

found in parts 3280 and 3282 of this chapter;

(4) Licensing requirements applicable to installers;

(5) Installer responsibilities for correction of improper installation, including installer obligations under applicable state and HUD manufactured housing dispute resolution programs;

(6) Inspection requirements and procedures;

(7) Problem-reporting mechanisms;

(8) Operational checks and adjustments; and

(9) Penalties for any person's failure to comply with the requirements of this part 3286 and parts 3285 and 3288 of this chapter.

(b) *Updating curriculum.* Qualified trainers must revise and modify course curriculum as needed to include, at a minimum, any relevant modifications to the Act or the implementing standards and regulations in this chapter, as well as to provide any training further mandated by HUD.

**§ 3286.309 Continuing education-trainers and curriculum.**

(a) *HUD-mandated elements.* Only qualified trainers are permitted to provide any training on particular subject areas that are required by HUD to be an element of the continuing education requirement set out in § 3286.205(b)(2) for the renewal of an installer's license. In implementing this requirement, HUD will:

(1) Establish the minimum number of hours and the required curriculum for such subject areas, according to experience with the program and changes in program requirements; and

(2) Provide information about the hours and curriculum directly to qualified trainers and licensed installers, or through general publication of the information.

(b) *Other training.* (1) The remainder of the 8 hours required to meet the continuing education requirement may be met through training provided either by qualified trainers or by any combination of the following:

(i) Accredited educational institutions, including community colleges and universities;

(ii) A provider of continuing education units who is certified by the

International Association for Continuing Education and Training;

(iii) Agencies at any level of government; and

(iv) State or national professional associations.

(2) The curriculum for the remainder of the 8 hours of continuing education training must relate to any aspect of manufactured home installation or construction, or to the general fields of building construction or contracting.

**§ 3286.311 Suspension or revocation of trainer's qualification.**

(a) *Oversight.* The Secretary may make a continuing evaluation of the manner in which each qualified trainer is carrying out the trainer's responsibilities under this subpart D.

(b) *Suspension or revocation of qualification.* After notice and an opportunity for a presentation of views in accordance with subpart D of part 3282 of this chapter, the Secretary may suspend or revoke a trainer's qualification under this part. A trainer's qualification may be suspended or revoked for cause, which may include:

(1) Providing false records or information to HUD;

(2) Refusing to submit information required to be submitted by the Secretary in accordance with the Act;

(3) Certifying, or improperly assisting certification of, a person as having met the training requirements established in this part when that person has not completed the required training;

(4) Failing to appropriately supervise installation training that is used to meet the requirements of this part and that is provided by other persons; and

(5) Any other failures to comply with the requirements of this part.

(c) *Other criteria.* In deciding whether to suspend or revoke a trainer's qualification, the Secretary will consider the impact of the suspension or revocation on other affected parties and will seek to assure that the sales and siting of manufactured homes are not unduly disrupted.

(d) *Reinstating qualification.* A trainer whose qualification has been suspended or revoked may submit a new application to be qualified in accordance with this subpart D no sooner than 6 months

after the date of suspension or revocation. A trainer whose qualification has been suspended may also reinstate the qualification in any manner provided under the terms of the suspension.

**§ 3286.313 Expiration and renewal of trainer qualification.**

(a) *Expiration.* Each notice of qualification issued or renewed under this subpart D will expire 5 years after the date of its issuance or renewal.

(b) *Renewal.* An application for the renewal of a trainer qualification must be submitted to HUD in accordance with § 3286.307, and must be submitted at least 60 days before the date the trainer's term of qualification expires. Any person applying for a qualification renewal after the date the qualification expires must apply for a new qualification, following the requirements established under this subpart D for application for initial qualification as an installation trainer.

**Subpart E—Installer Responsibilities of Installation in HUD-Administered States**

**§ 3286.401 Purpose.**

The purpose of this subpart E is to set out the responsibilities of the installer who is accountable for the installation of a manufactured home in compliance with the requirements of the HUD-administered installation program.

**§ 3286.403 Licensing requirements.**

An installer of manufactured homes must comply with the licensing requirements set forth in subpart C of this part.

**§ 3286.405 Installation suitability.**

(a) *Site appropriateness.* Before installing a manufactured home at any site, the installer must assure that the site is suitable for installing the home by verifying that:

- (1) The site is accessible;
- (2) The site is appropriate for the foundation or support and stabilization system that is to be used to install the home in accordance with the federal installation standards or alternative

requirements in part 3285 of this chapter;

(3) The data plate required by § 3280.5 of this chapter is affixed to the home, that the home is designed for the roof load, wind load, and thermal zones that are applicable to the intended site; and

(4) The installation site is protected from surface run-off and can be graded in accordance with part 3285.

(b) *Installer notification of unsuitable site.* If the installer determines that the home cannot be installed properly at the site, the installer must:

(1) Notify the purchaser or other person with whom the installer contracted for the installation work, identifying the reasons why the site is unsuitable;

(2) Notify the retailer that contracted with the purchaser for the sale of the home, identifying the reasons why the site is unsuitable;

(3) Notify HUD, identifying the reasons why the site is unsuitable;

(4) Decline to install the home until the site and the home are both verified by the installer as suitable for the site under this section; and

(5) Ensure that all unique characteristics of the site have been fully addressed.

(c) *Installer notification of failures to comply with the construction and safety standards.* If the installer notices and recognizes failures to comply with the construction and safety standards in part 3280 of this chapter prior to beginning any installation work, during the course of the installation work, or after the installation work is complete, the installer must notify the manufacturer and retailer of each failure to comply.

(d) *Retailer notification.* The retailer must provide a copy of the notification received in paragraphs (b) and (c) of this section to any subsequent installer.

**§ 3286.407 Supervising work of crew.**

The installer will be responsible for the work performed by each person engaged to perform installation tasks on a manufactured home, in accordance with the HUD-administered installation program.
