

§ 5.705

balcony, smoke detectors, stairs, walls, and windows) must be free of health and safety hazards, functionally adequate, operable, and in good repair.

(2) Where applicable, the dwelling unit must have hot and cold running water, including an adequate source of potable water (note for example that single room occupancy units need not contain water facilities).

(3) If the dwelling unit includes its own sanitary facility, it must be in proper operating condition, usable in privacy, and adequate for personal hygiene and the disposal of human waste.

(4) The dwelling unit must include at least one battery-operated or hard-wired smoke detector, in proper working condition, on each level of the unit.

(e) *Common areas.* The common areas must be structurally sound, secure, and functionally adequate for the purposes intended. The basement/garage/carport, restrooms, closets, utility, mechanical, community rooms, day care, halls/corridors, stairs, kitchens, laundry rooms, office, porch, patio, balcony, and trash collection areas, if applicable, must be free of health and safety hazards, operable, and in good repair. All common area ceilings, doors, floors, HVAC, lighting, outlets/switches, smoke detectors, stairs, walls, and windows, to the extent applicable, must be free of health and safety hazards, operable, and in good repair. These standards for common areas apply, to a varying extent, to all HUD housing, but will be particularly relevant to congregate housing, independent group homes/residences, and single room occupancy units, in which the individual dwelling units (sleeping areas) do not contain kitchen and/or bathroom facilities.

(f) *Health and safety concerns.* All areas and components of the housing must be free of health and safety hazards. These areas include, but are not limited to, air quality, electrical hazards, elevators, emergency/fire exits, flammable materials, garbage and debris, handrail hazards, infestation, and lead-based paint. For example, the buildings must have fire exits that are not blocked and have hand rails that are undamaged and have no other observable deficiencies. The housing must have no evidence of infestation by rats, mice, or other vermin, or of

24 CFR Subtitle A (4–1–23 Edition)

garbage and debris. The housing must have no evidence of electrical hazards, natural hazards, or fire hazards. The dwelling units and common areas must have proper ventilation and be free of mold, odor (e.g., propane, natural gas, methane gas), or other observable deficiencies. The housing must comply with all requirements related to the evaluation and reduction of lead-based paint hazards and have available proper certifications of such (see 24 CFR part 35).

(g) *Compliance with State and local codes.* The physical condition standards in this section do not supersede or preempt State and local codes for building and maintenance with which HUD housing must comply. HUD housing must continue to adhere to these codes.

§ 5.705 Uniform physical inspection requirements.

Any entity responsible for conducting a physical inspection of HUD housing, to determine compliance with this subpart, must inspect such HUD housing annually in accordance with HUD-prescribed physical inspection procedures. The inspection must be conducted annually unless the program regulations governing the housing provide otherwise or unless HUD has provided otherwise by notice.

(xi) Section 234(d) of the NHA (Rental) (Mortgage Insurance for Condominiums);

(xii) Section 236 of the NHA (Rental and Cooperative Housing for Lower Income Families);

(xiii) Section 241 of the NHA (Supplemental Loans for Multifamily Projects); and

(5) HUD-approved Title I and Title II supervised and nonsupervised lenders and mortgagees.

(6) Operators of projects with mortgages insured or held by HUD under section 232 of the Act (Mortgage Insurance for Nursing Homes, Intermediate Care Facilities, Board and Care Homes).

(b) *Submission of financial information.* Entities (or individuals) to which this subpart is applicable must provide to HUD such financial information as required by HUD. Such information must be provided on an annual basis, except as required more frequently under paragraph (c)(4) of this section. This information must be:

(1) Prepared in accordance with Generally Accepted Accounting Principles as further defined by HUD in supplementary guidance;

(2) Submitted electronically to HUD through the internet, or in such other electronic format designated by HUD, or in such non-electronic format as HUD may allow if the burden or cost of electronic reporting is determined by HUD to be excessive; and

(3) Submitted in such form and substance as prescribed by HUD.

(4) With respect to financial reports relating to properties insured under section 232 of the Act, concurrently with submitting the information to HUD, submitted to the mortgagee in a format and manner prescribed and/or approved by HUD.

(c) *Filing of financial reports.* (1) For entities listed in paragraphs (a)(1) and (2) of this section, the financial information to be submitted to HUD in accordance with paragraph (b) of this section, must be submitted to HUD annually, no later than 60 days after the end

§ 5.801

24 CFR Subtitle A (4-1-23 Edition)

of the fiscal year of the reporting period, and as otherwise provided by law (for public housing agencies, see also 24 CFR 903.33).

(2) For entities listed in paragraphs (a)(3) and (4) of this section, the financial information to be submitted to HUD in accordance with paragraph (b) of this section, must be submitted to HUD annually, no later than 90 days after the end of the fiscal year of the reporting period, and as otherwise provided by law.

(3) For those entities listed in paragraph (a)(5) of this section, the financial information to be submitted to HUD in accordance with paragraph (b) of this section must be submitted to HUD annually, no later than 90 days after the end of the fiscal year (or within an extended time if an extension is granted at the sole discretion of the Secretary). An extension request must be received no earlier than 45 days and no later than 15 days prior to the submission deadline.

(4) For entities listed in paragraph (a)(6) of this section, the financial information to be submitted to HUD in accordance with paragraph (b) of this section must be submitted to HUD on a quarterly and fiscal-year-to-date basis, within 60 calendar days of the end of each quarterly reporting period deadline, except that the final fiscal-year-end quarter and fiscal-year-to-date reports must be submitted to HUD within 90 calendar days of the end of the fiscal-year-end quarter, or within such additional time as may be provided by the Commissioner for good cause shown. HUD may direct that such forms be submitted to the lender or another third party in addition to or in lieu of submission to HUD.

(i) The financial statements submitted by entities listed in paragraph (a)(6) of this section may, at the operator's option, be operator-certified rather than audited, provided, however, if the operator is also the borrower, then that entity's obligation to submit an annual audited financial statement (in addition to its obligation as an operator to submit financial information on a quarterly and year-to-date basis) remains and is not obviated.

(ii) If HUD has reason to believe that a particular operator's operator-cer-

tified statements may be unreliable (for example, indicate a likely prohibited use of project funds), or are presented in a manner that is inconsistent with Generally Accepted Accounting Principles, HUD may, on a case-by-case basis, require audited financial statements from the operator. With respect to facilities with FHA-insured or HUD-held Section 232 mortgages, HUD may request more frequent financial statements from the borrower and/or the operator on a case-by-case basis when the circumstances warrant. Nothing in this section limits HUD's ability to obtain further or more frequent information when appropriate pursuant to the applicable regulatory agreement.

(d) *Reporting compliance dates.* Entities (or individuals) that are subject to the reporting requirements in this section must commence compliance with these requirements as follows:

(1) For PHAs listed in paragraphs (a)(1) and (a)(2) of this section, the requirements of this section will begin with those PHAs with fiscal years ending September 30, 1999 and later. Unaudited financial statements will be required 60 days after the PHA's fiscal year end, and audited financial statements will then be required no later than 9 months after the PHA's fiscal year end, in accordance with the Single Audit Act and 2 CFR part 200, subpart F. A PHA with a fiscal year ending September 30, 1999 that elects to submit its unaudited financial report earlier than the due date of November 30, 1999 must submit its report as required in this section. On or after September 30, 1998, but prior to November 30, 1999 (except for a PHA with its fiscal year ending September 30, 1999), PHAs may submit their financial reports in accordance with this section.

(2) For entities listed in paragraphs (a)(3) and (a)(4) of this section, the requirements of this section will begin with those entities with fiscal years ending December 31, 1998 and later. Entities listed in paragraphs (a)(3) and (a)(4) of this section with fiscal years ending December 31, 1998 that elect to submit their reports earlier than the due date must submit their financial reports as required in this section. On or after September 30, 1998 but prior to

January 1, 1999, these entities may submit their financial reports in accordance with this section.

(3) The requirements of this section apply to the entities listed in paragraph (a)(5) of this section with fiscal years ending on or after September 30, 2002. Audited financial statements submitted by lenders with fiscal years ending before September 30, 2002, may either be submitted in paper or electronically at the lenders' option. Audited financial statements submitted by lenders with fiscal years ending on or after September 30, 2002, must be submitted electronically.

(4) Entities described in paragraph (a)(6) of this section must comply with the requirements of this section with respect to fiscal years commencing on or after the date that is 60 calendar days after the date on which HUD announces, through FEDERAL REGISTER notice, that it has issued guidance on the manner in which these reports will be transmitted to HUD.

(e) *Limitation on changing fiscal years.* To allow for a period of consistent assessment of the financial reports submitted to HUD under this subpart part, PHAs listed in paragraphs (a)(1) and (a)(2) of this section will not be allowed to change their fiscal years for their first three full fiscal years following October 1, 1998.

(f) *Responsibility for submission of financial report.* The responsibility for submission of the financial report due to HUD under this section rests with the individuals and entities listed in paragraph (a) of this section.

(a) If you are the owner of federally assisted housing, your federally assisted housing is covered, except as provided in paragraph (b) or (c) of this section.

(b) If you are operating public housing, this subpart does not apply, but similar provisions applicable to public housing units are found in parts 960 and 966 of this title. If you administer tenant-based assistance under Section 8 or you are the owner of housing assisted with tenant-based assistance under Section 8, this subpart does not apply to you, but similar provisions that do apply are located in part 982 of this title.

(c) If you own or administer housing assisted by the Rural Housing Administration under section 514 or section 515 of the Housing Act of 1949, this subpart does not apply to you.

§5.851 What authority do I have to screen applicants and to evict tenants?

(a) *Screening applicants.* You are authorized to screen applicants for the programs covered by this part. The provisions of this subpart implement statutory directives that either *require* or *permit* you to take action to deny admission to applicants under certain circumstances in accordance with established standards, as described in this subpart. The provisions of this subpart do not constrain your authority to screen out applicants who you determined are unsuitable under your standards for admission.

(b) *Terminating tenancy.* You are authorized to terminate tenancy of tenants, in accordance with your leases and landlord-tenant law for the programs covered by this part. The provisions of this subpart implement statutory directives that either require or permit you to terminate tenancy under certain circumstances, as provided in 42 U.S.C. 1437f, 1437n, and 13662, in accordance with established standards, as described in this subpart. You retain authority to terminate tenancy on any basis that is otherwise authorized.
