(4) *Effect of indemnification on qualified mortgage status.* An indemnification demand or resolution of a demand that relates to whether the loan satisfied relevant eligibility and underwriting requirements at the time of consummation may result from facts that could allow a change to qualified mortgage status, but the existence of an indemnification does not per se remove qualified mortgage status.

(c) *Exempted transactions.* The following transactions are exempted from the requirements in paragraph (b) of this section:

(1) Home Equity Conversion Mortgages under section 255 of the National Housing Act (12 U.S.C. 1715z-20); and

Any changes made by CFPB to the list of exempted transactions may be adopted by HUD through publication of a notice and after providing FHA-approved mortgagees with time, as may be determined necessary, to implement.
