§ 221.254 Mortgage insurance premiums.

(a) All of the provisions of §§ 203.260 through 203.295 of this chapter relating to mortgage insurance premiums shall apply to mortgages insured under this subpart, except that as to mortgages meeting the special requirements of § 221.60 or § 221.65, such provisions shall only be applicable under the circumstances prescribed in paragraph (b) of this section. Notwithstanding any provision in the mortgage instrument, there shall be no adjusted mortgage insurance premium or voluntary termination charge due the Commissioner on account of the prepayment of any mortgage or the voluntary termination of any mortgage insurance contract where (1) The mortgage is prepaid in full, or (2) the Commissioner receives a request for voluntary termination on or after May 1, 1972.

[36 FR 24587, Dec. 22, 1971, as amended at 37 FR 8663, Apr. 29, 1972]

§ 221.255 Assignment option.

(a) A mortgagee holding a mortgage insured pursuant to a conditional or firm commitment issued on or before November 30, 1983 has the option to assign, transfer and deliver to the Commissioner the original credit instrument and the mortgage securing it, provided the mortgage is not in default at the expiration of 20 years from the date of final endorsement of the credit instrument. In processing a mortgagee's claim for insurance benefits under this section, the Commissioner may direct the mortgagee to assign, transfer and deliver the original credit instrument, and the mortgage securing it, directly to the Government National Mortgage Association (GNMA). Upon such assignment, transfer and delivery, either to the Commissioner or to GNMA, as directed, the mortgage insurance contract shall terminate and the mortgagee shall be entitled to receive insurance benefits in accordance with this section.

(b) The mortgagee may exercise its assignment option within 1 year following the twentieth anniversary of the date the mortgage was endorsed for insurance.

(c) Upon the exercise of the assignment option the Commissioner shall issue to the assignor mortgagee debentures having a total face value equal to the amount of the original principal obligation of the mortgage which was unpaid on the date of the assignment, plus accrued interest to such date.

(d) The debentures issued pursuant to the exercise of an assignment option shall be dated as of the date the mortgage is assigned to the Commissioner and shall mature 10 years after such date.

(e) The debentures issued pursuant to the exercise of an assignment option shall bear interest at the *going Federal rate* at date of issuance. The *going Federal rate* means the annual rate of interest specified by the Secretary of the Treasury as applicable to the 6-month period which includes the issuance date of the debentures. The Secretary of the Treasury shall determine this applicable rate by estimating the average yield to maturity, on the basis of daily closing market bid quotations or prices during the month of May or the month of November, as the case may be, next preceding such 6-month period, on all outstanding marketable obligations of the United States having a maturity date of 8 to 12 years from the first day of May or November, as the case may be. If there should be no outstanding marketable obligations of the United States having the 8 to 12 year maturity at the time the Secretary of the Treasury is required to determine the debenture rate involved, the obligation next shorter than 8 years and the obligation next longer than 12 years respectively, shall be used.

(f) Debentures shall bear interest from the date of issue, payable semi-annually on the first day of January and the first day of July of each year at the rate in effect on the issue date, a date which shall be established as provided in § 203.410 of this chapter. The interest rate shall be established by the Commissioner in an amount not in excess of the annual rate of interest which the Secretary of the Treasury shall specify as applicable to the 6-month period (consisting of January through June, or July through December) which includes the issuance date of such debentures, which applicable rate for each 6-month period shall be determined by the Secretary of the Treasury, at the request of the Commissioner, by estimating the average yield to maturity, on the basis of daily closing market bid quotations or prices during the calendar month next preceding the establishment of such rate

of interest, on all outstanding marketable obligations of the United States having a maturity date of 15 years or more from the first day of such next preceding month, and by adjusting such estimated average annual yield to the nearest one-eighth of 1 per centum.

§ 221.256 Interest rate increase and payment of mortgage insurance premiums on mortgages under § 221.60 and § 221.65.

(a) Where a mortgage meets the special requirements of § 221.60 or § 221.65, the following procedures are applicable:

(1) The mortgagee shall determine, at least biennially, whether the mortgagor has continued to occupy the property securing the mortgage. If the mortgagee determines that the mortgagor is not occupying the property or that the mortgagor has sold the property subject to the mortgage to a purchaser not qualifying under the provisions of § 221.60(h) or § 221.65(d)(4) (as appropriate) for the continuation of a below market interest rate, interest on such mortgage shall be computed by the mortgagee at the highest rate permissible under the mortgage. The computation at the higher rate shall be effective from the first day of the month following the month in which the right to collect interest at the increased rate first accrued, as determined by the mortgagee.

(2) The mortgagee shall determine the mortgagor's family income, at least biennially, and shall increase the mortgage interest pursuant to the requirements of §§ 221.60(g) and 221.65(d)(5), as appropriate, to comply with the requirements of such sections. The computation at the higher rate shall be effective from the first day of the month following the month in which the mortgagee determines that the mortgagor's family income was increased.

(b) The mortgagee shall notify the Commissioner, on a form prescribed by the Commissioner, within 30 days of making the determination of the right to compute interest at the higher rate, as provided in paragraph (a) of this section, of:

(1) The date on which such right first accrued, and

(2) The outstanding principal balance of the mortgage on the first day of the month following the date on which such right first accrued.

(c) The liability for payment of mortgage insurance premiums shall begin on and be computed from the first day of the month following the date on which the right to compute interest at the higher rate shall have first accrued.

[36 FR 24587, Dec. 22, 1971, as amended at 37 FR 8663, Apr. 29, 1972]

§ 221.275 Method of paying insurance benefits.

If the application for insurance benefits is acceptable to the Commissioner, all of the insurance claim shall be paid in cash unless the mortgagee files a written request with the application for payment in debentures. If such a request is made, all of the claim shall be paid by issuing debentures and by making a cash payment adjusting any differences between the total amount of the claim and the amount of the debentures issued.

§ 221.280 Waived title objections.

(a) *General provisions.* All of the provisions of § 203.389 of this chapter (relating to the waiver by the Commissioner of objections to title) shall apply to mortgages insured under this subpart, with the exception of mortgages involving condominium units.

(b) *Provisions applicable to condominium units.* Where the mortgage involves a condominium unit, the Commissioner shall not object to title by reason of the following matters:

(1) Violations of a restriction based on race, color, or creed, even where such restriction provides for a penalty of reversion or forfeiture of title or a lien for liquidated damage.

(2) Easements for public utilities along one or more of the property lines, provided the exercise of the rights thereunder do not interfere with any of the buildings or improvements located on the subject property.

(3) Encroachments on the subject property by improvements on adjoining property, provided such encroachments

§ 221.300

do not interfere with the use of any improvements on the subject property.

(4) Variations between the length of the subject property lines as shown on the application for insurance and as shown by the record or possession lines, provided such variations do not interfere with the use of any of the improvements on the subject property.

(5) Customary buildings or use restrictions for breach of which there is no reversion and which have not been violated to a material extent.

SPECIAL PROVISIONS APPLICABLE ONLY TO MORTGAGES INVOLVING CONDO- MINIUM UNITS

§ 221.300 Changes in the plan of apartment ownership.

The mortgagee shall notify the Commissioner of any changes in the plan of apartment ownership and in the administration of the property. Such notification shall be given either at the time of the conveyance of the property or at the time of the assignment of the mortgage. Any changes in such plan shall require approval by the Commissioner.

§ 221.305 Condition of the multifamily structure.

(a) When a family unit is conveyed or a mortgage is assigned to the Commissioner, the family unit and the common areas and facilities (including restricted common areas and facilities) designated for the particular unit shall be undamaged by fire, earthquake, tornado, or boiler explosion, except if the property has been damaged, either of the following actions shall be taken:

(1) The property may be repaired prior to its conveyance or prior to the assignment of the mortgage to the Commissioner.

(2) With the prior approval of the Commissioner, the property may be conveyed or the mortgage assigned to the Commissioner without repairing the damage. In such instances, the Commissioner shall deduct from the insurance benefits either his estimate of the decrease in value of the family unit or the amount of any insurance recovery received by the mortgagee, whichever is the greater.

24 CFR Ch. II (4-1-23 Edition)

(b) If the property has been damaged by fire and such property was not covered by fire insurance at the time of the damage, the mortgagee may convey the property or assign the mortgage to the Commissioner without deduction from the insurance benefits for any loss occasioned by such fire if the following conditions are met:

(1) The property shall have been covered by fire insurance at the time the mortgage was insured.

(2) The fire insurance shall have been later cancelled or renewal shall have been refused by the insuring company.

(3) The mortgagee shall have notified the Commissioner within 30 days (or within such further time as the Commissioner may approve) of the cancellation of the fire insurance or of the refusal of the insuring company to renew the fire insurance. This notification shall have been accompanied by a certification of the mortgagee that diligent efforts were made, but it was unable to obtain fire insurance coverage at reasonably competitive rates and that it will continue its efforts to obtain adequate fire insurance coverage at competitive rates.

§ 221.310 Assessment of taxes.

When a family unit is conveyed to the Commissioner or a mortgage is assigned to the Commissioner, the unit shall be assessed and subject to assessment for taxes pertaining only to that unit.

§ 221.315 Certificate of tax assessment.

The mortgagee shall certify, as of the date of filing for record of the deed or assignment of the mortgage to the Commissioner, that the family unit is assessed and subject to assessment for taxes pertaining to that unit.

§ 221.320 Certificate or statement of condition.

(a) At the time of the assignment of the mortgage or conveyance of the property to the Commissioner, the mortgagee shall, as of the date of the filing for record of the deed or assignment,

(1) Certify that the conditions of § 221.305(a) have been met; or

(2) Submit a statement describing any such damage that may still exist.

(b) In the absence of evidence to the contrary, the mortgagee's certificate or its statement as to damage shall be accepted by the Commissioner as establishing the condition of the family unit and the common areas and facilities including restricted common areas and facilities designated for the particular unit.

§ 221.325 Cancellation of hazard insurance.

The provisions of § 203.382 of this chapter are incorporated by reference and shall apply to hazard insurance policies carried solely for the family unit.

(a) In the case of a mortgage that provides for payment of interest at the market rate prescribed in § 221.518(a), if the mortgagor fails to meet the requirements of a forbearance agreement or to cure the default under the mortgage at the expiration of the forbearance agreement, the mortgagee shall be entitled to obtain a special insurance payment in cash, in lieu of the insurance benefits otherwise provided under this subpart. To receive the special insurance payment, the mortgagee shall assign the mortgage to the Commissioner in compliance with the requirements of § 207.258(b) of this chapter.

(b) The special insurance benefit to the mortgagee shall be a cash payment computed in accordance with § 207.259(b) of this chapter, except that in lieu of the allowance for debenture interest in § 207.259(b)(1)(iii) of this chapter, the payment shall include the amount of the unpaid accrued mortgage interest computed to the date the assignment of the mortgage to the Commissioner is filed for record. In addition, there shall be included in the cash payment an amount equivalent to the debenture interest which would have been earned from the date the mortgage assignment was filed for record to the date the payment is made; except that when the mortgagee

fails to meet any of the applicable requirements of § 207.258(b) of this chapter and § 221.761(c) within the specified times and in a manner satisfactory to the Commissioner (or within such further time as the Commissioner may approve in writing), such debenture interest allowance shall be computed only to the date on which the particular required action should have been taken.

§ 221.770 Assignment option.

A mortgagee holding a conditional or firm commitment issued on or before November 30, 1983 (or, in the Direct Endorsement program, a property appraisal report signed by the mortgagee's approved underwriter on or before November 30, 1983) has the option to assign, transfer and deliver to the Commissioner the original credit instrument and the mortgage securing it, provided that the mortgage is not in default at the expiration of 20 years from the date of final endorsement of the credit instrument. In processing a mortgagee's claim for insurance benefits under this section, the Commissioner may direct the mortgagee to assign, transfer and deliver the original credit instrument, and the mortgage securing it, directly to the Government National Mortgage Association (GNMA). Upon such assignment, transfer and delivery either to the Commissioner or to GNMA, as directed, the mortgage insurance contract shall terminate and the mortgagee shall be entitled to receive insurance benefits in accordance with § 221.780.

[49 FR 12698, Mar. 30, 1984, as amended at 57 FR 58351, Dec. 9, 1992]

§ 221.775 Option period.

The mortgagee may exercise its option to assign within one year following the twentieth anniversary of the date the mortgage was finally endorsed for insurance.

§ 221.780 Issuance of debentures.

Upon the exercise of the assignment option and the satisfactory performance of the requirements as to assignment set out in § 207.258 of this chapter, the Commissioner shall issue the assignor mortgagee debentures having a total par value equal to the amount of the original principal obligation of the

mortgage which was unpaid on the date of the assignment, plus accrued interest to such date.

[59 FR 49816, Sept. 30, 1994]

§ 221.785 Date of maturity of debentures.

The debentures issued pursuant to the exercise of an assignment option shall be dated as of the date the mortgage is assigned to the Commissioner and shall mature 10 years after such date.

§ 221.790 Debenture interest rate.

The debentures issued pursuant to the exercise of an assignment option shall bear interest at the *going Federal rate* at date of issuance. The *going Federal rate* means the annual rate of interest specified by the Secretary of the Treasury as applicable to the 6-month period which includes the issuance date of the debentures. The Secretary of the Treasury shall determine this applicable rate by estimating the average yield to maturity, on the basis of daily closing market bid quotations or prices during the month of May or the month of November, as the case may be, next preceding such 6-month period, on all outstanding marketable obligations of the United States having a maturity date of 8 to 12 years from the first day of May or November, as the case may be. If there should be no outstanding marketable obligations of the United States having the 8 to 12 year maturity at the time the Secretary of the Treasury is required to determine the debenture rate involved, the obligation next shorter than 8 years and the obligation next longer than 12 years respectively shall be used.

§ 221.795 Displacement—below market interest rate mortgages.

(a) *Minimizing displacement.* Consistent with the other goals and objectives of this part, Owners shall assure that they have taken all reasonable steps to minimize the displacement of persons (households, businesses, non-profit organizations, and farms) as a result of a project assisted under this part.

(b) *Temporary relocation.* The following policies cover residential tenants who will not be required to move

permanently but who must relocate temporarily to permit rehabilitation or other work for the project. Such tenants must be provided:

(1) Reimbursement for all reasonable out-of-pocket expenses incurred in connection with the temporary relocation, including the cost of moving to and from the temporarily occupied housing, any increase in monthly rent/utility costs and any incidental expenses.

(2) Appropriate advisory services, including reasonable advance written notice of:

(i) The date and approximate duration of the temporary relocation;

(ii) The location of the suitable, decent, safe, and sanitary dwelling to be made available for the temporary period;

(iii) The terms and conditions under which the tenant may lease and occupy a suitable, decent, safe, and sanitary dwelling in the building/complex following completion of the rehabilitation; and

(iv) The provisions of paragraph (b)(1) of this section.

(c) *Relocation assistance for displaced persons.* A “displaced person” (defined in paragraph (g) of this section) must be provided relocation assistance at the levels described in, and in accordance with the requirements of, the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, as amended (URA) (42 U.S.C. 4201–4655) and implementing regulations at 49 CFR part 24. A “displaced person” shall be advised of his or her rights under the Fair Housing Act (42 U.S.C. 3601–19), and, if the representative comparable replacement dwelling used to establish the amount of the replacement housing payment to be provided to a minority person is located in an area of minority concentration, such person also shall be given, if possible, referrals to comparable and suitable, decent, safe and sanitary replacement dwellings not located in such areas.

(d) *Real property acquisition requirements.* The acquisition of real property for a project is subject to the URA and the requirements described in 49 CFR part 24, subpart B.

(e) *Appeals.* A person who disagrees with the Owner’s determination concerning whether the person qualifies as

a “displaced person,” or with the amount of relocation assistance for which the person is eligible, may file a written appeal of that determination with the Owner. A person who is dissatisfied with the Owner’s determination on his or her appeal may submit a written request for review of that determination to the HUD Field Office.

(f) *Responsibility of Owner.* (1) The Owner shall certify (i.e., provide assurance of compliance as required by 49 CFR part 24) that the Owner will comply with the URA, the regulations at 49 CFR part 24, and the requirements of this section. The Owner shall ensure such compliance notwithstanding any third party’s contractual obligation to the Owner to comply with these provisions.

(2) The cost of required relocation assistance is an eligible project cost in the same manner and to the same extent as other project costs. Such costs also may be paid with funds available from other sources.

(3) The Owner shall maintain records in sufficient detail to demonstrate compliance with these provisions. The Owner shall maintain data on the race, ethnic, gender, and disability status of displaced persons.

(g) *Definition of displaced person.* (1) For purposes of this section, the term *displaced person* means a person (household, business, nonprofit organization, or farm) that moves from real property, or moves personal property from real property, permanently, as a direct result of acquisition, rehabilitation, or demolition for a project assisted under this part. The term “displaced person” includes, but may not be limited to:

(i) A tenant-occupant of a dwelling unit who moves from the building/complex, permanently, after the Owner executes the agreement covering the rehabilitation, demolition or acquisition, if the move occurs before the tenant is provided written notice offering him or her the opportunity to lease and occupy a suitable, decent, safe, and sanitary dwelling in the same building/complex, under reasonable terms and conditions, upon completion of the project. Such reasonable terms and conditions include a monthly rent and estimated average monthly utility

costs that do not exceed the amount approved by HUD;

(ii) A tenant-occupant of a dwelling who is required to relocate temporarily, but does not return to the building/complex, if either:

(A) The tenant is not offered payment for all reasonable out-of-pocket expenses incurred in connection with the temporary relocation, including the cost of moving to and from the temporarily occupied unit, any increased housing costs and incidental expenses; or

(B) Other conditions of the temporary relocation are not reasonable; or

(iii) A tenant-occupant of a dwelling who moves from the building/complex, permanently, after he or she has been required to move to another dwelling unit in the same building/complex in order to carry out the project, if either:

(A) The tenant is not offered reimbursement for all reasonable out-of-pocket expenses incurred in connection with the move; or

(B) Other conditions of the move are not reasonable; or

(iv) Any person, including a person who moves before the Owner's execution of the agreement covering the rehabilitation, demolition, or acquisition, if the Owner or HUD determines that the displacement resulted directly from rehabilitation, demolition or acquisition for the assisted project.

(2) Notwithstanding the provisions of paragraph (g)(1) of this section, a person does not qualify as a "displaced person" (and is not eligible for relocation assistance under the URA or this section), if:

(i) The person has been evicted for serious or repeated violation of the terms and conditions of the lease or occupancy agreement, violation of applicable Federal, State or local law, or other good cause, and HUD determines that the eviction was not undertaken for the purpose of evading the obligation to provide relocation assistance;

(ii) The person moved into the property after the execution of the agreement covering the rehabilitation, demolition or acquisition and, before signing a lease and commencing occupancy, received written notice of the project, its possible impact on the per-

son (e.g., the person may be displaced, temporarily relocated or suffer a rent increase) and the fact that he or she would not qualify as a "displaced person" (or for any assistance provided under this section) as a result of the project;

(iii) The person is ineligible under 49 CFR 24.2(g)(2); or

(iv) HUD determines that the person was not displaced as a direct result of acquisition, rehabilitation, or demolition for the project.

(3) The Owner may ask HUD, at any time, to determine whether a displacement is or would be covered by this section.

(h) *Definition of initiation of negotiations.* For purposes of determining the formula for computing the replacement housing assistance to be provided to a residential tenant displaced as a direct result of privately undertaken rehabilitation, demolition, or acquisition of the real property, the term *initiation of negotiations* means the Owner's execution of the agreement covering the rehabilitation, demolition, or acquisition.
