(f) In determining the site or location of facilities, a recipient or applicant may not make selections with the purpose or effect of excluding individuals from, denying them the benefits of, subjecting them to discrimination under, or denying them employment in connection with any program or activity to which this subpart applies; or with the purpose or effect of defeating or substantially impairing the accomplishment of the objectives of the JSIA, the Juvenile Justice Act, or this subpart.

(g) For the purposes of this section, the disposition, services, financial aid, or benefits provided under a program or activity receiving Federal financial assistance shall be deemed to include any portion of any program or function or activity conducted by any recipient of Federal financial assistance which program, function, or activity is directly or indirectly improved, enhanced, enlarged, or benefited by such Federal financial assistance or which makes use of any facility, equipment, or property provided with the aid of Federal financial assistance.

(h) The enumeration of specific forms of prohibited discrimination in paragraphs (b) through (g) of this section does not limit the generality of the prohibition in paragraph (a) of this section.

(i)(1) In administering a program regarding which the recipient has previously discriminated against persons on the ground of race, color, religion, national origin, or sex, the recipient must take affirmative action to overcome the effects of prior discrimination.

(2) Even in the absence of such prior discrimination, a recipient in administering a program may take affirmative action to overcome the effects of conditions which resulted in limiting participation by persons of a particular race, color, religion, national origin, or sex.

(j) Nothing contained in this subpart shall be construed as requiring any recipient to adopt a percentage ratio, quota system, or other program to achieve racial balance. The use of goals

and timetables is not use of a quota prohibited by this section.
