supplies,” applies, except in all cases in which the supplies are sold, the proceeds shall be program income.

(8) Section 200.325, “Bonding requirements” applies. However, there may be circumstances under which the bonding requirements of 2 CFR 200.325 are inconsistent with other responsibilities and obligations of the grantee. In such circumstances, acceptable methods to provide performance and payment assurance may include:

(i) Deposit with the grantee of a cash escrow of not less than 20 percent of the total contract price, subject to reduction during the warranty period, commensurate with potential risk; or

(ii) Letter of credit for 25 percent of the total contract price, unconditionally payable upon demand of the grantee, subject to reduction during the warranty period commensurate with potential risk.

(9) Paragraphs (b) through (d) and (f) of § 200.328, “Monitoring and reporting program performance.”

(10) Section 200.333, “Retention requirements for records” applies. However, the retention period referenced in 2 CFR 200.333 pertaining to individual ICDBG activities starts from the date of the submission of the final status and evaluation report as prescribed in § 1003.506(a) in which the specific activity is reported.

(11) Section 200.343, “Closeout.”

(b) *Cost principles.* (1) All items of cost listed in 2 CFR part 200, subpart E, which require prior Federal agency approval are allowable without the prior approval of HUD to the extent that they comply with the general policies and principles stated in 2 CFR part 200, subpart E, and are otherwise eligible under subpart C of this part, except for the following:

(i) Depreciation methods for fixed assets shall not be changed without the approval of the Federal cognizant agency.

(ii) Fines, penalties, damages, and other settlements are unallowable costs to the ICDBG program.

(iii) Costs of housing (*e.g.*, depreciation, maintenance, utilities, furnishings, rent), housing allowances and personal living expenses (goods or services for personal use), regardless of whether reported as taxable income to the employees (2 CFR 200.445), require HUD prior approval.

(iv) Organization costs (2 CFR 200.455) require HUD prior approval.

(2) No person providing consultant services in an employer-employee type of relationship shall receive more than a reasonable rate of compensation for personal services paid with ICDBG funds. In no event, however, shall such compensation exceed the equivalent of the daily rate paid for Level IV of the Executive Schedule.

§ 1003.502 Agreements with subrecipients.

(a) Before disbursing any ICDBG funds to a subrecipient, the grantee shall sign a written agreement with the subrecipient. The agreement shall remain in effect during any period that the subrecipient has control over ICDBG funds, including program income.

(b) At a minimum, the written agreement with the subrecipient shall include provisions concerning the following items:

(1) *Statement of work.* The agreement shall include a description of the work to be performed, a schedule for completing the work, and a budget. These

items shall be in sufficient detail to provide a sound basis for the grantee effectively to monitor performance under the agreement.

(2) *Records and reports.* The grantee shall specify in the agreement the particular records the subrecipient must maintain and the particular reports the subrecipient must submit in order to assist the grantee in meeting its recordkeeping and reporting requirements.

(3) *Program income.* The agreement shall include the program income requirements set forth in §2 CFR 200.307 as modified by §1003.503.

(4) *Uniform administrative requirements.* The agreement shall require the subrecipient to comply with applicable administrative requirements, as described in §1003.501.

(5) *Other program requirements.* The agreement shall require the subrecipient to carry out each activity in compliance with all Federal laws and regulations described in subpart G of this part, except that the subrecipient does not assume the grantee's environmental responsibilities described at §1003.605.

(6) *Conditions for religious organizations.* Where applicable, the conditions prescribed by HUD for the use of ICDBG funds by religious organizations shall be included in the agreement.

(7) *Suspension and termination.* The agreement shall set forth remedies for noncompliance and provisions on termination in accordance with 2 CFR part 200, subpart D.

(8) *Reversion of assets.* The agreement shall specify that upon its expiration the subrecipient shall transfer to the grantee any ICDBG funds on hand at the time of expiration and any accounts receivable attributable to the use of ICDBG funds. It shall also include provisions designed to ensure that any real property under the subrecipient's control that was acquired or improved in whole or in part with ICDBG funds (including ICDBG funds provided to the subrecipient in the form of a loan) in excess of \$25,000 is either:

(i) Used to meet the primary objective as stated in §1003.208 until five years after expiration of the agreement, or for such longer period of time

as determined to be appropriate by the grantee; or

(ii) Not used in accordance with paragraph (b)(8)(i) of this section, in which event the subrecipient shall pay to the grantee an amount equal to the current market value of the property less any portion of the value attributable to expenditures of non-ICDBG funds for the acquisition of, or improvement to, the property. The payment is program income to the grantee if it is received during the grant period. (No payment is required after the period of time specified in paragraph (b)(8)(i) of this section.)

[62 FR 12349, Mar. 12, 1998, as amended at 80 FR 75945, Dec. 7, 2015]

§ 1003.503 Program income.

(a) Program income requirements for ICDBG grantees are set forth in 2 CFR 200.307, as modified by this section.

(b) *Program income* means gross income received by the grantee or a subrecipient directly generated from the use of ICDBG funds during the grant period, except as provided in paragraph (b)(4) of this section. When program income is generated by an activity that is only partially assisted with ICDBG funds, the income shall be prorated to reflect the percentage of ICDBG funds used.

(1) Program income includes, but is not limited to, the following:

(i) Proceeds from the disposition by sale or long-term lease of real property purchased or improved with ICDBG funds;

(ii) Proceeds from the disposition of equipment purchased with ICDBG funds;

(iii) Gross income from the use or rental of real or personal property acquired by the grantee or by a subrecipient with ICDBG funds, less costs incidental to generation of the income;

(iv) Gross income from the use or rental of real property, owned by the grantee or by a subrecipient, that was constructed or improved with ICDBG funds, less costs incidental to generation of the income;

(v) Payments of principal and interest on loans made using ICDBG funds,

§ 1003.504

24 CFR Ch. IX (4-1-25 Edition)

except as provided in paragraph (b)(3) of this section;

(vi) Proceeds from the sale of loans made with ICDBG funds except as provided in paragraph (b)(4) of this section;

(vii) Proceeds from sale of obligations secured by loans made with ICDBG funds;

(viii) Interest earned on funds held in a revolving fund account;

(ix) Interest earned on program income pending its disposition; and

(x) Funds collected through special assessments made against properties owned and occupied by households not of low and moderate income, where the assessments are used to recover all or part of the ICDBG portion of a public improvement.

(2) Program income does not include income earned on grant advances from the U.S. Treasury. The following items of income earned on grant advances must be remitted to HUD for transmittal to the U.S. Treasury and will not be reallocated:

(i) Interest earned from the investment of the initial proceeds of a grant advance by the U.S. Treasury;

(ii) Income (e.g., interest) earned on loans or other forms of assistance provided with ICDBG funds that are used for activities determined by HUD either to be ineligible or that fail substantially to meet any other requirement of this part.

(3) The calculation of the amount of program income for the grantee's ICDBG program as a whole (i.e., comprising activities carried out by a grantee and its subrecipients) shall exclude payments made by subrecipients of principal and/or interest on loans received from grantees where such payments are made from program income received by the subrecipient. (By making such payments, the subrecipient shall be deemed to have transferred program income to the grantee.) The amount of program income derived from this calculation shall be used for reporting purposes and in determining limitations on planning and administration and public services activities to be paid for with ICDBG funds.

(4) Program income does not include any income received in a single year by the grantee and all its subrecipients if

the total amount of such income does not exceed \$25,000.

(5) Examples of other receipts that are not considered program income are proceeds from fundraising activities carried out by subrecipients receiving ICDBG assistance; funds collected through special assessments used to recover the non-ICDBG portion of a public improvement; and proceeds from the disposition of real property acquired or improved with ICDBG funds when the disposition occurs after the applicable time period specified in §1003.502(b)(8) for subrecipient-controlled property, or in §1003.504 for grantee-controlled property.

(6) For purposes of determining the applicability of the program income requirements included in this part and in 2 CFR 200.307, the grant period is the time between the effective date of the grant agreement and the close-out of the grant pursuant to the requirements of §1003.508.

(7) As provided for in 2 CFR 200.307(e)(2), program income received will be added to the funds committed to the grant agreement and shall be used for purposes and under the conditions of the grant agreement.

(8) Recording program income. The receipt and expenditure of program income as defined in §1003.503(b) shall be recorded as part of the financial transactions of the grant program.

§ 1003.504 Use of real property.

The standards described in this section apply to real property within the grantee's control which was acquired or improved in whole or in part using ICDBG funds in excess of \$25,000. These standards shall apply from the date ICDBG funds are first spent for the property until five years after the closeout of the grant from which the assistance to the property was provided.

(a) A grantee may not change the use or planned use of any such property (including the beneficiaries of such use) from that for which the acquisition or improvement was made unless the grantee provides affected citizens

with reasonable notice of, and opportunity to comment on, any proposed change, and either:

(1) The new use of such property qualifies as meeting the primary objective set forth in §1003.208 and is not a building for the general conduct of government; or

(2) The requirements in paragraph (b) of this section are met.

(b) If the grantee determines, after consultation with affected citizens, that it is appropriate to change the use of the property to a use which does not qualify under paragraph (a)(1) of this section, it may retain or dispose of the property for the changed use if the grantee's ICDBG program is reimbursed in the amount of the current fair market value of the property, less any portion of the value attributable to expenditures of non-ICDBG funds for acquisition of, and improvements to, the property.

(c) If the change of use occurs after program closeout, the proceeds from the disposition of the real property shall be used for activities which meet the eligibility requirements set forth in subpart C of this part and the primary objective set forth in §1003.208.

(d) Following the reimbursement of the ICDBG program in accordance with paragraph (b) of this section, the property no longer will be subject to any ICDBG requirements.

§ 1003.505 Records to be maintained.

Each grantee shall establish and maintain sufficient records to enable the Secretary to determine whether the grantee has met the requirements of this part. This includes establishing and maintaining records demonstrating that the recipient has made the determinations required as a condition of eligibility of certain activities, including as prescribed in §1003.209.

[74 FR 1869, Jan. 13, 2009]

§ 1003.506 Reports.

(a) *Status and evaluation report.* Grantees shall submit a status and evaluation report on previously funded open grants 45 days after the end of the Federal fiscal year and at the time of grant close-out. The report shall be in a narrative form addressing these areas.

(1) *Progress.* The progress made in completing approved activities should be described. This description should include a listing of work remaining together with a revised implementation schedule, if necessary.

(2) *Expenditure of funds.* A breakdown of funds spent on each major project activity or category should be provided.

(3) *Program performance.* Data on program outputs and outcomes, in a form prescribed by HUD.

(4) *Grantee assessment.* If the project has been completed, an evaluation of the effectiveness of the project in meeting the community development needs of the grantee should be provided.

(b) *Minority business enterprise reports.* Grantees shall submit to HUD, by October 10, a report on contract and sub-contract activity during the fiscal year.

§ 1003.507 Public access to program records.

§ 1003.508 Grant closeout procedures.

(a) *Criteria for closeout.* A grant will be closed out when the Area ONAP determines, in consultation with the grantee, that the following criteria have been met:

(1) All costs to be paid with ICDBG funds have been incurred, with the exception of closeout costs (e.g., audit costs) and costs resulting from contingent liabilities described in the closeout agreement pursuant to paragraph (c) of this section. Contingent liabilities include, but are not limited to, third-party claims against the grantee, as well as related administrative costs.

§ 1003.508

24 CFR Ch. IX (4-1-25 Edition)

(2) With respect to activities which are financed by means of escrow accounts, loan guarantees, or similar mechanisms, the work to be assisted with ICDBG funds has actually been completed.

(3) Other responsibilities of the grantee under the grant agreement and applicable laws and regulations appear to have been carried out satisfactorily or there is no further Federal interest in keeping the grant agreement open for the purpose of securing performance.

(b) *Closeout actions.* (1) Within 90 days of the date it is determined that the criteria for closeout have been met, the grantee shall submit to the Area ONAP a copy of the final status and evaluation report described in §1003.506(a) and a completed Financial Status Report (SF-269). If acceptable reports are not submitted, an audit of the grantee's program activities may be conducted by HUD.

(2) Based on the information provided in the status report and other relevant information, the grantee, in consultation with the Area ONAP, will prepare a closeout agreement in accordance with paragraph (c) of this section.

(3) The Area ONAP will cancel any unused portion of the awarded grant, as shown in the signed grant closeout agreement. Any unused grant funds disbursed from the U.S. Treasury which are in the possession of the grantee shall be refunded to HUD.

(4) Any costs paid with ICDBG funds which were not audited previously shall be subject to coverage in the grantee's next single audit performed in accordance with 2 CFR part 200, subpart F. The grantee may be required to repay HUD any disallowed costs based on the results of the audit, or on additional HUD reviews provided for in the closeout agreement.

(c) *Closeout agreement.* Any obligations remaining as of the date of the closeout shall be covered by the terms of a closeout agreement. The agreement shall be prepared by the grantee in consultation with the Area ONAP. The agreement shall identify the grant being closed out, and include provisions with respect to the following:

(1) Identification of any closeout costs or contingent liabilities subject

to payment with ICDBG funds after the closeout agreement is signed;

(2) Identification of any unused grant funds to be canceled by HUD;

(3) Identification of any program income on deposit in financial institutions at the time the closeout agreement is signed;

(4) Description of the grantee's responsibility after closeout for:

(i) Compliance with all program requirements, certifications and assurances in using program income on deposit at the time the closeout agreement is signed and in using any other remaining ICDBG funds available for closeout costs and contingent liabilities;

(ii) Use of real property assisted with ICDBG funds in accordance with the principles described in §1003.504; and

(iii) Ensuring that flood insurance coverage for affected property owners is maintained for the mandatory period;

(5) Other provisions appropriate to any special circumstances of the grant closeout, in modification of or in addition to the obligations in paragraphs (c) (1) through (4) of this section. The agreement shall authorize monitoring by HUD, and shall provide that findings of noncompliance may be taken into account by HUD as unsatisfactory performance of the grantee in the consideration of any future grant award under this part.

(d) *Termination of grant for convenience.* Grant assistance provided under this part may be terminated for convenience in whole or in part before the completion of the assisted activities, in accordance with the provisions of 2 CFR 200.339. The grantee shall not incur new obligations for the terminated portions after the effective date, and shall cancel as many outstanding obligations as possible. HUD shall allow full credit to the grantee for those portions of obligations which could not be canceled and which had been properly incurred by the grantee in carrying out the activities before the termination. The closeout policies contained in this section shall apply in such cases, except where the approved grant is terminated in its entirety. Responsibility for the environmental review to be performed under 24 CFR part

50 or 24 CFR part 58, as applicable, shall be determined as part of the closeout process.

(e) *Termination for cause.* In cases in which HUD terminates the grantee's grant under the authority of subpart H of this part, or under the terms of the grant agreement, the closeout policies contained in this section shall apply, except where the approved grant is canceled in its entirety. The provisions in 2 CFR 200.342 on the effects of termination shall also apply. HUD shall determine whether an environmental review is required, and if so, HUD shall perform it in accordance with 24 CFR part 50.

§ 1003.509 Force account construction.

(a) The use of tribal work forces for construction or renovation activities performed as part of the activities funded under this part shall be approved by the Area ONAP before the start of project implementation. In reviewing requests for an approval of force account construction or renovation, the area ONAP may require that the grantee provide the following:

(1) Documentation to indicate that it has carried out or can carry out successfully a project of the size and scope of the proposal;

(2) Documentation to indicate that it has obtained or can obtain adequate supervision for the workers to be used;

(3) Information showing that the workers to be used are, or will be, listed on the tribal payroll and are employed directly by a unit, department or other governmental instrumentality of the tribe or village.

(b) Any and all excess funds derived from the force account construction or renovation activities shall accrue to the grantee and shall be reprogrammed for other activities eligible under this part in accordance with § 1003.305 or returned to HUD promptly.

(c) Insurance coverage for force account workers and activities shall, where applicable, include worker's compensation, public liability, property damage, builder's risk, and vehicular liability.

(d) The grantee shall specify and apply reasonable labor performance,

construction, or renovation standards to work performed under the force account.

(e) The contracting and procurement standards set forth in 2 CFR part 200, subpart D, apply to material, equipment, and supply procurement from outside vendors under this section.

[62 FR 12349, Mar. 12, 1998, as amended at 80 FR 75945, Dec. 7, 2015]

§ 1003.510 Indian preference requirements.

(a) *Applicability.* HUD has determined that grants under this part are subject to Section 7(b) of the Indian Self-Determination and Education Assistance Act (25 U.S.C. 450b). Section 7(b) provides that any contract, subcontract, grant or subgrant pursuant to an act authorizing grants to Indian organizations or for the benefit of Indians shall require that, to the greatest extent feasible:

(1) Preference and opportunities for training and employment shall be given to Indians; and

(2) Preference in the award of contracts and subcontracts shall be given to Indian organizations and Indian-owned economic enterprises as defined in section 3 of the Indian Financing Act of 1974 (25 U.S.C. 1452).

(b) *Definitions.* (1) The Indian Self-Determination and Education Assistance Act [25 U.S.C. 450b] defines "Indian" to mean a person who is a member of an Indian tribe and defines "Indian tribe" to mean any Indian tribe, band, nation, or other organized group or community including any Alaska native village or regional or village corporation as defined or established pursuant to the Alaska Native Claims Settlement Act, which is recognized as eligible for the special programs and services provided by the United States to Indians because of their status as Indians.

(2) In section 3 of the Indian Financing Act of 1974 (25 U.S.C. 1452) *economic enterprise* is defined as any Indian-owned commercial, industrial, or business activity established or organized for the purpose of profit, except that Indian ownership must constitute not less than 51 percent of the enterprise. This act defines *Indian organization* to

mean the governing body of any Indian tribe or entity established or recognized by such governing body.

(c) *Preference in administration of grant.* To the greatest extent feasible, preference and opportunities for training and employment in connection with the administration of grants awarded under this part shall be given to Indians.

(d) *Preference in contracting.* To the greatest extent feasible, grantees shall give preference in the award of contracts for projects funded under this part to Indian organizations and Indian-owned economic enterprises.

(1) Each grantee shall:

(i) Advertise for bids or proposals limited to qualified Indian organizations and Indian-owned enterprises; or

(ii) Use a two-stage preference procedure, as follows:

(A) *Stage 1.* Invite or otherwise solicit Indian-owned economic enterprises to submit a statement of intent to respond to a bid announcement or request for proposals limited to Indian-owned firms.

(B) *Stage 2.* If responses are received from more than one Indian enterprise found to be qualified, advertise for bids or proposals limited to Indian organizations and Indian-owned economic enterprises; or

(iii) Develop, subject to Area ONAP one-time approval, the grantee's own method of providing preference.

(2) If the grantee selects a method of providing preference that results in fewer than two responsible qualified organizations or enterprises submitting a statement of intent, a bid or a proposal to perform the contract at a reasonable cost, then the grantee shall:

(i) Re-advertise the contract, using any of the methods described in paragraph (d)(1) of this section; or

(ii) Re-advertise the contract without limiting the advertisement for bids or proposals to Indian organizations and Indian-owned economic enterprises; or

(iii) If one approvable bid or proposal is received, request Area ONAP review and approval of the proposed contract and related procurement documents, in accordance with 2 CFR 200.320, in order to award the contract to the single bidder or offeror.

(3) Procurements that are within the dollar limitations established for small purchases under 2 CFR 200.320 need not follow the formal bid or proposal procedures of paragraph (d) of this section, since these procurements are governed by the small purchase procedures of 2 CFR 200.320. However, a grantee's small purchase procurement shall, to the greatest extent feasible, provide Indian preference in the award of contracts.

(4) All preferences shall be publicly announced in the advertisement and bidding or proposal solicitation documents and the bidding and proposal documents.

(5) A grantee, at its discretion, may require information of prospective contractors seeking to qualify as Indian organizations or Indian-owned economic enterprises. Grantees may require prospective contractors to include the following information prior to submitting a bid or proposal, or at the time of submission:

(i) Evidence showing fully the extent of Indian ownership and interest;

(ii) Evidence of structure, management and financing affecting the Indian character of the enterprise, including major subcontracts and purchase agreements; materials or equipment supply arrangements; and management salary or profit-sharing arrangements; and evidence showing the effect of these on the extent of Indian ownership and interest; and

(iii) Evidence sufficient to demonstrate to the satisfaction of the grantee that the prospective contractor has the technical, administrative, and financial capability to perform contract work of the size and type involved.

(6) The grantee shall incorporate the following clause (referred to as the Section 7(b) clause) in each contract awarded in connection with a project funded under this part:

(i) The work to be performed under this contract is on a project subject to Section 7(b) of the Indian Self-Determination and Education Assistance Act (25 U.S.C. 450b) (Indian Act). Section 7(b) requires that to the greatest extent feasible:

(A) Preferences and opportunities for training and employment shall be given to Indians; and

(B) Preferences in the award of contracts and subcontracts shall be given to Indian organizations and Indian-owned economic enterprises.

(ii) The parties to this contract shall comply with the provisions of Section 7(b) of the Indian Act.

(iii) In connection with this contract, the contractor shall, to the greatest extent feasible, give preference in the award of any subcontracts to Indian organizations and Indian-owned economic enterprises, and preferences and opportunities for training and employment to Indians.

(iv) The contractor shall include this Section 7(b) clause in every subcontract in connection with the project, and shall, at the direction of the grantee, take appropriate action pursuant to the subcontract upon a finding by the grantee or HUD that the subcontractor has violated the Section 7(b) clause of the Indian Act.

(e) *Complaint procedures.* The following complaint procedures are applicable to complaints arising out of any of the methods of providing for Indian preference contained in this part, including alternate methods enacted and approved in a manner described in this section:

(1) Each complaint shall be in writing, signed, and filed with the grantee.

(2) A complaint must be filed with the grantee no later than 20 calendar days from the date of the action (or omission) upon which the complaint is based.

(3) Upon receipt of a complaint, the grantee shall promptly stamp the date and time of receipt upon the complaint, and immediately acknowledge its receipt.

(4) Within 20 calendar days of receipt of a complaint, the grantee shall either meet, or communicate by mail or telephone, with the complainant in an effort to resolve the matter. The grantee shall make a determination on a complaint and notify the complainant, in writing, within 30 calendar days of the submittal of the complaint to the grantee. The decision of the grantee

shall constitute final administrative action on the complaint.

§ 1003.511 Use of escrow accounts for rehabilitation of privately owned residential property.

(a) *Limitations.* A grantee may withdraw funds from its line of credit for immediate deposit into an escrow account for use in funding loans and grants for the rehabilitation of privately owned residential property under §1003.202(a)(1). The following additional limitations apply to the use of escrow accounts for residential rehabilitation loans and grants closed after September 7, 1990:

(1) The use of escrow accounts under this section is limited to loans and grants for the rehabilitation of primarily residential properties containing no more than four dwelling units (and accessory neighborhood-scale non-residential space within the same structure, if any, e.g., a store front below a dwelling unit).

(2) An escrow account shall not be used unless the contract between the property owner and the contractor selected to do the rehabilitation work specifically provides that payment to the contractor shall be made through an escrow account maintained by the grantee, by a subrecipient as defined in §1003.4, by a public agency designated under §1003.500(a), or by an agent under a procurement contract governed by the requirements of 2 CFR part 200, subpart D. No deposit to the escrow account shall be made until after the contract has been executed between the property owner and the rehabilitation contractor.

(3) All funds withdrawn under this section shall be deposited into one interest earning account with a financial institution. Separate bank accounts shall not be established for individual loans and grants.

(4) The amount of funds deposited into an escrow account shall be limited to the amount expected to be disbursed within 10 working days from the date of deposit. If the escrow account, for whatever reason, at any time contains

§ 1003.600

funds exceeding 10 days cash needs, the grantee immediately shall transfer the excess funds to its program account. In the program account, the excess funds shall be treated as funds erroneously drawn in accordance with the requirements of U.S. Treasury Financial Manual, paragraph 6-2075.30.

(5) Funds deposited into an escrow account shall be used only to pay the actual costs of rehabilitation incurred by the owner under the contract with a private contractor. Other eligible costs related to the rehabilitation loan or grant, e.g., the grantee's administrative costs under § 1003.206 or rehabilitation services costs under § 1003.202(b)(9), are not permissible uses of escrowed funds. Such other eligible rehabilitation costs shall be paid under normal ICDBG payment procedures (e.g., from withdrawals of grant funds under the grantee's line of credit with the Treasury).

(b) *Interest.* Interest earned on escrow accounts established in accordance with this section, less any service charges for the account, shall be remitted to HUD at least quarterly but not more frequently than monthly. Interest earned on escrow accounts is not required to be remitted to HUD to the extent the interest is attributable to the investment of program income.

(c) *Remedies for noncompliance.* If HUD determines that a grantee has failed to use an escrow account in accordance with this section, HUD may, in addition to imposing any other sanctions provided for under this part, require the grantee to discontinue the use of escrow accounts, in whole or in part.

Subpart G—Other Program Requirements

§ 1003.600 Equal participation of faith-based organizations.

The HUD program requirements in § 5.109 of this title apply to the ICDBG program, including the requirements regarding disposition and change in use of real property by a faith-based organization.

24 CFR Ch. IX (4-1-25 Edition)

§ 1003.601 Nondiscrimination.

(a) Under the authority of section 107(e)(2) of the Act, the Secretary waives the requirement that grantees comply with section 109 of the Act except with respect to the prohibition of discrimination based on age, sex, religion, or against an otherwise qualified disabled individual.

(b) A grantee shall comply with the provisions of title II of Pub. L. 90-284 (24 U.S.C. 1301—the Indian Civil Rights Act) in the administration of a program or activity funded in whole or in part with funds made available under this part. For purposes of this section, “program or activity” is defined as any function conducted by an identifiable administrative unit of the grantee; and “funded in whole or in part with funds made available under this part” means that ICDBG funds in any amount have been transferred by the grantee to an identifiable administrative unit and disbursed in a program or activity.

(c) A grantee shall comply with the equal access to HUD-assisted or -insured housing requirements in 24 CFR 5.105(a)(2).

[61 FR 40090, July 31, 1996, as amended at 81 FR 80993, Nov. 17, 2016]

§ 1003.602 Relocation and real property acquisition.

(a) *Minimize displacement.* Consistent with the other goals and objectives of this part, grantees shall assure that they have taken all reasonable steps to minimize the displacement of persons (households, businesses, nonprofit organizations, and farms) as a result of a project assisted under this part.

(b) *Temporary relocation.* The following policies cover residential tenants who will not be required to move permanently but who must relocate temporarily for the project. Such tenants must be provided:

(1) Reimbursement for all reasonable out-of-pocket expenses incurred in connection with the temporary relocation, including the cost of moving to and from the temporarily occupied housing and any increase in monthly housing costs (e.g., rent/utility costs).

(2) Appropriate advisory services, including reasonable advance written notice of:

(i) The date and approximate duration of the temporary relocation;

(ii) The location of the suitable, decent, safe and sanitary dwelling to be made available for the temporary period;

(iii) The terms and conditions under which the tenant may occupy a suitable, decent, safe, and sanitary dwelling in the building/complex following completion of the repairs; and

(iv) The provisions of paragraph (b)(1) of this section.

(c) *Relocation assistance for displaced persons.* A displaced person (defined in paragraph (g) of this section) must be provided relocation assistance at the levels described in, and in accordance with the requirements of, the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, as amended (URA)(42 U.S.C. 4601-4655) and implementing regulations at 49 CFR part 24.

(d) *Optional relocation assistance.* Under section 105(a)(11) of the Act, the grantee may provide relocation payments and other relocation assistance to persons displaced by a project that is not subject to paragraph (c) of this section. The grantee may also provide relocation assistance to persons receiving assistance under paragraph (c) of this section at levels in excess of those required. For assistance that is not required by State or tribal law, the grantee shall adopt a written policy available to the public that describes the relocation assistance that it has elected to furnish and provides for equal relocation assistance within each class of displaced persons.

(e) *Real Property acquisition requirements.* The acquisition of real property for an assisted activity is subject to 49 CFR part 24, subpart B. Whenever the grantee does not have the authority to acquire the real property through condemnation, it shall:

(1) Before discussing the purchase price, inform the owner:

(i) Of the amount it believes to be the fair market value of the property. Such amount shall be based upon one or more appraisals prepared by a qualified appraiser. However, this provision does not prevent the grantee from accepting a donation or purchasing the real property at less than its fair market value.

(ii) That it will be unable to acquire the property if negotiations fail to result in an amicable agreement.

(2) Request HUD approval of the proposed acquisition price before executing a firm commitment to purchase the property. The grantee shall include with its request a copy of the appraisal(s) and, when applicable, a justification for any proposed acquisition payment that exceeds the fair market value of the property. HUD will promptly review the proposal and inform the grantee of its approval or disapproval.

(f) *Appeals.* A person who disagrees with the grantee's determination concerning whether the person qualifies as a "displaced person," or the amount of relocation assistance for which the person is eligible, may file a written appeal of that determination with the grantee. A person who is dissatisfied with the grantee's determination on his or her appeal may submit a written request for review of that determination to the HUD Area ONAP.

(g) *Responsibility of grantee.* (1) The grantee shall certify that it will comply with the URA, the regulations at 49 CFR part 24, and the requirements of this section, *i.e.*, provide assurance of compliance as required by 49 CFR part 24. The grantee shall ensure such compliance notwithstanding any third party's contractual obligation to the grantee to comply with these provisions.

(2) The cost of required relocation assistance is an eligible project cost in the same manner and to the same extent as other project costs. However, such assistance may also be paid for with funds available to the grantee from any other source.

(3) The grantee shall maintain records in sufficient detail to demonstrate compliance with this section.

(h) *Definition of displaced person.* (1) For purposes of this section, the term *displaced person* means any person (household, business, nonprofit organization, or farm) that moves from real property, or moves his or her personal property from real property, permanently, as a direct result of rehabilitation, demolition, or acquisition for a project assisted under this part. The

§ 1003.603

24 CFR Ch. IX (4-1-25 Edition)

term “displaced person” includes, but is not limited to:

(i) A tenant-occupant of a dwelling unit who moves from the building/complex permanently after the submission to HUD of an application for financial assistance that is later approved.

(ii) Any person, including a person who moves before the date described in paragraph (h)(1)(i) of this section, that either HUD or the grantee determines was displaced as a direct result of acquisition, rehabilitation, or demolition for the assisted project.

(iii) A tenant-occupant of a dwelling who moves from the building/complex permanently, after the execution of the agreement between the grantee and HUD, if the move occurs before the tenant is provided written notice offering him or her the opportunity to lease and occupy a suitable, decent, safe and sanitary dwelling in the same building/complex, under reasonable terms and conditions, upon completion of the project. Such reasonable terms and conditions include a monthly rent and estimated average monthly utility costs that do not exceed the greater of:

(A) The tenant’s monthly rent and estimated average monthly utility costs before the agreement; or

(B) 30 percent of gross household income.

(iv) A tenant-occupant of a dwelling who is required to relocate temporarily, but does not return to the building/complex, if either:

(A) The tenant is not offered payment for all reasonable out-of-pocket expenses incurred in connection with the temporary relocation, including the cost of moving to and from the temporarily occupied unit, any increased housing costs and incidental expenses; or

(B) Other conditions of the temporary relocation are not reasonable.

(v) A tenant-occupant of a dwelling who moves from the building/complex after he or she has been required to move to another dwelling unit in the same building/complex in order to carry out the project, if either:

(A) The tenant is not offered reimbursement for all reasonable out-of-pocket expenses incurred in connection with the move; or

(B) Other conditions of the move are not reasonable.

(2) Notwithstanding the provisions of paragraph (h)(1) of this section, a person does not qualify as a “displaced person” (and is not eligible for relocation assistance under the URA or this section), if:

(i) The person moved into the property after the submission of the application for financial assistance to HUD, but, before signing a lease or commencing occupancy, was provided written notice of the project, its possible impact on the person (e.g., the person may be displaced, temporarily relocated or suffer a rent increase) and the fact that the person would not qualify as a “displaced person” or for any assistance provided under this section as a result of the project;

(ii) The person is ineligible under 49 CFR 24.2(g)(2).

(iii) The grantee determines the person is not displaced as a direct result of acquisition, rehabilitation, or demolition for an assisted project. To exclude a person on this basis, HUD must concur in that determination.

(3) A grantee may at any time ask HUD to determine whether a specific displacement is or would be covered under this section.

(i) *Definition of initiation of negotiations.* For purposes of determining the formula for computing the replacement housing assistance to be provided to a person displaced as a direct result of rehabilitation or demolition of the real property, the term “initiation of negotiations” means the execution of the agreement covering the rehabilitation or demolition.

§ 1003.604 Citizen participation.

(a) In order to permit residents of Indian tribes and Alaska native villages to examine and appraise the applicant's application for funds under this part, the applicant shall follow traditional means of resident involvement which, at the least, include the following:

(1) Furnishing residents with information concerning the amounts of funds available for proposed community development and housing activities and the range of activities that may be undertaken.

(2) Holding one or more meetings to obtain the views of residents on community development and housing needs. Meetings shall be scheduled in ways and at times that will allow participation by residents.

(3) Developing and publishing or posting a community development statement in such a manner as to afford affected residents an opportunity to examine its contents and to submit comments.

(4) Affording residents an opportunity to review and comment on the applicant's performance under any active community development block grant.

(b) Prior to submission of the application to HUD, the applicant shall certify by an official Tribal resolution that it has met the requirements of paragraph (a) of this section; and

(1) Considered any comments and views expressed by residents and, if it deems it appropriate, modified the application accordingly; and

(2) Made the modified application available to residents.

(c) No part of the requirement under paragraph (a) of this section shall be construed to restrict the responsibility and authority of the applicant for the development of the application and the execution of the grant. Accordingly, the citizen participation requirements of this section do not include concurrence by any person or group in mak-

§ 1003.605 Environment.

(a) In order to assure that the policies of the National Environmental Policy Act of 1969 and other provisions of Federal law which further the purposes of that act (as specified in 24 CFR 58.5) are most effectively implemented in connection with the expenditure of ICDBG funds, the grantee shall comply with the Environment Review Procedures for Entities Assuming HUD Environmental Responsibilities (24 CFR part 58). Upon completion of an environmental review, the grantee shall submit a certification and request for release of funds for particular projects in accordance with 24 CFR part 58. The grantee shall also be responsible for compliance with flood insurance, coastal barrier resource and airport clear zone requirements under 24 CFR 58.6.

(b) In accordance with 24 CFR 58.34(a)(8), grants for imminent threats to health or safety approved under the provisions of subpart E of this part are exempt from some or all of the environmental review requirements of 24 CFR part 58, to the extent provided in that section.

§ 1003.606 Conflict of interest.

(a) *Applicability.* (1) In the procurement of supplies, equipment, construction, and services by grantees and subgrantees, the conflict of interest provisions in 2 CFR 200.112, 200.318(c), and 200.319(a)(5) shall apply.

(2) In all cases not governed by 2 CFR 200.318, the provisions of this section shall apply. Such cases include the provision of assistance by the grantee or by its subrecipients to businesses, individuals, and other private entities under eligible activities that authorize such assistance (e.g., rehabilitation, preservation, and other improvements of private properties or facilities under § 1003.202; or grants, loans, and other assistance to businesses, individuals, and other private entities under § 1003.203 or § 1003.204.).

(b) *Conflicts prohibited.* Except for the use of ICDBG funds to pay salaries and

other related administrative or personnel costs, the general rule is that no persons described in paragraph (c) of this section who exercise or have exercised any functions or responsibilities with respect to ICDBG activities assisted under this part or who are in a position to participate in a decision-making process or gain inside information with regard to such activities, may obtain a personal or financial interest or benefit from an ICDBG assisted activity, or have an interest in any contract, subcontract or agreement with respect thereto, or the proceeds thereunder, either for themselves or those with whom they have family or business ties, during their tenure or for one year thereafter.

(c) *Persons covered.* The conflict of interest provisions of paragraph (b) of this section apply to any person who is an employee, agent, consultant, officer, or elected or appointed official of the grantee, or of any designated public agencies, or CBDOs under §1003.204, receiving funds under this part.

(d) *Exceptions requiring HUD approval—(1) Threshold requirements.* Upon the written request of a grantee, HUD may grant an exception to the provisions of paragraph (b) of this section on a case-by-case basis, when it determines that such an exception will serve to further the purposes of the Act and the effective and efficient administration of the grantee's program or project. An exception may be considered only after the grantee has provided the following:

(i) A disclosure of the nature of the possible conflict, accompanied by an assurance that there has been public disclosure of the conflict and a description of how the public disclosure was made; and

(ii) An opinion of the grantee's attorney that the interest for which the exception is sought would not violate Tribal laws on conflict of interest, or applicable State laws.

(2) *Factors to be considered for exceptions:* In determining whether to grant a requested exception after the grantee has satisfactorily met the requirements of paragraph (d)(1) of this section, HUD shall consider the cumulative effect of the following factors, where applicable:

(i) Whether the exception would provide a significant cost benefit or essential expert knowledge to the program or project which would otherwise not be available;

(ii) Whether an opportunity was provided for open competitive bidding or negotiation;

(iii) Whether the affected person has withdrawn from his or her functions or responsibilities, or from the decision-making process, with reference to the specific assisted activity in question;

(iv) Whether the interest or benefit was present before the affected person was in a position as described in paragraph (b) of this section;

(v) Whether undue hardship will result, either to the grantee or to the person affected, when weighed against the public interest served by avoiding the prohibited conflict;

(vi) Any other relevant considerations.

(e) *Circumstances under which the conflict prohibition does not apply.* (1) In instances where a person who might otherwise be deemed to be included under the conflict prohibition is a member of a group or class of beneficiaries of the assisted activity and receives generally the same interest or benefits as are being made available or provided to the group or class, the prohibition does not apply, except that if, by not applying the prohibition against conflict of interest, a violation of Tribal or State laws on conflict of interest would result, the prohibition does apply. However, if the assistance to be provided is housing rehabilitation (or repair) or new housing, a public disclosure of the nature of the assistance to be provided and the specific basis for the selection of the proposed beneficiaries must be made prior to the submission of an application to HUD. Evidence of this disclosure must be provided as a component of the application.

(f) *Record retention.* All records pertaining to the grantee's decision under this section shall be maintained for HUD review upon request.

Subpart H—Program Performance**§ 1003.700 Review of grantee's performance.**

(a) *Objective.* HUD will review each grantee's performance to determine whether the grantee has:

- (1) Complied with the requirements of the Act, this part, the grant agreement and other applicable laws and regulations;
- (2) Carried out its activities substantially as described in its application;
- (3) Made substantial progress in carrying out its approved program;
- (4) A continuing capacity to carry out the approved activities in a timely manner; and
- (5) The capacity to undertake additional activities funded under this part.

(b) *Basis for review.* In reviewing each grantee's performance, HUD will consider all available evidence which may

include, but not be limited to, the following:

- (1) The approved application and any amendments thereto;
- (2) Reports prepared by the grantee;
- (3) Records maintained by the grantee;
- (4) Results of HUD's monitoring of the grantee's performance, including field evaluation of the quality of the work performed;
- (5) Audit reports;
- (6) Records of drawdowns on the line of credit;
- (7) Records of comments and complaints by citizens and organizations; and
- (8) Litigation.

§ 1003.701 Corrective and remedial action.

(a) *General.* One or more corrective or remedial actions will be taken by HUD when, on the basis of the performance review, HUD determines that the grantee has not:

- (1) Complied with the requirements of the Act, this part, and other applicable laws and regulations, including the environmental responsibilities assumed under section 104(g) of title I of the Act;
- (2) Carried out its activities substantially as described in its applications;
- (3) Made substantial progress in carrying out its approved program; or
- (4) Shown the continuing capacity to carry out its approved activities in a timely manner.

(b) *Action.* The action taken by HUD will be designed, first, to prevent the continuance of the deficiency; second, to mitigate any adverse effects or consequences of the deficiency; and third, to prevent a recurrence of the same or similar deficiencies. The following actions may be taken singly or in combination, as appropriate for the circumstances:

- (1) Request the grantee to submit progress schedules for completing approved activities or for complying with the requirements of this part;
- (2) Issue a letter of warning advising the grantee of the deficiency (including environmental review deficiencies and housing assistance deficiencies), describing the corrective actions to be

§ 1003.702

24 CFR Ch. IX (4-1-25 Edition)

taken, establishing a date for corrective actions, and putting the grantee on notice that more serious actions will be taken if the deficiency is not corrected or is repeated;

(3) Advise the grantee to suspend, discontinue, or not incur costs for the affected activity;

(4) Advise the grantee to reprogram funds from affected activities to other eligible activities, provided that such action shall not be taken in connection with any substantial violation of part 58 and provided that such reprogramming is subjected to the environmental review procedures of part 58 of this title;

(5) Advise the grantee to reimburse the grantee's program account or line of credit in any amount improperly expended;

(6) Change the method of payment from a line of credit basis to a reimbursement basis; and/or

(7) Suspend the line of credit until corrective actions are taken.

§ 1003.702 Reduction or withdrawal of grant.

(a) *General.* A reduction or withdrawal of a grant under paragraph (b) of this section will not be made until at least one of the corrective or remedial actions specified in §1003.701(b) has been taken and only then if the grantee has not made an appropriate and timely response. Before making such a grant reduction or withdrawal, the grantee also shall be notified and given an opportunity within a prescribed time for an informal consultation regarding the proposed action.

(b) *Reduction or withdrawal.* When the Area ONAP determines, on the basis of a review of the grantee's performance, that the objectives set forth in §1003.700(a)(2) or (3) have not been met, the Area ONAP may reduce or withdraw the grant, except that funds already expended on eligible approved activities shall not be recaptured.

§ 1003.703 Other remedies for non-compliance.

(a) *Secretarial actions.* If the Secretary finds a grantee has failed to comply with any provision of this part even after corrective actions authorized under §1003.701 have been applied, the

following actions may be taken provided that reasonable notice and opportunity for hearing is made to the grantee. (The Administrative Procedure Act (5 U.S.C. 551 *et seq.*), where applicable, shall be a guide in any situation involving adjudications where the Secretary desires to take actions requiring reasonable notice and opportunity for a hearing):

(1) Terminate the grant to the grantee;

(2) Reduce the grant to the grantee by an amount equal to the amount which was not expended in accordance with this part; or

(3) Limit the availability of funds to projects or activities not affected by such failure to comply; provided, however, that the Secretary may on due notice revoke the grantee's line of credit in whole or in part at any time if the Secretary determines that such action is necessary to preclude the further expenditure of funds for activities affected by such failure to comply.

(b) *Secretarial referral to the Attorney General.* If there is reason to believe that a grantee has failed to comply substantially with any provision of the Act, the Secretary may refer the matter to the Attorney General of the United States with a recommendation that an appropriate civil action be instituted. Upon such a referral, the Attorney General may bring a civil action in any United States district court having venue thereof for such relief as may be appropriate, including an action to recover the amount of the assistance furnished under this part which was not expended in accordance with this part or for mandatory or injunctive relief.
