

Alcohol and Tobacco Tax and Trade Bureau, Treasury

§ 4.10

and not more than 24 percent alcohol by volume.

[T.D. TTB-158, 85 FR 18721, Apr. 2, 2020]

§ 4.7 Products produced as wine that are not covered by this part.

Certain wine products do not fall within the definition of a “wine” under the FAA Act and are thus not subject to this part. They may, however, also be subject to other labeling requirements. See 27 CFR parts 24 and 27 for labeling requirements applicable to “wine” as defined by the IRC. See 27 CFR part 16 for health warning statement requirements applicable to “alcoholic beverages” as defined by the Alcoholic Beverage Labeling Act.

(a) *Products containing less than 7 percent alcohol by volume.* The regulations in this part do not cover products that would otherwise meet the definition of wine except that they contain less than 7 percent alcohol by volume. Bottlers and importers of alcohol beverages that do not fall within the definition of malt beverages, wine, or distilled spirits under the FAA Act should refer to the applicable labeling regulations for foods issued by the U.S. Food and Drug Administration. See 21 CFR part 101.

(b) *Products containing more than 24 percent alcohol by volume.* Products that would otherwise meet the definition of wine except that they contain more than 24 percent alcohol by volume are classified as distilled spirits and must be labeled in accordance with part 5 of this chapter.

Subpart C—Standards of Identity for Wine

§ 4.20 Application of standards.

The standards of identity for the several classes and types of wine set forth herein shall be applicable to all regulations and permits issued under the act. Whenever any term for which a standard of identity has been established herein is used in any such regulation or permit, such term shall have the meaning assigned to it by such standard of identity.

§ 4.21 The standards of identity.

Standards of identity for the several classes and types of wine set forth in this part shall be as follows:

(a) *Class 1; grape wine*— (1) *Grape wine* is wine produced by the normal alcoholic fermentation of the juice of sound, ripe grapes (including restored or unrestored pure condensed grape must), with or without the addition, after fermentation, of pure condensed grape must and with or without added spirits of the type authorized for natural wine under 26 U.S.C. 5382, but
