

**§ 26.41 Default.**

(a) *General.* The respondent may be found in default, upon motion, for failure to file a timely response to the Government's complaint. The motion shall include a copy of the complaint and a proposed default order, and shall be served upon all parties. The respondent shall have 10 days from such service to respond to the motion.

(b) *Default order.* The ALJ shall issue a decision on the motion within 15 days after the expiration of the time for filing a response to the default motion. If a default order is issued, it shall constitute the final agency action.

(c) *Effect of default.* A default shall constitute an admission of all facts alleged in the Government's complaint and a waiver of respondent's right to a hearing on such allegations. The penalty proposed in the complaint shall be set forth in the default order and shall be immediately due and payable by respondent without further proceedings.

## DISCOVERY

**§ 26.42 Discovery.**

(a) *General.* The parties are encouraged to engage in voluntary discovery procedures, which may commence at any time after an answer has been filed. Parties may obtain discovery regarding any matter, not privileged, that is relevant to the claim or defense of any party, including the existence, description, nature, custody, condition, and location of any books, documents, or other tangible things and the identity and location of persons having knowledge of any discoverable matter. For good cause, the ALJ may order discovery of any matter relevant to the subject matter of the action. To be relevant, information need not be admissible at the hearing, if the discovery appears reasonably calculated to lead to the discovery of admissible evidence. Each party shall bear its own expenses associated with discovery.

(b) *Discovery in Program Fraud Civil Remedies Actions.* (1) Upon receipt of a complaint, the defendant may, upon written request to the Office of General Counsel, review any relevant and material nonprivileged documents, including any exculpatory documents, that relate to the allegations set out in the

complaint. Exculpatory information that is contained in a privileged document must be disclosed; however, the privileged document need not be provided.

(2) With the exception of the limited discovery permitted under paragraph (b)(1) of this section, unless agreed to by the parties, discovery shall be available only as ordered by the ALJ. The ALJ shall order only that discovery that he or she determines is necessary for the expeditious, fair, and reasonable consideration of the issues, is not unduly costly or burdensome, and will not unduly delay the proceeding. Discovery of privileged information shall not be permitted. The request for approval sent to the Attorney General from the General Counsel or designee, as described in 31 U.S.C. § 3803(a)(2), is not discoverable under any circumstances. The ALJ may grant discovery subject to a protective order under § 26.44.

(c) *Authorized discovery.* The following types of discovery are authorized:

(1) *Requests for production of documents.* (i) Any party may serve upon any other party a written request to produce and permit the party making the request, or someone acting on the requestor's behalf, to inspect, copy, test, or sample any designated documents or electronically stored information—including writings, drawings, graphs, charts, photographs, sound recordings, images, and other data or data compilations stored in any medium from which information can be obtained—translated, if necessary, by the respondent into reasonably usable form, or to inspect, copy, test, or sample any designated tangible things that constitute or contain matters within the scope of § 26.42(a) and which are in the possession, custody, or control of the party upon whom the request is served.

(ii) The request shall set forth, either by individual item or by category, the items to be inspected, and describe each with reasonable particularity. The request shall specify a reasonable time, place, and manner of making the inspection and performing the related acts. The request may specify the form or forms in which electronically stored information is to be produced.
