§ 5.109 Equal participation of faith-based organizations in HUD programs and activities.

(a) *Purpose.* Consistent with Executive Order 13279, entitled “Equal Protection of the Laws for Faith-Based and Community Organizations,” as amended by Executive Order 13559, entitled “Fundamental Principles and Policymaking Criteria for Partnerships With Faith-Based and Other Neighborhood Organizations,” and as amended by Executive Order 14015, entitled “Establishment of the White House Office of Faith-Based and Neighborhood Partnerships,” this section describes requirements for ensuring the equal participation of faith-based organizations in HUD programs and activities. These requirements apply to all HUD programs and activities, including all of HUD’s Native American Programs, except as may be otherwise noted in the respective program regulations in title 24 of the Code of Federal Regulations (CFR), or unless inconsistent with certain HUD program authorizing statutes.

(b) *Definitions.* The following definitions apply to this section:

Direct Federal financial assistance means Federal financial assistance provided when a Federal Government agency or an intermediary, as defined in this section, selects the provider and either purchases services from that provider (*i.e.*, via a contract) or awards funds to that provider to carry out an

activity (*e.g.*, via grant, sub-grant, sub-award, or cooperative agreement). The recipients of sub-grants or sub-awards that receive Federal financial assistance through State-administered programs (*e.g.*, flow-through programs) are considered recipients of direct Federal financial assistance. In general, Federal financial assistance shall be treated as direct, unless it meets the definition of indirect Federal financial assistance.

Federal financial assistance means assistance that non-Federal entities receive or administer in the forms of grants, contracts, loans, loan guarantees, property, cooperative agreements, food commodities, direct appropriations, or other assistance, but does not include a tax credit, deduction, or exemption.

Indirect Federal financial assistance means Federal financial assistance provided when the choice of the provider is placed in the hands of the beneficiary, and the cost of that service is paid through a voucher, certificate, or other similar means of Government-funded payment. Federal financial assistance provided to an organization is considered indirect when the Government program through which the beneficiary receives the voucher, certificate, or other similar means of Government-funded payment is neutral toward religion meaning that it is available to providers without regard to the religious or non-religious nature of the institution and there are no program incentives that deliberately skew for or against religious or secular providers; and the organization receives the assistance wholly as a result of a genuine and independent private choice of the beneficiary, not a choice of the Government. The availability of adequate secular alternatives is a significant factor in determining whether a program affords true private choice.

Intermediary means an entity, including a nongovernmental organization, acting under a contract, grant, or other agreement with the Federal Government or with a State, tribal or local government that accepts Federal financial assistance and distributes that assistance to other entities that, in turn, carry out activities under HUD programs.

Religious exercise has the meaning given to the term in 42 U.S.C. 2000cc–5(7)(A).

(c) *Equal participation of faith-based organizations in HUD programs and activities.* (1) Faith-based organizations are eligible, on the same basis as any other organization, to participate in any HUD program or activity for which they are otherwise eligible. Neither the Federal Government, nor a State, Tribal, or local government, nor any other entity that administers any HUD program or activity, shall discriminate for or against an organization on the basis of the organization's religious character, motives, or affiliation, or lack thereof, or on the basis of conduct that would not be considered grounds to favor or disfavor a similarly situated secular organization.

(2) Nothing in this section shall be construed to preclude HUD from making an accommodation, including for religious exercise, with respect to one or more program requirements on a case-by-case basis in accordance with the Constitution and laws of the United States.

(3) HUD shall not disqualify an organization from participating in any HUD program for which it is eligible on the basis of the organization's indication that it may request an accommodation with respect to one or more program requirements, unless the organization has made clear that the accommodation is necessary to its participation and, in accordance with the Constitution and laws of the United States, HUD has determined that it would deny the accommodation.

(4) In addition, decisions about awards of Federal financial assistance must be free from political interference or even the appearance of such interference and must be made on the basis of merit, not based on the organization's religious character, affiliation, or lack thereof, or based on the organization's religious exercise. Notices of funding opportunity, grant agreements, and cooperative agreements shall include language substantially similar to that in appendix A to this subpart, where faith-based organizations are eligible for such opportunities.

(d) *Independence and identity of faith-based organizations.* (1) A faith-based organization that applies for, or participates in, a HUD program or activity supported with Federal financial assistance retains its autonomy, right of expression, religious character, authority over its governance, and independence, and may continue to carry out its mission, including the definition, development, practice, and expression of its religious beliefs; provided that, it does not use direct Federal financial assistance, whether received through a prime award or sub-award, to support or engage in any explicitly religious activities, including activities that involve overt religious content such as worship, religious instruction, or proselytization.

(2) A faith-based organization that receives direct Federal financial assistance may use space (including a sanctuary, chapel, prayer hall, or other space) in its facilities (including a temple, synagogue, church, mosque, or other place of worship) to carry out activities under a HUD program without concealing, altering, or removing religious art, icons, scriptures, or other religious symbols. In addition, a faith-based organization participating in a HUD program or activity retains its authority over its internal governance, and may retain religious terms in its organization's name, select its board members on the basis of their acceptance of or adherence to the religious tenets of the organization consistent with paragraph (i) of this section, and include religious references in its organization's mission statements and other governing documents.

(e) *Explicitly religious activities.* If an organization engages in explicitly religious activities (including activities that involve overt religious content such as worship, religious instruction, or proselytization), the explicitly religious activities must be offered separately, in time or location, from the programs or activities supported by direct Federal financial assistance and participation must be voluntary for the beneficiaries of the programs or activities that receive direct Federal financial assistance. The use of indirect Federal financial assistance is not subject to this restriction. Nothing in this

part restricts HUD's authority under applicable Federal law to fund activities, that can be directly funded by the Government consistent with the Establishment Clause of the U.S. Constitution.

(f) *Intermediary responsibilities to ensure equal participation of faith-based organizations in HUD programs.* If an intermediary—acting under a contract, grant, or other agreement with the Federal Government or with a State, tribal or local government that is administering a program supported by Federal financial assistance—is given the authority to select a nongovernmental organization to receive Federal financial assistance under a contract, grant, sub-grant, sub-award, or cooperative agreement, the intermediary must ensure that such organization complies with the requirements of this section. If the intermediary is a nongovernmental organization, it retains all other rights of a nongovernmental organization under the program's statutory and regulatory provisions.

(g) *Nondiscrimination and beneficiary notice requirements—(1) Nondiscrimination.* Any organization that receives Federal financial assistance under a HUD program or activity shall not, in providing services supported in whole or in part with Federal financial assistance, or in their outreach activities related to such services, discriminate against a beneficiary or prospective beneficiary on the basis of religion, a religious belief, a refusal to hold a religious belief, or a refusal to attend or participate in a religious practice. However, an organization that participates in a program funded by indirect Federal financial assistance need not modify its program or activities to accommodate a beneficiary who chooses to expend the indirect aid on the organization's program.

(2) *Beneficiary notice.* (i) An organization providing services under a program supported by direct Federal financial assistance from HUD, or an entity that administers indirect Federal financial assistance from HUD, must give written notice to beneficiaries and prospective beneficiaries of certain protections in a manner and form prescribed by HUD, including by incorporating the notice into materials that

are otherwise provided to beneficiaries. The required language for this written notice to beneficiaries is set forth in appendix C to this subpart.

(ii) For the Housing Choice Voucher (HCV), Project-Based Voucher (PBV), and Section 8 Moderate Rehabilitation programs, the respective recipient (*i.e.*, Public Housing Agency) is required to provide the written beneficiary notice. For the Housing Opportunities for Persons with AIDS (HOPWA) program, the grantee or project sponsor that is responsible for making eligibility determinations is required to provide the written beneficiary notice. For the Continuum of Care (CoC) and Emergency Solutions Grants (ESG) programs, the recipient or subrecipient that is responsible for determining the eligibility of each family or individual is required to provide the written beneficiary notice. The participating or prospective providers (landlords) are not responsible for providing the written beneficiary notice for indirect aid recipients. The notice must include the following information:

(A) Nondiscrimination requirements of paragraph (g)(1) of this section;

(B) Notification that a beneficiary or prospective beneficiary may report an organization's violation of these protections, including any denials of services or benefits by an organization, by contacting or filing a written complaint with the Center for Faith-Based and Neighborhood Partnerships or the intermediary that awarded funds to the organization; and

(C) For direct Federal financial assistance only, prohibitions with respect to explicitly religious activities as set forth in paragraph (e) of this section.

(3) *Notice timing.* The written notice described in paragraph (g)(2) of this section must be given to a prospective beneficiary prior to the time the prospective beneficiary enrolls in the program or receives services from the program. When the nature of the service provided or exigent circumstances make it impracticable to provide such written notice in advance of the actual service, an organization must advise beneficiaries of their protections at the earliest available opportunity.

(4) *Alternative option information.* HUD may determine that the notice described in paragraph (g)(2) of this section must inform each beneficiary or prospective beneficiary about how to obtain information from HUD, or a State agency or other entity administering the applicable program, about other federally funded service providers in their area that provide the services available under the applicable program.

(h) *No additional assurances from faith-based organizations.* A faith-based organization is not rendered ineligible by its religious nature to access and participate in HUD programs. Absent regulatory or statutory authority, no notice of funding opportunity, grant agreement, cooperative agreement, covenant, memorandum of understanding, policy, or regulation that is used by HUD or a recipient or intermediary in administering Federal financial assistance from HUD shall require otherwise eligible faith-based organizations to provide assurances or notices where they are not required of similarly situated secular organizations. All organizations that participate in HUD programs or activities, including organizations with religious character, motives, or affiliation, must carry out eligible activities in accordance with all program requirements, including those prohibiting the use of direct financial assistance to engage in explicitly religious activities, subject to any accommodations that are granted to organizations on a case-by-case basis in accordance with the Constitution and laws of the United States. No notice of funding opportunity, grant agreement, cooperative agreement, covenant, memorandum of understanding, policy, or regulation that is used by HUD or a recipient or intermediary in administering financial assistance from HUD shall disqualify otherwise eligible faith-based organizations from participating in HUD's programs or activities on the basis of the organization's religious character, motives, or affiliation, or lack thereof, or on the basis of conduct that would not be considered grounds to disqualify a similarly situated secular organization.

(i) *Exemption from Title VII employment discrimination requirements.* A religious organization's exemption from the Federal prohibition on employment discrimination on the basis of religion, set forth in section 702(a) of the Civil Rights Act of 1964 (42 U.S.C. 2000e-1), is not forfeited when the organization participates in a HUD program. Some HUD programs, however, contain independent statutory provisions that impose certain nondiscrimination requirements on all grantees. Accordingly, grantees should consult with the appropriate HUD program office to determine the scope of applicable requirements.

(j) *Acquisition, construction, and rehabilitation of structures.* Direct Federal financial assistance may be used for the acquisition, construction, or rehabilitation of structures only to the extent that those structures are used for conducting eligible activities under a HUD program or activity. Where a structure is used for both eligible and explicitly religious activities (including activities that involve overt religious content such as worship, religious instruction, or proselytization), direct Federal financial assistance may not exceed the cost of the share of acquisition, construction, or rehabilitation attributable to eligible activities in accordance with the cost accounting requirements applicable to the HUD program or activity. However, acquisition, construction, or rehabilitation of sanctuaries, chapels, or other rooms that a HUD-funded faith-based organization uses as its principal place of worship, may not be paid with direct Federal financial assistance. Disposition of real property by a faith-based organization after its use for an authorized purpose, or any change in use of the property from an authorized purpose, is subject to Government-wide regulations governing real property disposition (2 CFR part 200, subpart D) and the HUD program regulations, as directed by HUD.

(k) *Commingling of Federal and State, tribal, and local funds.* If a State, tribal, or local government voluntarily contributes its own funds to supplement direct Federal financial assistance for an activity, the State, tribal or local government has the option to segregate those funds or commingle them

with the direct Federal financial assistance. However, if the funds are commingled, the requirements of this section apply to all of the commingled funds. Further, if a State, tribal, or local government is required to contribute matching funds to supplement direct Federal financial assistance for an activity, the matching funds are considered commingled with the direct Federal financial assistance and, therefore, subject to the requirements of this section. Some HUD programs' requirements govern any activity assisted under those programs. Accordingly, recipients should consult with the appropriate HUD program office to determine the scope of applicable requirements.

(1) *Tax exempt organizations.* In general, HUD does not require that a recipient, including a faith-based organization, obtain tax-exempt status under section 501(c)(3) of the Internal Revenue Code to be eligible for funding under HUD programs. Many grant programs, however, do require an organization to be a nonprofit organization in order to be eligible for funding. Notices of funding availability that require organizations to have nonprofit status will specifically so indicate in the eligibility section of the notice of funding availability. In addition, if any notice of funding availability requires an organization to maintain tax-exempt status, it will expressly state the statutory authority for requiring such status. Applicants should consult with the appropriate HUD program office to determine the scope of any applicable requirements. In HUD programs in which an applicant must show that it is a nonprofit organization but this is not statutorily defined, the applicant may do so by any of the following means:

(1) Proof that the Internal Revenue Service currently recognizes the applicant as an organization to which contributions are tax deductible under section 501(c)(3) of the Internal Revenue Code;

(2) A statement from a State or other governmental taxing body or the State secretary of State certifying that—

(i) The organization is a nonprofit organization operating within the State; and

(ii) No part of its net earnings may benefit any private shareholder or individual;

(3) A certified copy of the applicant's certificate of incorporation or similar document that clearly establishes the nonprofit status of the applicant; or

(4) Any item described in paragraphs (1)(1) through (3) of this section, if that item applies to a State or national parent organization, together with a statement by the State or parent organization that the applicant is a local nonprofit affiliate.

(m) *Rule of construction.* Neither HUD nor any recipient or other intermediary receiving funds under any HUD program or activity shall construe these provisions in such a way as to advantage or disadvantage faith-based organizations affiliated with historic or well-established religions or sects in comparison with other religions or sects.

§5.110 Waivers.

Upon determination of good cause, the Secretary may, subject to statutory limitations, waive any provision of this title and delegate this authority in accordance with section 106 of the Department of Housing and Urban Development Reform Act of 1989 (42 U.S.C. 3535(q)).

§5.111 Housing counseling.

(a) Any housing counseling, including homeownership counseling or rental housing counseling, as defined in §5.100, required under or provided in connection with any program administered by HUD shall be provided only by organizations and counselors certified by the Secretary under 24 CFR part 214 to provide housing counseling, consistent with 12 U.S.C. 1701x.

(b) For purposes of this section, *required under or provided in connection with any program administered by HUD* means:

(1) Housing counseling required by statute, regulation, Notice of Funding Availability (NOFA), or otherwise required by HUD;

§ 5.150

(2) Housing counseling that is funded under a HUD program;

(3) Housing counseling that is required by a grantee or subgrantee of a HUD program as a condition of receiving assistance under the HUD program; or

(4) Housing counseling to which a family assisted under a HUD program is referred, by a grantee or subgrantee of the HUD program.

AFFIRMATIVELY FURTHERING FAIR HOUSING

SOURCE: Sections 5.150 through 5.180 appear at 80 FR 42352, July 16, 2015, unless otherwise noted.

§ 5.150 Affirmatively Furthering Fair Housing: Purpose.

Pursuant to the affirmatively furthering fair housing mandate in section 808(e)(5) of the Fair Housing Act, and in subsequent legislative enactments, the purpose of the Affirmatively Furthering Fair Housing (AFFH) regulations is to provide program participants with a substantive definition of the AFFH requirement, as well as to provide access to an effective planning approach to aid those program participants that wish to avail themselves of it in taking meaningful actions to overcome historic patterns of segregation, promote fair housing choice, and foster inclusive communities that are free from discrimination.

[86 FR 30790, June 10, 2021]

EFFECTIVE DATE NOTE: At 90 FR 11023, Mar. 3, 2025, § 5.150 was amended by revising § 5.150, effective Apr. 2, 2025. For the convenience of the user, the revised text is set forth as follows:

§ 5.150 Affirmatively Furthering Fair Housing: Definitions.

(a) The phrase “fair housing” in 42 U.S.C. 5304(b)(2), 5306(d)(7)(B), 12705(b)(15), and 1437c-1(d)(16) means housing that, among other attributes, is affordable, safe, decent, free of unlawful discrimination, and accessible as required under civil rights laws.

(b) The phrase “affirmatively further” in 42 U.S.C. 5304(b)(2), 5306(d)(7)(B), 12705(b)(15), and 1437c-1(d)(16) means to take any action rationally related to promoting any attribute or attributes of fair housing as defined in the preceding subsection.

24 CFR Subtitle A (4–1–25 Edition)

§ 5.151 Affirmatively Further Fair Housing: Definitions.

For purposes of §§ 5.150 through 5.152, the terms “consolidated plan,” “consortium,” “unit of general local government,” “jurisdiction,” and “State” are defined in 24 CFR part 91. For PHAs, “jurisdiction” is defined in 24 CFR 982.4. The following additional definitions are provided solely for purposes of §§ 5.150 through 5.152 and related amendments in 24 CFR parts 91, 92, 570, 574, 576, and 903:

Affirmatively furthering fair housing means taking meaningful actions, in addition to combating discrimination, that overcome patterns of segregation and foster inclusive communities free from barriers that restrict access to opportunity based on protected characteristics. Specifically, affirmatively furthering fair housing means taking meaningful actions that, taken together, address significant disparities in housing needs and in access to opportunity, replacing segregated living patterns with truly integrated and balanced living patterns, transforming racially or ethnically concentrated areas of poverty into areas of opportunity, and fostering and maintaining compliance with civil rights and fair housing laws. The duty to affirmatively further fair housing extends to all of a program participant’s activities and programs relating to housing and urban development.

Disability. (1) The term “disability” means, with respect to an individual:

(i) A physical or mental impairment that substantially limits one or more major life activities of such individual;

(ii) A record of such an impairment; or

(iii) Being regarded as having such an impairment.

(2) The term “disability” as used herein shall be interpreted consistent with the definition of such term under section 504 of the Rehabilitation Act of 1973, as amended by the Americans with Disabilities Act Amendments Act of 2008. This definition does not change the definition of “disability” or “disabled person” adopted pursuant to a HUD program statute for purposes of determining an individual’s eligibility to participate in a housing program that serves a specified population.

Fair housing choice means that individuals and families have the information, opportunity, and options to live where they choose without unlawful discrimination and other barriers related to race, color, religion, sex, familial status, national origin, or disability. Fair housing choice encompasses:

- (1) Actual choice, which means the existence of realistic housing options;
- (2) Protected choice, which means housing that can be accessed without discrimination; and
- (3) Enabled choice, which means realistic access to sufficient information regarding options so that any choice is informed. For persons with disabilities, fair housing choice and access to opportunity include access to accessible housing and housing in the most integrated setting appropriate to an individual's needs as required under Federal civil rights law, including disability-related services that an individual needs to live in such housing.

Housing programs serving specified populations. Housing programs serving specified populations are HUD and Federal housing programs, including designations in the programs, as applicable, such as HUD's Supportive Housing for the Elderly, Supportive Housing for Persons with Disabilities, homeless assistance programs under the McKinney-Vento Homeless Assistance Act (42 U.S.C. 11301 *et seq.*), and housing designated under section 7 of the United States Housing Act of 1937 (42 U.S.C. 1437e), that:

- (1) Serve specific identified populations; and
- (2) Comply with title VI of the Civil Rights Act of 1964 (42 U.S.C. 2000d-2000d-4) (Nondiscrimination in Federally Assisted Programs); the Fair Housing Act (42 U.S.C. 3601-19), including the duty to affirmatively further fair housing; section 504 of the Rehabilitation Act of 1973 (29 U.S.C. 794); the Americans with Disabilities Act (42 U.S.C. 12101, *et seq.*); and other Federal civil rights statutes and regulations.

Integration means a condition, within the program participant's geographic area of analysis, in which there is not a high concentration of persons of a particular race, color, religion, sex, familial status, national origin, or hav-

ing a disability or a particular type of disability when compared to a broader geographic area. For individuals with disabilities, integration also means that such individuals are able to access housing and services in the most integrated setting appropriate to the individual's needs. The most integrated setting is one that enables individuals with disabilities to interact with persons without disabilities to the fullest extent possible, consistent with the requirements of the Americans with Disabilities Act (42 U.S.C. 12101 *et seq.*) and section 504 of the Rehabilitation Act of 1973 (29 U.S.C. 794). See 28 CFR part 35, appendix B (2010) (addressing 28 CFR 35.130 and providing guidance on the Americans with Disabilities Act regulation on nondiscrimination on the basis of disability in State and local government services).

Meaningful actions means significant actions that are designed and can be reasonably expected to achieve a material positive change that affirmatively furthers fair housing by, for example, increasing fair housing choice or decreasing disparities in access to opportunity.

Racially or ethnically concentrated area of poverty means a geographic area with significant concentrations of poverty and minority populations.

Segregation means a condition, within the program participant's geographic area of analysis, in which there is a high concentration of persons of a particular race, color, religion, sex, familial status, national origin, or having a disability or a type of disability in a particular geographic area when compared to a broader geographic area. For persons with disabilities, segregation includes a condition in which the housing or services are not in the most integrated setting appropriate to an individual's needs in accordance with the requirements of the Americans with Disabilities Act (42 U.S.C. 12101, *et seq.*), and section 504 of the Rehabilitation Act of 1973 (29 U.S.C. 794). (See 28 CFR part 35, appendix B (2010), addressing 25 CFR 35.130.) Participation in "housing programs serving specified populations" as defined in this section does not present a fair housing issue of segregation, provided that such programs are administered to comply with

§ 5.152

title VI of the Civil Rights Act of 1964 (42 U.S.C. 2000d–2000d–4) (Non-discrimination in Federally Assisted Programs); The Fair Housing Act (42 U.S.C. 3601–19), including the duty to affirmatively further fair housing; Section 504 of the Rehabilitation Act of 1973 (29 U.S.C. 794); the Americans with Disabilities Act (42 U.S.C. 12101, *et seq.*); and other Federal civil rights statutes and regulations.

Significant disparities in access to opportunity means substantial and measurable differences in access to educational, transportation, economic, and other important opportunities in a community, based on protected class related to housing.

[86 FR 30790, June 10, 2021]

EFFECTIVE DATE NOTE: At 90 FR 11023, Mar. 3, 2025, § 5.151 was amended by revising § 5.151, effective Apr. 2, 2025. For the convenience of the user, the revised text is set forth as follows:

§ 5.151 Affirmatively Furthering Fair Housing: AFFH Certifications.

A HUD program participant's certification that it will affirmatively further fair housing is sufficient if the participant takes, in the relevant period, any action that is rationally related to promoting one or more attributes of fair housing as defined in section 5.150(a). Nothing in this paragraph relieves jurisdictions of their other obligations under civil rights and fair housing statutes and regulations.

§ 5.152 AFFH certification and administration.

(a) *Certifications.* Program participants must certify that they will comply with their obligation of affirmatively furthering fair housing when required by statutes or regulations governing HUD programs. Such certifications are made in accordance with applicable regulations. Consolidated plan program participants are subject to the certification requirements in 24 CFR part 91, and PHA Plan program participants are subject to the certification requirements in 24 CFR part 903.

(b) *Administration.* To assist program participants in carrying out their obligation of affirmatively furthering fair housing, and supporting their certifications pursuant to paragraph (a) of this section, HUD will provide tech-

24 CFR Subtitle A (4–1–25 Edition)

nical assistance to program participants in various ways, including by:

(1) Making HUD-provided data and informational resources available, including about how to voluntarily engage in fair housing planning, such as:

(i) Analyzing fair housing data, assessing fair housing issues and contributing factors, assessing fair housing priorities and goals; taking meaningful actions to support identified goals; and taking no action that is materially inconsistent with the obligation to affirmatively further fair housing; or

(ii) Conducting an analysis to identify impediments to fair housing choice within the jurisdiction, taking appropriate actions to overcome the effects of any impediments identified through that analysis, and maintaining records reflecting the analysis and actions in this regard; or

(iii) Engaging in other means of fair housing planning that meaningfully supports this certification;

(2) Permitting a program participant to voluntarily submit its fair housing planning for HUD feedback from the responsible office; and

(3) Engaging in other forms of technical assistance.

(c) *Procedure for challenging the validity of an AFFH certification.* The procedures for challenging the validity of an AFFH certification are as follows:

(1) For consolidated plan program participants, HUD's challenge to the validity of an AFFH certification will be as specified in 24 CFR part 91.

(2) For PHA Plan program participants, HUD's challenge to the validity of an AFFH certification will be as specified in 24 CFR part 903.

(d) *Definitions.* For purposes of this section, the following definitions apply:

(1) *Data* refers collectively to the sources of data provided in paragraphs (d)(1)(i) and (d)(1)(ii) of this definition. When identification of the specific source of data in paragraphs (d)(1)(i) and (d)(1)(ii) is necessary, the specific source (HUD-provided data or local data) will be stated.

(i) *HUD-provided data.* The term "HUD-provided data" refers to HUD-provided metrics, statistics, and other quantified information that may be used when conducting fair housing

planning. HUD-provided data will not only be provided to program participants but will be posted on HUD's website for availability to all of the public;

(ii) *Local data*. The term "local data" refers to metrics, statistics, and other quantified information, relevant to the program participant's geographic areas of analysis, that can be found through a reasonable amount of search, are readily available at little or no cost, and may be used to conduct fair housing planning.

(2) *Program participants* means:

(i) Jurisdictions and Insular Areas, as described in 570.405 and defined in 570.3, that are required to submit consolidated plans for the following programs:

(A) The Community Development Block Grant (CDBG) program (see 24 CFR part 570, subparts D and I);

(B) The Emergency Solutions Grants (ESG) program (see 24 CFR part 576);

(C) The HOME Investment Partnerships (HOME) program (see 24 CFR part 92); and

(D) The Housing Opportunities for Persons With AIDS (HOPWA) program (see 24 CFR part 574).

(ii) Public housing agencies (PHAs) receiving assistance under sections 8 or 9 of the United States Housing Act of 1937 (42 U.S.C. 1437f or 42 U.S.C. 1437g).

(3) *Protected characteristics* are race, color, religion, sex, familial status, national origin, having a disability, and having a type of disability.

(4) *Protected class* means a group of persons who have the same protected characteristic; e.g., a group of persons who are of the same race are a protected class. Similarly, a person who has a mobility disability is a member of the protected class of persons with disabilities and a member of the protected class of persons with mobility disabilities.

APPENDIX A TO SUBPART A OF PART 5— NOTICE OF FUNDING OPPORTUNITY

(a) Faith-based organizations may apply for this award on the same basis as any other

organization, as set forth at § 5.109, and subject to the protections and requirements of any applicable constitutional and statutory requirements, including 42 U.S.C. 2000bb *et seq.* HUD will not, in the selection of recipients, discriminate for or against an organization on the basis of the organization's religious character, motives, or affiliation, or lack thereof, or on the basis of conduct that would not be considered grounds to favor or disfavor a similarly situated secular organization.

(b) A faith-based organization that participates in this program will retain its independence from the Government and may continue to carry out its mission consistent with religious freedom and conscience protections in Federal law.

(c) A faith-based organization may not use direct financial assistance from HUD to support or engage in any explicitly religious activities except where consistent with the Establishment Clause of the First Amendment and any other applicable requirements. Such an organization also may not, in providing services funded by HUD, or in their outreach activities related to such services, discriminate against a program beneficiary or prospective program beneficiary on the basis of religion, a religious belief, a refusal to hold a religious belief, or a refusal to attend or participate in a religious practice.

§ 5.210 Purpose, applicability, and Federal preemption.

(a) *Purpose.* This subpart B requires applicants for and participants in covered HUD programs to disclose, and submit documentation to verify, their Social Security Numbers (SSNs). This subpart B also enables HUD and PHAS to obtain income information about applicants and participants in the covered programs through computer matches with State Wage Information Collection Agencies (SWICAs) and Federal agencies, and from financial institutions and employers, in order to verify an applicant's or participant's eligibility for or level of assistance. The purpose of this subpart B is to enable HUD to decrease the incidence of fraud, waste, and abuse in the covered programs.

(b) *Applicability.* (1) This subpart B applies to mortgage and loan insurance and coinsurance and housing assistance programs contained in chapter II, subchapter B, and chapters VIII and IX of this title.

(2) The information covered by consent forms described in this subpart involves income information from SWICAs, wages, income, and resource information from financial institutions, net earnings from self-employment, payments of retirement income, and unearned income as referenced at 26 U.S.C. 6103. In addition, consent forms may authorize the collection of other information from applicants and participants to determine eligibility or level of benefits.

(c) *Federal preemption.* This subpart B preempts any State law, including restrictions and penalties, that governs

the collection and use of income information to the extent State law is inconsistent with this subpart.

(B) The responsible entity (as defined in § 5.100) in the case of the public housing program or any Section 8 program.

(C) The owner or mortgagee, as applicable, with respect to the rent supplement, Section 221(d)(3) BMIR, Section 235 homeownership assistance, or Section 236 programs.

(ii) HUD or the PHA may verify the income information directly with an assistance applicant or participant. Such verification procedures shall not include any disclosure of income information prohibited under paragraph (b)(6) of this section.

(4) HUD and the PHA shall not be required to pursue these verification procedures when the sums of money at issue are too small to raise an inference of fraud or justify the expense of independent verification and the procedures related to termination, denial, suspension, or reduction of assistance.

(5) Based on the income information received from a SWICA or Federal agency, HUD or the PHA, as appropriate, may inform an owner (or mortgagee) that an assistance applicant's or participant's eligibility for or level of assistance is uncertain and needs to be verified. The owner (or mortgagee) shall then confirm the assistance applicant's or participant's income information by checking the accuracy of the information with the employer or other income source, or directly with the family.

(6) Nondisclosure of Income information. Neither HUD nor the PHA may disclose income information obtained from a SWICA directly to an owner (unless a PHA is the owner). Disclosure of income information obtained from the SSA or IRS is restricted under 26 U.S.C. § 6103(1)(7) and 42 U.S.C. 3544.

(c) *Opportunity to contest.* HUD, the PHA, or the owner (or mortgagee, as applicable) shall promptly notify any assistance applicant or participant in writing of any adverse findings made on the basis of the information verified in accordance with paragraph (b) of this section. The assistance applicant

or participant may contest the findings in the same manner as applies to other information and findings relating to eligibility factors under the applicable program. Termination, denial, suspension, or reduction of assistance shall be carried out in accordance with requirements and procedures applicable to the individual covered program, and shall not occur until the expiration of any notice period provided by the statute or regulations governing the program.

§ 5.238 Criminal and civil penalties.

Persons who violate the provisions of 42 U.S.C. 3544 or 26 U.S.C. 6103(1)(7) with respect to the use and disclosure of income information may be subject to civil or criminal penalties under 42 U.S.C. 3544(c)(3), 26 U.S.C. 7213(a), or 18 U.S.C. 1905.

§ 5.240 Family disclosure of income information to the responsible entity and verification.

(a) This section applies to families that reside in dwelling units with assistance under the public housing program, the Section 8 tenant-based assistance programs, or for which project-based assistance is provided under the Section 8, Section 202, or Section 811 program.

(b) The family must promptly furnish to the responsible entity any letter or other notice by HUD to a member of the family that provides information concerning the amount or verification of family income.

(c) The responsible entity must verify the accuracy of the income information received from the family, and change the amount of the total tenant payment, tenant rent or Section 8 housing assistance payment, or terminate assistance, as appropriate, based on such information.

[61 FR 5202, Feb. 9, 1996, as amended at 65 FR 16715, Mar. 29, 2000]

§ 5.303 Exclusion for animals that assist, support, or provide service to persons with disabilities.

(a) This subpart C does not apply to animals that are used to assist, support, or provide service to persons with disabilities. Project owners and PHAs may not apply or enforce any policies established under this subpart against animals that are necessary as a reasonable accommodation to assist, support, or provide service to persons with disabilities. This exclusion applies to animals that reside in projects for the elderly or persons with disabilities, as well as to animals that visit these projects.

(b) Nothing in this subpart C:

(1) Limits or impairs the rights of persons with disabilities;

(2) Authorizes project owners or PHAs to limit or impair the rights of persons with disabilities; or

(3) Affects any authority that project owners or PHAs may have to regulate animals that assist, support, or provide service to persons with disabilities, under federal, state, or local law.

[73 FR 63838, Oct. 27, 2008]

§ 5.306 Definitions.

Common household pet means:

(1) *For purposes of Housing programs:* A domesticated animal, such as a dog, cat, bird, rodent (including a rabbit), fish, or turtle, that is traditionally kept in the home for pleasure rather

§ 5.309

than for commercial purposes. Common household pet does not include reptiles (except turtles). If this definition conflicts with any applicable State or local law or regulation defining the pets that may be owned or kept in dwelling accommodations, the State or local law or regulation shall apply. This definition shall not include animals that are used to assist persons with disabilities.

(2) *For purposes of Public Housing programs:* PHAs may define the term "common household pet" under § 5.318.

Elderly or disabled family means:

(1) *For purposes of Housing programs:* An elderly person, a person with a disability, or an elderly or disabled family for purposes of the program under which a project for the elderly or persons with disabilities is assisted or has its mortgage insured.

(2) *For purposes of Public Housing programs:* (i) An elderly person, a person with a disability, or an elderly or disabled family as defined in § 5.403 in subpart A of this part.

(ii) [Reserved]

Housing programs means:

Project for the elderly or persons with disabilities means:

(1) *For purposes of Housing programs:* (i) A specific rental or cooperative multifamily property that, unless currently owned by HUD, is subject to a first mortgage, and:

(A) That is assisted under statutory authority identified by HUD through notice;

(B) That was designated for occupancy by elderly or disabled families when funds for the project were reserved, or when the commitment to insure the mortgage was issued or, of not then so designated, that is designated for such occupancy in an effective amendment to the regulatory agreement covering the project, made pursuant to the project owner's request, and that is assisted or insured under one of

24 CFR Subtitle A (4-1-25 Edition)

the programs identified by HUD through notice; or

(C) For which preference in tenant selection is given for all units in the project to elderly or disabled families and that is owned by HUD or assisted under one of the programs identified by HUD through notice.

(ii) This term does not include health and care facilities that have mortgage insurance under the National Housing Act. This term also does not include any of the project owner's other property that does not meet the criteria contained in any one of paragraphs (1)(i)(A) through (C) of this definition, even if the property is adjacent to or under joint or common management with such specific property.

(2) *For purposes of Public Housing programs:* Any project assisted under title I of the United States Housing Act of 1937 (other than under section 8 or 17 of the Act), including any building within a mixed-use project, that was designated for occupancy by the elderly or persons with disabilities at its inception or, although not so designated, for which the PHA gives preference in tenant selection (with HUD approval) for all units in the project (or for a building within a mixed-use project) to elderly or disabled families. For purposes of this part, this term does not include projects assisted the Low-Rent Housing Homeownership Opportunity program or under title II of the United States Housing Act of 1937.

Project owner means an owner (including HUD, where HUD is the owner) or manager of a project for the elderly or persons with disabilities, or an agent authorized to act for an owner or manager of such housing.

[61 FR 5202, Feb. 9, 1996, as amended at 65 FR 16715, Mar. 29, 2000]

§ 5.309 Prohibition against discrimination.

Except as otherwise specifically authorized under this subpart no project owner or PHA that owns or manages a project for the elderly or persons with disabilities may:

(a) As a condition of tenancy or otherwise, prohibit or prevent any tenant of such housing from owning common

household pets or having such pets living in the tenant's dwelling unit; or

(b) Restrict or discriminate against any person in connection with admission to, or continued occupancy of, such housing by reason of the person's ownership of common household pets or the presence of such pets in the person's dwelling unit.

§ 5.312 Notice to tenants.

(a) During the development of pet rules as described in §§ 5.353 or 5.380, the project owner or PHA shall serve written notice on all tenants of projects for the elderly or persons with disabilities in occupancy at the time of service, stating that:

(1) Tenants are permitted to own and keep common household pets in their dwelling units, in accordance with the pet rules (if any) promulgated under this subpart C;

(2) Animals that are used to assist persons with disabilities are excluded from the requirements of this subpart C, as provided in § 5.303;

(3) Tenants may, at any time, request a copy of any current pet rule developed under this subpart C (as well as any current proposed rule or proposed amendment to an existing rule); and

(4) Tenants may request that their leases be amended under § 5.321 to permit common household pets.

(b) The project owner or PHA shall provide to each applicant for tenancy when he or she is offered a dwelling unit in a project for the elderly or persons with disabilities, the written notice specified in paragraphs (a) (1), (2), and (3) of this section.

(c) If a PHA chooses not to promulgate pet rules, the notice shall be served within 60 days of the effective date of this part. PHAs shall serve notice under this section in accordance with their normal service of notice procedures.

§ 5.315 Content of pet rules: General requirements.

(a) *Housing programs.* The project owner shall prescribe reasonable rules to govern the keeping of common household pets. The pet rules must include the mandatory rules described in § 5.350 and may, unless otherwise noted in this subpart C, include other discre-

tionary provisions as provided in § 5.318.

(b) *Public Housing programs.* (1) PHAs may choose not to promulgate rules governing the keeping of common household pets or may include rules as provided in § 5.318. PHAs may elect to include provisions based on those in § 5.350. If they so choose, the PHAs may modify the provisions in § 5.350 in any manner consistent with this subpart C.

(2) If PHAs choose to promulgate pet rules, tenants must be permitted to own and keep pets in their units in accordance with the terms and conditions of their leases, the provisions of this subpart C, and any applicable State or local law or regulation governing the owning or keeping of pets in dwelling accommodations.

(3) PHAs that choose not to promulgate pet rules, shall not impose, by lease modification or otherwise, any requirement that is inconsistent with the provisions of this subpart C.

(c) *Use of discretion.* (1) This subpart C does not define with specificity the limits of the project owners' or PHAs' discretion to promulgate pet rules. Where a project owner or PHA has discretion to prescribe pet rules under this subpart C, the pet rules should be:

(i) Reasonably related to furthering a legitimate interest of the project owner or PHA, such as the owner's or PHA's interest in providing a decent, safe, and sanitary living environment for existing and prospective tenants and in protecting and preserving the physical condition of the project and the owner's or PHA's financial interest in it; and

(ii) Drawn narrowly to achieve the owner's or PHA's legitimate interests, without imposing unnecessary burdens and restrictions on pet owners and prospective pet owners.

(2) Where a project owner or PHA has discretion to prescribe pet rules under this subpart C, the owner or PHA may vary the rules' content among projects and within individual projects, based on factors such as the size, type, location, and occupancy of the project or its units, provided that the applicable rules are reasonable and do not conflict with any applicable State or local law or regulation governing the owning or

§ 5.318

keeping of pets in dwelling accommodations.

(d) *Conflict with State or local law.* The pet rules adopted by the project owner or PHA shall not conflict with applicable State or local law or regulations. If such a conflict may exist, the State and local law or regulations shall apply.

§ 5.318 Discretionary pet rules.

Pet rules promulgated by project owners and PHAs may include, but are not limited to, consideration of the following factors:

(a) *Definitions of “common household pet”*—(1) *For Public Housing programs.* The pet rules established by a PHA may contain a reasonable definition of a common household pet.

(2) *For Housing programs.* Project owners wishing to define “common household pet” in their pet rules must use the Housing programs definition of the term in § 5.306.

(b) *Density of tenants and pets.* (1)(i) The pet rules established under this section may take into account tenant and pet density. The pet rules may place reasonable limitations on the number of common household pets that may be allowed in each dwelling unit. In the case of group homes, the pet rules may place reasonable limitations on the number of common household pets that may be allowed in each home.

(ii) *For Housing programs.* Under these rules, project owners may limit the number of four-legged, warm-blooded pets to one pet in each dwelling unit or group home.

(iii) Other than the limitations described in this paragraph (b)(1), the pet rules may not limit the total number of pets allowed in the project.

(2) As used in paragraph (b)(1) of this section, the term “group home” means:

(i) *For purposes of Housing programs.* A small, communal living arrangement designed specifically for individuals who are chronically mentally ill, developmentally disabled, or physically disabled who require a planned program of continual supportive services or supervision (other than continual nursing, medical or psychiatric care).

(ii) *For purposes of Public Housing programs.* A dwelling or dwelling unit for the exclusive residential use of elderly

24 CFR Subtitle A (4–1–25 Edition)

persons or persons with disabilities who are not capable of living completely independently and who require a planned program of continual supportive services or supervision (other than continual nursing, medical or psychiatric care).

(c) *Pet size and pet type.* The pet rules may place reasonable limitations on the size, weight, and type of common household pets allowed in the project.

(d) *Potential financial obligations of tenants*—(1) *Pet deposits.* The pet rules may require tenants who own or keep pets in their units to pay a refundable pet deposit. In the case of project owners, this pet deposit shall be limited to those tenants who own or keep cats or dogs in their units. This deposit is in addition to any other financial obligation generally imposed on tenants of the project. The project owner or PHA may use the pet deposit only to pay reasonable expenses directly attributable to the presence of the pet in the project, including (but not limited to) the cost of repairs and replacements to, and fumigation of, the tenant’s dwelling unit and, for project owners, the cost of animal care facilities under § 5.363. The project owner or PHA shall refund the unused portion of the pet deposit to the tenant within a reasonable time after the tenant moves from the project or no longer owns or keeps a pet (or a cat or dog in the case of project owners) in the dwelling unit.

(2) *Housing programs: Maximum pet deposit.* (1) Pet deposits for the following tenants shall not exceed an amount periodically fixed by HUD through notice.

(A) Tenants whose rents are subsidized (including tenants of a HUD-owned project, whose rents were subsidized before HUD acquired it) under one of the programs identified by HUD through notice.

(B) Tenants who live in a project assisted (including tenants who live in a HUD-owned project that was assisted before HUD acquired it) under one of the programs identified by HUD through notice.

(C) For all other tenants of projects for the elderly or persons with disabilities, the pet deposit shall not exceed one month’s rent at the time the pet is brought onto the premises.

(ii) In establishing the maximum amount of pet deposit under paragraph (d)(2)(i) of this section, HUD will consider factors such as:

(A) Projected, estimated expenses directly attributable to the presence of pets in the project;

(B) The ability of project owners to offset such expenses by use of security deposits or HUD-reimbursable expenses; and

(C) The low income status of tenants of projects for the elderly or persons with disabilities.

(iii) For pet deposits subject to paragraph (d)(2)(i)(A) of this section, the pet rules shall provide for gradual accumulation of the deposit by the pet owner through an initial payment not to exceed \$50 when the pet is brought onto the premises, and subsequent monthly payments not to exceed \$10 per month until the amount of the deposit is reached.

(iv) For pet deposits subject to paragraphs (d)(2)(i)(B) and (C) of this section, the pet rules may provide for gradual accumulation of the deposit by the pet owner.

(v) The project owner may (subject to the HUD-prescribed limits) increase the amount of the pet deposit by amending the house pet rules in accordance with §5.353.

(A) For pet deposits subject to paragraph (d)(2)(i)(A) of this section, the house pet rules shall provide for gradual accumulation of any such increase not to exceed \$10 per month for all deposit amounts that are being accumulated.

(B) [Reserved]

(vi) Any pet deposit that is established within the parameters set forth by paragraph (d)(2) of this section shall be deemed reasonable for purposes of this subpart C.

(3) *Public Housing programs: Maximum pet deposit.* The maximum amount of pet deposit that may be charged by the PHA, on a per dwelling unit basis, shall not exceed the higher of the Total Tenant Payment (as defined in 24 CFR 913.102) or such reasonable fixed amount as the PHA may require. The pet rules may permit gradual accumulation of the pet deposit by the pet owner.

(4) *Housing programs: Waste removal charge.* The pet rules may permit the project owner to impose a separate waste removal charge of up to five dollars (\$5) per occurrence on pet owners that fail to remove pet waste in accordance with the prescribed pet rules. Any pet waste removal charge that is within this five dollar (\$5) limitation shall be deemed to be a reasonable amount for the purposes of this subpart C.

(5) The pet deposit (for Housing and Public Housing programs) and waste removal charge (for Housing programs) are not part of the rent payable by the tenant. Except as provided in paragraph (d) of this section for Housing programs and, paragraph (d) of this section and 24 CFR 966.4(b) for Public Housing programs, project owners or PHAs may not prescribe pet rules that impose additional financial obligations on pet owners that are designed to compensate the project owner or PHA for costs associated with the presence of pets in the project, including (but not limited to) requiring pet owners:

(i) To obtain liability or other insurance to cover damage caused by the pet;

(ii) To agree to be strictly liable for all damages caused by the pet where this liability is not otherwise imposed by State or local law, or

(iii) To indemnify the project owner for pet-related litigation and attorney's fees.

(e) *Standards of pet care.* The pet rules may prescribe standards of pet care and handling, but must be limited to those necessary to protect the condition of the tenant's unit and the general condition of the project premises, or to protect the health or safety of present tenants, project employees, and the public. The pet rules may not require pet owners to have any pet's vocal cords removed. Permitted rules may:

(1) Bar pets from specified common areas (such as lobbies, laundry rooms, and social rooms), unless the exclusion will deny a pet reasonable ingress and egress to the project or building.

(2) Require the pet owner to control noise and odor caused by a pet.

(3) Housing programs: Project owners may also:

§ 5.321

(i) Require pet owners to have their dogs and cats spayed or neutered; and

(ii) Limit the length of time that a pet may be left unattended in a dwelling unit.

(f) *Pet licensing.* The pet rules may require pet owners to license their pets in accordance with applicable State and local laws and regulations. (Failure of the pet rules to contain this requirement does not relieve the pet owner of responsibility for complying with applicable State and local pet licensing requirements.)

(g) *Public Housing programs: Designated pet areas.* (1) PHAs may designate buildings, floors of buildings, or sections of buildings as no-pet areas where pets generally may not be permitted. Similarly, the pet rules may designate buildings, floors of buildings, or sections of buildings for residency generally by pet-owning tenants. The PHA may direct such initial tenant moves as may be necessary to establish pet and no-pet areas. The PHA may not refuse to admit (or delay admission of) an applicant for tenancy on the grounds that the applicant's admission would violate a pet or no-pet area. The PHA may adjust the pet and no-pet areas or may direct such additional moves as may be necessary (or both) to accommodate such applicants for tenancy or to meet the changing needs of existing tenants.

(2) Project owners may not designate pet areas in buildings in their pet rules.

(h) *Pets temporarily on the premises.* The pet rules may exclude from the project pets not owned by a tenant that are to be kept temporarily on the project premises. For the purposes of paragraph (h) of this section, pets are to be kept "temporarily" if they are to be kept in the tenant's dwelling accommodations for a period of less than 14 consecutive days and nights. HUD, however, encourages project owners and PHAs to permit the use of a visiting pet program sponsored by a humane society, or other nonprofit organization.

§ 5.321 Lease provisions.

(a) *Lease provisions.* (1) PHAs which have established pet rules and project owners shall ensure that the leases for

24 CFR Subtitle A (4-1-25 Edition)

all tenants of projects for the elderly or persons with disabilities:

(i) State that tenants are permitted to keep common household pets in their dwelling units (subject to the provisions of this subpart and the pet rules);

(ii) Shall incorporate by reference the pet rules promulgated by the project owner or PHA;

(iii) Shall provide that the tenant agrees to comply with these rules; and

(iv) Shall state that violation of these rules may be grounds for removal of the pet or termination of the pet owner's tenancy (or both), in accordance with the provisions of this subpart and applicable regulations and State or local law.

(2) [Reserved]

(b) Where a PHA has not established pet rules, the leases of all tenants of such projects shall not contain any provisions prohibiting the owning or keeping of common household pets, and shall state that owning and keeping of such pets will be subject to the general obligations imposed on the PHA and tenants in the lease and any applicable State or local law or regulation governing the owning or keeping of pets in dwelling accommodations.

§ 5.324 Implementation of lease provisions.

The lease for each tenant of a project for the elderly or persons with disabilities who is admitted on or after the date on which this subpart C is implemented shall contain the lease provisions described in § 5.321 and, if applicable, § 5.360. The lease for each tenant who occupies a unit in such a project under lease on the date of implementation of this part shall be amended to include the provisions described in § 5.321 and, if applicable, § 5.360:

(a) For Housing programs:

(1) Upon renewal of the lease and in accordance with any applicable regulation; and

(2) When a Housing program tenant registers a common household pet under § 5.350

(b) For Public Housing programs:

(1) Upon annual reexamination of tenant income in accordance with any applicable regulation; and

(2) When a Public Housing program tenant wishes to own or keep a common household pet in his or her unit.

§ 5.327 Nuisance or threat to health or safety.

Nothing in this subpart C prohibits a project owner, PHA, or an appropriate community authority from requiring the removal of any pet from a project, if the pet's conduct or condition is duly determined to constitute, under the provisions of State or local law, a nuisance or a threat to the health or safety of other occupants of the project or of other persons in the community where the project is located.

PET OWNERSHIP REQUIREMENTS FOR HOUSING PROGRAMS

§ 5.350 Mandatory pet rules for housing programs.

Mandatory rules. The project owner must prescribe the following pet rules:

(a) *Inoculations.* The pet rules shall require pet owners to have their pets inoculated in accordance with State and local laws.

(b) *Sanitary standards.* (1) The pet rules shall prescribe sanitary standards to govern the disposal of pet waste. These rules may:

(i) Designate areas on the project premises for pet exercise and the deposit of pet waste;

(ii) Forbid pet owners from exercising their pets or permitting their pets to deposit waste on the project premises outside the designated areas;

(iii) Require pet owners to remove and properly dispose of all removable pet waste; and

(iv) Require pet owners to remove pets from the premises to permit the pet to exercise or deposit waste, if no area in the project is designated for such purposes.

(2) In the case of cats and other pets using litter boxes, the pet rules may require the pet owner to change the litter (but not more than twice each week), may require pet owners to separate pet waste from litter (but not more than once each day), and may prescribe methods for the disposal of pet waste and used litter.

(c) *Pet restraint.* The pet rules shall require that all cats and dogs be appro-

priately and effectively restrained and under the control of a responsible individual while on the common areas of the project.

(d) *Registration.* (1) The pet rules shall require pet owners to register their pets with the project owner. The pet owner must register the pet before it is brought onto the project premises, and must update the registration at least annually. The project owner may coordinate the annual update with the annual reexamination of tenant income, if applicable. The registration must include:

(i) A certificate signed by a licensed veterinarian or a State or local authority empowered to inoculate animals (or designated agent of such an authority) stating that the pet has received all inoculations required by applicable State and local law;

(ii) Information sufficient to identify the pet and to demonstrate that it is a common household pet; and

(iii) The name, address, and phone number of one or more responsible parties who will care for the pet if the pet owner dies, is incapacitated, or is otherwise unable to care for the pet.

(2) The project owner may require the pet owner to provide additional information necessary to ensure compliance with any discretionary rules prescribed under § 5.318, and shall require the pet owner to sign a statement indicating that he or she has read the pet rules and agrees to comply with them.

(3) The pet rules shall permit the project owner to refuse to register a pet if:

(i) The pet is not a common household pet;

(ii) The keeping of the pet would violate any applicable house pet rule;

(iii) The pet owner fails to provide complete pet registration information or fails annually to update the pet registration; or

(iv) The project owner reasonably determines, based on the pet owner's habits and practices, that the pet owner will be unable to keep the pet in compliance with the pet rules and other lease obligations. The pet's temperament may be considered as a factor in determining the prospective pet owner's ability to comply with the pet rules and other lease obligations.

§ 5.353

(4) The project owner may not refuse to register a pet based on a determination that the pet owner is financially unable to care for the pet or that the pet is inappropriate, based on the therapeutic value to the pet owner or the interests of the property or existing tenants.

(5) The pet rules shall require the project owner to notify the pet owner if the project owner refuses to register a pet. The notice shall state the basis for the project owner's action and shall be served on the pet owner in accordance with the requirements of § 5.353(f)(1)(i) or (ii). The notice of refusal to register a pet may be combined with a notice of pet violation as required in § 5.356.

§ 5.353 Housing programs: Procedure for development of pet rules.

(a) *General.* Project owners shall use the procedures specified in this section to promulgate the pet rules referred to in §§ 5.318 and 5.350.

(b) *Development and notice of proposed pet rules.* Project owners shall develop proposed rules to govern the owning or keeping of common household pets in projects for the elderly or persons with disabilities. Notice of the proposed pet rules shall be served on each tenant of the project as provided in paragraph (f) of this section. The notice shall:

(1) Include the text of the proposed rules;

(2) State that tenants or tenant representatives may submit written comments on the rules; and

(3) State that all comments must be submitted to the project owner no later than 30 days from the effective date of the notice of the proposed rules.

(4) The notice may also announce the date, time, and place for a meeting to discuss the proposed rules (as provided in paragraph (c) of this section).

(c) *Tenant consultation.* Tenants or tenant representatives may submit written comments on the proposed pet rules to the project owner by the date specified in the notice of proposed rules. In addition, the owner may schedule one or more meetings with tenants during the comment period to discuss the proposed rules. Tenants and tenant representatives may make oral comments on the proposed rules at these meetings. The project owner

24 CFR Subtitle A (4-1-25 Edition)

must consider comments made at these meetings only if they are summarized, reduced to writing, and submitted to the project owner before the end of the comment period.

(d) *Development and notice of final pet rules.* The project owner shall develop the final rules after reviewing tenants' written comments and written summaries of any owner-tenant meetings. The project owner may meet with tenants and tenant representatives to attempt to resolve issues raised by the comments. Subject to this subpart C, the content of the final pet rules, however, is within the sole discretion of the project owner. The project owner shall serve on each tenant of the project, a notice of the final pet rules as provided in paragraph (f) of this section. The notice must include the text of the final pet rules and must specify the effective date of the final pet rules.

(e) *Amendment of pet rules.* The project owner may amend the pet rules at any time by following the procedure for the development of pet rules specified in paragraphs (b) through (d) of this section.

(f) *Service of notice.* (1) The project owner must serve the notice required under this section by:

(i) Sending a letter by first class mail, properly stamped and addressed to the tenant at the dwelling unit, with a proper return address; or

(ii) Serving a copy of the notice on any adult answering the door at the tenant's leased dwelling unit, or if no adult responds, by placing the notice under or through the door, if possible, or else by attaching the notice to the door; or

(iii) For service of notice to tenants of a high-rise building, posting the notice in at least three conspicuous places within the building and maintaining the posted notices intact and in legible form for 30 days. For purposes of paragraph (f) of this section, a high-rise building is a structure that is equipped with an elevator and has a common lobby.

(2) For purposes of computing time periods following service of the notice, service is effective on the day that all notices are delivered or mailed, or in the case of service by posting, on the

day that all notices are initially posted.

§ 5.356 Housing programs: Pet rule violation procedures.

(a) *Notice of pet rule violation.* If a project owner determines on the basis of objective facts, supported by written statements, that a pet owner has violated a rule governing the owning or keeping of pets; the project owner may serve a written notice of pet rule violation on the pet owner in accordance with § 5.353(f)(1)(i) or (ii). The notice of pet rule violation must:

(1) Contain a brief statement of the factual basis for the determination and the pet rule or rules alleged to be violated;

(2) State that the pet owner has 10 days from the effective date of service of the notice to correct the violation (including, in appropriate circumstances, removal of the pet) or to make a written request for a meeting to discuss the violation;

(3) State that the pet owner is entitled to be accompanied by another person of his or her choice at the meeting; and

(4) State that the pet owner's failure to correct the violation, to request a meeting, or to appear at a requested meeting may result in initiation of procedures to terminate the pet owner's tenancy.

(b)(1) *Pet rule violation meeting.* If the pet owner makes a timely request for a meeting to discuss an alleged pet rule violation, the project owner shall establish a mutually agreeable time and place for the meeting but no later than 15 days from the effective date of service of the notice of pet rule violation (unless the project owner agrees to a later date). At the pet rule violation meeting, the pet owner and project owner shall discuss any alleged pet rule violation and attempt to correct it. The project owner may, as a result of the meeting, give the pet owner additional time to correct the violation.

(2) *Notice for pet removal.* If the pet owner and project owner are unable to resolve the pet rule violation at the pet rule violation meeting, or if the project owner determines that the pet owner has failed to correct the pet rule violation within any additional time pro-

vided for this purpose under paragraph (b)(1) of this section, the project owner may serve a written notice on the pet owner in accordance with § 5.353(f)(1) (i) or (ii) (or at the meeting, if appropriate), requiring the pet owner to remove the pet. The notice must:

(i) Contain a brief statement of the factual basis for the determination and the pet rule or rules that have been violated;

(ii) State that the pet owner must remove the pet within 10 days of the effective date of service of the notice of pet removal (or the meeting, if notice is served at the meeting); and

(iii) State that failure to remove the pet may result in initiation of procedures to terminate the pet owner's tenancy.

(c) *Initiation of procedures to remove a pet or terminate the pet owner's tenancy.*

(1) The project owner may not initiate procedures to terminate a pet owner's tenancy based on a pet rule violation, unless:

(i) The pet owner has failed to remove the pet or correct a pet rule violation within the applicable time period specified in this section (including any additional time permitted by the owner); and

(ii) The pet rule violation is sufficient to begin procedures to terminate the pet owner's tenancy under the terms of the lease and applicable regulations.

(2) The project owner may initiate procedures to remove a pet under § 5.327 at any time, in accordance with the provisions of applicable State or local law.

§ 5.359 Housing programs: Rejection of units by applicants for tenancy.

(a) An applicant for tenancy in a project for the elderly or persons with disabilities may reject a unit offered by a project owner if the unit is in close proximity to a dwelling unit in which an existing tenant of the project owns or keeps a common household pet. An applicant's rejection of a unit under this section shall not adversely affect his or her application for tenancy in the project, including (but not limited to) his or her position on the project waiting list or qualification for any tenant selection preference.

§ 5.360

(b) Nothing in this subpart C imposes a duty on project owners to provide alternate dwelling units to existing or prospective tenants because of the proximity of common household pets to a particular unit or the presence of such pets in the project.

§ 5.360 Housing programs: Additional lease provisions.

(a) *Inspections.* In addition to other inspections permitted under the lease, the leases for all Housing program tenants of projects for the elderly or persons with disabilities may state that the project owner may, after reasonable notice to the tenant and during reasonable hours, enter and inspect the premises. The lease shall permit entry and inspection only if the project owner has received a signed, written complaint alleging (or the project owner has reasonable grounds to believe) that the conduct or condition of a pet in the dwelling unit constitutes, under applicable State or local law, a nuisance or a threat to the health or safety of the occupants of the project or other persons in the community where the project is located.

(b) *Emergencies.* (1) If there is no State or local authority (or designated agent of such an authority) authorized under applicable State or local law to remove a pet that becomes vicious, displays symptoms of severe illness, or demonstrates other behavior that constitutes an immediate threat to the health or safety of the tenancy as a whole, the project owner may place a provision in tenant leases permitting the project owner to enter the premises (if necessary), remove the pet, and take such action with respect to the pet as may be permissible under State and local law, which may include placing it in a facility that will provide care and shelter for a period not to exceed 30 days.

(2) The lease shall permit the project owner to enter the premises and remove the pet or take such other permissible action only if the project owner requests the pet owner to remove the pet from the project immediately, and the pet owner refuses to do so, or if the project owner is unable to contact the pet owner to make a removal request. The lease may not con-

tain a provision relieving the project owner from liability for wrongful removal of a pet. The cost of the animal care facility shall be paid as provided in § 5.363.

(3) The project owner may place a provision in tenant leases permitting the project owner to enter the premises, remove the pet, and place the pet in a facility that will provide care and shelter, in accordance with the provisions of § 5.363. The lease may not contain a provision relieving the project owner from liability for wrongful removal of a pet.

§ 5.363 Housing programs: Protection of the pet.

(a) If the health or safety of a pet is threatened by the death or incapacity of the pet owner, or by other factors that render the pet owner unable to care for the pet, the project owner may contact the responsible party or parties listed in the pet registration required under § 5.350(d)(1)(iii).

(b) If the responsible party or parties are unwilling or unable to care for the pet, or the project owner, despite reasonable efforts, has been unable to contact the responsible party or parties, the project owner may contact the appropriate State or local authority (or designated agent of such an authority) and request the removal of the pet.

(c) If there is no State or local authority (or designated agent of such an authority) authorized to remove a pet under these circumstances and the project owner has placed a provision in the lease agreement (as described in § 5.360(c)(2)), the project owner may enter the pet owner's unit, remove the pet, and place the pet in a facility that will provide care and shelter until the pet owner or a representative of the pet owner is able to assume responsibility for the pet, but not longer than 30 days.

(d) The cost of the animal care facility provided under this section shall be borne by the pet owner. If the pet owner (or the pet owner's estate) is unable or unwilling to pay, the cost of the animal care facility may be paid from the pet deposit, if imposed under the pet rules.

PET OWNERSHIP REQUIREMENTS FOR
PUBLIC HOUSING PROGRAMS

§ 5.380 Public housing programs: Procedure for development of pet rules.

PHAs that choose to promulgate pet rules shall consult with tenants of projects for the elderly or persons with disabilities administered by them with respect to their promulgation and subsequent amendment. PHAs shall develop the specific procedures governing tenant consultation, but these procedures must be designed to give tenants (or, if appropriate, tenant councils) adequate opportunity to review and comment upon the pet rules before they are issued for effect. PHAs are solely responsible for the content of final pet rules, but must give consideration to tenant comments. PHAs shall send to the responsible HUD field office, copies of the final (or amended) pet rules, as well as summaries or copies of all tenant comments received in the course of the tenant consultation.

24 CFR Subtitle A (4-1-25 Edition)

following evidence to the responsible entity.

(1) For U.S. citizens or U.S. nationals, the evidence consists of a signed declaration of U.S. citizenship or U.S. nationality. The responsible entity may request verification of the declaration by requiring presentation of a United States passport or other appropriate documentation, as specified in HUD guidance.

(3) *Notice of release of evidence by HUD.* The verification consent form also shall notify the individual of the possible release of evidence of eligible immigration status by HUD. Evidence of eligible immigration status shall only be released to the INS for purposes of establishing eligibility for financial assistance and not for any other purpose. HUD is not responsible for the further use or transmission of the evidence or other information by the INS.

(e) *Individuals who do not contend that they have eligible status.* If one or more members of a family elect not to contend that they have eligible immigration status, and other members of the family establish their citizenship or eligible immigration status, the family may be eligible for assistance under §§ 5.516 and 5.518, or § 5.520, despite the fact that no declaration or documentation of eligible status is submitted for one or more members of the family. The family, however, must identify in writing to the responsible entity, the family member (or members) who will elect not to contend that he or she has eligible immigration status.

(f) *Notification of requirements of Section 214—(1) When notice is to be issued.* Notification of the requirement to submit evidence of citizenship or eligible immigration status, as required by this section, or to elect not to contend that one has eligible status as provided by paragraph (e) of this section, shall be given by the responsible entity as follows:

Tenants also shall be informed of how to obtain assistance under the preservation of families provisions of §§ 5.516 and 5.518.

(4) *Changing participation in a HUD program.* Whenever a family applies for admission to a Section 214 covered program, evidence of eligible status is required to be submitted in accordance with the requirements of this subpart unless the family already has submitted the evidence to the responsible entity for a Section 214 covered program.

(5) *One-time evidence requirement for continuous occupancy.* For each family member, the family is required to submit evidence of eligible status only one time during continuously assisted occupancy under any Section 214 covered program.

(h) *Extensions of time to submit evidence of eligible status—(1) When extension must be granted.* The responsible entity shall extend the time, provided in paragraph (g) of this section, to submit evidence of eligible immigration status if the family member:

The additional time provided should be sufficient to allow the individual the time to obtain the evidence needed. The responsible entity's determination of the length of the extension needed shall be based on the circumstances of the individual case.

(3) *Grant or denial of extension to be in writing.* The responsible entity's decision to grant or deny an extension as provided in paragraph (h)(1) of this section shall be issued to the family by written notice. If the extension is granted, the notice shall specify the extension period granted (which shall not exceed thirty (30) days). If the extension is denied, the notice shall explain the reasons for denial of the extension.

(i) *Failure to submit evidence or to establish eligible status.* If the family fails to submit required evidence of eligible immigration status within the time period specified in the notice, or any extension granted in accordance with paragraph (h) of this section, or if the evidence is timely submitted but fails to establish eligible immigration status, the responsible entity shall proceed to deny, prorate or terminate assistance, or provide continued assistance or temporary deferral of termination of assistance, as appropriate, in accordance with the provisions of §§ 5.514, 5.516, and 5.518.

§5.512 Verification of eligible immigration status.

(a) *General.* Except as described in paragraph (b) of this section and §5.514, no individual or family applying for assistance may receive such assistance prior to the verification of the eligibility of at least the individual or one family member. Verification of eligibility consistent with §5.514 occurs when the individual or family members have submitted documentation to the responsible entity in accordance with §5.508.

(b) *PHA election to provide assistance before verification.* A PHA that is a responsible entity under this subpart may elect to provide assistance to a family before the verification of the eligibility of the individual or one family member.

(c) *Primary verification—(1) Automated verification system.* Primary verification of the immigration status of the person is conducted by the responsible entity through the INS automated system (INS Systematic Alien Verification for Entitlements (SAVE)). The INS SAVE system provides access to names, file numbers and admission numbers of noncitizens.

(2) *Failure of primary verification to confirm eligible immigration status.* If the INS SAVE system does not verify eligible immigration status, secondary verification must be performed.

(d) *Secondary verification—(1) Manual search of INS records.* Secondary verification is a manual search by the INS of its records to determine an individual's immigration status. The responsible entity must request secondary verification, within 10 days of receiving the results of the primary verification, if the primary verification system does not confirm eligible immigration status, or if the primary verification system verifies immigration status that is ineligible for assist-

ance under a Section 214 covered program.

(2) *Secondary verification initiated by responsible entity.* Secondary verification is initiated by the responsible entity forwarding photocopies of the original INS documents required for the immigration status declared (front and back), attached to the INS document verification request form G-845S (Document Verification Request), or such other form specified by the INS to a designated INS office for review. (Form G-845S is available from the local INS Office.)

(3) *Failure of secondary verification to confirm eligible immigration status.* If the secondary verification does not confirm eligible immigration status, the responsible entity shall issue to the family the notice described in §5.514(d), which includes notification of the right to appeal to the INS of the INS finding on immigration status (see §5.514(d)(4)).

(e) *Exemption from liability for INS verification.* The responsible entity shall not be liable for any action, delay, or failure of the INS in conducting the automated or manual verification.

§5.514 Delay, denial, reduction or termination of assistance.

(a) *General.* Assistance to a family may not be delayed, denied, reduced or terminated because of the immigration status of a family member except as provided in this section.

(b) *Restrictions on delay, denial, reduction or termination of assistance—(1) Restrictions on reduction, denial or termination of assistance for applicants and tenants.* Assistance to an applicant or tenant shall not be delayed, denied, reduced, or terminated, on the basis of ineligible immigration status of a family member if:

(i) The primary and secondary verification of any immigration documents that were timely submitted has not been completed;

(ii) The family member for whom required evidence has not been submitted has moved from the assisted dwelling unit;

§ 5.514

(iii) The family member who is determined not to be in an eligible immigration status following INS verification has moved from the assisted dwelling unit;

(iv) The INS appeals process under § 5.514(e) has not been concluded;

(v) Assistance is prorated in accordance with § 5.520; or

(vi) Assistance for a mixed family is continued in accordance with §§ 5.516 and 5.518; or

(vii) Deferral of termination of assistance is granted in accordance with §§ 5.516 and 5.518.

(2) *Restrictions on delay, denial, reduction or termination of assistance pending fair hearing for tenants.* In addition to the factors listed in paragraph (b)(1) of this section, assistance to a tenant cannot be delayed, denied, reduced or terminated until the completion of the informal hearing described in paragraph (f) of this section.

(c) *Events causing denial or termination of assistance—(1) General.* Assistance to an applicant shall be denied, and a tenant's assistance shall be terminated, in accordance with the procedures of this section, upon the occurrence of any of the following events:

(i) Evidence of citizenship (i.e., the declaration) and eligible immigration status is not submitted by the date specified in § 5.508(g) or by the expiration of any extension granted in accordance with § 5.508(h);

(ii) Evidence of citizenship and eligible immigration status is timely submitted, but INS primary and secondary verification does not verify eligible immigration status of a family member; and

(A) The family does not pursue INS appeal or informal hearing rights as provided in this section; or

(B) INS appeal and informal hearing rights are pursued, but the final appeal or hearing decisions are decided against the family member; or

(iii) The responsible entity determines that a family member has knowingly permitted another individual who is not eligible for assistance to reside (on a permanent basis) in the public or assisted housing unit of the family member. Such termination shall be for a period of not less than 24 months. This provision does not apply to a fam-

24 CFR Subtitle A (4-1-25 Edition)

ily if the ineligibility of the ineligible individual was considered in calculating any proration of assistance provided for the family.

(2) *Termination of assisted occupancy.* For termination of assisted occupancy, see paragraph (i) of this section.

(d) *Notice of denial or termination of assistance.* The notice of denial or termination of assistance shall advise the family:

(1) That financial assistance will be denied or terminated, and provide a brief explanation of the reasons for the proposed denial or termination of assistance;

(2) That the family may be eligible for proration of assistance as provided under § 5.520;

(3) In the case of a tenant, the criteria and procedures for obtaining relief under the provisions for preservation of families in §§ 5.514 and 5.518;

(4) That the family has a right to request an appeal to the INS of the results of secondary verification of immigration status and to submit additional documentation or a written explanation in support of the appeal in accordance with the procedures of paragraph (e) of this section;

(5) That the family has a right to request an informal hearing with the responsible entity either upon completion of the INS appeal or in lieu of the INS appeal as provided in paragraph (f) of this section;

(6) For applicants, the notice shall advise that assistance may not be delayed until the conclusion of the INS appeal process, but assistance may be delayed during the pendency of the informal hearing process.

(e) *Appeal to the INS—(1) Submission of request for appeal.* Upon receipt of notification by the responsible entity that INS secondary verification failed to confirm eligible immigration status, the responsible entity shall notify the family of the results of the INS verification, and the family shall have 30 days from the date of the responsible entity's notification, to request an appeal of the INS results. The request for appeal shall be made by the family communicating that request in writing directly to the INS. The family must provide the responsible entity with a

copy of the written request for appeal and proof of mailing.

(2) *Documentation to be submitted as part of appeal to INS.* The family shall forward to the designated INS office any additional documentation or written explanation in support of the appeal. This material must include a copy of the INS document verification request form G-845S (used to process the secondary verification request) or such other form specified by the INS, and a cover letter indicating that the family is requesting an appeal of the INS immigration status verification results.

(3) *Decision by INS—(i) When decision will be issued.* The INS will issue to the family, with a copy to the responsible entity, a decision within 30 days of its receipt of documentation concerning the family's appeal of the verification of immigration status. If, for any reason, the INS is unable to issue a decision within the 30 day time period, the INS will inform the family and responsible entity of the reasons for the delay.

(ii) *Notification of INS decision and of informal hearing procedures.* When the responsible entity receives a copy of the INS decision, the responsible entity shall notify the family of its right to request an informal hearing on the responsible entity's ineligibility determination in accordance with the procedures of paragraph (f) of this section.

(4) *No delay, denial, reduction, or termination of assistance until completion of INS appeal process; direct appeal to INS.* Pending the completion of the INS appeal under this section, assistance may not be delayed, denied, reduced or terminated on the basis of immigration status.

(f) *Informal hearing—(1) When request for hearing is to be made.* After notification of the INS decision on appeal, or in lieu of request of appeal to the INS, the family may request that the responsible entity provide a hearing. This request must be made either within 30 days of receipt of the notice described in paragraph (d) of this section, or within 30 days of receipt of the INS appeal decision issued in accordance with paragraph (e) of this section.

(2) *Informal hearing procedures—(i) Tenants assisted under a Section 8 cov-*

ered program: For tenants assisted under a Section 8 covered program, the procedures for the hearing before the responsible entity are set forth in:

(A) *For Section 8 Moderate Rehabilitation assistance:* 24 CFR part 882; and

(B) *For Section 8 tenant-based assistance:* 24 CFR part 982.

(ii) *Tenants assisted under any other Section 8 covered program or a Public Housing covered program:* For tenants assisted under a Section 8 covered program not listed in paragraph (f)(3)(i) of this section or a Public Housing covered program, the procedures for the hearing before the responsible entity are set forth in 24 CFR part 966.

(iii) *Families under Housing covered programs and applicants for assistance under all covered programs.* For all families under Housing covered programs (applicants as well as tenants already receiving assistance) and for applicants for assistance under all covered programs, the procedures for the informal hearing before the responsible entity are as follows:

(A) *Hearing before an impartial individual.* The family shall be provided a hearing before any person(s) designated by the responsible entity (including an officer or employee of the responsible entity), other than a person who made or approved the decision under review, and other than a person who is a subordinate of the person who made or approved the decision;

(B) *Examination of evidence.* The family shall be provided the opportunity to examine and copy at the individual's expense, at a reasonable time in advance of the hearing, any documents in the possession of the responsible entity pertaining to the family's eligibility status, or in the possession of the INS (as permitted by INS requirements), including any records and regulations that may be relevant to the hearing;

(C) *Presentation of evidence and arguments in support of eligible status.* The family shall be provided the opportunity to present evidence and arguments in support of eligible status. Evidence may be considered without regard to admissibility under the rules of evidence applicable to judicial proceedings;

(D) *Controverting evidence of the responsible entity.* The family shall be

§5.514

24 CFR Subtitle A (4-1-25 Edition)

provided the opportunity to controvert evidence relied upon by the responsible entity and to confront and cross-examine all witnesses on whose testimony or information the responsible entity relies;

(E) *Representation.* The family shall be entitled to be represented by an attorney, or other designee, at the family's expense, and to have such person make statements on the family's behalf;

(F) *Interpretive services.* The family shall be entitled to arrange for an interpreter to attend the hearing, at the expense of the family, or responsible entity, as may be agreed upon by the two parties to the proceeding; and

(G) *Hearing to be recorded.* The family shall be entitled to have the hearing recorded by audiotape (a transcript of the hearing may, but is not required to, be provided by the responsible entity).

(3) *Hearing decision.* The responsible entity shall provide the family with a written final decision, based solely on the facts presented at the hearing, within 14 days of the date of the informal hearing. The decision shall state the basis for the decision.

(g) *Judicial relief.* A decision against a family member, issued in accordance with paragraphs (e) or (f) of this section, does not preclude the family from exercising the right, that may otherwise be available, to seek redress directly through judicial procedures.

(h) *Retention of documents.* The responsible entity shall retain for a minimum of 5 years the following documents that may have been submitted to the responsible entity by the family, or provided to the responsible entity as part of the INS appeal or the informal hearing process:

- (1) The application for financial assistance;
- (2) The form completed by the family for income reexamination;
- (3) Photocopies of any original documents (front and back), including original INS documents;
- (4) The signed verification consent form;
- (5) The INS verification results;
- (6) The request for an INS appeal;
- (7) The final INS determination;

(8) The request for an informal hearing; and

(9) The final informal hearing decision.

(i) *Termination of assisted occupancy.* (1) Under Housing covered programs, and in the Section 8 covered programs other than the Section 8 Rental Voucher, and Moderate Rehabilitation programs, assisted occupancy is terminated by:

(i) If permitted under the lease, the responsible entity notifying the tenant that because of the termination of assisted occupancy the tenant is required to pay the HUD-approved market rent for the dwelling unit.

(ii) The responsible entity and tenant entering into a new lease without financial assistance.

(iii) The responsible entity evicting the tenant. While the tenant continues in occupancy of the unit, the responsible entity may continue to receive assistance payments if action to terminate the tenancy under an assisted lease is promptly initiated and diligently pursued, in accordance with the terms of the lease, and if eviction of the tenant is undertaken by judicial action pursuant to State and local law. Action by the responsible entity to terminate the tenancy and to evict the tenant must be in accordance with applicable HUD regulations and other HUD requirements. For any jurisdiction, HUD may prescribe a maximum period during which assistance payments may be continued during eviction proceedings and may prescribe other standards of reasonable diligence for the prosecution of eviction proceedings.

(2) In the Section 8 Rental Voucher, and Moderate Rehabilitation programs, assisted occupancy is terminated by terminating assistance payments. (See provisions of this section concerning termination of assistance.) The PHA shall not make any additional assistance payments to the owner after the required procedures specified in this section have been completed. In addition, the PHA shall not approve a lease, enter into an assistance contract, or process a portability move for

the family after those procedures have been completed.

§ 5.516 Availability of preservation assistance to mixed families and other families.

(a) *Assistance available for tenant mixed families—(1) General.* Preservation assistance is available to tenant mixed families, following completion of the appeals and informal hearing procedures provided in § 5.514. There are three types of preservation assistance:

(i) Continued assistance (see paragraph (a) of § 5.518);

(ii) Temporary deferral of termination of assistance (see paragraph (b) of § 5.518); or

(iii) Prorated assistance (see § 5.520, a mixed family must be provided prorated assistance if the family so requests).

(2) *Availability of assistance—(i) For Housing covered programs:* One of the three types of assistance described is available to tenant mixed families assisted under a National Housing Act or 1965 HUD Act covered program, depending upon the family's eligibility for such assistance. Continued assistance must be provided to a mixed family that meets the conditions for eligibility for continued assistance.

(ii) *For Section 8 or Public Housing covered programs.* One of the three types of assistance described may be available to tenant mixed families assisted under a Section 8 or Public Housing covered program.

(b) *Assistance available for applicant mixed families.* Prorated assistance is also available for mixed families applying for assistance as provided in § 5.520.

(c) *Assistance available to other families in occupancy.* Temporary deferral of termination of assistance may be available to families receiving assistance under a Section 214 covered program on June 19, 1995, and who have no members with eligible immigration status, as set forth in paragraphs (c)(1) and (2) of this section.

(1) *For Housing covered programs:* Temporary deferral of termination of assistance is available to families as-

sisted under a Housing covered program.

(2) *For Section 8 or Public Housing covered programs:* The responsible entity may make temporary deferral of termination of assistance to families assisted under a Section 8 or Public Housing covered program.

(d) *Section 8 covered programs: Discretion afforded to provide certain family preservation assistance—(1) Project owners.* With respect to assistance under a Section 8 Act covered program administered by a project owner, HUD has the discretion to determine under what circumstances families are to be provided one of the two statutory forms of assistance for preservation of the family (continued assistance or temporary deferral of assistance). HUD is exercising its discretion by specifying the standards in this section under which a project owner must provide one of these two types of assistance to a family. However, project owners and PHAs must offer prorated assistance to eligible mixed families.

(2) *PHAs.* The PHA, rather than HUD, has the discretion to determine the circumstances under which a family will be offered one of the two statutory forms of assistance (continued assistance or temporary deferral of termination of assistance). The PHA must establish its own policy and criteria to follow in making its decision. In establishing the criteria for granting continued assistance or temporary deferral of termination of assistance, the PHA must incorporate the statutory criteria, which are set forth in paragraphs (a) and (b) of § 5.518. However, the PHA must offer prorated assistance to eligible families.

[61 FR 13616, Mar. 27, 1996, as amended at 61 FR 60539, Nov. 29, 1996; 64 FR 25732, May 12, 1999]

§ 5.518 Types of preservation assistance available to mixed families and other families.

(a) *Continued assistance—(1) General.* A mixed family may receive continued housing assistance if all of the following conditions are met (a mixed family assisted under a Housing covered program must be provided continued assistance if the family meets the following conditions):

§5.518

(i) The family was receiving assistance under a Section 214 covered program on June 19, 1995;

(ii) The family's head of household or spouse has eligible immigration status as described in §5.506; and

(iii) The family does not include any person (who does not have eligible immigration status) other than the head of household, any spouse of the head of household, any parents of the head of household, any parents of the spouse, or any children of the head of household or spouse.

(2) *Proration of continued assistance.* A family entitled to continued assistance before November 29, 1996 is entitled to continued assistance as described in paragraph (a) of this section. A family entitled to continued assistance after November 29, 1996 shall receive prorated assistance as described in §5.520.

(b) *Temporary deferral of termination of assistance—(1) Eligibility for this type of assistance.* If a mixed family qualifies for prorated assistance (and does not qualify for continued assistance), but decides not to accept prorated assistance, or if a family has no members with eligible immigration status, the family may be eligible for temporary deferral of termination of assistance if necessary to permit the family additional time for the orderly transition of those family members with ineligible status, and any other family members involved, to other affordable housing. Other affordable housing is used in the context of transition of an ineligible family from a rent level that reflects HUD assistance to a rent level that is unassisted; the term refers to housing that is not substandard, that is of appropriate size for the family and that can be rented for an amount not exceeding the amount that the family pays for rent, including utilities, plus 25 percent.

(2) *Housing covered programs: Conditions for granting temporary deferral of termination of assistance.* The responsible entity shall grant a temporary deferral of termination of assistance to a mixed family if the family is assisted under a Housing covered program and one of the following conditions is met:

(i) The family demonstrates that reasonable efforts to find other affordable housing of appropriate size have been

24 CFR Subtitle A (4-1-25 Edition)

unsuccessful (for purposes of this section, reasonable efforts include seeking information from, and pursuing leads obtained from the State housing agency, the city government, local newspapers, rental agencies and the owner);

(ii) The vacancy rate for affordable housing of appropriate size is below five percent in the housing market for the area in which the project is located; or

(iii) The consolidated plan, as described in 24 CFR part 91 and if applicable to the covered program, indicates that the local jurisdiction's housing market lacks sufficient affordable housing opportunities for households having a size and income similar to the family seeking the deferral.

(3) *Time limit on deferral period.* If temporary deferral of termination of assistance is granted, the deferral period shall be for an initial period not to exceed six months. The initial period may be renewed for additional periods of six months, but the aggregate deferral period for deferrals provided after November 29, 1996 shall not exceed a period of eighteen months. The aggregate deferral period for deferrals granted prior to November 29, 1996 shall not exceed 3 years. These time periods do not apply to a family which includes a refugee under section 207 of the Immigration and Nationality Act or an individual seeking asylum under section 208 of that Act.

(4) *Notification requirements for beginning of each deferral period.* At the beginning of each deferral period, the responsible entity must inform the family of its ineligibility for financial assistance and offer the family information concerning, and referrals to assist in finding, other affordable housing.

(5) *Determination of availability of affordable housing at end of each deferral period.* (i) Before the end of each deferral period, the responsible entity must satisfy the applicable requirements of either paragraph (b)(5)(i)(A) or (B) of this section. Specifically, the responsible entity must:

(A) *For Housing covered programs:* Make a determination that one of the two conditions specified in paragraph (b)(2) of this section continues to be met (note: affordable housing will be

determined to be available if the vacancy rate is five percent or greater), the owner's knowledge and the tenant's evidence indicate that other affordable housing is available; or

(B) *For Section 8 or Public Housing covered programs:* Make a determination of the availability of affordable housing of appropriate size based on evidence of conditions which when taken together will demonstrate an inadequate supply of affordable housing for the area in which the project is located, the consolidated plan (if applicable, as described in 24 CFR part 91), the responsible entity's own knowledge of the availability of affordable housing, and on evidence of the tenant family's efforts to locate such housing.

(ii) The responsible entity must also:

(A) Notify the tenant family in writing, at least 60 days in advance of the expiration of the deferral period, that termination will be deferred again (provided that the granting of another deferral will not result in aggregate deferral periods that exceeds the maximum deferral period). This time period does not apply to a family which includes a refugee under section 207 of the Immigration and Nationality Act or an individual seeking asylum under section 208 of that Act, and a determination was made that other affordable housing is not available; *or*

(B) Notify the tenant family in writing, at least 60 days in advance of the expiration of the deferral period, that termination of financial assistance will not be deferred because either granting another deferral will result in aggregate deferral periods that exceed the maximum deferral period (unless the family includes a refugee under section 207 of the Immigration and Nationality Act or an individual seeking asylum under section 208 of that Act), or a determination has been made that other affordable housing is available.

(c) *Option to select proration of assistance at end of deferral period.* A family who is eligible for, and receives temporary deferral of termination of assistance, may request, and the responsible entity shall provide proration of assistance at the end of the deferral period if the family has made a good faith effort during the deferral period to locate other affordable housing.

(d) *Notification of decision on family preservation assistance.* A responsible entity shall notify the family of its decision concerning the family's qualification for family preservation assistance. If the family is ineligible for family preservation assistance, the notification shall state the reasons, which must be based on relevant factors. For tenant families, the notice also shall inform the family of any applicable appeal rights.

[61 FR 13616, Mar. 27, 1996, as amended at 61 FR 60539, Nov. 29, 1996; 64 FR 25732, May 12, 1999]

§ 5.520 Proration of assistance.

(a) *Applicability.* This section applies to a mixed family other than a family receiving continued assistance, or other than a family who is eligible for and requests and receives temporary deferral of termination of assistance. An eligible mixed family who requests prorated assistance must be provided prorated assistance.

(b) *Method of prorating assistance for Housing covered programs—(1) Proration under Rent Supplement Program.* If the household participates in the Rent Supplement Program, the rent supplement paid on the household's behalf shall be the rent supplement the household would otherwise be entitled to, multiplied by a fraction, the denominator of which is the number of people in the household and the numerator of which is the number of eligible persons in the household;

(2) *Proration under Section 235 Program.* If the household participates in the Section 235 Program, the interest reduction payments paid on the household's behalf shall be the payments the household would otherwise be entitled to, multiplied by a fraction the denominator of which is the number of people in the household and the numerator of which is the number of eligible persons in the household;

(3) *Proration under Section 236 Program without the benefit of additional assistance.* If the household participates in the Section 236 Program without the benefit of any additional assistance, the household's rent shall be increased above the rent the household would otherwise pay by an amount equal to the difference between the market rate

§ 5.520

24 CFR Subtitle A (4-1-25 Edition)

rent for the unit and the rent the household would otherwise pay multiplied by a fraction the denominator of which is the number of people in the household and the numerator of which is the number of ineligible persons in the household;

(4) *Proration under Section 236 Program with the benefit of additional assistance.* If the household participates in the Section 236 Program with the benefit of additional assistance under the rent supplement, rental assistance payment or Section 8 programs, the household's rent shall be increased above the rent the household would otherwise pay by:

(i) An amount equal to the difference between the market rate rent for the unit and the basic rent for the unit multiplied by a fraction, the denominator of which is the number of people in the household, and the numerator of which is the number of ineligible persons in the household, plus;

(ii) An amount equal to the rent supplement, housing assistance payment or rental assistance payment the household would otherwise be entitled to multiplied by a fraction, the denominator of which is the number of people in the household and the numerator of which is the number of ineligible persons in the household.

(c) *Method of prorating assistance for Section 8 covered programs—(1) Section 8 assistance other than assistance provided for a tenancy under the Section 8 Housing Choice Voucher Program.* For Section 8 assistance other than assistance for a tenancy under the voucher program, the PHA must prorate the family's assistance as follows:

(i) *Step 1.* Determine gross rent for the unit. (Gross rent is contract rent plus any allowance for tenant paid utilities).

(ii) *Step 2.* Determine total tenant payment in accordance with section 5.613(a). (Annual income includes income of all family members, including any family member who has not established eligible immigration status.)

(iii) *Step 3.* Subtract amount determined in paragraph (c)(1)(ii), (Step 2), from amount determined in paragraph (c)(1)(i), (Step 1).

(iv) *Step 4.* Multiply the amount determined in paragraph (c)(1)(iii), (Step 3) by a fraction for which:

(A) The numerator is the number of family members who have established eligible immigration status; and

(B) The denominator is the total number of family members.

(v) *Prorated housing assistance.* The amount determined in paragraph (c)(1)(iv) (Step 4) is the prorated housing assistance payment for a mixed family.

(vi) *No effect on contract rent.* Proration of the housing assistance payment does not affect contract rent to the owner. The family must pay as rent the portion of contract rent not covered by the prorated housing assistance payment.

(2) *Assistance for a Section 8 voucher tenancy.* For a tenancy under the voucher program, the PHA must prorate the family's assistance as follows:

(i) *Step 1.* Determine the amount of the pre-proration housing assistance payment. (Annual income includes income of all family members, including any family member who has not established eligible immigration status.)

(ii) *Step 2.* Multiply the amount determined in paragraph (c)(2)(i) (Step 1) by a fraction for which:

(A) The numerator is the number of family members who have established eligible immigration status; and

(B) The denominator is the total number of family members.

(iii) *Prorated housing assistance.* The amount determined in paragraph (c)(2)(ii) (Step 2) is the prorated housing assistance payment for a mixed family.

(iv) *No effect on rent to owner.* Proration of the housing assistance payment does not affect rent to owner. The family must pay the portion of rent to owner not covered by the prorated housing assistance payment.

(d) *Method of prorating assistance for Public Housing covered programs.* (1) The PHA must prorate the family's assistance, except as provided in §960.507 of this title, as follows:

(i) *Step 1.* Determine the total tenant payment in accordance with section 5.628. (Annual income includes income of all family members, including any family member who has not established eligible immigration status.)

(ii) *Step 2.* Subtract the total tenant payment from the PHA-established flat

rent applicable to the unit. The result is the maximum subsidy for which the family could qualify if all members were eligible (“family maximum subsidy”).

(iii) *Step 3.* Divide the family maximum subsidy by the number of persons in the family (all persons) to determine the maximum subsidy per each family member who has citizenship or eligible immigration status (“eligible family member”). The subsidy per eligible family member is the “member maximum subsidy.”

(iv) *Step 4.* Multiply the member maximum subsidy by the number of family members who have citizenship or eligible immigration status (“eligible family members”).

(2) The product of steps 1 through 4 of paragraphs (d)(1)(i) through (iv) of this section is the amount of subsidy for which the family is eligible (“eligible subsidy”). The family’s rent is the PHA-established flat rent minus the amount of the eligible subsidy.

(e) *Method of prorating assistance when the mixed family’s total tenant payment (TTP) is greater than the public housing flat rent.* When the mixed family’s TTP is greater than the flat rent, the PHA must use the TTP as the mixed family TTP. The PHA subtracts from the mixed family TTP any established utility allowance, and the sum becomes the mixed family rent.

The family of a noncitizen student may be eligible for prorated assistance, as provided in paragraph (b)(2) of this section.

(b) *Family of noncitizen students.* (1) The prohibition on providing assistance to a noncitizen student as described in paragraph (a) of this section

extends to the noncitizen spouse of the noncitizen student and minor children accompanying the student or following to join the student.

(2) The prohibition on providing assistance to a noncitizen student does not extend to the citizen spouse of the noncitizen student and the children of the citizen spouse and noncitizen student.

(b) *Protection from liability for State and local government agencies and officials.* State and local government agencies and officials shall not be liable for the design or implementation of the verification system described in § 5.512, as long as the implementation by the State and local government agency or official is in accordance with prescribed HUD rules and requirements.

§ 5.603 Definitions.

As used in this subpart:

(a) *Terms found elsewhere in part 5—(1) Subpart A.* The terms *1937 Act*, *elderly person*, *public housing*, *public housing agency (PHA)*, *responsible entity* and *Section 8* are defined in § 5.100.

(2) *Subpart D.* The terms “disabled family”, “elderly family”, “family”, “live-in aide”, and “person with disabilities” are defined in § 5.403.

(b) The following terms shall have the meanings set forth below:

Adjusted income. See § 5.611.

Annual income. See § 5.609.

Child care expenses. Amounts anticipated to be paid by the family for the care of children under 13 years of age during the period for which annual income is computed, but only where such care is necessary to enable a family member to actively seek employment, be gainfully employed, or to further his or her education and only to the extent such amounts are not reimbursed. The amount deducted shall reflect reasonable charges for child care. In the case of child care necessary to permit employment, the amount deducted shall not exceed the amount of employment income that is included in annual income.

Day laborer. An individual hired and paid one day at a time without an agreement that the individual will be hired or work again in the future.

Dependent. A member of the family (which excludes foster children and foster adults) other than the family head or spouse who is under 18 years of age,

or is a person with a disability, or is a full-time student.

Disability assistance expenses. Reasonable expenses that are anticipated, during the period for which annual income is computed, for attendant care and auxiliary apparatus for a disabled family member and that are necessary to enable a family member (including the disabled member) to be employed, provided that the expenses are neither paid to a member of the family nor reimbursed by an outside source.

Economic self-sufficiency program. Any program designed to encourage, assist, train, or facilitate the economic independence of HUD-assisted families or to provide work for such families. These programs include programs for job training, employment counseling, work placement, basic skills training, education, English proficiency, workfare, financial or household management, apprenticeship, and any program necessary to ready a participant for work (including a substance abuse or mental health treatment program), or other work activities.

Extremely low-income family. A very low-income family whose annual income does not exceed the higher of:

(1) The poverty guidelines established by the Department of Health and Human Services applicable to the family of the size involved (except in the case of families living in Puerto Rico or any other territory or possession of the United States); or

(2) Thirty (30) percent of the median income for the area, as determined by HUD, with adjustments for smaller and larger families, except that HUD may establish income ceilings higher or lower than 30 percent of the area median income for the area if HUD finds that such variations are necessary because of unusually high or low family incomes.

Foster adult. A member of the household who is 18 years of age or older and meets the definition of a foster adult under State law. In general, a foster adult is a person who is 18 years of age or older, is unable to live independently due to a debilitating physical or mental condition and is placed with the family by an authorized placement agency or by judgment, decree, or

other order of any court of competent jurisdiction.

Foster child. A member of the household who meets the definition of a foster child under State law. In general, a foster child is placed with the family by an authorized placement agency (e.g., public child welfare agency) or by judgment, decree, or other order of any court of competent jurisdiction.

Full-time student. A person who is attending school or vocational training on a full-time basis.

Health and medical care expenses. Health and medical care expenses are any costs incurred in the diagnosis, cure, mitigation, treatment, or prevention of disease or payments for treatments affecting any structure or function of the body. Health and medical care expenses include medical insurance premiums and long-term care premiums that are paid or anticipated during the period for which annual income is computed.

Imputed welfare income. See §5.615.

Independent contractor. An individual who qualifies as an independent contractor instead of an employee in accordance with the Internal Revenue Code Federal income tax requirements and whose earnings are consequently subject to the Self-Employment Tax. In general, an individual is an independent contractor if the payer has the right to control or direct only the result of the work and not what will be done and how it will be done.

Low income family. A family whose annual income does not exceed 80 percent of the median income for the area, as determined by HUD with adjustments for smaller and larger families, except that HUD may establish income ceilings higher or lower than 80 percent of the median income for the area on the basis of HUD's findings that such variations are necessary because of unusually high or low family incomes.

Medical expenses. Medical expenses, including medical insurance premiums, that are anticipated during the period for which annual income is computed, and that are not covered by insurance.

Minor. A member of the family, other than the head of family or spouse, who is under 18 years of age.

Monthly adjusted income. One twelfth of adjusted income.

§ 5.603

Monthly income. One twelfth of annual income.

Net family assets. (1) Net family assets is the net cash value of all assets owned by the family, after deducting reasonable costs that would be incurred in disposing real property, savings, stocks, bonds, and other forms of capital investment.

(2) In determining net family assets, PHAs or owners, as applicable, must include the value of any business or family assets disposed of by an applicant or tenant for less than fair market value (including a disposition in trust, but not in a foreclosure or bankruptcy sale) during the two years preceding the date of application for the program or reexamination, as applicable, in excess of the consideration received therefor. In the case of a disposition as part of a separation or divorce settlement, the disposition will not be considered to be for less than fair market value if the applicant or tenant receives consideration not measurable in dollar terms. Negative equity in real property or other investments does not prohibit the owner from selling the property or other investments, so negative equity alone would not justify excluding the property or other investments from family assets.

(3) Excluded from the calculation of net family assets are:

(i) The value of necessary items of personal property;

(ii) The combined value of all non-necessary items of personal property if the combined total value does not exceed \$50,000 (which amount will be adjusted by HUD in accordance with the Consumer Price Index for Urban Wage Earners and Clerical Workers);

(iii) The value of any account under a retirement plan recognized as such by the Internal Revenue Service, including individual retirement arrangements (IRAs), employer retirement plans, and retirement plans for self-employed individuals;

(iv) The value of real property that the family does not have the effective legal authority to sell in the jurisdiction in which the property is located;

(v) Any amounts recovered in any civil action or settlement based on a claim of malpractice, negligence, or

24 CFR Subtitle A (4-1-25 Edition)

other breach of duty owed to a family member arising out of law, that resulted in a family member being a person with a disability;

(vi) The value of any Coverdell education savings account under section 530 of the Internal Revenue Code of 1986, the value of any qualified tuition program under section 529 of such Code, the value of any Achieving a Better Life Experience (ABLE) account authorized under Section 529A of such Code, and the value of any “baby bond” account created, authorized, or funded by Federal, State, or local government.

(vii) Interests in Indian trust land;

(viii) Equity in a manufactured home where the family receives assistance under 24 CFR part 982;

(ix) Equity in property under the Homeownership Option for which a family receives assistance under 24 CFR part 982;

(x) Family Self-Sufficiency Accounts; and

(xi) Federal tax refunds or refundable tax credits for a period of 12 months after receipt by the family.

(4) In cases where a trust fund has been established and the trust is not revocable by, or under the control of, any member of the family or household, the trust fund is not a family asset and the value of the trust is not included in the calculation of net family assets, so long as the fund continues to be held in a trust that is not revocable by, or under the control of, any member of the family or household.

Owner has the meaning provided in the relevant program regulations. As used in this subpart, where appropriate, the term “owner” shall also include a “borrower” as defined in part 891 of this title.

Responsible entity. For § 5.611, in addition to the definition of “responsible entity” in § 5.100, “responsible entity” means:

(1) For the Section 202 Supportive Housing Program for the Elderly, the “Owner” as defined in 24 CFR 891.205;

(2) For the Section 202 Direct Loans for Housing for the Elderly and Persons with Disabilities, the “Borrower” as defined in 24 CFR 891.505; and

(3) For the Section 811 Supportive Housing Program for Persons with Disabilities, the “Owner” as defined in 24 CFR 891.305.

Seasonal worker. An individual who is hired into a short-term position and the employment begins about the same time each year (such as summer or winter). Typically, the individual is hired to address seasonal demands that arise for the particular employer or industry.

Tenant rent. The amount payable monthly by the family as rent to the unit owner (Section 8 owner or PHA in public housing). (This term is not used in the Section 8 voucher program.)

Total tenant payment. See § 5.628.

Utility allowance. If the cost of utilities (except telephone) and other housing services for an assisted unit is not included in the tenant rent but is the responsibility of the family occupying the unit, an amount equal to the estimate made or approved by a PHA or HUD of the monthly cost of a reasonable consumption of such utilities and other services for the unit by an energy-conservative household of modest circumstances consistent with the requirements of a safe, sanitary, and healthful living environment.

Utility reimbursement. The amount, if any, by which the utility allowance for a unit, if applicable, exceeds the total tenant payment for the family occupying the unit. (This definition is not used in the Section 8 voucher program, or for a public housing family that is paying a flat rent.)

Very low income family. A family whose annual income does not exceed 50 percent of the median family income for the area, as determined by HUD with adjustments for smaller and larger families, except that HUD may establish income ceilings higher or lower than 50 percent of the median income for the area if HUD finds that such variations are necessary because of unusually high or low family incomes.

Welfare assistance. Welfare or other payments to families or individuals, based on need, that are made under programs funded, separately or jointly, by Federal, State or local governments (including assistance provided under the Temporary Assistance for Needy Families (TANF) program, as that

term is defined under the implementing regulations issued by the Department of Health and Human Services at 45 CFR 260.31).

Work activities. See definition at section 407(d) of the Social Security Act (42 U.S.C. 607(d)).

(2) When the value of net family assets exceeds \$50,000 (which amount HUD will adjust annually in accordance with the Consumer Price Index for Urban Wage Earners and Clerical Workers) and the actual returns from a given asset cannot be calculated, imputed returns on the asset based on the current passbook savings rate, as determined by HUD.

(b) Annual income does not include the following:

(1) Any imputed return on an asset when net family assets total \$50,000 or less (which amount HUD will adjust annually in accordance with the Consumer Price Index for Urban Wage Earners and Clerical Workers) and no actual income from the net family assets can be determined.

(2) The following types of trust distributions:

(i) For an irrevocable trust or a revocable trust outside the control of the family or household excluded from the definition of net family assets under § 5.603(b):

(A) Distributions of the principal or corpus of the trust; and

(B) Distributions of income from the trust when the distributions are used

§ 5.609

24 CFR Subtitle A (4-1-25 Edition)

to pay the costs of health and medical care expenses for a minor.

(ii) For a revocable trust under the control of the family or household, any distributions from the trust; except that any actual income earned by the trust, regardless of whether it is distributed, shall be considered income to the family at the time it is received by the trust.

(3) Earned income of children under the 18 years of age.

(4) Payments received for the care of foster children or foster adults, or State or Tribal kinship or guardianship care payments.

(5) Insurance payments and settlements for personal or property losses, including but not limited to payments through health insurance, motor vehicle insurance, and workers' compensation.

(6) Amounts received by the family that are specifically for, or in reimbursement of, the cost of health and medical care expenses for any family member.

(7) Any amounts recovered in any civil action or settlement based on a claim of malpractice, negligence, or other breach of duty owed to a family member arising out of law, that resulted in a member of the family becoming disabled.

(8) Income of a live-in aide, foster child, or foster adult as defined in §§ 5.403 and 5.603, respectively.

(9)(i) Any assistance that section 479B of the Higher Education Act of 1965, as amended (20 U.S.C. 1087uu), requires be excluded from a family's income; and

(ii) Student financial assistance for tuition, books, and supplies (including supplies and equipment to support students with learning disabilities or other disabilities), room and board, and other fees required and charged to a student by an institution of higher education (as defined under Section 102 of the Higher Education Act of 1965 (20 U.S.C. 1002)) and, for a student who is not the head of household or spouse, the reasonable and actual costs of housing while attending the institution of higher education and not residing in an assisted unit.

means a grant or scholarship received from—

(2) A State, Tribe, or local government;

(3) A private foundation registered as a nonprofit under 26 U.S.C. 501(c)(3);

(5) An institution of higher education.

(B) Student financial assistance, for purposes of this paragraph (9)(ii), does not include—

(1) Any assistance that is excluded pursuant to paragraph (b)(9)(i) of this section;

(2) Financial support provided to the student in the form of a fee for services performed (*e.g.*, a work study or teaching fellowship that is not excluded pursuant to paragraph (b)(9)(i) of this section);

(3) Gifts, including gifts from family or friends; or

(4) Any amount of the scholarship or grant that, either by itself or in combination with assistance excluded under this paragraph or paragraph (b)(9)(i), exceeds the actual covered costs of the student. The actual covered costs of the student are the actual costs of tuition, books and supplies (including supplies and equipment to support students with learning disabilities or other disabilities), room and board, or other fees required and charged to a student by the education institution, and, for a student who is not the head of household or spouse, the reasonable and actual costs of housing while attending the institution of higher education and not residing in an assisted unit. This calculation is described further in paragraph (b)(9)(ii)(E) of this section.

(C) Student financial assistance, for purposes of this paragraph (b)(9)(ii) must be:

Student financial assistance paid to the student must be verified by the responsible entity as student financial assistance consistent with this paragraph (b)(9)(ii).

(E) When the student is also receiving assistance excluded under paragraph (b)(9)(i) of this section, the amount of student financial assistance under this paragraph (b)(9)(ii) is determined as follows:

(1) If the amount of assistance excluded under paragraph (b)(9)(i) of this section is equal to or exceeds the actual covered costs under paragraph (b)(9)(ii)(B)(4) of this section, none of the assistance described in this paragraph (b)(9)(ii) of this section is considered student financial assistance excluded from income under this paragraph (b)(9)(ii)(E).

(2) If the amount of assistance excluded under paragraph (b)(9)(i) of this section is less than the actual covered costs under paragraph (b)(9)(ii)(B)(4) of this section, the amount of assistance described in paragraph (b)(9)(ii) of this section that is considered student financial assistance excluded under this paragraph is the lower of:

(i) the total amount of student financial assistance received under this paragraph (b)(9)(ii) of this section, or

(ii) the amount by which the actual covered costs under paragraph (b)(9)(ii)(B)(4) of this section exceeds the assistance excluded under paragraph (b)(9)(i) of this section.

(10) Income and distributions from any Coverdell education savings account under section 530 of the Internal Revenue Code of 1986 or any qualified tuition program under section 529 of such Code; and income earned by government contributions to, and distributions from, "baby bond" accounts created, authorized, or funded by Federal, State, or local government.

(iv) Incremental earnings and benefits resulting to any family member from participation in training programs funded by HUD or in qualifying Federal, State, Tribal, or local employment training programs (including training programs not affiliated with a local government) and training of a family member as resident management staff. Amounts excluded by this provision must be received under employment training programs with clearly defined goals and objectives and are excluded only for the period during which the family member participates in the employment training program unless those amounts are excluded under paragraph (b)(9)(i) of this section.

(13) Reparation payments paid by a foreign government pursuant to claims filed under the laws of that government by persons who were persecuted during the Nazi era.

(20) Loan proceeds (the net amount disbursed by a lender to or on behalf of a borrower, under the terms of a loan agreement) received by the family or a third party (*e.g.*, proceeds received by the family from a private loan to enable attendance at an educational institution or to finance the purchase of a car).

(21) Payments received by Tribal members as a result of claims relating to the mismanagement of assets held in trust by the United States, to the extent such payments are also excluded from gross income under the Internal Revenue Code or other Federal law.

(22) Amounts that HUD is required by Federal statute to exclude from consideration as income for purposes of determining eligibility or benefits under a category of assistance programs that includes assistance under any program to which the exclusions set forth in paragraph (b) of this section apply. HUD will publish a notice in the FEDERAL REGISTER to identify the benefits

that qualify for this exclusion. Updates will be published when necessary.

(23) Replacement housing "gap" payments made in accordance with 49 CFR part 24 that offset increased out of pocket costs of displaced persons that move from one federally subsidized housing unit to another Federally subsidized housing unit. Such replacement housing "gap" payments are not excluded from annual income if the increased cost of rent and utilities is subsequently reduced or eliminated, and the displaced person retains or continues to receive the replacement housing "gap" payments.

(24) Nonrecurring income, which is income that will not be repeated in the coming year based on information provided by the family. Income received as an independent contractor, day laborer, or seasonal worker is not excluded from income under this paragraph, even if the source, date, or amount of the income varies. (ii) Direct Federal or State payments intended for economic stimulus or recovery.

(25) Civil rights settlements or judgments, including settlements or judgments for back pay.

(26) Income received from any account under a retirement plan recognized as such by the Internal Revenue Service, including individual retirement arrangements (IRAs), employer retirement plans, and retirement plans for self-employed individuals; except that any distribution of periodic payments from such accounts shall be income at the time they are received by the family.

(27) Income earned on amounts placed in a family's Family Self Sufficiency Account.

(28) Gross income a family member receives through self-employment or operation of a business; except that the following shall be considered income to a family member:

(i) Net income from the operation of a business or profession. Expenditures for business expansion or amortization of capital indebtedness shall not be used as deductions in determining net income. An allowance for depreciation of assets used in a business or profession may be deducted, based on straight line depreciation, as provided in Internal Revenue Service regulations; and

(ii) Any withdrawal of cash or assets from the operation of a business or profession will be included in income, except to the extent the withdrawal is reimbursement of cash or assets invested in the operation by the family.

(c) *Calculation of Income.* The PHA or owner must calculate family income as follows:

(1) *Initial occupancy or assistance and interim reexaminations.* The PHA or owner must estimate the income of the family for the upcoming 12-month period:

(i) To determine family income for initial occupancy or for the initial provision of housing assistance; or

(ii) To determine family income for an interim reexamination of family income under §§ 5.657(c), 960.257(b), or 982.516(c) of this title.

(2) *Annual Reexaminations.* (i) The PHA or owner must determine the income of the family for the previous 12-month period and use this amount as the family income for annual reexaminations, except where the PHA or owner uses a streamlined income deter-

mination under §§ 5.657(d), 960.257(c), or 982.516(b) of this title.

(ii) In determining the income of the family for the previous 12-month period, the PHA or owner must take into consideration any redetermination of income during the previous 12-month period resulting from an interim reexamination of family income under §§ 5.657(c), 960.257(b), or 982.516(c) of this title.

(iii) The PHA or owner must make adjustments to reflect current income if there was a change in income during the previous 12-month period that was not accounted for in a redetermination of income.

(3) *Use of other programs' determination of income.* (i) The PHA or owner may, using the verification methods in paragraph (c)(3)(ii) of this section, determine the family's income prior to the application of any deductions applied in accordance with § 5.611 based on income determinations made within the previous 12-month period for purposes of the following means-tested forms of Federal public assistance:

(A) The Temporary Assistance for Needy Families block grant (42 U.S.C. 601, *et seq.*).

(B) Medicaid (42 U.S.C. 1396 *et seq.*).

(C) The Supplemental Nutrition Assistance Program (42 U.S.C. 2011 *et seq.*).

(D) The Earned Income Tax Credit (26 U.S.C. 32).

(E) The Low-Income Housing Credit (26 U.S.C. 42).

(F) The Special Supplemental Nutrition Program for Woman, Infants, and Children (42 U.S.C. 1786).

(G) Supplemental Security Income (42 U.S.C. 1381 *et seq.*).

(H) Other programs administered by the Secretary.

(I) Other means-tested forms of Federal public assistance for which HUD has established a memorandum of understanding.

(J) Other Federal benefit determinations made in other forms of means-tested Federal public assistance that the Secretary determines to have comparable reliability and announces through the FEDERAL REGISTER.

(ii) If a PHA or owner intends to use the annual income determination made by an administrator for allowable

§ 5.611

forms of Federal means-tested public assistance under this paragraph (c)(3), the PHA or owner must obtain it using the appropriate third-party verification. If the appropriate third-party verification is unavailable, or if the family disputes the determination made for purposes of the other form of Federal means-tested public assistance, the PHA or owner must calculate annual income in accordance with 24 CFR part 5, subpart F. The verification must indicate the tenant's family size and composition and state the amount of the family's annual income. The verification must also meet all HUD requirements related to the length of time that is permitted before the third-party verification is considered out-of-date and is no longer an eligible source of income verification.

(4) *De minimis errors.* The PHA or owner will not be considered out of compliance with the requirements in this paragraph (c) solely due to de minimis errors in calculating family income. A de minimis error is an error where the PHA or owner determination of family income deviates from the correct income determination by no more than \$30 per month in monthly adjusted income (\$360 in annual adjusted income) per family.

(i) The PHA or owner must still take any corrective action necessary to credit or repay a family if the family has been overcharged for their rent or family share as a result of the de minimis error in the income determination, but families will not be required to repay the PHA or owner in instances where a PHA or owner has miscalculated income resulting in a family being undercharged for rent or family share.

(ii) HUD may revise the amount of de minimis error in this paragraph (c)(4) through a rulemaking published in the FEDERAL REGISTER for public comment.

(a) *Mandatory deductions.* (1) \$480 for each dependent, which amount will be

24 CFR Subtitle A (4-1-25 Edition)

adjusted by HUD annually in accordance with the Consumer Price Index for Urban Wage Earners and Clerical Workers, rounded to the next lowest multiple of \$25;

(2) \$525 for any elderly family or disabled family, which amount will be adjusted by HUD annually in accordance with the Consumer Price Index for Urban Wage Earners and Clerical Workers, rounded to the next lowest multiple of \$25;

(3) The sum of the following, to the extent the sum exceeds ten percent of annual income:

(i) Unreimbursed health and medical care expenses of any elderly family or disabled family; and

(ii) Unreimbursed reasonable attendant care and auxiliary apparatus expenses for each member of the family who is a person with a disability, to the extent necessary to enable any member of the family (including the member who is a person with a disability) to be employed. This deduction may not exceed the combined earned income received by family members who are 18 years of age or older and who are able to work because of such attendant care or auxiliary apparatus; and

(4) Any reasonable child care expenses necessary to enable a member of the family to be employed or to further his or her education.

(b) *Additional deductions.* (1) For public housing, the Housing Choice Voucher (HCV) and the Section 8 moderate rehabilitation programs (including the moderate rehabilitation Single-Room Occupancy (SRO) program), a PHA may adopt additional deductions from annual income.

(i) *Public housing.* A PHA that adopts such deductions will not be eligible for an increase in Capital Fund and Operating Fund formula grants based on the application of such deductions. The PHA must establish a written policy for such deductions.

(ii) *HCV, moderate rehabilitation, and moderate rehabilitation Single-Room Occupancy (SRO) programs.* A PHA that adopts such deductions must have sufficient funding to cover the increased housing assistance payment cost of the deductions. A PHA will not be eligible for an increase in HCV renewal funding

or moderate rehabilitation program funding for subsidy costs resulting from such deductions. For the HCV program, the PHA must include such deductions in its administrative plan. For moderate rehabilitation, the PHA must establish a written policy for such deductions.

(2) For the HUD programs listed in §5.601(d), the responsible entity must calculate such other deductions as required and permitted by the applicable program regulations.

(c) *Financial hardship exemption for unreimbursed health and medical care expenses and reasonable attendant care and auxiliary apparatus expenses.* (1) *Phased-in relief.* This paragraph provides financial hardship relief for families affected by the statutory increase in the threshold to receive health and medical care expense and reasonable attendant care and auxiliary apparatus expense deductions from annual income.

(i) *Eligibility for relief.* To receive hardship relief under this paragraph (c)(1), the family must have received a deduction from annual income because their sum of expenses under paragraph (a)(3) of this section exceeded 3 percent of annual income as of January 1, 2024.

(ii) *Form of relief.* (A) The family will receive a deduction totaling the sum of the expenses under paragraph (a)(3) of this section that exceed 5 percent of annual income.

(B) Twelve months after the relief in this paragraph (c)(1)(ii) is provided, the family must receive a deduction totaling the sum of expenses under paragraph (a)(3) of this section that exceed 7.5 percent of annual income.

(C) Twenty-four months after the relief in this paragraph (c)(1)(ii) is provided, the family must receive a deduction totaling the sum of expenses under paragraph (a)(3) of this section that exceed ten percent of annual income and the only remaining relief that may be available to the family will be paragraph (d)(1) of this section.

(D) A family may request hardship relief under paragraph (c)(2) of this section prior to the end of the twenty-four-month transition period. If a family making such a request is determined eligible for hardship relief under paragraph (c)(2) of this section, hard-

ship relief under this paragraph ends and the family's hardship relief shall be administered in accordance with paragraph (c)(2) of this section. Once a family chooses to obtain relief under paragraph (c)(2) of this section, a family may no longer receive relief under this paragraph.

(2) *General.* This paragraph (c)(2) provides financial relief for an elderly or disabled family or a family that includes a person with disabilities that is experiencing a financial hardship.

(i) *Eligibility for relief.* (A) To receive hardship relief under this paragraph (c)(2), a family must demonstrate that the family's applicable health and medical care expenses or reasonable attendant care and auxiliary apparatus expenses increased or the family's financial hardship is a result of a change in circumstances (as defined by the responsible entity) that would not otherwise trigger an interim reexamination.

(B) Relief under this paragraph (c)(2) is available regardless of whether the family previously received deductions under paragraph (a)(3) of this section, is currently receiving relief under paragraph (c)(1) of this section, or previously received relief under paragraph (c)(1) of this section.

(ii) *Form and duration of relief.* (A) The family will receive a deduction for the sum of the eligible expenses in paragraph (a)(3) of this section that exceed 5 percent of annual income.

(B) The family's hardship relief ends when the circumstances that made the family eligible for the relief are no longer applicable or after 90 days, whichever comes earlier. However, responsible entities may, at their discretion, extend the relief for one or more additional 90-day periods while the family's hardship condition continues.

(d) *Exemption to continue child care expense deduction.* A family whose eligibility for the child care expense deduction is ending may request a financial hardship exemption to continue the child care expense deduction under paragraph (a)(4) of this section. The responsible entity must recalculate the family's adjusted income and continue the child care deduction if the family demonstrates to the responsible entity's satisfaction that the family is unable to pay their rent because of loss of

§5.612

the child care expense deduction, and the child care expense is still necessary even though the family member is no longer employed or furthering his or her education. The hardship exemption and the resulting alternative adjusted income calculation must remain in place for a period of up to 90 days. Responsible entities, at their discretion, may extend such hardship exemptions for additional 90-day periods based on family circumstances.

(e) *Hardship policy requirements.* (1) *Responsible entity determination of family's inability to pay the rent.* The responsible entity must establish a policy on how it defines what constitutes a hardship under paragraphs (c) and (d) of this section, which includes determining the family's inability to pay the rent, for purposes of determining eligibility for a hardship exemption under paragraph (d) of this section.

(2) *Family notification.* The responsible entity must promptly notify the family in writing of the change in the determination of adjusted income and the family's rent resulting from the hardship exemption. The notice must also inform the family of when the hardship exemption will begin and expire (*i.e.*, the time periods specified under paragraph (c)(1)(ii) of this section or within 90 days or at such time as the responsibility entity determines the exemption is no longer necessary in accordance with paragraphs (c)(2)(ii)(B) or (d) of this section).

§5.613 Public housing program and Section 8 tenant-based assistance program: PHA cooperation with welfare agency.

(a) This section applies to the public housing program and the Section 8 tenant-based assistance program.

(b) The PHA must make best efforts to enter into cooperation agreements with welfare agencies under which such agencies agree:

(1) To target public assistance, benefits and services to families receiving assistance in the public housing program and the Section 8 tenant-based assistance program to achieve self-sufficiency;

(2) To provide written verification to the PHA concerning welfare benefits for families applying for or receiving assistance in these housing assistance programs.

[65 FR 16717, Mar. 29, 2000]

§5.615 Public housing program and Section 8 tenant-based assistance program: How welfare benefit reduction affects family income.

(a) *Applicability.* This section applies to covered families who reside in public housing (part 960 of this title) or receive Section 8 tenant-based assistance (part 982 of this title).

(b) *Definitions.* The following definitions apply for purposes of this section:

Covered families. Families who receive welfare assistance or other public assistance benefits (“welfare benefits”) from a State or other public agency (“welfare agency”) under a program for which Federal, State, or local law requires that a member of the family must participate in an economic self-sufficiency program as a condition for such assistance.

Economic self-sufficiency program. See definition at §5.603.

Imputed welfare income. The amount of annual income not actually received

by a family, as a result of a specified welfare benefit reduction, that is nonetheless included in the family's annual income for purposes of determining rent.

Specified welfare benefit reduction.

(1) A reduction of welfare benefits by the welfare agency, in whole or in part, for a family member, as determined by the welfare agency, because of fraud by a family member in connection with the welfare program; or because of welfare agency sanction against a family member for noncompliance with a welfare agency requirement to participate in an economic self-sufficiency program.

(2) "Specified welfare benefit reduction" does not include a reduction or termination of welfare benefits by the welfare agency:

(i) at expiration of a lifetime or other time limit on the payment of welfare benefits;

(ii) because a family member is not able to obtain employment, even though the family member has complied with welfare agency economic self-sufficiency or work activities requirements; or

(iii) because a family member has not complied with other welfare agency requirements.

(c) *Imputed welfare income.* (1) A family's annual income includes the amount of imputed welfare income (because of a specified welfare benefits reduction, as specified in notice to the PHA by the welfare agency), plus the total amount of other annual income as determined in accordance with §5.609.

(2) At the request of the PHA, the welfare agency will inform the PHA in writing of the amount and term of any specified welfare benefit reduction for a family member, and the reason for such reduction, and will also inform the PHA of any subsequent changes in the term or amount of such specified welfare benefit reduction. The PHA will use this information to determine the amount of imputed welfare income for a family.

(3) A family's annual income includes imputed welfare income in family annual income, as determined at the PHA's interim or regular reexamination of family income and composition,

during the term of the welfare benefits reduction (as specified in information provided to the PHA by the welfare agency).

(4) The amount of the imputed welfare income is offset by the amount of additional income a family receives that commences after the time the sanction was imposed. When such additional income from other sources is at least equal to the imputed welfare income, the imputed welfare income is reduced to zero.

(5) The PHA may not include imputed welfare income in annual income if the family was not an assisted resident at the time of sanction.

(d) *Review of PHA decision—(1) Public housing.* If a public housing tenant claims that the PHA has not correctly calculated the amount of imputed welfare income in accordance with HUD requirements, and if the PHA denies the family's request to modify such amount, the PHA shall give the tenant written notice of such denial, with a brief explanation of the basis for the PHA determination of the amount of imputed welfare income. The PHA notice shall also state that if the tenant does not agree with the PHA determination, the tenant may request a grievance hearing in accordance with part 966, subpart B of this title to review the PHA determination. The tenant is not required to pay an escrow deposit pursuant to §966.55(e) for the portion of tenant rent attributable to the imputed welfare income in order to obtain a grievance hearing on the PHA determination.

(2) *Section 8 participant.* A participant in the Section 8 tenant-based assistance program may request an informal hearing, in accordance with §982.555 of this title, to review the PHA determination of the amount of imputed welfare income that must be included in the family's annual income in accordance with this section. If the family claims that such amount is not correctly calculated in accordance with HUD requirements, and if the PHA denies the family's request to modify such amount, the PHA shall give the family written notice of such denial, with a brief explanation of the basis for the PHA determination of the amount of imputed welfare income. Such notice

§5.617

shall also state that if the family does not agree with the PHA determination, the family may request an informal hearing on the determination under the PHA hearing procedure.

(e) *PHA relation with welfare agency.*

(1) The PHA must ask welfare agencies to inform the PHA of any specified welfare benefits reduction for a family member, the reason for such reduction, the term of any such reduction, and any subsequent welfare agency determination affecting the amount or term of a specified welfare benefits reduction. If the welfare agency determines a specified welfare benefits reduction for a family member, and gives the PHA written notice of such reduction, the family's annual incomes shall include the imputed welfare income because of the specified welfare benefits reduction.

(2) The PHA is responsible for determining the amount of imputed welfare income that is included in the family's annual income as a result of a specified welfare benefits reduction as determined by the welfare agency, and specified in the notice by the welfare agency to the PHA. However, the PHA is not responsible for determining whether a reduction of welfare benefits by the welfare agency was correctly determined by the welfare agency in accordance with welfare program requirements and procedures, nor for providing the opportunity for review or hearing on such welfare agency determinations.

(3) Such welfare agency determinations are the responsibility of the welfare agency, and the family may seek appeal of such determinations through the welfare agency's normal due process procedures. The PHA shall be entitled to rely on the welfare agency notice to the PHA of the welfare agency's determination of a specified welfare benefits reduction.

§5.617 Self-sufficiency incentives for persons with disabilities—Disallowance of increase in annual income.

(a) *Applicable programs.* The disallowance of earned income provided by this section is applicable only to the following programs: HOME Investment Partnerships Program (24 CFR part 92);

24 CFR Subtitle A (4–1–25 Edition)

Housing Opportunities for Persons with AIDS (24 CFR part 574); Supportive Housing Program (24 CFR part 583); and the Housing Choice Voucher Program (24 CFR part 982).

(b) *Definitions.* The following definitions apply for purposes of this section.

Baseline income. The annual income immediately prior to implementation of the disallowance described in paragraph (c)(1) of this section of a person with disabilities (who is a member of a qualified family).

Disallowance. Exclusion from annual income.

Previously unemployed includes a person with disabilities who has earned, in the twelve months previous to employment, no more than would be received for 10 hours of work per week for 50 weeks at the established minimum wage.

Qualified family. A family residing in housing assisted under one of the programs listed in paragraph (a) of this section or receiving tenant-based rental assistance under one of the programs listed in paragraph (a) of this section.

(1) Whose annual income increases as a result of employment of a family member who is a person with disabilities and who was previously unemployed for one or more years prior to employment;

(2) Whose annual income increases as a result of increased earnings by a family member who is a person with disabilities during participation in any economic self-sufficiency or other job training program; or

(3) Whose annual income increases, as a result of new employment or increased earnings of a family member who is a person with disabilities, during or within six months after receiving assistance, benefits or services under any state program for temporary assistance for needy families funded under Part A of Title IV of the Social Security Act, as determined by the responsible entity in consultation with the local agencies administering temporary assistance for needy families (TANF) and Welfare-to-Work (WTW) programs. The TANF program is not limited to monthly income maintenance, but also includes such benefits and services as one-time payments,

wage subsidies and transportation assistance—provided that the total amount over a six-month period is at least \$500.

(c) *Disallowance of increase in annual income*—(1) *Initial 12-month exclusion.* During the 12-month period beginning on the date a member who is a person with disabilities of a qualified family is first employed or the family first experiences an increase in annual income attributable to employment, the responsible entity must exclude from annual income (as defined in the regulations governing the applicable program listed in paragraph (a) of this section) of a qualified family any increase in income of the family member who is a person with disabilities as a result of employment over prior income of that family member.

(2) *Second 12-month exclusion and phase-in.* Upon the expiration of the 12-month period defined in paragraph (c)(1) of this section and for the subsequent 12-month period, the responsible entity must exclude from annual income of a qualified family at least 50 percent of any increase in income of such family member as a result of employment over the family member's baseline income.

(3) *Maximum 2-year disallowance.* The disallowance of increased income of an individual family member who is a person with disabilities as provided in paragraph (c)(1) or (c)(2) of this section is limited to a lifetime 24-month period. The disallowance applies for a maximum of 12 months for disallowance under paragraph (c)(1) of this section and a maximum of 12 months for disallowance under paragraph (c)(2) of this section, during the 24-month period starting from the initial exclusion under paragraph (c)(1) of this section.

(4) *Effect of changes on currently participating families.* Families eligible for and participating in the disallowance of earned income under this section prior to *May 9, 2016* will continue to be governed by this section in effect as it existed immediately prior to that date (see 24 CFR parts 0 to 199, revised as of April 1, 2016).

(d) *Inapplicability to admission.* The disallowance of increases in income as a result of employment of persons with disabilities under this section does not

apply for purposes of admission to the program (including the determination of income eligibility or any income targeting that may be applicable).

(e) *Limitation.* This section applies to a family that is receiving the disallowance of earned income under this section on December 31, 2023

(f) *Sunset.* This section will lapse on January 1, 2026.

[66 FR 6223, Jan. 19, 2001, as amended at 67 FR 6820, Feb. 13, 2002; 81 FR 12370, Mar. 8, 2016; 88 FR 9660, Feb. 14, 2023]

§5.618 Restriction on assistance to families based on assets.

(a) *Restrictions based on net assets and property ownership.* (1) A dwelling unit in the public housing program may not be rented, and assistance under the Section 8 (tenant-based and project-based) programs may not be provided, either initially or upon reexamination of family income, to any family if:

(i) The family's net assets (as defined in §5.603) exceed \$100,000, which amount will be adjusted annually by HUD in accordance with the Consumer Price Index for Urban Wage Earners and Clerical Workers; or

(ii) The family has a present ownership interest in, a legal right to reside in, and the effective legal authority to sell, based on State or local laws of the jurisdiction where the property is located, real property that is suitable for occupancy by the family as a residence, except this real property restriction does not apply to:

(A) Any property for which the family is receiving assistance under 24 CFR 982.620; or under the Homeownership Option in 24 CFR part 982;

(B) Any property that is jointly owned by a member of the family and at least one non-household member who does not live with the family, if the non-household member resides at the jointly owned property;

(C) Any person who is a victim of domestic violence, dating violence, sexual assault, or stalking, as defined in this part 5 (subpart L); or

(D) Any family that is offering such property for sale.

(2) A property will be considered "suitable for occupancy" under paragraph (a)(1)(ii) of this section unless the family demonstrates that it:

§ 5.628

(i) Does not meet the disability-related needs for all members of the family (*e.g.*, physical accessibility requirements, disability-related need for additional bedrooms, proximity to accessible transportation, etc.);

(ii) Is not sufficient for the size of the family;

(iii) Is geographically located so as to be a hardship for the family (*e.g.*, the distance or commuting time between the property and the family's place of work or school would be a hardship to the family, as determined by the PHA or owner);

(iv) Is not safe to reside in because of the physical condition of the property (*e.g.*, property's physical condition poses a risk to the family's health and safety and the condition of the property cannot be easily remedied); or

(v) Is not a property that a family may reside in under the State or local laws of the jurisdiction where the property is located.

(b) *Acceptable documentation; confidentiality.* (1) A PHA or owner may determine the net assets of a family based on a certification by the family that the net family assets (as defined in § 5.603) do not exceed \$50,000, which amount will be adjusted annually in accordance with the Consumer Price Index for Urban Wage Earners and Clerical Workers, without taking additional steps to verify the accuracy of the declaration. The declaration must state the amount of income the family expects to receive from such assets; this amount must be included in the family's income.

(2) A PHA or owner may determine compliance with paragraph (a)(1)(ii) of this section based on a certification by a family that certifies that such family does not have any present ownership interest in any real property at the time of the income determination or review.

(3) When a family asks for or about an exception to the real property restriction because a family member is a victim of domestic violence, dating violence, sexual assault, or stalking, the PHA or owner must comply with the confidentiality requirements under § 5.2007. The PHA or owner must accept a self-certification from the family member, and the restrictions on re-

24 CFR Subtitle A (4-1-25 Edition)

questing documentation under § 5.2007 apply.

(c) *Enforcement.* (1) When recertifying the income of a family that is subject to the restrictions in paragraph (a) of this section, a PHA or owner may choose not to enforce such restrictions, or alternatively, may establish exceptions to the restrictions based on eligibility criteria.

(2) The PHA or owner may choose not to enforce the restrictions in paragraph (a) of this section or establish exceptions to such restrictions only pursuant to a policy adopted by the PHA or owner.

(3) Eligibility criteria for establishing exceptions may provide for separate treatment based on family type and may be based on different factors, such as age, disability, income, the ability of the family to find suitable alternative housing, and whether supportive services are being provided. Such policies must be in conformance with all applicable fair housing statutes and regulations, as discussed in this part 5.

(d) *Delay of eviction or termination of assistance.* The PHA or owner may delay for a period of not more than 6 months the initiation of eviction or termination proceedings of a family based on noncompliance under this provision unless it conflicts with other provisions of law.

(e) *Applicability.* This section applies to the Section 8 (tenant-based and project-based) and public housing programs.

[88 FR 9660, Feb. 14, 2023]

FAMILY PAYMENT

§ 5.628 Total tenant payment.

(a) *Determining total tenant payment (TTP).* Total tenant payment is the highest of the following amounts, rounded to the nearest dollar:

(1) 30 percent of the family's monthly adjusted income;

(2) 10 percent of the family's monthly income;

(3) If the family is receiving payments for welfare assistance from a public agency and a part of those payments, adjusted in accordance with the family's actual housing costs, is specifically designated by such agency to

meet the family's housing costs, the portion of those payments which is so designated;

(4) The minimum rent, as determined in accordance with § 5.630; or

(5) For public housing only, the alternative non-public housing rent, as determined in accordance with § 960.102 of this title.

(b) *Determining TTP if family's welfare assistance is ratably reduced.* If the family's welfare assistance is ratably reduced from the standard of need by applying a percentage, the amount calculated under paragraph (a)(3) of this section is the amount resulting from one application of the percentage.

[65 FR 16718, Mar. 29, 2000, as amended at 88 FR 9661, Feb. 14, 2023]

§ 5.630 Minimum rent.

(a) *Minimum rent.* (1) The PHA must charge a family no less than a minimum monthly rent established by the responsible entity, except as described in paragraph (b) of this section.

(2) For the public housing program and the section 8 moderate rehabilitation or voucher programs, the PHA may establish a minimum rent of up to \$50.

(3) For other section 8 programs, the minimum rent is \$25.

(b) *Financial hardship exemption from minimum rent—(1) When is family exempt from minimum rent?* The responsible entity must grant an exemption from payment of minimum rent if the family is unable to pay the minimum rent because of financial hardship, as described in the responsible entity's written policies. Financial hardship includes these situations:

(i) When the family has lost eligibility for or is awaiting an eligibility determination for a Federal, State, or local assistance program, including a family that includes a member who is a noncitizen lawfully admitted for permanent residence under the Immigration and Nationality Act who would be entitled to public benefits but for title IV of the Personal Responsibility and Work Opportunity Act of 1996;

(ii) When the family would be evicted because it is unable to pay the minimum rent;

(iii) When the income of the family has decreased because of changed cir-

cumstances, including loss of employment;

(iv) When a death has occurred in the family; and

(v) Other circumstances determined by the responsible entity or HUD.

(2) *What happens if family requests a hardship exemption?* (i) *Public housing.* (A) If a family requests a financial hardship exemption, the PHA must suspend the minimum rent requirement beginning the month following the family's request for a hardship exemption, and continuing until the PHA determines whether there is a qualifying financial hardship and whether it is temporary or long term.

(B) The PHA must promptly determine whether a qualifying hardship exists and whether it is temporary or long term.

(C) The PHA may not evict the family for nonpayment of minimum rent during the 90-day period beginning the month following the family's request for a hardship exemption.

(D) If the PHA determines that a qualifying financial hardship is temporary, the PHA must reinstate the minimum rent from the beginning of the suspension of the minimum rent. The PHA must offer the family a reasonable repayment agreement, on terms and conditions established by the PHA, for the amount of back minimum rent owed by the family.

(ii) *All section 8 programs.* (A) If a family requests a financial hardship exemption, the responsible entity must suspend the minimum rent requirement beginning the month following the family's request for a hardship exemption until the responsible entity determines whether there is a qualifying financial hardship, and whether such hardship is temporary or long term.

(B) The responsible entity must promptly determine whether a qualifying hardship exists and whether it is temporary or long term.

(C) If the responsible entity determines that a qualifying financial hardship is temporary, the PHA must not impose the minimum rent during the 90-day period beginning the month following the date of the family's request for a hardship exemption. At the end of

§ 5.632

the 90-day suspension period, the responsible entity must reinstate the minimum rent from the beginning of the suspension. The family must be offered a reasonable repayment agreement, on terms and conditions established by the responsible entity, for the amount of back rent owed by the family.

(iii) *All programs.* (A) If the responsible entity determines there is no qualifying financial hardship exemption, the responsible entity must reinstate the minimum rent, including back rent owed from the beginning of the suspension. The family must pay the back rent on terms and conditions established by the responsible entity.

(B) If the responsible entity determines a qualifying financial hardship is long term, the responsible entity must exempt the family from the minimum rent requirements so long as such hardship continues. Such exemption shall apply from the beginning of the month following the family's request for a hardship exemption until the end of the qualifying financial hardship.

(C) The financial hardship exemption only applies to payment of the minimum rent (as determined pursuant to § 5.628(a)(4) and § 5.630), and not to the other elements used to calculate the total tenant payment (as determined pursuant to § 5.628(a)(1), (a)(2) and (a)(3)).

(3) *Public housing: Grievance hearing concerning PHA denial of request for hardship exemption.* If a public housing family requests a hearing under the PHA grievance procedure, to review the PHA's determination denying or limiting the family's claim to a financial hardship exemption, the family is not required to pay any escrow deposit in order to obtain a grievance hearing on such issues.

§ 5.632 Utility reimbursements.

(a) *Applicability.* This section is applicable to:

(1) The Section 8 programs other than the Section 8 voucher program (for distribution of a voucher housing assistance payment that exceeds rent to owner, see § 982.514(b) of this title);

24 CFR Subtitle A (4–1–25 Edition)

(2) A public housing family paying an income-based rent (see § 960.253 of this title). (Utility reimbursement is not paid for a public housing family that is paying a flat rent.)

(b) *Payment of utility reimbursement.*
(1) The responsible entity pays a utility reimbursement if the utility allowance (for tenant-paid utilities) exceeds the amount of the total tenant payment. The responsible entity has the option of making utility reimbursement payments not less than once per calendar-year quarter, for reimbursements totaling \$45 or less per quarter. In the event a family leaves the program in advance of its next quarterly reimbursement, the responsible entity must reimburse the family for a prorated share of the applicable reimbursement. PHAs and owners exercising this option must have a hardship policy in place for tenants.

(2) In the public housing program (where the family is paying an income-based rent), the Section 8 moderate rehabilitation program and the Section 8 voucher program, the PHA may pay the utility reimbursement either to the family or directly to the utility supplier to pay the utility bill on behalf of the family. If the PHA elects to pay the utility supplier, the PHA must notify the family of the amount paid to the utility supplier.

(3) In the other Section 8 programs, the owner must pay the utility reimbursement either:

- (i) To the family, or
- (ii) With consent of the family, to the utility supplier to pay the utility bill on behalf of the family.

§ 5.634 Tenant rent.

(a) *Section 8 programs.* For Section 8 programs other than the Section 8 voucher program, tenant rent is total tenant payment minus any utility allowance.

SECTION 8 PROJECT-BASED ASSISTANCE:
OCCUPANCY REQUIREMENTS**§ 5.653 Section 8 project-based assistance programs: Admission—Income-eligibility and income-targeting.**

(a) *Applicability.* This section describes requirements concerning income-eligibility and income-targeting that apply to the Section 8 project-based assistance programs, except for the moderate rehabilitation and the project-based voucher programs.

(b) *Who is eligible?*—(1) *Basic eligibility.* An applicant must meet all eligibility requirements in order to receive housing assistance. At a minimum, the applicant must be a family, as defined in § 5.403, and must be income-eligible, as described in this section. Such eligible applicants include single persons.

(2) *Low income limit.* No family other than a low income family is eligible for admission to the Section 8 project-based assistance programs. (This paragraph (b) does not apply to the Section 8 project-based voucher program under part 983 of this title.)

(c) *Targeting to extremely low income families.* For each project assisted under a contract for project-based assistance, of the dwelling units that become available for occupancy in any fiscal year that are assisted under the contract, not less than 40 percent shall be available for leasing only by families that are extremely low income families at the time of admission.

(d) *Limitation on admission of non-very low income families*—(1) *Admission to units available before October 1, 1981.* Not more than 25 percent of the Section 8 project-based dwelling units that were available for occupancy under Section 8 Housing Assistance Payments Contracts effective before October 1, 1981 and that are leased on or after that date shall be available for leasing by low income families other than very low income families. HUD reserves the right to limit the admission of low income families other than very low income families to these units.

(2) *Admission to units available on or after October 1, 1981.* Not more than 15 percent of the Section 8 project-based dwelling units that initially become available for occupancy under Section 8 Housing Assistance Payments (HAP)

Contracts on or after October 1, 1981 shall be available for leasing by low income families other than families that are very low income families at the time of admission to the Section 8 program. Except with the prior approval of HUD under paragraphs (d)(3) and (d)(4) of this section, the owner may only lease such units to very low income families.

(3) *Request for exception.* A request by an owner for approval of admission of low income families other than very low income families to section 8 project-based units must state the basis for requesting the exception and provide supporting data. Bases for exceptions that may be considered include the following:

(i) Need for admission of a broader range of tenants to preserve the financial or management viability of a project because there is an insufficient number of potential applicants who are very low income families;

(ii) Commitment of an owner to attaining occupancy by families with a broad range of incomes;

(iii) Project supervision by a State Housing Finance Agency having a policy of occupancy by families with a broad range of incomes supported by evidence that the Agency is pursuing this goal throughout its assisted projects in the community, or a project with financing through Section 11(b) of the 1937 Act (42 U.S.C. 1437i) or under Section 103 of the Internal Revenue Code (26 U.S.C. 103); and

(iv) Low-income families that otherwise would be displaced from a Section 8 project.

(4) *Action on request for exception.* Whether to grant any request for exception is a matter committed by law to HUD's discretion, and no implication is intended to be created that HUD will seek to grant approvals up to the maximum limits permitted by statute, nor is any presumption of an entitlement to an exception created by the specification of certain grounds for exception that HUD may consider. HUD will review exceptions granted to owners at regular intervals. HUD may withdraw permission to exercise those exceptions for program applicants at any time that exceptions are not being

§ 5.655

24 CFR Subtitle A (4–1–25 Edition)

used or after a periodic review, based on the findings of the review.

(e) *Income used for eligibility and targeting.* Family annual income (see § 5.609) is used both for determination of income-eligibility and for income-targeting under this section.

(f) *Reporting.* The Section 8 owner must comply with HUD-prescribed reporting requirements, including income reporting requirements that will permit HUD to maintain the data necessary to monitor compliance with income-eligibility and income-targeting requirements.

§ 5.655 Section 8 project-based assistance programs: Owner preferences in selection for a project or unit.

(a) *Applicability.* This section applies to the section 8 project-based assistance programs. The section describes requirements concerning the Section 8 owner's selection of residents to occupy a project or unit, except for the moderate rehabilitation and the project-based voucher programs.

(b) *Selection—(1) Selection for owner's project or unit.* Selection for occupancy of a project or unit is the function of the Section 8 owner. However, selection is subject to the income-eligibility and income-targeting requirements in § 5.653.

(2) *Tenant selection plan.* The owner must adopt a written tenant selection plan in accordance with HUD requirements.

(3) *Amount of income.* The owner may not select a family for occupancy of a project or unit in an order different from the order on the owner's waiting list for the purpose of selecting a relatively higher income family. However, an owner may select a family for occupancy of a project or unit based on its income in order to satisfy the targeting requirements of § 5.653(c).

(4) *Selection for particular unit.* In selecting a family to occupy a particular unit, the owner may match family characteristics with the type of unit available, for example, number of bedrooms. If a unit has special accessibility features for persons with disabilities, the owner must first offer the unit to families which include persons

with disabilities who require such features (see §§ 8.27 and 100.202 of this title).

(5) *Housing assistance limitation for single persons.* A single person who is not an elderly or displaced person, a person with disabilities, or the remaining member of a resident family may not be provided a housing unit with two or more bedrooms.

(c) *Particular owner preferences.* The owner must inform all applicants about available preferences and must give applicants an opportunity to show that they qualify for available preferences.

(1) *Residency requirements or preferences.* (i) Residency requirements are prohibited. Although the owner is not prohibited from adopting a residency preference, the owner may only adopt or implement residency preferences in accordance with non-discrimination and equal opportunity requirements listed at § 5.105(a).

(ii) A residency preference is a preference for admission of persons who reside in a specified geographic area ("residency preference area").

(iii) An owner's residency preference must be approved by HUD in one of the following methods:

(A) Prior approval of the housing market area in the Affirmative Fair Housing Marketing plan (in accordance with § 108.25 of this title) as a residency preference area;

(B) Prior approval of the residency preference area in the PHA plan of the jurisdiction in which the project is located;

(C) Modification of the Affirmative Fair Housing Marketing Plan, in accordance with § 108.25 of this title,

(iv) Use of a residency preference may not have the purpose or effect of delaying or otherwise denying admission to a project or unit based on the race, color, ethnic origin, gender, religion, disability, or age of any member of an applicant family.

(v) A residency preference must not be based on how long an applicant has resided or worked in a residency preference area.

(vi) Applicants who are working or who have been notified that they are hired to work in a residency preference area must be treated as residents of the residency preference area. The owner

may treat graduates of, or active participants in, education and training programs in a residency preference area as residents of the residency preference area if the education or training program is designed to prepare individuals for the job market.

(2) *Preference for working families.* (i) The owner may adopt a preference for admission of working families (families where the head, spouse or sole member is employed). However, an applicant shall be given the benefit of the working family preference if the head and spouse, or sole member, is age 62 or older, or is a person with disabilities.

(ii) If the owner adopts a preference for admission of working families, the owner must not give a preference based on the amount of earned income.

(3) *Preference for person with disabilities.* The owner may adopt a preference for admission of families that include a person with disabilities. However, the owner may not adopt a preference for admission of persons with a specific disability.

(4) *Preference for victims of domestic violence.* The owner should consider whether to adopt a preference for admission of families that include victims of domestic violence.

(5) *Preference for single persons who are elderly, displaced, homeless or persons with disabilities over other single persons.* The owner may adopt a preference for admission of single persons who are age 62 or older, displaced, homeless, or persons with disabilities over other single persons.

§ 5.657 Section 8 project-based assistance programs: Reexamination of family income and composition.

(a) *Applicability.* This section states requirements for reexamination of family income and composition in the Section 8 project-based assistance programs, except for the moderate rehabilitation and the project-based voucher programs.

(b) *Regular reexamination.* The owner must conduct a reexamination and re-determination of family income and composition at least annually.

(c) *Interim reexaminations.* (1) *Generally.* A family may request an interim

reexamination of family income because of any changes since the last examination. The owner must conduct any interim reexamination within a reasonable time after the family request or when the owner becomes aware of an increase in family adjusted income under paragraph (c)(3) of this section. What qualifies as a “reasonable time” may vary based on the amount of time it takes to verify information, but such time generally should not exceed 30 days from the date a family reports changes in income to an owner.

(2) *Decreases in the family’s annual adjusted income.* The owner may decline to conduct an interim reexamination of family income if the owner estimates that the family’s adjusted income will decrease by an amount that is less than ten percent of the family’s annual adjusted income (or a lower amount established by HUD through notice), or such lower threshold established by the owner.

(3) *Increases in the family’s annual adjusted income.* The owner must conduct an interim reexamination of family income when the owner becomes aware that the family’s adjusted income (as defined in § 5.611) has changed by an amount that the owner estimates will result in an increase of ten percent or more in annual adjusted income or such other amount established by HUD through notice, except:

(i) The owner may not consider any increase in the earned income of the family when estimating or calculating whether the family’s adjusted income has increased, unless the family has previously received an interim reduction under paragraph (c)(1) of this section during the certification period; and

(ii) The owner may choose not to conduct an interim reexamination in the last three months of a certification period.

(4) *Policies on reporting changes in family income or composition.* The owner must adopt policies consistent with this paragraph (c), prescribing when and under what conditions the family must report a change in family income or composition.

(5) *Effective date of rent changes.* (i) If the family has reported a change in

§ 5.657

24 CFR Subtitle A (4-1-25 Edition)

family income or composition in a timely manner according to the owner's policies, the owner must provide the family with 30 days advance notice of any rent increase, and such rent increase will be effective the first day of the month beginning after the end of that 30-day notice period. Rent decreases will be effective on the first day of the first month after the date of the actual change leading to the interim reexamination of family income.

(ii) If the family has failed to report a change in family income or composition in a timely manner according to the owner's policies, owners must implement any resulting rent increases retroactively to the first of the month following the date of the change leading to the interim reexamination of family income. Any resulting rent decrease must be implemented no later than the first rent period following completion of the reexamination. However, rent decreases may be applied retroactively at the discretion of the owner, in accordance with the owner's conditions as established in written policy, and subject to paragraph (c)(5)(iii) of this section.

(iii) A retroactive rent decrease may not be applied by the owner prior to the later of the first of the month following:

(A) The date of the change leading to the interim reexamination of family income; or

(B) The effective date of the family's most recent previous interim or annual reexamination (or initial examination if that was the family's last examination).

(d) *Streamlined income determination*—
(1) *General*. An owner may elect to apply a streamlined income determination to families receiving fixed income as described in paragraph (d)(3) of this section.

(2) *Definition of "fixed income"*. For purposes of this section, "fixed income" means periodic payments at reasonably predictable levels from one or more of the following sources:

(i) Social Security, Supplemental Security Income, Supplemental Disability Insurance.

(ii) Federal, state, local, or private pension plans.

(iii) Annuities or other retirement benefit programs, insurance policies, disability or death benefits, or other similar types of periodic receipts.

(iv) Any other source of income subject to adjustment by a verifiable COLA or current rate of interest.

(3) *Method of streamlined income determination*. Owners using the streamlined income determination must adjust a family's income according to the percentage of a family's unadjusted income that is from fixed income.

(i) When 90 percent or more of a family's unadjusted income consists of fixed income, owners using streamlined income determinations must apply a COLA or COLAs to the family's fixed-income sources, provided that the family certifies both that 90 percent or more of their unadjusted income is fixed income and that their sources of fixed income have not changed from the previous year. For non-fixed income, owners are not required to make adjustments pursuant to paragraph (b) of this section.

(ii) When less than 90 percent of a family's unadjusted income consists of fixed income, owners using streamlined income determinations must apply a COLA to each of the family's sources of fixed income. Owners must determine all other income pursuant to paragraph (b) of this section.

(4) *COLA rate applied by owners*. Owners using streamlined income determinations must adjust a family's fixed income using a COLA or current interest rate that applies to each specific source of fixed income and is available from a public source or through tenant-provided, third-party-generated documentation. If no public verification or tenant-provided documentation is available, then the owner must obtain third-party verification of the income amounts in order to calculate the change in income for the source.

(5) *Triennial verification*. For any income determined pursuant to a streamlined income determination, an owner must obtain third-party verification of all income amounts every 3 years.

(e) *Other applicable requirements*. Reviews of family income under this section are subject to the provisions in Section 904 of the Stewart B. McKinney

Homeless Assistance Amendments Act of 1988, as amended (42 U.S.C. 3544), and any applicable privacy rules in subpart B of this part.

(f) *De minimis errors.* The owner will not be considered out of compliance with the requirements in this section due solely to de minimis errors in calculating family income but is still obligated to correct errors once the owner becomes aware of the errors. A de minimis error is an error where the owner determination of family income varies from the correct income determination by no more than \$30 per month in monthly adjusted income (\$360 in annual adjusted income) per family.

(1) The owner must take any corrective action necessary to credit or repay a family if the family has been overcharged for their rent as a result of the de minimis error in the income determination. Families will not be required to repay the owner in instances where the owner has miscalculated income resulting in a family being undercharged for rent or family share.

(2) HUD may revise the amount of de minimis error in this paragraph (f) through a rulemaking published in the FEDERAL REGISTER for public comment.

§ 5.659 Family information and verification.

(a) *Applicability.* This section states requirements for reexamination of family income and composition in the Section 8 project-based assistance programs, except for the moderate rehabilitation program and the project-based voucher programs.

(b) *Family obligation to supply information.* (1) The family must supply any information that HUD or the owner determines is necessary in administration of the Section 8 program, including submission of required evidence of citizenship or eligible immigration status (as provided by part 5, subpart E of this title). "Information" includes any requested certification, release or other documentation.

(2) The family must supply any information requested by the owner or HUD for use in a regularly scheduled reex-

amination or an interim reexamination of family income and composition in accordance with HUD requirements.

(3) For requirements concerning the following, see part 5, subpart B of this title:

(i) Family verification and disclosure of social security numbers;

(ii) Family execution and submission of consent forms for obtaining wage and claim information from State Wage Information Collection Agencies (SWICAs).

(4) Any information supplied by the family must be true and complete.

(c) *Family release and consent.* (1) As a condition of admission to or continued occupancy of a unit with Section 8 assistance, the owner must require the family head, and such other family members as the owner designates, to execute a HUD-approved release and consent form (including any release and consent as required under § 5.230 of this title) authorizing any depository or private source of income, or any Federal, State or local agency, to furnish or release to the owner or HUD such information as the owner or HUD determines to be necessary.

(2) The use or disclosure of information obtained from a family or from another source pursuant to this release and consent shall be limited to purposes directly connected with administration of the Section 8 program.

(d) *Owner responsibility for verification.* Except as allowed under paragraph (e), the owner must obtain and document in the family file third party verification of the following factors, or must document in the file why third party verification was not available:

- (1) Reported family annual income;
- (2) The value of assets;
- (3) Expenses related to deductions from annual income; and
- (4) Other factors that affect the determination of adjusted income.

(e) *Verification of assets.* For a family with net family assets (as the term is defined in § 5.603) equal to or less than \$50,000, which amount will be adjusted annually by HUD in accordance with the Consumer Price Index for Urban Wage Earners and Clerical Workers, an owner may accept, for purposes of recertification of income, a family's declaration under § 5.618(b), except that

§ 5.661

24 CFR Subtitle A (4-1-25 Edition)

the owner must obtain third-party verification of all family assets every 3 years.

[65 FR 16721, Mar. 29, 2000, as amended at 82 FR 58340, Dec. 12, 2017; 88 FR 9662, Feb. 14, 2023; 89 FR 38290, May 7, 2024]

§ 5.661 Section 8 project-based assistance programs: Approval for police or other security personnel to live in project.

(a) *Applicability.* This section describes when a Section 8 owner may lease a Section 8 unit to police or other security personnel with continued Section 8 assistance for the unit. This section applies to the Section 8 project-based assistance programs.

(b) *Terms.* (1) *Security personnel* means:

(i) A police officer, or

(ii) A qualified security professional, with adequate training and experience to provide security services for project residents.

(2) *Police officer* means a person employed on a full-time basis as a duly licensed professional police officer by a Federal, State or local government or by any agency of these governments.

(3) *Security* includes the protection of project residents, including resident project management from criminal or other activity that is a threat to person or property, or that arouses fears of such threat.

(c) *Owner application.* (1) The owner may submit a written application to the contract administrator (PHA or HUD) for approval to lease an available unit in a Section 8 project to security personnel who would not otherwise be eligible for Section 8 assistance, for the purpose of increasing security for Section 8 families residing in the project.

(2) The owner's application must include the following information:

(i) A description of criminal activities in the project and the surrounding community, and the effect of criminal activity on the security of project residents.

(ii) Qualifications of security personnel who will reside in the project, and the period of residence by such personnel. How owner proposes to check backgrounds and qualifications of any security personnel who will reside in the project.

(iii) Full disclosure of any family relationship between the owner and any security personnel. For this purpose, "owner" includes a principal or other interested party.

(iv) How residence by security personnel in a project unit will increase security for Section 8 assisted families residing in the project.

(v) The amount payable monthly as rent to the unit owner by security personnel residing in the project (including a description of how this amount is determined), and the amount of any other compensation by the owner to such resident security personnel.

(vi) The terms of occupancy by such security personnel. The lease by owner to the approved security personnel may provide that occupancy of the unit is authorized only while the security personnel is satisfactorily performing any agreed responsibilities and functions for project security.

(vii) Other information as requested by the contract administrator.

(d) *Action by contract administrator.* (1) The contract administrator shall have discretion to approve or disapprove owner's application, and to impose conditions for approval of occupancy by security personnel in a section 8 project unit.

(2) Notice of approval by the contract administrator shall specify the term of such approved occupancy. Such approval may be withdrawn at the discretion of the contract administrator, for example, if the contract administrator determines that such occupancy is not providing adequate security benefits as proposed in the owner's application; or that security benefits from such occupancy are not a sufficient return for program costs.

(e) *Housing assistance payment and rent.* (1) During approved occupancy by security personnel as provided in this section, the amount of the monthly housing assistance payment to the owner shall be equal to the contract rent (as determined in accordance with the HAP contract and HUD requirements) minus the amount (as approved by the contract administrator) of rent payable monthly as rent to the unit owner by such security personnel. The owner shall bear the risk of collecting such rent from such security personnel,

and the amount of the housing assistance payment shall not be increased because of non-payment by such security personnel. The owner shall not be entitled to receive any vacancy payment for the period following occupancy by such security personnel.

(2) In approving the amount of monthly rent payable by security personnel for occupancy of a contract unit, the contract administrator may consider whether security services to be performed are an adequate return for housing assistance payments on the unit, or whether the cost of security services should be borne by the owner from other project income.

(1) All Public Housing programs (programs for housing assisted under the U.S. Housing Act of 1937 other than section 8 of the Act);

(2) The Housing Choice Voucher program under section 8(o) of the U.S. Housing Act of 1937, part 982 of this title and the Project-Based Voucher program under section 8(o)(13) of the Act and the regulations at 24 CFR part 983 (referred to in this part as the HCV and PBV programs, or HCV and PBV housing);

(ii) Section 213 of the NHA (Cooperative Housing Insurance);

(iii) Section 220 of the NHA (Rehabilitation and Neighborhood Conservation Housing Insurance);

(iv) Section 221(d)(3) of the NHA (Market Interest Rate (MIR) program);

(xi) Section 241 of the NHA (Supplemental Loans for Multifamily Projects). (Where, however, the primary mortgage of a Section 241 property is insured or assisted by HUD under a program covered in this part, the coverage by two HUD programs does not trigger two inspections); and

(xii) Section 542(c) of the Housing and Community Development Act of 1992 (12 U.S.C. 1707 note) (Housing Finance Agency Risk Sharing program).

(b) *Conflicts.* The regulations in this subpart may be supplemented by the specific regulations for the HUD-assisted programs listed in paragraph (a) of this section. The program-specific regulations may address the frequency of inspections, who performs the inspections and whether alternative inspections are available given the statutory and regulatory framework for the

§ 5.703

program. When there is a conflict between the regulations of this subpart and the program-specific regulations, the program-specific regulations govern.

(c) *HUD housing.* For purposes of this subpart, the term “HUD housing” means the types of housing listed in paragraph (a) of this section.

§ 5.703 National standards for the condition of HUD housing.

(a) *General.* To ensure that all residents live in safe, habitable dwellings, the items and components located inside the building, outside the building, and within the units of HUD housing must be functionally adequate, operable, and free of health and safety hazards. The standards under this section apply to all HUD housing. HUD housing under the HCV, PBV, and Moderate Rehabilitation programs shall be subject to these standards only for:

(1) The subsidized unit itself; and

(2) Items and components within the primary and secondary means of egress from a unit’s entry door(s) to the public way, those common features related to the residential use of the building (e.g., the laundry room, community room, mail room), and the systems equipment that directly services the subsidized unit.

(b) *Inside.* Inside of HUD housing (or “inside areas”) refers to the common areas and building systems that can be generally found within the building interior and are not inside a unit. Examples of “inside” common areas may include, basements, interior or attached garages, enclosed carports, restrooms, closets, utility rooms, mechanical rooms, community rooms, day care rooms, halls, corridors, stairs, shared kitchens, laundry rooms, offices, enclosed porches, enclosed patios, enclosed balconies, and trash collection areas. Examples of building systems include those components that provide domestic water such as pipes, electricity, elevators, emergency power, fire protection, HVAC, and sanitary services. The inside area must meet the following affirmative requirements:

(1) The inside area must include at least one battery-operated or hard-wired smoke detector, in proper working condition, on each level of the

24 CFR Subtitle A (4–1–25 Edition)

property. The Secretary may establish additional standards through FEDERAL REGISTER notification;

(2) Except for housing subject to this subpart only through § 5.701(a)(6) or (7), or housing otherwise exempt from this requirement as provided elsewhere in this title, the inside area must meet or exceed the carbon monoxide detection standards set by the Secretary through FEDERAL REGISTER notification;

(3) For the inside area, any outlet installed within 6 feet of a water source must be ground-fault circuit interrupter (GFCI) protected;

(4) The inside area must have a guardrail when there is an elevated walking surface with a drop off of 30 inches or greater measured vertically;

(5) The inside area must have permanently mounted light fixtures in any kitchens and each bathroom; and

(6) The inside area may not contain unvented space heaters that burn gas, oil, or kerosene.

(c) *Outside.* Outside of HUD housing (or “outside areas”) refers to the building site, building exterior components, and any building systems located outside of the building or unit. Examples of “outside” components may include fencing, retaining walls, grounds, lighting, mailboxes, project signs, parking lots, detached garage or carport, driveways, play areas and equipment, refuse disposal, roads, storm drainage, non-dwelling buildings, and walkways. Components found on the exterior of the building are also considered outside areas, and examples may include doors, attached porches, attached patios, balconies, car ports, fire escapes, foundations, lighting, roofs, walls, and windows. The outside area must meet the following affirmative requirements:

(1) For the outside area, outlets within 6 feet of a water source must be GFCI protected; and

(2) The outside area must have a guardrail when there is an elevated walking surface with a drop off of 30 inches or greater measured vertically.

(d) *Units.* A unit (or “dwelling unit”) of HUD housing refers to the interior components of an individual unit. Examples of components included in the interior of a unit may include the balcony, bathroom, call-for-aid (if applicable), carbon monoxide devices, ceiling,

doors, electrical systems, enclosed patio, floors, HVAC (where individual units are provided), kitchen, lighting, outlets, smoke detectors, stairs, switches, walls, water heater, and windows. The unit must also meet the following affirmative requirements:

(1) The unit must have hot and cold running water in both the bathroom and kitchen, including an adequate source of safe drinking water in the bathroom and kitchen;

(2) The unit must include its own bathroom or sanitary facility that is in proper operating condition and usable in privacy. It must contain a sink, a bathtub or shower, and an interior flushable toilet;

(3) (i) The unit must include at least one battery-operated or hard-wired smoke detector, in proper working condition, in the following locations:

(A) On each level of the unit;

(B) Inside each bedroom;

(C) Within 21 feet of any door to a bedroom measured along a path of travel; and

(D) Where a smoke detector installed outside a bedroom is separated from an adjacent living area by a door, a smoke detector must also be installed on the living area side of the door.

(ii) If the unit is occupied by any hearing-impaired person, the smoke detectors must have an alarm system designed for hearing-impaired persons;

(iii) The Secretary may establish additional standards through FEDERAL REGISTER notification;

(iv) Following the specifications of National Fire Protection Association Standard (NFPA) 72 satisfies the requirements of this paragraph (d)(3);

(4) The unit must have a living room and a kitchen area with a sink, cooking appliance, refrigerator, food preparation area, and food storage area;

(5) For units assisted under the HCV or PBV program, the unit must have at least one bedroom or living/sleeping room for each two persons;

(6) Except for units subject to this subpart only through § 5.701(a)(6) or (7), or housing otherwise exempt from this requirement as provided elsewhere in this title, the unit must meet or exceed the carbon monoxide detection standards set by HUD through FEDERAL REGISTER notification;

(7) The unit must have two working outlets or one working outlet and a permanent light within all habitable rooms;

(8) Outlets within 6 feet of a water source must be GFCI protected;

(9) For climate zones designated by the Secretary through notice, the unit must have a permanently installed heating source. No units may contain unvented space heaters that burn gas, oil, or kerosene;

(10) The unit must have a guardrail when there is an elevated walking surface with a drop off of 30 inches or greater measured vertically; and

(11) The unit must have a permanently mounted light fixture in the kitchen and each bathroom.

(e) *Health and safety concerns*—(1) *General*. The inside, outside and unit must be free of health and safety hazards that pose a danger to residents. Types of health and safety concerns include, but are not limited to carbon monoxide, electrical hazards, extreme temperature, flammable materials or other fire hazards, garbage and debris, handrail hazards, infestation, lead-based paint, mold, and structural soundness.

(2) *Lead-based paint*. HUD housing must comply with all requirements related to the evaluation and control of lead-based paint hazards and have available proper documentation of such (see 24 CFR part 35). The Lead-based Paint Poisoning Prevention Act (42 U.S.C. 4821–4846), the Residential Lead-based Paint Hazard Reduction Act of 1992 (42 U.S.C. 4851–4856), and the applicable regulations at 24 CFR part 35 apply.

(f) *Compliance with State and local codes*. (1) The standards for the condition of HUD housing in this section do not supersede State and local housing codes (such as fire, mechanical, plumbing, carbon monoxide, property maintenance, or residential code requirements).

(2) All HUD housing other than units assisted under the HCV and PBV programs must comply with State or local housing codes in order to comply with this subpart.

(3) State and local code compliance is not part of the determination of whether a unit passes the standards for the

§ 5.705

condition of HUD housing under this section for the HCV and PBV programs (except in accordance with § 5.705(a)(3)).

(g) *Use of an alternative inspection or additional standard for HCV and PBV programs.* A PHA is not subject to the standards set by this section when the PHA is relying on an alternative inspection in accordance with 24 CFR 982.406. PHAs may also elect to establish additional requirements for quality, architecture, or design of PBV housing, and any such additional requirements must be specified in the Agreement to enter into a HAP Contract or HAP Contract as provided in 24 CFR part 983.

(h) *Special housing types in the HCV, PBV and Moderate Rehabilitation programs.* Part 982, subpart M, of this title identifies special housing types which require standards unique to special types of housing. Unless modified by program-specific regulations, NSPIRE Standards will apply for these special housing types.

§ 5.705 Inspection requirements.

(a) *Procedures—(1) General.* Any entity responsible for conducting an inspection of HUD housing to determine compliance with this subpart, must inspect and score such HUD housing in accordance with the standards and procedures for identifying safe, habitable housing set out by the Secretary and published in the FEDERAL REGISTER as described in § 5.711. The entity conducting the inspection shall identify each deficiency as “Life Threatening”, “Severe,” “Moderate”, or “Low.”

(2) *Inspection scope.* The inspection requirement for HUD housing generally requires the inside, outside and unit to be inspected, in accordance with § 5.703. The inspection requirement for the tenant-based HCV program and the unit inspection for the PBV and Moderate Rehabilitation programs only applies to units occupied or to be occupied by HCV, PBV, and Moderate Rehabilitation participants, and common areas and exterior areas which either service or are associated with such units.

(3) *HCV and PBV variant inspection standards.* (i) HUD may approve inspection criteria variations for the following purposes:

24 CFR Subtitle A (4–1–25 Edition)

(A) Variations which apply standards in local housing codes or other codes adopted by the PHA; or

(B) Variations because of local climatic or geographic conditions.

(ii) Acceptability criteria variations may only be approved by HUD pursuant to paragraph (a)(3)(i) of this section if such variations either:

(A) Meet or exceed the performance requirements; or

(B) Significantly expand affordable housing opportunities for families assisted under the program.

(iii) HUD will not approve any inspection criteria variation if HUD believes that such variation is likely to adversely affect the health or safety of participant families, or severely restrict housing choice.

(iv) Approved variations must be added to the Administrative Plan as described in 24 CFR 982.54(d)(21).

(b) *Entity conducting inspections.* HUD housing must be inspected by the appropriate entity as described in paragraph (b)(1) of this section, except as described in paragraph (b)(2) of this section.

(1) *General.* The owner, lender, contract administrator, or HUD is the entity responsible for performing inspections of HUD housing as provided in this title, or a regulatory agreement or contract. For properties with more than one HUD-insured loan, only the first mortgage lender is required to conduct the inspection. The second mortgage lender will be provided a copy of the physical inspection report by the first mortgage lender.

(2) *Exception.* Under the HCV and PBV programs, the Public Housing Agency is responsible for inspecting HUD housing under those programs, unless another entity is assigned the inspection by the program regulations governing the housing, regulatory agreements or contracts. A PHA-owned unit receiving assistance under section 8(o) of the 1937 act must be inspected by an independent entity as specified in 24 CFR parts 982 and 983. Under the Moderate Rehabilitation program, the PHA is responsible for inspecting the HUD housing unless the PHA is managing units on which it is also administering the HAP Contract in accordance with 24 CFR 882.412, in which case

HUD is responsible for the inspections in accordance with 24 CFR 882.516(d).

(c) *Timing of inspections*—(1) *Generally*. A property must be inspected before the property is approved for participation in any of the HUD housing programs under this part unless there is a program specific exception to this requirement. An entity responsible for conducting an inspection of HUD housing to determine compliance with this subpart must inspect such housing annually unless specified otherwise below. An inspection shall be conducted no earlier than 3 months before and no later than 3 months after the date marking the anniversary of the previous inspection, except that inspections due on or before July 1, 2024, shall be conducted no earlier than 6 months before and no later than 6 months after the date marking the anniversary of the previous inspection. HUD may approve requests by an owner or PHA for extensions of the deadline for an inspection for good cause as determined by HUD and HUD may extend inspection deadlines without owner request, as deemed necessary by the Secretary.

(2) *Extended inspection cycle*. HUD housing, except as specified below, shall be scored and ranked in accordance with the methodology provided through FEDERAL REGISTER notification.

(i) *Standard 1 performing property*. If a property receives a score of 90 points or higher on its physical condition inspection, the property will be designated a standard 1 performing property. Properties designated as standard 1 performing properties will be required to undergo a physical inspection once every three (3) years.

(ii) *Standard 2 performing property*. If a property receives a score of 80 points or higher but less than 90 on its physical condition inspection, the property will be designated a standard 2 performing property. Properties designated as standard 2 performing properties will be required to undergo a physical inspection once every two (2) years.

(iii) *Standard 3 performing property*. If a property receives a score of less than 80 points, the property will be designated a standard 3 performing property. Properties designated as standard

3 performing properties will continue to undergo an annual physical inspection as currently required under covered HUD programs.

(3) *Triennial cycle for small rural PHAs*. Small rural PHAs as defined in 24 CFR 902.101 shall be assessed in accordance with part 902, subpart H of this title.

(4) *Triennial cycle for small PHAs*. Small PHAs as defined in 24 CFR 902.13(a) shall be assessed in accordance with 24 CFR 902.13(a).

(5) *Housing choice vouchers*. PHAs must inspect units subject to part 982 of this title in accordance with the frequency described in 24 CFR 982.405.

(6) *Project based vouchers*. PHAs must inspect units subject to 24 CFR part 983 in accordance with the frequency described in 24 CFR 983.103.

(7) *FHA insured mortgages section 232 facilities*. HUD may exempt assisted-living facilities, board and care facilities, and intermediate care facilities from physical inspections under this part if HUD determines that the State or local government has a reliable and adequate inspection system in place, with the results of the inspection being readily and timely available to HUD. For any other section 232 facilities, the inspection will be conducted only when and if HUD determines, on the basis of information received, such as through a complaint, site inspection, or referral by a State agency, on a case-by-case basis, that inspection of a particular facility is needed to assure protection of the residents or the adequate preservation of the project.

(8) *Section 8 Moderate Rehabilitation program*. PHAs must inspect units subject to the Moderate Rehabilitation program under 24 CFR part 882 in accordance with the frequency described in 24 CFR 882.516.

(d) *Inspection costs*. The cost of an inspection shall be the responsibility of the entity responsible for the inspection as identified in paragraph (a) of this section, except that a reasonable fee may be required of the owner of a property for a reinspection if an owner notifies the entity responsible for the inspection that a repair has been made or the allotted time for repairs has elapsed and a reinspection reveals that any deficiency cited in the previous inspection that the owner is responsible

§ 5.707

for repairing was not corrected. No fee may be passed along to the household residing in the unit or units.

(e) *Access to property for inspection.* Nothing in this subpart shall restrict the right of HUD, or an entity contracted by HUD, to inspect a property. All owners and PHAs are required to provide HUD or its representative with full and free access to all HUD-assisted properties. All owners and PHAs are required to provide HUD or its representative with access to all units and apartments in order to permit physical inspections, monitoring reviews, and quality assurance reviews under this part. Access to the units shall be provided whether or not the resident is home or has installed additional locks for which the owner or PHA did not obtain keys. In the event that an owner or PHA fails to provide access as required by HUD or its representative, the owner or PHA shall be given a physical condition score of zero for the project or projects involved. A score of zero for an owner or PHA shall be used to calculate the physical condition indicator score and the overall assessment score for that owner or PHA.

(f) *Tenant involvement in inspections.* HUD will establish, through notice, a procedure for tenants to recommend to HUD particular units which HUD may choose to inspect either during or separate from its standard inspection. HUD will evaluate the condition of these units and issue a report on findings, but they will not be included in the official score unless they were randomly selected independent of the tenant's recommendation. The owner or PHA is required to correct any deficiency HUD identifies within the timeframes HUD has established for the identified deficiency.

§ 5.707 Uniform self-inspection requirement and report.

All PHAs and owners of HUD housing subject to an assistance contract, other than owners participating in the HCV, PBV, and Moderate Rehabilitation programs, are required to annually self-inspect their properties, including all units, to ensure the units are maintained in accordance with the standards in § 5.703. The owner or PHA must maintain the results of such self-in-

24 CFR Subtitle A (4-1-25 Edition)

spections for three years and must provide the results to HUD upon request. This self-inspection is independent of other HUD inspections discussed in § 5.705. The owner or PHA may choose to conduct this inspection after a HUD inspection to satisfy this requirement and the post-report survey requirement at § 5.711(c)(2) simultaneously.

§ 5.709 Administrative process for defining and revising inspection criteria.

(a) *Inspection standards and scoring methodology.* The Secretary will publish in the FEDERAL REGISTER, following notice and the opportunity to comment, a standards notification with a list of deficiencies and the relative severity of these deficiencies to use for inspecting HUD housing. This FEDERAL REGISTER document will also include the factors for determining if an HCV, PBV, or Moderate Rehabilitation unit passes or fails the inspection. The Secretary will also publish in the FEDERAL REGISTER, following notice and opportunity to comment, a scoring notification containing the methodologies to use for scoring and ranking HUD housing. After considering the public comments received on these FEDERAL REGISTER documents, the Secretary will publish documents announcing the new inspections standards and scoring methodologies, and the date on which these notifications become effective.

(1) *Revisions.* The Secretary will issue a notification in the FEDERAL REGISTER published for at least 30 days of public comment making any revisions to the inspection and scoring procedures HUD deems necessary, at least once every three years, or three years after the most recent revision, whichever is later.

(2) *Emergency revisions.* The Secretary may publish a notification without 30 days of public comment in the case of an emergency to protect Federal financial resources or the health or safety of residents of HUD housing, after HUD makes a documented determination that such action is warranted due to:

- (i) A Life-Threatening deficiency or Severe deficiency and other significant risks to safety as outlined in § 5.703;
- (ii) A new safety concern due to changing construction technology; or

(iii) Other events as determined by the Secretary.

(b) [Reserved]

§5.711 Scoring, ranking criteria, and appeals.

(a) *Applicability.* Administrative process for scoring and ranking the physical condition of HUD housing properties under this section does not apply to the HCV, PBV or Moderate Rehabilitation programs. PHAs administering HCV and PBV programs will be assessed under the Section 8 Management Assessment Program (“SEMAP”) or the small rural PHA assessment in accordance with 24 CFR part 985, and PHAs administering the Moderate Rehabilitation programs are subject to HUD review in accordance with 24 CFR 882.517.

(b) *Scoring and ranking of HUD housing—(1) General.* HUD’s Real Estate Assessment Center (REAC), or the appropriate entity either as described in §5.705(b), or as identified in the regulator agreement or contract for the property as described in §5.705(b)(1), will score and rank the physical condition of HUD housing properties in accordance with the procedures set out by the Secretary in §5.709.

(2) *Public housing programs.* PHAs operating public housing will be scored and ranked under the Public Housing Assessment System (“PHAS”) outlined in part 902 of this title.

(c) *Inspection report requirements.* (1) *Life-Threatening deficiencies and Severe deficiencies.* Upon completion of an inspection, or at the end of each day on a multiple-day inspection, REAC, or the appropriate party as described in §5.705(b), will provide the owner or PHA or owner’s representative, a notice of any items classified as Life-Threatening or Severe deficiencies. All Life-Threatening items must be corrected within 24 hours of receipt of notice of these items, unless HUD approves a variation. All Severe items must be corrected within 24 hours of receipt of notice, unless indicated otherwise within the individual inspection standards published in the FEDERAL REGISTER with notice and the opportunity for comment, or HUD approves a variation. The owner or PHA or owner’s representative must electronically

certify and provide supporting evidence within 2 business days after the deadline to correct the Life-Threatening and Severe items that the items have been resolved or sufficiently corrected such that they no longer pose a severe health or safety risk to residents of the property, or that the hazard is blocked until permanent repairs can be completed. If permanent repair will take longer than the allowable time in the relevant standard for the deficiency, the owner or PHA must provide HUD a timeframe for completing permanent repairs for HUD approval.

(2) *Post-report inspection.* The owner or PHA must carefully review the inspection report and is responsible for conducting its own survey of the total property. Moderate deficiencies must be corrected within thirty days and Low deficiencies must be corrected within sixty days, unless indicated otherwise within the individual inspection standards published in the FEDERAL REGISTER with notice and the opportunity for comment or within such other reasonable time prescribed by a HUD notice to the owner or PHA. For properties that scored at or above 60, the survey may be limited to inspecting for deficiencies based on the inspecting entity’s inspection findings. For properties that scored below 60, the owner or PHA must conduct a survey of the entire project, including all units, inside areas, and outside areas, for any deficiency, and must electronically submit a copy of the results of the survey to HUD.

(d) *Technical review of inspection results—(1) Timing.* A request for a technical review of inspection results must be submitted electronically and must be received by the inspecting entity no later than the 45th calendar day following the day the inspection report is provided to the owner or PHA.

(2) *Request for technical review.* The request must be accompanied by the owner’s or PHA’s relevant evidence that an objectively verifiable and material error occurred or adverse conditions beyond the owner or PHA’s control occurred, which if corrected will result in a significant improvement in the overall score of the property. A technical review of the inspection results will not be conducted based on

§5.711

conditions that were corrected subsequent to the inspection. Upon receipt of this request from the owner or PHA, the REAC will review the inspection and the evidence. If the REAC review determines that an objectively verifiable and material error (or errors) or adverse condition(s) beyond the owner's or PHA's control has been documented and that it is likely to result in a significant improvement in the property's overall score, the REAC will take one or a combination of the following actions:

- (i) Undertake a new inspection;
 - (ii) Correct the original inspection;
- or
- (iii) Issue a new physical condition score.

(3) *Burden of proof that error or adverse conditions occurred rests with owner or PHA.* The burden of proof rests with the owner or PHA to demonstrate that an objectively verifiable and material error (or errors) or adverse conditions occurred in the REAC's inspection through submission of evidence, which if corrected will result in a significant improvement in the property's overall score. The REAC will apply a rebuttable presumption that the inspection was conducted accurately. To support its request for a technical review of the physical inspection results, the owner or PHA may submit photographic evidence, written material from an objective source with subject matter expertise that pertains to the item being reviewed such as a local fire marshal, building code official, registered architect, or professional engineer, or other similar evidence.

(4) *Basis for technical review.* An objectively verifiable material error must be present, or an adjustment to the score must be necessary, to allow for a technical review of inspection results. The basis for a technical review must not be due to the fault of the owner or PHA and must exhibit specific characteristics and meet specific thresholds. The applicable types of material errors and bases for adjustment are as follows.

(i) *Building data error.* A building data error occurs if the inspector inspected the wrong building or a building that was not owned by the property, including common or site areas that were not a part of the property. Incorrect data

24 CFR Subtitle A (4-1-25 Edition)

due to the failure of an owner or PHA to ensure HUD's systems of records are updated cannot form the basis of a review. Incorrect building data that does not affect the score, such as the address and building name would not be considered material.

(ii) *Unit count error.* A unit count error occurs if the total number of units considered in scoring is incorrect due to the fault of HUD. Since scoring uses total units, REAC will examine instances where the participant can provide evidence that the total units used was incorrect and that the results were not representative of the condition of the property.

(iii) *A non-existent deficiency error.* A non-existent deficiency error occurs if the inspection records an observed deficiency that does not satisfy or does not meet a reasonable interpretation of the definition of that deficiency as defined by inspection procedures.

(iv) *Adjustments for factors not reflected or inappropriately reflected in physical condition score.* HUD may determine it is appropriate to review the results of a property's physical inspection if facts and circumstances affecting the owner's or PHA's property are not reflected in the inspection or are reflected inappropriately in the inspection. The circumstances addressed in this may include inconsistencies between local code requirements and the HUD physical inspection protocol; conditions that are permitted by local variance or license or which are pre-existing physical features that do not conform to, or are inconsistent with, HUD's physical condition protocol; or the project or PHA having been scored for elements (e.g., roads, sidewalks, mail boxes, resident-owned appliances, etc.) that it does not own and is not responsible for maintaining.

(v) *Adjustments for adverse conditions beyond the control of the owner or PHA.* HUD may determine that certain deficiencies that adversely and significantly affect the physical condition score of the project were caused by circumstances beyond the control of the owner or PHA. The correction of these conditions, however, remains the responsibility of the owner or PHA. The circumstances addressed by this paragraph may include, but are not limited

to, damage caused by third parties (such as a private entity or public entity undertaking work near a Public Housing project that results in damage to the project) or natural disasters.

(vi) *Adjustments for modernization work in progress.* HUD may determine that occupied dwelling units or other areas of a property, which are subject to physical inspection, and which are undergoing modernization work, require an adjustment to the physical condition score. An occupied dwelling unit or other areas of an owner's or PHA's property undergoing modernization are subject to physical inspection; the unit(s) and other areas of the property are not exempt from physical inspection. All elements of the unit or of the other areas of the owner or PHA's project that are subject to inspection and are not undergoing modernization at the time of the inspection (even if modernization is planned) will be subject to HUD's physical inspection protocol without adjustment. For those elements of the unit or of the property that are undergoing modernization, deficiencies will be noted in accordance with HUD's physical inspection protocol, but the owner or PHA may request adjustment of the physical condition score as a result of current modernization or rehab work in progress.

(5) *Significant improvement.* Significant improvement in the project's overall score refers to an increase in a score for the owner or PHA such that the new score crosses an administratively significant threshold.

(6) *Reinspection.* If HUD determines that a reinspection is appropriate, it will arrange for a complete reinspection of the project(s) in question, not just the deficiencies previously identified. The reinspection will constitute the final inspection for the project, and HUD will issue a new inspection report (the final inspection report).

(e) *Independent HUD review.* Under certain circumstances, HUD may find it appropriate absent an owner or PHA request for technical review to review the results of an inspection which are anomalous or have an incorrect result due to facts and circumstances affecting the inspected property which are not reflected in the inspection or re-

flected inappropriately in the inspection.

(f) *Responsibility for the cost of a new inspection.* If a new inspection is undertaken by the inspecting party and the new inspection score results in a significant improvement in the property's overall score, then the entity responsible for the inspection shall bear the expense of the new inspection. If no significant improvement occurs, then the owner or PHA responsible for the property must bear the expense of the new inspection. The inspection cost of a new inspection, if paid by the owner or PHA, is not an eligible project operating expense. The new inspection score will be considered the final score.

(g) *Issuance of final score and publication of score.* (1) The score of the property is the final score if the owner or PHA files no request for technical review, as provided in paragraph (d) of this section, or for other adjustment of the physical condition score, as provided in paragraph (e) of this section. If the owner or PHA files a request for technical review or score adjustments in accordance with paragraphs (d), or there is a HUD review under paragraph (e) of this section, the final inspection score is the score issued by HUD after any adjustments are determined necessary and made by HUD at the conclusion of these processes.

(2) HUD will make public the final scores of the properties of the owners and PHAs through posting on HUD's internet site, or other appropriate means.

(h) *Responsibility to notify residents of inspection; and availability of documents to residents—*(1) *Notification to residents.* An owner or PHA must notify its residents of any planned inspections of their units or the housing development generally.

(2) *Availability of documents for review.* (i) Once a final score has been issued the owner or PHA must make the physical inspection report and all related documents available to residents during regular business hours upon reasonable request for review and copying. Related documents include the owner's or PHA's survey plan, plan of correction, certification, and related correspondence.

§ 5.711

(ii) Once the owner's final inspection score is issued and published, the owner or PHA must make any additional information, such as the results of any reinspection or appeal requests, available for review and copying by its residents upon reasonable request during regular business hours.

(iii) The owner or PHA must maintain the documents related to the inspection of the property, as described in paragraphs (h)(2)(i) and (ii) of this section, for review by residents for a period of 60 days from the date HUD provides the inspection score for the property in which the residents reside.

(3) *Posting on the availability of materials.* The owner or PHA must post a notice to the residents in the owner's or PHA's management office and on any bulletin boards in all common areas on the date of submission to the owner of the inspection score for the property in which the resident resides that advises residents of the availability of the materials described in this section. The notice must be translated into other languages if necessary to provide meaningful access for limited English proficient (LEP) individuals. The notice should include, where applicable, the name, address, and telephone number of the HUD field office contact.

(4) Residents are encouraged to comment on this information provided by the owner or PHA and submit any comments directly to the applicable HUD field office or responsible entity. Should residents discover the owner or PHA provided HUD with a false certification during the review, they are encouraged to notify the applicable HUD field office where appropriate inquiry and action will be taken.

(i) *Administrative review of properties.* The file of a property that receives a score of 30 points or less, or two successive scores under 60, on its inspection will be subject to additional administrative review. Properties that receive two successive scores under 60 may be referred to HUD's Departmental Enforcement Center (DEC) for evaluation. Properties that receive a score of 30 points or less shall be automatically referred to the DEC for evaluation.

(1) *Notification to owner of submission of property file to the DEC.* Upon referral

24 CFR Subtitle A (4-1-25 Edition)

to the DEC, the Department will provide for notification to the PHA or owner that the file on the owner's property is being submitted to the DEC for evaluation. The notification will be provided at the time the REAC issues the inspection report to the owner or at such other time as a referral occurs.

(2) *Evaluation of the property.* During the DEC's evaluation period, the DEC will perform an analysis of the property, which may include input from tenants, HUD officials, elected officials, maintenance staff and others as may be appropriate. Although program offices will assist with the evaluation, the DEC will have primary responsibility for the conclusion of the evaluation of the property after taking into consideration the input of interested parties as described in this paragraph. The DEC's evaluation may include a site visit to the PHA's or owner's property.

(3) *Continuing responsibilities of HUD program offices and mortgagee.* During the period of DEC evaluation, HUD's program offices continue to be responsible for routine business, oversight, and monitoring. In addition, during this period of evaluation, the mortgagee, as applicable, shall continue to carry out its duties and responsibilities with respect to the mortgage.

(4) *Enforcement action.* Except as otherwise provided by statute, if, based on the DEC's evaluation and in consultation with HUD program offices, the DEC determines that enforcement actions are appropriate, it may take those actions for which the DEC has delegated authority and/or make recommendations to HUD program office with respect to resolving identified physical deficiencies and owner or PHA noncompliance.

(j) *No limitation on existing enforcement authority.* The administrative process provided in this section does not prohibit HUD from taking whatever action may be necessary (notwithstanding the commencement of this process), as authorized under existing statutes, regulations, contracts, grant agreements or other documents, to protect HUD's interests in HUD housing properties and to protect the residents of these properties.

§ 5.713 Second- and third-party rights.

Nothing in this subpart is intended to create any right of the family residing in HUD Housing or any party, other than HUD or a PHA, to require enforcement of the standards required by this subpart or to assert any claim against HUD or the PHA for damages, injunction, or other relief for alleged failure to enforce the standards.

Subpart H—Uniform Financial Reporting Standards

§ 5.801 Uniform financial reporting standards.

(a) *Applicability.* This subpart H implements uniform financial reporting standards for:

(1) Public housing agencies (PHAs) receiving assistance under sections 5, 9, or 14 of the 1937 Act (42 U.S.C. 1437c, 1437g, and 1437l) (Public Housing);

(6) Operators of projects with mortgages insured or held by HUD under section 232 of the Act (Mortgage Insurance for Nursing Homes, Intermediate Care Facilities, Board and Care Homes).

(b) *Submission of financial information.* Entities (or individuals) to which this subpart is applicable must provide to HUD such financial information as required by HUD. Such information must be provided on an annual basis, except as required more frequently under

§ 5.801

24 CFR Subtitle A (4-1-25 Edition)

paragraph (c)(4) of this section. This information must be:

(1) Prepared in accordance with Generally Accepted Accounting Principles as further defined by HUD in supplementary guidance;

(2) Submitted electronically to HUD through the internet, or in such other electronic format designated by HUD, or in such non-electronic format as HUD may allow if the burden or cost of electronic reporting is determined by HUD to be excessive; and

(3) Submitted in such form and substance as prescribed by HUD.

(4) With respect to financial reports relating to properties insured under section 232 of the Act, concurrently with submitting the information to HUD, submitted to the mortgagee in a format and manner prescribed and/or approved by HUD.

(c) *Filing of financial reports.* (1) For entities listed in paragraphs (a)(1) and (2) of this section, the financial information to be submitted to HUD in accordance with paragraph (b) of this section, must be submitted to HUD annually, no later than 60 days after the end of the fiscal year of the reporting period, and as otherwise provided by law (for public housing agencies, see also 24 CFR 903.33).

(2) For entities listed in paragraphs (a)(3) and (4) of this section, the financial information to be submitted to HUD in accordance with paragraph (b) of this section, must be submitted to HUD annually, no later than 90 days after the end of the fiscal year of the reporting period, and as otherwise provided by law.

(3) For those entities listed in paragraph (a)(5) of this section, the financial information to be submitted to HUD in accordance with paragraph (b) of this section must be submitted to HUD annually, no later than 90 days after the end of the fiscal year (or within an extended time if an extension is granted at the sole discretion of the Secretary). An extension request must be received no earlier than 45 days and no later than 15 days prior to the submission deadline.

(4) For entities listed in paragraph (a)(6) of this section, the financial information to be submitted to HUD in accordance with paragraph (b) of this

section must be submitted to HUD on a quarterly and fiscal-year-to-date basis, within 60 calendar days of the end of each quarterly reporting period deadline, except that the final fiscal-year-end quarter and fiscal-year-to-date reports must be submitted to HUD within 90 calendar days of the end of the fiscal-year-end quarter, or within such additional time as may be provided by the Commissioner for good cause shown. HUD may direct that such forms be submitted to the lender or another third party in addition to or in lieu of submission to HUD.

(i) The financial statements submitted by entities listed in paragraph (a)(6) of this section may, at the operator's option, be operator-certified rather than audited, provided, however, if the operator is also the borrower, then that entity's obligation to submit an annual audited financial statement (in addition to its obligation as an operator to submit financial information on a quarterly and year-to-date basis) remains and is not obviated.

(ii) If HUD has reason to believe that a particular operator's operator-certified statements may be unreliable (for example, indicate a likely prohibited use of project funds), or are presented in a manner that is inconsistent with Generally Accepted Accounting Principles, HUD may, on a case-by-case basis, require audited financial statements from the operator. With respect to facilities with FHA-insured or HUD-held Section 232 mortgages, HUD may request more frequent financial statements from the borrower and/or the operator on a case-by-case basis when the circumstances warrant. Nothing in this section limits HUD's ability to obtain further or more frequent information when appropriate pursuant to the applicable regulatory agreement.

(d) *Reporting compliance dates.* Entities (or individuals) that are subject to the reporting requirements in this section must commence compliance with these requirements as follows:

(1) For PHAs listed in paragraphs (a)(1) and (a)(2) of this section, the requirements of this section will begin with those PHAs with fiscal years ending September 30, 1999 and later. Unaudited financial statements will be required 60 days after the PHA's fiscal

year end, and audited financial statements will then be required no later than 9 months after the PHA's fiscal year end, in accordance with the Single Audit Act and 2 CFR part 200, subpart F. A PHA with a fiscal year ending September 30, 1999 that elects to submit its unaudited financial report earlier than the due date of November 30, 1999 must submit its report as required in this section. On or after September 30, 1998, but prior to November 30, 1999 (except for a PHA with its fiscal year ending September 30, 1999), PHAs may submit their financial reports in accordance with this section.

(2) For entities listed in paragraphs (a)(3) and (a)(4) of this section, the requirements of this section will begin with those entities with fiscal years ending December 31, 1998 and later. Entities listed in paragraphs (a)(3) and (a)(4) of this section with fiscal years ending December 31, 1998 that elect to submit their reports earlier than the due date must submit their financial reports as required in this section. On or after September 30, 1998 but prior to January 1, 1999, these entities may submit their financial reports in accordance with this section.

(3) The requirements of this section apply to the entities listed in paragraph (a)(5) of this section with fiscal years ending on or after September 30, 2002. Audited financial statements submitted by lenders with fiscal years ending before September 30, 2002, may either be submitted in paper or electronically at the lenders' option. Audited financial statements submitted by lenders with fiscal years ending on or after September 30, 2002, must be submitted electronically.

(4) Entities described in paragraph (a)(6) of this section must comply with the requirements of this section with respect to fiscal years commencing on or after the date that is 60 calendar days after the date on which HUD announces, through FEDERAL REGISTER notice, that it has issued guidance on the manner in which these reports will be transmitted to HUD.

(e) *Limitation on changing fiscal years.* To allow for a period of consistent assessment of the financial reports submitted to HUD under this subpart part, PHAs listed in paragraphs (a)(1) and

(a)(2) of this section will not be allowed to change their fiscal years for their first three full fiscal years following October 1, 1998.

(f) *Responsibility for submission of financial report.* The responsibility for submission of the financial report due to HUD under this section rests with the individuals and entities listed in paragraph (a) of this section.

Subpart I—Preventing Crime in Federally Assisted Housing—Denying Admission and Terminating Tenancy for Criminal Activity or Alcohol Abuse

SOURCE: 66 FR 28792, May 24, 2001, unless otherwise noted.

GENERAL

§5.850 Which subsidized housing is covered by this subpart?

(a) If you are the owner of federally assisted housing, your federally assisted housing is covered, except as provided in paragraph (b) or (c) of this section.

(b) If you are operating public housing, this subpart does not apply, but similar provisions applicable to public housing units are found in parts 960 and 966 of this title. If you administer tenant-based assistance under Section 8 or you are the owner of housing assisted with tenant-based assistance under Section 8, this subpart does not apply to you, but similar provisions that do apply are located in part 982 of this title.

(c) If you own or administer housing assisted by the Rural Housing Administration under section 514 or section 515 of the Housing Act of 1949, this subpart does not apply to you.

§5.851 What authority do I have to screen applicants and to evict tenants?

(a) *Screening applicants.* You are authorized to screen applicants for the

§ 5.852

programs covered by this part. The provisions of this subpart implement statutory directives that either *require* or *permit* you to take action to deny admission to applicants under certain circumstances in accordance with established standards, as described in this subpart. The provisions of this subpart do not constrain your authority to screen out applicants who you determine are unsuitable under your standards for admission.

(b) *Terminating tenancy.* You are authorized to terminate tenancy of tenants, in accordance with your leases and landlord-tenant law for the programs covered by this part. The provisions of this subpart implement statutory directives that either require or permit you to terminate tenancy under certain circumstances, as provided in 42 U.S.C. 1437f, 1437n, and 13662, in accordance with established standards, as described in this subpart. You retain authority to terminate tenancy on any basis that is otherwise authorized.

§ 5.852 What discretion do I have in screening and eviction actions?

(a) *General.* If the law and regulation permit you to take an action but do not require action to be taken, you may take or not take the action in accordance with your standards for admission and eviction. Consistent with the application of your admission and eviction standards, you may consider all of the circumstances relevant to a particular admission or eviction case, such as:

(1) The seriousness of the offending action;

(2) The effect on the community of denial or termination or the failure of the responsible entity to take such action;

(3) The extent of participation by the leaseholder in the offending action;

(4) The effect of denial of admission or termination of tenancy on household members not involved in the offending action;

(5) The demand for assisted housing by families who will adhere to lease responsibilities;

(6) The extent to which the leaseholder has shown personal responsibility and taken all reasonable steps to

24 CFR Subtitle A (4–1–25 Edition)

prevent or mitigate the offending action; and

(7) The effect of the responsible entity's action on the integrity of the program.

(b) *Exclusion of culpable household member.* You may require an applicant (or tenant) to exclude a household member in order to be admitted to the housing program (or continue to reside in the assisted unit), where that household member has participated in or been culpable for action or failure to act that warrants denial (or termination).

(c) *Consideration of rehabilitation.* (1) In determining whether to deny admission or terminate tenancy for illegal use of drugs or alcohol abuse by a household member who is no longer engaged in such behavior, you may consider whether such household member is participating in or has successfully completed a supervised drug or alcohol rehabilitation program, or has otherwise been rehabilitated successfully (42 U.S.C. 13661). For this purpose, you may require the applicant or tenant to submit evidence of the household member's current participation in, or successful completion of, a supervised drug or alcohol rehabilitation program or evidence of otherwise having been rehabilitated successfully.

(2) If rehabilitation is not an element of the eligibility determination (see § 5.854(a)(1) for the case where it must be considered), you may choose not to consider whether the person has been rehabilitated.

(d) *Length of period of mandatory prohibition on admission.* If a statute requires that you prohibit admission of persons for a prescribed period of time after some disqualifying behavior or event, you may apply that prohibition for a longer period of time.

(e) *Nondiscrimination limitation.* Your admission and eviction actions must be consistent with fair housing and equal opportunity provisions of § 5.105.

§ 5.853 Definitions.

(a) *Terms found elsewhere.* The following terms are defined in subpart A of this part: *1937 Act*, *covered person*, *drug*, *drug-related criminal activity*, *federally assisted housing*, *guest*, *household*, *HUD*, *other person under the tenant's*

control, premises, public housing, public housing agency (PHA), Section 8, violent criminal activity.

(b) *Additional terms* used in this part are as follows.

Currently engaging in. With respect to behavior such as illegal use of a drug, other drug-related criminal activity, or other criminal activity, *currently engaging in* means that the individual has engaged in the behavior recently enough to justify a reasonable belief that the individual's behavior is current.

Owner. The owner of federally assisted housing.

Responsible entity. For the Section 8 project-based voucher program (part 983 of this title) and the Section 8 moderate rehabilitation program (part 882 of this title), *responsible entity* means the PHA administering the program under an Annual Contributions Contract with HUD. For all other federally assisted housing, the responsible entity means the owner of the housing.

DENYING ADMISSIONS

§ 5.854 When must I prohibit admission of individuals who have engaged in drug-related criminal activity?

(a) You *must* prohibit admission to your federally assisted housing of an applicant for three years from the date of eviction if any household member has been evicted from federally assisted housing for drug-related criminal activity. However, you may admit the household if:

(1) The evicted household member who engaged in drug-related criminal activity has successfully completed an approved supervised drug rehabilitation program; or

(2) The circumstances leading to the eviction no longer exist (for example, the criminal household member has died or is imprisoned).

(b) You *must* establish standards that prohibit admission of a household to federally assisted housing if:

(1) You determine that any household member is currently engaging in illegal use of a drug; or

(2) You determine that you have reasonable cause to believe that a household member's illegal use or a pattern of illegal use of a drug may interfere with the health, safety, or right to peaceful enjoyment of the premises by other residents.

§ 5.855 When am I specifically authorized to prohibit admission of individuals who have engaged in criminal activity?

(a) You may prohibit admission of a household to federally assisted housing under your standards if you determine that any household member is currently engaging in, or has engaged in during a reasonable time before the admission decision:

(1) Drug-related criminal activity;

(2) Violent criminal activity;

(3) Other criminal activity that would threaten the health, safety, or right to peaceful enjoyment of the premises by other residents; or

(4) Other criminal activity that would threaten the health or safety of the PHA or owner or any employee, contractor, subcontractor or agent of the PHA or owner who is involved in the housing operations.

(b) You may establish a period before the admission decision during which an applicant must not have engaged in the activities specified in paragraph (a) of this section (*reasonable time*).

(c) If you previously denied admission to an applicant because of a determination concerning a member of the household under paragraph (a) of this section, you may reconsider the applicant if you have sufficient evidence that the members of the household are not currently engaged in, and have not engaged in, such criminal activity during a reasonable period, determined by you, before the admission decision.

(1) You would have *sufficient evidence* if the household member submitted a certification that she or he is not currently engaged in and has not engaged in such criminal activity during the specified period and provided supporting information from such sources as a probation officer, a landlord, neighbors, social service agency workers and criminal records, which you verified. (See subpart J of this part for

§ 5.856

one method of checking criminal records.)

(2) For purposes of this section, a household member is *currently engaged in* the criminal activity if the person has engaged in the behavior recently enough to justify a reasonable belief that the behavior is current.

§ 5.856 When must I prohibit admission of sex offenders?

You must establish standards that prohibit admission to federally assisted housing if any member of the household is subject to a lifetime registration requirement under a State sex offender registration program. In the screening of applicants, you must perform necessary criminal history background checks in the State where the housing is located and in other States where the household members are known to have resided. (See § 5.905.)

§ 5.857 When must I prohibit admission of alcohol abusers?

You must establish standards that prohibit admission to federally assisted housing if you determine you have reasonable cause to believe that a household member's abuse or pattern of abuse of alcohol interferes with the health, safety, or right to peaceful enjoyment of the premises by other residents.

TERMINATING TENANCY

§ 5.858 What authority do I have to evict drug criminals?

The lease must provide that drug-related criminal activity engaged in on or near the premises by any tenant, household member, or guest, and any such activity engaged in on the premises by any other person under the tenant's control, is grounds for you to terminate tenancy. In addition, the lease must allow you to evict a family when you determine that a household member is illegally using a drug or when you determine that a pattern of illegal use of a drug interferes with the health, safety, or right to peaceful enjoyment of the premises by other residents.

24 CFR Subtitle A (4-1-25 Edition)

§ 5.859 When am I specifically authorized to evict other criminals?

(a) *Threat to other residents.* The lease *must* provide that the owner may terminate tenancy for any of the following types of criminal activity by a covered person:

(1) Any criminal activity that threatens the health, safety, or right to peaceful enjoyment of the premises by other residents (including property management staff residing on the premises); or

(2) Any criminal activity that threatens the health, safety, or right to peaceful enjoyment of their residences by persons residing in the immediate vicinity of the premises.

(b) *Fugitive felon or parole violator.* The lease *must* provide that you may terminate the tenancy during the term of the lease if a tenant is:

(1) Fleeing to avoid prosecution, or custody or confinement after conviction, for a crime, or attempt to commit a crime, that is a felony under the laws of the place from which the individual flees, or that, in the case of the State of New Jersey, is a high misdemeanor; or

(2) Violating a condition of probation or parole imposed under Federal or State law.

§ 5.860 When am I specifically authorized to evict alcohol abusers?

The lease must provide that you may terminate the tenancy if you determine that a household member's abuse or pattern of abuse of alcohol threatens the health, safety, or right to peaceful enjoyment of the premises by other residents.

§ 5.861 What evidence of criminal activity must I have to evict?

You may terminate tenancy and evict the tenant through judicial action for criminal activity by a covered person in accordance with this subpart if you determine that the covered person has engaged in the criminal activity, regardless of whether the covered person has been arrested or convicted for such activity and without satisfying a criminal conviction standard of proof of the activity.

Subpart J—Access to Criminal Records and Information

SOURCE: 66 FR 28794, May 24, 2001, unless otherwise noted.

§ 5.901 To what criminal records and searches does this subpart apply?

(a) *General criminal records searches.* This subpart applies to criminal conviction background checks by PHAs that administer the Section 8 and public housing programs when they obtain criminal conviction records, under the authority of section 6(q) of the 1937 Act (42 U.S.C. 1437d(q)), from a law enforcement agency to prevent admission of criminals to public housing and Section 8 housing and to assist in lease enforcement and eviction.

(b) *Sex offender registration records searches.* This subpart applies to PHAs that administer the Section 8 and public housing programs when they obtain sex offender registration information from State and local agencies, under the authority of 42 U.S.C. 13663, to prevent admission of dangerous sex offenders to federally assisted housing.

(c) *Excluded records searches.* The provisions of this subpart do not apply to criminal conviction information or sex offender information searches by a PHA or others of information from law enforcement agencies or other sources other than as provided under this subpart.

§ 5.902 Definitions.

(a) *Terms found elsewhere.* The following terms used in this subpart are defined in subpart A of this part: *1937 Act*, *drug*, *federally assisted housing*, *household*, *HUD*, *public housing*, *public housing agency (PHA)*, *Section 8*.

(b) *Additional terms* used in this subpart are as follows:

Adult. A person who is 18 years of age or older, or who has been convicted of a crime as an adult under any Federal, State, or tribal law.

Covered housing. Public housing, project-based assistance under section 8 (including new construction and substantial rehabilitation projects), and tenant-based assistance under section 8.

Law enforcement agency. The National Crime Information Center (NCIC), po-

lice departments and other law enforcement agencies that hold criminal conviction records.

Owner. The owner of federally assisted housing.

Responsible entity. For the public housing program, the Section 8 tenant-based assistance program (part 982 of this title), the Section 8 project-based voucher program (part 983 of this title), and the Section 8 moderate rehabilitation program (part 882 of this title), *responsible entity* means the PHA administering the program under an Annual Contributions Contract with HUD. For all other Section 8 programs, *responsible entity* means the Section 8 owner.

[66 FR 28794, May 24, 2001, as amended at 89 FR 38290, May 7, 2024]

§ 5.903 What special authority is there to obtain access to criminal records?

(a) *Authority.* If you are a PHA that administers the Section 8 program and/or the public housing program, this section authorizes you to obtain criminal conviction records from a law enforcement agency, as defined in § 5.902. You may use the criminal conviction records that you obtain from a law enforcement agency under the authority of this section to screen applicants for admission to covered housing programs and for lease enforcement or eviction of families residing in public housing or receiving Section 8 project-based assistance.

(b) *Consent for release of criminal conviction records.* (1) In order to obtain access to records under this section, as a responsible entity you must require every applicant family to submit a consent form signed by each adult household member.

(2) By execution of the consent form, an adult household member consents that:

(i) Any law enforcement agency may release criminal conviction records concerning the household member to a PHA in accordance with this section;

(ii) The PHA may receive the criminal conviction records from a law enforcement agency, and may use the records in accordance with this section.

(c) *Procedure for PHA.* (1) When the law enforcement agency receives your

§ 5.903

24 CFR Subtitle A (4-1-25 Edition)

request, the law enforcement agency must promptly release to you a certified copy of any criminal conviction records concerning the household member in the possession or control of the law enforcement agency. NCIC records must be provided in accordance with NCIC procedures.

(2) The law enforcement agency may charge you a reasonable fee for releasing criminal conviction records.

(d) *Owner access to criminal records—*
(1) *General.* (i) If an owner submits a request to the PHA for criminal records concerning an adult member of an applicant or resident household, in accordance with the provisions of paragraph (d) of this section, the PHA must request the criminal conviction records from the appropriate law enforcement agency or agencies, as determined by the PHA.

(ii) If the PHA receives criminal conviction records requested by an owner, the PHA must determine whether criminal action by a household member, as shown by such criminal conviction records, may be a basis for applicant screening, lease enforcement or eviction, as applicable in accordance with HUD regulations and the owner criteria.

(iii) The PHA must notify the owner whether the PHA has received criminal conviction records concerning the household member, and of its determination whether such criminal conviction records may be a basis for applicant screening, lease enforcement or eviction. However, except as provided in paragraph (e)(2)(ii) of this section, the PHA must not disclose the household member's criminal conviction record or the content of that record to the owner.

(2) *Screening.* If you are an owner of covered housing, you may request that the PHA in the jurisdiction of the property obtain criminal conviction records of an adult household member from a law enforcement agency on your behalf for the purpose of screening applicants.

(i) Your request must include a copy of the consent form, signed by the household member.

(ii) Your request must include your standards for prohibiting admission of drug criminals in accordance with § 5.854, and for prohibiting admission of

other criminals in accordance with § 5.855.

(3) *Eviction or lease enforcement.* If you are an owner of a unit with Section 8 project-based assistance, you may request that the PHA in the location of the project obtain criminal conviction records of a household member from an appropriate law enforcement agency on your behalf in connection with lease enforcement or eviction.

(i) Your request must include a copy of the consent form, signed by the household member.

(ii) If you intend to use the PHA determination regarding any such criminal conviction records in connection with eviction, your request must include your standards for evicting drug criminals in accordance with § 5.857, and for evicting other criminals in accordance with § 5.858.

(iii) If you intend to use the PHA determination regarding any such criminal conviction records for lease enforcement other than eviction, your request must include your standards for lease enforcement because of criminal activity by members of a household.

(4) *Fees.* If an owner requests a PHA to obtain criminal conviction records in accordance with this section, the PHA may charge the owner reasonable fees for making the request on behalf of the owner and for taking other actions for the owner. The PHA may require the owner to reimburse costs incurred by the PHA, including reimbursement of any fees charged to the PHA by the law enforcement agency, the PHA's own related staff and administrative costs. The owner may not pass along to the applicant or tenant the costs of a criminal records check.

(e) *Permitted use and disclosure of criminal conviction records received by PHA—*(1) *Use of records.* Criminal conviction records received by a PHA from a law enforcement agency in accordance with this section may only be used for the following purposes:

(i) *Applicant screening.* (A) PHA screening of applicants for admission to public housing (part 960 of this title);

(B) PHA screening of applicants for admission to the Housing Choice Voucher Program (section 8 tenant-based assistance) (part 982 of this title);

(C) PHA screening of applicants for admission to the Section 8 moderate rehabilitation program (part 882 of this title); or the Section 8 project-based voucher program (part 983 of this title); or

(D) PHA screening concerning criminal conviction of applicants for admission to Section 8 project-based assistance, at the request of the owner. (For requirements governing use of criminal conviction records obtained by a PHA at the request of a Section 8 owner under this section, see paragraph (d) of this section.)

(ii) *Lease enforcement and eviction.* (A) PHA enforcement of public housing leases and PHA eviction of public housing residents;

(B) Enforcement of leases by a Section 8 project owner and eviction of residents by a Section 8 project owner. (However, criminal conviction records received by a PHA from a law enforcement agency under this section may not be used for lease enforcement or eviction of residents receiving Section 8 tenant-based assistance.)

(2) *PHA disclosure of records.* (i) A PHA may disclose the criminal conviction records which the PHA receives from a law enforcement agency only as follows:

(A) To officers or employees of the PHA, or to authorized representatives of the PHA who have a job-related need to have access to the information. For example, if the PHA is seeking to evict a public housing tenant on the basis of criminal activity as shown in criminal conviction records provided by a law enforcement agency, the records may be disclosed to PHA employees performing functions related to the eviction, or to a PHA hearing officer conducting an administrative grievance hearing concerning the proposed eviction.

(B) To the owner for use in connection with judicial eviction proceedings by the owner to the extent necessary in connection with a judicial eviction proceeding. For example, criminal conviction records may be included in pleadings or other papers filed in an eviction action, may be disclosed to parties to the action or the court, and may be filed in court or offered as evidence.

(ii) This disclosure may be made only if the following conditions are satisfied:

(A) If the PHA has determined that criminal activity by the household member as shown by such records received from a law enforcement agency may be a basis for eviction from a Section 8 unit; and

(B) If the owner certifies in writing that it will use the criminal conviction records only for the purpose and only to the extent necessary to seek eviction in a judicial proceeding of a Section 8 tenant based on the criminal activity by the household member that is described in the criminal conviction records.

(iii) The PHA may rely on an owner's certification that the criminal record is necessary to proceed with a judicial eviction to evict the tenant based on criminal activity of the identified household member, as shown in the criminal conviction record.

(iv) Upon disclosure as necessary in connection with judicial eviction proceedings, the PHA is not responsible for controlling access to or knowledge of such records after such disclosure.

(f) *Opportunity to dispute.* If a PHA obtains criminal record information from a State or local agency under this section showing that a household member has been convicted of a crime relevant to applicant screening, lease enforcement or eviction, the PHA must notify the household of the proposed action to be based on the information and must provide the subject of the record and the applicant or tenant a copy of such information, and an opportunity to dispute the accuracy and relevance of the information. This opportunity must be provided before a denial of admission, eviction or lease enforcement action on the basis of such information.

(g) *Records management.* Consistent with the limitations on disclosure of records in paragraph (e) of this section, the PHA must establish and implement a system of records management that ensures that any criminal record received by the PHA from a law enforcement agency is:

- (1) Maintained confidentially;
- (2) Not misused or improperly disseminated; and

§ 5.905

(3) Destroyed, once the purpose(s) for which the record was requested has been accomplished, including expiration of the period for filing a challenge to the PHA action without institution of a challenge or final disposition of any such litigation.

(h) *Penalties for improper release of information*—(1) *Criminal penalty*. Conviction for a misdemeanor and imposition of a penalty of not more than \$5,000 is the potential for:

(i) Any person, including an officer, employee, or authorized representative of any PHA or of any project owner, who knowingly and willfully requests or obtains any information concerning an applicant for, or tenant of, covered housing assistance under the authority of this section under false pretenses; or

(ii) Any person, including an officer, employee, or authorized representative of any PHA or a project owner, who knowingly and willfully discloses any such information in any manner to any individual not entitled under any law to receive the information.

(2) *Civil liability*. (i) A PHA may be held liable to any applicant for, or tenant of, covered housing assistance affected by either of the following:

(A) A negligent or knowing disclosure of criminal records information obtained under the authority of this section about such person by an officer, employee, or authorized representative of the PHA if the disclosure is not authorized by this section; or

(B) Any other negligent or knowing action that is inconsistent with this section.

(ii) An applicant for, or tenant of, covered housing assistance may seek relief against a PHA in these circumstances by bringing a civil action for damages and such other relief as may be appropriate against the PHA responsible for such unauthorized action. The United States district court in which the affected applicant or tenant resides, in which the unauthorized action occurred, or in which the officer, employee, or representative alleged to be responsible resides, has jurisdiction. Appropriate relief may include reasonable attorney's fees and other litigation costs.

24 CFR Subtitle A (4–1–25 Edition)

§ 5.905 What special authority is there to obtain access to sex offender registration information?

(a) *PHA obligation to obtain sex offender registration information*. (1) A PHA that administers a Section 8 or public housing program under an Annual Contributions Contract with HUD must carry out background checks necessary to determine whether a member of a household applying for admission to any federally assisted housing program is subject to a lifetime sex offender registration requirement under a State sex offender registration program. This check must be carried out with respect to the State in which the housing is located and with respect to States where members of the applicant household are known to have resided.

(2) If the PHA requests such information from any State or local agency responsible for the collection or maintenance of such information, the State or local agency must promptly provide the PHA such information in its possession or control.

(3) The State or local agency may charge a reasonable fee for providing the information.

(b) *Owner's request for sex offender registration information*—(1) *General*. An owner of federally assisted housing that is located in the jurisdiction of a PHA that administers a Section 8 or public housing program under an Annual Contributions Contract with HUD may request that the PHA obtain information necessary to determine whether a household member is subject to a lifetime registration requirement under a State sex offender registration requirement.

(2) *Procedure*. If the request is made in accordance with the provisions of paragraph (b) of this section:

(i) The PHA must request the information from a State or local agency;

(ii) The State or local agency must promptly provide the PHA such information in its possession or control;

(iii) The PHA must determine whether such information may be a basis for applicant screening, lease enforcement or eviction, based on the criteria used by the owner as specified in the owner's request, and inform the owner of the determination.

(iv) The PHA must notify the owner of its determination whether sex offender registration information received by the PHA under this section concerning a household member may be a basis for applicant screening, lease enforcement or eviction in accordance with HUD requirements and the criteria used by the owner.

(3) *Contents of request.* As the owner, your request must specify whether you are asking the PHA to obtain the sex offender registration information concerning the household member for applicant screening, for lease enforcement, or for eviction and include the following information:

(i) Addresses or other information about where members of the household are known to have lived.

(ii) If you intend to use the PHA determination regarding any such sex offender registration information for applicant screening, your request must include your standards in accordance with § 5.855(c) for prohibiting admission of persons subject to a lifetime sex offender registration requirement.

(iii) If you intend to use the PHA determination regarding any such sex offender registration information for eviction, your request must include your standards for evicting persons subject to a lifetime registration requirement in accordance with § 5.858.

(iv) If you intend to use the PHA determination regarding any such sex offender registration information for lease enforcement other than eviction, your request must include your standards for lease enforcement because of criminal activity by members of a household.

(4) *PHA disclosure of records.* The PHA must not disclose to the owner any sex offender registration information obtained by the PHA under this section.

(5) *Fees.* If an owner asks a PHA to obtain sex offender registration information concerning a household member in accordance with this section, the PHA may charge the owner reasonable fees for making the request on behalf of the owner and for taking other actions for the owner. The PHA may require the owner to reimburse costs incurred by the PHA, including reimbursement of any fees charged to the PHA by a State or local agency for re-

leasing the information, the PHA's own related staff and administrative costs. The owner may not pass along to the applicant or tenant the costs of a sex offender registration records check.

(c) *Records management.* (1) The PHA must establish and implement a system of records management that ensures that any sex offender registration information record received by the PHA from a State or local agency under this section is:

(i) Maintained confidentially;

(ii) Not misused or improperly disseminated; and

(iii) Destroyed, once the purpose for which the record was requested has been accomplished, including expiration of the period for filing a challenge to the PHA action without institution of a challenge or final disposition of any such litigation.

(2) The records management requirements do not apply to information that is public information, or is obtained by a PHA other than under this section.

(d) *Opportunity to dispute.* If a PHA obtains sex offender registration information from a State or local agency under paragraph (a) of this section showing that a household member is subject to a lifetime sex offender registration requirement, the PHA must notify the household of the proposed action to be based on the information and must provide the subject of the record, and the applicant or tenant, with a copy of such information, and an opportunity to dispute the accuracy and relevance of the information. This opportunity must be provided before a denial of admission, eviction or lease enforcement action on the basis of such information.

This subpart applies to all applicants for HUD grants, cooperative agreements, capital fund or operating fund subsidy, capital advance, or other assistance under HUD programs, including grant programs that are classified

§ 5.1003

by OMB as including formula grant programs or activities, but excluding FHA insurance and loan guarantees that are not associated with a grant program or grant award.

§ 5.1003 Use of a universal identifier for organizations applying for HUD grants.

(a) Every application for a new or renewal of a grant, cooperative agreement, capital fund or operating fund subsidy, capital advance, or other assistance, including an application or plan under a grant program that is classified by OMB as including formula grant programs, must include a unique entity identifier number for the applicant.

(b)(1) Applicants or groups of applicants under a consortium arrangement must have a unique entity identifier for the organization that is submitting the application for federal assistance as the lead applicant on behalf of the other applicants. If each organization is submitting a separate application as part of a group of applications, then each organization must include its unique entity identifier with its application submission.

(2) If an organization is submitting an application as a sponsor or on behalf of other applicants, and the other entities will be receiving funds directly from HUD, then the applicant or sponsor must submit an application for funding that includes the unique entity identifier of each applicant that would receive funds directly from HUD.

(3) If an organization is managing funds for a group of organizations, a unique entity identifier must be submitted for the managing organization, if it is drawing down funds directly from HUD.

(4) If an organization is drawing down funds directly from HUD and subsequently turning the funds over to a management organization, then the management organization must obtain a unique entity identifier and submit the number to HUD.

(c) Individuals who would personally receive a grant or other assistance from HUD, independent from any business or nonprofit organization with which they may operate or participate, are exempt from this requirement.

(e) Unless an exemption is granted by OMB, HUD will not consider an application as complete until a valid unique entity identifier is provided by the applicant. For classes of grants and grantees subject to this part, exceptions to this rule must be submitted to OMB for approval in accordance with procedures prescribed by the Department.

Subpart L—Protection for Victims of Domestic Violence, Dating Violence, Sexual Assault, or Stalking

SOURCE: 81 FR 80798, Nov. 16, 2016, unless otherwise noted.

§ 5.2001 Applicability.

(a) This subpart addresses the protections for victims of domestic violence, dating violence, sexual assault, or stalking who are applying for, or are the beneficiaries of, assistance under a HUD program covered by the Violence Against Women Act (VAWA), as amended (42 U.S.C. 13925 and 42 U.S.C. 14043e *et seq.*) (“covered housing program,” as defined in § 5.2003). Notwithstanding the title of the statute, protections are not limited to women but cover victims of domestic violence, dating violence, sexual assault, and stalking, regardless of sex, gender identity, or sexual orientation. Consistent with the nondiscrimination and equal opportunity requirements at 24 CFR 5.105(a), victims cannot be discriminated against on the basis of any protected characteristic, including race, color, national origin, religion, sex, familial status, disability, or age. HUD programs must also be operated consistently with HUD’s Equal Access Rule at § 5.105(a)(2), which requires that HUD-assisted and HUD-insured housing are made available to all otherwise eligible individuals and families regardless of actual or perceived sexual orientation, gender identity, or marital status.

(b)(1) The applicable assistance provided under a covered housing program generally consists of two types of assistance (one or both may be provided): Tenant-based rental assistance, which is rental assistance that is provided to the tenant; and project-based assistance, which is assistance that attaches to the unit in which the tenant resides. For project-based assistance, the assistance may consist of such assistance as operating assistance, development assistance, and mortgage interest rate subsidy.

(2) The regulations in this subpart are supplemented by the specific regulations for the HUD-covered housing

programs listed in § 5.2003. The program-specific regulations address how certain VAWA requirements are to be implemented and whether they can be implemented (for example, reasonable time to establish eligibility for assistance as provided in § 5.2009(b)) for the applicable covered housing program, given the statutory and regulatory framework for the program. When there is conflict between the regulations of this subpart and the program-specific regulations, the program-specific regulations govern. Where assistance is provided under more than one covered housing program and there is a conflict between VAWA protections or remedies under those programs, the individual seeking the VAWA protections or remedies may choose to use the protections or remedies under any or all of those programs, as long as the protections or remedies would be feasible and permissible under each of the program statutes.

§ 5.2003 Definitions.

The definitions of *PHA*, *HUD*, *household*, and *other person under the tenant’s control* are defined in subpart A of this part. As used in this subpart L:

Actual and imminent threat refers to a physical danger that is real, would occur within an immediate time frame, and could result in death or serious bodily harm. In determining whether an individual would pose an actual and imminent threat, the factors to be considered include: The duration of the risk, the nature and severity of the potential harm, the likelihood that the potential harm will occur, and the length of time before the potential harm would occur.

Affiliated individual, with respect to an individual, means:

(1) A spouse, parent, brother, sister, or child of that individual, or a person to whom that individual stands in the place of a parent or guardian (for example, the affiliated individual is a person in the care, custody, or control of that individual); or

(2) Any individual, tenant, or lawful occupant living in the household of that individual.

Bifurcate means to divide a lease as a matter of law, subject to the permissibility of such process under the requirements of the applicable HUD-covered program and State or local law, such that certain tenants or lawful occupants can be evicted or removed and the remaining tenants or lawful occupants can continue to reside in the unit under the same lease requirements or as may be revised depending upon the eligibility for continued occupancy of the remaining tenants and lawful occupants.

Covered housing program consists of the following HUD programs:

(1) Section 202 Supportive Housing for the Elderly (12 U.S.C. 1701q), with implementing regulations at 24 CFR part 891.

(2) Section 811 Supportive Housing for Persons with Disabilities (42 U.S.C. 8013), with implementing regulations at 24 CFR part 891.

(3) Housing Opportunities for Persons With AIDS (HOPWA) program (42 U.S.C. 12901 *et seq.*), with implementing regulations at 24 CFR part 574.

(4) HOME Investment Partnerships (HOME) program (42 U.S.C. 12741 *et seq.*), with implementing regulations at 24 CFR part 92.

(5) Homeless programs under title IV of the McKinney-Vento Homeless Assistance Act (42 U.S.C. 11360 *et seq.*), including the Emergency Solutions Grants program (with implementing regulations at 24 CFR part 576), the Continuum of Care program (with implementing regulations at 24 CFR part 578), and the Rural Housing Stability Assistance program (with regulations forthcoming).

(6) Multifamily rental housing under section 221(d)(3) of the National Housing Act (12 U.S.C. 17151(d)) with a below-market interest rate (BMIR) pursuant to section 221(d)(5), with implementing regulations at 24 CFR part 221.

(7) Multifamily rental housing under section 236 of the National Housing Act (12 U.S.C. 1715z–1), with implementing regulations at 24 CFR part 236.

(8) HUD programs assisted under the United States Housing Act of 1937 (42 U.S.C. 1437 *et seq.*); specifically, public housing under section 6 of the 1937 Act (42 U.S.C. 1437d) (with regulations at 24

CFR Chapter IX), tenant-based and project-based rental assistance under section 8 of the 1937 Act (42 U.S.C. 1437f) (with regulations at 24 CFR chapters VIII and IX), and the Section 8 Moderate Rehabilitation Single Room Occupancy (with implementing regulations at 24 CFR part 882, subpart H).

(9) The Housing Trust Fund (12 U.S.C. 4568) (with implementing regulations at 24 CFR part 93).

Covered housing provider refers to the individual or entity under a covered housing program that has responsibility for the administration and/or oversight of VAWA protections and includes PHAs, sponsors, owners, mortgagors, managers, State and local governments or agencies thereof, nonprofit or for-profit organizations or entities. The program-specific regulations for the covered housing programs identify the individual or entity that carries out the duties and responsibilities of the covered housing provider as set forth in part 5, subpart L. For any of the covered housing programs, it is possible that there may be more than one covered housing provider; that is, depending upon the VAWA duty or responsibility to be performed by a covered housing provider, the covered housing provider may not always be the same individual or entity.

Dating violence means violence committed by a person:

(1) Who is or has been in a social relationship of a romantic or intimate nature with the victim; and

(2) Where the existence of such a relationship shall be determined based on a consideration of the following factors:

(i) The length of the relationship;

(ii) The type of relationship; and

(iii) The frequency of interaction between the persons involved in the relationship.

Domestic violence includes felony or misdemeanor crimes of violence committed by a current or former spouse or intimate partner of the victim, by a person with whom the victim shares a child in common, by a person who is cohabitating with or has cohabitated with the victim as a spouse or intimate partner, by a person similarly situated to a spouse of the victim under the domestic or family violence laws of the

jurisdiction receiving grant monies, or by any other person against an adult or youth victim who is protected from that person's acts under the domestic or family violence laws of the jurisdiction. The term "spouse or intimate partner of the victim" includes a person who is or has been in a social relationship of a romantic or intimate nature with the victim, as determined by the length of the relationship, the type of the relationship, and the frequency of interaction between the persons involved in the relationship.

Sexual assault means any nonconsensual sexual act proscribed by Federal, tribal, or State law, including when the victim lacks capacity to consent.

Stalking means engaging in a course of conduct directed at a specific person that would cause a reasonable person to:

- (1) Fear for the person's individual safety or the safety of others; or
- (2) Suffer substantial emotional distress.

VAWA means the Violence Against Women Act of 1994, as amended (42 U.S.C. 13925 and 42 U.S.C. 14043e *et seq.*).

§ 5.2005 VAWA protections.

(a) *Notification of occupancy rights under VAWA, and certification form.* (1) A covered housing provider must provide to each of its applicants and to each of its tenants the notice of occupancy rights and the certification form as described in this section:

(i) A "Notice of Occupancy Rights under the Violence Against Women Act," as prescribed and in accordance with directions provided by HUD, that explains the VAWA protections under this subpart, including the right to confidentiality, and any limitations on those protections; and

(ii) A certification form, in a form approved by HUD, to be completed by the victim to document an incident of domestic violence, dating violence, sexual assault or stalking, and that:

(A) States that the applicant or tenant is a victim of domestic violence, dating violence, sexual assault, or stalking;

(B) States that the incident of domestic violence, dating violence, sexual assault, or stalking that is the

ground for protection under this subpart meets the applicable definition for such incident under § 5.2003; and

(C) Includes the name of the individual who committed the domestic violence, dating violence, sexual assault, or stalking, if the name is known and safe to provide.

(2) The notice required by paragraph (a)(1)(i) of this section and certification form required by paragraph (a)(1)(ii) of this section must be provided to an applicant or tenant no later than at each of the following times:

(i) At the time the applicant is denied assistance or admission under a covered housing program;

(ii) At the time the individual is provided assistance or admission under the covered housing program;

(iii) With any notification of eviction or notification of termination of assistance; and

(iv) During the 12-month period following *December 16, 2016*, either during the annual recertification or lease renewal process, whichever is applicable, or, if there will be no recertification or lease renewal for a tenant during the first year after the rule takes effect, through other means.

(3) The notice required by paragraph (a)(1)(i) of this section and the certification form required by paragraph (a)(1)(ii) of this section must be made available in multiple languages, consistent with guidance issued by HUD in accordance with Executive Order 13166 (Improving Access to Services for Persons with Limited English Proficiency, signed August 11, 2000, and published in the FEDERAL REGISTER on August 16, 2000 (at 65 FR 50121)).

(4) For the Housing Choice Voucher program under 24 CFR part 982, the project-based voucher program under 24 CFR part 983, the public housing admission and occupancy requirements under 24 CFR part 960, and renewed funding or leases of the Section 8 project-based program under 24 CFR parts 880, 882, 883, 884, 886, as well as project-based section 8 provided in connection with housing under part 891,

§ 5.2005

24 CFR Subtitle A (4-1-25 Edition)

the HUD-required lease, lease addendum, or tenancy addendum, as applicable, must include a description of specific protections afforded to the victims of domestic violence, dating violence, sexual assault, or stalking, as provided in this subpart.

(b) *Prohibited basis for denial or termination of assistance or eviction*—(1) *General*. An applicant for assistance or tenancy assisted under a covered housing program may not be denied admission to, denied assistance under, terminated from participation in, or evicted from the housing on the basis or as a direct result of the fact that the applicant or tenant is or has been a victim of domestic violence, dating violence, sexual assault, or stalking, if the applicant or tenant otherwise qualifies for admission, assistance, participation, or occupancy.

(2) *Termination on the basis of criminal activity*. A tenant in a covered housing program may not be denied tenancy or occupancy rights solely on the basis of criminal activity directly relating to domestic violence, dating violence, sexual assault, or stalking if:

(i) The criminal activity is engaged in by a member of the household of the tenant or any guest or other person under the control of the tenant, and

(ii) The tenant or an affiliated individual of the tenant is the victim or threatened victim of such domestic violence, dating violence, sexual assault or stalking.

(c) *Construction of lease terms and terms of assistance*. An incident of actual or threatened domestic violence, dating violence, sexual assault, or stalking shall not be construed as:

(1) A serious or repeated violation of a lease executed under a covered housing program by the victim or threatened victim of such incident; or

(2) Good cause for terminating the assistance, tenancy, or occupancy rights under a covered housing program of the victim or threatened victim of such incident.

(d) *Limitations of VAWA protections*. (1) Nothing in this section limits the authority of a covered housing provider, when notified of a court order, to comply with a court order with respect to:

(i) The rights of access or control of property, including civil protection orders issued to protect a victim of domestic violence, dating violence, sexual assault, or stalking; or

(ii) The distribution or possession of property among members of a household.

(2) Nothing in this section limits any available authority of a covered housing provider to evict or terminate assistance to a tenant for any violation not premised on an act of domestic violence, dating violence, sexual assault, or stalking that is in question against the tenant or an affiliated individual of the tenant. However, the covered housing provider must not subject the tenant, who is or has been a victim of domestic violence, dating violence, sexual assault, or stalking, or is affiliated with an individual who is or has been a victim of domestic violence, dating violence, sexual assault or stalking, to a more demanding standard than other tenants in determining whether to evict or terminate assistance.

(3) Nothing in this section limits the authority of a covered housing provider to terminate assistance to or evict a tenant under a covered housing program if the covered housing provider can demonstrate an actual and imminent threat to other tenants or those employed at or providing service to property of the covered housing provider would be present if that tenant or lawful occupant is not evicted or terminated from assistance. In this context, words, gestures, actions, or other indicators will be considered an “actual and imminent threat” if they meet the standards provided in the definition of “actual and imminent threat” in § 5.2003.

(4) Any eviction or termination of assistance, as provided in paragraph (d)(3) of this section should be utilized by a covered housing provider only when there are no other actions that could be taken to reduce or eliminate the threat, including, but not limited to, transferring the victim to a different unit, barring the perpetrator from the property, contacting law enforcement to increase police presence or develop other plans to keep the property safe, or seeking other legal remedies to prevent the perpetrator

from acting on a threat. Restrictions predicated on public safety cannot be based on stereotypes, but must be tailored to particularized concerns about individual residents.

(e) *Emergency transfer plan.* Each covered housing provider, as identified in the program-specific regulations for the covered housing program, shall adopt an emergency transfer plan, no later than June 14, 2017 based on HUD's model emergency transfer plan, in accordance with the following:

(1) For purposes of this section, the following definitions apply:

(i) *Internal emergency transfer* refers to an emergency relocation of a tenant to another unit where the tenant would not be categorized as a new applicant; that is, the tenant may reside in the new unit without having to undergo an application process.

(ii) *External emergency transfer* refers to an emergency relocation of a tenant to another unit where the tenant would be categorized as a new applicant; that is the tenant must undergo an application process in order to reside in the new unit.

(iii) *Safe unit* refers to a unit that the victim of domestic violence, dating violence, sexual assault, or stalking believes is safe.

(2) The emergency transfer plan must provide that a tenant receiving rental assistance through, or residing in a unit subsidized under, a covered housing program who is a victim of domestic violence, dating violence, sexual assault, or stalking qualifies for an emergency transfer if:

(i) The tenant expressly requests the transfer; and

(ii)(A) The tenant reasonably believes there is a threat of imminent harm from further violence if the tenant remains within the same dwelling unit that the tenant is currently occupying; or

(B) In the case of a tenant who is a victim of sexual assault, either the tenant reasonably believes there is a threat of imminent harm from further violence if the tenant remains within the same dwelling unit that the tenant is currently occupying, or the sexual assault occurred on the premises during the 90-calendar-day period pre-

ceding the date of the request for transfer.

(3) The emergency transfer plan must detail the measure of any priority given to tenants who qualify for an emergency transfer under VAWA in relation to other categories of tenants seeking transfers and individuals seeking placement on waiting lists.

(4) The emergency transfer plan must incorporate strict confidentiality measures to ensure that the covered housing provider does not disclose the location of the dwelling unit of the tenant to a person who committed or threatened to commit an act of domestic violence, dating violence, sexual assault, or stalking against the tenant.

(5) The emergency transfer plan must allow a tenant to make an internal emergency transfer under VAWA when a safe unit is immediately available.

(6) The emergency transfer plan must describe policies for assisting a tenant in making an internal emergency transfer under VAWA when a safe unit is not immediately available, and these policies must ensure that requests for internal emergency transfers under VAWA receive, at a minimum, any applicable additional priority that housing providers may already provide to other types of emergency transfer requests.

(7) The emergency transfer plan must describe reasonable efforts the covered housing provider will take to assist a tenant who wishes to make an external emergency transfer when a safe unit is not immediately available. The plan must include policies for assisting a tenant who is seeking an external emergency transfer under VAWA out of the covered housing provider's program or project, and a tenant who is seeking an external emergency transfer under VAWA into the covered housing provider's program or project. These policies may include:

(i) Arrangements, including memoranda of understanding, with other covered housing providers to facilitate moves; and

(ii) Outreach activities to organizations that assist or provide resources to victims of domestic violence, dating violence, sexual assault, or stalking.

(8) Nothing may preclude a tenant from seeking an internal emergency

§ 5.2007

transfer and an external emergency transfer concurrently if a safe unit is not immediately available.

(9) Where applicable, the emergency transfer plan must describe policies for a tenant who has tenant-based rental assistance and who meets the requirements of paragraph (e)(2) of this section to move quickly with that assistance.

(10) The emergency transfer plan may require documentation from a tenant seeking an emergency transfer, provided that:

(i) The tenant's submission of a written request to the covered housing provider, where the tenant certifies that they meet the criteria in paragraph (e)(2)(ii) of this section, shall be sufficient documentation of the requirements in paragraph (e)(2) of this section;

(ii) The covered housing provider may, at its discretion, ask an individual seeking an emergency transfer to document the occurrence of domestic violence, dating violence, sexual assault, or stalking, in accordance with § 5.2007, for which the individual is seeking the emergency transfer, if the individual has not already provided documentation of that occurrence; and

(iii) No other documentation is required to qualify the tenant for an emergency transfer.

(11) The covered housing provider must make its emergency transfer plan available upon request and, when feasible, must make its plan publicly available.

(12) The covered housing provider must keep a record of all emergency transfers requested under its emergency transfer plan, and the outcomes of such requests, and retain these records for a period of three years, or for a period of time as specified in program regulations. Requests and outcomes of such requests must be reported to HUD annually.

(13) Nothing in this paragraph (e) may be construed to supersede any eligibility or other occupancy requirements that may apply under a covered housing program.

24 CFR Subtitle A (4-1-25 Edition)

§ 5.2007 Documenting the occurrence of domestic violence, dating violence, sexual assault, or stalking.

(a) *Request for documentation.* (1) Under a covered housing program, if an applicant or tenant represents to the covered housing provider that the individual is a victim of domestic violence, dating violence, sexual assault, or stalking entitled to the protections under § 5.2005, or remedies under § 5.2009, the covered housing provider may request, in writing, that the applicant or tenant submit to the covered housing provider the documentation specified in paragraph (b)(1) of this section.

(2)(i) If an applicant or tenant does not provide the documentation requested under paragraph (a)(1) of this section within 14 business days after the date that the tenant receives a request in writing for such documentation from the covered housing provider, nothing in § 5.2005 or § 5.2009, which addresses the protections of VAWA, may be construed to limit the authority of the covered housing provider to:

(A) Deny admission by the applicant or tenant to the covered housing program;

(B) Deny assistance under the covered housing program to the applicant or tenant;

(C) Terminate the participation of the tenant in the covered housing program; or

(D) Evict the tenant, or a lawful occupant that commits a violation of a lease.

(ii) A covered housing provider may, at its discretion, extend the 14-business-day deadline under paragraph (a)(2)(i) of this section.

(b) *Permissible documentation and submission requirements.* (1) In response to a written request to the applicant or tenant from the covered housing provider, as provided in paragraph (a) of this section, the applicant or tenant may submit, as documentation of the occurrence of domestic violence, dating violence, sexual assault, or stalking, any one of the following forms of documentation, where it is at the discretion of the tenant or applicant which one of the following forms of documentation to submit:

(i) The certification form described in § 5.2005(a)(1)(ii); or

(ii) A document:

(A) Signed by an employee, agent, or volunteer of a victim service provider, an attorney, or medical professional, or a mental health professional (collectively, “professional”) from whom the victim has sought assistance relating to domestic violence, dating violence, sexual assault, or stalking, or the effects of abuse;

(B) Signed by the applicant or tenant; and

(C) That specifies, under penalty of perjury, that the professional believes in the occurrence of the incident of domestic violence, dating violence, sexual assault, or stalking that is the ground for protection and remedies under this subpart, and that the incident meets the applicable definition of domestic violence, dating violence, sexual assault, or stalking under § 5.2003; or

(iii) A record of a Federal, State, tribal, territorial or local law enforcement agency, court, or administrative agency; or

(iv) At the discretion of a covered housing provider, a statement or other evidence provided by the applicant or tenant.

(2) If a covered housing provider receives documentation under paragraph (b)(1) of this section that contains conflicting information (including certification forms from two or more members of a household each claiming to be a victim and naming one or more of the other petitioning household members as the perpetrator), the covered housing provider may require an applicant or tenant to submit third-party documentation, as described in paragraphs (b)(1)(ii), (b)(1)(iii), or (b)(1)(iv) of this section, within 30 calendar days of the date of the request for the third-party documentation.

(3) Nothing in this paragraph (b) shall be construed to require a covered housing provider to request that an individual submit documentation of the status of the individual as a victim of domestic violence, dating violence, sexual assault, or stalking.

(c) *Confidentiality.* Any information submitted to a covered housing provider under this section, including the

fact that an individual is a victim of domestic violence, dating violence, sexual assault, or stalking (confidential information), shall be maintained in strict confidence by the covered housing provider.

(1) The covered housing provider shall not allow any individual administering assistance on behalf of the covered housing provider or any persons within their employ (*e.g.*, contractors) or in the employ of the covered housing provider to have access to confidential information unless explicitly authorized by the covered housing provider for reasons that specifically call for these individuals to have access to this information under applicable Federal, State, or local law.

(2) The covered housing provider shall not enter confidential information described in paragraph (c) of this section into any shared database or disclose such information to any other entity or individual, except to the extent that the disclosure is:

(i) Requested or consented to in writing by the individual in a time-limited release

(ii) Required for use in an eviction proceeding or hearing regarding termination of assistance from the covered program; or

(iii) Otherwise required by applicable law.

(d) A covered housing provider’s compliance with the protections of §§ 5.2005 and 5.2009, based on documentation received under this section shall not be sufficient to constitute evidence of an unreasonable act or omission by the covered housing provider. However, nothing in this paragraph (d) of this section shall be construed to limit the liability of a covered housing provider for failure to comply with §§ 5.2005 and 5.2009.

§ 5.2009 Remedies available to victims of domestic violence, dating violence, sexual assault, or stalking.

(a) *Lease bifurcation.* (1) A covered housing provider may in accordance with paragraph (a)(2) of this section, bifurcate a lease, or remove a household member from a lease in order to evict, remove, terminate occupancy rights, or terminate assistance to such

§ 5.2011

member who engages in criminal activity directly relating to domestic violence, dating violence, sexual assault, or stalking against an affiliated individual or other individual:

(i) Without regard to whether the household member is a signatory to the lease; and

(ii) Without evicting, removing, terminating assistance to, or otherwise penalizing a victim of such criminal activity who is also a tenant or lawful occupant.

(2) A lease bifurcation, as provided in paragraph (a)(1) of this section, shall be carried out in accordance with any requirements or procedures as may be prescribed by Federal, State, or local law for termination of assistance or leases and in accordance with any requirements under the relevant covered housing program.

(b) *Reasonable time to establish eligibility for assistance or find alternative housing following bifurcation of a lease—*

(1) *Applicability.* The reasonable time to establish eligibility under a covered housing program or find alternative housing is specified in paragraph (b) of this section, or alternatively in the program-specific regulations governing the applicable covered housing program. Some covered housing programs may provide different time frames than are specified in this paragraph (b), and in such cases, the program-specific regulations govern.

(2) *Reasonable time to establish eligibility assistance or find alternative housing.*

(i) If a covered housing provider exercises the option to bifurcate a lease as provided in paragraph (a) of this section, and the individual who was evicted or for whom assistance was terminated was the eligible tenant under the covered housing program, the covered housing provider shall provide to any remaining tenant or tenants that were not already eligible a period of 90 calendar days from the date of bifurcation of the lease to:

(A) Establish eligibility for the same covered housing program under which the evicted or terminated tenant was the recipient of assistance at the time of bifurcation of the lease; or

(B) Establish eligibility under another covered housing program; or

(C) Find alternative housing.

24 CFR Subtitle A (4–1–25 Edition)

(ii) The 90-calendar-day period provided by paragraph (b)(2) of this section will not be available to a remaining household member if the statutory requirements for the covered housing program prohibit it. The 90-day calendar period also will not apply beyond the expiration of a lease, unless this is permitted by program regulations. The 90-calendar-day period is the total period provided to a remaining tenant to establish eligibility under the three options provided in paragraphs (b)(2)(i)(A), (B), and (C) of this section.

Subpart A—General Provisions

§ 6.1 Purpose.

The purpose of this part is to implement the provisions of section 109 of title I of the Housing and Community Development Act of 1974 (Title I) (42 U.S.C. 5309). Section 109 provides that no person in the United States shall, on the ground of race, color, national origin, religion, or sex, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program or activity funded in whole or in part with Federal financial assistance. Section 109 does not directly prohibit discrimination on the bases of age or disability, and the regulations in this part 6 do not apply to age or disability discrimination in Title I programs. Instead, section 109 directs that the prohibitions against discrimination on the basis of age under the Age Discrimination Act of 1975 (42 U.S.C. 6101–6107) (Age Discrimination Act) and the prohibitions against discrimination on the basis of disability under section 504 of the Rehabilitation Act of 1973 (29 U.S.C. 794) (Section 504) apply to programs or activities funded in whole or in part with Federal financial assistance. Thus, the regulations of 24 CFR part 8, which implement Section 504 for HUD programs, and the regulations of 24 CFR part 146, which implement the Age Discrimination Act for HUD programs, apply to disability and age discrimination in Title I programs.

§ 6.2 Applicability.

(a) This part applies to any program or activity funded in whole or in part with funds under title I of the Housing and Community Development Act of 1974, including Community Development Block Grants—Entitlement, State and HUD-Administered Small
