that are not occupied by families with tenant-based assistance.

(2) *LIHTC*. If the rent requested by the owner exceeds the LIHTC rents for non-voucher families, the PHA must perform a rent comparability study in accordance with program regulations and the rent shall not exceed the lesser of the:

(i) Reasonable rent as determined pursuant to a rent comparability study; and

(ii) The payment standard established by the PHA for the unit size involved.

(3) *HOME Program*. [Reserved]

(d) *Owner certification of rents charged for other units*. By accepting each monthly housing assistance payment from the PHA, the owner certifies that the rent to owner is not more than rent charged by the owner for comparable unassisted units in the premises. The owner must give the PHA information requested by the PHA on rents charged by the owner for other units in the premises or elsewhere.

At the time the PHA approves a tenancy for initial occupancy of a dwelling unit by a family with tenant-based assistance under the program, and where the gross rent of the unit exceeds the applicable payment standard for the family, the family share must not exceed 40 percent of the family's adjusted monthly income. ### § 982.510 Other fees and charges.

(a) The cost of meals or supportive services may not be included in the rent to owner, and the value of meals or supportive services may not be included in the calculation of reasonable rent.

(b) The lease may not require the tenant or family members to pay charges for meals or supportive services. Non-payment of such charges is not grounds for termination of tenancy.

(c) The owner may not charge the tenant extra amounts for items customarily included in rent in the locality, or provided at no additional cost to unsubsidized tenants in the premises.

### § 982.514 Distribution of housing assistance payment.

The monthly housing assistance payment is distributed as follows:

(a) The PHA pays the owner the lesser of the housing assistance payment or the rent to owner.

(b) If the housing assistance payment exceeds the rent to owner, the PHA may pay the balance of the housing assistance payment ("utility reimbursement") either to the family or directly to the utility supplier to pay the utility bill on behalf of the family. If the PHA elects to pay the utility supplier directly, the PHA must notify the family of the amount paid to the utility supplier.

(c) The PHA may elect to establish policies regarding the frequency of utility reimbursement payments for payments made to the family.

(1) The PHA will have the option of making utility reimbursement payments not less than once per calendar-year quarter, for reimbursements totaling \$45 or less per quarter. In the event a family leaves the program in advance of its next quarterly reimbursement, the PHA would be required to reimburse the family for a prorated share of the applicable reimbursement. PHAs exercising this option must have a hardship policy in place for tenants.

(2) If the PHA elects to pay the utility supplier directly, the PHA must notify the family of the amount paid to the utility supplier.

**§982.515 Family share: Family responsibility.**

(a) The family share is calculated by subtracting the amount of the housing assistance payment from the gross rent.

(b) The family rent to owner is calculated by subtracting the amount of the housing assistance payment to the owner from the rent to owner.

(c) The PHA may not use housing assistance payments or other program funds (including any administrative fee reserve) to pay any part of the family share, including the family rent to owner. Payment of the whole family share is the responsibility of the family.

[63 FR 23861, Apr. 30, 1998, as amended at 64 FR 56915, Oct. 21, 1999]

**§982.516 Family income and composition: Annual and interim examinations.**

(a) *PHA responsibility for reexamination and verification.* (1) The PHA must conduct a reexamination of family income and composition at least annually.

(2) Except as provided in paragraph (a)(3) of this section, the PHA must obtain and document in the tenant file third-party verification of the following factors, or must document in the tenant file why third-party verification was not available:

- (i) Reported family annual income;
- (ii) The value of assets;
- (iii) Expenses related to deductions from annual income; and
- (iv) Other factors that affect the determination of adjusted income.

(3) For a family with net assets equal to or less than \$5,000, a PHA may accept a family's declaration that it has net assets equal to or less than \$5,000, without taking additional steps to verify the accuracy of the declaration.

(i) The declaration must state the amount of income the family expects to receive from such assets; this

amount must be included in the family's income.

(ii) A PHA must obtain third-party verification of all family assets every 3 years.

(b) *Streamlined income determination—*  
(1) *General.* A PHA may elect to apply a streamlined income determination to families receiving fixed income as described in paragraph (b)(3) of this section.

(2) *Definition of “fixed income”.* For purposes of this section, “fixed income” means periodic payments at reasonably predictable levels from one or more of the following sources:

(i) Social Security, Supplemental Security Income, Supplemental Disability Insurance.

(ii) Federal, state, local, or private pension plans.

(iii) Annuities or other retirement benefit programs, insurance policies, disability or death benefits, or other similar types of periodic receipts.

(iv) Any other source of income subject to adjustment by a verifiable COLA or current rate of interest.

(3) *Method of streamlined income determination.* A PHA using the streamlined income determination must adjust a family's income according to the percentage of a family's unadjusted income that is from fixed income.

(i) When 90 percent or more of a family's unadjusted income consists of fixed income, PHAs using streamlined income determinations must apply a COLA or COLAs to the family's fixed-income sources, provided that the family certifies both that 90 percent or more of their unadjusted income is fixed income and that their sources of fixed income have not changed from the previous year. For non-fixed income, the PHA is not required to make adjustments pursuant to paragraph (a) of this section.

(ii) When less than 90 percent of a family's unadjusted income consists of fixed income, PHAs using streamlined income determinations must apply a COLA to each of the family's sources of fixed income individually. The PHA must determine all other income pursuant to paragraph (a) of this section.
