- (c) It contains no fruit product or fruit flavoring other than apple or pear, as described in § 24.332(b) and (c); and

(Sec. 335, Pub. L. 114-113, 129 Stat. 3109, as amended (26 U.S.C. 5041))

§ 24.332 Hard cider materials.

This section pertains to wine that is eligible for the hard cider tax rate as set out in § 24.331.

(a) *Apples and pears.* Wine will be considered to be derived primarily from apples or pears, or from apple juice concentrate or pear juice concentrate and water, if the apple juice, pear juice, or combination of apple and pear juice, or the equivalent amount of concentrate of apple and/or pear juice reconstituted to the original brix of the juice prior to concentration, or any combination thereof, represents more than 50 percent of the volume of the finished product.

(b) *Fruit products.* (1) Wine is not eligible for the hard cider tax rate if it contains any fruit product other than apple or pear. A fruit product is any material derived or made from any fruit or part of a fruit, including but not limited to, concentrates, extracts, juices, powders, or wine spirits.

(2) Notwithstanding the provisions of § 24.332(b)(1), an authorized wine treating material set forth in § 24.246 that is derived from a fruit other than apple or pear may be used in the production of wine otherwise eligible for the hard cider tax rate if it is used for a purpose other than flavoring and it is either used in accordance with the wine treating materials provisions of § 24.246 (if used in a natural wine), or used in amounts insufficient to impart a fruit flavor other than apple or pear (if used in a special natural wine or other than standard wine). In determining whether the use of wine treating materials derived from a fruit other than apple or

pear is for a purpose other than flavoring, TTB will consider such factors as the labeling and advertising of the product. Any written or pictorial reference to a material derived from a fruit other than apple or pear (other than the inclusion of a wine treating material in an ingredient labeling statement) in the labeling or advertising of a wine will be treated as evidence that the wine treating material was added for the purpose of flavoring the wine.

(c) *Flavorings.* Wine is not eligible for the hard cider tax rate if it contains any fruit flavoring other than apple or pear. For purposes of this section, a fruit flavoring other than apple or pear is any flavoring that imparts the flavor of a fruit other than apple or pear and includes a natural fruit flavor, an artificial fruit flavor, and a natural flavor that artificially imparts the flavor of a fruit that is not contained in that flavor. In determining whether the use of a flavoring imparts the flavor of a fruit other than apple or pear, TTB will consider such factors as the labeling and advertising of the product. Any written or pictorial reference to a fruit flavor other than apple or pear in the labeling or advertising of a wine that contains a flavoring will be treated as evidence that the wine contains a flavoring that imparts a fruit flavor other than apple or pear and thus the wine is not eligible for the hard cider tax rate. The use of spices, honey, hops, or pumpkins as a flavoring will not make a wine ineligible for the hard cider tax rate.

In addition, you may also use the following materials as adjuncts in fermenting beer: honey, fruit, fruit juice, fruit concentrate, herbs, spices, and other food materials.

(b) You may use flavors and other nonbeverage ingredients containing alcohol in producing beer. Flavors and other nonbeverage ingredients containing alcohol may contribute no more than 49% of the overall alcohol content of the finished beer. For example, a finished beer that contains 5.0% alcohol by volume must derive a minimum of 2.55% alcohol by volume from the fermentation of ingredients at the brewery and may derive not more than 2.45% alcohol by volume from the addition of flavors and other nonbeverage ingredients containing alcohol. In the case of beer with an alcohol content of more than 6% by volume, no more than 1.5% of the volume of the beer may consist of alcohol derived from added flavors and other nonbeverage ingredients containing alcohol.

Subpart C—Location and Use of Brewery

§ 25.21 Restrictions on location.

A brewery may not be established or operated in any dwelling house or on board any vessel or boat, or in any building or on any premises where the revenue will be jeopardized or the effective administration of this part will be hindered.

(Sec. 201, Pub. L. 85-859, 72 Stat. 1389, as amended (26 U.S.C. 5402))

§ 25.22 Continuity of brewery.

Brewery premises will be unbroken except that they may be separated by public passageways, streets, highways, waterways, carrier rights-of-way, or partitions. If the brewery premises are separated, the parts will abut on the dividing medium and be adjacent to each other. If the brewer has facilities for loading, or for case packing or storage which are located within reasonable proximity to the brewery, the appropriate TTB officer may approve these facilities as part of the brewery if the revenue will not be jeopardized.

(Sec. 201, Pub. L. 85-859, 72 Stat. 1389, as amended (26 U.S.C. 5402))

§ 25.23 Restrictions on use.

(a) *Use of brewery in production of beer or cereal beverage.* A brewery may be used only for the following purposes involving the production of beer or cereal beverages:

(1) For producing, packaging and storing beer, cereal beverages, vitamins, ice, malt, malt syrup, and other by-products of the brewing process, or soft drinks and other nonalcoholic beverages;

(2) For processing spent grain, carbon dioxide, and yeast; and

(3) For storing packages and supplies necessary or connected to brewery operations.

(b) *Other authorized uses.* A brewer may use a brewery for other purposes, not involving the production of beer or cereal beverage, upon approval from the appropriate TTB officer, if the purposes:

(1) Require the use of by-products or waste from the production of beer;

(2) Utilize buildings, rooms, areas, or equipment not fully employed in the production or packaging of beer;

(3) Are reasonably necessary to realize the maximum benefit from the premises and equipment and reduce the overhead of the brewery;

(4) Are in the public interest because of emergency conditions;

(5) Involve experiments or research projects related to equipment, materials, processes, products, by-products, or waste of the brewery; or

(6) Involve operation of a tavern on brewery premises in accordance with § 25.25.

(c) *Application.* Except as provided in § 25.25 for operation of a tavern on brewery premises, a brewer desiring to use a brewery for other purposes shall submit to the appropriate TTB officer, an application listing the purposes. The appropriate TTB officer will approve the application if the use for other purposes will not jeopardize the revenue or impede the effective administration of this part and is not contrary to specific provisions of law.

§ 25.24 Storage of beer.

(a) *Taxpaid beer.* Beer of a brewer's own production on which the tax has been paid or determined may not be stored in the brewery, except as provided in § 25.25 or § 25.213. Beer produced by other brewers may be stored at the brewery under the following conditions:

(1) Taxpaid beer will be segregated in such a manner as to preclude mixing with nontaxpaid beer;

(2) If required by part 1 of this chapter, the brewer shall have a wholesalers or importers basic permit under the Federal Alcohol Administration Act, and keep records of the taxpaid beer as a wholesaler or importer under part 31 of this chapter.

(3) Taxpaid beer may be stored in packages;

(4) Taxpaid beer may not be relabeled;

(5) Taxpaid beer may not be shown on required brewery records; and

(6) The appropriate TTB officer may require physical segregation of taxpaid beer, or marking to show the status of taxpaid beer, if necessary to protect the revenue.

(b) *Untaxpaid beer.* Packaged beer on which tax has not been paid or determined may be stored in any suitable location in the brewery.

§ 25.25 Operation of a tavern on brewery premises.

(a) *General.* A brewer desiring to operate a tavern as an alternate use of brewery premises, shall submit a Brewer's Notice, Form 5130.10 containing the information required by paragraph (b) of this section. If the appropriate TTB officer finds that the operation of the tavern on brewery premises will not jeopardize the revenue or impede the effective administration of this part and is not contrary to specific provisions of law, the approval of the Brewer's Notice, Form 5130.10 shall constitute approval of the alternate use of brewery premises, in lieu of the application required by § 25.23. As used in this section, "tavern" means a portion of brewery premises where beer is sold to consumers. Food, and/or taxpaid wine, and/or taxpaid distilled spirits may also be sold at a tavern operated on brewery premises. Taxpaid beer produced by other brewers may be received, stored and sold on brewery premises in accordance with § 25.24.

(b) *Brewer's Notice.* In preparing the Brewer's Notice, Form 5130.10, the applicant shall show the following information, in addition to the information required by the form:

(1) The applicant shall identify the portion of the brewery which will be operated as a tavern by providing a diagram or narrative description of the boundaries of the tavern. The diagram or description shall identify areas of the brewery which are accessible to the public and areas which are not. The applicant shall describe security measures to be used to segregate public areas from non-public areas.

§ 25.31

27 CFR Ch. I (4-1-25 Edition)

(2) The applicant shall describe in detail the method to be used for measuring beer for the purposes of tax determination.

(3) The applicant shall identify the tanks which will periodically contain tax-determined beer, and any other areas where tax-determined beer will be stored.

(c) *Procedures.* The following procedures shall apply to operation of a tavern on brewery premises:

(1) The brewery shall have a suitable method for measurement of the beer, such as a meter or gauge glass. Tax determination shall consist of the measurement of the beer and the preparation of the brewer's record of tax determination, required by § 25.292(a)(8). The taxes shall be determined prior to the time that the beer is dispensed into a container for consumption.

(2) If the brewer uses one or more tanks for tax determination, the following procedures shall apply:

(i) Each such tank shall be durably marked with the words "tax-determination tank";

(ii) The taxes shall be determined each time beer is added to a tax-determination tank; and

(iii) The brewer may never simultaneously pump into and out of a tax-determination tank.

(3) A brewer qualified under this section may store, on brewery premises, tax-determined beer which is intended for sale at a tavern operated on brewery premises, in accordance with this section. The prohibition of § 25.24 shall not apply to such tax-determined beer.

(4) Beer consumed by employees and visitors in the brewery's tavern shall be beer on which the tax has been paid or determined.

Subpart D—Construction and Equipment

CONSTRUCTION

§ 25.31 Brewery buildings.

Brewery buildings shall be arranged and constructed to afford adequate pro-

tection to the revenue and to facilitate inspection by appropriate TTB officers.

(Sec. 201, Pub. L. 85-859, 72 Stat. 1389, as amended (26 U.S.C. 5402))

EQUIPMENT

§ 25.35 Tanks.

Each stationary tank, vat, cask or other container used, or intended for use, as a receptacle for wort, beer or concentrate produced from beer shall:

(a) Be durably marked with a serial number and capacity; and

(b) Be equipped with a suitable measuring device. The brewer may provide meters or other suitable portable devices for measuring contents of tanks or containers in lieu of providing each tank or container with a measuring device.

(Sec. 201, Pub. L. 85-859, 72 Stat. 1395, as amended (26 U.S.C. 5552))

§ 25.36 Empty container storage.

Empty barrels, kegs, bottles, other containers, or other supplies stored in the brewery will be segregated from filled containers.

(Sec. 201, Pub. L. 85-859, 72 Stat. 1389, as amended (26 U.S.C. 5411))

Subpart E—Measurement of Beer

§ 25.41 Measuring system required.

The brewer shall accurately and reliably measure the quantity of beer transferred from the brewery cellars for bottling and for racking. The brewer may use a measuring device, such as a meter or gauge glass, or any other suitable method.

(Sec. 201, Pub. L. 85-859, 72 Stat. 1395, as amended (26 U.S.C. 5552))

§ 25.42 Testing of measuring devices.

(a) *General requirements.* If a measuring device such as a meter or gauge glass is used to measure beer, the brewer shall periodically test the measuring device and adjust or repair it, if necessary. The brewer shall keep records of tests available for inspection by appropriate TTB officers. Records of tests will include:

(1) Date of test;

- (2) Identity of meter or measuring device;
- (3) Result of test; and
- (4) Corrective action taken, if necessary.

(b) *Requirements for beer meters.* The allowable variation for beer meters as established by testing may not exceed ±0.5 percent. If a meter test discloses an error in excess of the allowable variation, the brewer shall immediately adjust or repair the meter. Adjustments will reduce the error to as near zero as practicable.

(c) *Authority to require tests.* If the appropriate TTB officer has reason to believe that the accuracy or reliability of a measuring device is not being properly maintained, he or she may require the brewer to test the measuring device and, if necessary, adjust or repair the measuring device.

(Sec. 201, Pub. L. 85-859, 72 Stat. 1395, as amended (26 U.S.C. 5552))

Subpart F—Miscellaneous Provisions

§ 25.51 Right of Entry and Examination.

An appropriate TTB officer may enter, during normal business hours, a brewery or other place where beer is stored and may, when the premises are open at other times, enter those premises in the performance of official duties. Appropriate TTB officers may make inspections as the appropriate TTB officer deems necessary to determine that operations are conducted in compliance with the law and this part. The owner of any building or place where beer is produced, made, or kept, or person having charge over such premises, who refuses to admit an appropriate TTB officer acting under 26 U.S.C. 7606, or who refuses to permit an appropriate TTB officer to examine beer must, for each refusal, forfeit \$500.

[T.D. ATF-437, 66 FR 5478, Jan. 19, 2001]

§ 25.52 Variations from requirements.

(a) *Exceptions to construction, equipment and methods of operations—(1) General.* The appropriate TTB officer may approve details of construction, equipment or methods of operations, in lieu of those specified in this part. The

brewer shall show that it is impracticable to conform to the prescribed specification, and that the proposed variance:

(i) Will afford the protection to the revenue intended by the specifications in this part;

(ii) Will not hinder the effective administration of this part, and

(iii) Is not contrary to any provision of law.

(2) *Application.* A brewer who proposes to employ methods of operations or construction or equipment other than as provided in this part shall submit an application to the appropriate TTB officer. The application will describe the proposed variation and state the need for it. The brewer shall submit drawings or photographs if necessary to describe the proposed variation.

(3) *Approval by appropriate TTB officer.* The appropriate TTB officer may approve the use of an alternate method or procedure if:

(i) The brewer shows good cause for its use;

(ii) It is consistent with the purpose and effect of the procedure prescribed by this part and provides equal security to the revenue;

(iii) It is not contrary to law; and

(iv) It will not cause an increase in cost to the Government and will not hinder the effective administration of this part.

(4) *Exceptions.* The appropriate TTB officer may not authorize an alternate method or procedure relating to the giving of any bond, or to the assessment, payment, or collection of tax.

(5) *Conditions of approval.* A brewer may not employ an alternate method or procedure until the appropriate TTB officer has approved its use. The brewer shall, during the terms of the authorization of an alternate method or procedure, comply with the terms of the approved application.

(b) *Emergency variations from requirements—(1) Application.* When an emergency exists, a brewer may apply to the appropriate TTB officer for a variation from the requirements of this part relating to construction, equipment, and methods of operation. The

§ 25.53

brewer shall describe the proposed variation and set forth the reasons for using it.

(2) *Approval.* The appropriate TTB officer may approve an emergency variation from requirements if:

- (i) An emergency exists;
- (ii) The variation from the requirements is necessary;
- (iii) It will afford the same security and protection to the revenue as intended by the specific regulations;
- (iv) It will not hinder the effective administration of this part; and
- (v) It is not contrary to law.

(3) *Conditions of approval.* A brewer may not employ an emergency variation from the requirements until the appropriate TTB officer has approved its use. Approval of variations from requirements are conditioned upon compliance with the conditions and limitations set forth in the approval.

(c) *Automatic termination of approval.* If the brewer fails to comply in good faith with the procedures, conditions or limitations set forth in the approval, authority for the variation from requirements is automatically terminated and the brewer is required to comply with prescribed requirements of regulations.

(d) *Withdrawal of approval.* The appropriate TTB officer may withdraw approval of an alternate method or procedure, approved under paragraph (a) or (b) of this section, if the appropriate TTB officer finds that the revenue is jeopardized or the effective administration of this part is hindered by the approval.

§ 25.53 Submissions of samples of fermented products.

The appropriate TTB officer may, at any time, require you to submit samples of:

(a) Cereal beverage, saké, or any fermented product produced at the brewery,

(b) Materials used in the production of cereal beverage, saké, or any fermented product; and

(c) Cereal beverage, saké, or any fermented product, in conjunction with the filing of a formula.

(26 U.S.C. 5415, 5555, 7805(a))

FORMULAS

§ 25.55 Formulas for fermented products.

(a) *For what fermented products must a formula be filed?* You must file a formula for approval by TTB if you intend to produce:

(1) Any fermented product that will be treated by any processing, filtration, or other method of manufacture that is not generally recognized as a traditional process in the production of a fermented beverage designated as "beer," "ale," "porter," "stout," "lager," or "malt liquor." For purposes of this paragraph:

(i) Removal of any volume of water from beer, filtration of beer to substantially change the color, flavor, or character, separation of beer into different components, reverse osmosis, concentration of beer, and ion exchange treatments are examples of non-traditional processes for which you must file a formula.

(ii) Pasteurization, filtration prior to bottling, filtration in lieu of pasteurization, centrifuging for clarity, lagering, carbonation, and blending are examples of traditional processes for which you do not need to file a formula.

(iii) If you have questions about whether or not use of a particular process not listed in this section requires the filing of a formula, you may request a determination from TTB in accordance with paragraph (f) of this section.

(2) Any fermented product to which flavors or other nonbeverage ingredients (other than hop extract) containing alcohol will be added.

(3) Subject to paragraph (f) of this section, any fermented product to which coloring or natural or artificial flavors will be added.

(4) Subject to paragraph (f) of this section, any fermented product to which fruit, fruit juice, fruit concentrate, herbs, spices, honey, maple syrup, or other food materials will be added.

(5) Saké, including flavored saké and sparkling saké.

(b) *Are separate formulas required for different products?* (1) You must file a separate formula for approval for each different fermented product for which a formula is required.

(2) You may file a formula for a beer base to be used in the production of one or more other fermented products. The beer base must conform to the standards set forth in § 25.15.

(c) *When must I file a formula?* (1) Except as provided in paragraph (c)(2) of this section, you may not produce a fermented product for which a formula is required until you have filed and received approval of a formula for that product.

(2) You may, for research and development purposes (including consumer taste testing), produce a fermented product without an approved formula, but you may not sell or market this product until you receive approval of the formula for it.

(d) *How long is my formula approval valid?* Your formula approved under this section remains in effect until: you supersede it with a new formula; you voluntarily surrender the formula; TTB cancels or revokes the formula; or the formula is revoked by operation of law or regulation.

(e) *Are my previously approved statements of process valid?* Your statements of process approved before January 3, 2006 are considered approved formulas under this section, provided that any finished product that could be made under the statement of process would be in compliance with the provisions of this part. You do not need to submit a formula for approval if a statement of process that remains valid covers the product.

(f) *Determinations by TTB regarding specific processes and ingredients.* (1) The appropriate TTB officer may determine whether or not use of a process not listed in paragraph (a)(1) of this section requires you to file a formula for approval. The appropriate TTB officer

may also exempt the use of a particular coloring, flavoring, or food material from the formula filing requirement of paragraph (a)(3) or paragraph (a)(4) of this section upon a finding that the coloring, flavoring, or food material in question is generally recognized as a traditional ingredient in the production of a fermented beverage designated as "beer," "ale," "porter," "stout," "lager," or "malt liquor."

(2) You may request a determination from TTB on whether or not the use of a process not listed in paragraph (a)(1) of this section will require the filing of a formula or whether the use of a particular coloring, flavoring, or food material may be exempted from the formula filing requirement of paragraph (a)(3) or paragraph (a)(4) of this section. You should mail your request to the Assistant Director, Alcohol Labeling and Formulation Division, Alcohol and Tobacco Tax and Trade Bureau, 1310 G Street NW, Box 12, Washington, DC 20005.

(i) When requesting a determination as to whether a process is subject to the formula filing and approval requirement, the request must include:

(A) A detailed description of the proposed process;

(B) Evidence establishing that the proposed process is generally recognized as a traditional process in the production of a fermented beverage designated as "beer," "ale," "porter," "stout," "lager," or "malt liquor"; and

(C) An explanation of the effect of the proposed process on the production of a fermented product.

(ii) When requesting an exemption from the formula filing requirement in paragraph (a)(3) or paragraph (a)(4) of this section regarding coloring, flavoring, or food material ingredients, the request must include the following information:

(A) A description of the proposed ingredient;

(B) Evidence establishing that the proposed ingredient is generally recognized as a traditional ingredient in the production of a fermented beverage designated as "beer," "ale," "porter," "stout," "lager," or "malt liquor"; and

§ 25.56

(C) An explanation of the effect of the proposed ingredient in the production of a fermented product.

§ 25.56 Filing of formulas.

(a) *What are the general requirements for filing a formula?* (1) You must file your formula in writing. Your formula must identify each brewery where the formula applies by including each brewery name, address, and registry number.

(2) You must serially number each formula, commencing with "1" and continuing in numerical sequence.

(3) You must date and sign each formula.

(4) You must file two copies of each formula with TTB.

(b) *Where do I file a formula?* File your formula with the Assistant Director, Alcohol Labeling and Formulation Division, Alcohol and Tobacco Tax and Trade Bureau, 1310 G Street NW, Box 12, Washington, DC 20005.

[70 FR 235, Jan. 3, 2005, as amended by T.D. TTB-196, 89 FR 87943, Nov. 6, 2024]

§ 25.57 Formula information.

(a) *Ingredient information.* (1) For each formula you must list each separate ingredient and the specific quantity used, or a range of quantities used. You may include optional ingredients in a formula if they do not impact the labeling or identity of the finished product.

(2) For fermented products containing flavorings you must list for each formula: The name of the flavor; the product number or TTB drawback number and approval date of the flavor; the name and location (city and State) of the flavor manufacturer; the alcohol content of the flavor; and the point of production at which the flavor was added (that is, before, during, or after fermentation).

(3) For formulas that include the use of flavors and other nonbeverage ingredients containing alcohol, you must explicitly indicate:

(i) The volume and alcohol content of the beer base;

(ii) The maximum volumes of the flavoring and other nonbeverage ingredients containing alcohol to be used;

27 CFR Ch. I (4-1-25 Edition)

(iii) The alcoholic strength of the flavoring and other nonbeverage ingredients containing alcohol;

(iv) The overall alcohol contribution to the finished product provided by the addition of any flavoring or other nonbeverage ingredients containing alcohol. You are not required to list the alcohol contribution of individual flavoring and other nonbeverage ingredients containing alcohol. You may state the total alcohol contribution from these ingredients to the finished product; and

(v) The final volume and alcohol content of the finished product.

(b) *Process information.* For each formula you must describe in detail each process used to produce a fermented beverage.

(c) *Alcohol content.* For each formula you must state the alcohol content of the fermented product after fermentation and the alcohol content of the finished product.

(d) *Beer base formulas.* You must refer in your formula to any approved formula number that covers the production of any beer base used in producing the formula product. If the beer base was produced by another brewery of the same ownership, you must also provide the name and address or name and registry number of that brewery.

(e) *Additional information.* The appropriate TTB officer may at any time require you to file additional information concerning a fermented product, ingredients, or processes, in order to determine whether a formula should be approved or disapproved or whether the approval of a formula should be continued.

(26 U.S.C. 5415, 5555, 7805(a))

§ 25.58 New and superseding formulas.

(a) *New formulas.* Except as otherwise provided in paragraph (b) of this section, you must file a new formula (with a new formula number) for approval by TTB if you—

(1) Create an entirely new fermented product that requires a formula;

(2) Add new ingredients to an existing formulation;

(3) Delete ingredients from an existing formulation;

(4) Change the quantity of an ingredient used from the quantity or range of usage in an approved formula;

(5) Change an approved processing, filtration, or other special method of manufacture that requires the filing of a formula; or

(6) Change the contribution of alcohol from flavors or ingredients that contain alcohol.

(b) *Superseding formulas.* You may file a superseding formula, instead of a new formula, if you have made any change listed in paragraphs (a)(2) through (a)(6) of this section and that change is not of a type that would require a holder of a certificate of label approval to file a new application for label approval on TTB Form 5100.31.

(1) A superseding formula replaces an existing formula, and you should file one only if you do not intend to use the existing formula any more. A superseding formula must be filed with TTB for approval. When TTB approves a superseding formula, TTB will cancel your previous formula.

(2) You may use the same formula number for a superseding formula that you used for the formula the superseding formula replaces, but you must annotate the formula number to indicate it is a superseding formula number. (For example, "Formula 2, superseding.")

(c) When you file a new or superseding formula with TTB, you must follow the procedures and other requirements of §§ 25.56 and 25.57.

notice will be executed under penalties of perjury, and all written statements, affidavits, and other documents submitted in support of the notice will be made part of the notice.

(c) *Additional information.* The appropriate TTB officer may at any time require the brewer to furnish, as part of the notice, additional information which is necessary to protect and insure collection of the revenue.

§ 25.62 Data for notice.

(a) *Required information.* The brewer shall prepare the notice on Form 5130.10 and shall include the following information:

(1) Serial number.

(2) Purpose for which filed.

(3) Name and principal business address of the brewer and the location of the brewery if different from the business address.

(7) [Reserved]

(8) The name and address of the owner of the land or buildings comprising the brewery, and of any mortgagee or other encumbrancer of the land or buildings comprising the brewery.

(9) The 24-hour cycle of operations at the brewery which is to be the brewer's business day.

(10) The process by which the brewer intends to render beer unfit for beverage use when beer is to be removed for use in manufacturing under §§ 25.191-25.192.

(11) Statement showing ownership or controlling interests in other breweries which will establish eligibility for the transfer of beer without payment of tax between breweries of the same ownership, as authorized in § 25.181.

§ 25.73 Change in partnership.

(a) *New notice required.* The withdrawal of one or more members of a partnership or the taking in of a new partner, whether active or silent, constitutes a change in proprietorship. Subpart H—Bonds and Consents of Surety

§ 25.91 Requirement for bond.

(a) *General.* Except as provided in paragraph (e) of this section, every person intending to commence the business of a brewer shall file a bond, Form 5130.22, as prescribed in this subpart, covering operations at the brewery, at the time of filing the original Brewer's Notice, Form 5130.10. Every brewer intending to continue the business of a brewer shall, once every 4 years, or as provided in § 25.95, execute and file a new bond, or continuation certificate as provided in § 25.97.

(b) *Conditions of the bond.* The Brewer's Bond, Form 5130.22, will be conditioned upon the brewer faithfully complying with all provisions of law and regulations relating to the activities covered by the bond, and upon paying all taxes imposed by 26 U.S.C. Chapter 51 and all interest and penalties incurred or fines imposed for violations of those provisions.

(c) *Additional information.* The appropriate TTB officer shall require, in connection with any brewer's bond, a statement executed under the penalties of perjury, as to whether the principal or any person owning, controlling, or actively participating in the management of the business of the principal

has been convicted of or has compromised any offense set forth in § 25.101(a)(1), or has been convicted of any offense set forth in § 25.101(a)(2). In the event the above statement contains an affirmative answer, the applicant shall submit a statement describing in detail the circumstances surrounding the conviction or compromise.

(d) *Bond required before beginning business.* A person may not begin business or continue business as a brewer until first receiving notice that the appropriate TTB officer has approved the bond, continuation certificate, or consent of surety, as required by this part.

(e) *Bond exemption.* A brewer who pays tax on a deferred basis under § 25.164 is not required to provide a bond to cover operations and withdrawals of beer during any portion of a calendar year for which the brewer is eligible to use an annual or quarterly return period under § 25.164(c)(2) or (c)(3). A brewer is considered to be paying tax on a deferred basis for purposes of the preceding sentence even if the brewer does not pay tax during every return period as long as the brewer intends to pay tax in a future period. See §§ 25.62 and 25.79 for rules governing applying for this bond exemption. See § 25.95 for rules governing when an existing brewer who has not provided a bond under this paragraph must obtain bond coverage.

§ 25.92 Consent of surety.

A brewer may change the terms of any bond filed under this part by filing a consent of surety. Consents of surety will be executed on Form 5000.18 by the brewer and the surety on the bond, with the same formality and proof of authorization as required for the execution of a bond.

§ 25.93 Penal sum of bond.

(a) *General.* Except as provided in paragraph (a)(3) of this section, a brewer must furnish a bond of a penal sum as prescribed in this section.

(1) *Brewers who pay taxes using semimonthly periods.* In the case of a brewer who pays taxes using semimonthly return periods under § 25.164(c)(1), the penal sum of the brewer's bond must be equal to 10 percent of the maximum amount of tax calculated at the rates prescribed by law which the brewer will become liable to pay during a calendar year during the period of the bond on beer:

(i) Removed for transfer to the brewery from other breweries owned by the same brewer;

(ii) Removed without payment of tax for export or for use as supplies on vessels and aircraft;

(iii) Removed without payment of tax for use in research, development, or testing; and

(iv) Removed for consumption or sale.

(2) *Brewers who pay taxes using quarterly or annual return periods.* In the case of a brewer who pays taxes using annual or quarterly return periods under § 25.164(c)(2) or (c)(3), the penal sum of the brewer's bond is \$1,000 and covers the beer described in paragraph (a)(1)(i)–(iv) of this section.

(3) *Brewers who are exempt from bond requirements.* This section does not apply to a brewer who is exempt from bond requirements under § 25.91(e).

(b) *Concentrate.* A brewer who concentrates beer under subpart R of this part shall calculate the penal sum of the bond by computing 10 percent of the amount of tax at the rates prescribed by law, on the maximum quantity of beer used in the production of concentrate during a calendar year. The brewer shall add this amount to the penal sum calculated under paragraph (a) of this section to determine the total penal sum of the brewer's bond.

(c) *Maximum and minimum penal sums.* The maximum penal sum of the bond (or total penal sum if original and strengthening bonds are filed) is not to exceed \$150,000 when the tax on beer is to be prepaid, or \$500,000 when the tax is to be deferred as provided in § 25.164.

The minimum penal sum of a bond is \$1,000.

§ 25.94 Strengthening bonds.

(a) *Requirement.* When the penal sum of the brewer's bond (calculated as provided in § 25.93) in effect is not sufficient, the principal may prepay the tax on beer as provided in subpart K of this part, or give a strengthening bond in sufficient penal sum if the surety is the same as on the bond in effect. If the surety is not the same, a new bond covering the entire liability is required.

(b) *Restrictions.* A strengthening bond may not in any way release a former bond or limit a bond to less than the full penal sum.

(c) *Date of execution.* Strengthening bonds will show the current date of execution and their effective date.

(Sec. 201, Pub. L. 85-859, 72 Stat. 1388, as amended (26 U.S.C. 5401))

§ 25.95 Superseding bonds and new bonds for existing brewers.

(a) *Superseding bonds.* The appropriate TTB officer may at any time, at his or her discretion, require a new bond that supersedes the existing bond. A superseding bond is required immediately in the case of insolvency of a surety. Executors, administrators, assignees, receivers, trustees, or other persons acting in a fiduciary capacity must execute a superseding bond or obtain a consent of surety on all bonds in effect. When the interests of the Government so demand, or in any case when the security of the bond becomes impaired for any reason, the principal will be required to give a superseding bond. When a bond is found to be not acceptable by the appropriate TTB officer, the principal will be required immediately to obtain a satisfactory superseding bond or discontinue business.

(b) *New bonds for existing brewers.*—(1) *General.* Subject to paragraph (b)(2) of this section, if an existing brewer has

§ 25.96

not furnished a bond covering operations and withdrawals of beer because the brewer was exempt from bond requirements under § 25.91(e), the brewer must furnish a bond as provided in this subpart beginning in any portion of a calendar year following the first date on which the aggregate amount of tax due from the brewer during the calendar year exceeds \$50,000. When furnishing the bond, the brewer must also file an amended Brewer's Notice, Form 5130.10, as provided in § 25.79 to change the brewer's bond status.

(2) *Grace period for new bonds for existing brewers*—(i) *Bonds covering operations*. Except as provided in paragraph (b)(2)(ii) of this section, an existing brewer who must furnish a bond as provided in paragraph (b)(1) of this section will be treated as having furnished the required bond if the brewer submits the bond on Form 5130.22 no later than 30 days following the first date on which the aggregate amount of tax due from the brewer during the relevant calendar year exceeds \$50,000. Except as provided in paragraph (b)(2)(ii) of this section, the brewer will be treated as having furnished the required bond for the purposes of this paragraph until TTB approves or disapproves the bond.

(ii) *Bonds covering tax-deferred removals*. The grace period specified in paragraph (b)(2)(i) of this section does not apply to beer removed for consumption or sale on deferred payment of tax. A brewer that must furnish a bond under paragraph (b)(1) of this section may not remove beer for consumption or sale on deferred payment of tax until TTB approves the bond.

§ 25.96 Superseding bond.

When the principal submits a new bond to supersede a bond or bonds in effect, the appropriate TTB officer, after approving the superseding bond, will issue a notice of termination for the superseded bond under the provisions of this subpart. Superseding bonds will show the current date of execution and their effective date.

27 CFR Ch. I (4-1-25 Edition)

§ 25.97 Continuation certificate.

If the contract of surety between the brewer and the surety on an expiring bond or continuation certificate is continued in force for a succeeding period of not less than 4 years from the expiration date of the bond or continuation certificate, the brewer may submit, in lieu of a new bond, a Brewer's Bond Continuation Certificate on Form 5130.23, executed under the penalties of perjury, by the brewer and the surety attesting to continuation of the bond. Each continuation certificate will constitute a bond and all provisions of law and regulations applicable to bonds on Form 5130.22 given under this part, including the disapproval of bonds, are applicable to continuation certificates.

(Sec. 201, Pub. L. 85-859, 72 Stat. 1388, as amended (26 U.S.C. 5401))

§ 25.98 Surety or security.

(a) *Bond coverage*. Bonds required by this part will be given with corporate surety or collateral security.

(b) *Corporate surety*. Surety bonds may be given only with surety companies holding certificates of authority from the Secretary as acceptable sureties on Federal bonds, subject to the limitations set forth in the current revision of Treasury Department Circular 570, Companies Holding Certificates of Authority as Acceptable Sureties on Federal Bonds and as Acceptable Reinsuring Companies.

(c) *Availability of Circular 570*. Treasury Department Circular 570 is published in the FEDERAL REGISTER annually on the first business day in July, and supplemental changes are published periodically thereafter (see <https://www.federalregister.gov>). The most recent circular and any supplemental changes to it may be viewed on the Bureau of the Fiscal Service website (see <https://fiscal.treasury.gov>).

(d) *More than one corporate surety*. A bond may be executed by two or more corporate sureties. Each corporate surety may limit its liability in terms on the face of the bond in a specified amount. This amount may not exceed the limitations set forth for corporate security by the Secretary which are set forth in the current revision of Treasury Department Circular 570. The sum

of the liabilities for the sureties will equal the required penal sum of the bond.

(e) *Deposit of collateral securities in lieu of corporate surety.* Bonds or notes of the United States, or other obligations which are unconditionally guaranteed as to both interest and principal by the United States, may be pledged and deposited by principals as collateral security in lieu of corporate surety in accordance with 31 CFR part 225.

(f) *Bond guaranteed by deposit of cash or cash equivalent.* As an alternative to the corporate surety bond under paragraph (b) of this section, a person can file a bond that guarantees payment of the liability by submitting cash or its equivalent (including a money order, cashier's check, or personal check). Cash or its equivalent must be no less than the penal sums of the required bonds. Bonds described in this paragraph will be released if there are no outstanding liabilities when the bond is terminated. Cash equivalents must be payable to the Alcohol and Tobacco Tax and Trade Bureau.

Subpart I—Dealer Registration and Recordkeeping

SOURCE: T.D. TTB-79, 74 FR 37404, July 28, 2009, unless otherwise noted.

§ 25.111 Definitions.

For purposes of this subpart, the following terms have the meanings indicated:

Dealer. A person who sells, or offers for sale, any alcohol product (distilled spirits, wines, and/or beer) fit for beverage use.

Retail dealer in liquors. A dealer who sells, or offers for sale, distilled spirits, wines, or beer to any person other than a dealer.

Wholesale dealer in liquors. A dealer who sells, or offers for sale, distilled

spirits, wines, or beer to another dealer.

(26 U.S.C. 5121, 5122)

§ 25.112 Dealer registration.

Every brewer who sells, or offers for sale, any alcohol product (distilled spirits, wines, or beer) fit for beverage use must register as a dealer in accordance with part 31 of this chapter. However, the Brewer's Notice, TTB Form 5130.10, filed under subpart G of this part, and approval of that notice by the appropriate TTB officer, will constitute the brewer's registration as a dealer at the brewery. Every brewer registered as a dealer under this subpart will be classified as a wholesale dealer in liquors (see § 31.32 of this chapter) and as such may also operate as a retail dealer in liquors without additional registration. Registration covers all sales from the same location, including sales of wine, spirits, or other brewers' beer. As provided in § 31.52 of this chapter, the brewer is subject to no additional registration for making sales of wine or beer at the customer's place of business. Otherwise, a brewer who conducts business as a dealer at a location other than the brewery must register and keep records in accordance with part 31 of this chapter.

(26 U.S.C. 5124)

§ 25.113 Amending the dealer registration.

Every brewer registered as a dealer under this subpart must maintain a current and accurate Brewer's Notice, TTB Form 5130.10. Whenever there is a change to any of the information provided in the approved Brewer's Notice, the brewer must amend the notice within the time period specified in subpart G of this part. An amendment to the Brewer's Notice, Form 5130.10, will also serve as an amendment of the brewer's dealer registration under this subpart. The brewer's dealer registration will also terminate when brewery operations under the Brewer's Notice terminate.

(26 U.S.C. 5124)

§ 25.114 Dealer records.

Every dealer is required to maintain records of transactions. Beer trans-

actions that appear in the records required by subpart U of this part will meet the brewer's recordkeeping requirements as a dealer. For other transactions not covered in the brewery records, such as retail sales of wine or distilled spirits in a restaurant at the brewery, or operations as a wholesale dealer in wine or distilled spirits, the brewer must keep the records specified for dealers in part 31 of this chapter.

(26 U.S.C. 5121, 5122)

Subpart J—Marks, Brands, and Labels

§ 25.141 Barrels and kegs.

(a) *General requirements.* The brewer's name or trade name and the place of production (city and, if necessary for identification, State) shall be permanently marked on each barrel or keg. If the place of production is clearly shown on the bung or on the tap cover, or on a label securely affixed to each barrel or keg, the place of production need not be permanently marked on each barrel or keg. No statement as to payment of internal revenue taxes may be shown.

(b) *Breweries of same ownership.* (1) If two or more breweries are owned or operated by the same person, firm, or corporation (as defined in § 25.181), the place of production:

(i) May be shown as the only location on the bung, or on the tap cover, or on a separate label attached to the keg;

(ii) May be included in a listing of the locations of breweries qualified under this part if the place of production is not given less emphasis than any of the other locations; or

(iii) Need not be shown if the brewer's principal place of business is shown in lieu of any other location. The brewer's principal place of business will be the location of a brewery operated by the brewer and qualified under this part.

(2) If the location of two or more breweries is shown on the keg, bung, tap cover, or on a separate label attached to the keg (paragraph (b)(1)(ii)), or if the brewer's principal place of business is shown in lieu of the actual place of production (paragraph

§ 25.142**27 CFR Ch. I (4-1-25 Edition)**

(b)(1)(iii)), the brewer shall indicate the actual place of production by printing, coding or other markings on the keg, bung, tap cover, or on a separate label attached to the keg. The coding system employed will permit an appropriate TTB officer to determine the place of production (including street address if two or more breweries are located in the same city) of the beer. The brewer must notify the appropriate TTB officer prior to employing a coding system.

(c) *Label approval required.* Labels or tap covers used by brewers shall be covered by certificates of label approval, Form 5100.31, when required by part 7 of this chapter.

§ 25.142 Bottles.

(a) *Label requirements.* Each bottle of beer shall show by label or otherwise the name or trade name of the brewer, the net contents of the bottle, the nature of the product such as beer, ale, porter, stout, etc., and the place of production (city and, when necessary for identification, State). No statement as to payment of internal revenue taxes may be shown.

(b) *Breweries of same ownership.* (1) If two or more breweries are owned or operated by the same person, firm, or corporation (as defined in § 25.181), the place of production:

(i) May be shown as the only location on the label;

(ii) May be included in a listing of the locations of breweries qualified under this part if the place of production is not given less emphasis than any of the other locations; or

(iii) Need not be shown if the brewer's principal place of business is shown in lieu of any other location. The brewer's principal place of business will be the location of a brewery operated by the brewer and qualified under this part.

(2) If the location of two or more breweries is shown on the label (para-

graph (b)(1)(ii)), or if the brewer's principal place of business is shown on the label in lieu of the actual place of production (paragraph (b)(1)(iii)), the brewer shall indicate the actual place of production by printing, coding or other markings on the label, bottle, crown or lid. The coding system employed will permit an appropriate TTB officer to determine the place of production (including street address if two or more breweries are located in the same city) of the beer. The brewer must notify the appropriate TTB officer prior to employing a coding system.

(c) *Distinctive names.* If the brewer's name, trade name or brand name includes the name of a city which is not the place where the beer was produced, the appropriate TTB officer may require the brewer to state the actual place of production on the label.

(d) *Tolerances.* The statement of net contents shall indicate exactly the volume of beer within the bottle except for variations in measuring as may occur in filling conducted in compliance with good commercial practice. The barrel equivalent of bottles filled during a consecutive three month period, calculated on the basis of the brewer's fill test records, may not vary more than 0.5 percent from the barrel equivalent of bottles filled during the same period, calculated on the basis of the stated net contents of the bottles. The brewer is liable for the tax on the entire amount of beer removed, without benefit of tolerance, when the fill of bottles and cans exceeds the tolerance for the three month period, or when filling is not conducted in compliance with good commercial practice.

(e) *Label approval required.* Labels used by brewers shall be covered by certificates of label approval, Form 5100.31, when required by part 7 of this chapter.

(f) *Short-fill bottles.* A brewer may dispose of taxpaid short-fill bottles of beer to employees for their use but not for

resale. These bottles need not be labeled, but if labeled they need not show an accurate statement of net contents.

(1) Cartons of beer, if the visible portion of the cartons shows the required name; or

(2) Bottles or cans with plastic carriers, if the visible portion of the bottles or cans shows the required name.

(b) *Other information.* The brewer may show on a case or shipping container the place of production (city and, when necessary for identification, State), and the addresses of other breweries owned by the same person, firm, or corporation (as defined in § 25.181). § 25.144 Rebranding barrels and kegs.

(a) A brewer may not use a barrel or keg which bears the name of more than one brewer, and except as provided in § 25.231, may not use a barrel or keg bearing the name of a brewer other than the producing brewer.

(b) A brewer who purchases or otherwise obtains barrels or kegs from another brewer shall permanently remove or durably cover the original marks and brands after notifying the appropriate TTB officer of the proposed action. A brewer may use the barrels or kegs obtained without removing or

covering the original marks and brands if the brewer:

(1) Adopts a trade name substantially identical to the name appearing on the barrels or kegs; or

(2) Succeeds to a brewer who has discontinued business, in which case the brewer may add marks or brands, in accordance with § 25.141, which indicate ownership.

Subpart K—Tax on Beer

LIABILITY FOR TAX

§ 25.151 Rate of tax.

All beer, brewed or produced, and removed for consumption or sale, is subject to the tax prescribed by 26 U.S.C. 5051, for every barrel containing not more than 31 gallons, and at a like rate

§ 25.152

for any other quantity or for the fractional parts of a barrel as authorized in § 25.156.

(Sec. 201, Pub. L. 85-859, 72 Stat. 1333, as amended (26 U.S.C. 5051, 5052))

§ 25.152 Reduced rate of tax for certain brewers.

(a) *General.* Section 5051(a)(2) of Title 26 U.S.C. provides for a reduced rate of tax on the first 60,000 barrels of beer removed for consumption or sale by a brewer during a calendar year. To be eligible to pay the reduced rate of tax, a brewer:

(1) Shall brew or produce the beer at a qualified brewery in the United States;

(2) May not produce more than 2,000,000 barrels of beer per calendar year; and

(3) May not be a member of a "controlled group" of brewers whose members together produce more than 2,000,000 barrels of beer per calendar year.

The appropriate TTB officer shall deny use of the reduced rate of tax provided by 26 U.S.C. 5051(a)(2) where it is determined that the allowance of such a reduced rate would benefit a person who would otherwise fail to qualify for use of such rate.

(b) *Definitions.* For the purpose of determining eligibility for payment of the reduced rate of tax on beer, terms have the following meanings:

(1) *Controlled group.* A related group of brewers as defined in 26 U.S.C. 5051(a)(2)(B). Controlled groups include, but are not limited to:

(i) Parent-subsidiary controlled groups as defined in 26 CFR 1.1563-1(a)(2);

(ii) Brother-sister controlled groups as defined in 26 CFR 1.1563-1(a)(3); and

(iii) Combined groups as defined in 26 CFR 1.1563-1(a)(4). Stock ownership in a corporation need not be direct and 51% constructive ownership, defined in 26 CFR 1.1563-3, may be acquired through:

(A) An option to purchase stock;
(B) Attribution from partnerships;
(C) Attribution from estate or trusts;
(D) Attribution from corporations; or
(E) Ownership by spouses, children, grandchildren, parents, and grandparents.

27 CFR Ch. I (4-1-25 Edition)

(2) *Production of beer.* The production of beer as recorded in the brewer's daily records and reported in the Brewer's Report of Operations, Form 5130.9. For the purpose of determining compliance with the 2,000,000 barrel limitation, production of beer by a brewer or a controlled group of brewers includes both beer produced at qualified breweries within the United States and beer produced outside the United States.

(c) *Brewers operating more than one brewery.* Brewers who operate more than one brewery shall include the combined production of beer at all their breweries when determining eligibility under the 2,000,000 barrel limitation. The reduced rate of tax applies to the first 60,000 barrels of beer removed for consumption or sale in a calendar year by the brewer; the brewer shall apportion the 60,000 barrels among the breweries in the manner described in the notice as provided by § 25.167(b)(3).

(d) *Controlled groups of brewers.* Members of a controlled group of brewers shall include the combined production of beer by all member brewers when determining eligibility under the 2,000,000 limitation. The reduced rate of tax applies to the first 60,000 barrels of beer removed for consumption or sale in a calendar year by the controlled group of brewers; the controlled group of brewers shall apportion the 60,000 barrels among member brewers in the manner described in each brewer's notice as provided by § 25.167(b)(3).

§ 25.153 Persons liable for tax.

The tax imposed by law on beer (including beer purchased or procured by one brewer from another) shall be paid by the brewer of the beer at the brewery where produced. The tax on beer transferred to a brewery from other breweries owned by the same brewer in accordance with subpart L of this part

shall be paid by the brewer at the brewery from which the beer is removed for consumption or sale.

(Sec. 201, Pub. L. 85-859, 72 Stat. 1334, as amended, 1389, as amended (26 U.S.C. 5054, 5413, 5414))

DETERMINATION OF TAX

§ 25.155 Types of containers.

Beer may be removed from a brewery for consumption or sale only in barrels, kegs, bottles, and similar containers, as provided in this part. A container which the appropriate TTB officer determines to be similar to a bottle or can will be treated as a bottle for purposes of this part. A container which the appropriate TTB officer determines to be similar to a barrel or keg and which conforms to one of the sizes prescribed for barrels or kegs in § 25.156 will be treated as such for purposes of this part.

§ 25.156 Determination of tax on keg beer.

(a) In determining the tax on beer removed in kegs, a barrel is regarded as a quantity of not more than 31 gallons. The authorized fractional parts of a barrel are whole barrels, halves, thirds, quarters, sixths, and eighths, and beer may be removed in kegs rated at those capacities. The following keg sizes are also authorized at the stated barrel equivalents:

Size of keg	Barrel equivalent
5 gallons	0.16129
30 liter	0.25565
50 liter	0.42608

(b) If any barrel or authorized size keg contains a quantity of beer more than 2 percent in excess of its rated capacity, tax will be determined and paid on the actual quantity of beer (without benefit of any tolerance) contained in the keg.

(c) The quantities of keg beer removed subject to tax will be computed to 5 decimal places. The sum of the quantities computed for any one day will be rounded to 2 decimal places and

the tax will be calculated and paid on the rounded sum.

§ 25.159 Time of tax determination and payment; offsets.

(a) *Time and payment.* The tax on beer will be determined at the time of its removal for consumption or sale, and will be paid by return as provided in this part.

(b) *Offsets.* During any business day, the quantity of beer returned to the same brewery from which removed is to be taken as an offset against or deducted from the total quantity of beer removed for consumption or sale from that brewery on the day that the beer is returned.

(c) *Offsets not allowed.* An offset or deduction for returned beer will not be allowed if:

(1) The brewer was indemnified by insurance or otherwise in respect of the tax; or

(2) The brewer does not issue credit to the customer for the tax on the returned beer within 30 days of the return of the beer. If the tax is not timely credited after the offset or deduction is taken, the brewer shall make an increasing adjustment on the next tax return.

(Sec. 201, Pub. L. 85-859, 72 Stat. 1334, as amended, 1335, as amended (26 U.S.C. 5054, 5056, 5061))

27 CFR Ch. I (4-1-25 Edition)**§ 25.160 Tax adjustment for brewers who produce more than 2,000,000 barrels of beer.**

Each brewer who has paid tax on beer by return, Form 5000.24, at the reduced rate of tax during a calendar year, but whose production (or the production of a controlled group of brewers of which the brewer is a member) exceeds 2,000,000 barrels of beer in that calendar year, is no longer eligible to pay tax on beer at the reduced rate of tax for any beer removed that calendar year for consumption or sale. The brewer shall make a tax adjustment for the payment of additional tax no later than the return period in which production (or the production of a controlled group of brewers of which the brewer is a member) exceeds 2,000,000 barrels of beer. The adjustment will be determined by multiplying the difference between the higher and lower rates of tax applicable to beer by the number of barrels removed by the brewer that year at the reduced rate of tax. The brewer shall make tax adjustments for all breweries where tax was paid at the lower rate that year, and shall include interest payable from the date on which tax was paid at the lower rate. In the case of a controlled group of brewers whose production exceeds 2,000,000 barrels of beer, all member brewers who paid tax at the lower rate shall make tax adjustments as determined in this section.

PREPARATION AND REMITTANCE OF TAX RETURNS**§ 25.163 Method of tax payment.**

A brewer shall pay the tax on beer by return on TTB F 5000.24, as provided in §§ 25.164, 25.164a, 25.173, and 25.175. In paying the tax, a fractional part of a cent will be disregarded unless it amounts to one-half cent or more, in which case it will be increased to one cent.

[T.D. ATF-251, 52 FR 19314, May 22, 1987, as amended by T.D. ATF-365, 60 FR 33669, June 28, 1995; T.D. TTB-89, 76 FR 3511, Jan. 20, 2011; T.D. TTB-94, 76 FR 52862, Aug. 24, 2011]

§ 25.164 Deferred payment return periods—annual, quarterly, and semi-monthly.

(a) *Requirement for filing.* This section governs payment of tax on a deferred basis. Each brewer must pay the tax on beer (unless prepaid) by return on Form 5000.24. The brewer must file Form 5000.24 as a return regardless of whether tax has been prepaid as provided in § 25.175 during the return period. The brewer must file a return on Form 5000.24 for each return period even though no beer was removed for consumption or sale.

(b) *Payment of tax.* The brewer must include for payment with the return the full amount of tax required to be determined (and which has not been prepaid) on all beer removed for consumption or sale during the period covered by the return.

(c) *Return periods.*—(1) *Semimonthly return period.* Except in the case of a taxpayer who qualifies for annual or quarterly return periods as provided in paragraphs (c)(2) or (c)(3) of this section, all taxpayers must use semimonthly return periods for deferred payment of tax. The semimonthly return periods run from the brewer's business day beginning on the first day of each month through the brewer's business day beginning on the 15th day of that month, and from the brewer's business day beginning on the 16th day of the month through the brewer's business day beginning on the last day of the month, except as otherwise provided in § 25.164a.

(2) *Annual return period.* Subject to paragraph (b)(4) of this section, a taxpayer who reasonably expects to be liable for not more than \$1,000 in taxes with respect to beer imposed by 26 U.S.C. 5051 and 7652 in the current calendar year, and that was liable for not more than \$1,000 in such taxes in the preceding calendar year, may choose to use an annual return period. However, the taxpayer may not use the annual return period procedure for any portion of the calendar year following the first date on which the aggregate amount of tax due from the taxpayer during the calendar year exceeds \$1,000, and any tax which has not been paid on that date will be due on the 14th day after the last day of the quarterly or semi-

monthly period in which that date occurs.

(3) *Quarterly return period.* A taxpayer may choose to use a quarterly return period if the taxpayer was not liable for more than \$50,000 in taxes with respect to beer imposed by 26 U.S.C. 5051 and 7652 in the preceding calendar year and if that taxpayer reasonably expects to be liable for not more than \$50,000 in such taxes during the current calendar year. In such a case the last day for paying the tax and filing the return will be the 14th day after the last day of the calendar quarter. However, the taxpayer may not use the quarterly return period procedure for any portion of the calendar year following the first date on which the aggregate amount of tax due from the taxpayer during the calendar year exceeds \$50,000, and any tax that has not been paid on that date will be due on the 14th day after the last day of the semimonthly period in which that date occurs.

(4) *Additional rules for annual and quarterly return periods.* The following additional rules apply to the annual and quarterly return period procedure under this section:

(i) A "taxpayer" is an individual, corporation, partnership, or other entity that is assigned a single Employer Identification Number as defined in 26 CFR 301.7701-12;

(ii) "Reasonably expects" means that there is no existing or anticipated circumstance known to the taxpayer (such as an increase in production capacity) that would cause the taxpayer's tax liability to exceed the prescribed limit;

(iii) A taxpayer with multiple locations must combine the beer tax liability for all locations to determine eligibility for the return procedures;

(iv) A taxpayer who has both domestic operations and import transactions must combine the beer tax liability on the domestic operations and the imports to determine eligibility for the return procedures;

(v) The controlled group rules of 26 U.S.C. 5061(e), which concern treatment of controlled groups as one taxpayer, do not apply for purposes of determining eligibility for the return procedures. However, a taxpayer who is eligible for the return procedures, and

§ 25.164a**27 CFR Ch. I (4-1-25 Edition)**

who is a member of a controlled group that owes \$5 million or more in beer excise taxes per year, is required to pay taxes by electronic fund transfer (EFT). Payments via EFT must be transmitted in accordance with section 5061(e);

(vi) A new taxpayer is eligible to use the return procedures in the first year of business simply if the taxpayer reasonably expects to be liable for not more than \$1,000 (in the case of the annual return procedure) or \$50,000 (in the case of the quarterly return procedure) in beer taxes during that calendar year; and

(vii) If a taxpayer becomes ineligible to use a return procedure prescribed in paragraph (c)(2) or (c)(3) of this section because the taxpayer's liability exceeds \$1,000 or \$50,000, respectively, during a taxable year, that taxpayer may resume using that return procedure only after a full calendar year has passed during which the taxpayer's liability did not exceed \$1,000 or \$50,000, as the case may be. A taxpayer may not use an annual or quarterly return procedure during any calendar year in which the taxpayer reasonably expects to be liable for more than \$1,000, in the case of the annual return procedure, or \$50,000, in the case of the quarterly return procedure, in beer taxes.

(d) *Time for filing returns and paying tax.* Except as otherwise provided in § 25.164a for semimonthly tax returns, the brewer must file the tax return, TTB F 5000.24, for each return period, and make remittance as required by this section, not later than the 14th day after the last day of the return period. If the due date falls on a Saturday, Sunday, or legal holiday, the return and remittance are due on the immediately preceding day that is not a Saturday, Sunday, or legal holiday, except as otherwise provided in § 25.164a(c).

(e) *Timely filing.* (1) When the brewer sends the semimonthly, quarterly, or annual tax return, Form 5000.24, by U.S. mail, in accordance with the instructions on the form, as required by this section, with remittance as provided for in this section, or without remittance as provided for in § 25.165, the date of the official postmark of the United States Postal Service stamped

on the cover in which the return and remittance were mailed is considered the date of delivery of the return and the date of delivery of the remittance, if enclosed with the return. When the postmark on the cover is illegible, the burden is on the brewer to prove when the postmark was made.

(2) When the brewer sends the semimonthly, quarterly, or annual return with or without remittance by registered mail or by certified mail, the date of registry or the date of the postmark on the sender's receipt of certified mail will be treated as the date of delivery of the return and of the remittance, if enclosed with the return.

§ 25.164a Special September rule for taxes due by semimonthly return.

(a) *Division of second semimonthly period.* (1) *General.* Except as otherwise provided in paragraph (a)(2) of this section, the second semimonthly period for the month of September is divided into two payment periods, from the 16th day through the 26th day, and from the 27th day through the 30th day. The brewer shall file a return, TTB F 5000.24, and make remittance, for the period September 16-26, no later than September 29. The brewer shall file a return on TTB F 5000.24, and make remittance, for the period September 27-30, no later than October 14.

(2) *Taxpayment not by electronic fund transfer.* In the case of taxes for which remittance by electronic fund transfer (EFT) is not required by § 25.165, the second semimonthly period of September is divided into two payment periods, from the 16th day through the 25th day, and from the 26th day through the 30th day. The brewer shall file a return on TTB F 5000.24, and make remittance, for the period September 16-25, no later than September 28. The brewer shall file a return on TTB F 5000.24, and make remittance, for the period September 26-30, no later than October 14.

(b) *Amount of payment—Safe harbor rule.* (1) *General.* Taxpayers are considered to have met the requirements of paragraph (a)(1) of this section if the amount paid no later than September 29 is not less than 11/15ths (73.3 percent) of the tax liability incurred for the semimonthly period beginning on September 1 and ending on September 15, and if any underpayment of tax is paid by October 14.

(2) *Taxpayment not by EFT.* Taxpayers are considered to have met the requirements of paragraph (a)(2) of this section if the amount paid no later than September 28 is not less than 2/3rds (66.7 percent) of the tax liability incurred for the semimonthly period beginning on September 1 and ending on September 15, and if any underpayment of tax is paid by October 14.

(c) *Weekends and holidays.* If the required taxpayment due date for the period September 16–25 or September 16–26, as applicable, falls on a Saturday or legal holiday, the return and remittance are due on the immediately preceding day. If the required due date falls on a Sunday, the return and remittance are due on the immediately following day.

(d) *Example: Payment of tax for the month of September.* (1) *Facts.* X, a brewer required to pay taxes by electronic fund transfer, incurred tax liability in the amount of \$30,000 for the first semimonthly period of September. For the period September 16–26, X incurred tax liability in the amount of \$45,000, and for the period September 27–30, X incurred tax liability in the amount of \$2,000.

(2) *Payment requirement.* X's payment of tax in the amount of \$30,000 for the first semimonthly period of September is due no later than September 29 (§ 25.164(d)). X's payment of tax for the period September 16–26 is also due no later than September 29 (§ 25.164(a)(1)). X may use the safe harbor rule to determine the amount of payment due for the period of September 16–26 (§ 25.164(a)(b)). Under the safe harbor rule, X's payment of tax must not be less than \$21,990.00, that is, 11/15ths of the tax liability incurred during the first semimonthly period of September. Additionally, X must pay the tax in the amount of \$2,000 for the period Sep-

tember 27–30 no later than October 14 (§ 25.164a(a)(1)). X must also pay the underpayment of tax, \$23,010.00, for the period September 16–26, no later than October 14 (§ 25.164a(b)).

[T.D. TTB-89, 76 FR 3512, Jan. 20, 2011, as amended by T.D. TTB-94, 76 FR 52862, Aug. 24, 2011]

§ 25.165 Payment of tax by electronic fund transfer.

(a) *Eligible brewers.* (1) Each taxpayer who was liable, during a calendar year, for a gross amount equal to or exceeding five million dollars in beer taxes combining tax liabilities incurred under this part and parts 26 and 27 of this chapter, shall use a commercial bank in making payment by electronic fund transfer (EFT) of beer taxes during the succeeding calendar year. Payment of beer taxes by cash, check, or money order, as described in § 25.163, is not authorized for a taxpayer who is required by this section to make remittances by EFT. For purposes of this section, the dollar amount of tax liability is defined as the gross tax liability on all taxable removals, determined in accordance with § 25.159, and importations (including beer brought into the United States from Puerto Rico or the Virgin Islands) during the calendar year, without regard to any drawbacks, credits, or refunds, for all premises from which such activities are conducted by the taxpayer. Overpayments are not taken into account in summarizing the gross tax liability.

(2) For the purposes of this section, a taxpayer includes a controlled group of corporations, as defined in 26 U.S.C. 1563, and implementing regulations in 26 CFR 1.1563–1 through 1.1563–4, except that the words “at least 80 percent” shall be replaced by the words “more than 50 percent” in each place it appears in subsection (a) of 26 U.S.C. 1563, as well as in the implementing regulations. Also, the rules for a “controlled group of corporations” apply in a similar fashion to groups which include partnerships and/or sole proprietorships. If one entity maintains more than 50% control over a group consisting of corporations and one, or more, partnerships and/or sole proprietorships, all of the members of the controlled group are one taxpayer for

§ 25.166

the purpose of determining who is required to make remittances by EFT.

(3) A taxpayer who is required by this section to make remittances by EFT shall make a separate EFT remittance and file a separate return, Form 5000.24, for each brewery from which beer is removed upon determination of tax.

(b) *Requirements.* (1) On or before January 10 of each calendar year, except for a taxpayer already remitting the tax by EFT, each taxpayer who was liable for a gross amount equal to or exceeding five million dollars in beer taxes combining tax liabilities incurred under this part and parts 26 and 27 of this chapter, during the previous calendar year, shall notify, in writing the appropriate TTB officer. The notice shall be an agreement to make remittances by EFT.

(2) For each return filed in accordance with this part, the taxpayer shall direct the taxpayer's bank to make an electronic fund transfer in the amount of the taxpayment to the Treasury Account as provided in paragraph (e) of this section. The request shall be made to the bank early enough for the transfer to be made to the Treasury Account by no later than the close of business on the last day for filing the return, prescribed in §§ 25.164 or 25.175. The request shall take into account any time limit established by the bank.

(3) If a taxpayer was liable for less than five million dollars in beer taxes during the preceding calendar year, combining tax liabilities incurred under this part and parts 26 and 27 of this chapter, the taxpayer may choose either to continue remitting the tax as provided in this section or to remit the tax with the return as prescribed by § 25.164. Upon filing the first return on which the taxpayer chooses to discontinue remitting the tax by EFT and to begin remitting the tax with the tax return, the taxpayer shall notify the appropriate TTB officer by attaching a written notification to Form 5000.24, stating that no taxes are due by EFT because the tax liability during the preceding calendar year was less than five million dollars, and that the remittance will be filed with the tax return.

27 CFR Ch. I (4-1-25 Edition)

(c) *Remittance.* (1) Each taxpayer shall show on the return, Form 5000.24, information about remitting the tax for that return by EFT and shall file the return with TTB, in accordance with the instructions on Form 5000.24.

(2) Remittances shall be considered as made when the taxpayment by electronic fund transfer is received by the Treasury Account. For purposes of this section, a taxpayment by electronic fund transfer shall be considered as received by the Treasury Account when it is paid to a Federal Reserve Bank.

(3) When the taxpayer directs the bank to effect an electronic fund transfer message as required by paragraph (b)(2) of this section, any transfer data record furnished to the taxpayer, through normal banking procedures, will serve as the record of payment, and will be retained as part of required records.

(d) *Failure to make a taxpayment by EFT.* The taxpayer is subject to a penalty imposed by 26 U.S.C. 5684, 6651, or 6656, as applicable, for failure to make a taxpayment by EFT on or before the close of business on the prescribed last day for filing.

(e) *Procedure.* Upon the notification required under paragraph (b)(1) of this section, the appropriate TTB officer will issue to the taxpayer a TTB Procedure entitled "Payment of Tax by Electronic Fund Transfer." This publication outlines the procedure a taxpayer is to follow when preparing returns and EFT remittances in accordance with this part. U.S. Customs and Border Protection (CBP) will provide the taxpayer with instructions for preparing EFT remittances for payments to be made to CBP.

§ 25.166 Payment of reduced rate of tax.

(a) *By return, Form 5000.24.* A brewer who is eligible to pay the reduced rate of tax on beer may, upon filing the notice required by § 25.167, pay the reduced rate of tax on beer by return for

deferred payment of tax as provided in § 25.164 or by prepayment return as provided in § 25.175. Payment of reduced rate of tax on beer by return, Form 5000.24, may commence with any tax return filed during a calendar year and will continue until the brewer has taxpaid 60,000 barrels of beer at the lower rate of tax, or taxpaid the number of barrels of beer apportioned under § 25.167(b)(3) for that calendar year.

(b) *By claim for refund of tax.* A brewer, eligible to pay the reduced rate of tax on beer during a calendar year, but who has not paid the reduced rate of tax by return during that year, may file a claim using form TTB F 5620.8, for refund of tax excessively paid on beer during that year. Claims for refund of tax will be filed as provided in § 25.285.

§ 25.167 Notice of brewer to pay reduced rate of tax.

(a) *Requirement to file notice.* Every brewer who desires to pay the reduced rate of tax on beer authorized by 26 U.S.C. 5051(a)(2) by tax return, Form 5000.24, shall prepare a notice containing the information required by paragraph (b) of this section. The brewer shall file this notice with the appropriate TTB officer for the first return period (or prepayment return) during which the brewer pays tax on beer at the reduced rate. The brewer shall file the notice each year in which payment of the reduced rate of tax on beer is made by return.

(b) *Information to be furnished.* Each notice described in paragraph (a) of this section will contain the following information:

(1) A statement that the brewer will not or is not likely to produce more than 2,000,000 barrels of beer in the calendar year for which the notice is filed.

(2) A statement that the brewer is not a member of a controlled group of brewers, or if the brewer is a member of a controlled group of brewers, a statement that the controlled group will not or is not likely to produce

more than 2,000,000 barrels of beer in the calendar year for which the notice is filed.

(3) If the brewer operates more than one brewery, a statement of the locations of all the breweries and a statement of how the 60,000 barrel limitation for the reduced rate of tax will be apportioned among the breweries. If the brewer is a member of a controlled group of brewers, a statement of the names and locations of all other brewers in the group and a statement of how the 60,000 barrels limitation will be apportioned among the brewers in the group.

(c) *Perjury statement.* Each notice described in this section will be executed by the brewer under penalties of perjury as defined in § 25.11.

The employer identification number (defined at 26 CFR 301.7701-12) of the taxpayer who has been assigned the number will be shown on each return on Form 5000.24, filed under this part. Failure of the taxpayer to include the employer identification number on Form 5000.24 may result in imposition of the penalty specified in § 70.113 of this chapter. A brewer shall apply for an employer identification number on IRS Form SS-4 as provided in § 25.169.

PREPAYMENT OF TAX

§ 25.173 Brewer in default.

(a) When a remittance in payment of taxes on beer is not paid upon presentation of check or money order tendered, or when the brewer is otherwise in default in payment of tax under § 25.164, beer may not be removed for consumption or sale or taken from the brewery for consumption or sale until the tax has been prepaid as provided in § 25.175. The brewer shall continue to prepay while in default and thereafter until the appropriate TTB officer finds the revenue will not be jeopardized by deferred payment of tax as provided in § 25.164.

(b) Any remittance made while the brewer is required to prepay under this section will be in cash or in the form of a certified, cashier's or treasurer's check drawn on any bank or trust company incorporated under the laws of the United States, or under the law of any State, Territory, or possession of the United States, or in the form of a money order as provided in § 70.61 of this chapter (payment by check or money order), or will be made in the form of an electronic fund transfer as provided by §§ 25.164 and 25.165.

§ 25.174 Bond not sufficient.

When a brewer has filed a bond and the penal sum of the brewer's bond is

§ 25.175 Prepayment of tax.

(a) *General.* When a brewer has filed a bond and a brewer is required to prepay tax under § 25.173, or if the penal sum of the bond, Form 5130.22, is insufficient for deferral of payment of tax on beer to be removed for consumption or sale, or if a brewer is not entitled to defer the tax under the provisions of this subpart, the brewer shall prepay the tax before any beer is removed for consumption or sale, or taken out of the brewery for removal for consumption or sale.

(b) *Method of prepayment.* (1) Prepayment will be made by forwarding a tax return, Form 5000.24, with remittance, covering the tax on beer.

quantity of beer by weight or by other accurate means. The brewer shall determine the balling and alcohol content of returned keg beer unless the keg is equipped with tamper-proof fittings. If returned beer is again removed for consumption or sale, tax will be determined and paid without respect to the tax which was determined or paid at the time of prior removal of the beer.

The brewer may not take an offset for beer returned to the brewery other than the one from which removed. Procedures for filing claims for refund or relief of tax or for making adjustments to the beer tax return are contained in subpart T of this part.

(b) *Notice.* A brewer need not file notice of intention to return beer to a brewery other than the one from which removed unless required by the appropriate TTB officer. § 25.284 Adjustment of tax.

(a) *Adjustment of tax in lieu of refund.* In lieu of filing a claim for refund of tax as provided in § 25.283, a brewer may make an adjustment (without interest) to the excise tax return, Form 5000.24, for the amount of tax paid on beer returned to the brewery, voluntarily destroyed, lost, destroyed, or rendered unmerchantable.

(2) Adjustment of the tax paid will be made without interest.

(3) An adjustment may not be taken if the brewer was indemnified by insurance or otherwise in respect of the tax.

(f) *Records.* When brewers make adjustments on the excise tax return in lieu of filing a claim, they shall keep the following records:

The reproduced record will be treated and considered for all purposes as though it were the original record, and all provisions of law applicable to the original are applicable to the reproduction.

All provisions of law and regulations applicable to the original are applicable to the reproduced record. As used in this section, "original record" means the record required by this part to be maintained or preserved by the brewer, even though it may be an executed duplicate or other copy of the document.
