Subpart E—Administration

§ 582.400 Grant agreement.

(a) *General.* The grant agreement will be between HUD and the recipient. HUD will hold the recipient responsible for the overall administration of the program, including overseeing any sub-recipients or contractors. Under the grant agreement, the recipient must agree to operate the program in accordance with the provisions of this part and other applicable HUD regulations.

(b) *Enforcement.* HUD will enforce the obligations in the grant agreement through such action as may be necessary, including recapturing assistance awarded under the program.

§ 582.405 Program changes.

(a) *Changes.* HUD must approve, in writing, any significant changes to an approved program. Significant changes that require approval include, but are not limited to, a change in sponsor, a change in the project site for SRO or PRA with rehabilitation projects, and a change in the type of persons with disabilities to be served. Depending on the nature of the change, HUD may require a new certification of consistency with the CHAS (see § 582.120).

(b) *Approval.* Approval for such changes is contingent upon the application ranking remaining high enough to

have been competitively selected for funding in the year the application was selected.

§ 582.410 Obligation and deobligation of funds.

(a) *Obligation of funds.* When HUD and the applicant execute a grant agreement, HUD will obligate funds to cover the amount of the approved grant. The recipient will be expected to carry out the activities as proposed in the application. After the initial obligation of funds, HUD is under no obligation to make any upward revisions to the grant amount for any approved assistance.

(b) *Deobligation.* (1) HUD may deobligate all or a portion of the approved grant amount if such amount is not expended in a timely manner, or the proposed housing for which funding was approved or the supportive services proposed in the application are not provided in accordance with the approved application, the requirements of this part, and other applicable HUD regulations. The grant agreement may set forth other circumstances under which funds may be deobligated, and other sanctions may be imposed.

(2) HUD may readvertise, in a notice of fund availability, the availability of funds that have been deobligated, or may reconsider applications that were submitted in response to the most recently published notice of fund availability and select applications for funding with the deobligated funds. Such selections would be made in accordance with the selection process described in § 582.220 of this part. Any selections made using deobligated funds will be subject to applicable appropriation act requirements governing the use of deobligated funding authority.

(a) *Use.* HUD will grant funds to recipients to:

If the grant funds are used for new construction, the applicant must demonstrate that the costs associated with new construction are substantially less than the costs associated with rehabilitation or that there is a lack of available appropriate units that could be rehabilitated at a cost less than new construction. For purposes of this cost comparison, costs associated with rehabilitation or new construction may include the cost of real property acquisition.

(b) *Amount.* The maximum grant available for new construction is the lower of:

(b)(1) *Leasing structures.* Where grants are used to pay rent for all or part of structures, the rent paid must be reasonable in relation to rents being charged in the area for comparable space. In addition, the rent paid may not exceed rents currently being charged by the same owner for comparable space.

(2) *Leasing individual units.* Where grants are used to pay rent for individual housing units, the rent paid must be reasonable in relation to rents being charged for comparable units, taking into account the location, size, type, quality, amenities, facilities, and management services. In addition, the rents may not exceed rents currently being charged by the same owner for comparable unassisted units, and the portion of rents paid with grant funds may not exceed HUD-determined fair market rents. Recipients may use grant funds in an amount up to one month's rent to pay the non-recipient landlord for any damages to leased units by homeless participants.

All or part of the supportive services may be provided directly by the recipient or by arrangement with public or private service providers.

(b) *Supportive services costs.* Costs associated with providing supportive services include salaries paid to providers of supportive services and any other costs directly associated with providing such services. (c) *Recipient match requirement for operating costs.* Assistance for operating costs will be available for up to 75 percent of the total cost in each year of the grant term. The recipient must pay the percentage of the actual operating costs not funded by HUD. At the end of each operating year, the recipient must demonstrate that it has met its match requirement of the costs for that year.

[58 FR 13871, Mar. 15, 1993, as amended at 61 FR 51175, Sept. 30, 1996; 65 FR 30823, May 12, 2000]

[58 FR 13871, Mar. 15, 1993, as amended at 61 FR 51175, Sept. 30, 1996]

§ 583.140 Technical assistance.

(a) *General.* HUD may set aside funds annually to provide technical assistance, either directly by HUD staff or indirectly through third-party providers, for any supportive housing project. This technical assistance is for the purpose of promoting the development of supportive housing and supportive services as part of a continuum of care approach, including innovative approaches to assist homeless persons in the transition from homelessness, and promoting the provision of supportive housing to homeless persons to enable them to live as independently as possible.

(b) *Uses of technical assistance.* HUD may use these funds to provide technical assistance to prospective applicants, applicants, recipients, or other providers of supportive housing or services for homeless persons, for supportive housing projects. The assistance may include, but is not limited to, written information such as papers, monographs, manuals, guides, and brochures; person-to-person exchanges; and training and related costs.

(c) *Selection of providers.* From time to time, as HUD determines the need, HUD may advertise and competitively select providers to deliver technical assistance. HUD may enter into contracts, grants, or cooperative agreements, when necessary, to implement the technical assistance.

[59 FR 36892, July 19, 1994]

§ 583.145 Matching requirements.

(a) *General.* The recipient must match the funds provided by HUD for

grants for acquisition, rehabilitation, and new construction with an equal amount of funds from other sources.

(b) *Cash resources.* The matching funds must be cash resources provided to the project by one or more of the following: the recipient, the Federal government, State and local governments, and private resources, in accordance with 42 U.S.C. 11386. This statute provides that a recipient may use funds from any source, including any other Federal source (but excluding the specific statutory subtitle from which Supportive Housing Program funds are provided), as well as State, local, and private sources, provided that funds from the other source are not statutorily prohibited to be used as a match. It is the responsibility of the recipient to ensure that any funds used to satisfy the matching requirements of this section are eligible under the laws governing the funds to be used as matching funds for a grant awarded under this program.

(c) *Maintenance of effort.* State or local government funds used in the matching contribution are subject to the maintenance of effort requirements described at § 583.150(a).

[58 FR 13871, Mar. 15, 1993, as amended at 73 FR 75326, Dec. 11, 2008]

§ 583.150 Limitations on use of assistance.

(a) *Maintenance of effort.* No assistance provided under this part (or any State or local government funds used to supplement this assistance) may be used to replace State or local funds previously used, or designated for use, to assist homeless persons.

(b) *Faith-based activities.* (1) Organizations that are religious or faith-based are eligible, on the same basis as any other organization, to participate in the Supportive Housing Program. Neither the Federal government nor a State or local government receiving funds under Supportive Housing programs shall discriminate against an organization on the basis of the organization's religious character or affiliation.

(2) Organizations that are directly funded under the Supportive Housing Program may not engage in inherently religious activities, such as worship,

religious instruction, or proselytization as part of the programs or services funded under this part. If an organization conducts such activities, the activities must be offered separately, in time or location, from the programs or services funded under this part, and participation must be voluntary for the beneficiaries of the HUD-funded programs or services.

(3) A religious organization that participates in the Supportive Housing Program will retain its independence from Federal, State, and local governments, and may continue to carry out its mission, including the definition, practice, and expression of its religious beliefs, provided that it does not use direct Supportive Housing Program funds to support any inherently religious activities, such as worship, religious instruction, or proselytization. Among other things, faith-based organizations may use space in their facilities to provide Supportive Housing Program-funded services, without removing religious art, icons, scriptures, or other religious symbols. In addition, a Supportive Housing Program-funded religious organization retains its authority over its internal governance, and it may retain religious terms in its organization's name, select its board members on a religious basis, and include religious references in its organization's mission statements and other governing documents.

(4) An organization that participates in the Supportive Housing Program shall not, in providing program assistance, discriminate against a program beneficiary or prospective program beneficiary on the basis of religion or religious belief.

(5) Program funds may not be used for the acquisition, construction, or rehabilitation of structures to the extent that those structures are used for inherently religious activities. Program funds may be used for the acquisition, construction, or rehabilitation of structures only to the extent that those structures are used for conducting eligible activities under this part. Where a structure is used for both eligible and inherently religious activities, program funds may not exceed the cost of those portions of the acquisition, construction, or rehabilitation

that are attributable to eligible activities in accordance with the cost accounting requirements applicable to Supportive Housing Program funds in this part. Sanctuaries, chapels, or other rooms that a Supportive Housing Program-funded religious congregation uses as its principal place of worship, however, are ineligible for Supportive Housing Program-funded improvements. Disposition of real property after the term of the grant, or any change in use of the property during the term of the grant, is subject to government-wide regulations governing real property disposition (*see* 24 CFR parts 84 and 85 (as revised April 1, 2013)).

(6) If a State or local government voluntarily contributes its own funds to supplement federally funded activities, the State or local government has the option to segregate the Federal funds or commingle them. However, if the funds are commingled, this section applies to all of the commingled funds.

(c) *Participant control of site.* Where an applicant does not propose to have control of a site or sites but rather proposes to assist a homeless family or individual in obtaining a lease, which may include assistance with rent payments and receiving supportive services, after which time the family or individual remains in the same housing without further assistance under this part, that applicant may not request assistance for acquisition, rehabilitation, or new construction.

[58 FR 13871, Mar. 15, 1993, as amended at 59 FR 36892, July 19, 1993; 68 FR 56407, Sept. 30, 2003; 80 FR 75940, Dec. 7, 2015]

§ 583.155 Consolidated plan.

(a) *Applicants that are States or units of general local government.* The applicant must have a HUD-approved complete or abbreviated consolidated plan, in accordance with 24 CFR part 91, and must submit a certification that the application for funding is consistent with the HUD-approved consolidated plan. Funded applicants must certify in a grant agreement that they are following the HUD-approved consolidated plan.

(b) *Applicants that are not States or units of general local government.* The applicant must submit a certification

by the jurisdiction in which the proposed project will be located that the applicant's application for funding is consistent with the jurisdiction's HUD-approved consolidated plan. The certification must be made by the unit of general local government or the State, in accordance with the consistency certification provisions of the consolidated plan regulations, 24 CFR part 91, subpart F.

(c) *Indian tribes and the Insular Areas of Guam, the U.S. Virgin Islands, American Samoa, and the Northern Mariana Islands.* These entities are not required to have a consolidated plan or to make consolidated plan certifications. An application by an Indian tribe or other applicant for a project that will be located on a reservation of an Indian tribe will not require a certification by the tribe or the State. However, where an Indian tribe is the applicant for a project that will not be located on a reservation, the requirement for a certification under paragraph (b) of this section will apply.

(d) *Timing of consolidated plan certification submissions.* Unless otherwise set forth in the NOFA, the required certification that the application for funding is consistent with the HUD-approved consolidated plan must be submitted by the funding application submission deadline announced in the NOFA.

Subpart C—Application and Grant Award Process

§ 583.200 Application and grant award.

When funds are made available for assistance, HUD will publish a notice of funding availability (NOFA) in the FEDERAL REGISTER, in accordance with the requirements of 24 CFR part 4. HUD will review and screen applications in accordance with the requirements in section 426 of the McKinney Act (42 U.S.C. 11386) and the guidelines, rating criteria, and procedures published in the NOFA.

[61 FR 51176, Sept. 30, 1996]

§ 583.230 Environmental review.

(a) Activities under this part are subject to HUD environmental regulations in part 58 of this title, except that HUD

will perform an environmental review in accordance with part 50 of this title prior to its approval of any conditionally selected applications for Fiscal Year 2000 and prior years that were received directly from private non-profit entities and governmental entities with special or limited purpose powers. For activities under a grant that generally would be subject to review under part 58, HUD may make a finding in accordance with § 58.11(d) and may itself perform the environmental review under the provisions of part 50 of this title if the recipient objects in writing to the responsible entity's performing the review under part 58. Irrespective of whether the responsible entity in accord with part 58 (or HUD in accord with part 50) performs the environmental review, the recipient shall supply all available, relevant information necessary for the responsible entity (or HUD, if applicable) to perform for each property any environmental review required by this part. The recipient also shall carry out mitigating measures required by the responsible entity (or HUD, if applicable) or select alternate eligible property. HUD may eliminate from consideration any application that would require an Environmental Impact Statement (EIS).

(b) The recipient, its project partners and their contractors may not acquire, rehabilitate, convert, lease, repair, dispose of, demolish or construct property for a project under this part, or commit or expend HUD or local funds for such eligible activities under this part, until the responsible entity (as defined in § 58.2 of this title) has completed the environmental review procedures required by part 58 and the environmental certification and RROF have been approved or HUD has performed an environmental review under part 50 and the recipient has received HUD approval of the property. HUD will not release grant funds if the recipient or any other party commits grant funds (*i.e.*, incurs any costs or expenditures to be paid or reimbursed with such funds) before the recipient submits and HUD approves its RROF (where such submission is required).

[68 FR 56131, Sept. 29, 2003]

§ 583.235 Renewal grants.

(a) *General.* Grants made under this part, and grants made under subtitles C and D (the Supportive Housing Demonstration and SAFAH, respectively) of the Stewart B. McKinney Homeless Assistance Act as in effect before October 28, 1992, may be renewed on a non-competitive basis to continue ongoing leasing, operations, and supportive services for additional years beyond the initial funding period. To be considered for renewal funding for leasing, operating costs, or supportive services, recipients must submit a request for such funding in the form specified by HUD, must meet the requirements of this part, and must submit requests within the time period established by HUD.

(b) *Assistance available.* The first renewal will be for a period of time not to exceed the difference between the end of the initial funding period and ten years from the date of initial occupancy or the date of initial service provision, as applicable. Any subsequent renewal will be for a period of time not to exceed five years. Assistance during each year of the renewal period, subject to maintenance of effort requirements under § 583.150(a) may be for:

(1) Up to 50 percent of the actual operating and leasing costs in the final year of the initial funding period;

(2) Up to the amount of HUD assistance for supportive services in the final year of the initial funding period; and

(3) An allowance for cost increases.

(c) *HUD review.* (1) HUD will review the request for renewal and will evaluate the recipient's performance in previous years against the plans and goals established in the initial application for assistance, as amended. HUD will approve the request for renewal unless the recipient proposes to serve a population that is not homeless, or the recipient has not shown adequate progress as evidenced by an unacceptably slow expenditure of funds, or the recipient has been unsuccessful in assisting participants in achieving and maintaining independent living. In determining the recipient's success in assisting participants to achieve and maintain independent living, consideration will be given to the level and type of problems of participants. For

recipients with a poor record of success, HUD will also consider the recipient's willingness to accept technical assistance and to make changes suggested by technical assistance providers. Other factors which will affect HUD's decision to approve a renewal request include the following: a continuing history of inadequate financial management accounting practices, indications of mismanagement on the part of the recipient, a drastic reduction in the population served by the recipient, program changes made by the recipient without prior HUD approval, and loss of project site.

(2) HUD reserves the right to reject a request from any organization with an outstanding obligation to HUD that is in arrears or for which a payment schedule has not been agreed to, or whose response to an audit finding is overdue or unsatisfactory.

(3) HUD will notify the recipient in writing that the request has been approved or disapproved.

Subpart D—Program Requirements

§ 583.300 General operation.

(a) *State and local requirements.* Each recipient of assistance under this part must provide housing or services that are in compliance with all applicable State and local housing codes, licensing requirements, and any other requirements in the jurisdiction in which the project is located regarding the condition of the structure and the operation of the housing or services.

(b) *Habitability standards.* Except for such variations as are proposed by the recipient and approved by HUD, supportive housing must meet the following requirements:

(1) *Structure and materials.* The structures must be structurally sound so as not to pose any threat to the health and safety of the occupants and so as to protect the residents from the elements.

(2) *Access.* The housing must be accessible and capable of being utilized without unauthorized use of other private properties. Structures must provide alternate means of egress in case of fire.

(3) *Space and security.* Each resident must be afforded adequate space and security for themselves and their belongings. Each resident must be provided an acceptable place to sleep.

(4) *Interior air quality.* Every room or space must be provided with natural or mechanical ventilation. Structures must be free of pollutants in the air at levels that threaten the health of residents.

(5) *Water supply.* The water supply must be free from contamination.

(6) *Sanitary facilities.* Residents must have access to sufficient sanitary facilities that are in proper operating condition, may be used in privacy, and are adequate for personal cleanliness and the disposal of human waste.

(7) *Thermal environment.* The housing must have adequate heating and/or cooling facilities in proper operating condition.

(8) *Illumination and electricity.* The housing must have adequate natural or artificial illumination to permit normal indoor activities and to support the health and safety of residents. Sufficient electrical sources must be provided to permit use of essential electrical appliances while assuring safety from fire.

(9) *Food preparation and refuse disposal.* All food preparation areas must contain suitable space and equipment to store, prepare, and serve food in a sanitary manner.

(10) *Sanitary condition.* The housing and any equipment must be maintained in sanitary condition.

(11) *Fire safety.* (i) Each unit must include at least one battery-operated or hard-wired smoke detector, in proper working condition, on each occupied level of the unit. Smoke detectors must be located, to the extent practicable, in a hallway adjacent to a bedroom. If the unit is occupied by hearing-impaired persons, smoke detectors must have an alarm system designed for hearing-impaired persons in each bedroom occupied by a hearing-impaired person.

(ii) The public areas of all housing must be equipped with a sufficient number, but not less than one for each area, of battery-operated or hard-wired smoke detectors. Public areas include, but are not limited to, laundry rooms,

community rooms, day care centers, hallways, stairwells, and other common areas.

(c) *Meals.* Each recipient of assistance under this part who provides supportive housing for homeless persons with disabilities must provide meals or meal preparation facilities for residents.

(d) *Ongoing assessment of supportive services.* Each recipient of assistance under this part must conduct an ongoing assessment of the supportive services required by the residents of the project and the availability of such services, and make adjustments as appropriate.

(e) *Residential supervision.* Each recipient of assistance under this part must provide residential supervision as necessary to facilitate the adequate provision of supportive services to the residents of the housing throughout the term of the commitment to operate supportive housing. Residential supervision may include the employment of a full- or part-time residential supervisor with sufficient knowledge to provide or to supervise the provision of supportive services to the residents.

(f) *Participation of homeless persons.* (1) Each recipient must provide for the participation of homeless persons as required in section 426(g) of the McKinney Act (42 U.S.C. 11386(g)). This requirement is waived if an applicant is unable to meet it and presents a plan for HUD approval to otherwise consult with homeless or formerly homeless persons in considering and making policies and decisions. See also § 583.330(e).

(2) Each recipient of assistance under this part must, to the maximum extent practicable, involve homeless individuals and families, through employment, volunteer services, or otherwise, in constructing, rehabilitating, maintaining, and operating the project and in providing supportive services for the project.

(g) *Records and reports.* Each recipient of assistance under this part must keep any records and make any reports (including those pertaining to race, ethnicity, gender, and disability status data) that HUD may require within the timeframe required.

§ 583.301

24 CFR Ch. V (4–1–23 Edition)

(h) *Confidentiality.* Each recipient that provides family violence prevention or treatment services must develop and implement procedures to ensure:

(1) The confidentiality of records pertaining to any individual services; and

(2) That the address or location of any project assisted will not be made public, except with written authorization of the person or persons responsible for the operation of the project.

(i) *Termination of housing assistance.* The recipient may terminate assistance to a participant who violates program requirements. Recipients should terminate assistance only in the most severe cases. Recipients may resume assistance to a participant whose assistance was previously terminated. In terminating assistance to a participant, the recipient must provide a formal process that recognizes the rights of individuals receiving assistance to due process of law. This process, at a minimum, must consist of:

(1) Written notice to the participant containing a clear statement of the reasons for termination;

(2) A review of the decision, in which the participant is given the opportunity to present written or oral objections before a person other than the person (or a subordinate of that person) who made or approved the termination decision; and

(3) Prompt written notice of the final decision to the participant.

(j) *Limitation of stay in transitional housing.* A homeless individual or family may remain in transitional housing for a period longer than 24 months, if permanent housing for the individual or family has not been located or if the individual or family requires additional time to prepare for independent living. However, HUD may discontinue assistance for a transitional housing project if more than half of the homeless individuals or families remain in that project longer than 24 months.

(k) *Outpatient health services.* Outpatient health services provided by the recipient must be approved as appropriate by HUD and the Department of Health and Human Services (HHS). Upon receipt of an application that proposes the provision of outpatient health services, HUD will consult with

HHS with respect to the appropriateness of the proposed services.

(l) *Annual assurances.* Recipients who receive assistance only for leasing, operating costs or supportive services costs must provide an annual assurance for each year such assistance is received that the project will be operated for the purpose specified in the application.

§ 583.301 Recordkeeping.

(a) [Reserved]

(b) *Homeless status.* The recipient must maintain and follow written intake procedures to ensure compliance with the homeless definition in § 583.5. The procedures must require documentation at intake of the evidence relied upon to establish and verify homeless status. The procedures must establish the order of priority for obtaining evidence as third-party documentation first, intake worker observations second, and certification from the person seeking assistance third. However, lack of third-party documentation must not prevent an individual or family from being immediately admitted to emergency shelter, receiving street outreach services, or being immediately admitted to shelter or receiving services provided by a victim service provider, as defined in section 401(32) of the McKinney-Vento Homeless Assistance Act, as amended by the HEARTH Act. Records contained in an HMIS or comparable database used by victim service or legal service providers are acceptable evidence of third-party documentation and intake worker observations if the HMIS retains an auditable history of all entries, including the person who entered the data, the date of entry, and the change made; and if the HMIS prevents overrides or changes of the dates on which entries are made.

(1) If the individual or family qualifies as homeless under paragraph (1)(i) or (ii) of the homeless definition in § 583.5, acceptable evidence includes a written observation by an outreach

worker of the conditions where the individual or family was living, a written referral by another housing or service provider, or a certification by the individual or head of household seeking assistance.

(2) If the individual qualifies as homeless under paragraph (1)(iii) of the homeless definition in §583.5, because he or she resided in an emergency shelter or place not meant for human habitation and is exiting an institution where he or she resided for 90 days or less, acceptable evidence includes the evidence described in paragraph (b)(1) of this section and one of the following:

(i) Discharge paperwork or a written or oral referral from a social worker, case manager, or other appropriate official of the institution, stating the beginning and end dates of the time residing in the institution. All oral statements must be recorded by the intake worker; or

(ii) Where the evidence in paragraph (b)(2)(i) of this section is not obtainable, a written record of the intake worker's due diligence in attempting to obtain the evidence described in paragraph (b)(2)(i) and a certification by the individual seeking assistance that states he or she is exiting or has just exited an institution where he or she resided for 90 days or less.

(3) If the individual or family qualifies as homeless under paragraph (2) of the homeless definition in §583.5, because the individual or family will imminently lose their housing, the evidence must include:

(i)(A) A court order resulting from an eviction action that requires the individual or family to leave their residence within 14 days after the date of their application for homeless assistance; or the equivalent notice under applicable state law, a Notice to Quit, or a Notice to Terminate issued under state law;

(B) For individuals and families whose primary nighttime residence is a hotel or motel room not paid for by charitable organizations or federal, state, or local government programs for low-income individuals, evidence that the individual or family lacks the resources necessary to reside there for more than 14 days after the date of application for homeless assistance; or

(C) An oral statement by the individual or head of household that the owner or renter of the housing in which they currently reside will not allow them to stay for more than 14 days after the date of application for homeless assistance. The intake worker must record the statement and certify that it was found credible. To be found credible, the oral statement must either: Be verified by the owner or renter of the housing in which the individual or family resides at the time of application for homeless assistance and documented by a written certification by the owner or renter or by the intake worker's recording of the owner or renter's oral statement; or if the intake worker is unable to contact the owner or renter, be documented by a written certification by the intake worker of his or her due diligence in attempting to obtain the owner or renter's verification and the written certification by the individual or head of household seeking assistance that his or her statement was true and complete;

(ii) Certification by the individual or head of household that no subsequent residence has been identified; and

(iii) Certification or other written documentation that the individual or family lacks the resources and support networks needed to obtain other permanent housing.

(4) If the individual or family qualifies as homeless under paragraph (3) of the homeless definition in §583.5, because the individual or family does not otherwise qualify as homeless under the homeless definition but is an unaccompanied youth under 25 years of age, or homeless family with one or more children or youth, and is defined as homeless under another Federal statute or section 725(2) of the McKinney-Vento Homeless Assistance Act (42 U.S.C. 11434a(2)), the evidence must include:

(i) For paragraph (3)(i) of the homeless definition in §583.5, certification of homeless status by the local private nonprofit organization or state or local governmental entity responsible for administering assistance under the Runaway and Homeless Youth Act (42 U.S.C. 5701 *et seq.*), the Head Start Act (42 U.S.C. 9831 *et seq.*), subtitle N of the

Violence Against Women Act of 1994 (42 U.S.C. 14043e *et seq.*), section 330 of the Public Health Service Act (42 U.S.C. 254b), the Food and Nutrition Act of 2008 (7 U.S.C. 2011 *et seq.*), section 17 of the Child Nutrition Act of 1966 (42 U.S.C. 1786), or subtitle B of title VII of the McKinney-Vento Homeless Assistance Act (42 U.S.C. 11431 *et seq.*), as applicable;

(ii) For paragraph (3)(ii) of the homeless definition in § 583.5, referral by a housing or service provider, written observation by an outreach worker, or certification by the homeless individual or head of household seeking assistance;

(iii) For paragraph (3)(iii) of the homeless definition in § 583.5, certification by the individual or head of household and any available supporting documentation that the individual or family moved two or more times during the 60-day period immediately preceding the date for application of homeless assistance, including: Recorded statements or records obtained from each owner or renter of housing, provider of shelter or housing, or social worker, case worker, or other appropriate official of a hospital or institution in which the individual or family resided; or, where these statements or records are unobtainable, a written record of the intake worker's due diligence in attempting to obtain these statements or records. Where a move was due to the individual or family fleeing domestic violence, dating violence, sexual assault, or stalking, then the intake worker may alternatively obtain a written certification from the individual or head of household seeking assistance that they were fleeing that situation and that they resided at that address; and

(iv) For paragraph (3)(iv) of the homeless definition in § 583.5, written diagnosis from a professional who is licensed by the state to diagnose and treat that condition (or intake staff-recorded observation of disability that within 45 days of the date of application for assistance is confirmed by a professional who is licensed by the state to diagnose and treat that condition); employment records; department of corrections records; literacy, English proficiency tests; or other rea-

sonable documentation of the conditions required under paragraph (3)(iv) of the homeless definition.

(5) If the individual or family qualifies under paragraph (4) of the homeless definition in § 583.5, because the individual or family is fleeing domestic violence, dating violence, sexual assault, stalking, or other dangerous or life-threatening conditions related to violence, then acceptable evidence includes an oral statement by the individual or head of household seeking assistance that they are fleeing that situation, that no subsequent residence has been identified, and that they lack the resources or support networks, e.g., family, friends, faith-based or other social networks, needed to obtain other housing. If the individual or family is receiving shelter or services provided by a victim service provider, as defined in section 401(32) of the McKinney-Vento Homeless Assistance Act, as amended by the HEARTH Act, the oral statement must be documented by either a certification by the individual or head of household; or a certification by the intake worker. Otherwise, the oral statement that the individual or head of household seeking assistance has not identified a subsequent residence and lacks the resources or support networks, e.g., family, friends, faith-based or other social networks, needed to obtain housing, must be documented by a certification by the individual or head of household that the oral statement is true and complete, and, where the safety of the individual or family would not be jeopardized, the domestic violence, dating violence, sexual assault, stalking, or other dangerous or life-threatening condition must be verified by a written observation by the intake worker; or a written referral by a housing or service provider, social worker, health-care provider, law enforcement agency, legal assistance provider, pastoral counselor, or any another organization from whom the individual or head of household has sought assistance for domestic violence, dating violence, sexual assault, or stalking. The written referral or observation need only include the minimum amount of information necessary to document that the individual or family is fleeing,

or attempting to flee domestic violence, dating violence, sexual assault, and stalking.

(c) *Disability.*—Each recipient of assistance under this part must maintain and follow written intake procedures to ensure that the assistance benefits persons with disabilities, as defined in § 583.5. In addition to the documentation required under paragraph (b) of this section, the procedures must require documentation at intake of the evidence relied upon to establish and verify the disability of the person applying for homeless assistance. The recipient must keep these records for 5 years after the end of the grant term. Acceptable evidence of the disability includes:

(1) Written verification of the disability from a professional licensed by the state to diagnose and treat the disability and his or her certification that the disability is expected to be long-continuing or of indefinite duration and substantially impedes the individual's ability to live independently;

(2) Written verification from the Social Security Administration;

(3) The receipt of a disability check (e.g., Social Security Disability Insurance check or Veteran Disability Compensation);

(4) Other documentation approved by HUD; or

(5) Intake staff-recorded observation of disability that, no later than 45 days of the application for assistance, is confirmed and accompanied by evidence in paragraph (c)(1), (2), (3), or (4) of this section.

[76 FR 76017, Dec. 5, 2011]

§ 583.305 Term of commitment; repayment of grants; prevention of undue benefits.

(a) *Term of commitment and conversion.* Recipients must agree to operate the housing or provide supportive services in accordance with this part and with sections 423 (b)(1) and (b)(3) of the McKinney Act (42 U.S.C. 11383(b)(1), 11383(b)(3)).

(b) *Repayment of grant and prevention of undue benefits.* In accordance with section 423(c) of the McKinney Act (42 U.S.C. 11383(c)), HUD will require recipients to repay the grant unless HUD has authorized conversion of the

project under section 423(b)(3) of the McKinney Act (42 U.S.C. 11383(b)(3)).

[61 FR 51176, Sept. 30, 1996]

§ 583.310 Displacement, relocation, and acquisition.

(a) *Minimizing displacement.* Consistent with the other goals and objectives of this part, recipients must assure that they have taken all reasonable steps to minimize the displacement of persons (families, individuals, businesses, nonprofit organizations, and farms) as a result of supportive housing assisted under this part.

(b) *Relocation assistance for displaced persons.* A displaced person (defined in paragraph (f) of this section) must be provided relocation assistance at the levels described in, and in accordance with, the requirements of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 (URA) (42 U.S.C. 4601-4655) and implementing regulations at 49 CFR part 24.

(c) *Real property acquisition requirements.* The acquisition of real property for supportive housing is subject to the URA and the requirements described in 49 CFR part 24, subpart B.

(d) *Responsibility of recipient.* (1) The recipient must certify (*i.e.*, provide assurance of compliance) that it will comply with the URA, the regulations at 49 CFR part 24, and the requirements of this section, and must ensure such compliance notwithstanding any third party's contractual obligation to the recipient to comply with these provisions.

(2) The cost of required relocation assistance is an eligible project cost in the same manner and to the same extent as other project costs. Such costs also may be paid for with local public funds or funds available from other sources.

(3) The recipient must maintain records in sufficient detail to demonstrate compliance with provisions of this section.

(e) *Appeals.* A person who disagrees with the recipient's determination concerning whether the person qualifies as a "displaced person," or the amount of relocation assistance for which the person is eligible, may file a written appeal of that determination with the recipient. A low-income person who is

dissatisfied with the recipient's determination on his or her appeal may submit a written request for review of that determination to the HUD field office.

(f) *Definition of displaced person.* (1) For purposes of this section, the term "displaced person" means a person (family, individual, business, nonprofit organization, or farm) that moves from real property, or moves personal property from real property permanently as a direct result of acquisition, rehabilitation, or demolition for supportive housing projects assisted under this part. The term "displaced person" includes, but may not be limited to:

(i) A person that moves permanently from the real property after the property owner (or person in control of the site) issues a vacate notice, or refuses to renew an expiring lease in order to evade the responsibility to provide relocation assistance, if the move occurs on or after the date the recipient submits to HUD the application or application amendment designating the project site.

(ii) Any person, including a person who moves before the date described in paragraph (f)(1)(i) of this section, if the recipient or HUD determines that the displacement resulted directly from acquisition, rehabilitation, or demolition for the assisted project.

(iii) A tenant-occupant of a dwelling unit who moves permanently from the building/complex on or after the date of the "initiation of negotiations" (see paragraph (g) of this section) if the move occurs before the tenant has been provided written notice offering him or her the opportunity to lease and occupy a suitable, decent, safe and sanitary dwelling in the same building/complex, under reasonable terms and conditions, upon completion of the project. Such reasonable terms and conditions must include a monthly rent and estimated average monthly utility costs that do not exceed the greater of:

(A) The tenant's monthly rent before the initiation of negotiations and estimated average utility costs, or

(B) 30 percent of gross household income. If the initial rent is at or near the maximum, there must be a reasonable basis for concluding at the time

the project is initiated that future rent increases will be modest.

(iv) A tenant of a dwelling who is required to relocate temporarily, but does not return to the building/complex, if either:

(A) A tenant is not offered payment for all reasonable out-of-pocket expenses incurred in connection with the temporary relocation, or

(B) Other conditions of the temporary relocation are not reasonable.

(v) A tenant of a dwelling who moves from the building/complex permanently after he or she has been required to move to another unit in the same building/complex, if either:

(A) The tenant is not offered reimbursement for all reasonable out-of-pocket expenses incurred in connection with the move; or

(B) Other conditions of the move are not reasonable.

(2) Notwithstanding the provisions of paragraph (f)(1) of this section, a person does not qualify as a "displaced person" (and is not eligible for relocation assistance under the URA or this section), if:

(i) The person has been evicted for serious or repeated violation of the terms and conditions of the lease or occupancy agreement, violation of applicable Federal, State, or local or tribal law, or other good cause, and HUD determines that the eviction was not undertaken for the purpose of evading the obligation to provide relocation assistance;

(ii) The person moved into the property after the submission of the application and, before signing a lease and commencing occupancy, was provided written notice of the project, its possible impact on the person (e.g., the person may be displaced, temporarily relocated, or suffer a rent increase) and the fact that the person would not qualify as a "displaced person" (or for any assistance provided under this section), if the project is approved;

(iii) The person is ineligible under 49 CFR 24.2(g)(2); or

(iv) HUD determines that the person was not displaced as a direct result of acquisition, rehabilitation, or demolition for the project.

(3) The recipient may request, at any time, HUD's determination of whether

a displacement is or would be covered under this section.

(g) *Definition of initiation of negotiations.* For purposes of determining the formula for computing the replacement housing assistance to be provided to a residential tenant displaced as a direct result of privately undertaken rehabilitation, demolition, or acquisition of the real property, the term “initiation of negotiations” means the execution of the agreement between the recipient and HUD.

(h) *Definition of project.* For purposes of this section, the term “project” means an undertaking paid for in whole or in part with assistance under this part. Two or more activities that are integrally related, each essential to the others, are considered a single project, whether or not all component activities receive assistance under this part.

[58 FR 13871, Mar. 15, 1993, as amended at 59 FR 36892, July 19, 1994]

§ 583.315 Resident rent.

(a) *Calculation of resident rent.* Each resident of supportive housing may be required to pay as rent an amount determined by the recipient which may not exceed the highest of:

(1) 30 percent of the family’s monthly adjusted income (adjustment factors include the number of people in the family, age of family members, medical expenses and child care expenses). The calculation of the family’s monthly adjusted income must include the expense deductions provided in 24 CFR 5.611(a), and for persons with disabilities, the calculation of the family’s monthly adjusted income also must include the disallowance of earned income as provided in 24 CFR 5.617, if applicable;

(2) 10 percent of the family’s monthly gross income; or

(3) If the family is receiving payments for welfare assistance from a public agency and a part of the payments, adjusted in accordance with the family’s actual housing costs, is specifically designated by the agency to meet the family’s housing costs, the portion of the payment that is designated for housing costs.

(b) *Use of rent.* Resident rent may be used in the operation of the project or

may be reserved, in whole or in part, to assist residents of transitional housing in moving to permanent housing.

(c) *Fees.* In addition to resident rent, recipients may charge residents reasonable fees for services not paid with grant funds.

[58 FR 13871, Mar. 15, 1993, as amended at 59 FR 36892, July 19, 1994; 66 FR 6225, Jan. 19, 2001]

§ 583.320 Site control.

(a) *Site control.* (1) Where grant funds will be used for acquisition, rehabilitation, or new construction to provide supportive housing or supportive services, or where grant funds will be used for operating costs of supportive housing, or where grant funds will be used to provide supportive services except where an applicant will provide services at sites not operated by the applicant, an applicant must demonstrate site control before HUD will execute a grant agreement (*e.g.*, through a deed, lease, executed contract of sale). If such site control is not demonstrated within one year after initial notification of the award of assistance under this part, the grant will be deobligated as provided in paragraph (c) of this section.

(2) Where grant funds will be used to lease all or part of a structure to provide supportive housing or supportive services, or where grant funds will be used to lease individual housing units for homeless persons who will eventually control the units, site control need not be demonstrated.

(b) *Site change.* (1) A recipient may obtain ownership or control of a suitable site different from the one specified in its application. Retention of an assistance award is subject to the new site’s meeting all requirements under this part for suitable sites.

(2) If the acquisition, rehabilitation, acquisition and rehabilitation, or new construction costs for the substitute site are greater than the amount of the grant awarded for the site specified in the application, the recipient must provide for all additional costs. If the recipient is unable to demonstrate to HUD that it is able to provide for the difference in costs, HUD may deobligate the award of assistance.

(c) *Failure to obtain site control within one year.* HUD will recapture or deobligate any award for assistance under this part if the recipient is not in control of a suitable site before the expiration of one year after initial notification of an award.

§ 583.325 Nondiscrimination and equal opportunity requirements.

(a) *General.* Notwithstanding the permissibility of proposals that serve designated populations of disabled homeless persons, recipients serving a designated population of disabled homeless persons are required, within the designated population, to comply with these requirements for nondiscrimination on the basis of race, color, religion, sex, national origin, age, familial status, and disability.

(b) *Nondiscrimination and equal opportunity requirements.* The nondiscrimination and equal opportunity requirements set forth at part 5 of this title apply to this program. The Indian Civil Rights Act (25 U.S.C. 1301 *et seq.*) applies to tribes when they exercise their powers of self-government, and to Indian housing authorities (IHAs) when established by the exercise of such powers. When an IHA is established under State law, the applicability of the Indian Civil Rights Act will be determined on a case-by-case basis. Projects subject to the Indian Civil Rights Act must be developed and operated in compliance with its provisions and all implementing HUD requirements, instead of title VI and the Fair Housing Act and their implementing regulations.

(c) *Procedures.* (1) If the procedures that the recipient intends to use to make known the availability of the supportive housing are unlikely to reach persons of any particular race, color, religion, sex, age, national origin, familial status, or handicap who may qualify for admission to the housing, the recipient must establish additional procedures that will ensure that such persons can obtain information concerning availability of the housing.

(2) The recipient must adopt procedures to make available information on the existence and locations of facilities and services that are accessible to persons with a handicap and maintain

evidence of implementation of the procedures.

(d) *Accessibility requirements.* The recipient must comply with the new construction accessibility requirements of the Fair Housing Act and section 504 of the Rehabilitation Act of 1973, and the reasonable accommodation and rehabilitation accessibility requirements of section 504 as follows:

(1) All new construction must meet the accessibility requirements of 24 CFR 8.22 and, as applicable, 24 CFR 100.205.

(2) Projects in which costs of rehabilitation are 75 percent or more of the replacement cost of the building must meet the requirements of 24 CFR 8.23(a). Other rehabilitation must meet the requirements of 24 CFR 8.23(b).

[58 FR 13871, Mar. 15, 1993, as amended at 59 FR 33894, June 30, 1994; 61 FR 5210, Feb. 9, 1996; 61 FR 51176, Sept. 30, 1996]

§ 583.330 Applicability of other Federal requirements.

In addition to the requirements set forth in 24 CFR part 5, use of assistance provided under this part must comply with the following Federal requirements:

(a) *Flood insurance.* (1) The Flood Disaster Protection Act of 1973 (42 U.S.C. 4001–4128) prohibits the approval of applications for assistance for acquisition or construction (including rehabilitation) for supportive housing located in an area identified by the Federal Emergency Management Agency (FEMA) as having special flood hazards, unless:

(i) The community in which the area is situated is participating in the National Flood Insurance Program (see 44 CFR parts 59 through 79), or less than a year has passed since FEMA notification regarding such hazards; and

(ii) Flood insurance is obtained as a condition of approval of the application.

(2) Applicants with supportive housing located in an area identified by FEMA as having special flood hazards and receiving assistance for acquisition or construction (including rehabilitation) are responsible for assuring that flood insurance under the National Flood Insurance Program is obtained and maintained.

(b) The Coastal Barrier Resources Act of 1982 (16 U.S.C. 3501 *et seq.*) may apply to proposals under this part, depending on the assistance requested.

(c) *Uniform requirements.* The policies, guidelines, and requirements of 24 CFR part 85 (as revised April 1, 2013) apply to the award, acceptance, and use of assistance under the program by governmental entities, and 24 CFR part 84 (as revised April 1, 2013) apply to the acceptance and use of assistance by private nonprofit organizations, except where inconsistent with the provisions of the McKinney Act, other Federal statutes, or this part.

(d) *Lead-based paint.* The Lead-Based Paint Poisoning Prevention Act (42 U.S.C. 4821–4846), the Residential Lead-Based Paint Hazard Reduction Act of 1992 (42 U.S.C. 4851–4856), and implementing regulations at part 35, subparts A, B, J, K, and R of this title apply to activities under this program.

(e) *Conflicts of interest.* (1) In addition to the conflict of interest requirements in 24 CFR part 85 (as revised April 1, 2013), no person who is an employee, agent, consultant, officer, or elected or appointed official of the recipient and who exercises or has exercised any functions or responsibilities with respect to assisted activities, or who is in a position to participate in a decision-making process or gain inside information with regard to such activities, may obtain a personal or financial interest or benefit from the activity, or have an interest in any contract, sub-contract, or agreement with respect thereto, or the proceeds thereunder, either for himself or herself or for those with whom he or she has family or business ties, during his or her tenure or for one year thereafter. Participation by homeless individuals who also are participants under the program in policy or decisionmaking under §583.300(f) does not constitute a conflict of interest.

(2) Upon the written request of the recipient, HUD may grant an exception to the provisions of paragraph (e)(1) of this section on a case-by-case basis when it determines that the exception will serve to further the purposes of the program and the effective and efficient administration of the recipient's project. An exception may be consid-

ered only after the recipient has provided the following:

(i) For States and other governmental entities, a disclosure of the nature of the conflict, accompanied by an assurance that there has been public disclosure of the conflict and a description of how the public disclosure was made; and

(ii) For all recipients, an opinion of the recipient's attorney that the interest for which the exception is sought would not violate State or local law.

(3) In determining whether to grant a requested exception after the recipient has satisfactorily met the requirement of paragraph (e)(2) of this section, HUD will consider the cumulative effect of the following factors, where applicable:

(i) Whether the exception would provide a significant cost benefit or an essential degree of expertise to the project which would otherwise not be available;

(ii) Whether the person affected is a member of a group or class of eligible persons and the exception will permit such person to receive generally the same interests or benefits as are being made available or provided to the group or class;

(iii) Whether the affected person has withdrawn from his or her functions or responsibilities, or the decisionmaking process with respect to the specific assisted activity in question;

(iv) Whether the interest or benefit was present before the affected person was in a position as described in paragraph (e)(1) of this section;

(v) Whether undue hardship will result either to the recipient or the person affected when weighed against the public interest served by avoiding the prohibited conflict; and

(vi) Any other relevant considerations.

(f) *Audit.* The financial management systems used by recipients under this program must provide for audits in accordance with 2 CFR part 200, subpart F. HUD may perform or require additional audits as it finds necessary or appropriate.

(g) Davis-Bacon Act. The provisions of the Davis-Bacon Act do not apply to this program.

[58 FR 13871, Mar. 15, 1993, as amended at 61 FR 5211, Feb. 9, 1996; 64 FR 50226, Sept. 15, 1999; 80 FR 75940, Dec. 7, 2015]

Subpart E—Administration

§ 583.400 Grant agreement.

(a) *General.* The duty to provide supportive housing or supportive services in accordance with the requirements of this part will be incorporated in a grant agreement executed by HUD and the recipient.

(b) *Enforcement.* HUD will enforce the obligations in the grant agreement through such action as may be appropriate, including repayment of funds that have already been disbursed to the recipient.

§ 583.405 Program changes.

(a) *HUD approval.* (1) A recipient may not make any significant changes to an approved program without prior HUD approval. Significant changes include, but are not limited to, a change in the recipient, a change in the project site, additions or deletions in the types of activities listed in § 583.100 of this part approved for the program or a shift of more than 10 percent of funds from one approved type of activity to another, and a change in the category of participants to be served. Depending on the nature of the change, HUD may require a new certification of consistency with the consolidated plan (see § 583.155).

(2) Approval for changes is contingent upon the application ranking remaining high enough after the approved change to have been competitively selected for funding in the year the application was selected.

(b) *Documentation of other changes.* Any changes to an approved program that do not require prior HUD approval must be fully documented in the recipient's records.

[58 FR 13871, Mar. 15, 1993, as amended at 61 FR 51176, Sept. 30, 1996]

§ 583.410 Obligation and deobligation of funds.

(a) *Obligation of funds.* When HUD and the applicant execute a grant agree-

ment, funds are obligated to cover the amount of the approved assistance under subpart B of this part. The recipient will be expected to carry out the supportive housing or supportive services activities as proposed in the application.

(b) *Increases.* After the initial obligation of funds, HUD will not make revisions to increase the amount obligated.

(c) *Deobligation.* (1) HUD may deobligate all or parts of grants for acquisition, rehabilitation, acquisition and rehabilitation, or new construction:

(i) If the actual total cost of acquisition, rehabilitation, acquisition and rehabilitation, or new construction is less than the total cost anticipated in the application; or

(ii) If proposed activities for which funding was approved are not begun within three months or residents do not begin to occupy the facility within nine months after grant execution.

(2) HUD may deobligate the amounts for annual leasing costs, operating costs or supportive services in any year:

(i) If the actual leasing costs, operating costs or supportive services for that year are less than the total cost anticipated in the application; or

(ii) If the proposed supportive housing operations are not begun within three months after the units are available for occupancy.

(3) The grant agreement may set forth in detail other circumstances under which funds may be deobligated, and other sanctions may be imposed.

(4) HUD may:

(i) Readvertise the availability of funds that have been deobligated under this section in a notice of fund availability under § 583.200, or

(ii) Award deobligated funds to applications previously submitted in response to the most recently published notice of fund availability, and in accordance with subpart C of this part.
