(2) Offer a reasonable opportunity for filing of evidence or legal arguments.

(d) The Director may reconsider a claim under subparts B or C of this part that has been denied in a final agency determination if—

(i) The WTC responder sustained an injury that was the direct and proximate cause of his death or of his permanent and total disability; and

(ii) The WTC responder's injury was sustained in the course of performance of line of duty activity or a line of duty action that exposed him to airborne toxins, other hazards, or other adverse conditions resulting from the September 11, 2001, attacks;

(3) The sole ground of the denial was that the claim did not establish that—

(i) The WTC responder sustained an injury in the course of performance of line of duty activity or a line of duty action; or

(ii) The injury allegedly sustained by the WTC responder was the direct and proximate cause of his death or permanent and total disability;

ELIGIBLE APPLICANTS

§ 33.10 State government.

All states are eligible to apply for and receive block grants. Section 404 of the Act. State, as defined in the statute, means any state of the United States and includes the District of Columbia, the Commonwealth of Puerto Rico, and the Virgin Islands. Section 901(a)(2) of the Act.

§ 33.11 Units of local government.

(a) Units of local government are eligible to receive subgrants from a participating state. Unit of local government means any city, county, township, borough, parish, village, or other general purpose political subdivision of a state and includes Indian tribes which perform law enforcement functions as determined by the Secretary of the Interior. Section 901(a)(3) of the Act.

(b) If the Bureau determines, during any fiscal year, that a portion of the funds allocated to a state will not be required, or that a state will be unable to qualify and receive funds, or that a state chooses not to participate in the program, then the Bureau shall award

Department of Justice

§ 33.22

the funds allocated to the state directly to urban, rural, and suburban units of local government or combinations thereof within the state, giving priority to those jurisdictions with the greatest need. Section 407(d) of the Act.

§ 33.12 Establishment of State Office.

(a) Section 408(a) of the Act provides that the chief executive of each participating state shall designate a State Office for the purposes of:

(1) Preparing an application to obtain funds; and

(2) Administering funds received from the Bureau of Justice Assistance, including receipt, review, processing, monitoring, progress and financial report review, technical assistance, grant adjustments, accounting, auditing, and fund disbursements.

(b) An office or agency performing other functions within the state's executive branch may be designated as the State Office. Section 408(b) of the Act.

ALLOCATION OF FUNDS

§ 33.20 Fund availability.

Section 407(a) of the Justice Assistance Act provides that 80 percent of the total amount appropriated for part D (block grants) and part E (discretionary grants) shall be allocated for block grants.

(a) *Allocation to States.* Each participating state shall receive a base amount of \$250,000 with the remaining funds allocated to each state on the basis of the state's relative share of total U.S. population. Section 407(a) of the Act. If a state does not elect to participate in the Act, the states allocation shall be awarded by the Bureau directly to local units of government and combinations of units of local government within the state. Section 407(d) of the Act.

(b) *Allocation of funds within the State.*
(1) Funds granted to the state are further subgranted by the state to state agencies and units of local government to carry out programs and projects contained in an approved application. Each state shall distribute to its local units of government, in the aggregate, a portion of the state's block grant funds equal to the local government share of total state and local criminal

justice expenditures. Section 407(b) of the Act. In determining the portion to be distributed to local units, the most recent and complete data available from the Bureau of Justice Statistics of the U.S. Department of Justice shall be used unless the use of other data has been approved in advance by the Bureau of Justice Assistance.

(2) To request approval of a distribution ratio other than that based on data of the Bureau of Justice Statistics, the head of the State Office must certify in writing to the Bureau of Justice Assistance that the ratio it proposes is a correct reflection of the local share of total state and local criminal justice expenditures and that the state has notified its major local governments of the request and informed them of the opportunity to contact the Bureau within 30 days, if they have any objections. The written request must also cite the expenditure data used to substantiate the proposed change.

(c) *Allocation based on greatest need.* In distributing funds among urban, rural, and suburban units of local government, the state shall give priority to those jurisdictions with the greatest need. Section 407(b)(2) of the Act.

§ 33.21 Match.

(a) Funds may be used to pay up to 50 percent of the cost of a program or project. Section 403(b)(1) of the Act. The remaining non-Federal share shall be in cash. Section 403(b)(2) of the Act. Match will be provided on a project by project basis. However, states may request the Bureau to approve exceptions such as match on a program by program basis, state-wide basis, unit-of-government basis, or a combination of the above. States must include any requests for approval of other than project-by-project match in their applications to the Bureau.

(b) Funds subgranted to an Indian tribe which performs law enforcement functions (as determined by the Secretary of the Interior) shall be used to pay 100 percent of the cost of a program or project. Section 403(b)(1) of the Act.

§ 33.22 Title to personal property.

Section 808 of the Justice Assistance Act provides that notwithstanding any

other provision of law, title to all expendable and nonexpendable personal property purchased with funds made available under this title, including property with funds made available under this title as in effect before the effective date of the Justice Assistance Act of 1984, shall vest in the criminal justice agency or nonprofit organization that purchased the property if it certifies to the State Office that it will use the property for criminal justice purposes. If such certification is not made, title to the property shall vest in the State Office, which shall seek to have the property used for criminal justice purposes elsewhere in the state prior to using it or disposing of it in any other manner. If a State Office does not exist, certification will be made directly to the Bureau of Justice Assistance.

§ 33.23 Limitations on fund use.

In order to insure the most efficient and effective use of grant funds, the Justice Assistance Act places restrictions on the award of block monies for routine equipment, personnel costs, construction, supplanting of state and local funds, and land acquisition.

(a) *Equipment and hardware.* The purchase or acquisition of equipment or hardware with grant funds is prohibited unless the purchase or acquisition is an incidental and necessary part of a program. Section 406(c)(1) of the Act.

(b) *General salaries and personnel costs.* Payment of personnel costs with grant funds is prohibited unless the costs are an incidental and necessary part of a program. Section 406(c)(1) of the Act. Programs which have as their primary purpose the payment of usual salaries paid to employees generally, or to specific classes of employees within a jurisdiction, are prohibited. Notwithstanding the above, grant funds may be used to compensate personnel for time engaged in conducting or undergoing training programs or the compensation of personnel engaged in research, development demonstration, or short-term programs. Section 406(c)(2) of the Act.

(c) *Construction.* Construction projects are prohibited. Section 406(c)(3) of the Act.

(d) *Land acquisition.* Acquisition of land with grant funds is prohibited. Section 406(c)(3) of the Act.

(e) *Ineffective programs.* The use of grant funds is prohibited for programs or projects which, based upon evaluations by the National Institute of Justice, Bureau of Justice Assistance, Bureau of Justice Statistics, state or local agencies, and other public or private organizations, have been demonstrated to offer a low probability of improving the functioning of the criminal justice system. The Bureau of Justice Assistance will formally identify ineffective programs by notice in the FEDERAL REGISTER after opportunity for public comment. Section 406(c)(4) of the Act.

(f) *Administrative costs.* The use of grant funds to pay for costs incurred in applying for or administering the block grant is prohibited. Block grant funds may only be used to carry out programs that fall within one of the purposes listed in section 403(a) of the Justice Assistance Act. Section 403(a) of the Act.

(g) *Period of project support.* A grant recipient may receive block grant funds for a specific program or project for a period not to exceed four years. The four-year maximum allowable period of funding includes any period prior to the Justice Assistance Act when the program or project was supported by funds made available under title I of the Omnibus Crime Control and Safe Streets Act. Section 403(c) of the Act.

(h) *Non-supplantation.* Block grant funds shall not be used to supplant state or local funds, but will be used to increase the amounts of such funds that would, in the absence of Federal aid, be made available for criminal justice activities. Section 405(2) of the Act.

PURPOSES OF BLOCK GRANT FUNDS

§ 33.30 Program criteria.

The Justice Assistance Act requires that block grant funds assist states and local governments to carry out specific programs which offer a high probability of improving the functioning of

Department of Justice

§ 33.31

the criminal justice system, with special emphasis on violent crime and serious offenders. Section 403(a) of the Act.

(a) *High probability of improving the criminal justice system. High probability of improving the criminal justice system* means that a prudent assessment of the concepts and implementation plans included in a proposed program, project, approach, or practice, together with an assessment of the problem to which it is addressed and of data and information bearing on the problem, concept, and implementation plan, provides strong evidence that the proposed activities would result in identifiable improvements in the criminal justice system if implemented as proposed. Section 901(a)(21) of the Act.

(b) *Special emphasis on violent crime and serious offenders. Special emphasis on violent crime and serious offenders* means that a relationship exists between the program and violent crime, the victims of violent crime, serious offenders and their acts, and the prevention of violent crime and serious offenses. Violent crime, for the purpose of this program, includes homicide, robbery, assault, arson, residential burglary, child abuse and molestation, sexual assault, kidnapping, and all felonies involving weapons or narcotics trafficking. Serious offenders are those who commit violent crimes.

(c) *Criminal justice. Criminal justice* means activities pertaining to crime prevention, control, or reduction, or the enforcement of the criminal law, including but not limited to, police efforts to prevent, control, or reduce crime or to apprehend criminals, including juveniles, activities of courts having criminal jurisdiction, and related agencies (including but not limited to prosecutorial and defender services, juvenile delinquency agencies, and pretrial service or release agencies), activities of corrections, probation or parole authorities and related agencies assisting in the rehabilitation, supervision, and care of criminal offenders, and programs relating to the prevention, control, or reduction of narcotic addiction and juvenile delinquency. Section 901(a)(1) of the Act.

§ 33.31 Eligible purposes and programs.

(a) *Eligible purposes.* Block grant funds may be used for the following purposes listed in section 403(a) of the Justice Assistance Act:

(2) Disrupting illicit commerce in stolen goods and property;

(3) Combating arson;

(4) Effectively investing and bringing to trial white-collar crime, organized crime, public corruption crimes, and fraud against the Government;

(6) Developing and implementing programs which provide assistance to jurors and witnesses, and assistance (other than compensation) to victims of crimes;

(7) Providing alternatives to pretrial detention, jail, and prison for persons who pose no danger to the community;

§ 33.32

28 CFR Ch. I (7–1–24 Edition)

(12) Providing for operational information systems and workload management systems which improve the effectiveness of criminal justice agencies;

(13) Not more than 10 percent of the state's block grant funds for providing programs of the same types as described in section 501(a)(4) of the Act which:

(i) The Bureau establishes under section 503(a) of the Act as discretionary programs for financial assistance; or

(ii) Are innovative and have been deemed by the Bureau as likely to prove successful;

(14) Implementing programs which address critical problems of crime, such as drug trafficking, which have been certified by the Director of the Bureau of Justice Assistance as having proved successful, after a process of consultation coordinated by the Assistant Attorney General of the Office of Justice Programs with the Director of the National Institute of Justice, Director of the Bureau of Justice Statistics, and Administrator of the Office of Juvenile Justice and Delinquency Prevention;

(15) Providing programs which address the problem of serious offenses committed by juveniles;

(16) Addressing the problem of crime committed against the elderly;

(18) Improving the operational effectiveness of law enforcement by integrating and maximizing the effectiveness of police field operations and the use of crime analysis techniques.

(b) *Programs.* The Bureau of Justice Assistance has certified that specific programs meet these purposes, conform with the program criteria, and are eligible for block grant support. (See § 33.32 of the regulations, *Certified Programs*). These programs are described in *Program Briefs* that are available from the Bureau of Justice Assistance. The list of certified programs will be expanded in the future based on the statutory criteria to permit a more complete coverage of each of the purposes.

This certification will be done in consultation with state and local governments and published in the FEDERAL REGISTER. States and localities may use block funds to implement one or more of these certified programs, if they agree to comply with the critical elements set forth in § 33.32 of these regulations, and to provide data on the performance indicators listed. States and localities selecting these programs may identify the certified program in their application by name only, without further description. Programs other than those certified by the Bureau of Justice Assistance may be proposed by the state and/or units of local government and approved for funding by the Bureau. To obtain approval to fund a proposed program, the applicant must provide in its application a description of the program and evidence that it meets the statutory program criteria. The application requirements for program approval are contained in Subpart E—Application Requirements.

§ 33.32 Certified programs.

(a) The Act encourages the implementation of programs that have been proven successful. Pursuant to section 403(a)(14) of the Act, the Bureau of Justice Assistance, after a process of consultation coordinated by the Assistant Attorney General of the Office of Justice Programs with the National Institute of Justice, the Bureau of Justice Statistics, and the Office of Juvenile Justice and Delinquency Prevention, certifies that the following programs have been proven successful:

(ii) *Certificate program: Career Criminal Prosecution Program.* This program targets the identification and prosecution of violent and repeat offenders. Model efforts include a full time prosecutorial unit devoted to increasing the rate of prosecution of such offenders, special screening criteria, and policies that initiate or enhance vertical prosecution. Program objectives and elements are described in greater detail in the *Program Brief on Career Criminal Prosecution.*

Particular care must be taken that persons charged with violent crimes be detained and that the impact on victims and witnesses be a factor in screening decisions. The program calls for the development of a jail population management plan as part of a planning phase, followed by implementation of specific activities and
