#### § 1.4 Discrimination prohibited.

(a) *General.* No person in the United States shall, on the ground of race, color, or national origin, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity to which this part 1 applies.

(b) *Specific discriminatory actions prohibited.* (1) A recipient under any program or activity to which this part 1 applies may not, directly or through contractual or other arrangements, on the ground of race, color, or national origin:

(i) Deny a person any housing, accommodations, facilities, services, financial aid, or other benefits provided under the program or activity;

(ii) Provide any housing, accommodations, facilities, services, financial aid, or other benefits to a person which are different, or are provided in

### 24 CFR Subtitle A (4–1–23 Edition)

a different manner, from those provided to others under the program or activity;

(iii) Subject a person to segregation or separate treatment in any matter related to his receipt of housing, accommodations, facilities, services, financial aid, or other benefits under the program or activity;

(iv) Restrict a person in any way in access to such housing, accommodations, facilities, services, financial aid, or other benefits, or in the enjoyment of any advantage or privilege enjoyed by others in connection with such housing, accommodations, facilities, services, financial aid, or other benefits under the program or activity;

(v) Treat a person differently from others in determining whether he satisfies any occupancy, admission, enrollment, eligibility, membership, or other requirement or condition which persons must meet in order to be provided any housing, accommodations, facilities, services, financial aid, or other benefits provided under the program or activity;

(vi) Deny a person opportunity to participate in the program or activity through the provision of services or otherwise, or afford him an opportunity to do so which is different from that afforded others under the program or activity (including the opportunity to participate in the program or activity as an employee but only to the extent set forth in paragraph (c) of this section).

(vii) Deny a person the opportunity to participate as a member of a planning or advisory body which is an integral part of the program.

(2)(i) A recipient, in determining the types of housing, accommodations, facilities, services, financial aid, or other benefits which will be provided under any such program or activity, or the class of persons to whom, or the situations in which, such housing, accommodations, facilities, services, financial aid, or other benefits will be provided under any such program or activity, or the class of persons to be afforded an opportunity to participate in any such program or activity, may not, directly or through contractual or other arrangements, utilize criteria or methods of administration which have

the effect of subjecting persons to discrimination because of their race, color, or national origin, or have the effect of defeating or substantially impairing accomplishment of the objectives of the program or activity as respect to persons of a particular race, color, or national origin.

(ii) A recipient, in operating low-rent housing with Federal financial assistance under the United States Housing Act of 1937, as amended (42 U.S.C. 1401 *et seq.*), shall assign eligible applicants to dwelling units in accordance with a plan, duly adopted by the recipient and approved by the responsible Department official, providing for assignment on a community-wide basis in sequence based upon the date and time the application is received, the size or type of unit suitable, and factors affecting preference or priority established by the recipient's regulations, which are not inconsistent with the objectives of title VI of the Civil Rights Act of 1964 and this part 1. The plan may allow an applicant to refuse a tendered vacancy for good cause without losing his standing on the list but shall limit the number of refusals without cause as prescribed by the responsible Department official.

(iii) The responsible Department official is authorized to prescribe and promulgate plans, exceptions, procedures, and requirements for the assignment and reassignment of eligible applicants and tenants consistent with the purpose of paragraph (b)(2)(ii) of this section, this part 1, and title VI of the Civil Rights Act of 1964, in order to effectuate and insure compliance with the requirements imposed thereunder.

(3) In determining the site or location of housing, accommodations, or facilities, an applicant or recipient may not make selections with the purpose or effect of excluding individuals from, denying them the benefits of, or subjecting them to discrimination under any program to which this part 1 applies, on the ground of race, color, or national origin; or with the purpose or effect of defeating or substantially impairing the accomplishment of the objectives of the Act or this part 1.

(4) As used in this part 1 the housing, accommodations, facilities, services, financial aid, or other benefits provided

under a program or activity receiving Federal financial assistance shall be deemed to include any housing, accommodations, facilities, services, financial aid, or other benefits provided in or through a facility provided with the aid of Federal financial assistance.

(5) The enumeration of specific forms of prohibited discrimination in paragraphs (b) and (c) of this section does not limit the generality of the prohibition in paragraph (a) of this section.

(6)(i) In administering a program regarding which the recipient has previously discriminated against persons on the ground of race, color, or national origin, the recipient must take affirmative action to overcome the effects of prior discrimination.

(ii) Even in the absence of such prior discrimination, a recipient in administering a program should take affirmative action to overcome the effects of conditions which resulted in limiting participation by persons of a particular race, color, or national origin.

Where previous discriminatory practice or usage tends, on the ground of race, color, or national origin, to exclude individuals from participation in, to deny them the benefits of, or to subject them to discrimination under any program or activity to which this part 1 applies, the applicant or recipient has an obligation to take reasonable action to remove or overcome the consequences of the prior discriminatory practice or usage, and to accomplish the purpose of the Act.

(c) *Employment practices.* (1) Where a primary objective of the Federal financial assistance to a program or activity to which this part 1 applies is to provide employment, a recipient may not, directly or through contractual or other arrangements, subject a person to discrimination on the ground of race, color, or national origin in its employment practices under such program or activity (including recruitment or recruitment advertising, employment, layoff, termination, upgrading, demotion, transfer, rates of pay or other forms of compensation and use of facilities). The requirements applicable to construction employment under such program or activity shall be those specified in or pursuant to part III of

## § 1.5

Executive Order 11246 or any executive order which supersedes or amends it.

(2) Where a primary objective of the Federal financial assistance is not to provide employment, but discrimination on the ground of race, color, or national origin in the employment practices of the recipient or other persons subject to this part 1 tends, on the ground of race, color, or national origin, to exclude individuals from participation in, to deny them the benefits of, or to subject them to discrimination under any program to which this part 1 applies, the provisions of this paragraph (c) shall apply to the employment practices of the recipient or other persons subject to this part 1 to the extent necessary to assure equality of opportunity to, and nondiscriminatory treatment of, beneficiaries.

### § 1.5 Assurances required.

(a) *General.* (1) Every contract for Federal financial assistance to carry out a program or activity to which this part 1 applies, executed on or after January 3, 1965, and every application for such Federal financial assistance submitted on or after January 3, 1965, shall, as a condition to its approval and the extension of any Federal financial assistance pursuant to such contract or application, contain or be accompanied by an assurance that the program or activity will be conducted and the housing, accommodations, facilities, services, financial aid, or other benefits to be provided will be operated and administered in compliance with all requirements imposed by or pursuant to this part 1. In the case of a contract or application where the Federal financial assistance is to provide or is in the form of personal property or real property or interest therein or structures thereon, the assurance shall obligate the recipient or, in the case of a subsequent transfer, the transferee, for the period during which the property is used for a purpose for which the Federal financial assistance is extended or for another purpose involving the provision of similar services or benefits, or for as long as the recipient retains ownership or possession of the property, whichever is longer. In all other cases the assurance shall obligate the recipient for the period during which

## 24 CFR Subtitle A (4-1-23 Edition)

Federal financial assistance is extended pursuant to the contract or application. The responsible Department official shall specify the form of the foregoing assurance for such program or activity, and the extent to which like assurances will be required of subgrantees, contractors and subcontractors, transferees, successors in interest, and other participants in the program or activity. Any such assurance shall include provisions which give the United States a right to seek its judicial enforcement.

(2) In the case of real property, structures or improvements thereon, or interests therein, acquired through a program of Federal financial assistance the instrument effecting any disposition by the recipient of such real property, structures or improvements thereon, or interests therein, shall contain a covenant running with the land assuring nondiscrimination for the period during which the real property is used for a purpose for which the Federal financial assistance is extended or for another purpose involving the provision of similar services or benefits. In the case where Federal financial assistance is provided in the form of a transfer of real property or interests therein from the Federal Government, the instrument effecting or recording the transfer shall contain such a covenant.

(3) In program receiving Federal financial assistance in the form, or for the acquisition, of real property or an interest in real property, to the extent that rights to space on, over, or under any such property are included as part of the program receiving such assistance, the nondiscrimination requirements of this part 1 shall extend to any facility located wholly or in part in such space.

(b) *Preeexisting contracts—funds not disbursed.* In any case where a contract for Federal financial assistance, to carry out a program or activity to which this part 1 applies, has been executed prior to January 3, 1965, and the funds have not been fully disbursed by the Department, the responsible Department official shall, where necessary to effectuate the purposes of this part 1, require an assurance similar to that provided in paragraph (a) of this section as

## Office of the Secretary, HUD

## § 1.6

a condition to the disbursement of further funds.

(c) *Preexisting contracts—periodic payments.* In any case where a contract for Federal financial assistance, to carry out a program or activity to which this part 1 applies, has been executed prior to January 3, 1965, and provides for periodic payments for the continuation of the program or activity, the recipient shall, in connection with the first application for such periodic payments on or after January 3, 1965: (1) Submit a statement that the program or activity is being conducted in compliance with all requirements imposed by or pursuant to this part 1 and (2) provide such methods of administration for the program or activity as are found by the responsible Department official to give reasonable assurance that the recipient will comply with all requirements imposed by or pursuant to this part 1.

(d) *Assurances from institutions.* (1) In the case of any application for Federal financial assistance to an institution of higher education, the assurance required by this section shall extend to admission practices and to all other practices relating to the treatment of students.

(2) The assurance required with respect to an institution of higher education, hospital, or any other institution, insofar as the assurance relates to the institution's practices with respect to admission or other treatment of persons as students, patients, or clients of the institution or to the opportunity to participate in the provision of services or other benefits to such persons, shall be applicable to the entire institution unless the applicant establishes, to the satisfaction of the responsible Department official, that the institution's practices in designated parts or programs of the institution will in no way affect its practices in the program of the institution for which Federal financial assistance is sought, or the beneficiaries of or participants in such program. If in any such case the assistance sought is for the construction of a facility or part of a facility, the assurance shall in any event extend to the entire facility and to facilities operated in connection therewith.

(e) *Elementary and secondary schools.* The requirements of this section with

respect to any elementary or secondary school or school system shall be deemed to be satisfied if such school or school system (1) is subject to a final order of a court of the United States for the desegregation of such school or school system, and provides an assurance that it will comply with such order, including any future modification of such order, or (2) submits a plan for the desegregation of such school or school system which the responsible official of the Department of Health and Human Services determines is adequate to accomplish the purposes of the Act and this part 1 within the earliest practicable time, and provides reasonable assurance that it will carry out such plan.

[38 FR 17949, July 5, 1973, as amended at 50 FR 9269, Mar. 7, 1985]

### § 1.6 Compliance information.

(a) *Cooperation and assistance.* The responsible Department official and each Department official who by law or delegation has the principal responsibility within the Department for the administration of any law extending financial assistance subject to this part 1 shall to the fullest extent practicable seek the cooperation of recipients in obtaining compliance with this part 1 and shall provide assistance and guidance to recipients to help them comply voluntarily with this part 1.

(b) *Compliance reports.* Each recipient shall keep such records and submit to the responsible Department official or his designee timely, complete, and accurate compliance reports at such times, and in such form and containing such information, as the responsible Department official or his designee may determine to be necessary to enable him to ascertain whether the recipient has complied or is complying with this part 1. In general, recipients should have available for the department racial and ethnic data showing the extent to which members of minority groups are beneficiaries of federally assisted programs.

(c) *Access to sources of information.* Each recipient shall permit access by the responsible Department official or his designee during normal business

## § 1.7

hours to such of its books, records, accounts, and other sources of information, and its facilities as may be pertinent to ascertain compliance with this part 1. Where any information required of a recipient is in the exclusive possession of any other agency, institution, or person and this agency, institution, or person shall fail or refuse to furnish this information, the recipient shall so certify in its report and shall set forth what efforts it has made to obtain the information.

(d) *Information to beneficiaries and participants.* Each recipient shall make available to participants, beneficiaries, and other interested persons such information regarding the provisions of this part 1 and its applicability to the program or activity under which the recipient receives Federal financial assistance, and make such information available to them in such manner, as the responsible Department official finds necessary to apprise such persons of the protections against discrimination assured them by the Act and this part 1.

### § 1.7 Conduct of investigations.

(a) *Periodic compliance reviews.* The responsible Department official or his designee shall from time to time review the practices of recipients to determine whether they are complying with this part 1.

(b) *Complaints.* Any person who believes himself or any specific class of persons to be subjected to discrimination prohibited by this part 1 may by himself or by a representative file with the responsible Department official or his designee a written complaint. A complaint must be filed not later than 180 days from the date of the alleged discrimination, unless the time for filing is extended by the responsible Department official or his designee.

(c) *Investigations.* The responsible Department official or his designee shall make a prompt investigation whenever a compliance review, report, complaint, or any other information indicates a possible failure to comply with this part 1. The investigation should include, where appropriate, a review of the pertinent practices and policies of the recipient, the circumstances under which the possible noncompliance with

## 24 CFR Subtitle A (4-1-23 Edition)

this part 1 occurred, and other factors relevant to a determination as to whether the recipient has failed to comply with this part .

(d) *Resolution of matters.* (1) If an investigation pursuant to paragraph (c) of this section indicates a failure to comply with this part 1, the responsible Department official or his designee will so inform the recipient and the matter will be resolved by informal means whenever possible. If it has been determined that the matter cannot be resolved by informal means, action will be taken as provided for in § 1.8.

(2) If an investigation does not warrant action pursuant to paragraph (d)(1) of this section the responsible Department official or his designee will so inform the recipient and the complainant, if any, in writing.

(e) *Intimidatory or retaliatory acts prohibited.* No recipient or other person shall intimidate, threaten, coerce, or discriminate against any person for the purpose of interfering with any right or privilege secured by title VI of the Act or this part 1, or because he has made a complaint, testified, assisted, or participated in any manner in an investigation, proceeding, or hearing under this part. The identity of complainants shall be kept confidential except to the extent necessary to carry out the purposes of this part, including the conduct of any investigation, hearing, or judicial proceeding arising thereunder.

### § 1.8 Procedure for effecting compliance.

(a) *General.* If there appears to be a failure or threatened failure to comply with this part 1, and if the noncompliance or threatened noncompliance cannot be corrected by informal means, compliance with this part 1 may be effected by the suspension or termination of or refusal to grant or to continue Federal financial assistance, or by any other means authorized by law. Such other means may include, but are not limited to: (1) A reference to the Department of Justice with a recommendation that appropriate proceedings be brought to enforce any rights of the United States under any law of the United States (including other titles of the Act), or any assurance or other contractual undertaking,

## Office of the Secretary, HUD

## § 1.9

and (2) any applicable proceeding under State or local law.

(b) *Noncompliance with § 1.5.* If an applicant fails or refuses to furnish an assurance required under § 1.5 or otherwise fails or refuses to comply with the requirement imposed by or pursuant to that section, Federal financial assistance may be refused in accordance with the procedures of paragraph (c) of this section. The Department shall not be required to provide assistance in such a case during the pendency of the administrative proceedings under such paragraph, except that the Department shall continue assistance during the pendency of such proceedings where such assistance is due and payable pursuant to a contract therefor approved prior to January 3, 1965.

(c) *Termination of or refusal to grant or to continue Federal financial assistance.* No order suspending, terminating, or refusing to grant or continue Federal financial assistance shall become effective until (1) the responsible Department official has advised the applicant or recipient of his failure to comply and has determined that compliance cannot be secured by voluntary means, (2) there has been an express finding on the record, after opportunity for hearing, of a failure by the applicant or recipient to comply with a requirement imposed by or pursuant to this part 1, (3) the action has been approved by the Secretary, and (4) the expiration of 30 days after the Secretary has filed with the committees of the House and Senate having legislative jurisdiction over the program or activity involved a full written report of the circumstances and the grounds for such action. Any action to suspend or terminate or to refuse to grant or to continue Federal financial assistance shall be limited to the particular political entity, or part thereof, or other recipient as to whom such a finding has been made and shall be limited in its effect to the particular program, or part thereof, in which such noncompliance has been so found.

(d) *Other means authorized by law.* No action to effect compliance by any other means authorized by law shall be taken until (1) the responsible Department official has determined that compliance cannot be secured by voluntary

means, (2) the recipient or other person has been notified of its failure to comply and of the action to be taken to effect compliance, and (3) the expiration of at least 10 days from the mailing of such notice to the applicant or recipient. During this period of at least 10 days additional efforts shall be made to persuade the applicant or recipient to comply with this part 1 and to take such corrective action as may be appropriate.

### § 1.9 Hearings.

(a) *Opportunity for hearing.* Whenever an opportunity for a hearing is required by § 1.8(c), reasonable notice shall be given by registered or certified mail, return receipt requested, to the affected applicant or recipient. This notice shall advise the applicant or recipient of the action proposed to be taken, the specific provision under which the proposed action against it is to be taken, and the matters of fact or law asserted as the basis for this action, and either:

(1) Fix a date not less than 20 days after the date of such notice within which the applicant or recipient may request of the responsible Department official that the matter be scheduled for hearing, or (2) advise the applicant or recipient that the matter in question has been set down for hearing at a stated time and place. The time and place so fixed shall be reasonable and shall be subject to change for cause. The complainant, if any, shall be advised of the time and place of the hearing. An applicant or recipient may waive a hearing and submit written information and argument for the record. The failure of an applicant or recipient to request a hearing under this paragraph (a) or to appear at a hearing for which a date has been set shall be deemed to be a waiver of the right to a hearing under section 602 of the Act and § 1.8(c) and consent to the making of a decision on the basis of such information as is available.

(b) *Hearing procedures.* Hearings shall be conducted in accordance with 24 CFR part 180.

## § 1.10

### § 1.10 Effect on other regulations; forms and instructions.

(a) *Effect on other regulations.* All regulations, orders, or like directions heretofore issued by any officer of the Department which impose requirements designed to prohibit any discrimination against persons on the ground of race, color, or national origin under any program or activity to which this part applies, and which authorize the suspension or termination of or refusal to grant or to continue Federal financial assistance to any applicant or recipient for failure to comply with such requirements, are hereby superseded to the extent that such discrimination is prohibited by this part, except that nothing in this part shall be deemed to relieve any person of any obligation assumed or imposed under any such superseded regulation, order, instruction, or like direction prior to January 3, 1965. Nothing in this part, however, shall be deemed to supersede any of the following (including future amendments thereof):

(1) Executive Orders 11246 and 11375 and regulations issued thereunder, or

(2) Executive Order 11063 and regulations issued thereunder, or any other order, regulations or instructions, insofar as such order, regulations, or instructions, prohibit discrimination on the ground of race, color, or national origin in any program or activity or situation to which this part is inapplicable, or prohibit discrimination on any other ground.

(b) *Forms and instructions.* The responsible Department official shall assure that forms and detailed instructions and procedures for effectuating this part are issued and promptly made available to interested persons.

(c) *Supervision and coordination.* The Secretary may from time to time assign to officials of the Department, or to officials of other departments or agencies of the Government with the consent of such department or agency, responsibilities in connection with the effectuation of the purposes of title VI of the Act and this part (other than responsibility for final decision as provided in § 1.10), including the achievement of effective coordination and maximum uniformity within the Department and within the Executive

Branch of the Government in the application of title VI and this part to similar programs or activities and in similar situations. Any action taken, determination made, or requirement imposed by an official of another department or agency acting pursuant to an assignment of responsibility under this paragraph shall have the same effect as though such action had been taken by the responsible official of this Department.
