pocket expenses incurred in connection with the move; or

(B) Other conditions of the move are not reasonable.

(2) Notwithstanding the provisions of paragraph (g)(1) of this section, a person does not qualify as a displaced person (and is not eligible for relocation assistance under the URA or this section), if:

(i) The person has been evicted for serious or repeated violation of the terms and conditions of the lease or occupancy agreement, violation of applicable Federal, State, or local law, or other good cause, and the HA determines that the eviction was not undertaken for the purpose of evading the obligation to provide relocation assistance;

(ii) The person moved into the property after the submission of the preliminary proposal (or application, if there is no preliminary proposal), and before signing a lease and commencing occupancy, received written notice of the project and its possible impact on the person (e.g., the person may be displaced, temporarily relocated, or suffer a rent increase) and the fact that the person would not qualify as a displaced person (or for any assistance provided under this section) as a result of the project;

(iii) The person is ineligible under 49 CFR 24.2(g)(2); or

(iv) HUD determines that the person was not displaced as a direct result of acquisition, rehabilitation, or demolition for the project.

(3) The HA may request, at any time, HUD's determination of whether a displacement is or would be covered by this section.

(h) *Definition of initiation of negotiations.* For purposes of determining the formula for computing the replacement housing assistance to be provided to a residential tenant displaced as a direct result of private-owner rehabilitation or demolition of the real property, the term *initiation of negotiations* means the execution of the Agreement between the owner and the HA.

Subpart A—Summary and Guide

§ 883.101 General.

(a) The purpose of the Section 8 program is to provide decent, safe and sanitary housing for low-income families through the use of a system of housing assistance payments. These needs may be met by statewide or special purpose housing agencies established by the various States.

(b) The regulations in this part 883 contain the policies and procedures applicable to the Section 8 program for these State agencies.

[61 FR 13592, Mar. 27, 1996]

§ 883.105 Applicability of part 883 in effect as of February 29, 1980.

(a) Part 883, in effect as of February 29, 1980, applies to projects for which the initial application was submitted on or after the February 29, 1980, effective date. (See 24 CFR part 883, revised as of April 1, 1980.) Projects for which applications or proposals were submitted before the February 29, 1980, effective date of part 883 have been processed under the part 883 regulations and procedures in effect at the date of submission. If, however, the agency notified HUD within 60 calendar days of the February 29, 1980, effective date of the part 883 regulations that they chose to have the provisions of part 883, in effect as of February 29, 1980, apply to a specific case, it must have promptly modified the application(s) and proposal(s) to comply.

(b) Subpart F of this part, dealing with the HAP contract and subpart G of this part, dealing with management, apply to all projects for which an Agreement was not executed before the February 29, 1980, effective date of part 883. In cases where an Agreement has been executed:

(1) The Agency, owner and HUD may agree to make the revised subpart F of this part applicable and execute appropriate amendments to the Agreement or Contract;

(2) The Agency, Owner and HUD may agree to make the revised subpart G of this part applicable (with or without the limitation on distributions) and execute appropriate amendments to the Agreement or Contract.

(c) Section 883.708, Termination of Tenancy and Modifications of Leases, applies to new families who begin occupancy or execute a lease on or after 30 days following the February 29, 1980, effective date of part 883. This section also applies to families not covered by the preceding sentence, including families currently under lease, who have a lease in which a renewal becomes effective on or after the 60th day following the February 29, 1980 effective date of

part 883. A lease is considered renewed when both the landlord and the family fail to terminate a tenancy under a lease permitting either to terminate.

(d) Notwithstanding the provisions of paragraph (b) of this section, the provisions of 24 CFR part 5 (concerning preferences for selection of applicants) apply to all projects, regardless of when an Agreement was executed.

[61 FR 13592, Mar. 27, 1996]

§ 883.106 Applicability and relationships between HUD and State agencies.

(a) *Applicability.* This subpart A applies to contract authority set aside for a State Agency.

(b) *General responsibilities and relationships.* Subject to audit and review by HUD to assure compliance with Federal requirements and objectives, Housing Finance Agencies (HFAs) shall assume responsibility for project development and for supervision of the development, management and maintenance functions of owners.

(c) *Certifications and HUD monitoring.* (1) Generally, when reviewing any of the certifications of an HFA required by this part, HUD shall accept the certification as correct. If HUD has substantial reason to question the correctness of any element in a certification, HUD shall promptly bring the matter to the attention of the HFA and ask it to provide documentation supporting the certifications. When the HFA provides such evidence, HUD will act in accordance with the HFA's judgment or evaluation unless HUD determines that the certification is clearly not supported by the documentation.

(2) HUD will periodically monitor the activities of HFA's participating under this part only with respect to Section 8 or other HUD programs. This monitoring is intended primarily to ensure that certifications submitted and projects operated under this part reflect appropriate compliance with Federal law and requirements.

[61 FR 13592, Mar. 27, 1996]

Subpart B [Reserved]

Subpart C—Definitions and Other Requirements

§ 883.301 Applicability.

The provisions of this subpart are applicable to newly constructed and substantially rehabilitated housing allocated contract authority under subpart B of this part and processed and constructed under the Fast Tract Procedures of subpart D. The definitions contained in § 883.302 and the provisions of § 883.307(b) regarding review and approval of financing documents, however, apply to all of this part.

§ 883.302 Definitions.

The terms *Fair Market Rent (FMR)*, *HUD*, and *Public Housing Agency (PHA)* are defined in 24 CFR part 5.

ACC (Annual Contributions Contract). The contract between the State Agency and HUD under which HUD commits to provide the Agency with the funds needed to make housing assistance payments to the Owner and to pay the Agency for administrative fees in cases where it is eligible for them.

Agency. See State Agency.

Agreement—(Agreement to enter into Housing Assistance Payments Contract). The agreement between the owner and the State Agency on new construction and substantial rehabilitation projects which provides that, upon satisfactory completion of the project in accordance with the HUD-approved proposal or final proposal, the Agency will enter into a Housing Assistance Payments Contract with the owner.

Annual Income. As defined in part 5 of this title.

Assisted unit. A dwelling unit eligible for assistance under a Contract.

Application. A request, submitted by a State Agency, to assign a portion of its set-aside to a specific jurisdiction or project.

Contract—(Housing Assistance Payments Contract). The Contract entered into by the owner and the State Agency upon satisfactory completion of a new construction or substantial rehabilitation project which sets forth the rights and duties of the parties with respect to the project and the payments under the Contract.

Contract Rent. The total amount of rent specified in the Contract as pay-

able by the Agency and the tenant to the owner for an assisted unit. In the case of the rental of only a manufactured home space, “contract rent” is the total rent specified in the Contract as payable by the Agency and the tenant to the owner for rental of the space, including fees or charges for management and maintenance services with respect to the space, but excluding utility charges for the manufactured home.

Covered housing provider. For the Section 8 Housing Assistance Payments Programs—State Housing Agencies, “covered housing provider,” as such term is used in HUD’s regulations in 24 CFR part 5, subpart L (Protection for Victims of Domestic Violence, Dating Violence, Sexual Assault, or Stalking), refers to the HFA or owner, as applicable given the responsibilities of the covered housing provider as set forth in 24 CFR part 5, subpart L. For example, the PHA is the covered housing provider responsible for providing the notice of occupancy rights under VAWA and certification form described at 24 CFR 5.2005(a), though the PHA may provide this notice and form to owners, and charge owners with distributing the notice and form to tenants. In addition, the owner is the covered housing provider that may choose to bifurcate a lease as described at 24 CFR 5.2009(a), while both the PHA and owner are both responsible for ensuring that an emergency transfer plan is in place in accordance with 24 CFR 5.2005(e), and the owner is responsible for implementing the emergency transfer plan when an emergency occurs.

Decent, safe, and sanitary. Housing is decent, safe, and sanitary if it meets the physical condition requirements in 24 CFR part 5, subpart G.

Existing Housing. Housing assisted under a contract entered into pursuant to 24 CFR part 882. (See subpart E of this part.)

Fast Track procedures. The procedures contained in subpart D for processing and construction of new construction and substantial rehabilitation projects. In order to be eligible for these procedures, a State Agency must provide permanent financing without Federal

mortgage insurance or a Federal guarantee except coinsurance under Section 244 of the National Housing Act.

Financing Cost Contingency (FCC). The maximum amount of contract authority which may be used to amend the Annual Contributions Contract (ACC) and Housing Assistance Payments Contract (HAP Contract) to provide increased contract rents to cover higher than anticipated debt service on the loan for a new construction or substantial rehabilitation project.

Gross Rent. As defined in part 813 of this chapter.

Household type. The three household types are (1) elderly and handicapped, (2) family, and (3) large family.

Housing Assistance Payment. The payment made to the Owner of an assisted unit by the State Agency as provided in the Contract. Where the unit is leased to an eligible Family, the payment is the difference between the Contract Rent and the Tenant Rent. An additional payment is made to the Family when the Utility Allowance is greater than Total Tenant Payment. In the case of a Family renting only a manufactured home space as provided in § 883.303(i), the Housing Assistance Payment is the difference between Gross Rent and the Total Tenant Payment, but such payment may not exceed the Contract Rent for the space, and no additional payment is made to the Family. A Housing Assistance Payment, known as a "vacancy payment", may be made to the Owner when an assisted unit is vacant, as provided in § 883.712.

Housing Assistance Plan (HAP). A housing plan submitted by a unit of general local or State government and approved by HUD as being acceptable under the standards of 24 CFR part 570.

Housing type. The three housing types are new construction, substantial rehabilitation, and existing housing/moderate rehabilitation.

HFA (Housing Finance Agency). A State Agency which provides permanent financing for newly constructed or substantially rehabilitated housing processed under subpart D and financed without Federal mortgage insurance or a Federal guarantee except coinsurance under Section 244 of the National Housing Act.

Independent Public Accountant. Certified Public Accountant or a licensed or registered public accountant, none of which has a business relationship with the owner or State Agency except for the performance of audit, systems work and tax preparation. If not certified, the Independent Public Accountant must have been licensed or registered by a regulatory authority of a State or other political subdivision of the United States on or before December 31, 1970. In States that do not regulate the use of the title "public accountant," only Certified Public Accountants may be used.

Moderate rehabilitation. The improvement of dwelling units in accordance with HUD requirements, under 24 CFR part 882.

New construction. Housing for which construction starts after execution of an Agreement, or housing which is already under construction when the Agreement is executed provided that:

(a) At the date an application is submitted to HUD, a substantial amount of construction (generally at least 25 percent) remains to be completed;

(b) At the date of application to HUD, the project cannot be completed and occupied by eligible families without assistance under this part; and

(c) At the time construction was initiated, all of the parties reasonably expected that the project would be completed without assistance under this part.

Override. The difference between an HFA's cost of borrowing on obligations issued to finance a new construction or substantial rehabilitation project and the lending rate at which they provide permanent financing for the project.

Owner. Any private person or entity (including a cooperative) or a public entity, having the legal right to lease or sublease dwelling units assisted under this part. The term Owner also includes the person or entity submitting a proposal to a State Agency under this part.

Partially-assisted Project. A project for non-elderly families under this part which includes more than 50 units, of which the number of assisted units does not exceed the greater of (a) 20 percent of the units in the project, rounded to the next highest whole

number of units, or (b) the minimum percentage required by State law as a condition of HFA permanent financing, if the Assistant Secretary approves such minimum percentage for purposes of applicability of this definition.

Permanent financing. An Agency is determined to provide permanent financing if HUD determines that (a) the Agency permanently finances a project from its own funds, including the sale of its obligations; or (b) permanent financing for projects developed or administered by the Agency is provided by the State government or by an agency or instrumentality thereof other than the Agency; or (c) the permanent financing (by a public or private entity other than the Agency) is backed by the commitment of the Agency to assume the risks of loss on default or foreclosure of the loan.

Project Account. A specifically identified and segregated account for each project which is established in accordance with § 883.604(b) out of the amounts by which the maximum Annual Contributions Contract commitment exceeds the amount actually paid out under the ACC each year.

Proposal. A proposal for a project that is submitted by an HFA to HUD for Section 8 assistance under this part.

Rent. In the case of an assisted unit in a cooperative project, rent means the carrying charges payable to the cooperative with respect to occupancy of the unit.

Replacement cost—(a) New construction. The estimated construction cost of the project when the proposed improvements are completed. The replacement cost may include the land, the physical improvements, utilities within the boundaries of the land, architect's fees, miscellaneous charges incident to construction as approved by the Assistant Secretary.

(b) *Substantial rehabilitation.* The sum of the “as is” value before rehabilitation of the property as determined by the Agency and the estimated cost of rehabilitation, including carrying and finance charges.

Single Room Occupancy (SRO) Housing. A unit for occupancy by a single eligible individual capable of independent living, which does not contain

food preparation and/or sanitary facilities and is located within a multi-family structure consisting of more than 12 units.

Secretary. The Secretary of Housing and Urban Development (or designee).

Small Project. A project for non-elderly families under this part which includes a total of 50 or fewer units (assisted and unassisted).

State Agency (Agency). An agency which has been notified by HUD in accordance with § 883.203 that it is authorized to apply for a set-aside and/or to use the Fast Track Procedures of this part.

Substantial rehabilitation. (a) The improvement of a property to decent, safe and sanitary condition in accordance with the standards of this part from a condition below these standards. Substantial Rehabilitation may vary in degree from gutting and extensive reconstruction to the cure of substantial accumulation of deferred maintenance. Cosmetic improvements alone do not qualify as Substantial Rehabilitation under this definition.

(b) Substantial Rehabilitation may also include renovation, alteration or remodeling for the conversion or adaptation of structurally sound property to the design and condition required for use under this part, or the repair or replacement of major building systems or components in danger of failure.

(c) Housing on which rehabilitation work has already started when the Agreement is executed is eligible for assistance as a Substantial Rehabilitation project under this part provided:

(1) At the date of application to HUD, a substantial amount of construction (generally at least 25 percent) remains to be completed;

(2) At the date of application to HUD, the project cannot be completed and occupied by eligible families without assistance under this part; and

(3) At the time construction was initiated, all of the parties reasonably expected that the project would be completed without assistance under this part.

Tenant Rent. The monthly amount defined in, and determined in accordance with part 813 of this chapter.

Total Tenant Payment. The monthly amount defined in, and determined in

accordance with part 813 of this chapter.

Utility Allowance. As defined in part 813 of this chapter, made or approved by HUD.

Utility reimbursement. As defined in part 813 of this chapter.

Vacancy payments. The housing assistance payment made to the owner by the State Agency for a vacant, assisted unit if certain conditions are fulfilled as provided in the Contract. The amount of vacancy payment varies with the length of the vacancy period and is less after the first 60 days of any vacancy.

Very Low-Income Family. As defined in part 813 of this chapter.

§ 883.306 Limitation on distributions.

(a) Non-profit owners are not entitled to distributions of project funds.

(b) For the life of the Contract, project funds may only be distributed to profit-motivated owners at the end of each fiscal year of project operation following the effective date of the Contract and after all project expenses have been paid, or funds have been set aside for payment, and all reserve requirements have been met. The first year's distribution may not be made until the HFA certification of project costs, (See § 883.411), where applicable, has been submitted to HUD. The HFA must certify that distributions will not exceed the following maximum returns:

(1) For projects for elderly families, the first year's distribution will be limited to 6 percent on equity. The Assistant Secretary may provide for increases in subsequent years' distributions on an annual or other basis so that the permitted return reflects a 6 percent return on the value, in subsequent years, as determined in accordance with HUD guidelines, of the approved initial equity. Any such adjustments will be made in accordance with a Notice in the FEDERAL REGISTER. The HFA may approve a lesser increase or

no increase in subsequent years' distributions.

(2) For projects for non-elderly families the first year's distribution will be limited to 10 percent on equity. The Assistant Secretary may provide for increases in subsequent years' distributions on an annual or other basis so that the permitted return reflects a 10 percent return on the value, in subsequent years, as determined in accordance with HUD guidelines, of the approved initial equity. Any such adjustments will be made in accordance with a Notice in the FEDERAL REGISTER. The HFA may approve a lesser increase or no increase in subsequent years' distributions.

(c) For the purpose of determining the allowable distribution, an owner's equity investment in a project is deemed to be 10 percent of the replacement cost of the part of the project attributable to dwelling use accepted by the HFA at cost certification (See § 883.411), or as specified in the Proposal where cost certification is not required, unless the owner justifies a higher equity contribution through cost certification documentation accepted by the HFA.

(d) Any short-fall in return may be made up from surplus project funds in future years.

(e) If the HFA determines at any time that surplus project funds are more than the amount needed for project operations, reserve requirements and permitted distributions, the HFA may require the excess to be placed in a separate account to be used to reduce housing assistance payments or for other project purposes. Upon termination of the Contract, any excess project funds must be remitted to HUD.

(f) Owners of small projects or partially assisted projects are exempt from the limitation on distributions contained in paragraphs (b) through (d) of this section.

(g) HUD may permit increased distributions of surplus, in excess of the amounts otherwise permitted, to profit-motivated owners who participate in a HUD-approved initiative or program to preserve below-market housing stock. The increased distributions will be limited to a maximum amount

based on market rents and calculated according to HUD instructions. Funds that the owner is authorized to retain under section 236(g)(2) of the National Housing Act are not considered distributions to the owner.

(h) Any State or local law or regulation that restricts distributions to an amount lower than permitted by this section or permitted by the Commissioner under this paragraph (h) is preempted as provided by section 524(f) of the Multifamily Assisted Housing Reform and Affordability Act of 1997.

[45 FR 6889, Jan. 30, 1980, as amended at 65 FR 61075, Oct. 13, 2000; 65 FR 68891, Nov. 15, 2000]

§ 883.307 Financing.

(a) *Types of financing.* A State Agency that used the Fast Track Procedures formerly in this part must provide permanent financing for any new construction or substantial rehabilitation project without Federal mortgage insurance, except coinsurance under section 244 under the National Housing Act (12 U.S.C. 1701 et seq). Obligations issued by the HFA for this purpose may be taxable under section 802 of the Housing and Community Development Act of 1974 (42 U.S.C. 1440) or tax-exempt under section 103 of the Internal Revenue Code (26 U.S.C. 103), 24 CFR part 811 or other Federal Law.

(b) *HUD approval.* (1) A State Agency, prior to receiving HUD approval of its first New Construction or Substantial Rehabilitation Proposal using contract authority under this part, must submit copies of the documents relating to the method of financing Section 8 projects to HUD for review. These documents shall include bond resolutions or indentures, loan agreements, regulatory agreements, notes, mortgages or deeds of trust and other related documents, if any, but does not need to include the “official statement” or copies of the prospectus for individual bond issues. HUD review will be limited to making certain that the documents are not inconsistent with or in violation of these regulations and the administrative procedures used to implement them. After review, HUD must notify the Agency that the documents are acceptable or, if unacceptable, will request clarification or changes. This review and ap-

proval will meet the requirements of 24 CFR 811.107(a).

(2) When an Agency which has received HUD approval of its financing documents proposes substantive changes in them which affect the Section 8 program, the revised documents must be submitted for review. HUD review will be limited to the areas indicated in paragraph (b)(1) of this section and must be carried out promptly. HUD will notify the Agency that the revised documents are acceptable, or, if unacceptable, will request clarification or changes.

(3) The review and approval of financing documents required under 24 CFR part 811 will constitute HUD approval under this section.

(4) The Agency must retain in its files, and make available for HUD inspection, the documentation relating to its financing of Section 8 projects, including any relating to the certifications of compliance with applicable Department of Treasury or HUD regulations (24 CFR part 811) regarding tax-exempt financing.

(c) *Pledge of Contracts.* The HFA or owner may pledge, or offer as security for any loan or obligation, an Agreement, Contract, or ACC entered into pursuant this part provided that such security is in connection with a project constructed pursuant to this part. Any pledge of the Agreement, Contract, or ACC, or payments thereunder will be limited to the amounts payable under the Contract or ACC in accordance with its terms. If the pledge or other document provides that all payments will be paid directly to the HFA, other mortgagee or the trustee for bondholders, the HFA, other mortgagee or trustee may make all payments or deposits required under the mortgage or trust indenture and remit any excess to the owner.

(d) *Foreclosure and other transfers.* In the event of assignment, sale, or other disposition of the project or the contracts agreed to by the HFA and approved by HUD (which approval shall not be unreasonably delayed or withheld), foreclosure, or assignment of the mortgage or deed in lieu of foreclosure,

(1) The Agreement, the Contract and the ACC will continue in effect, and

(2) Housing assistance payments will continue in accordance with the terms of the Contract, unless approval to amend or terminate the Agreement, the Contract or the ACC has been obtained from the Assistant Secretary.

(e) In the case of a newly constructed or substantially rehabilitated manufactured home park, the principal amount of any mortgage attributable to the rental spaces in the park may not exceed an amount per space determined in accordance with § 207.33(b) of this title.

[45 FR 6889, Jan. 30, 1980, as amended at 45 FR 56327, Aug. 22, 1980; 48 FR 12709, Mar. 28, 1983; 49 FR 17449, Apr. 24, 1984; 61 FR 13592, Mar. 27, 1996]

§ 883.308 Adjustments to reflect changes in terms of financing.

(a) *Certifications of projected financing terms.* When an HFA, under this part, provides permanent financing for a project through the issuance of obligations and these are not sold until after the contract rents for a project have been set, the HFA must submit, with the Proposal, a certification of:

(1) Its projected rate of borrowing (net interest cost), based on a reasonable evaluation of market conditions, on obligations issued to provide interim and permanent financing for the project,

(2) The projected cost of borrowing to the owner on interim financing for the project,

(3) The projected loan amount for the project,

(4) The projected cost of borrowing and the term of the permanent financing to be provided to the owner for the project,

(5) The projected annual debt service for the permanent financing on which the Contract Rents are based, and

(6) The override, if any.

(b) *Revised certifications.* If, at any time prior to the execution of the Agreement, the terms and conditions of financing change, other than the HFA's projected cost of borrowing, the HFA must submit revised certifications based upon the new terms.

(c) *Certifications of actual financing terms.* After a project has been permanently financed, the HFA must submit a certification which specifies the ac-

tual financing terms. The items that must be included in this certification include:

(1) The HFA's actual cost of borrowing (net interest cost) on obligations from which funds were used to permanently finance the project,

(2) The override, if any, added to the actual cost of borrowing on obligations in setting the rate of lending to the owner,

(3) The annual debt service to the owner for the permanent financing on which contract rents are based; and,

(4) The actual loan amount and the term on which the annual debt service is based.

(d) *Reduction of Contract Rents.* If the actual debt service to the owner under the permanent financing is lower than the anticipated debt service on which the Contract Rents were based, the initial Contract Rents, or the Contract Rents currently in effect, must be reduced commensurately, and the amount of the savings credited to the project account.

(e) *Increase of Contract Rents.* This paragraph (e) applies only if the HFA is using its set-aside for the project and it is processed under subpart D. If the actual debt service to the owner under the permanent financing is higher than the anticipated debt service on which the Contract Rents are based, the initial Contract Rents or the Contract Rents currently in effect may, if sufficient contract and budget authority is available, be increased commensurately based on the certification submitted under paragraph (c) of this section. The amount of this increase may not exceed the amount of the Financing Cost Contingency (FCC) authorized but not reserved for the project at the time the proposal is approved. The adjustment must not exceed the amount necessary to reflect an increase in debt service (based on the difference between the projected and actual terms of the permanent financing) resulting from an increase over the projected interest rate of not more than:

(1) One and one-half percent if the projected override was three-fourths of one percent or less, or

(2) One percent if such projected override was more than three-fourths

§ 883.310

of one percent but not more than one percent, or

(3) One-half of one percent if such projected override was more than one percent.

(f) *Recoupment of savings in financing costs.* In the event that interim financing is continued after the first year of the term of the Contract and the debt service of the interim financing for any period of three months after such first year is less than the anticipated debt service under the permanent financing on which the Contract Rents were based, an appropriate amount reflecting the savings in financing cost will be credited by HUD to the Project Account and withheld from housing assistance payments payable to the owner. If during the course of the same year there is any period of three months in which the debt service is greater than the anticipated debt service under the projected permanent financing, an adjustment will be made so that only the net amount of savings in debt service for the year is credited by HUD to the Project Account and withheld from housing assistance payments to the owner. No increased payments will be made to the owner on account of any net excess for the year of actual interim debt service over the anticipated debt service under the permanent financing. Nothing in this paragraph will be construed as requiring a permanent reduction in the Contract Rents or precluding adjustments of Contract Rents in accordance with paragraphs (d) or (e) of this section.

(g) *Compliance with other regulations.* The HFA must also submit a certification specifying:

(1) That the terms of financing, the amount of the obligations issued with respect to the project and the use of the funds will be in compliance with any regulation governing the issuance of the obligations, e.g., Department of the Treasury regulations regarding arbitrage or HUD regulations regarding Tax Exemption of Obligations of Public Housing Agencies (24 CFR part 811), and

(2) That the override, if any, on the permanent financing for the project will not be greater than the projected override nor greater than the override allowed for the borrowing as a whole

24 CFR Ch. VIII (4–1–23 Edition)

under applicable regulations, e.g., the Department of Treasury regulations regarding arbitrage. The certifications required under 24 CFR 811.107(a)(2) will be sufficient to meet the certification requirements of this paragraph (g).

§ 883.310 Property standards.

(a) *New Construction.* Projects must comply with:

(1) [Reserved]

(2) In the case of manufactured homes, the Federal Manufactured Home Construction and Safety Standards, pursuant to Title VI of the Housing and Community Development Act of 1974, and 24 CFR part 3280;

(3) In the case of congregate or single room occupant housing, the appropriate HUD guidelines and standards,

Subparts D–E [Reserved]

Subpart F—Housing Assistance Payments Contract

§ 883.601 Applicability.

The provisions of this subpart apply to new construction and substantial rehabilitation projects using contract authority allocated under subpart B, Allocation and Assignment of Contract Authority, or processed and constructed under subpart D, Fast Track Procedures.

§ 883.602 The contract.

(a) *Contract.* The Housing Assistance Payments Contract sets forth rights and duties of the owner and State Agency with respect to the project and the Housing Assistance payments.

(b) *Housing Assistance Payments to Owners under the Contract.* The Housing Assistance Payments made under the Contract are:

(1) Payments to the owner to assist eligible families leasing assisted units, and

(2) Payments to the owner for vacant assisted units (“vacancy payments”) if the conditions specified in § 880.611 of this chapter are satisfied.

The housing assistance payments are made monthly by the State Agency upon proper requisition by the owner, except payments for vacancies of more than 60 days, which are made semi-annually by the Agency upon proper requisition by the owner.

(c) *Amount of Housing Assistance Payments to the Owner.* (1) The amount of the housing assistance payments made to the owner of a unit being leased by an eligible family is the difference between the contract rent for the unit and the tenant rent payable by the family.

(2) A housing assistance payment will be made to the owner for a vacant assisted unit in an amount equal to 80 percent of the contract rent for the first 60 days of vacancy, subject to the conditions in § 880.611 of this chapter. If the owner collects any tenant rent or other amount for this period which, when added to this vacancy payment, exceeds the contract rent, the excess must be repaid as the Agency directs in accordance with HUD guidelines.

(3) For a vacancy that exceeds 60 days, a housing assistance payment for the vacant unit will be made, subject to the conditions in § 880.611 of this chapter, in an amount equal to the principal and interest payments required to amortize that portion of the debt attributable to the vacant unit for up to 12 additional months.

(d) *Payment of utility reimbursement.* Where applicable, the Utility Reimbursement will be paid to the Family as an additional Housing Assistance Payment. The Contract will provide that the Owner will make this payment on behalf of the Agency. Funds will be paid to the Owner in trust solely for the purpose of making this additional payment. If the Family and the utility company consent, the Owner may pay the Utility Reimbursement jointly to the Family and the utility company or directly to the utility company.

[45 FR 6889, Jan. 30, 1980, as amended at 49 FR 19946, May 10, 1984; 61 FR 13593, Mar. 27, 1996]

§ 883.603 Term of contract.

(a) *New Construction.* The term of the Contract will be governed by the following provisions:

(1) For assisted units in a project financed with the aid of a loan insured by the Federal government (including coinsurance under Section 244 of the National Housing Act) or a loan made, guaranteed or intended for purchase by the Federal government and for assisted units in newly constructed manufactured home parks, the term of the Contract will be 20 years.

(2) For assisted units in a project owned by or financed by a loan or loan guarantee from a State or local agency, where the assisted units are intended for occupancy by non-elderly families and where it is located in an area designated by the Assistant Secretary as one requiring special financial assistance, the Contract will be for an initial term of 20 years for any dwelling unit, with provision for renewal for additional terms of not more than 5 years each. The total term of initial and renewal terms will not exceed the lesser of (i) 40 years for any dwelling unit, or (ii) the term of the permanent financing (but not less than 20 years).

(3) For assisted units in all other projects, the Contract will be for an initial term of 20 years for any dwelling unit, with provision for renewal for additional terms of not more than 5 years each. The total term of initial and renewal terms will not exceed the lesser of (i) 30 years for any dwelling unit, or (ii) the term of the permanent financing (but not less than 20 years).

(b) *Substantial Rehabilitation.* The Contract will be for a term which is consistent with paragraph (b)(1) and with paragraph (b) (2), (3), or (4) of this section.

(1) The Contract term will cover the longest term, but not less than 20 years, of a single credit instrument covering:

- (i) The cost of rehabilitation or
- (ii) The existing indebtedness, or
- (iii) The cost of rehabilitation and the refinancing of the existing indebtedness, or
- (iv) The cost of rehabilitation and the acquisition of the property; and

(2) For assisted units in a project financed with the aid of a loan (including coinsurance under Section 244 of the National Housing Act), or a loan made, guaranteed or intended for purchase by the Federal Government, and for assisted units in a substantially rehabilitated manufactured home park, the term of the Contract will not exceed 20 years; or

(3) For assisted units in a project owned or financed by a loan or loan guarantee from a State or local agency where the assisted units are intended for occupancy by non-elderly families and where it is located in an area designated by the Assistant Secretary as one requiring special financial assistance, the Contract will be for an initial term of 20 years for any dwelling unit. There will be a provision for renewal for additional terms of not more than 5 years each. The total of initial and renewal terms will not exceed the lesser of (i) 40 years for any dwelling unit, or (ii) the term of the permanent financing (but not less than 20 years); or

(4) For assisted units in projects financed other than as described in paragraph (b) (2) or (3) of this section, the Contract will be for an initial term of 20 years for any dwelling unit. There

will be a provision for renewal for additional terms of not more than 5 years each. The total of initial and renewal terms will not exceed the lesser of (i) 30 years for any dwelling unit, or (ii) the term of the permanent financing (but not less than 20 years).

(c) *Staged Projects.* If a project is completed in stages, the term of the Contract must relate separately to the units in each stage unless the Agency and the owner agree that only the units in the first stage will be assisted for the maximum term of the Contract. The total Contract term, for the units in all stages, beginning with the effective date of the Contract for the first stage, may not exceed the overall maximum term allowable for any one unit under this section, plus two years.

[45 FR 56327, Aug. 22, 1980, as amended at 48 FR 12710, Mar. 28, 1983; 49 FR 17449, Apr. 24, 1984]

§ 883.604 Maximum annual commitment and project account.

(a) *Maximum annual commitment.* The maximum annual contribution that may be contracted for in the ACC is the total of the contract rents and utility allowances for all assisted units in the project, plus the HUD-approved fees, if any, for State Agency administration of the Contract. (See § 883.606)

(b) *Project Account.* (1) A project account will be established and maintained by HUD as a specifically identified and segregated account for each project. The account will be established out of the amounts by which the maximum annual commitment exceeds the amount actually paid out under the ACC each year. Payments will be made from this account for housing assistance payments (and fees for Agency administration, if appropriate) when needed to cover increases in contract rents or decreases in tenant rents and for other costs specifically approved by the Secretary.

(2) Whenever a HUD-approved estimate of required payments under the ACC for a fiscal year exceeds the maximum annual commitment and would cause the amount in the project account to be less than 40 percent of the maximum, HUD will, within a reasonable period of time, take such additional steps authorized by Section

8(c)(6) of the 1937 Act, as may be necessary, to assure that payments under the ACC will be adequate to cover increases in contract rents and decreases in tenant rents.

§ 883.605 Leasing to eligible families.

The provisions of 24 CFR 880.504 apply to this section, including reference at 24 CFR 880.504(f) to the requirements of 24 CFR part 5, subpart L (Protection for Victims of Domestic Violence, Dating Violence, Sexual Assault, or Stalking), subject to the requirements of § 883.105.

[81 FR 80813, Nov. 16, 2016]

§ 883.606 Administration fee.

(a) The State Agency is responsible for administration of the Contract subject to periodic review and audit by HUD.

(b) The Agency is entitled to a reasonable fee, determined by HUD, for administering a Contract on newly constructed or substantially rehabilitated units provided there is no override on the permanent loan granted by the Agency to the owner for a project containing assisted units.

§ 883.607 Default by owner and/or agency.

(a) *Rights of Owner if Agency defaults under Agreement or Contract.* The ACC, the Agreement and the Contract will provide that, in the event of failure of the Agency to comply with the Agreement or Contract with the owner, the owner will have the right, if he/she is not in default, to demand that HUD investigate. HUD will first give the Agency a reasonable opportunity to take corrective action. If HUD determines that a substantial default exists, HUD will assume the Agency's rights and obligations under the Agreement or Contract and meet the obligations of the Agency under the Agreement or Contract including the obligation to enter into the Contract.

(b) *Rights of HUD if Agency defaults under ACC.* The ACC will provide that, if the Agency fails to comply with any of its obligations, HUD may determine that there is a substantial default and

§ 883.608

require the Agency to assign to HUD all of its rights and interests under the Contract; however, HUD will continue to pay annual contributions in accordance with the terms of the ACC and the Contract. Before determining that an Agency is in substantial default, HUD will give the Agency a reasonable opportunity to take corrective action.

(c) *Rights of Agency and HUD if Owner defaults under Contract.* (1) The Contract will provide that if the Agency determines that the owner is in default under the Contract, the Agency will notify the owner, and lender, if applicable, with a copy to HUD,

(i) Of the actions required to be taken to cure the default,

(ii) Of the remedies to be applied by the Agency including specific performance under the Contract, abatement of housing assistance payments and recovery of overpayments, where appropriate; and

(iii) That, if he/she fails to cure the default, the Agency has the right to terminate the Contract or to take other corrective action, in its discretion.

(2) If the Agency provided the permanent financing, the Contract will also provide that HUD has an independent right to determine whether the owner is in default and to take corrective action and apply appropriate remedies, except that HUD will not have the right to terminate the Contract without proceeding in accordance with paragraph (c) of this section.

§ 883.608 Notice upon contract expiration.

The provisions of § 880.508 of this chapter apply, subject to the requirements of § 883.105.

[61 FR 13593, Mar. 27, 1996]
